Resolved, That the members of the Boston City Council, in meeting assembled, desire to petition the President of the United States to declare and designate one day as a national day of prayer and reparation when the members of all religious faiths may turn in an appeal to God to guide our nation and all peoples of the world into a life-long era of peace; and be it further

Resolved, That a copy of this resolution be forthwith forwarded to the President of the United States and each member of the Massachusetts delegation in the Senate and the House of Representatives.

The resolution was adopted under suspension of the rules.

CONGRATULATIONS TO JOSEPH KEELY.

Coun. HURLEY offered the following:

Resolved, That the members of the Boston City Council, in meeting assembled, desire to congratulate Joseph Keely, affectionately known as Joe "Hambone" Kelly, upon the occasion of his testimonial banquet on Sunday, May 17, 1933.

The resolution was adopted under suspension of the rules.

TO INSTALL TRAFFIC LIGHTS ON GENEVA AVENUE.

Coun. PIEMONTE offered the following:
 Ordered, That his Honor the Mayor request the Traffic Commission to install traffic lights in the Geneva avenue stretch from Dorchester street to Fields Corner; and be it further
 Ordered, That his Honor the Mayor request the Traffic Commission to advise the Honorable Council as to why such lights have not already been installed in view of the fact that said Commission has \$38,000 approximately unexpended in the fund at the end of last year and now have the sum of \$128,000 for the installation of new lights; and be it further
 Ordered, That his Honor the Mayor request the Traffic Commission to furnish the Honorable City Council a list of proposed sites for installation of traffic lights.
 The order was passed under suspension of the rules.

INFORMATION RE INCINERATORS.

Coun. PIEMONTE offered the following:
 Ordered, That under the provision of section 17F of the City Charter the following specific information is requested of his Honor the Mayor two weeks from today:
 1. Whether or not the incinerator called for with specific make or one obtainable in the open market.
 2. Whether or not any provisions are being made for the ultimate heat by the City Hospital.
 3. The locations of all incinerators inspected.
 4. The date of erection of such incinerators inspected together with the cost of the incinerator and the capacity of the incinerator.
 5. The locations of the latest incinerators erected in the United States with the capacity and cost of same.
 The order was passed under suspension of the rules.

COMMENDATION OF PUBLISHER JOHN FOX.

Coun. WHITE and WARD offered the following:
 Whereas, The greatest conflict confronting the world today is Communism vs. Anticomunism; and
 Whereas, It is a conceded fact that Communism has its growth among discontented peoples; and
 Whereas, Communism has been propagated by misunderstanding, ignorance, and a subversive activity; therefore be it
 Resolved, That the City Council of Boston, in meeting assembled, commend John Fox, publisher of the "Boston Post," for his splendid articles on Communism which have brought to the readers the true facts concerning this Red menace which seeks to dominate the world; and be it further
 Resolved, That a copy of this resolution be forwarded at once to publisher John Fox and a second copy be forwarded to the Boston School Committee with the request that it consider using these articles as reading matter for school curricula.
 The resolution was adopted under suspension of the rules.

BASEBALL DIAMONDS FOR LITTLE LEAGUE.

Coun. JOYCE offered the following:
 Ordered, That the Park Commissioner be requested, through his Honor the Mayor, to place in condition all of the fields designed as baseball diamonds for the Little League and where no playing diamonds have yet been set aside in areas where the Little League teams are already organized; that suitable areas be designated and placed in condition in these areas, to encourage the use of the playground system for the benefit of our youth.
 Passed under suspension of the rules.

CONTRIBUTIONS FOR UNITED CEREBRAL PALSY FUND.

Coun. JOYCE offered the following:
 Whereas, Approximately 2,400 letter carriers of the Boston Postal District have volunteered their services on the evening of May 20 to re-walk their routes to accept contributions for the United Cerebral Palsy Fund for the assistance of the children afflicted with this disability; and
 Whereas, This unique and humanitarian effort will assist in the habilitation of long-afflicted children and adults; therefore, be it
 Resolved, That the Boston City Council, in meeting assembled, endorses this program and commends the letter carriers for this unselfish contribution in the interest of the Cerebral Palsy Fund; and be it further
 Resolved, That the residents of Boston be strongly urged to accept this fund and to make contributions to their mailman when he calls at their homes on Wednesday, May 20, between the hours of 6 and 9 P.M.
 The resolution was adopted under suspension of the rules.

PEDESTRIAN TRAFFIC LIGHTS AT TOP-LIFF STREET, WESTVILLE STREET, AND GENEVA AVENUE.

Coun. JOYCE offered the following:
 Ordered, That the Traffic Commissioner be requested through his Honor the Mayor to make a survey of traffic conditions at the junction of Top-liff street, Westville street, and Geneva avenue in Dorchester, with the view promptly installing pedestrian-actuated traffic signal lights at this dangerous intersection.
 Passed under suspension of the rules.

TO RENAMÉ L STREET BATHHOUSE DONALD T. TOLAND MEMORIAL.

Coun. JOYCE and FOLEY offered the following:
 Whereas, Donald Toland, a resident of South Boston and a graduate of Boston College High School, who won a scholarship to Boston College and attended that college less than one year before he entered the service of the United States Marines, lost his life in the service of our country in Korea on May 28, 1951, at the age of twenty; and
 Whereas, The posthumous award of the Navy Cross for "extraordinary heroism" was made to Mr. Toland, who was killed in action at the Newtown Navy Yard, with citation by the President of the United States; and
 Whereas, It is the opinion of all members of the City Council that the name of the Toland family should be indelibly recorded in the annals of our local and national history by the suitable acknowledgment of the patriotic sacrifice of this family; another member of which, Edward Toland, is now a date amputee as the result of his service to our country; therefore be it
 Resolved, That the members of the Boston City Council, in meeting assembled, desire to request his Honor the Mayor to rename the L Street Bathhouse and Solarium the Donald T. Toland Memorial in honor of the memory of Marine Corporal Donald T. Toland, and to further request that suitable ceremonies be arranged to properly dedicate this memorial in honor of the memory of this great hero.
 The resolution was adopted under suspension of the rules.

NAMING OF SQUARE IN HONOR OF RUSSELL J. SAWYER.

Coun. AHEARN offered the following:
 Ordered, That the Committee to Memorialize Veterans be requested, through his Honor the Mayor, to name the square at the corner of Bulfinch street and Cambridge street, Boston, in honor of S/Sergt. Russell J. Sawyer, who lost his life in Okinawa on April 5, 1945, while in the service of his country.
 Passed under suspension of the rules.

RECESS.

On motion of Councillor Hurley the Council voted to take a recess at 5:25 p.m., subject to the call of the Chair. The members of the Council in the Council Chamber and were called to order by President AHEARN at 6:05 p.m.

EXECUTIVE COMMITTEE REPORTS.

Coun. WHITE, for the Executive Committee, submitted the following:
 1. Report on message of the Mayor and resolution (referred today) requesting that the Youth Service Board assist the local authorities in strengthening and coordinating its programs which have as their objective service to youth—thereby sought to be reformed in honor of the Mayor.
 The report was accepted and the resolution was adopted.
 2. Report on message of the Mayor and order (referred today) for transfer of \$1,000 from the Reserve Fund to Special Appropriation, Employee Suggestion Awards—Thames Street, Boston.
 The report was accepted, and the order was passed, yeas 8, nays 0.
 Yeas—Councillors Ahearn, Foley, Hailer, Hurley, Joyce, Piemonte, Ward, White—8.
 Nays—0.
 3. Report on message of the Mayor and order (referred today) for transfer of \$4,962.50 from the Reserve Fund to the Municipal Court, Roxbury District—that same ought to pass.
 The report was accepted, and the order was passed, yeas 8, nays 0.
 Yeas—Councillors Ahearn, Foley, Hailer, Hurley, Joyce, Piemonte, Ward, White—8.
 Nays—0.
 4. Report on ordinance (referred May 4) concerning salaries of certain officials—recommending passage of the ordinance in the following new draft:
 City of Boston.
 In the Year Nineteen Hundred and Fifty-three.
 An Ordinance Concerning the Salaries of Certain Officials.
 Be it ordained by the City Council of Boston, as follows:
 Section 1. The first paragraph of section 5 of chapter 2 of the Revised Ordinances of 1947, as most recently amended by chapter 6 of the Ordinances of 1952, is hereby further amended by striking out clause (c) and inserting in place thereof the following:

(6) The clerk of committees of the city council, seventy-four hundred and sixty dollars; the assistant clerk of committees, fifty-eight hundred and sixty dollars; and the two secretaries in the clerk of committees department, forty-two hundred and sixty dollars each.

Sec. 2. Said first paragraph of said section 5 of chapter 3, as so amended, is hereby further amended by striking out clause (13) and inserting in place thereof the following:

(13) The city messenger, seventy-four hundred and sixty dollars; the assistant city messenger, fifty-two hundred and sixty dollars; the second assistant city messenger, forty-two hundred and sixty dollars; the document clerk, forty-seven hundred and sixty dollars; the assistant document clerk, thirty-nine hundred and sixty dollars; and the two stenographer-clerks in the city messenger department, thirty-nine hundred and sixty dollars each.

Sec. 3. This ordinance shall take effect on the Wednesday next following its approval by the Mayor.
 The report was accepted, and the ordinance was passed.

5. Report on message of the Mayor and communication from the School Committee and order of City Council for loan of \$5,000,000 for construction of public school buildings (referred today)—recommending that order ought to pass.

The report was accepted, and the order was given its second reading and passed (referred today).
 Yeas—Councillors Ahearn, Foley, Hailer, Hurley, Joyce, Piemonte, Ward, White—8.
 Nays—0.

6. Report on message of Mayor and order (referred April 27) re contracts for collection and removal of refuse—recommending that same be reported back without prejudice.
 The report was accepted.

The question came on the passage of the order, and the order was passed.

INSPECTION OF WEST END PROJECT AREA.

Coun. FOLEY offered the following:
 Ordered, The Executive Committee of the Boston City Council is hereby directed to make an inspection of the West End Project area in the company of the officials of the Urban Redevelopment Authority in connection with its deliberations on the matter of authorization to proceed with the drafting of final plans for redevelopment of the West End Project area.
 The order was passed under suspension of the rules.

STATEMENT BY COUNCILLOR WARD.

Upon receiving unanimous consent to make a statement Councillor Ward stated he is against the further issuance of gasoline permits on Veterans of Foreign Wars Parkway.

APPEARANCE OF HOSPITAL TRUSTEES AND SUPERINTENDENT.

Coun. HAILER offered the following:
 Ordered, Under the authority of section 17F of the City Charter the Trustees and Superintendent of the Boston City Hospital are hereby directed to appear before the Boston City Council on Monday, May 25, 1953, to answer the following questions:
 1. Whether the Boston City Hospital is adequately staffed at the present time.
 2. If the hospital is at present understaffed, why such a situation exists.
 The order was passed under suspension of the rules.

RESURFACING OF WASHINGTON STREET.

Coun. HAILER offered the following:
 Resolved, That the Boston City Council, in meeting assembled, hereby requests the Commissioner of Public Works of the Commonwealth of Massachusetts to grant the use of chapter 90 funds for the resurfacing and repaving of Washington street, from Forest Hills to the Dedham line, and from Forest Hills to Eggleston square.
 The resolution was adopted under suspension of the rules.

TO ORGANIZE PONY BASEBALL LEAGUE.

Coun. HAILER offered the following:
 Ordered, That the Park Commission be requested, through his Honor the Mayor, to appoint an advisory committee for the purpose of organizing a pony baseball league and arranging a schedule of games on the various playgrounds throughout the city.
 Passed under suspension of the rules.

Adjourned at 6:35 P.M., on motion of Councillor Foley, to meet on Monday, May 25, 1953, at 2 P.M.

Note! All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.
 (Stenographic copy of such debate on file in office of City Clerk.)

PROCEEDINGS OF SCHOOL COMMITTEE.

Mar. 2, 1953

A meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 10:35 P. M., the Chairman presiding.

Present: Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick.

APPROVAL OF MINUTES

The reading of the minutes of the meetings of Jan. 12, 19, and Feb. 2, 1953, was omitted, the Committee approving them as printed.

APPROVAL OF STATE-AIDED WORK

A communication was received from the State Department of Education, Division of Vocational Education, under date of Feb. 13, 1953, reporting that the re-establishment of a course in refrigeration in the Boston Evening Trade School has been approved in accordance with plans set forth; that if these plans are carried out as submitted, the work will be given approval and the city of Boston recommended for reimbursement under the provisions of Chapter 74 of the General Laws, as amended, reimbursement to date from Sept. 30, 1952.

Placed on file.

APPROVAL OF APPOINTMENTS

The Chairman stated that the question was on approving the appointments of teachers, as reported by the Superintendent, and laid over at the meeting of Feb. 17, 1953.

On roll call the appointments were approved by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

DEATHS

The Superintendent reported the death of the following-named teacher:

William Barton Rogers Junior High School—Ann C. Hallisey, teacher, junior high, Feb. 9, 1953.

Placed on file.

The Superintendent reported the death of the following-named teacher who had been retired under the provisions of the State-Boston Retirement System:

Department of Home Economics—Catherine F. Clifford, Feb. 19, 1953.

Placed on file.

WITHDRAWAL OF APPOINTMENT

A communication was received from the Superintendent, under

date of Mar. 2, 1953, reporting that, subject to the approval of the School Committee, and at the request of the person concerned, he has withdrawn the appointment of the following-named school nurse, whose appointment was submitted at the meeting of Feb. 2, 1953, and approved at the meeting of Feb. 17, 1953:

Department of School Hygiene—Katherine A. Powers, school nurse (fourth year), Mar. 9, 1953.

The communication was placed on file and on roll call the withdrawal of appointment was approved by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0

PAINTING OF ELIHU GREENWOOD SCHOOL

The following communication was presented:

Mrs. Alice Lyons, Chairman The School Committee of the City of Boston

15 Beacon Street
Boston, Massachusetts
Dear Mrs. Lyons and Members of the Boston School Committee

Recently renovations of the Elihu Greenwood School were completed.

We wish to thank all of you sincerely for making the work possible. We are particularly grateful to Mrs. Lyons and to Mr. Muchnick whose patient interest and cooperation started the ball rolling for us.

It is indeed gratifying to the parents of the City of Boston to know that our children's educational needs are being cared for by such splendid men and women as are now serving on the Boston School Committee.

Sincerely yours,

(Signed) Elsie L. Durepo,

President of the Elihu Greenwood District Home and School Association.

Placed on file.

ANNUAL REPORT OF SUPERINTENDENT

A communication was received from the Superintendent, under date of Mar. 2, 1953, submitting the seventieth annual report of the Superintendent of Public Schools. The report covers the school year ending Aug. 31, 1952.

Placed on file.

The following was offered:

ORDERED, That this Committee hereby adopts as its Annual Report for the year 1952, the Annual Report of the Superintendent, being School Document No. 7, 1952.

On roll call the order passed by the following vote:

gerald, Dr. Foley, and Mrs. Lyons

—4.

NAYS—0.

PRESENT—Mr. Muchnick—1.

WORKMEN'S COMPENSATION

The following were offered:

ORDERED, That the order passed by this Committee on Oct. 6, 1952, discontinuing, effective as of Nov. 1, 1952, in then pending Workmen's Compensation cases and in any that may arise thereafter, all payments in excess of the regular statutory payments for Workmen's Compensation be, and the same hereby is rescinded, effective Nov. 1, 1952, in so far as it is to be construed as prohibiting the payment of overtime or sick, vacation or other leave, in accordance with the provisions of the Workmen's Compensation law.

On roll call the rules were suspended and the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0

The following was offered:

ORDERED, That effective as of Nov. 1, 1952, the first sentence of paragraph 1 of section 337 of the Rules and Regulations adopted by this Committee on Mar. 4, 1935, be, and the same hereby is, amended by striking out clause (1) and inserting in place thereof the following:

(1) Physical incapacity for less than 7 calendar days caused by accidents arising out of and in the course of the employment for the School Committee . . . 5 days.

On roll call the rules were suspended and the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

EXTENSION OF CONTRACT, P. A. MILAN, INC.

The order laid over at the meeting of Jan. 5, 1953 (see P. 7), relative to extension of contract for transportation of films, etc., by P. A. Milan, Inc. was taken up.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0

The following was offered:

ORDERED, That the next contract for transportation of films, motion picture equipment, science material and school exhibits for Boston Public Schools be awarded for the period July 1, 1953, to Mar. 31, 1954; and further, that the proposal provide for the submission of bids on a district basis as well as on a citywide basis, and that the Business Manager accept such bid or part of bid as may be deemed best for the interests of the city.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

PROPOSED INCREASE IN FEE FOR AUTOMOBILE REG- ISTRATION TO PROVIDE FUNDS FOR NEW SCHOOLS

In accordance with the request of Mr. Muchnick, the following conference notes are in the record of the public meeting:

Mr. Muchnick: Madam Chairman, I have a motion that I would like to make on the general problem of school funds; and while it is a bit out of order, I wonder if it would not be as good a time as any to make it while we are discussing money for schools. I will do it whichever way you suggest.

Mrs. Lyons: You go right along if you wish, Mr. Muchnick.

Dr. Foley: What is the discussion, Mr. Muchnick?

Mr. Muchnick: On finances for the operation of schools and an attempt to get them.

Mr. Carr: How long will it take, Mr. Muchnick?

Mr. Muchnick: From the beginning to the end? My guess is about five minutes. I have no objection to its lying over to new business if anybody objects to its being done now.

Mrs. Lyons: Any objections?

Dr. Foley: I haven't any objection.

Mr. Muchnick: Madam Chairman, it is becoming increasingly apparent that real estate cannot be further burdened for the support of public services rendered by the Commonwealth of any of its cities and towns.

In an attempt, one, to alleviate the almost confiscatory tax burden now borne by real estate; two, to provide for funds to be used to defray a portion of the cost of public school education, three, to spread the cost so that it will be shared by as many as possible and the little or no burden to any one person affected by it; and four, to provide for a tax easy of collection and remittance to the recipient communities, I suggest that the Boston School Committee recommend the following method of raising funds for local public school needs in the various cities and towns in the Commonwealth.

(A) Increase the present registration fee of all motor vehicles by an amount equal to three times the present registration fee of the respective motor vehicles except in such case where the increase will equal or exceed the sum of \$75 per year, in which event said sum of \$75 per year shall be the maximum amount of increase.

(B) All sums raised as provided in paragraph "A" shall be disbursed by the Treasurer of the Commonwealth to the cities and towns annually in such amounts as are designated for each city and town by the State Commissioner of Education.

(C) Said sums shall be distributed in addition to any and all other sums now distributed by the

Commonwealth to cities and towns for public school purposes.

(D) The total sum received by each city and town annually shall be used by it in reduction of the total annual sum raised by that city or town for public school purposes through real estate taxes.

(E) The Commissioner of Education shall annually allocate to each city and town its proportionate share of the said funds as hereinafter explained.

(F) All funds raised as provided for in paragraph "A" shall be used solely for public school purposes.

During the calendar year 1952 there were a little over 1,500,000 motor vehicles registered in the Commonwealth. By 1954, that number is expected to reach over 1,600,000 motor vehicles.

An average amount under the plan suggested above for motor vehicles will come to approximately \$25 a vehicle per year, getting approximately \$38,000,000 to \$40,000,000 per year.

A motor vehicle is either a luxury or a business necessity. At the present time the cost of registering the average automobile ranges between \$4.50 to \$9 per year, depending on the horsepower of the automobile.

It is obvious that the person to whom an automobile is a luxury would have no objection to paying an additional sum varying between \$13.50 and \$27 when the purpose of such payment is to further public school education and at the same time decrease the burdens now borne by real estate.

The registration fee for such motor vehicles as tractors, trailers and so forth used in business range all the way from the fees mentioned above to a maximum fee of \$180 for the heavy duty tractor.

It is apparent that any person operating a truck in a business will have no hesitation or should have no hesitation in paying a sum ranging from \$13.50 to a maximum of \$75 additional to further public school education and at the same time decrease the burden now borne by real estate.

As a matter of fact, it is quite probable that the increases above mentioned are in the main tax deductible items so that only a portion of the increase will be directly borne by the person paying it. A tax of this nature, because of its type, should cost almost nothing to collect or disburse, thus yielding a maximum return on the tax for school purposes on the amount collected.

The total sums spent for all public school needs, exclusive of school construction, during the year 1952 was \$112,878,000 in the Commonwealth. This sum was in addition to State aid, and was raised in total from local real estate taxation.

The sum obtainable by the method suggested above could reduce this amount by approxi-

mately 35 per cent. The City of Boston in 1952 spent approximately \$22,750,000 for all school purposes exclusive of new construction that was raised from real estate taxes.

Boston would thus be in a position to receive approximately 35 percent of this sum, or about \$8,000,000 annually by this method, and this would reduce the real estate rate by approximately \$5.50 to \$6.00 per \$1,000.

The advantages of a decreased real estate tax rate are too well known by all to need further elaboration.

Mr. Muchnick offered the following:

ORDERED, That this School Committee request the Governor to take the necessary steps leading to the enactment of the foregoing plan; and that the Committee urge all school committees in Massachusetts to support this measure.

Mr. Muchnick: I would suggest, Madam Chairman, that this be on the agenda for our next meeting and that we act on it at that time.

Mrs. Lyons: Do you have any copies, Mr. Muchnick, that the members could read?

Mr. Muchnick: I will have some.

Miss Fitzgerald: May I ask, Mr. Muchnick: Is that in the form of a recommendation to the Governor for legislation along these lines?

Mr. Muchnick: It would have to be legislation authorizing it, and as a matter of fact approving it; but if such legislation would take place, Boston's tax rate could be cut down close to \$6 per \$1,000, and it would do what should be done—spread the cost of public education to more people.

Miss Fitzgerald: Madam Chairman, wouldn't some of the other school committees in the Commonwealth of Massachusetts be interested in looking into this matter?

Mr. Muchnick: That is why I suggested that we urge all school committees in Massachusetts to support the measure because they get approximately the same thing. The amount raised by real estate taxation now for all purposes other than education could be reduced by approximately 35 per cent.

Dr. Foley: Mr. Muchnick, would you have any objections to referring this matter to the Massachusetts Association of School Committees before we have it on the agenda?

Mr. Muchnick: I would have no objections at all, with just one condition. If this plan is any good, then it should be adopted to take effect in 1954. Nothing can be done for 1953.

If the Massachusetts Association of School Committees can do something affirmatively or negatively in time so that action can be taken one way or the other

by the Legislature and the Governor before prorogation this year, fine.

Dr. Foley: It would be nice, Madam Chairman, if the Massachusetts Association of School Committees would propose this matter to the Governor and have it come from a State organization.

Miss Fitzgerald: I think that is an excellent suggestion, and I think they have a meeting in May of all the school boards.

Mrs. Lyons: They have an executive meeting each month. They will have one the 28th of March, and at that time it could be submitted.

Mr. Carr: One question. Under Mr. Muchnick's proposal, would you penalize the car owner whose children attend parochial and private schools?

Mr. Muchnick: I don't penalize any man for anything.

Mr. Carr: They are still going to have to pay the extra dollar tax if he owns an automobile.

Mr. Muchnick: If he currently owns a home and sends his children to private or parochial school, or if he currently owns a home and has no children, or if he owns a home and his children are through school, he still pays for the public schools through a real estate tax.

All this attempts to do is to spread the burden of taxation so that it can be borne by more people in the City and State, and, fully as important, can bring down our real estate tax rate so that people won't be afraid to own businesses and homes in Boston, so that industry won't be afraid to come into Boston and build factories and office buildings and various other means of further reducing our tax rate.

Once we can get our tax rate down or show signs that we are going to get it down in the City of Boston, many of those factories and offices that have moved to Cambridge and Quincy and other way stations to get away from our high tax rate will start coming back into Boston, and we will have more accessible property built which will further reduce our tax rate and make it a lot easier to do business in this town and also have taxes that will be so greatly reduced that everybody will start flowing our way instead of out.

Mr. Carr: Madam Chairman, I still feel that it is discriminating against the car owner when he is asked to pay an extra dollar for public school education when he might have no one in his family attending school.

Mr. Carr offered the following: ORDERED, That the foregoing plan be amended to provide that the Governor and the Republican Party look into the advisability of putting through a General Sales Tax for school purposes.

Mr. Carr: There would be no discrimination if this were done and I ask this School Committee to entertain that amendment.

If we are going to pick out certain groups to tax for school purposes, let's take them all, and that will relieve the real estate tax.

Mr. Muchnick: Madam Chairman, there are two major objections to a sales tax as opposed to this type of measure. A sales tax, as is well known, hits everybody, and particularly those who are least able to bear it.

An automobile comes into categories. It's not the necessity of the type that food, clothing, and shelter are—and those would be affected by sales taxes. It is either a luxury, and if an automobile stands a family \$2000 to \$3000 as a luxury and the family can't stand another \$15 or \$20 for school purposes, then that family is travelling, in both senses of the word, pretty close to the line.

If it is not a luxury, it becomes a business necessity; and if there is any business in our Commonwealth that can't stand the extra payment annually of anywhere from \$15 to a maximum of \$75, which is on the tractor-trailer units—and that is the only type of vehicle that would be affected at the \$75 level—then frankly its creditors better start looking to see that they can call their accounts receivable in quickly.

Particularly is that true when it would appear, although this I am not completely sure on and have not checked anymore on it, at first blush that that extra payment of a tax is deductible from Federal income taxes and possibly from our State income taxes so that the one who pays the tax has as his partner in payment, if I am on the right deduction item, the Federal Government and possibly also the Commonwealth.

That clearly takes it out of the class of the sales tax, which taxes not only luxuries and necessities but also necessities of life that the poorer people cannot afford; and if that is discrimination, I am perfectly willing to discriminate in favor of the poorer people who can't afford to pay a tax on the necessities of life.

Further than that, from the point of view of collection and disbursement, the cost of collecting and disbursing this tax is almost negligible because when you register your car, instead of paying \$4.50, if it is a 30-horsepower car, you would pay 4 times \$4.50—\$18.

You would pay only \$18, and you would pay it once, and the Registry would know that of that \$18, \$4.50 is retained for its purposes, and \$13.50 will be retained either by it or by the Treasurer for educational purposes, and at some time during the year the Treasurer will be informed by Mr. Desmond, the Commissioner, that he should send a check in X amount to the City of Boston and another one for a different amount to Quincy and one for its amount to Cambridge and so forth.

It is the simplest method possible of collecting and disbursing the tax, and I would venture to guess that the collection and disbursement of the \$38,000,000 or \$40,000,000 or whatever the figure turned out to be would not cost a maximum of \$5,000 a year; whereas, on the collection of a sales tax, the cost of collection and disbursement not only to the Commonwealth or the City but the cost to the storekeepers for the handling of the tax and the finances and so forth is almost a prohibitive item and takes too big a chunk out of the tax cent or dollar to make it worth while.

Mr. Carr: Madam Chairman, it is evident the sales tax in Rhode Island and New York hasn't proved prohibitive. There are many people still in business there.

However, lest this continue along this line, Madam Chairman, I hope you will dispose of this. I think it is entirely outside the scope of your School Committee to consider tax problems or how to relieve the real estate of the City of Boston or any other city for school purposes.

I think the former speaker knows as well as you do that our primary concern is school problems, and no matter what money we appropriate for school purposes to run ample schools for the children of Boston, the Mayor is obliged to find the taxes or find the money. Let him take care of the tax problems.

I do say that the Mayor probably would be interested in these recommendations, but other than that I don't think it is any concern of ours. I hope we will get along with the agenda and confine ourselves to school problems. I think the tax question is too big for this Committee to consider.

Mrs. Lyons: I don't think it is a question of taxes, Mr. Carr. I think it is a question of whether the Committee wants to vote to have Mr. Muchnick's proposition go to the Governor.

Dr. Foley: I would just as soon have it aired by the Massachusetts Association of School Committees. There is no harm in that.

Miss Fitzgerald: It is a State-wide group.

Dr. Foley: Give it an airing, and maybe we will have an assenting clause.

Mrs. Lyons: Miss Reynolds, will you see that Mr. Whitehead, the Treasurer of the Massachusetts Association of School Committees, gets a copy of Mr. Muchnick's proposal, and ask if they will discuss it at their next meeting, which will be March 28th, and report back to us?

Mr. Carr: Does my amendment, Madam Chairman, on looking into the advisability of recommending a general sales tax, go in? That would take care of school problems and all other tax problems.

Mrs. Lyons: I think along your own line of thought, Mr. Carr, if you feel that we should not get into the tax problem at all—

Mr. Carr: I don't, frankly, but as long as we are discussing it—

Mrs. Lyons: That itself is right along the same line.

Mr. Carr: Well, if you are going to send it, you might as well send along the advisability of a sales tax.

Mrs. Lyons: Yes, you might include that, too.

Mr. Muehnick: Madam Chairman, if it becomes a question of the School Committee in any way recommending or being associated with the establishment of a sales tax for this purpose or any purpose, I for one would like to be recorded in opposition to it for many reasons, including those which I stated just a short time ago.

Miss Fitzgerald: Madam Chairman, I would feel the same way as Mr. Muehnick on that.

Mr. Carr: Madam Chairman, I myself have not made up my mind. I don't know whether it would be advisable, but this is only a recommendation for those people to look into the feasibility of it. Possibly if it were feasible they would recommend it to the Governor and the Legislature, and we might have a sales tax.

Dr. Foley: Madam Chairman, I would record myself in opposition to it.

Mr. Carr: I think the Republican Party has been on record in previous administrations as favoring a sales tax.

Mrs. Lyons: I certainly want to go on record as against the sales tax.

Dr. Foley: I don't think you should bring politics into this group.

Mr. Muehnick: Then do I understand, Madam Chairman, that the proposed amendment, or the question of feasibility, does not get passed along to the Massachusetts Association of School Committees?

Mrs. Lyons: We had four votes against it. Even Mr. Carr, I think—

Mr. Carr: You might put it in a subnote there.

Mrs. Lyons: You would like to have them discuss it informally—is that right, Mr. Carr?

Mr. Carr: Yes, and report back.

Mr. Muehnick: Madam Chairman, I don't like to stand on form, particularly, but if there is a four to one vote against the School Committee sending it along to the Massachusetts Association of School Committees, then it would appear that if Mr. Carr wants that discussed he should contact them personally, or have Miss Reynolds write for him, or have Miss Murray write for him, and not in any way connected with the rest of the Committee which seems to have indicated that it wants no part of it.

Mr. Carr: Madam Chairman, it is all a tax problem. Someone is going to get hit with a tax. I don't see any objections to sending it along.

PROMOTION OF CHANNEL FOR EDUCATIONAL TV

Mrs. Lyons: It has been brought to my attention that about every group interested in education has tried to do something to further the promotion of the channel educational TV, and there were some ladies who came in to see me tonight from the Massachusetts Association for Better Radio and Television. One also was a representative of The League of Women Voters—I guess both of them were from the League of Women Voters—and they had a questionnaire which they asked if the School Committee would approve.

This questionnaire would go to the secondary schools, and it would ask the pupils what type of program they prefer, what they are interested in, and what they dislike. We can distribute these through the schools, set a date to have them returned, and they will then be evaluated.

Mr. Muehnick: Madam Chairman, I had the opportunity of looking this over a little earlier today, and I have also been informed that so far as these people are concerned, time is of the essence. Therefore, following along your thought, I offer the following:

ORDERED, That the questionnaire relating to the promotion of the channel for educational TV be approved, and that it be sent out to the school system as quickly as it can be either furnished to us by the television group, or if we are going to make copies, as quickly as we can make them.

Mrs. Lyons: I think we will have to make copies. I don't think they have the facilities to do it.

Miss Fitzgerald: Madam Chairman, will they be taking school time to do it? In other words, it looks like a very complicated thing. Will they be doing it themselves?

Mrs. Lyons: This woman, Mr. Superintendent, is a teacher. I believe, in Girls' Latin School. I asked her how she handled it, and she said she used it as a demonstration lesson in school and it worked out very, very nicely in an English class.

Miss Fitzgerald: I think it is an excellent thing to do.

Dr. Foley: I think they probably could take them home, or the teacher could take it up in class. I think it is important for the Superintendent to get in line and do it.

Mr. Carr: Madam Chairman, where are these going—high school or junior high?

Mrs. Lyons: Junior High and Senior High Schools—just the upper level.

Miss Fitzgerald: And the results, I take it, will be collated by the group for presentation to the committee that is studying the acquisition of a channel?

Mrs. Lyons: Yes. Superintendent: Do they answer right on here, Madam Chairman?

Mrs. Lyons: Yes, they check off their answers on the questionnaire.

Superintendent: Madam Chairman, since Miss Paraboschi is one of our teachers at the Girls' Latin School, if the Committee is going to accept this, would you want her, under Mr. Daley's direction, to draw up an appropriate circular to be done by her under our direction? If she has a technique that she feels will not waste time or not consume too much time, then she might be willing to do it.

Mrs. Lyons: I think she would be very happy to work on it if we could give her the approval.

Dr. Foley: I agree.

Superintendent: To prepare a suitable circular.

Miss Fitzgerald: I think the results would be better that way.

Mrs. Lyons: All right. I think that is a very good suggestion.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons and Mr. Muehnick—5.
NAYS—0.

The Committee adjourned

Attest:

AGNES E. REYNOLDS
Secretary.

Mar. 18, 1953.

A meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 9.19 P. M., the Chairman presiding.

Present: Mr. Carr, Mrs. Lyons, and Mr. Muehnick.

APPROVAL AND AMENDMENT OF MINUTES

The reading of the minutes of the meetings of Feb. 17, and Mar. 2, 1953, was omitted, the Committee approving them as printed.

The following was offered:

ORDERED, That the minutes of the meeting of Sept. 22, 1952, are hereby amended, on page 308, to provide that the paragraph under the heading—Appointments from the Eligible List—shall read as follows:

Appointments

The following nominations by the Superintendent, certified by him as being in accordance with the rules and regulations, to take effect on the dates stated, were presented:

(From the Eligible List)

Abraham Lincoln—Quincy District—Frances R. Coen, teacher, junior high (second year), Oct. 7, 1952.

Bigelow District—Robert T. Morris, Mark J. Mulkern, teachers, junior high (fourth year), Oct. 7, 1952.

Clarence R. Edwards Junior High School—Francis X. Browne, teacher, junior high (third year),

Oct. 7, 1952. Florence C. Hard, teacher, junior high (fourth year), Oct. 7, 1952.

James P. Timilty Junior High School—John R. Golner, William J. Hart, teachers, junior high (third year), Oct. 7, 1952. John R. Yurewicz, teacher, junior high (fourth year), Oct. 7, 1952.

Patrick F. Gavin Junior High School—Keven J. Bowers, David J. Burns, Irwin M. Sallen, teachers, junior high (third year), Oct. 7, 1952. Cornelius J. Scanlon, teacher, junior high, Nov. 1, 1952.

Department of Vocational Guidance—Arnold L. Ganley, vocational instructor (from sub-master, William Howard Taft Junior High School), Oct. 7, 1952.

Department of School Hygiene—Mary V. Leonard, school nurse, Nov. 1, 1952. Julia B. Belowski, school nurse (fourth year), Oct. 7, 1952. Mary Kelly, school nurse, (third year), Nov. 17, 1952.

Laid over.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Mrs. Lyons, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Miss Fitzgerald and Dr. Foley—2.

SCHOOL PLANT STUDY

Mr. Muchnick: Madam Chairman, by agreement with the Harvard Center for Field Studies, we are to receive from them the report on their survey on consolidations on or before April 1st.

I received a telephone call and subsequently spoke with some people connected with the Center for Field Studies, and they requested that they be permitted to be present and meet with this School Committee when they present the report.

They are ready to present the report on April 1st in accordance with the terms of their contract, but they pointed out to me that that will be Wednesday of the week preceding Easter, which is Holy Week; and that it will take considerable time and may go into more than one day. They would like to set up their schedules consistent with the religious obligations of the period, and have suggested therefore, subject to our approval, that we extend the time under the contract until Monday or Tuesday following Easter, either April 6th or 7th, and advise them as to when we can meet.

Therefore, I offer the following:

ORDERED, That, because of the fact that Monday and Tuesday, Mar. 30 and 31, 1953, may be days of religious obligation for other persons concerned the time for fulfillment of the contract of the Harvard Center for Field Studies and this Committee be extended up to and including April 10, 1953.

Mrs. Lyons: May I add to that, too, that there was a request that some pictures would

be incorporated in the report, and if there are no objections—

Mr. Muchnick: Mr. Kerr wants to be heard on the same subject.

Mr. Carr: Madam Chairman, when you say "pictures" do you mean pictures of the buildings?

Mrs. Lyons: Pictures of the buildings and children in classes. There will be no specific names. It is just to make it more interesting.

Mr. Muchnick: And more factual.

Mrs. Lyons: Most of our booklets that you see certainly have pictures in them, but there are no specific names used.

Mr. Carr: Madam Chairman, do they intend to use the picture of the Superintendent?

Mrs. Lyons: I wouldn't know. They are using pictures of school buildings, I believe.

Mr. Carr: The School Buildings Commission?

Mrs. Lyons: I don't know. They were making the survey on the school buildings.

Mr. Muchnick: Madam Chairman, in addition to that, there has arisen a combined legal and financial problem. Am I correct, Mr. Kerr? Mr. Kerr has been wrestling with it, and I would like that he be heard as well.

Mr. Kerr: Madam Chairman, the attorneys representing Harvard College in this contract which you have just been considering are having some difficulty, and we also in the Law Department, in approving a final draft of a contract for execution. That has never been done. You have taken your votes, but the final instrument has never been executed. The Harvard Corporation did not meet on the matter until some time this month.

The contract as it appears in the minutes of the School Committee shows that the first \$5,000 was to be paid on Dec. 15, 1952, and the other \$5,000 at the expiration of fifteen days after the submission of the final report.

In order to make that realistic with modern conditions, I respectfully suggest that this School Committee pass the following order:

ORDERED, That the agreement to be executed between the Center for Field Studies of the Graduate School of Education of Harvard University and the Boston School Committee for a school plant study pursuant to the order passed by this Committee on Nov. 13, 1952, anything in said order to the contrary notwithstanding, shall provide:

(1) That the ten thousand dollars to be paid by the City of Boston thereunder be paid as follows: (a) Five thousand dollars (\$5,000) on or before Apr. 15, 1953, and (b) Five thousand dollars (\$5,000) at the expiration of sixty days after the submission of the final report.

Mr. Muchnick: Mr. Kerr, now that there is this order, would there be any objection to adding: "C. And that the time be extended

up to and including April 10, 1953?"

Mr. Kerr: I wouldn't add "C." I would add a further statement "And shall further provide that the time for the submission of the final report be Apr. 10, 1953."

Mr. Muchnick: And the amendment about the pictures, too?

Mr. Kerr: I don't know what that particular one is.

Mrs. Lyons: That is they may include pictures of school buildings.

Mr. Kerr: May I suggest, Mr. Muchnick, that I don't think that is properly a part of the contract.

Mrs. Lyons: I didn't believe it was, either.

Mr. Kerr: That is an order that you adopt apart from it.

Mr. Carr: Mr. Kerr, why is it necessary for this order? Would you repeat why?

Mr. Kerr: The reason for it is that Harvard University's vote to enter into the contract and the bond which we in the Law Department have required that they put up to secure the contract did not pass through the Harvard Corporation, which only meets periodically, until this month, so that there has been no contract signed as of this minute.

So, in order for them to have authority to prepare their final report and submit it and for the payment to be made, that document still has to be executed. This is a purely legal, unfunctional matter to straighten out your prior votes on the subject and bring it about so that they are realistic under actual modern conditions.

In other words you voted originally to pay \$5,000 on Dec. 15, 1952. That came and went. You haven't paid it. You are not in default, and this simply ratifies the fact that you are not in default by changing that payment date to April 15th. Beyond that, "B" provided for payment within sixty days after the expiration of the final report. All our contracts in the city provide for sixty days after the expiration of the final report, in order to allow claims to be filed if there are any. Obviously there will be none here, but that is the standard practice, and so we provide for that.

These are a couple of technicalities that have arisen with the lawyers in executing the agreement.

Mr. Carr: There is no particular need for acting on this tonight, is there?

Mr. Kerr: May I respectfully suggest that that is what brought me here tonight—the desire that this be finally completed. The contract I have had has been Ropes, Gray, representing Harvard University.

They called me with respect to the matter, they talked to me yesterday again on it, and they said that: "If you can get through it at tomorrow night's meeting, we will sign the contract and get it over with."

Mr. Carr: Mr. Kerr, how many copies of the contract are there?

Mr. Kerr: I haven't seen the actual document yet. They are preparing it down there. I have seen the minutes of it in the November, 1952, School Committee record. The document is set forth there.

Mr. Carr: Madam Chairman, we had two copies the night we acted on this. Were those the contracts?

Mr. Muchnick: They were, and one copy was delivered to Harvard University and one was given to Miss Reynolds. I assume that both are in safe hands.

Mr. Kerr: I have seen none as yet. They are all down with Ropes, Gray as far as I am aware.

Mr. Carr: Has Mr. Baxter seen a copy?

Mr. Kerr: Not to my knowledge.

Mrs. Lyons: What is the procedure, Miss Reynolds, when the School Committee passes it over to you? Who should get it then?

Secretary: I just have it. Mr. Smith talked to me about it.

Business Manager: I will tell you what happened. I sent along a requisition to the City Auditor to pay the \$5000 in December according to the agreement. The City Auditor called me and said that he could not pay—that it would involve the condition that the contract should be written.

So I prepared a contract and sent it along to Harvard University. That was some time ago.

Mr. Kerr: Yes.

Business Manager: The contract incorporated the substance of the agreement that was signed by Professor Sargent and, I believe, the Chairman of the School Committee.

That was finally referred, I believe, by the Harvard Corporation to Ropes, Gray, Best, Coolidge & Rugg. I have received telephone calls in the last few days from one of their attorneys on this matter, and I said that this contract would have to be approved by the Law Department. I stated that I thought he ought to talk with Mr. Kerr of our Law Department, and I believe that is how Ropes, Gray's office got in touch with Mr. Kerr.

This is evidently the result of conversation that Mr. Kerr had with Ropes, Gray's office.

Mr. Carr: Mr. Smith, you prepared a contract, didn't you?

Business Manager: Yes.

Mr. Carr: What did you do with the two copies that we had here? Did you see those?

Business Manager: We didn't have two here. We had one here, and we used that as the basis of the contract. In other words, we had to put in a first paragraph and a last paragraph to this agreement. That is practically what happened, and that was the contract. That is the one that was sent to Harvard to be signed.

I think we sent four copies as we do on all contracts.

Now the four copies that we sent to Harvard are now in the hands of Ropes, Gray's office.

Mr. Muchnick: Madam Chairman, I move that the order as read by Mr. Kerr with the suggested amendment concerning the time for furnishing the report be passed.

The following is the order with the amendment suggested:

ORDERED, That the agreement to be executed between the Center for Field Studies of the Graduate School of Education of Harvard University and the Boston School Committee for a school plant study pursuant to the order passed by this Committee on Nov. 13, 1952, anything unsaid order to the contrary notwithstanding, shall provide:

(1) That the ten thousand dollars to be paid by the City of Boston thereunder be paid as follows: (a) Five thousand dollars (\$5000) on or before Apr. 15, 1953, and (b) Five thousand dollars (\$5000) at the expiration of sixty days after the submission of the final report and

(2) That the time for the submission of the final report be Apr. 10, 1953.

Mrs. Lyons: Do you want to take a vote on that?

Mr. Carr: Madam Chairman, the contract that we had before us here that night—at that time there were several members of your Committee who asked that it be held up in order to have time to study it. However, your Committee saw fit to act on it that night.

I for one never had an opportunity to read it, and I voted against awarding the contract at that time, and on this order I vote no.

Mrs. Lyons: Well, you had the opportunity to read it, Mr. Carr. If you had asked Miss Reynolds for it, she had it from the evening that it was voted on.

Mr. Carr: After it was acted on, I had the opportunity after it was acted on.

Mr. Muchnick: Madam Chairman, I would like to point out that I think that, that having been read, as was necessary, into the records of the public meeting and therefore published sometime in November or December in the Daily Record and the City Record, between November 20th or so and March 18th is considerable time to read over a contract which was very simple in its terms and the substance of which had been gone over many times by the members of this Committee.

Mrs. Lyons: Would you call the roll on that, please, Miss Reynolds?

Mr. Carr: Madam Chairman, I will grant that it was simple, and it was so simple, in fact, that we even never had a contract all this time.

Mrs. Lyons: Would you call the roll, please?

On roll call, the order failed of passage by the following vote:

YEAS—Mrs. Lyons and Mr. Muchnick—2.

NAYS—Mr. Carr—1.

ABSENT—Miss Fitzgerald and Dr. Foley—2.

DEATHS

The Superintendent reported the deaths of the following-named teachers:

Brandeis Vocational High School—Vincent L. Greene, guidance counselor, Mar. 14, 1953.

Emily A. Fifield District—Mildred A. Horne, teacher, kindergarten, Mar. 3, 1953.

Placed on file.

The Superintendent reported the death of the following-named teacher who had been retired under the provisions of the State-Boston Retirement System:

Phillips Brooks District—Agnis G. Ryan, Mar. 15, 1953.

Placed on file.

The Superintendent reported the deaths of the following-named teachers who had been retired under the provisions of the Boston Retirement System:

John Cheverus District—John Carroll, principal emeritus, Mar. 13, 1953.

Martin District—Lucy Kummer, Mar. 10, 1953.

Placed on file.

RESIGNATION

A communication was received from the Superintendent, under date of Mar. 18, 1953, reporting the resignation of the following-named teacher, to take effect on the date stated:

Girls' Latin School—Dorothy G. Cushing, assistant, Feb. 28, 1953.

Accepted.

RETIREMENT ON PENSION

A communication was received from the Superintendent, under date of Mar. 16, 1953, reporting the retirement from active service of Frances E. Taylor, assistant, special class, Patrick T. Campbell Junior High School, under the provisions of the State-Boston Retirement System, to take effect Mar. 31, 1953, as certified by the Boston Retirement Board.

Placed on file.

LIST OF TEACHERS APPROVED FOR TEMPORARY SERVICE

The Superintendent submitted, under the provisions of Section 265, paragraph 3 of the regulations, the following list of teachers, approved by him from which assignments may be made for temporary service:

Ruth E. Aucker, Rosemary A. Blanciforti, Winifred Farrell Chambers, William L. Concannon, Selma Axelrod Dana, Mary White DiPietro, Mary Maloy Ferris, Walter W. Fleming, John A. Foley,

Hattie Fletcher Gemmel, Norman B. Goldberg, Vera Laviscourt Hyman, Pauline Miller Jaffe, John J. Kelley, Gerald J. Leaver, Rose M. LeVuolo, Harry Marderrosian, Mary Cohan O'Connell, Saul B. Podolsky, Thomas A. Roach, Walter B. Rogers, Suzanne Schulman Schig, John P. Sheehan, Paul F. Sherry, Robert M. Specter, Phyllis V. Tentoni and Lucy Walters Thorpe.

Mr. Muehnick: Do those meet the degree and other requirements of state certification and our own rules?

Superintendent: Do they, Mr. Bond?

Mr. Bond: State certification, Mr. Muehnick, isn't required of those who taught for a Massachusetts school committee prior to July 26, 1919.

Mr. Muehnick: But they meet the requirements of the state certification law and our own rules, Mr. Bond?

Mr. Bond: Yes.

Mr. Muehnick: Without exception?

Mr. Bond: Temporary teachers and substitute teachers are not required to meet the state certification law.

Mrs. Lyons: Mr. Bond, what would be the minimum requirements that we would have?

Mr. Bond: You have the code on those papers. It is the same as the last year and a half.

Mr. Muehnick: And these people without exception meet the necessary requirements that this Committee has set up?

Mr. Bond: Yes.

On roll call the list of teachers was approved by the following vote:

YEAS—Mr. Carr, Mrs. Lyons, and Mr. Muehnick—3

NAYS—0

ABSENT—Miss Fitzgerald, and Dr. Foley—2

DEPARTMENT OF ADULT EDUCATION

(Evening Schools)

Term 1952-53

A communication was received from the Superintendent, under date of Mar. 18, 1953, reporting that, subject to the approval of the School Committee, he has appointed the following-named persons for service in the evening schools for the term 1952-53:

Grover Cleveland Evening School—William F. Corbett, assistant, Mar. 10, 1953.

South End Evening School—Ruth D. Pokroiskiy, assistant, Mar. 3 and 5, 1953 (two evenings); Claire M. Magner, assistant, Mar. 10, 1953.

Brandeis Evening Vocational School—Samuel H. Selloy, tool-keeper, Mar. 10, 1953.

On roll call the appointments were approved by the following vote:

YEAS—Mr. Carr, Mrs. Lyons, and Mr. Muehnick—3

NAYS—0

ABSENT—Miss Fitzgerald, and Dr. Foley—2

A communication was received from the Superintendent, under date of Mar. 18, 1953, reporting that, subject to the approval of the School Committee, he has appointed the following-named clerical assistant for the evening school term 1952-1953:

Brighton Evening Commercial High School—Ethel H. Lyon, Feb. 19, 1953 (one evening).

On roll call the appointment was approved by the following vote:

YEAS—Mr. Carr, Mrs. Lyons, and Mr. Muehnick—3

NAYS—0

ABSENT—Miss Fitzgerald, Dr. Foley—2

The following was offered:

ORDERED, That the Superintendent is hereby authorized to conduct a branch of the Grover Cleveland Evening School in the Dorchester High for Girls School-house from Mar. 5 to 31, 1953.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Mrs. Lyons, and Mr. Muehnick—3

NAYS—0

ABSENT—Miss Fitzgerald, Dr. Foley—2

(Extended Use)

Term 1952-53

A communication was received from the Superintendent, under date of Mar. 18, 1953, reporting that, subject to the approval of the School Committee, he has assigned the following-named persons to serve in the Department of Adult Education—Extended Use for the term 1952-53:

Assignments

John M. Glowacki, Mar. 4, 1953

Re-assignments

John M. Boyle, Thomas J. Carty, Mar. 11, 1953

Mrs. Lyons: Could I ask a question on that? Who are these people? Where are they from?

Superintendent: You have them, Miss Reynolds.

Mrs. Lyons: I only have the names.

Secretary: John Boyle is one of them. That must be for the Fenway School Center.

Superintendent: The Fenway center in the High School of Commerce.

Mrs. Lyons: Is that the one we are re-opening?

Superintendent: Yes.

Secretary: The others are John M. Glowacki and Thomas J. Carty.

Superintendent: I would think that they perhaps are there, but I would have to refer to Dr. Gillis for the spot. However, they are needed in some one of our centers.

Mrs. Lyons: Does that mean that we are opening some more of the centers?

Superintendent: No. We are just opening that as a recreation center with Mr. Boyle in general charge.

The communication was placed on file and on roll call the assignments and re-assignments were approved by the following vote:

YEAS—Mr. Carr, Mrs. Lyons, and Mr. Muehnick—3.

NAYS—0.

ABSENT—Miss Fitzgerald, Dr. Foley—2.

LEAVES OF ABSENCE

A communication was received from the Superintendent, under date of March 18, 1953, reporting that, subject to the approval of the School Committee, he has discontinued the leave of absence for military service granted the following-named teacher, to take effect on the date indicated:

Department of Physical Education—Edward E. Kelleher, instructor, military science, Mar. 13, 1953.

The communication was placed on file and on roll call the discontinuance of leave of absence for military service was approved by the following vote:

YEAS—Mr. Carr, Mrs. Lyons, and Mr. Muehnick—3.

NAYS—0.

ABSENT—Miss Fitzgerald, Dr. Foley—2.

A communication was received from the Superintendent, under date of Mar. 18, 1953, recommending that leave of absence without loss of pay be granted the following-named teachers in order that they may render training service with the armed forces of the United States:

Boston Latin School—Richard A. Thomas, junior master (physical education) Mar. 9 to 20, 1953.

James P. Timilty Junior High School—Walter D. Fitzgerald, teacher, junior high, (physical education) Mar. 9 to 20, 1953.

Department of Physical Education—Edward J. Murphy, junior master, (military science) Mar. 16 to 27, 1953.

The communication was placed on file and on roll call the leaves of absence without loss of pay were granted by the following vote:

YEAS—Mr. Carr, Mrs. Lyons, and Mr. Muehnick—3.

NAYS—0.

ABSENT—Miss Fitzgerald, Dr. Foley—2.

A communication was received from the Superintendent, under date of Mar. 18, 1953, recommending that leaves of absence without pay be granted the following named teachers for the terms specified:

Clarence R. Edwards Junior High School—Pauline A. Thompson, teacher, junior high, Feb. 1, to June 25, 1953, inclusive.

Charlestown High School—Edward B. Flaherty, co-ordinator, Mar. 30 to Apr. 1, 1953, inclusive.

The communication was placed on file and on roll call the leaves

of absence, without pay, were granted by the following vote:

YEAS—Mr. Carr, Mrs. Lyons, and Mr. Muchnick—3

NAYS—0

ABSENT—Miss Fitzgerald, Dr. Foley—2

REPORT ON ATTENDANCE AT CONVENTION

A communication was received from the Superintendent, under date of Mar. 18, 1953, submitting, in accordance with the provisions of Section 3 of Chapter 271 of the Acts of 1914, report of Nathan P. Harris, Principal, Horace Mann School for the Deaf, on his attendance at the Annual Convention of the American Association of School Administrators, held in Atlantic City, New Jersey, Feb. 15 to 20, 1953, inclusive.

Placed on file.

NOTICE TO TEMPORARY TEACHERS NOT TO BE EMPLOYED NEXT YEAR

The following was offered:

ORDERED, That the Secretary of this Committee, Agnes E. Reynolds, be, and she hereby is, authorized and directed to give, in the name and behalf of this Committee, to each teacher hereinafter named, notice under General Laws (Ter. Ed.) ch. 71, sec. 41 (as amended by St. 1950, ch. 283), that such teacher is not to be employed for the school year commencing Sept. 1, 1953:

AMENDMENT TO RULES

The following was offered:

ORDERED, That the Rules are hereby amended as follows:

Section 80, paragraph IV. High School. In the paragraph which describes the general requirements for this certificate, insert to immediately follow the words "provided that for holders of the degree of Master of Education from The Teachers College of the City of Boston" the words—or from the Teachers Colleges in Massachusetts operated by the Commonwealth—so that the paragraph shall read as follows:

The requirements for this certificate are: The degree of Master of Education, Master of Arts, or equivalent degree from a college or university approved by the board of superintendents, or, in the case of candidates majoring in military drill, the rank of Major or higher rank in the armed forces of the United States; evidence of two years' successful experience in teaching and governing regular graded day schools, which experience shall include at least one year in a college or secondary school (Grades VII to XII, inclusive) approved by the board of superintendents; provided that holders of the degree of Master of Education from The Teachers College of the City of Boston or from the Teachers Colleges in Massachusetts operated by the Commonwealth, and for holders of the degree of Master of Education from a college or university approved by the board of superintendents which grants the degree only upon the completion of two years' work under the direction of that institution, one year's experience in teaching shall be accepted.

Paragraph VIII. Elementary School, Class B. In the second item "A" and the words "or from the Teachers Colleges in Massachusetts operated by the Commonwealth"—so that the paragraph shall read as follows: VIII. Elementary School, Class B. To assistants of day elementary schools in Grades I to VI, inclusive.

The requirements for this certificate are:

A. A degree from a college or university approved by the board of superintendents;

B. Two years' successful experience in teaching and governing regular graded day schools, one year of which must have been in Grades I to VI.

or

A. Graduation from The Teachers College of the City of Boston or from the Teachers Colleges in Massachusetts operated by the Commonwealth;

B. One year's successful teaching in Grades I to VI.

Paragraph XXXIII. Junior High School. Strike out the last paragraph and substitute in place thereof the following:

A degree from The Teachers College of the City of Boston or from the Teachers Colleges of

Massachusetts operated by the Commonwealth, the Master's Degree in Education for a college or university approved by the board of superintendents with educational courses approved by that board, or the equivalent of such Master's Degree approved by the board of superintendents, may be accepted as equivalent to one of the two required years of experience in teaching and governing regular graded day schools.

Laid over.

RESIGNATION OF CUSTODIAN

A communication was received from the Superintendent, under date of March 18, 1953, reporting the resignation on Feb. 10, 1953, of John H. Duffy, Jr., junior building custodian, Jeremiah E. Burke High School for Girls.

The Committee adjourned.

Attest:

AGNES E. REYNOLDS
Secretary

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be fifteen (15) days, vehicles are excluded from the following street, effective May 21, 1953:

Eustis Street, Roxbury.

From Adams street to Dearborn street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, vehicles are excluded from the following street from 6 P.M. Saturday, May 23, to 6 A.M. Monday, May 25, 1953:

Boylston Street, Boston Proper.

From Tremont street to Washington street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be thirty (30) days, vehicles are excluded from the following streets, effective May 19, 1953:

Hawthorne Street, Roxbury.

From Cedar street to Highland street.

Kensington Street, Roxbury.

From Kingsbury street to Elmore street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of street reconstruction, estimated to be thirty (30) days, vehicles are excluded from the following street, block by block, when and where signs are placed and parking of vehicles is prohibited in both sides, block by block, when and where signs are placed, effective May 20, 1953:

Norfolk Avenue, Roxbury.

From Hampden street to East Cottage street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of street con-

struction, estimated to be thirty (30) days, vehicles are excluded from the following street, effective May 26, 1953:

Rustlewood Road, West Roxbury.

From Corey street to dead end.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be three (3) days, parking of vehicles is prohibited in the following street, effective May 26, 1953:

Washington Street, Roxbury.

Both sides, from Dudley street to Warren street.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, the Traffic Rules and Regulations of the City of Boston are amended as follows, effective May 3, 1953:

From Dacia street to Blue Hill avenue.

Resolved, That as urgently required by considerations of public safety and convenience, during the period of water main construction, by the Metropolitan District Commission, estimated to be three (3) months, the following temporary traffic regulations are effective when and where signs are in place, beginning May 27, 1953:

The following streets are one way in the direction indicated:

Adams Street, Dorchester.

From Pierce square to Richmond street.

Butler Street, Dorchester.

From Adams street to Branchfield street.

Richmond Street, Dorchester.

From Adams street to Dorchester avenue.

Parking of vehicles is prohibited in the following streets:

Adams Street, Dorchester.

Both sides, from Pierce square to Richmond street, 24 hours.

Richmond Street, Dorchester.

Both sides, from Adams street to Dorchester avenue, 24 hours.

Washington Street, Dorchester.

Both sides, from Pierce square to River street, 24 hours.

STREETS DESIGNATED FOR USE BY TRUCK GARDENERS AND FARMERS.

The Mayor has approved the following vote of the Board of Street Commissioners:

Resolved, That permission be granted to farmers and truck gardeners to occupy the following streets from May 1, 1953, until such time in the year 1953 as the Director of Markets feels necessary, from 6.30 P.M. to 8 A.M., for the sale of perishable produce from vehicles:

Merchants Row, from the corner of North Market street to Clinton street, on the southerly side of said Merchants Row.

North street, from the corner of Clinton street and Merchants Row to Blackstone street, on the southerly side of said North street.

The said Director of Markets shall direct and control the placing of vehicles of said farmers and truck gardeners.

SEWER CONSTRUCTION IN OAKMERE STREET, WEST ROXBURY.

The Mayor has approved the following order of the Board of Street Commissioners:

Ordered, That 525 lineal feet of 10-inch pipe sanitary sewer be constructed in Oakmere street, West Roxbury district, from Spring street southeasterly for a distance of approximately 525 feet.

Ordered, That this Board estimates that the undermentioned estates will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered, in the amount hereinafter respectively set against them.

	Amount.

CLAIMS ALLOWED.

The Mayor, upon recommendation of the Corporation Counsel, has approved the following claims:

William A. Murphy, p.p.a., 692 Massachusetts avenue, Boston, in the sum of \$150, as compensation for personal injuries to his daughter, Elaine Murphy, a minor, caused by a defective coal-hole cover in the sidewalk in front of 8 Columbus square, Boston, May 2, 1951.

Henry Miller, 1519 Blue Hill avenue, Mattapan, in the sum of \$435, as compensation for personal injuries caused by a water meter cover which was raised above the sidewalk level in front of 227 Harrison avenue, June 22, 1952.

Sally Portin, 1722 Commonwealth avenue, Brighton, in the sum of \$95, as compensation for personal injuries caused by the rough and broken surface of the street opposite 1718 Commonwealth avenue, where she was crossing, September 12, 1952.

Edwina E. DeVoto, 50 Winthrop street, Roxbury, to be reimbursed in the sum of \$76, for expense incurred in hiring a contractor to excavate in order to locate a water leak which later was found to be on city property, October 15, 1952.

Elizabeth Abate, 36 Monument square, Charlestown, in the sum of \$435, as reimbursement of expense incurred in hiring a contractor to excavate inside her property line in order to locate a sewer stoppage which later was found to be on city property, April, 1952.

Katherine Glynn, 62 Neponset avenue, Roslindale, in the sum of \$325, as compensation for personal injuries caused by a hole in the sidewalk at 8 Neponset avenue, October 19, 1952.

Anthony Giannino, 250 Harrison avenue, Boston, in the sum of \$373, as compensation for personal injuries caused by a hole in the sidewalk in front of 141 Tremont street, Boston, November 6, 1951.

Paul Anthony White, 287 K street, South Boston, to be reimbursed in the sum of \$87.98, as a result of an accident which occurred on January 7, 1953, when a motor vehicle owned by the Park Department, which he was operating, collided with an automobile owned by Myra Alukonis.

Thomas J. Conaty, 53 Myrtlebank avenue, Dorchester, to be reimbursed in the sum of \$35, as a result of an accident which occurred on February 13, 1953, when a motor vehicle belonging to the Police Department, which he was operating, collided with an automobile owned by Nowel E. Brown.

John F. Blake, 20 Rockford street, Roxbury, to be reimbursed in the sum of \$270, as a result of an accident which occurred on February 6, 1953, when a motor truck belonging to the Sanitary Division, Public Works Department, which he was operating, collided with an automobile owned by Reginald J. McDowell.

Michael F. McGinley, 23 Glenwood street, Roxbury, to be reimbursed in the sum of \$33.28, as a result of an accident which occurred on February 10, 1953, when a motor vehicle belonging to the Sanitary Division, Public Works Department, which he was operating, collided with an automobile owned by S. V. Mitchell.

CIVIL SERVICE EXAMINATIONS.

SENIOR CIVIL ENGINEERING DRAFTSMAN, BOSTON CITY PLANNING BOARD, JULY 10, 1953.

Last date for filing applications, Friday, June 19, 1953.

Salary: The minimum salary is \$73 a week; the maximum salary is \$33.50 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: Under general supervision, to do drafting and to perform drafting and engineering calculation work of ordinary professional difficulty in connection with the design and construction of public works and improvement projects; and to perform related work as required.

Examples of Duties: Drawing plans to scale for streets, land use, zoning, traffic improvements, and other projects; making the necessary calculations in the preparation of drawings and cost estimates; checking the design and engineering accuracy of subdivision plans; doing general drafting and map-making; reviewing public improvements and preparing reports relative to them.

Entrance Requirements: Applicants must have at least five years of full-time paid experience (in either field or office work) in civil engineering, city planning, architecture or landscape architecture, of which at least two years must have been in drafting in the above fields. *Substitution:* Up to a maximum of three years of the required general experience may be met by successfully completed years of engineering, city planning, architecture or landscape architectural training: (a) in a recognized university or engineering school granting the bachelor's degree, on the basis of one school year for one year of the required experience; or (b) in a recognized technical school not granting the bachelor's degree, on the basis of one school year for one-half year of experience; or (c) in an

Physical fitness to be determined by physical examination.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO HEATING CONTRACTORS.

INVITATION FOR PROPOSALS FOR FURNISHING AND INSTALLING NEW OIL BURNING SYSTEM AT NORTH BOSTON HIGH SCHOOL, 20 DORRIS PARK AND G STREET, SOUTH BOSTON, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for furnishing and installing new oil burning system at the South Boston High School, Thomas park and G street, South Boston, Mass.

Proposals will be received until 12 o'clock noon, Thursday, June 11, 1953, at the office of the Awarding Authority, fourth floor, 20 Dorris street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$1,000, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Subbidders bidding on the work of subcontractors shall use the proposal form prepared by and obtainable from the Awarding Authority. All subbidders' proposals must be in the possession of the Awarding Authority and delivered or mailed to the general bidder no later than 12 o'clock noon, Monday, June 8, 1953.

A bid deposit in the form of cash or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in a sum not less than 5 per cent of the amount of his bid, shall be submitted by each subdivider with the copy of his proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

A deposit of a certified check in the sum of \$25, payable to the City of Boston, will be required in order to procure a complete set of plans and specifications. This deposit shall be returned, providing that all plans and specifications are returned in satisfactory condition within ten days after opening of bids.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject all subbids or any item or items in accordance with the provisions of chapter 480 of the Acts of 1939.

JAMES H. MOONEY,

Superintendent of Construction.
(May 30.)

MUNICIPAL STANDARDS IMPROVED.

It is to be observed that municipal employees feel more secure in their jobs because of the extension of the merit system.

The competence of the individual municipal employee has continued to improve over a period of years.

TO HEATING CONTRACTORS.

INVITATION FOR PROPOSALS FOR FURNISHING AND INSTALLING ADDITIONS AND ALTERATIONS TO THE HEATING AND VENTILATING SYSTEM AND STRUCTURAL CHANGES AT THE DEARBORN SCHOOL, ORCHARD PARK AND AMBROSE STREETS, ROXBURY, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for furnishing and installing additions and alterations to the heating and ventilating system and structural changes at the Dearborn School, Orchard Park and Ambrose streets, Roxbury, Mass.

Proposals will be received until 12 o'clock noon, Thursday, June 11, 1953, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$500, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Subbidders bidding on the work of subcontractors shall use the proposal form prepared by and obtainable from the Awarding Authority. All subbidders' proposals must be in the possession of the Awarding Authority and delivered or mailed to the general bidder no later than 12 o'clock noon, Monday, June 8, 1953.

A bid deposit in the form of cash or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in a sum not less than 5 per cent of the amount of his bid, shall be submitted by each subdivider with the copy of his proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

A deposit of a certified check in the sum of \$25, payable to the City of Boston, will be required in order to procure a complete set of plans and specifications. This deposit shall be returned, providing that all plans and specifications are returned in satisfactory condition within ten days after opening of bids.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject all subbids or any item or items in accordance with the provisions of chapter 480 of the Acts of 1939.

JAMES H. MOONEY,

Superintendent of Construction.
(May 30.)

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

Proposal for Bituminous Concrete Sidewalks, Cement Concrete Bumper, and Chain Link Fence in Northern Avenue (North Side), Ward 6, from 550 Feet East of Sleeper Street to the Commonwealth Fish Pier, and such Additional Locations, If Any, in Ward 6, As May Be Designated by the Commissioner of Public Works.

The Commissioner of Public Works of the City of Boston, in Northern Avenue (North Side), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for bituminous concrete sidewalks, etc., in Northern Avenue, etc. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Bituminous Concrete Sidewalks, etc., in Northern Avenue, etc.," and left at Room 508 (Contract Office), fifth floor, City Hall Annex, before 12 M. of THURSDAY, JUNE 11, 1933, with a certified check for NINE HUNDRED (500) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room of the Street Commissioners, Room 401, City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 508, City Hall Annex. *There will be a charge of two dollars (\$2) for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. WELSH,
Acting Superintendent of Public Works.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING HAY, GRAIN, AND STRAW TO THE VARIOUS DEPARTMENTS.

Proposals may be obtained at Room 1001, City Hall Annex. At this room the bids will be opened and read on THURSDAY, JUNE 12, 1933, at 12 M. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston, if the proposal is not carried out. A duplicate bid, without check, must be left with the Auditor prior to the time for opening bids. Envelopes containing bids, and marked "Proposal for Hay, Grain, and Straw." The successful bidder must furnish a faithful performance bond for approximately one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts. The Superintendent reserves the right to accept or reject any and all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

No. 23

BOSTON FACING THREAT OF \$70 TAX RATE — MAYOR JOHN B. HYNES DISCUSSES SITUATION AND VEXATIOUS PROBLEMS FACING CITY ADMINISTRATION OVER STATION WBZ-TV — EXPLAINS LIMITED SOURCES OF INCOME AS COMPARED WITH OTHER CITIES AND WHY REAL ESTATE IS FORCED TO CARRY SUCH BIG SHARE — HOPES FOR LEGISLATIVE RELIEF FROM OBVIOUSLY UNFAIR SITUATION — CALLS FOR COMMITTEE TO REPORT ON SUBJECT.

Following are the remarks of his Honor the Mayor, John B. Hynes, over Station WBZ-TV on Monday, June 1, in discussing Boston's tax problems:

At the outset I would like to express my appreciation to the officials of Station WBZ-TV for giving me the time to discuss a subject which bears directly on the prosperity of our city — the tax rate.

Boston's tax rate is a subject of wide discussion and deep concern. The higher the tax rate goes, the more concerned everyone becomes.

This is only natural, for a spiraling tax rate not only is a burden on the individual home owner, it is a threat to the business we have in our city, and a barrier to business that we might otherwise attract.

Tax Rate Increases.

MAYOR HYNES PAYS TRIBUTE TO VIRTUES OF TRUTH AND HONOR AS MAINTAINED AND PRESERVED FOR 315 YEARS OF EXISTENCE OF ANCIENT AND HONORABLE ARTILLERY COMPANY — ADDRESSES ORGANIZATION ON OCCASION OF ANNUAL CELEBRATION AND ELECTION OF OFFICERS AFTER PARADE TO BOSTON COMMON.

Upon the occasion of the annual celebration of the existence of the Ancient and Honorable Artillery Company Mayor Hynes paid tribute to them in the following address:

As the four seasons follow the immutable laws of nature, and run their course,
(Continued on page 753.)

MAYOR HYNES APPEALS TO ALL BOSTON CITIZENS OF ITALIAN ORIGIN TO ASK THEIR FRIENDS AND RELATIVES IN ITALY TO DEFEAT COMMUNISM IN JUNE 7 ELECTIONS — URGES ALL TO WRITE LETTERS TO THOSE IN HOMELAND TO HALT ADVANCE OF FORCES OF EVIL.

The Communist Party is again on the march in Italy. Extraordinary efforts are being made to capture the Italian government for communism.

(Continued on page 753.)

Since 1945, at the close of the recent war, the tax rate of the City of Boston has increased sharply. The reasons for this increase are twofold.

First, because of the wave of inflation which resulted in cost of living wage increases to all city employees; in higher welfare budgets; in increased pensions to former employees retired before the beginning of the inflationary spiral; and, in general, increased costs for everything which the city purchased for its various departments and various services, not to mention the extraordinarily large increase in the MTA deficit.

Second, because of the lack of new taxable construction in the City of Boston, the income of which, during normal times, would have offset to some degree the increased cost of government.

Why Boston Is Affected.

It is true that this same inflationary spiral has affected every other large city in our country, and it is not surprising that the question is frequently asked, "Why is it that the tax rate of Boston is so much higher than that of any large city in the United States?"

It isn't because the other large cities of America are conducted in a more efficient and more competent manner than is the City of Boston. That is not the reason. Other cities with populations of half a million or more have a lower tax rate than Boston simply because those cities have sources of income not available to the City of Boston.

As inflation carries the cost of government upward in Boston, it is largely the owners of real estate who must shoulder this added burden. In other cities other sources of income are at hand to carry the extra load.

For instance, in Boston 70 per cent of the cost of local government is borne by owners of real estate. In other large cities of our country the owners of real estate are not called upon to carry more than an average of 50 per cent of the local tax burden, and in most cities much less than that.

For example, owners of real estate in the City of Philadelphia are required to carry less than 40 per cent of the local tax burden; owners of real estate in New Orleans are required to carry but 29 per cent of the tax burden; and the owners of real estate in New York City are required to

(Continued on page 751.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean;
May thy future be bright, thy skies beam with light all serene,
Enayed by thy sons' and thy daughters' unselfish devotion."
From Boston Centennial Poem by

NATHAN HARKELL DOLE.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To the BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments of streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in public streets; the making of specific repairs in public streets; the naming of

public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles, and posts for telephone, telegraph, street railways or illuminating purposes, signs, marquees, bay windows, coal holes, and vaults.

To the BOSTON TRAFFIC COMMISSION, 112 Southampton street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads, and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To the COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting, and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges, and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To the HEALTH DEPARTMENT, Haymarket Square, for information relative to the inspection of milk, vinegar, meat, fish, and vegetables, the issuance of permits for stables, slaughterhouses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To the BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth Avenue, Back Bay Fens, Marine Park, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made to this department for information

regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mount Hope, Evergreen, Fairview, and other public cemeteries owned by the City of Boston.

To the SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

To the DEPARTMENT OF SCHOOL BUILDINGS, 28 Norman street, for information as to the construction and repair of school buildings.

To the BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal, or tearing down buildings.

To the STATISTICS DEPARTMENT, 63 City Hall, for historical, geographical, political, and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To the ELECTRICAL INSPECTION DIVISION OF THE FIRE DEPARTMENT, 115 Southampton street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 808, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To the BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending May 30, 1953.
Population as of July, 1952, Massachusetts State Census, 87,713; population estimated July, 1951, United States Census Bureau, 801,444; number of deaths (stillbirths excluded): Residents, 121; nonresidents, 51; total, 172.

Death rate per 1,000 of population: All deaths, 11.39; nonresidents deducted, 7.74.

Death rate per 1,000 of population:

Last week, 11.84; corresponding week last year, 15.03.

Deaths by age periods, sex, etc.: Under one year, 13; one year to four years, inclusive, 2; sixty years and over, 116. Total deaths: Male, 92; female, 80; deaths in hospitals and institutions, 114.

MAYOR'S RADIO ADDRESS REGARDING TAX RATE.

(Continued from page 749.)

carry approximately 45 per cent of the local tax burden. And so it goes. I can better emphasize this disparity by pointing to this card which I have had prepared:

PROPERTY TAX	PERCENTAGE IN TAX LEVY.
Boston.....	70%
New Orleans.....	29%
Washington, D. C.....	37%
Philadelphia.....	39%
Los Angeles.....	40%
New York.....	45%
St. Louis.....	47%
Baltimore.....	48%
Chicago.....	48%
Cleveland.....	50%
Detroit.....	50%

Average for 481 cities having more than 25,000 inhabitants in 1951—50%

Let me emphasize, then, that Boston, of all the large cities in America, is dependent upon the owners of real estate to carry the major cost of local government. We do not have the authority, under the law, to institute taxes which are part of the income of those cities, and which enable them to enjoy a low tax rate.

VARIOUS TAX AIDS.

I refer to taxes such as a payroll tax, sales tax, franchise tax, wheel tax, public utility tax, sewer tax, and various other occupational taxes which give these other cities a much broader tax base than that of Boston, and thus permits them to keep their tax rates at a reasonable figure. Only by legislative action can such authority be given to Boston.

One of the great difficulties which confront me almost daily is how to convince new business to come to Boston. Indeed, it is becoming increasingly difficult to hold existing business within our city. The inducements of other cities, with broader tax bases and with lower tax rates, and with the right to offer tax concessions over a period of years, have a magnetic pull on those concerns which do not necessarily have to be located in any particular city. The fact that in recent years no substantial taxable structure of any size has been erected in Boston is telling testimony to this unhappy situation. It is very plain that this difficulty will continue and likely grow worse, until and unless Boston can present a tax rate which is comparable to that of other cities of our size.

You might well ask why it is that the city does not reduce its expenditures so that its tax rate would be comparable to that of other large cities. To accomplish this would mean a reduction

in the current expenses of our city government to the extent of \$15,000,000, more or less, in order to have a tax rate of \$60 per thousand. Obviously, such a reduction, which is 10 per cent of the total expenditures of the city, county, and School Department, would mean a drastic curtailment not only in the number of employees, but in the type, the character, and the amount of service now rendered by the city government in its Hospital and Health Departments, its Public Works and Park Departments, its Fire and Police Departments, and in all the other major departments of the city, including the School Department and county departments.

INCOME VS. EXPENDITURES.

I have listed here the expenses of the city government for the year 1953, according to general functions and current obligations. I have also listed the income the City of Boston is expected to receive during the year and the amount which must be raised by taxes in order that the total income of the city may meet the total expenditures of the city. The amount raised from real estate taxes determines the tax rate for the year, and the amount we must raise by taxes this year will result in a tax rate of approximately \$70 per thousand of valuation.

SUMMARY OF 1953 OPERATIONS.

Functional Appropriations		
Public Safety	\$25,370,340	99
Education	25,094,465	39
Public Welfare	23,247,411	27

Health and Sanitation	7,802,717	84
General Government	6,236,082	24
Highways	5,562,992	73
Park and Recreation	3,658,872	29
Libraries	3,276,768	93
Statutory and Fixed Charges		
Principal and Interest Payments	8,484,764	75
County of Suffolk	6,512,053	62
MTA Deficit	5,498,919	97
Pensions and Retirement Funds	5,250,000	00
Overlay Deficits of Prior Years	4,663,996	94
State and Metropolitan Assessments	2,050,825	64
Gross Operating Requirements		\$148,713,364
Non-Property Taxes and Revenues		
Departmental Fees, Charges, etc.	\$25,464,196	42
State-Shared Taxes	10,968,537	36
Motor Excise and Poll Taxes	3,990,000	00
		40,422,733
Net Requirements Before Overlay		\$108,290,630
Overlay (3%)		3,248,718
Property Tax		\$111,539,349

CONTROL OVER SPENDING LIMITED.

You might well assume that with a total expenditure of \$150,000,000, a decrease of 10 per cent, or \$15,000,000, could be accomplished without too great a disruption in the services rendered by the city. The fact is that neither the Mayor nor the Mayor and the City Council have direct control over all the city's spending. Quite the contrary. Approximately half of the total amount spent by the city in any given year is beyond the direct control of the Mayor. For that reason any major economies within my reach must of necessity be confined to that half of the total expenditures over which the Mayor and City Council have absolute and direct control.

1953 Expenditures Over Which the Mayor Has No Control.

State and Metropolitan Assessments.....	2,050,825	64
Veterans' Services (net)	1,000,000	00
Executions of Court	260,000	00
Workmen's Compensation	200,000	00
Total.....	\$74,010,605	37

The largest of these items is the amount which must be appropriated for the operation of the school system, and I am happy to say that the expenses of this large department of the city are lower this year than they were last year. The debt service charges include payments on maturing debt and interest charges for capital improvements of other years. The Metropolitan District assessments are charges against the City of Boston for Boston's share of the cost of Metropolitan District improvements, ranging from 21 per cent to 62 per cent, according to the type of improvement. Pension charges are legal obligations which we must meet. Boston must also pay the costs of our county government. Payments to welfare recipients and for workmen's compensation are imposed on us by state law; and other miscellaneous items shown here must be paid by the City of Boston under the provisions of general or special laws passed by the Legislature. The law also requires us to pay this current MTA deficit, \$5,500,000. Incidentally, this deficit payment which the City of Boston must meet this year is almost \$2,000,000 more than Boston was required to pay last year for the MTA deficit. And next year it is likely to be worse.

MTA DEFICIT BURDEN.

I can institute many economies in the city government, but the annual and constantly increasing deficit of the MTA can wipe out the benefit of all those economies in one fell swoop. This figure of the MTA is not a true picture of what the City of Boston is assessed for the cost of the MTA, for in the figure of debt service charges is an installment payment of over \$1,000,000 on the 1949 MTA deficit.

On top of that is the \$1,000,000 of taxes on MTA property which by action of the Legislature we no longer receive. Thus, the actual cost to the City of Boston today for the MTA is not \$5,500,000 but more correctly \$7,500,000, and that

represents over \$5 per thousand in the tax rate of our city. The MTA has become an expense of major, of not alarming, proportions to the City of Boston.

The tax rate of the City of Boston can be reduced to a figure comparable to other large cities in three ways: first, a reduction of at least \$15,000,000 in the expenditures of the city, which is a practical impossibility; second, the formation of a Greater Boston type of government, talked about for 35 years and not yet in sight; and, third, a broadening of the tax base so that the City of Boston might expect an increase in its income from sources other than real estate to the amount of \$15,000,000 or more annually.

In more normal and perhaps happier days the taxes on new construction in this city could be expected to meet the ordinary increases in the cost of government. Not only have we not had any new taxable construction, but we have suffered losses in valuable properties because of public improvements, such as the central artery, and because of the expansion of hospital facilities, and the expansion of religious and educational institutions.

TAX-FREE PROPERTY BURDEN.

It has been said, and with some truth (I believe), that there is more nontaxable property in the City of Boston than in any other large city in America. Whether or not this is true, we do know that from the standpoint of taxable properties the picture is not bright.

	Taxable
1930.....	\$1,827,460,000
1952.....	1,433,681,000
Loss.....	\$393,779,000
Per cent loss.....	21%
	Nontaxable
1930.....	\$437,346,000
1952.....	679,438,000
Increase.....	\$242,092,000
Per cent increase.....	55%

Today nontaxable real estate in Boston represents 32.2 per cent of the total real property valuations. The amount of tax-exempt properties in our city has increased 55 per cent in 23 years. During that same 23-year period taxable properties have decreased close to 21 per cent.

I cite these figures not as an argument for the taxing of presently exempt properties, but merely to emphasize the difficulty in keeping our city on an even financial keel while taxable valuations shrink and nontaxable valuations increase.

During my three and one half years as Mayor we have economized wherever possible. We have established long-range plans and programs which have as their object the reduction of the operating expenses of our city. For instance, surveys and studies in the City Hospital have permitted us to economize, with no loss of service to the patient, to the extent of close to \$500,000. We have discontinued a ferry service, with the saving of approximately \$300,000 annually. We have recently abolished two city departments, at a saving of approximately \$50,000 annually. We have eliminated 300 positions from the 1953 budget of the city, at a saving of \$600,000 annually. We have reduced the excessive cost for the removal of ashes, garbage, etc., at a saving of \$50,000 annually. We have established a classification and compensation plan for employees which will, in the years to come, result in substantial savings to the city. We have inaugurated a capital improvement budget which will

eliminate haphazard outlays of large sums of money.

IMPROVEMENTS MADE.

And, while making these savings, we have not neglected the physical plant of the city. We have improved our park system to the point where it is better today than it has been at any time during the history of the city. We have built swimming pools, a gymnasium building, a branch library, fire houses. We have instituted a Dental Clinic at the City Hospital. We have broadened the scope of the Fracture Clinic at the hospital so that it is now in operation for a full 24 hours every day. We are contemplating, with legislative sanction, the reorganization of city departments from the present number of 35 or more to 12 or 14 major departments. We have constructed more streets, installed more street lights, than ever before in any three-year period of the city's history. We have built a new bridge to Long Island which not only has improved the services of that important department but is resulting in reduced costs of operation. We have embarked on a program of providing off-street parking garages in the downtown area and off-street parking spaces in local shopping areas.

In short, we have improved the plant of the city in almost every direction during the past three and one half years and we have laid plans for further improvements which will result in more efficient government and lower municipal costs in the future.

We have definitely improved the basic financial position of the City of Boston by a reduction in the indebtedness of the city to the extent of over \$7,000,000. Because of this, I am proud to say that across the country our credit rating is excellent. We have proposed a general revaluation of all city properties which will stabilize real property valuations and eliminate many of the vexatious problems which now are part of the assessment picture. In my opinion, however, no such revaluation should be put into effect until such time as another source of income is available to the city. It is not my intention to increase the present load carried by the owners of residential properties.

NO UNNECESSARY EXPENSES.

In conclusion, may I state that we have made and will continue to make every effort to conduct the affairs of your city in such a way that no unnecessary expenses of any substantial sort will be passed along to the people of our city. Indeed, I have resisted efforts from many quarters to increase the commitments and obligations and expenditures of the city government. By offering such resistance I have incurred the hostility of many individuals and some groups, but I know the present financial condition of our city presents no other course.

I think I can truthfully say to all of the citizens of our city that were it not for the extraordinary inflationary costs which we were forced to meet during the past three years, the tax rate of our city would be lower today than it was when I first took office. Certainly, I do know this, that no man, be he a genius of the first water, can make a silk purse out of a sow's ear. No man, be he a financial wonder or an inspirational leader, can make one dollar do the work of two.

We have worked diligently with the tools within our grasp. We have made the tax dollar go as far as can be reasonably expected; we have kept the plant of the

city in good condition; we have met all of our obligations. We are today, in my opinion, one of the best operated big cities of the nation, and that fact would be apparent to all were Boston as fortunate as other large cities in the amount of income at its disposal.

BOSTON GREAT CENTER.

Boston is a great center. Though decentralization is having its harmful effect upon every large city, Boston will continue to be a great center for many years to come. The troubles which we have, other than lack of sufficient income, are not much different than the troubles of other large cities, and, like other large cities, we are meeting our problems within the means at hand.

It is not a pleasant prospect to recommend a new source of income, for that income must, of necessity, be raised from the citizens of our city or the citizens who use the city for business purposes.

A tax rate of \$70 per thousand, or thereabouts, is cause for grave concern on the part of every thinking citizen of our city. Such a rate might well run into the law of diminishing returns, and yet, under present circumstances, and with the present inadequate tools with which we have to work, there is no other logical or practical alternative.

The special Legislative Committee on Taxation will shortly make recommendations for the establishment of various new ways to distribute state income, and Boston might benefit to some extent from such a new distribution. I am convinced, however, that there still remains the necessity for meeting a practical situation with practical means. I am convinced that Boston can only attain a competitive position with other large cities by practical means. I am convinced that our great desire to encourage an expansion of present business enterprises and attract new enterprises to Boston, such as the full development of the Back Bay Center, can only be accomplished by practical means.

NEW INCOME SOURCE.

And such a practical approach is a new and substantial source of income similar to that which is enjoyed by other large cities which are natural business competitors.

Boston is the capital city of Massachusetts — in fact, the capital city of all New England. The prosperity of Boston is closely allied with the prosperity of Massachusetts and New England.

I am certain that Governor Herter is in accord with this statement, and is fully aware of the compelling necessity of meeting and solving the financial problems of this great capital city of ours.

For this reason, I shall shortly suggest to His Excellency that he appoint a special commission of representative citizens to survey Boston's financial position with a view to making down-to-earth recommendations which will broaden the tax base of our city and relieve us of an intolerable tax rate.

I shall make another appearance on this television network next Monday evening for the purpose of answering questions about the government of the City of Boston. If some of the city's problems seem mysterious to you, or if you have any doubt about some of the activities in which the city is engaged, please let me hear from you.

Send your questions to me at City Hall, or, if you prefer, to Station WBZ-TV, Soldiers Field Road, Boston. I will

attempt to answer as many of them as I can squeeze into a half-hour period.

Government is not a secret operation. It is not a one-man show. It is an operation of the people through their elected representatives. You are entitled to know what your government is doing. You are entitled to frank and forthright answers to questions about your government.

Therefore, may I ask you again to send whatever questions you have about the government of your city to my office at City Hall, or to this station, Station WBZ-TV, Soldiers Field Road, Boston. Thank you and good evening.

MAYOR IN APPEAL TO CITIZENS OF ITALIAN ORIGIN.

(Continued from page 749.)

In 1948, the efforts of citizens of America of Italian parentage helped considerably to defeat the communists' drive at that time. It is unthinkable, and a threat to the entire world, that Italy be governed by the forces of atheism and godlessness.

I entreat every citizen of Boston who has relatives or friends in Italy to immediately write those friends and relatives requesting them to vote against communism and for the Christian Democratic Party, which is avowedly anti-communistic and which has done so much in recent years to rehabilitate Italy.

The elections in Italy will be held on June 7. Letters sent immediately will be received in Italy prior to that date. If we here in America let our Italian friends and relatives know how interested we are in the coming election, and how disturbed we are at the prospect of further inroads of communism on the European continent, I am sure that the evil forces of communism will again be halted.

MAYOR ADDRESSES ANCIENT AND HONORABLE ARTILLERY.

(Continued from page 749.)

It is my duty and my official privilege to extend to many groups and many organizations the greetings of the City of Boston.

On some occasions that duty and that privilege go far beyond the bounds of ordinary and customary civility. This is one of those occasions, for as Boston officially greets the members of the Ancient and Honorable Artillery Company, it does so with admiration and respect for that organization whose roots and whose traditions are a living, breathing, indivisible part of the roots and traditions of this great old city, the mother city of America—the City of Boston.

In these days when we are astounded and shocked, almost daily, at revelations which disclose the treasonable methods and treasonable hearts of those who teach in marble halls—of those who have prostituted their talents and their professions—of those who purposely and knowingly have sown the seeds of false doctrines in the consciousness of our growing youth—it is a deep and sincere pleasure to greet a happy, wholesome organization whose membership is composed of men who, like the patriots of old, believe in the principles enunciated in the God-inspired Declaration of Independence.

Times change, fashions change, the world changes, but the eternal verities never change. Truth and honor have the same meaning, the same implications, today as 315 years ago. From the history of your organization can be read the story of America—the story of sacrifice, of struggle, of achievement. All through the pages of that story can be discerned the same unchanging theme—truth and honor—as inseparable and as indestructible as the roots which bind together this old City of Boston and this grand old organization, the Ancient and Honorable Artillery Company.

Truth and honor may be snickered and sneered at by those who should know better, but never have these timeless virtues been compromised or reviled by the Ancient and Honorable Artillery Company.

Pray God they never will.

CIRCULAR LETTER NO. 14.

CITY OF BOSTON,
MAYOR'S OFFICE, May 27, 1953.

To All Department Heads.

GENTLEMEN:

You are hereby authorized to grant leave of absence, without loss of pay, to all city employees in your department who are duly elected delegates and alternates of the American Legion in order that they may attend their Annual Department and National Conventions.

Department Convention, Lowell, Mass., July 9, 10, 11, 1953.

National Convention, St. Louis, Missouri, August 31, September 1, 2, 3, 1953.

Required travel time is also permitted.

Respectfully,

J. B. HYNES, Mayor.

MAYOR ACCEPTS WITH REGRET THE RESIGNATION OF FIRE COMMISSIONER KELLEHER.

Upon May 31 the Mayor issued the following statement:

It is with deep regret that I must finally accept the resignation of Fire Commissioner Michael T. Kelleher. When he consented three and one half years ago to take over the important post of Fire Commissioner, he did so on condition that he would not continue as Commissioner for over a year. Because of my personal appeals to him he has remained as Commissioner, to the great benefit of the Fire Department, much longer than he intended.

For his unselfish, untiring devotion to the position of Fire Commissioner, I am personally deeply grateful. Officially, "Mike" Kelleher is deserving of the appreciation of all the people of our city.

As always, "Mike" Kelleher has shown himself to be a 100 per cent good citizen.

LONG ISLAND HOSPITAL REHABILITATION CLINIC WINNING NATIONAL PRAISE.

Mayor Hynes has announced that the Long Island Hospital Rehabilitation Clinic has received national recognition. The National Committee on Alcoholism invited Commissioner McGilivray to send two representatives to Cleveland, Ohio, on May 31, 1953, to present the

functions of the Long Island Hospital Program to the American Conference of Social Services.

The National Committee on Alcoholism is financing this trip.

Commissioner McGilivray announced that Miss Marie Kirley would explain the women's program and Arthur Downey the men's program.

The purpose of the conference is to demonstrate the place of a social worker in an alcoholic clinic.

Recently letters have been received at Long Island Hospital from various parts of this country and Canada both from individuals and from communities seeking advice on the rehabilitation of alcoholics.

RETIREMENT BOARD REPORTS.

May 29, 1953.

To the Auditor.

At a meeting of the Retirement Board, held on May 14, 1953, the retirement from active service of the following-named employees was approved to become effective at the close of business, May 31, 1953, under the provisions of chapter 658:

HOSPITAL DEPARTMENT.

George M. Crawford, male nurse.
Dr. William J. Donovan, first assistant physician.

FIRE DEPARTMENT.

George J. McNulty, lieutenant.

PARK DEPARTMENT.

Katherine M. Fitzgerald, principal clerk.

POLICE DEPARTMENT.

Edward W. Traverse, patrolman.

PUBLIC BUILDINGS DEPARTMENT.

Mary A. Martin, matron.

PUBLIC WORKS DEPARTMENT.

John J. DeLay, drawtender.

SCHOOL DEPARTMENT.

Mary L. Brennan, assistant.
Catherine G. Sheehan, vice principal.

WEIGHTS AND MEASURES DEPARTMENT.

Walter L. Finigan, chief clerk.

SUFFOLK COUNTY.

SUPERIOR CIVIL COURT.

Lucy C. McEnaney, senior clerk.

SUPERIOR CRIMINAL COURT.

George A. Collins, principal clerk (retirement effective June 2).

Attest:

W. W. KENNEY,
Secretary and Executive Officer.

May 29, 1953.

To the Auditor.

At a meeting of the Boston Retirement Board, held on May 14, 1953, the retirement from active service of the following-named employees under the provisions of chapter 521 of the Acts of 1922 (Boston Retirement Act), was approved to become effective at the close of business, May 31, 1953:

HOSPITAL DEPARTMENT.

John Halligan, cleaner, salary at time of retirement \$3,200 a year.

PARK DEPARTMENT.

Lawrence Fitzgerald, gardener-laborer, salary at time of retirement \$3,200 a year.

Attest:

W. W. KENNEY,
Secretary and Executive Officer.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

Five catch basins and connections in Beech street, between Washington street and Kittredge street, in the West Roxbury district, at an estimated cost of \$2,300.

Six catch basins and connections in Ansonia road, between Baker street and Bronx road, in the West Roxbury district, at an estimated cost of \$2,500.

Two hundred twenty feet of 12-inch pipe surface drain and two catch basins in Public Alley No. 1001, between Louis Prang street and 220 feet southerly, in the Roxbury district, at an estimated cost of \$3,000.

CONSTRUCTION OF ALLANDALE STREET.

The Mayor has approved the vote of the Board of Street Commissioners for a public improvement consisting of the widening, relocation, revision of grade and construction of Allandale street, as a highway, from Centre street to the Brookline boundary line, bounded and described as follows:

The highway named Allandale street is hereby widened, relocated, grade revised, from Centre street to the Brookline boundary line, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees or shrubs standing upon or affixed thereto:

A parcel of land, supposed to belong to Rowe Contracting Company, bounded:

Southeasterly by Centre street, 27.69 feet; westerly by the westerly line of Allandale street as established under this order, 43.21 feet, on a curve of 25 feet radius; southwesterly by the southwesterly line of Allandale street as established under this order, 64.41 feet; northwesterly by other land hereinafter described as taken from said company, 11.76 feet; northeasterly by the southwesterly line of Allandale street as it existed prior to this order, 80 feet; and easterly by the westerly line of Allandale street as it existed prior to this order, 26.71 feet on a curve of 15 feet radius, containing 1,472 square feet, more or less.

A parcel of land, supposed to belong to Rowe Contracting Company, bounded:

Southeasterly by other land hereinafter described as taken from said company, 11.76 feet; southwesterly by the southwesterly line of Allandale street as established under this order, 78.55 feet; southerly by the southerly line of Allandale street as established under this order, 31.96 feet on a curve of 15 feet radius; westerly by the easterly line of Allandale street as it existed prior to this order, 8.64 feet; northerly by the southerly line of Allandale street as it existed prior to this order, 31.17 feet on a curve of 15 feet radius; and northeasterly by the southwesterly line of

Allandale street as it existed prior to this order, 82 feet, containing 964 square feet, more or less.

A parcel of land, supposed to belong to Rowe Contracting Company, bounded:

Northeasterly by the southwesterly line of Allandale street as it existed prior to this order, 5.47 feet on a curve of 5.14 feet radius; easterly by the westerly line of Allandale street as it existed prior to this order, 6.70 feet; southwesterly by the southwesterly line of Allandale street as established under this order, 9.92 feet on a curve of 9.81 feet radius; and northwesterly by land hereinafter described as taken from Rosoff et al., 3.42 feet, containing 19 square feet, more or less.

A parcel of land, supposed to belong to Nathaniel and Esther H. Rosoff, bounded:

Southeasterly by land hereinafter described as taken from Rowe Contracting Company, 3.42 feet; southwesterly by the southwesterly line of Allandale street as established under this order, 99.50 feet; northeasterly by the southwesterly line of Allandale street as it existed prior to this order, by two measurements, 97.37 feet and 2.63 feet, containing 170 square feet, more or less.

A parcel of land, supposed to belong to Faulkner Hospital Corporation, bounded:

Southeasterly by Centre street, 80.30 feet; southerly by the northerly line of Allandale street as it existed prior to this order, 13.81 feet on a curve of 10.15 feet radius; southwesterly by the northeasterly line of Allandale street as it existed prior to this order, 88.86 feet; northwesterly by the northwesterly line of Allandale street as established under this order, 4 feet; northeasterly by the northwesterly line of Allandale street as established under this order, 65 feet; northerly by the northerly line of Allandale street as established under this order, 48.99 feet on a curve of 36 feet radius; again northwesterly by the northwesterly line of Allandale street as established under this order, 56.14 feet; and again northeasterly by the northeasterly line of Allandale street as established under this order, 4 feet, containing 885 square feet, more or less.

Trees or shrubs standing upon or affixed to the aforesaid land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Allandale street as hereby widened and relocated is bounded:

Southeasterly by Centre street, 175.64 feet; westerly by the westerly line of Allandale street as hereby widened and relocated, 43.21 feet on a curve of 25 feet radius; southwesterly by the southwesterly line of Allandale street as hereby widened and relocated, 142.96 feet; southerly by the southerly line of Allandale street as hereby widened and relocated, 31.96 feet on a curve of 15 feet radius; again southwesterly by the southwesterly line of Allandale street as hereby widened and relocated, by thirteen measurements, 61.51 feet, 9.92 feet on a curve of 9.81 feet radius, 99.80 feet, 526.31 feet, 59.18 feet on a curve of 146.15 feet radius, 219.48 feet, 181.03 feet, 457.86 feet, 170.93 feet on a curve of 295.17 feet radius, 498.54 feet, 235.87 feet on a curve of 328.15 feet radius, 565.81 feet and 225.33 feet on a curve of 1,195.10 feet radius; northwesterly by Brookline boundary line, 50 feet; northeasterly by

the northeasterly line of Allandale street as hereby widened and relocated, by twelve measurements, 105.85 feet, 111.41 feet on a curve of 590.89 feet radius, 565.51 feet, 209.75 feet on a curve of 288.15 feet radius, 498.54 feet, 194.30 feet on a curve of 333.17 feet radius, 456.66 feet, 177.27 feet, 217.03 feet, 75.36 feet on a curve of 186.15 feet radius, 623.42 feet, and 168.28 feet; again northwesterly by the northwesterly line of Allandale street as hereby widened and relocated, 4 feet; again northeasterly by the northeasterly line of Allandale street as hereby widened and relocated, 65 feet; northerly by the northerly line of Allandale street as hereby widened and relocated, 48.99 feet on a curve of 36 feet radius; again northwesterly by the northwesterly line of Allandale street as hereby widened and relocated, 56.14 feet; and again northeasterly by the northeasterly line of Allandale street as hereby widened and relocated, 4 feet.

Noted. That this Board determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening, relocation, change of grade and construction of Allandale street, West Roxbury district, as a highway, from Centre street to Brookline boundary line, under the order of the Board of May 25, 1953, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

Rowe Contracting Company, 1,472 square feet, \$1.

Rowe Contracting Company, 964 square feet, \$1.

Rowe Contracting Company, 19 square feet, \$1.

Nathaniel and Esther H. Rosoff, 170 square feet, \$1.

Faulkner Hospital Corporation, 885 square feet, \$1.

CIVIL SERVICE EXAMINATIONS.

ASSISTANT DRAWTENDER, BOSTON PUBLIC WORKS DEPARTMENT, AUGUST 7, 1953.

Last day for filing applications, Friday, July 17, 1953.

Salary: The minimum salary is \$55.50 a week; the maximum salary is \$68 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: Under immediate supervision, to assist the drawtender or first assistant drawtender in the operation and maintenance of a movable bridge during an assigned shift; and to perform related work as required.

A knowledge of the United States Government regulations governing the opening and closing of drawbridges in Boston Harbor is necessary. A copy of these regulations may be obtained from the Commissioner of Public Works, Room 511, City Hall Annex, Boston.

The ability to handle a rowboat is required in order to assist in rescue work which may arise.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

METROPOLITAN POLICE PATROLMAN, METROPOLITAN DISTRICT COMMISSION, JULY 10, 1953.

Last date for filing applications, Friday, June 19, 1953.

Salary: The minimum salary is \$3,540 a year; the maximum salary is \$4,140 a year.

Vacancies: From time to time.

Duties: The duties are those of a regular patrolman.

Entrance Requirements: Applicants shall be not less than twenty-two nor over thirty-five years of age at the time of filing applications. A certificate of date of birth must be filed with the application unless one has been filed with a previous application.

Any veteran who will have attained the age of twenty-one within six months of the date of any scheduled examination for police service shall not be deemed ineligible for examination and appointment provided that he meets all other pertinent requirements of the Civil Service laws and regulations (Chapter 28T of the Acts of 1947).

Veterans who had not reached the maximum age limit at the time of entering military or naval service will not be disqualified by reason of age within five years after the date of honorable discharge. (Chapter 179, Acts of 1950.)

Applicants must be not less than 5 feet 8 inches in height and must meet minimum weight requirements according to the following table, in which height is given in inches in bare feet and weight in pounds without clothing:

68 inches - 135 pounds
69 inches - 140 pounds
70 inches - 145 pounds
71 inches - 150 pounds
72 inches - 155 pounds
73 inches - 160 pounds
74 inches - 165 pounds
75 inches - 170 pounds
76 inches - 175 pounds

Subjects and Weights: Training and experience, 3; practical questions, including memory test and general information, 7; total, 10.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination and qualifying strength tests.

To become eligible, applicants must obtain at least 70 per cent in the strength tests, but the mark will not be averaged with the educational mark.

Applicants must qualify in a fifty-yard swimming test.

Before certification, applicants must possess a Massachusetts motor vehicle operator's license.

The practical questions will be based largely upon information contained in the current edition of the manual known as the "Blue Book." This manual may be obtained from the Public Document Division, Room 116, State House, Boston, at 25 cents a copy. It is necessary that applicants obtain a copy of this manual and study it carefully.

Applicants must not bring manuals to the examination room.

The eligible list established as a result of this examination will be combined with any existing list, but the name of an applicant which appears more than once on the combined list will be certified in any one certification only from his higher rating.

BUILDING DEPARTMENT.

The work to be done under this contract is to be completed within 60 days after the contract is approved by the Mayor. The following bids were received May 21:

R. A. Buccella & Sons, Inc., \$10,005.20; C. Russo, Inc., \$14,974; Z. & S. Construction Company, Inc., \$16,396.

SUPPLY DEPARTMENT.

Upon May 19 the Mayor approved contracts as requested in the following letter:

BOSTON, May 18, 1953.

HON. JOHN B. HYNES,

Mayor of Boston.

DEAR MR. MAYOR:

Attached is tabulation of bids received on proposals for furnishing athletic equipment to the Recreation Division of the Park Department, as requested, until May 31, 1953. These bids were

publicly opened and read in this office on March 18, 1953.

Authority is requested to make awards to the lowest acceptable bidders for the items as checked on the accompanying tabulation. It is also requested that authority be granted me to reject all bids received on Item 9 and purchase same in the open market inasmuch as none of the bids submitted on this item were acceptable.

Approximate total amounts of awards will be as follows:

*Contract awarded.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with commercial houses, contractors, etc., for furnishing labor and supplies. Communications from heads of departments interested were as follows:

HOSPITAL DEPARTMENT.

BOSTON, May 8, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Your approval is respectfully requested for an extension of time from April 10, 1953, to September 15, 1953, on the contract of M. Solimando for alterations and repairs to Dowling Building tunnel, overhanging door in Receiving Room, and new elevator door installations in various locations, Boston City Hospital, said contract having been approved by you on December 11, 1952.

This extension is necessary because of delay in the delivery of the elevator doors necessary for completion of contract.

Respectfully yours,

BOARD OF TRUSTEES, BOSTON CITY
HOSPITAL,
by RICHARD J. CONDON,
President.

BOSTON, May 19, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

At the present time the Parkman Construction Corporation is engaged in carrying out a contract for alterations in basement of the Maternity Building, Boston City Hospital, as described in the specifications, said contract having been executed after publicly advertising for bids, and the Parkman Construction Corporation being the lowest eligible bidder.

During the course of carrying out the aforesaid contract, the contractor became aware of a leaking condition in certain pipes and fittings located under the floor of an adjoining area of the building, which section of the building is not embraced in the specifications for the aforementioned contract. The leaking condition of these pipes necessitates their prompt replacement; therefore, since this firm is working in the general vicinity at the present time as stated, and in view of the emergency nature of the work, it is felt that little would be gained by publicly advertising for bids, and, since the proposed price for the work is deemed fair and reasonable, your authorization is respectfully requested for dispensing with publicly advertising for bids and awarding a contract to Parkman Construction Corporation, 739 Boylston street, Boston, for replacing all piping and fittings under corner of adjoining locker room floor and replacing heating pipes under same area and under floor of room marked "16" in the basement of the Maternity Building, Boston City Hospital, at a cost not to exceed the sum of \$1,387.

Respectfully yours,

BOARD OF TRUSTEES, BOSTON CITY
HOSPITAL,
by RICHARD J. CONDON,
President.

BOSTON, May 22, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Your permission is respectfully requested for the award of a contract, without publicly advertising for bids, to Industrial Plumbing and Heating Company, 17-25 Benedict street, Charlestown, for furnishing all labor and materials necessary for the complete installation of six new steam cookers, Boston City Hospital, at a cost not to exceed \$1,200, the cookers to be furnished by the hospital.

Bids were solicited informally from four highly qualified firms who perform this kind of work, two of whom responded in writing, the Industrial Plumbing and Heating Company submitting the lowest price for this work.

The Trustees are of the opinion that nothing would be gained by publicly advertising for bids for this work and therefore request your permission to award the contract, without advertising, to Industrial Plumbing and Heating Company, in a sum not to exceed \$1,200.

Respectfully yours,

BOARD OF TRUSTEES, BOSTON CITY
HOSPITAL,
by RICHARD J. CONDON,
President.

INSTITUTIONS DEPARTMENT.

BOSTON, May 22, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On December 29, 1952, the City of Boston entered into a contract in the sum of \$31,936.76 with Dominick Puleo, 11 Meehan street, Jamaica Plain, the low bidder, following the publicly invited bids for additions and alterations to the fire house, Long Island, Boston, Mass.

This contract provided that the contractor install a new steam supply from the attendants' house to the fire house to supply steam for heating the fire house and the adjoining garage. It did not call for the replacing of any of the pipe under the fire house floor or between the fire house and the garage. Upon excavating to make this connection it was found that the steam and water pipes, when installed originally by the W.P.A., were either buried in concrete or in the ground, and the steam supply return and water pipes between the fire house and the garage are corroded and broken and must be replaced. This work involves breaking up the floor of the fire house, excavating for the pipe, installing pipe in the proper manner, and replacing the fill and the floor.

So that the work may be pursued as expeditiously as possible, I respectfully request your permission to dispense with public advertising and to amend the contract to include the above-described work at a total cost not to exceed \$1,846.24. The price of \$1,846.24, for which the contractor proposes to do this work, is fair and reasonable; and it is not felt that any advantage would be gained by publicly advertising for bids.

Respectfully submitted,

JOHN R. MCGILLIVRAY,
Commissioner.

PUBLIC CELEBRATIONS.

BOSTON, May 19, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

It is the intention of this department to furnish music for public enjoyment on Boston Common daily during the month of July. After careful consideration, I have decided, subject to your approval, to award contracts to the following band leaders for the dates specified below:

Robert Hardy—July 6, 7, 8, 9, 10, 11.
Alfred Bandera—July 13, 14, 15, 16, 17, 18.

Samuel Seiniger—July 20, 21, 22, 23, 24, 25.

Each of the above leaders will lead an orchestra of 25 men. The price to be paid to each of the above-mentioned is \$1,162.50.

Since public advertising does not lend itself to securing the type and quality of service needed in this particular instance, I respectfully request your permission to award these contracts to the above-mentioned orchestra leaders without public advertisement for bids.

Respectfully,

JOHN D. BROWN,
Director of Public Celebrations.

BOSTON, May 25, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

In conjunction with numerous other activities to take place in this city in public celebration of June 17, Bunker Hill Day, I respectfully request your authorization to dispense with public advertising and to award a contract to Anthony Scall, doing business as Scall's Food Mart, 106 Bunker Hill street, Charlestown, in an amount not to exceed \$1,400, providing for the preparation, furnishing, and delivery on June 17 of ham, cheese, and bologna sandwiches, coffee and carbonated beverages, potato salad, ice cream, cake, and cookies, together with appropriate paper plates, spoons, forks, cups, and napkins, to various organizations and locations as designated and apportioned in the following:

AMVETS, \$150; Veterans of Foreign Wars, \$150; Army and Navy Union, \$150; Disabled American Veterans, Chapter 7, \$150; Spanish War Veterans, \$150; Thomas Coady, Chief Marshal, \$150; David Cleary Chapter of D.A.V., \$150; Civic Group Cochairmen Daniel Foley and William Flynn, \$200; Frank McMahon, Anthony Scall, and Joseph Grace, \$150—\$1,400.

This contractor has the necessary ability and knowledge and all the facilities at hand required to properly and satisfactorily carry out such an assignment. In addition, since the prices for the aforespecified commodities are uniform, it is not considered that any advantage would be gained by the city as a result of a public advertisement for bids for such services.

As was the case during the course of last year's public celebration of June 17, tickets of admission will not be required.

Respectfully yours,

JOHN D. BROWN,
Director of Public Celebrations.

PUBLIC WORKS DEPARTMENT.

BOSTON, May 25, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

A publicly advertised contract in the amount of \$24,880 was awarded under date of March 24, 1953, to the low bidder, D. A. Rossano Construction Company, Inc., for roadway repairs to Charlestown Bridge over Charles River.

Subsequent to the commencement of work under this contract, conditions were found to exist in certain areas at the site, relative to defective underplank work, not previously known and therefore not provided for under the above contract.

In order to make the necessary additional repairs which were not disclosed at the time of the preparation of the original proposal on the above contract, it will be necessary to increase the quantity provided for under Items 1, 2, 3, 6, and 9 of the existing contract.

The additional quantities of granite block and lumber to be furnished under Items 1, 2, 3, 6, and 9 where and as directed for the purpose of the new work on the under plank as may be directed constitute no change in the bid unit prices on the aforementioned contract, and it likewise constitutes work that is incidental to and necessary to properly complete the work covered by the terms of this contract. The prices are fair and reasonable, and in my opinion no advantage would be gained by publicly advertising for proposals to complete this necessary extra work. The total estimated cost of this extra work is in the amount of \$5,867.50.

Your authority is respectfully requested to dispense with publicly advertising for proposals and to amend the aforementioned contract, thereby providing for an increase in the total estimated cost of the original contract of \$24,880 by an amount not in excess of \$5,867.50, exclusive of any addition to the aforesaid estimated contract cost resulting from increases heretofore in the quantity of any of the contract items in accordance with the authority therefore contained in Article 3 of the contract.

Respectfully yours,

GEORGE G. HYLAND,
Commissioner of Public Works.EXTRA WORK UNDER
CONTRACT.

PUBLIC WORKS DEPARTMENT.

S. J. Tomasello Corporation has been directed to perform the following extra work under the contract dated May 13, 1953, for bituminous concrete pavement in Autumn street and Pilgrim road.

In Autumn street, due to the change in curb line, construct one drop inlet complete, including excavation and backfill, for the lump sum of \$75; furnish and lay approximately 6 linear feet of 10-inch minor drain connection, including excavation and backfill at \$4 per linear foot, at an estimated cost of \$24.

Estimated cost of extra work, \$99.

Charles Todesca has been directed to perform the following extra work under the contract dated October 15, 1952, for artificial stone sidewalks in Charles street, Faneuil street, Hobson street, Old Harbor street, and River street.

In Charles street (west side), at Chestnut street, reset and partially rebuild one Bradley head catch basin for the lump sum of \$25.

Estimated cost of extra work, \$25.

Cronin & Horigan, Inc., has been directed to perform the following extra work under the contract dated September 10, 1952, for bituminous concrete pavement in Highland street and Williams avenue and for clearing, etc., in Poplar street.

In Highland street, at the northwest corner of Williams avenue, construct one drop inlet and connection, and remodel existing catch basin to fit frame, and cover, including excavation and backfill, for the lump sum of \$150.

Estimated cost of extra work, \$150.

TO OMIT WORK UNDER
CONTRACT.

PUBLIC WORKS DEPARTMENT.

D. A. Rossano Construction Company, Inc., has been directed to omit the following work under the contract dated November 3, 1952, for safety barriers in Wards 1, 3, 6, 13, 16, 18, 19, 20, and 22.

Omit all work in Brigham street (south side), from Ruth street to bend of Brigham street.

Estimated cost of omitted work, \$1,868.

AMENDMENTS TO CONTRACT.

PUBLIC WORKS DEPARTMENT.

Domenick Puleo has been allowed to amend the contract for additions and alterations to fire house, Long Island Hospital, Boston Harbor, as follows:

By substituting as the date of completion of the work "June 29, 1953," in place of May 29, 1953.

The reason for this extension was the discovery of a leak of the water main and steam line from the fire house to the garage.

All provisions of the said contract, except as specifically modified by this agreement, shall continue in full force and effect.

M. Solimando has been allowed to amend the contract for alterations to Wards AA and BB, Long Island Hospital, Boston Harbor, as follows:

By substituting as the date of completion of the work "June 26, 1953" in place of May 15, 1953.

Extension is required due to the difficulty of obtaining plumbing fixtures and miscellaneous stainless steel.

All provisions of the aforesaid contract, except as specifically modified by this agreement, shall continue in full force and effect.

WORK ON WILLIAMS STREET,
WEST ROXBURY.

The Mayor has approved the vote of the Board of Street Commissioners for a public improvement consisting of the widening, relocation and construction of Williams street, West Roxbury district, as a highway, at the southerly corner of Call street, bounded and described as follows:

The highway named Williams street is hereby widened at the southerly corner of Call street, and ordered constructed. For the making of the aforesaid improvement an easement for street pur-

poses is hereby taken in the following described land, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to the City of Boston, bounded:

Northwesterly by Call street, 14.93 feet; northeasterly by Williams street, 14.93 feet; and southerly by the southerly line of Williams street as widened under this order, 23.13 feet on a curve of 14.38 feet radius, containing 48 square feet, more or less.

Trees or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Williams street as hereby widened is bounded:

Northeasterly by the southwesterly line of Williams street as it existed prior to this order, 14.93 feet; southerly by the southerly line of Williams street as hereby widened, 23.13 feet on a curve of 14.38 feet radius; and northwesterly by the southeasterly line of Call street as it existed prior to this order, 14.93 feet, containing 48 square feet, more or less.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the widening and construction of Williams street, West Roxbury district, as a highway, at the southerly corner of Call street, under the order of the Board of May 28, 1953, and awards no damages therefor.

City of Boston, 48 square feet, nothing.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

Two catch basins in Beechland street, 150 feet southwest of Beech street, in the West Roxbury district, at an estimated cost of \$800.

One catch basin and connection, one drop inlet and connection, one catch basin converted to manhole in Franklin Hill avenue, between American Legion Highway and Harvard street, in the West Roxbury district, at an estimated cost of \$800.

Four catch basins and connections in Quinn Way, between Quinn Way and Bellevue street, in the West Roxbury district, at an estimated cost of \$1,600.

Four catch basins and connections in Seale road, at Sparrow street, in the West Roxbury district, at an estimated cost of \$2,000.

One catch basin and one drop inlet in Eugenia road, between Beech street and Walworth street, in the West Roxbury district, at an estimated cost of \$700.

One catch basin and connection in Hopkins road, 200 feet south of Pond street, in the West Roxbury district, at an estimated cost of \$400.

Twelve catch basins and connections, one drop inlet and connection, 85 feet of 10-inch pipe surface drain in Annunciation road, between Rugles street and Parker street, in the Roxbury district, at an estimated cost of \$7,200.

Thirteen catch basins and connections in Crestwood road and Faywood avenue, East Boston, Island street, Massachusetts avenue, Pike street, and Plymouth street, Roxbury, in the East Boston and Roxbury districts, at an estimated cost of \$7,000.

PROCEEDINGS OF CITY COUNCIL.

Monday, May 25, 1953.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 p.m., President AHEARN in the chair. Absent: Councilor Ward. The Reverend Marcellus McFarland of St. Gabriel's Monastery, Brighton, was escorted to the rostrum.

INVOCATION BY REV. MARCELLUS MCFARLAND.

In the Name of the Father, and of the Son, and of the Holy Ghost. Amen.
O Almighty and Eternal God, from whom all authority proceeds and through whom it is rightly administered, we pray Thee to assist with Thy grace the members of this chosen body of Councilors, that each of its members may recognize his obligations clearly and fulfill them manfully. May all our judgments and actions be in right accord with the good and the true, so that Thy people may be governed in justice and in charity, to the greater glory of Thy name and their present and eternal happiness. Thus will our city become a pattern of good government for the entire nation as it passes through this time of crisis to a glorious fulfillment of its great destiny.

These gifts and graces we beseech of Thee, O Lord, through that Holy Spirit by whose wisdom we are created and by whose providence we are governed.

Our Father, who art in heaven, hallowed be Thy name. Thy kingdom come. Thy will be done on earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses as we forgive those who trespass against us, and lead us not into temptation, but deliver us from evil. Amen.

The meeting was opened with the salute to the Flag.

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointments:
Weighers of Coal for term ending April 30, 1954: Delia F. Joyce, 1334 Commonwealth avenue, Allston; David P. Johnson, South Duxbury, Mass. Referred to the Committee on Confirmations.

LITTLE LEAGUE BASEBALL DIAMONDS.

The following was received:

City of Boston,
To the Office of the Mayor, May 25, 1953.
Gentlemen:

I transmit herewith communication from the Chairman of the Park Department relative to your order of May 18, 1953, concerning the request to place in condition all of the fields designated as baseball diamonds for the Little League, and where no baseball diamonds have yet been set aside in areas where the Little Leagues are already organized, to have suitable areas designated and placed in condition in these areas.

Respectfully,

J. B. HYNES, Mayor.

City of Boston,
Park Department, May 21, 1953.
Thomas G. J. Shannon,
Chief Clerk, Mayor's Office.

Dear Sir:
This will acknowledge memo from your office with attached enclosure, City Council order requesting that the Park Department place in condition all fields designated as baseball diamonds for the Little League, and where no baseball diamonds are established, make arrangements to have suitable areas set aside for the Little League teams.

This is to inform Councilor Joyce that the officials of this department have had several conferences with all the Little League managers throughout the Boston area, and in all sections of the city where Little League teams are functioning we have loaned and laid out several Little League diamonds, new backstops, and proper facilities.

Very truly yours,

Placed on file. FRANK R. KELLEY, Chairman.

ALTERNATE DATE FOR SOLICITATIONS BY VETERANS' ORGANIZATIONS.

The following was received:

City of Boston,
To the Office of the Mayor, May 25, 1953.
Gentlemen:

I transmit herewith communication from the Chairman of the Board of the Public Welfare relative to your order of March 30, 1953, requesting that special provision be made in the annual permission customarily granted veterans' organizations to make solicitations on "Poppy Day"

or "White Clover Day" to the effect that such permission may be exercised on an alternate date in case of inclemency of the weather or other valid causes.

Respectfully,

J. B. HYNES, Mayor.

City of Boston,
Overseers of the Public Welfare,
May 19, 1953.

Hon. John B. Hynes,
Mayor of Boston.
Attention of Mr. Shannon.

Dear Mayor Hynes:

This department is in receipt of the following order of the City Council dated March 30, 1953:
"Ordered, that His Honor the Mayor be requested to make special provision for the annual permission customarily granted veterans' organizations to make solicitations on 'Poppy Day' or 'White Clover Day' to the effect that such permission may be exercised on an alternate date in case of inclemency of the weather or other valid causes."

In reply to this order, the Board of Overseers of the Public Welfare agrees, for the time being, to designate for charitable organizations a permit day together with an alternate day which shall be used in the event of inclement weather or other valid cause. It will be necessary for the organization securing such a permit to assure the department in writing of its strict compliance with the permit conditions relating to the alternate day in the event that postponement does occur. This is essential because of a long-standing rule of the Board of Overseers in relation to such permits which provides that each applying organization shall be granted a single day on which to solicit donations on the streets of Boston. The Board of Overseers will require that if solicitation has commenced on the originally designated date no later solicitation may occur, notwithstanding an unexpected change in weather conditions or other unforeseen circumstances.

We will amend our procedures and rules in compliance with the above.

Very truly yours,

JOSEPH K. COLLINS, Chairman.

Placed on file.

TO RENAME L STREET BATHHOUSE THE DONALD T. TOLAND MEMORIAL.

The following was received:

City of Boston,
To the Office of the Mayor, May 25, 1953.
To the City Council.

I transmit herewith communication from the Chairman of the Park Department relative to your order of May 18, 1953, requesting him to rename the L Street Bathhouse and Solarium the Donald T. Toland Memorial.

Respectfully,

J. B. HYNES, Mayor.

City of Boston,
Park Department, May 21, 1953.
Thomas G. J. Shannon,
Chief Clerk, Mayor's Office.

Dear Sir:
I am in receipt of a memo from your office with attached enclosure, City Council order requesting that the L Street Bathhouse and Solarium be named the Donald T. Toland Memorial, in honor of Marine Corporal Donald T. Toland, who lost his life in the service of his country on May 28, 1951, in Korea.

This request will be taken up at the next meeting of the Board of Park Commissioners.

Very truly yours,

FRANK R. KELLEY, Chairman.

Placed on file.

TO ORGANIZE PONY BASEBALL LEAGUE.

The following was received:

City of Boston,
To the Office of the Mayor, May 25, 1953.
To the City Council.

I transmit herewith communication from the Chairman of the Park Department relative to your order of May 18, 1953, requesting the appointment of an advisory committee for the purpose of organizing a pony baseball league and arranging a schedule of games on the various playgrounds throughout the city.

Respectfully,

J. B. HYNES, Mayor.

City of Boston,
Park Department, May 21, 1953.
Thomas G. J. Shannon,
Chief Clerk, Mayor's Office.

Dear Sir:
This will acknowledge memo from your office with attached enclosure, City Council order requesting that an advisory committee be appointed for the purpose of organizing a pony baseball league and arranging a schedule of games on the various playgrounds throughout the city.

Very truly yours,

Placed on file. FRANK R. KELLEY, Chairman.

PEDESTRIAN TRAFFIC LIGHTS AT TOPLIFF STREET, WESTVILLE STREET, AND GENEVA AVENUE.

The following was received:

City of Boston,
Office of the Mayor, May 25, 1953.
To the City Council.

I transmit herewith communication from the Commissioner of the Boston Traffic Commission relative to your order of May 18, 1953, requesting a survey of traffic conditions at the junction of Topliff street, Westville street, and Geneva avenue, Dorchester.

Respectfully,

J. B. HYNES, Mayor.

Boston Traffic Commission.

May 21, 1953.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

With reference to the Council order requesting the Traffic Commissioner to make a survey of conditions at the junction of Topliff street, Westville street, and Geneva avenue, Dorchester, with the view of proposing and installing actuated traffic signals, I wish to report that a preliminary survey has been made of this intersection and also of Geneva avenue and Bowdoin street, which is a hazardous intersection nearby.

Under our last appropriation approximately twenty intersections were to be signalized in accordance with the list which was presented to the Council when that appropriation was made.

I am submitting a list of intersections which are under consideration for signals, and where installations will be made when money is made available. The list does not set up a priority of intersections but merely identifies the areas where, in the opinion of our engineers, signal lights would be effective and in the interests of public safety.

Included in the list is the intersection of Geneva avenue, Topliff street, and Westville street. How soon this and the other locations on our list can be signalized depends entirely upon the early appropriation of money for this purpose. Revenues for this are generally received from the proceeds from the sale of land and buildings.

After the appropriation has been received, a period of at least ten months remains before the lights are placed in operation. This is due to the fact that contracts for the preparation of plans, made for the underground work, procurement of cable and equipment, and Edison service.

The problem of the winter season might likewise delay the installation time, depending upon the appearance of frost and snow during those months.

I submit this outline so that you may see the problem with which we are faced.

It has been stated that the commission has a balance of \$38,000 unexpended in the fund and the sum of \$128,000 for the installation of new lights and with reference to this I should state that these figures are merely bookkeeping entries for the commitments which are outstanding. This occurs as a result of the processing of drafts and contracts which are frequently delayed in execution; for example, in some cases signal lights installed last year are not yet subject to contract with the Edison Company even though the lights are already in operation. In order to obtain the value of signal light performance frequently the lights are turned on by agreement with the Edison Company and the city while the paper work of contracts is still in process.

Any money which has been appropriated to this commission in the past for signal installations was pledged to certain locations at the time the appropriation was made and such funds have been formally committed to those locations.

In addition to the list of signal lights which we have under consideration for our next appropriation I submit also a list of the signal lights which are to be installed under the appropriation which we received in the year of 1952.

Respectfully yours,

WM. ARTHUR REILLY, Commissioner.

LIST OF LIGHTS SCHEDULED FOR INSTALLATION UNDER THE APPROPRIATION RECEIVED FEBRUARY 9, 1953.

1. Chestnut Hill avenue and Commonwealth avenue.
2. Beech street, Walworth street, and Washington street.
3. Adams street, Centre street, and Elm Dale street.
4. Dorchester street, East Eighth street, and West Eighth street.
5. Crescent avenue, Dorchester avenue, and East Cottage street.
6. Blossom street, Cambridge street, and Garden street.
7. Cambridge street, North Russell street, and South Russell street.
8. Archdale road and Washington street.
9. Huntington avenue and South Huntington avenue.
10. Farquhar street, Robert street, South street, and South Walter street.
11. Dorchester street, Shawmut avenue.
12. Cambridge street, Franklin street, and Harvard avenue.
13. Forsyth Way, Greenleaf street, Hemenway street, Huntington avenue, and Parker street.

14. Amory street and Boylston street.
15. Huntington avenue and Parker Hill avenue.
16. Arborway, Centre street, and Prince street.
17. Brook street, Lake street, and Washington street.
18. Beacon street and Joy street.
19. Baker street and Spring street.

LIST OF TRAFFIC LIGHTS UNDER CONSIDERATION FOR INSTALLATION WHEN FUNDS ARE MADE AVAILABLE.

- Boylston street and Jersey street.
 Dartmouth street and Highland street.
 Shawmut avenue and West Newton street.
 Shawmut avenue and Northampton street.

TO INSTALL TRAFFIC LIGHTS ON GENEVA AVENUE.

The following was received:
 City of Boston,
 Office of the Mayor, May 25, 1953.
 Gentlemen:
 I transmit herewith communication from the Commissioner of the Boston Traffic Commission relative to your order of May 18, 1953, requesting the installation of traffic lights at the Geneva avenue stretch, from Dorchester avenue to Fields Corner, and to a stretch of proposed sites for installation of traffic lights.
 Respectfully,
 J. B. HYNES, Mayor.
 Boston Traffic Commission.

Hon. John B. Hynes, Mayor of Boston.
 Dear Mr. Mayor:
 With reference to the Council order requesting the Traffic Commission to install traffic lights in the Geneva avenue stretch, from Dorchester avenue to Fields Corner, and to advise the Honorable Council as to why such lights have not already been installed in view of the fact that said commission had \$38,000 approximately unexpended in the fund at the end of last year and now have the

sum of \$128,000 for the installation of new lights; and that the Traffic Commission furnish the Honorable Council with a list of proposed sites for installation of traffic lights, I wish to report that a preliminary survey has been made of the intersection of Topfitt street, Westville street, and Geneva avenue, and also of Geneva avenue and Bowdoin street.

Under our last appropriation approximately twenty intersections are to be signalized in accordance with the list which was presented to the Council when that appropriation was made. In submitting a list of intersections which are under consideration for signals and where installations will be made when money is made available, I did not set up a priority of intersections but merely identified the areas where, in the opinion of our engineers, signal lights would be effective in the interests of public safety.

Included in this list is the junction of Geneva avenue, Topfitt street, and Westville street. How soon this and the other locations on our list can be signalized depends entirely upon the early appropriation of money for this purpose. Revenues for this are generally received from the proceeds from the sale of land and buildings.

After the appropriation has been received, a period of at least ten months remains before the lights are placed in operation. This is due to the fact that contracts must be prepared and awarded for the underground work, procurement of cable and equipment, and Edison service.

The problem of the winter season might likewise delay the installation time, depending upon the amount of frost and snow during those months. I submit this outline so that you may see the problem with which we are faced.

It has been stated that the commission has a balance of \$38,000 unexpended in the fund and the balance of \$128,000 in the fund for this year and with reference to this I should state that these figures are merely bookkeeping entries for which commitments are outstanding. This occurs as a result of the processing of drafts and contracts which are frequently delayed in execution, for example, in some cases signal lights installed last year are not yet subject to payment with the Edison Company even though the lights are already in operation. In order to obtain the value of signal light performance frequently lights are turned on by agreement with the Edison Company and the city while the paper work of contracts is still in process.

Any money which has been appropriated to this commission in the past for signal installations was pledged to certain locations at the time the appropriation was made and such funds have been formally committed to those locations.

In addition to the list of signal lights which we have under consideration for this year, I submit also a list of the signal lights which are to be installed under the appropriation which we received in February of this year.

Respectfully yours,
 WM. ARTHUR REILLY, Commissioner.

 Placed on file.

REVALUATION SURVEY OF ALL PROPERTIES IN THE CITY.

The following was received:
 City of Boston,
 Office of the Mayor, May 22, 1953.
 Gentlemen:
 Pending before your Honorable Body is an appropriation of \$80,000 for a revaluation survey of all properties in the City of Boston. It is commonly accepted that the present unsatisfactory methods and procedures lack any scientific basis or formulae which will stabilize the real property values in our city. Hence, in the interest of improvement, the present situation is more likely to worsen.

In your consideration of the appropriation before your Body, may I state that it is not the intention of the city officials to put into effect any revaluation program which will add to the burden now borne by the home owner. In fact, it is quite apparent that no revaluation should be effective until such time as the tax base is stabilized. In the meantime, however, the survey, which will take two years to complete, more or less, should be made. For these reasons, I most respectfully request passage of the pending appropriation.

Respectfully,
 J. B. HYNES, Mayor.
 Referred to the Committee on Appropriations and Finance.

AMENDMENT TO COUNTY COMPENSATION AND CLASSIFICATION PLAN.

The following was received:
 City of Boston,
 Office of the Mayor, May 20, 1953.
 To the City Council.
 Gentlemen:
 The attached proposal by the Budget Commissioner to amend the Compensation and Classifica-

tion Plans for the Officers and Employees of Suffolk County, to include a Court Officer in the Boston Juvenile Court, is hereby approved and transmitted for consideration and adoption by your Honorable Body.

Respectfully,
 J. B. HYNES, Mayor.

City of Boston,
 Budget Department, May 20, 1953.
 To the Mayor and City Council.

Gentlemen:
 In accordance with Rule 3 of Schedule A of the Classification and Compensation Plans for the Officers and Employees of Suffolk County, the Budget Commissioner, whenever a new position is established, is required after an investigation of the actual and proposed duties and responsibilities and with the approval of the City Council and the Mayor, to classify the position by allocating it to its appropriate class.

The Presiding Justice of the Boston Juvenile Court, the Honorable John J. Connelly, has reported to me that he is appointing a court officer under the provisions of chapter 218, section 62 of the General Laws, and is recommending compensation Grade 19 for this position.

My investigation reveals that the functions of the Boston Juvenile Court are peculiar and unique. In view of the fact that only two grades are assigned court officers in the County Plan, namely, 17 and 19, it would seem that because of the peculiar and unique nature of the work of the Juvenile Court, grade 19 should be assigned in this particular case.

In order to put this classification into effect I recommend consideration and adoption of the accompanying order amending the County Plan to include a court officer in the Juvenile Court under compensation Grade 19.

Very truly yours,
 J. B. SULLIVAN,
 Budget Commissioner.

Ordered, That Schedule B of the Classification and Compensation Plans for the Officers and Employees of Suffolk County, be amended by order passed by the City Council on November 24, 1952, and approved by the Mayor on November 25, 1952, and the same hereby is amended by inserting after the statement of duties under the caption "Court Officer" the following: Boston Juvenile Court, Compensation Grade 19.
 Referred to the Executive Committee.

APPROPRIATION FOR REDEMPTION OF CITY LOANS AND INTEREST PAYMENTS ON CITY DEBT REQUIREMENTS.

The following was received:
 City of Boston,
 Office of the Mayor, May 25, 1953.
 To the City Council.

Gentlemen:
 Under the provisions of chapter 92 of the Acts of 1953, parking meter receipts may be used to meet principal and interest requirements on debt incurred for the acquisition and establishment of off-street parking facilities. Since 1947 the city has issued \$5,000,000 in bonds and has used the proceeds to establish five parking areas and facilities. According to the records of the Auditing Department, two hundred and fifty thousand dollars (\$250,000) must be provided in the current year to meet principal maturities on these bonds as well as eight hundred and thirty-three thousand dollars (\$833,350) to meet interest requirements. In view of the authority granted by the Legislature in chapter 92 of this year's acts, I submit herewith an order providing for the appropriation from parking meter fees of three hundred and thirty-three thousand three hundred and thirty-three dollars (\$333,300) to be applied to meet maturing debt and interest payments for the current year on outstanding parking facility bonds. I respectfully recommend adoption of this order by your Honorable Body.

Respectfully,
 J. B. HYNES, Mayor.

Ordered, That in accordance with the provisions of chapter 92 of the Acts of 1953, the sums hereinafter set forth be appropriated from parking meter receipts for the purposes specified:

City Loans, Redemption of	\$250,000
City Debt Requirements, Interest	\$833,350

Referred to the Committee on Appropriations and Finance.

USE OF SURPLUS REVENUE IN COMPUTATION OF 1953 TAX RATE.

The following was received:
 City of Boston,
 Office of the Mayor, May 25, 1953.
 To the City Council.
 Gentlemen:
 I transmit herewith communication from the City Auditor relative to your order of May 4, 1953, concerning the request, in the computation of the

1933 tax rate, for the approval of the Commissioner of Corporations and Taxation for the use of \$3,322,399.44 which represents the amount now on Surplus Revenue.

Respectfully,
J. B. HYNES, Mayor.

City of Boston.

Auditing Department, May 20, 1933.
Hon. John B. Hynes,
Mayor of Boston.

Dear Sir:
In accordance with your request, I have prepared the following statement with respect to the order adopted in the City Council on May 4, 1933, suggesting use by the Board of Assessors in the computation of this year's tax rate of the balance then existing in "Surplus Revenue."

Up to last year, authority to use available funds or "Surplus Revenue" in connection with the tax rate was controlled by the Commissioner of Corporations and Taxation. Under the provisions of section 7 of chapter 799 of the Acts of 1931, use of such funds beginning in 1932 was specifically limited to the amount certified to the Board of Assessors at the beginning of each year by the Director of Accounts. The officials recently advised the Board of Assessors that the amount of Boston's "free cash" as of January 1, 1933, was "none."

Under the provisions of chapter 119 of the Acts of 1933, the Legislature authorized that, in addition to the amount certified by the Director of Accounts, the Assessors could use the total of real, personal, or poll taxes of prior years collected in the first three months of 1933. I have conferred with the Director of Accounts regarding the possibility of the Assessors' using the total of such collections (\$2,939,617.15) as a credit in this year's rate. I have been advised that these even with these collections there was no "free cash" in our surplus revenue account on March 31, 1933, authority could not be given in the case of Boston to utilize the provisions of chapter 119.

Respectfully,
CHARLES J. FOX,
City Auditor.

Placed on file.

LEASING OF PORTION OF MUNICIPAL BUILDING, DORCHESTER.

The following was received:

City of Boston,
Office of the Mayor, May 25, 1933.
To the Honorable City Council.

Gentlemen:
I transmit herewith communication received from George P. Donovan, Superintendent of Public Buildings, relative to the leasing of certain portions of the premises of the Municipal Building, 500 Columbia road, Dorchester, to the United States of America for local draft board purposes, and recommend the adoption of the accompanying order by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Public Buildings Department,
May 23, 1933.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:
Portions of the first floor of the Municipal Building, 500 Columbia road, Dorchester, are presently occupied by the local draft board. The General Services Administration of the United States of America has requested that it be permitted to lease this space for draft board purposes for a term of one (1) year, commencing January 1, 1933, at an annual rental of two thousand five hundred (2,500) dollars, and has forwarded to this department a printed form of lease for execution by the City of Boston. On order of the City Council, approved by your Honor, is required to authorize this department to execute this lease.

Respectfully,
GEORGE P. DONOVAN,
Superintendent of Public Buildings.

Whereas, The City of Boston is the owner in fee of premises at 500 Columbia road in the Dorchester district of the City of Boston in the care, custody, control, and management of the Superintendent of Public Buildings of the City of Boston; and

Whereas, The United States of America desires to lease space in said building for office and related uses; now, therefore, it is hereby

Resolved, That the Superintendent of Public Buildings of the City of Boston be, and he hereby is, authorized, with the approval of the Mayor of the City of Boston, to execute on behalf of the United States of America an indenture of lease whereby the City of Boston leases to the United States of America approximately one thousand two hundred forty (1,240) square feet of space in two adjacent rooms on the first floor, together with the free use of one thousand sixty (1,060) square feet of space located on the first floor, of the Municipal Building, located at 500 Columbia road in the Dorchester section of the City of Boston, Mass., for the term of one (1)

year beginning with the first day of January, 1933, for a yearly rental of two thousand five hundred dollars (\$2,500) per annum, or two hundred eight and 33/100 dollars (\$208.33) per month, renewable from year to year by the United States of America at the same rental, and the City of Boston to provide heat, water, and janitor service, said lease to be terminable by the United States of America at any time upon thirty (30) days' notice. Said lease may contain such further terms and conditions as in the opinion of the superintendent are required and not inconsistent with the foregoing.

Referred to the Committee on Public Lands.

PETITIONS REFERRED.

The following petitions were received and referred to the committee named, viz:

Claims.

John A. Allgaier, to be reimbursed as result of execution issued against him on account of his acts as employee of Paving Division.

Boston Consolidated Gas Company, for compensation for damage to truck by city truck.

John J. Casey, for compensation for damage to car by fire engine.

Mary Gertrude Hamm, for compensation for injury caused by an alleged defect at 175 Devonshire street.

Mary Jankowski, for compensation for damage to property at 25 Taft street, Dorchester, caused by water shut off.

Julius Kopans, for compensation for injuries and damage to property by city car.

Louis Monahan, for compensation for damage to clothing caused by paint on parking meter at Broadway and F street, South Boston.

Magnum Fire Insurance Company, for compensation for damage to car of John V. Corsetti, caused by city men spraying trees.

Dorothy T. Rowley, for compensation for injuries caused by an alleged defect at Tremont street and Temple place.

PERMITS FOR CHILDREN.

Petitions for children under fifteen years of age to appear at places of public amusement:

Boston Music School, Inc., The College Hall, 1111 Beacon street, Boston.

Lillian Arden Chiampa, John Hancock Hall, June 1.

Permits granted under usual conditions.

PETITION FOR ANNUITY.

Petition of Mrs. Anna E. Feeney to be paid an annuity on account of the death of her husband, John J. Feeney, late member of the Police Department.

Referred to the Committee on Claims.

PETITION FOR RETIREMENT.

Petition of William E. Jacques, assistant deputy master of House of Correction, Penal Institutions Department, for retirement as veteran.

Referred to the Committee on Claims.

APPROVAL OF CONSTABLES' BONDS.

The constables' bonds of the following, having been duly approved by the City Treasurer, were received and approved:

Young E. Bennetts, Howard P. Camden, Melvin Cohen, William J. DuRoss, Louis E. Grace, John W. Herbert, Louis Levendoff, Norman L. Munson, Louis H. Oppenheim, Edward J. Rockett.

REPORT OF COMMITTEE ON APPROPRIATIONS AND FINANCE.

Coun. HAILER, for the Committee on Appropriations and Finance, submitted the following:

1. Report on message of the Mayor and order (referred January 12) for appropriation of \$33,300 for acquiring off-street parking areas and facilities in the Clear Square section of Hyde Park—that same ought to pass.

The report was accepted, and the order was given its first reading and passage, yeas 7, nays 0.

Yeas—E. Bennetts, Howard P. Camden, Melvin Cohen, William J. DuRoss, Louis E. Grace, John W. Herbert, Louis Levendoff, Norman L. Munson, Louis H. Oppenheim, Edward J. Rockett.

2. Report on message of the Mayor and order (referred March 23) for appropriation of \$80,250 for acquiring and constructing off-street parking

areas and facilities in the Dudley street section of Roxbury—that same ought to pass.

The report was accepted, and the order was given its first reading and passage, yeas 7, nays 0.

Yeas—Councillors Ahearn, Hailer, Hurley, Joyce, Kerrigan, Piemonte, White—7.

Nays—0.

The order was assigned for fourteen days for final action.

REPORT OF COMMITTEE ON CLAIMS.

Coun. JOYCE, for the Committee on Claims, submitted the following:

1. Report on petition of William H. Hawkins (referred May 4) to be reimbursed as a result of an execution issued against him on account of his acts as an employee of the Police Department—recommending passage of the accompanying order.

Ordered, That the sum of fourteen hundred sixty-eight dollars and seventeen cents (\$1,468.17) be allowed and paid to William H. Hawkins in reimbursement for amount of execution issued against him on account of his acts as an employee of the Police Department, said sum to be charged to the appropriation for amount of execution issued against him on account of his acts as an employee of the Police Department, said sum to be charged to the appropriation for Executions of Court, Damage Claims and Reimbursements.

2. Report on petition of Francis M. Waters (referred May 11) to be reimbursed as a result of an execution issued against him on account of his acts as a member of the Police Department—recommending passage of the accompanying order.

Ordered, That the sum of five hundred dollars (\$500) be allowed and paid to Francis M. Waters in reimbursement for amount of execution issued against him on account of his acts as a member of the Police Department, said sum to be charged to the appropriation for amount of execution issued against him on account of his acts as a member of the Police Department, said sum to be charged to the appropriation for Executions of Court, Damage Claims and Reimbursements.

The reports were accepted, and the orders were severally passed.

REPORT OF COMMITTEE ON LICENSES.

Coun. JOYCE, for the Committee on Licenses, submitted the following:

Report on petition (referred May 4) of Alford's Arlington Square Ales, 392 Tremont street, Ward 5, to operate bowling alleys on the Lord's day—recommending that license be granted.

The report was accepted, and the license was granted under the usual conditions.

CONSIDERATION OF ALTERNATE ROUTES FOR ARTERIAL HIGHWAY.

Coun. PIEMONTE offered the following:

Whereas, One of the present proposed routes of the arterial highway through the city is approximately \$9,000,000 of assessed property in the leather district (representing \$5.40 in the present Boston tax rate on real estate); and

Whereas, It will cause irreparable harm to the family and community life of the Chinese residents of Boston in the Chinatown section and destroy their Chinese Merchants Association Building; and

Whereas, Boston has already suffered the displacement of a great number of families and the loss of about \$20,000,000 of assessed property in the construction of the arterial highway, which highway is for the benefit of Metropolitan Boston and not Boston alone; and

Whereas, It appears that it might be feasible for this section of the arterial highway to follow an alternate route which would require the displacement of practically no families and very little property; now, therefore, be it

Resolved, That the City Council of Boston, in meeting assembled, calls upon the Commissioner of Public Works of the Commonwealth of Massachusetts and His Excellency, Christian A. Herter, Governor of the Commonwealth, to give serious consideration to the alternate routes proposed by the City of Boston Planning Board and the Public Works Commission of the City of Boston.

Coun. PIEMONTE moved suspension of the rules and passage of the order. Coun. KERRIGAN moved that the order be referred to the Executive Committee. The rules were suspended, and the order was referred to the Executive Committee.

INFORMATION RE URBAN REDEVELOPMENT IN WEST END.

Coun. PIEMONTE offered the following:

Whereas, There is much confusion in the West End section of Boston over the present status of the Urban Redevelopment Program as regards that section; and

Whereas, Said confusion is resulting in residents and small business owners leaving, or planning forced vacating of their premises under the mistaken belief that the Urban Redevelopment plans are ready for execution and

Whereas, It will take approximately one and a half years for any position to be taken by the Executive Committee in regard to the taking of any property, even after final plans are approved; and

Whereas, The matter before the Council is a resolution to authorize further study; and

Whereas, After final plans are prepared and before any property can be taken, final plans must be submitted and approved; and

Whereas, In order to avoid any unnecessary disturbances of family life or hardships to small businessmen and home owners and the City of Boston in the form of exactions or loss of tax revenues brought on by vacancies; now, therefore, be it Resolved, That his Honor the Mayor have prepared an appropriate leaflet describing the present status of the Urban Redevelopment Program as it concerns the West End and also for its distribution in the public and private schools and for such other educational program as may be advisable to enlighten the West Enders as to the status and effect of the Urban Redevelopment Program.

The resolution was adopted under suspension of the rules.

NAMING OF SQUARE IN HONOR OF JOHN J. DEVLIN.

Coun. AHEARN offered the following: Ordered, That the Committee to Memorialize Veterans be requested, through his Honor the Mayor, to name the square at the corner of Parsons street and Washington street, Brighton, in honor of Maj. John J. Devlin, who died a hero of World War I, in October of 1931, from service-connected disability.

Passed under suspension of the rules.

REPORT OF COMMITTEE ON PUBLIC LANDS.

Coun. FOLEY, for the Committee on Public Lands, submitted the following: Report on message of the Mayor and order (referred April 27) for sale of land owned by City of Boston in Squantum to City of Quincy—that same ought to pass.

The report was accepted, and the order was given its first reading and passage, yeas 8, nays 0: Yeas—Councillors Ahearn, Foley, Hailer, Hurley, Joyce, Kerrigan, Piemonte, White—8.

Nays—0.

The order was assigned for fourteen days for final action.

RECESS.

On motion of Councillor Hurley the Council voted to take a recess at 2:54 p.m., subject to the call of the Chair. The members reassembled in the Council Chamber and were called to order by President AHEARN at 4:58 p.m.

EXECUTIVE COMMITTEE REPORTS.

Coun. WHITE, for the Executive Committee, submitted the following:

1. On the order (referred May 11) relative to shortage of personnel at the City Hospital the Committee submitted a partial report recommending passage of the following order:

Ordered, That the Superintendent of the City Hospital be requested, through his Honor the Mayor, to appear in person at the next meeting of the Executive Committee and present figures showing the number of personnel in the following services at the hospital: nursing, clerical, laboratory, social, kitchen, housekeeping; also medical workers, orderlies, etc.

The partial report was accepted, and the order was passed.

2. Report on resolution (referred today) that the State Commissioner of Public Works and Governor Hester give serious consideration to the alternate routes for the arterial highway proposed by the Boston Planning Board to be under the Public Works Commissioner of the City of Boston—that same ought to pass.

The report was accepted, and the resolution was adopted.

3. Report on message of the Mayor (referred May 18) vetoing order of April 27 authorizing Chairman of Park Commission to lease to the Lieut. Willis Penny Post 399, American Legion, a certain parcel of city-owned land on Columbia road, at corner of Buttonwood street and Mt. Vernon street, Dorchester—that same be placed on file.

The report was accepted, and the message and order were placed on file.

4. Report on message of the Mayor and order (referred today) that Schedule B of the Classification and Compensation Plan for the Officers and Employees of Suffolk County be amended by inserting after the statement of duties under the caption "Court Officer" the following: "Boston Juvenile Court, Compensation Grade: 19"—that same ought to pass.

The report was accepted, and the order was passed.

"PILOT PROJECT" IN UPPER ROXBURY.

Coun. AHEARN offered the following: Whereas, Pursuant to chapter 310 of the Acts of 1948, there has been established a Youth Service Board devoted to the care of the wayward and delinquent children and juvenile offenders and to the reduction and prevention of delinquency and crime; and

Whereas, Pursuant to section 67 of said chapter, it is provided that a Youth Service Board shall develop constructive programs to reduce and prevent delinquency and to cooperate with existing agencies and encourage the establishment of new agencies, both local and statewide; and

Whereas, Said Youth Service Board is ordered by said section 67 to assist local authorities of any county or municipality when so requested by the governing body thereof; now, therefore, be it

Resolved, That the City Council of Boston, in meeting assembled, hereby requests the assistance of the Youth Service Board in steering and coordinating the educational, welfare, health, and recreational programs of the City of Boston, with a view to reducing juvenile delinquency in Boston; and be it further

Resolved, That His Excellency the Governor, Christian A. Hertz, and the Youth Service Board, are hereby respectfully requested to set up a "pilot project" in upper Roxbury for the purpose of expanding and developing constructive programs for the control and prevention of delinquency, and to that end appoint adequate paid personnel for the purpose of setting up, directing, and operating this program.

The resolution was adopted under suspension of the rules.

NOTICES OF CITY COUNCIL HEARINGS.

Coun. PIEMONTE offered the following: Ordered, That the Clerk of Committees of the Boston City Council be, and he hereby is, instructed that any notice or invitation to attend a hearing of the Council or subcommittee include a copy of the order, notice, and/or resolution for which said hearing is called.

Passed under suspension of the rules.

Adjourned at 5:03 p.m., on motion of Councillor White, to meet on Monday, June 1, 1953, at 2 p.m.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 44A, Acts of 1947.
(Stenographic copy of such debate on file in office of City Clerk.)

CONSTRUCTION OF STREET.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the laying out and construction of Frederick terrace, Dorchester district, as a highway, from Hartford street approximately 150 feet easterly, with the name of Hartford court or some other distinctive name, bounded and described as follows:

A highway named Hartford court is hereby laid out, from Hartford street approximately 150 feet easterly, and ordered constructed.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Westerly by Hartford street, 2661 feet; northerly by the northerly line of Hartford court as hereby laid out, 148 feet; easterly by the easterly line of Hartford court as hereby laid out, 5.50 feet; northerly by the northerly line of Hartford court as hereby laid out, 3.03 feet; again easterly by the easterly line of Hartford court as hereby laid out, 21.11 feet; and southerly by the southerly line of Hartford court as hereby laid out, 151.14 feet.

Trees or structures standing upon or affixed to the aforesaid parcel shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting parcels of land situated on the northerly, easterly and southerly sides of Hartford court as laid out under this order, from Hartford street, approximately 150 feet easterly, will receive benefit or advantage, beyond the general advantage to all real estate in said city,

from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on the plan heretofore referred to and on file in the office of this department.

Parcel.	Amount.
1. Dennis T. and Catherine F. Breen	\$146 10
2. Lillian Levine	278 80
3. Margaret E. Crowe	268 00
4. Rano and Theresa Barabati	368 40
5. William F. and Margaret W. Conway	294 60
6. James A. and Margaret M. Baldwin	297 90
7. Bert P. and Isabelle D. Albrecht	149 85
Total	\$1,803 65

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the laying out and construction of Hartford court, Dorchester district, as a highway, from Hartford street easterly for a distance of approximately 150 feet, under the order of the Board of May 27, 1953, and awards no damages therefor.

WIDENING PEMBERTON SQUARE.

The Mayor has approved the vote of the Board of Street Commissioners for a public improvement consisting of the widening, relocation and construction of Pemberton square, Boston Proper district, as a highway, at the northeast corner of Somerset street, bounded and described as follows:

The highway named Pemberton square is hereby widened at the northerly corner of Somerset street and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to the City of Boston, bounded:

Southerly by Pemberton square, 9.33 feet; westerly by Somerset street, 3.27 feet; and northerly by the northerly line of Pemberton square as widened under this order, 10.09 feet on a curve of 15 feet radius; containing 25 square feet, more or less.

Trees or structures standing upon or affixed to the aforesaid parcel shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Pemberton square as hereby widened is bounded:

Southerly by the northerly line of Pemberton square as it existed prior to this order, 9.33 feet; westerly by the easterly line of Somerset street as it existed prior to this order, 3.27 feet; and northerly by the northerly line of Pemberton square as hereby widened, 10.09 feet on a curve of 15 feet radius, containing 25 square feet, more or less.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the widening and construction of Pemberton square, Boston Proper district, as a highway, at the northerly corner of Somerset street, under the order of the Board of May 27, 1953, and awards no damages therefor.

City of Boston, 25 square feet, nothing.

NOTICE OF TAX TAKING.

THE COMMONWEALTH OF MASSACHUSETTS.

CITY OF BOSTON.

OFFICE OF THE COLLECTOR OF TAXES.

June 5, 1953.

TO THE OWNERS OF THE HEREINAFTER DESCRIBED PARCELS OF LAND SITUATED IN THE CITY OF BOSTON, IN THE COUNTY OF SUFFOLK, AND THE COMMONWEALTH OF MASSACHUSETTS, AND TO ALL OTHERS CONCERNED.

You are hereby notified that on Wednesday, the twenty-fourth day of June, 1953, at 9.30 o'clock A.M., pursuant to the provisions of General Laws (Ter. Ed.), chapter 60, section 53, and by virtue of the authority vested in me as Collector of Taxes, it is my intention to take for the City of Boston the following parcels of land for non-payment, after demand, of the taxes thereon as defined in General Laws, chapter 60, section 43, with interest and all necessary intervening charges, or any unpaid balance of said taxes, unless the same shall have been paid before that date.

JAMES E. GILDEA,

Collector of Taxes for the City of Boston.
(June 6.)

WIDENING FAIRMOUNT AVENUE, HYDE PARK.

The Mayor has approved the vote of the Board of Street Commissioners for a public improvement consisting of the widening and construction of Fairmount avenue, Hyde Park district, as a highway, at the northwesterly corner of Highland street, bounded and described as follows:

The highway named Fairmount avenue is hereby widened at the westerly corner of Highland street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Stella M. Werner, bounded:

Northeasterly by Fairmount avenue, 11.44 feet; southeasterly by Highland street, 11.44 feet; and westerly by the westerly line of Fairmount avenue as widened under this order, 18.25 feet on a curve of 11.95 feet radius, containing 28 square feet, more or less.

Trees or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Fairmount avenue as hereby widened is bounded:

Northeasterly by the southwesterly line of Fairmount avenue as it existed prior to this order, 11.44 feet; southeast by the northwesterly line of Highland street as it existed prior to this order, 11.44 feet; and westerly by the westerly line of Fairmount avenue as hereby widened, 18.25 feet on a curve of 11.95 feet radius, containing 28 square feet, more or less.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the widening and construction of Fairmount avenue, Hyde Park district, as a highway, at the westerly corner of Highland street, under the order of the Board of May 29, 1953, and awards no damages therefor.

Stella M. Werner, 28 square feet, nothing.

FIRE DEPARTMENT ORDERS.

General Order No. 23.

FAREWELL MESSAGE TO MEMBERS OF THE BOSTON FIRE DEPARTMENT.

As I come to the end of my administration as Fire Commissioner, I wish to express to all the members of the department, officers and men, and civilians, my thanks and appreciation for the loyalty and cooperation which I have experienced during the past three years and four months. My service as commissioner has been made an easy and pleasant experience due to the fine cooperation of all.

If we have accomplished any good for the department and the City of Boston, the results will speak for themselves.

MICHAEL T. KELLEHER,
Fire Commissioner.

General Order No. 24.

1. The following is published for the information and guidance of members of the Fire Department:

"Having been duly appointed as Fire Commissioner of the City of Boston by the Mayor in accordance with the provisions of chapter 486 of the Acts of 1909, as amended by chapter 479, Acts of 1924, I hereby assume charge of the Fire Department of the City of Boston, effective as of Monday, June 1, 1953."

JOHN F. COTTER,
Fire Commissioner.

General Order No. 25.

I. WILLIAM F. O'BRIEN.

It is with deep regret that the Fire Commissioner announces the death, on May 23, 1953, of Steam Fireman William F. O'Brien of the Maintenance Division. Fireman O'Brien was appointed to the department on March 31, 1943.

The funeral was held from Morrissey Brothers Funeral Home, 139 Stoughton street, Uphams Corner, Dorchester, at 8.15 A.M., Tuesday, May 26, 1953, followed by services at St. Brendan's Church, Gallivan Boulevard, Dorchester, at 9 A.M.

The members of the Maintenance Division were excused from duty in order to attend the services.

II. RETIREMENT.

The following retirement, in accordance with chapter 800 of the Acts of 1913 and chapter 519 of the Acts of 1914, is hereby announced, to become effective at 8 A.M., Friday, June 5, 1953:

Junior Building Custodian Joseph Hinchey, Fire Alarm Division.

Junior Building Custodian Hinchey was appointed to the Fire Department on October 26, 1923, and he leaves the department with the best wishes of his associates.

III. ASSIGNMENTS TO ENGINEER, MOTOR SQUAD.

The following assignments, which became effective at 8 A.M., May 27, 1953, are hereby announced:

Hoseman Frederick F. Bury, Maintenance Division, to Engineer, Motor Squad.

Hoseman James S. Walker, Maintenance Division, to Engineer, Motor Squad.

IV. REV. DENNIS J. LYNCH SCHOLARSHIP.

Notice has been received from the reverend principal of Boston College High School that on Saturday, June 6, 1953, at 9 A.M., in the high school building on James street, Boston, there will be a special examination for the Reverend Dennis J. Lynch Scholarship, founded by members of the Boston Fire Department in memory of their late chaplain.

This is a scholarship awarded to the son of a member of the Boston Fire Department (or son of a retired or deceased member) who obtains the highest average in the annual scholarship examination. The winner is entitled to one year of free tuition at Boston College High School.

V. CEREBRAL PALSY CAMPAIGN.

His Honor, Mayor John B. Hynes, has asked that all members of the department cooperate in the drive for funds now being conducted by the United Cerebral Palsy Associations of Massachusetts.

Pledge slips are being issued to the department today, and company commanders are asked to interview each member of their commands in regard to contributions to this worthy fund. Members who desire to make a donation should fill out a card. Company commanders will acknowledge receipt of contributions on the stub attached to the forms being issued.

All contributions should be forwarded to the Office of Civilian Defense, Public Relations, and Public Information at 194 Broadway, Boston, on or before June 16, 1953. Deliveries of money and donation slips should be made between the hours of 9 A.M. and 4 P.M. on any weekday except Saturday.

By order of Fire Commissioner
JOHN F. COTTER.

JOHN V. STAPLETON,
Chief of Department.

POLICE DEPARTMENT ORDERS.

General Order No. 1771.

The following letter received from John L. McCrea, Rear Admiral, U.S.N., Commandant, First Naval District, is published for the information and guidance of the department:

Headquarters,

First Naval District,

Navy Building,

495 Summer Street, Boston 10, Mass.

May 27, 1953.

COM. THOMAS F. SULLIVAN, Police Headquarters, Boston, Mass.

MY DEAR COMMISSIONER SULLIVAN:

In accordance with the announced policies of the Department of Defense that effective action be taken by the military services to eliminate duplication of effort and thereby promote efficient, economical operation of the armed services, an Armed Services Police Detachment is being formed in the Metropolitan Boston area.

This detachment will consist of officer and enlisted personnel from each of the armed services and will eliminate the separate detachments of shore patrol, military police, and air police.

Upon activation, the Commandant will direct the Armed Services Police De-

tachment to take aggressive action for the suppression of unseemly conduct and the promotion of highway safety on the part of all military personnel.

The headquarters of the Armed Services Police Detachment will be at the Navy Building, 495 Summer street, Boston.

The continued assistance of yourself and your department in guiding the Armed Services Police Detachment through its formative stages would be appreciated.

Sincerely yours,

J. L. MCCREA,

Rear Admiral, U.S.N.,

Commandant, First Naval District.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 1772.

The following-named officer having requested retirement under the provisions of the Statutes of 1892, chapter 353, as amended, for the reason that he is incapacitated, it is hereby

Ordered, His Honor the Mayor having approved the same, that he be retired from active service in the Police Department, effective Friday, May 29, 1953, at 7.45 o'clock A.M.:

Patrolman John F. West, Bureau of Operations, 33 years of service.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be thirty (30) days, vehicles are excluded from the following street, effective May 28, 1953:

Fenwick Road, West Roxbury.
From Corey street to Kirk street.

Voted, That as urgently required by considerations of public safety and convenience, occasioned by repairs to the Broadway Bridge, for a period estimated to be ten (10) days, the following temporary traffic rules are effective from 8 A.M. until 4 P.M. each weekday, effective beginning June 3, 1953:

Vehicles are excluded from the following street:

Foundry Street, South Boston.

From Dorchester avenue to Macallen street.

The one-way rule in the following street is suspended, and it is a two-way street:

Dorchester Avenue, South Boston.

From Broadway to Foundry street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be thirty (30) days, vehicles are excluded from the following street, effective June 1, 1953:

Westbourne Street, West Roxbury.

From Cornell street to West Roxbury Parkway.

CIVIL SERVICE EXAMINATIONS.

ARCHITECT, BOSTON CITY PLANNING BOARD, JULY 17, 1953.

Last date for filing applications, Friday, June 26, 1953.

Salary: \$90.50 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: To prepare preliminary project plans for specific locations of housing, commercial, industrial, civic, or other developments, applying planning data and architectural principles; to assist in the preparation of area or project redevelopment studies; by means of a sample survey, to assemble data on architectural details of structurally sound but obsolete buildings for the purpose of showing how they may be reconditioned and used in a rehabilitation scheme; to make rough estimates of costs of reconversion of old buildings or new developments; to prepare renderings and illustrations based on necessary research and data for presentation or display purposes; and to perform related work as required.

Entrance Requirements: Applicants must have at least five years of professional architectural experience, preferably in the field of site development and city planning. Substitutions: A master's degree in architecture from a recognized degree-granting school may be substituted for three years of the required experience, or a bachelor's degree in architecture from a recognized degree-granting school may be substituted for two years of the required experience.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

PHOTOSTAT OPERATOR, BOSTON DEPARTMENT OF VETERANS' SERVICES, JULY 24, 1953.

Last date for filing applications, Friday, July 3, 1953.

Salary: \$62.52 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: To operate a photostat machine and make photostatic copies of various papers and documents; to make minor repairs and adjustments to the photostat machine; to operate a typewriter and electrical mimeograph machine; and to perform related work as required.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO PLUMBING CONTRACTORS.

INVITATION FOR PROPOSALS FOR PLUMBING AND GAS WORK AT THE ABRAHAM LINCOLN SCHOOL, ARLINGTON AND FAYETTE STREETS, BOSTON, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for plumbing and gas work at the Abraham Lincoln School, Arlington and Fayette streets, Boston, Mass.

Proposals will be received until 12 o'clock noon, Thursday, June 18, 1953, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass. at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check, in the sum of \$200, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Massachusetts Industrial Union of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract, will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

JAMES H. MOONEY,
Superintendent of Construction.

(June 6.)

Examples of Duties: Operating a Windsograph photostat machine; mixing the solutions for the developer and fixer necessary for the developing of the photostat; developing and trimming prints to specific sizes.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5. Also a practical test in type-writing.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject and in the practical test in order to become eligible.

Physical fitness to be determined by physical examination.

MUNICIPAL STANDARDS IMPROVED.

It is to be observed that municipal employees feel more secure in their jobs because of the extension of the merit system.

The competence of the individual municipal employee has continued to improve over a period of years.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

Proposals for Sewerage Works and Water Works in Ayles Road, from Edwardson Street to Westman Street, and Outlet in Edwardson Street, between Lewiston Street and Ayles Road, Hyde Park.

The Commissioner of Public Works of the City of Boston, Room 508 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least one per cent thereof is owned by a citizen or citizens of the United States, for sewerage works and water works in Ayles road, etc. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure performance of the contract and the full protection of the City. Forms of proposals may be obtained at Room 508 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Sewerage Works and Water Works in Ayles Road, etc.," and left at Room 508 (Contract Office), fifth floor, City Hall Annex, before 12 M. of HURSDAY, JUNE 18, 1953, with a certified check for TWENTY-ONE HUNDRED (2,100) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room of the Street Commissioners, Room 401, City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, with check, to be submitted by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 508, City Hall Annex. There will be a charge of two dollars (\$2) for each set of plans and specifications taken out. If the price of any item of work is less than the rate of wages in the schedule determined by the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor to the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract, and shall provide such insurance in full force and effect during the term of this contract. The undersigned reserves the right to award the contract or to award the contract as he deems best.

GEORGE G. HYLAND,
Commissioner of Public Works.

(June 6.)

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO LIGHT IRON WORK CONTRACTORS.

INVITATION FOR PROPOSALS FOR FURNISHING AND INSTALLING EXTERIOR GRILLES AT THE BOSTON TRADE HIGH SCHOOL, 550 PARKER STREET, ROXBURY CROSSING, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for furnishing and installing exterior grilles at the Boston Trade High School, 550 Parker street, Roxbury Crossing, Mass.

Proposals will be received until 12 o'clock noon, Monday, June 15, 1953, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check, in the sum of \$200, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications may be obtained at the office of the Awarding Authority.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING RADIO EQUIPMENT FOR THE BOSTON FIRE DEPARTMENT.

Proposals may be obtained at Room 1001, City Hall Annex. At this room the bids will be opened and read Thursday, June 18, 1953, at 12 M. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not accepted. A duplicate bid, without check, must be left with the Auditor prior to the time for opening bids. Envelopes containing bids to be sealed and marked "Proposal for Radio Equipment." The successful bidder must furnish a faithful performance bond for approximately one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts. The Superintendent reserves the right to accept or reject any and all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

JOHN V. MORAN,
Superintendent of Supplies.

(June 6.)

CITY OF BOSTON AND TOWN OF WINTHROP.

PROPOSALS FOR REPAIRS TO THE WINTHROP BRIDGE BETWEEN BOSTON AND WINTHROP.

The Commissioner of Public Works of the City of Boston and the Chairman of the Board of Selectmen of the Town of Winthrop invite proposals from citizens, cities, towns, States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for repairs to the Winthrop Bridge between Boston and Winthrop. A bond will be required for doing the work, the surety company approved by the Commissioner and the Chairman in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract. Leave the full protection of the City of Boston and the Town of Winthrop. Forms of proposals may be obtained at Room 508, City Hall Annex, Boston. Each proposal should be inclosed in an envelope, sealed, marked "Proposal for Repairs to the Winthrop Bridge Between Boston and Winthrop," and left at Room 508, fifth floor, City Hall Annex, Boston, before 12 M. of Thursday, June 18, 1953, with a certified check for two hundred fifty (\$250) dollars, payable to and to become the property of the City of Boston and the Town of Winthrop if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room of the Street Commissioners, Room 401, City Hall Annex, Boston. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor of Boston previous to the time named for opening the bids. There will be a charge of two dollars (\$2) for each set of plans and specifications taken out. If the price of any item appears to the Commissioner to be abnormally high or low, or if the bidder neglects to bid on each and every item, it may be rejected. The rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract, and sufficient proof of compliance with the foregoing stipulation will be required prior to award of the contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. HYLAND,
Commissioner of Public Works of the City of Boston.

Superintendent of Construction.

(June 6.)

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 45

SATURDAY, JUNE 13, 1953.

No. 24

MAYOR JOHN B. HYNES ANSWERS, OVER TELEVISION, QUESTIONS ASKED BY CITIZENS CONCERNING BOSTON'S TAX PROBLEMS—EXPLAINS DIFFICULTIES FACING HIM AS MAYOR AND HANDICAPS PLACED IN HIS WAY BY CONDITIONS OVER WHICH HE HAS NO CONTROL—PROMISES CONTINUING BATTLE TO GET FAIRNESS FOR CITIZENS, WITH REAL ESTATE NO LONGER SHOULDING TOTAL BURDEN—COMMITTEE TO STUDY SITUATION AND RECOMMEND.

On Monday evening, June 8, over WBZ-TV, the Mayor answered questions asked concerning Boston's impending tax rate as follows:

Last Monday night, through the generosity of WBZ-TV, I discussed Boston's current financial situation.

In the course of that discussion I called attention to the factors which indicate that a tax rate of \$70 per thousand will be established for 1953.

It has always been my belief that the problems of government, once known and understood by the people themselves, become less formidable than if those problems were sugar-coated, or cloaked in secrecy.

NEW SCHEDULE OF COMPENSATION FOR POLICE DEPARTMENT AS APPROVED BY MAYOR HYNES PUT INTO EFFECT BY COMMISSIONER THOMAS F. SULLIVAN.

A new pay schedule for members of the Police Department has been approved by Mayor John B. Hynes and inaugurated by Police Commissioner Thomas F. Sullivan. Announcement of the compensation plan as made by Commissioner Sullivan reads as follows:

(Continued on page 775.)

REPORT OF CASIMIR F. SHEA, DIRECTOR OF FINE ARTS, ON ATTENDANCE AT NATIONAL ART EDUCATION ASSOCIATION CONFERENCE IN ST. LOUIS, APRIL 7 TO 11, INCLUSIVE.

The following is the report of Casimir F. Shea on attendance at the National Art Education Association Conference:

BOSTON, May 1, 1953.

DR. DENNIS C. HALEY,
Superintendent of Public Schools.

I wish to express appreciation for the opportunity granted me to attend the Second Biennial Conference of the National Art Education Association held at St. Louis, Missouri, April 8 to 11, 1953.

Art directors of cities of over 200,000 population met as a group to discuss problems of administration and to review the progress of art in the elemen-

(Continued on page 776.)

Financial Situation.

During the course of my talk last week I made reference to the controlling elements which affect the Boston financial situation and the Boston tax rate. I made reference to the inflationary spiral which has increased municipal costs to a marked degree. I called attention to losses in taxable valuations over the past twenty-three years, amounting to a 21 per cent loss during that period of time. I pointed out that during this same period of time exempt properties in our city had increased to the tune of 55 per cent.

I highlighted, to some extent, the ever-increasing burden which the MTA means to Boston, which, in 1953, represents over \$5 on the tax rate. I explained that the total expenditures of the municipal government, for all purposes, would be approximately \$150,000,000 in 1953, and that of this amount only half is under the direct control of the Mayor. I called attention to various economies made by me which by one fell stroke were wiped out by greater deficits in MTA operation. In short, I attempted to give an honest picture of Boston's situation, which, in my opinion, calls for a new conception of Boston's needs if our city is to continue to render the same type of service to its population, and if it is to continue to be the healthy center of a great metropolitan area.

New Business in Boston.

I emphasized the difficulty in obtaining new business in Boston, which, because of lower tax rates and tax concessions, finds haven in other large cities. In Boston the local tax burden is carried by the owners of real estate to the extent of 70 per cent. The average in all of the other cities in America is 50 per cent.

I also emphasized the reason that this national average is lower than it is in Boston, with a consequent lower tax rate, is simply because these other large cities, our natural competitors, have taxes which are not available to the City of Boston. I expressed my view that these other large cities are not operated more efficiently or more economically than the City of Boston, and that if Boston had at its disposal the proceeds of a payroll tax, a sales tax, or numerous other taxes at the disposal of other cities, our tax rate would be no higher, and in many cases lower, than the tax rate of other large cities in the country.

(Continued on page 776.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean;
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion."
From Boston Centennial Poem by
NATHAN HASKELL DOLE.

STREET AGENCIES.

Old South News Stand, Old South entrance to subway.
Also News Stand, first floor, City Hall Annex.

Advertising.

A rate of \$4 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must be in hand by 5 P.M. Wednesday of each week to insure its publication in the Saturday issue.

MUNICIPAL CALENDAR.

Meeting of the City Council, Monday, June 22, at 2 P.M.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To the BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments of streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in public streets; the making of specific repairs in public streets; the naming of

public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles, and posts for telephone, telegraph, street railways or illuminating purposes, signs, marquees, bay windows, coal holes, and vaults.

To the BOSTON TRAFFIC COMMISSION, 112 Southampton street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads, and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To the COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting, and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges, and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To the HEALTH DEPARTMENT, Haymarket Square, for information relative to the inspection of milk, vinegar, meat, fish, and vegetables, the issuance of permits for stables, slaughterhouses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To the BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth Avenue, Back Bay Fens, Marine Park, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made to this department for information

regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mount Hope, Evergreen, Fairview, and other public cemeteries owned by the City of Boston.

To the SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

To the DEPARTMENT OF SCHOOL BUILDINGS, 28 Norman street, for information as to the construction and repair of school buildings.

To the BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal, or tearing down buildings.

To the STATISTICS DEPARTMENT, 63 City Hall, for historical, geographical, political, and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To the ELECTRICAL INSPECTION DIVISION OF THE FIRE DEPARTMENT, 115 Southampton street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 808, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To the BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending June 5, 1953.

Population as of July, 1952, Massachusetts State Census, 817,713; population estimated July, 1951, United States Census Bureau, 801,441; number of deaths (stillbirths excluded). Residents, 173; non-residents, 72; total, 245.

Death rate per 1,000 of population: All deaths, 15.94; nonresidents deducted, 11.39.

Death rate per 1,000 of population:

Last week, 11.39; corresponding week last year, 13.66.

Deaths by age periods, sex, etc.: Under one year, 15; one year to four years, inclusive, 3; sixty years and over, 149. Total deaths: Male, 145; female, 100; deaths in hospitals and institutions, 181.

REPORTABLE DISEASES: CASES AND DEATHS.*

NEW SCHEDULE OF COMPENSATION FOR POLICE.

(Continued from page 773.)

CITY OF BOSTON POLICE DEPARTMENT COMPENSATION PLAN.

Rule 1. *Pay Schedule.* Until otherwise provided, the pay schedule of the police force of the Boston Police Department shall be as follows:

OFFICE	I	II	III	IV	V
<i>Group A.</i>					
Patrolman	\$3,540	\$3,690	\$3,900	\$4,000	\$4,160
A Patrolman (Supervisor of Stables) shall receive \$200, and a Patrolman (Radio Operator) shall receive \$300, in excess of the salary to which he would otherwise be entitled under this plan.					
<i>Group B.</i>					
Detective (Third Grade)	\$4,200	—	—	\$4,300	\$4,460
Detective (Second Grade)	4,300	—	—	4,400	4,560
Detective (First Grade)	4,400	—	—	4,500	4,660
Sergeant	4,520	—	—	4,730	4,940
Sergeant (Assistant Chief Radio Operator)	4,820	—	—	5,030	5,240
Sergeant (Detective)	4,820	—	—	5,030	5,240
Lieutenant	5,150	—	—	5,360	5,620
Lieutenant (Detective)	5,450	—	—	5,660	5,920
Lieutenant (Harbor Master)	6,140	—	—	6,400	6,660
Lieutenant (Automotive Equipment Supervisor)	6,140	—	—	6,400	6,660
Captain	6,140	—	—	6,400	6,660
Captain (Chief Clerk)	6,440	—	—	6,700	6,960
<i>Group C.</i>					
Deputy Superintendent	7,500	—	—	—	—

Each amount above stated shall be increased by \$25 in the case of the holder of a department medal.

Rule 2. *Starting Salary.* Every person shall, upon appointment to any of the foregoing offices, be compensated at the rate respectively set against such office in Column I, except that a person appointed to an office in Group B who has completed ten or more, but less than twenty, years of service on the police force of the Boston Police Department shall, upon appointment, be compensated at the rate set against his office in Column V.

Rule 3. *Step-Rate Increments.* A patrolman shall, effective the first Wednesday of the calendar month next succeeding the calendar month in which he completes his first year of service in the office, be advanced to the rate specified in Column II, and, effective the first Wednesday of the calendar month next succeeding the calendar month in which he completes his second year of service in the office, be advanced to the rate specified in Column III.

Rule 4. *Longevity Increments.* Every person, other than a deputy superintendent, shall, effective the first Wednesday of the calendar month next succeeding the calendar month in which he completes ten years of service on the police force of the Boston Police Department, be advanced to the rate set against his office in Column IV, and, effective the first Wednesday of the calendar month next succeeding the calendar month in which he completes twenty years of service on said police force, be advanced to the rate set against his office in Column V.

Rule 5. *Computation of Service.* Only service on the police force of the Boston Police Department shall be included in computing length of service, except that all leaves of absence for mil-

tary service terminating with the reinstatement or re-employment of the person on the police force of the Boston Police Department shall be so included. A reappointment to, or reinstatement on, said police force shall be treated as if the prior service on said police force had been performed immediately prior to the reappointment or reinstatement.

Rule 6. *Initial Adjustment to Foregoing Compensation Plan.* Existing salaries shall be adjusted as of April 1, 1953, to the compensation plan contained in the foregoing five rules so that every person now serving on the police force of the Boston Police Department shall, for service rendered on and after said April 1, 1953, be compensated as if said five rules had been in force continuously since his appointment to said force; provided, however, that if such adjustment would result in a salary increase of more than \$9.58 on a weekly basis, such adjustment shall not be made, but an increase equivalent to \$9.58 on a weekly basis shall be given in lieu thereof; and, provided, further, that in case any increment accruing in the year 1953 would, when added to such adjustment, result in a total salary increase in said year of more than \$9.58 on a weekly basis, so much only of said increment as will not cause such increase to exceed said \$9.58 shall be given. Any person whose salary, because of either of the provisos contained in the preceding sentence, is not fully adjusted to the compensation plan contained in the foregoing five rules, shall receive annually on the first Wednesday in April, beginning with the year 1954, a salary increase equivalent on a weekly basis to \$9.58 (or such part thereof as may be necessary) until he reaches the rate to which said plan entitles him.

THOMAS F. SULLIVAN,
Police Commissioner
of the City of Boston.

REPORT OF CASIMIR F. SHEA
ON ATTENDANCE AT ART
CONFERENCE.

(Continued from page 773.)

tary, junior high, and high schools of the United States. Large cities seem to have similar problems, and the one causing gravest concern is that of high school art. The need for an adjustment of credit in order to meet the demands of colleges regarding entrance requirements is generally accepted, and it is hoped that school authorities will co-operate in an effort to make it possible for students to continue with their art training, even though they are preparing to enter college. Art in the elementary and junior high school levels is flourishing, with an ever-increasing number of children enjoying drawing and painting. Also, there is a general appreciation and understanding of its place in the school curriculum being manifested by leaders in the field of education.

The convention exhibits were excellent and included a showing of children's art work from many foreign countries, in addition to our own. This exhibit is known as the International School Art Program and is sponsored by the Junior Red Cross. Art workshops were conducted, at which attending visitors were able to see professional artists working with new materials and to participate personally if they were so inclined.

Discussion groups met to discuss old and new problems in art education. These group meetings were conducted by art leaders from all sections of the United States and were inspirational and instructive to the large number of people attending them.

Speakers at general meetings included Thomas Hopkins, of Columbia University, whose topic was "Building Human Values." W. Reid Hastie, from the University of Minnesota, and Harold Taylor, President of Sarah Lawrence College, were outstanding speakers at other meetings.

A reception was tendered to visitors by the St. Louis Teachers' Art Club at the St. Louis Art Museum. This museum is one of the fine museums of the United States and contains many art treasures. It is set in beautiful Forest Park, which contains, in addition to the Art Museum, a civic theater, a zoo, many community buildings and memorials.

The National Art Education meeting at St. Louis was a success both as to large attendance and the interesting and inspirational programs offered. It was a privilege to be able to attend this conference and to participate in the meetings, workshops, and discussions, and the opportunity to do so was thoroughly appreciated by me.

Sincerely yours,

CASIMIR F. SHEA,
Director.

TRAFFIC COMMISSION RULINGS.

Voted. That as urgently required by considerations of public safety and convenience, during the period of removal of an antenna from the roof of the Laboratory for Electronics Building, vehicles are excluded from the following street, from 7 a.m. to 1 p.m., on Wednesday, June 10, 1953:

Pitts Street, Boston Proper.
From Merrimac street to South Margin street.

MAYOR HYNES DISCUSSES BOSTON'S TAX PROBLEMS ON TELEVISION.

(Continued from page 775.)

During my talk last week I invited letters to be sent me relative to my discussion. In response to that request I have received some very interesting responses, and some very interesting questions. I am happy to say that almost every one of these letters discloses an understanding of the basic problems affecting the City of Boston. Let me now read some of the questions propounded and my answers to as many of those questions as time will permit. For obvious reasons I will not disclose the names of the persons who transmitted the letters to me.

ABOUT FIREMEN'S PAY.

First is a letter from a lady in West Roxbury who says: "I have been listening to radio broadcasts which are sponsored by the Fire Fighters' Local and which infer that Boston is miserly with respect to the salaries paid to firemen. Is that so? I always supposed that our firemen were fairly well paid."

Answer: While it is true that some cities pay fire fighters more than Boston, it is also true that all things being considered—hours of labor, vacation and sick allowances, uniform allowances, holidays with pay, and other so-called fringe benefits—few cities in the United States are more generous than Boston, and most of them less generous. The salaries paid to fire fighters in our city must be governed by the amount of money at our disposal and by the effect such salaries will have on the general pay scales of all other employees.

Next is a letter from a gentleman in Charlestown in which he says: "Why don't you increase the parking meter fees to 25 cents an hour and thus get more revenue and keep all-day parkers off the streets?"

Answer: We cannot increase the present parking meter fee without running into constitutional troubles. Theoretically and legally we can only charge a fee which is commensurate with the cost of upkeep of meters. We cannot charge a greater fee, for, if we did, it would cease to be a fee and become a tax. Only the Legislature could give Boston the right to establish a charge for parking meter fees which would in reality be a tax.

Here is a letter I have received from the wife of a veteran of World War II. She asks: "Why couldn't a salary tax of 1 per cent be levied on every person working in Boston and living outside? Or why could not a 1 cent sales tax be placed on every bottle of liquor and on cigarettes and cosmetics? After all, New York has these sales taxes. Why wouldn't it be successful in Boston?"

SALES TAX PROBLEM.

Answer: Boston has no authority in and of itself to inaugurate either a sales tax or a payroll tax. Only the Legislature can give that authority. And may I say that a sales or payroll tax which is applicable to Boston alone would not be satisfactory. Boston, being such a small city in area, and being surrounded by other cities and towns, would not profit greatly by a sales tax in effect in our city. Any sales tax or payroll tax to be of any real benefit must, of necessity, be state wide.

Here's a letter from a gentleman from Dorchester. "I have read in the news-

papers that some cities and towns in Massachusetts are reducing their tax rates, and I cannot understand why the Boston tax rate must go up in view of what is happening in some other cities and towns. How do you explain this?"

Answer: No other city or town in Massachusetts is like Boston. Our city is the core of a metropolitan area, with a nighttime population of 800,000, but with a daytime population of 1,500,000. We must, of necessity, maintain a city to accommodate this large amount of people.

Other cities and towns can arrive at a lower tax rate by various methods. First, by the expedient of raising property valuations. Second, by obtaining new industries—one new industry often makes the difference between a high and low rate. Third, many cities and towns do not begin to render the amount of service rendered in Boston, and I cite as a glowing example the Boston Sanatorium for tubercular patients, which is maintained by the City of Boston at a yearly expense of \$2,500,000. No other city or town in the Commonwealth maintains such a hospital, and I am unaware that any other city in the United States maintains a hospital such as the one we maintain in Mattapan. Fourth, most of the other cities and towns in the Commonwealth do not have an MTA problem to cope with, and as I have already pointed out, the current charges for MTA mean over \$5 on the tax rate of the City of Boston.

OTHER CITIES AND TOWNS AND MTA.

Here is a letter from a lady in Roslindale. "There is a good deal of talk about the MTA and the deficit costs which are carried by the fourteen cities and towns in the MTA district. Other cities and towns outside the MTA also use the MTA. Why don't you make these other cities and towns bear some part of the cost?"

Answer: It is a fact that the cities and towns beyond the MTA district make use of the facilities of the MTA, especially on stormy days. One of the basic problems of the MTA is to maintain a service which can meet the peak demands of morning and evening and the extra load which is thrown upon the MTA during inclement weather. It has been my contention for some time that the fringe cities and towns outside the MTA district should be willing to pay some proportion of the MTA deficit. I have endeavored to get legislation approved to that effect but have not been successful. I shall once again introduce such legislation at the next session of the Legislature.

This letter from an East Boston resident wants to know what amount of money we get from the housing projects in the city.

Answer: In Boston we have eight low-income projects, housing 5,000 families. In order that these projects may be low income, they must, of necessity, be tax exempt. The amount of money we receive annually from these projects is equal to about 14 per cent of the full tax payment which would be made if these properties were valued in the usual way.

With regard to the housing projects built and paid for by the City of Boston itself, the city receives no direct payment, but will eventually recover approximately 60 per cent of the original expenditure when the houses are sold.

Public housing in Boston has made a considerable dent in the housing shortage which was so acute a few years ago.

At the completion of the projects which are now under way in South Boston, Roxbury, and Dorchester, I believe the City of Boston should take a breathing spell and plan no further public housing projects unless conditions materially change.

I have a question from a gentleman from Allston who wants to know why we do not adopt a hotel room tax such as is in effect in New York City and Atlantic City.

SPOIL HOTEL BUSINESS.

Answer: This tax has been before the Legislature on several occasions and has been defeated. In order to be of any great benefit to the City of Boston the tax would have to be a severe tax, and in my opinion such a tax would have a depressing effect upon the hotel business in our city and the convention business in our city. At any rate, a hotel room tax would not bring in a return to the city sufficient to have any great effect on the tax rate.

This question is asked by a gentleman from Roxbury who inquires about the use of unused real estate owned by the city and suggests that such real estate be leased by the city, giving the tenant the right to purchase anytime during the period of the lease.

Answer: We have very little real estate of leaseable value. We have various pieces of real estate which have come to the city by reason of foreclosure because of failure to pay taxes. These properties can be bought very reasonably, and usually for a great deal less than the valuation. I would suggest that anyone who is interested in these properties visit the Board of Real Estate Commissioners, City Hall, or write to that Board, and a list of these properties will be sent.

May I again reiterate what I said last week. To get the Boston tax rate down to a figure, let us say, of \$50 per thousand of valuation would mean a reduction of 50 per cent in all city expenditures, including hospitals, schools, welfare, public works, parks, etc. Obviously, the Mayor cannot readily accomplish any such reduction, and especially in view of the fact that 50 per cent of the total expenditures are beyond his control.

Another alternative mentioned by me last week was the formation of a Greater Boston type of government, but, from all appearances, the establishment of such a federation is still some time away.

NEEDS BROADER TAX BASE.

The third alternative, and perhaps the most logical and practical one, is to give Boston a broader tax base, which means new and substantial sources of income similar to those received by other large cities in our nation.

In my talk last week I said I would request the Governor to appoint a commission to make a special study of Boston's financial needs. My only purpose in requesting the Governor to appoint such a commission was that the recommendations of a state-appointed commission might have greater weight than the recommendations of a city-appointed commission. However, no matter whether the Governor appoints the committee or I appoint the committee, such a committee will be appointed, and I hope for the future stability and good of Boston that its recommendations will be given impartial, unpolitical consideration.

Boston's well-being is not a political issue. It is an economic issue which affects, either directly or indirectly, the vast majority of the people in our Com-

monwealth. We cannot have a sick Boston and a healthy state. Certainly, not for very long.

Beginning in the fall, I intend to make monthly television reports of the various and particular functions of the Boston city government. I hope, by these telecasts, to keep the people of Boston abreast of what is transpiring in every branch of the city government. I believe if our people know what is going on, and have a general picture of the important fundamental problems of our city government, we will be on the road to a better Boston of the future.

May I now, once again, thank the officials of WBZ-TV for the time allotted me last Monday night and also tonight. I am most grateful.

Thank you for listening, and good night.

PERTINENT QUESTIONS ANSWERED.

Q. What can be done to eliminate the cost to the city of the expenses of running the courts, jails, and other activities of the County of Suffolk, which includes Chelsea, Revere, and Winthrop?

A. The question of eliminating the costs of running Suffolk County has been the subject of legislation for the past twenty-five years. For reasons which I cannot fully explain, this legislation was never enacted, and there seems to be no disposition on the part of the Legislature to make any change in the existing arrangement. I would gladly advance that kind of legislation once again, but I know beforehand that it would meet with failure.

Q. Why don't you collect taxes from the MTA, which has so much valuable property scattered all over the City of Boston?

A. Up until 1949 the city collected taxes from the MTA to the extent of \$1,000,000. In the reorganization statute passed by the Legislature that year the MTA is exempted from payment of real estate taxes to any of the cities and towns in the metropolitan district. The only way this tax could be restored to the cities and towns is by rescinding that act of the Legislature—a most difficult thing to do.

Q. Last week you explained the tremendous increase in nontaxable property in the City of Boston. How much of this is property taken over by the federal government? Further, is anything being done to try to get back from the federal government some of the tax money it deprives cities of when it takes over office buildings and land for military and other purposes?

A. Federal property in the City of Boston now represents 5½ per cent, or \$127,000,000, of our total real estate valuation. The Mayors of the United States as a group have filed legislation in the last two sessions of Congress to get back some of the money this represents, but no action has been taken on such legislation.

Q. Why doesn't the School Committee save money by closing or consolidating schools in those parts of the city where the population has shifted so that the present population doesn't warrant separate schools? What has become of the recent study of this problem by some experts over at Harvard?

A. Consolidation of schools is a matter now under consideration by the Boston School Committee. I am strongly in favor of such a move, for at the present time many schools, including high schools, are not more than half filled with pupils.

Obviously, the Boston School Committee should not permit this condition to continue.

Q. Why hasn't the City of Boston constructed incinerators, which would reduce the cost of hauling and disposal of trash and garbage?

A. Boston is now on the eve of constructing its first incinerator. As a matter of fact, I leave tomorrow for Atlanta, Georgia, to view a modern incinerator in that city. Later in the month I intend to go to New York State to look at other types of incinerators. We hope to have the first incinerator under construction in Boston by the end of this year.

Q. Is it true that, because of high taxes, Jordan Marsh will never complete the building of its new department store? A. Cannot give positive answer to this question. I do know, however, the high tax rate has been a factor in causing deferment of the building program. I also understand that the tax rate will have considerable bearing on the full completion of the job. As far as I know it has not been abandoned.

Q. Why does not the City of Boston construct and repair its own streets as Cambridge does?

A. The City of Boston and the Boston Finance Commission determined long ago that the construction and repair of streets and the removal of ashes and garbage could be done more efficiently and more economically by contract labor than by permanent city forces. There has been no reason to change our views on this particular problem. In addition, no valid comparison can be made between Boston and Cambridge, which is only one eighth the size of Boston and requires a comparatively small force to construct and repair its streets.

Q. Why doesn't the City of Boston just go ahead and establish a tax on those who work in the city but live outside of it? Isn't that what Philadelphia does—a city that is competing with us for new business?

A. The City of Boston does not have the authority to introduce a payroll tax, or, in fact, any tax. Such authority rests alone with the Legislature. Philadelphia does have a payroll tax, which brings into its treasury more than \$4,000,000, which enables that city to have a tax rate much lower than we have here in Boston.

Q. How far have you gone in putting into effect the recommendations of the \$150,000 efficiency and economy study of the Boston Finance Commission?

A. We have adopted about 50 per cent of the recommendations proposed in the \$150,000 efficiency and economy study of the Boston Finance Commission. The great bulk of the remaining recommendations must await the pending reorganization of city departments. That reorganization, which has recently been authorized by the Legislature, will be sent to the Boston City Council for approval sometime in the next few months.

Q. How much income do you estimate the City of Boston has lost from taxable property destroyed to make way for the Central Artery?

A. When completed through the city the Central Artery will have caused a loss of tax valuations from the sidewalk \$15,000,000 to \$20,000,000. The sad part of this is that we don't know when, if ever, the city will get such taxes back. Q. Can something be done to relieve the aged who can no longer work of the

burden of some of the taxes on single homes they live in?

A. Recipients of Old Age Assistance may now petition the Board of Assessors for tax relief. The Board has discretionary powers in the matter, and, if it feels that such relief is reasonable, takes the proper action. Recipients of welfare are given sufficient funds in their welfare budgets to pay a certain share of the taxes on their homes.

Q. If we continue to lose old business and are unable to attract new business, eventually the small home owner will have to carry even more of the cost of government than he does now. How much of the income from real estate comes from business and how much from the individual home owner in Boston at the present time?

A. Real estate valuations in the City of Boston total \$1,573,516,000. Real estate valuations in Wards 3, 4 and 5—our three downtown wards—total \$836,940,200. In other words, three downtown wards where most business is located carry one half of the real estate burden, or as much as nineteen other so-called residential wards in the city put together.

DECLARATION HONORING AMERICAN GUILD OF VARIETY ARTISTS IN BOSTON FOR CONVENTION.

Whereas, It is common knowledge performers of the theatrical profession are always giving freely of their services to charitable causes and for entertainment of the general public at large; and

Whereas, The American Guild of Variety Artists of the United States and Canada are holding their Sixth National Convention at the Bradford Hotel, commencing June 9; and

Whereas, The City of Boston will be honored with the presence of numerous outstanding performers and artists throughout the United States and Canada who will be delegates to the convention; now, therefore,

I, John B. Hynes, Mayor of the City of Boston, do hereby declare that the week of June 9 to 16 to be set aside in honor of the American Guild of Variety Artists and their 70,000 members throughout the United States and the Dominion of Canada, to be known as "National AGVA Week," and I urge the citizens of Boston to extend a most hospitable welcome to these distinguished visitors.

Respectfully,

JOHN B. HYNES, Mayor.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

A sanitary sewer of 145 linear feet of 30-inch pipe in Harvard street, between Albany street and Hudson street, in the Boston Proper district, at an estimated cost of \$8,500.

A catch basin and connection in Dana street at northeast corner of Dana place and one manhole on existing 12-inch pipe sanitary drain in Dana place, in the Roxbury district, at an estimated cost of \$1,400.

BUILDING DEPARTMENT.

PERMITS GRANTED BY THE BUILDING COMMISSIONER TO ERECT OR ALTER BUILDINGS OR STRUCTURES FOR THE WEEK ENDING JUNE 9.

OWNER.	Location.	Ward.	Nature.	Estimated Cost.

MAYOR SUBMITS RENT CONTROL ACT TO COUNCIL.

To the City Council.

GENTLEMEN:

I submit herewith an order for the acceptance of chapter 454 of the Acts of 1953, entitled "An Act Relative to Rent Control."

While the extension of rent control is of debatable virtue, nevertheless, it is a fact that there continues to be a shortage of rental housing in the City of Boston, and for that reason, and until that shortage is ameliorated, rent control in Boston should be exercised.

I call to the attention of your Honorable Body that chapter 454 of the Acts of 1953, if accepted, will be effective until June 30, 1954, and may be further extended for a period of nine months beyond that date. There is a provision in chapter 454 that your acceptance of the act may be rescinded at any time.

Herewith I transmit a copy of the rent control act, together with a digest thereof, for your information.

I respectfully recommend adoption of the accompanying order.

Respectfully,

JOHN B. HYNES, Mayor.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of city employees have been made:

Remarks.

Grainger-Rush Company.—Prices are firm. Items 1 to 4 must be ordered as a group. Reel prices to be refunded when reels are returned to the factory in good condition within 12 months. Freight collect.

Allied Electrical Supply.—Quotation for acceptance within 30 days. If an order is received it will be invoiced at the prices in effect on the date of shipment, but at no greater increase than 10 per cent of the original prices.

United States Rubber Company.—Items and 4, quoting water repellent jute. In the event an order is placed with us, the material will be billed at prices quoted at time of accepting order, subject to adjustment of all raw material cost and labor rates at time of shipment. Quoting escalator clause with a maximum escalation of 10 per cent. Delivery is given as tentative. Reels extra, returnable rail freight collect to our Bristol, R. I., plant for credit.

Okonite Company.—Firm prices. F.o.b. factory, Wilkes-Barre, Pa., with carload freight allowed to 112 Southampton street, Roxbury, including return freight on empty reels.

Westinghouse Electric Supply Company.—Items 3 and 4, quoting on water repellent jute. Delivery given is tentative. Reels extra and returnable freight collect. Full credit issued on return of same in good condition within one year. Prices quoted are based on current prices and are subject to change. We reserve the right to bill at market prices that we may have in effect at the time shipment is made.

Graybar Electric Company.—Collyer, firm price for immediate acceptance. Reels returnable for full credit under standard warranty. Alternate, United States Rubber, price in effect at time of shipment, not to exceed 10 per cent of quoted prices. Items 3 and 4, water repellent jute.

Simplex Wire & Cable Company.—Quotation for acceptance within 30 days. Order will be invoiced at the prices in effect on the date of shipment, but at no greater increase than 10 per cent of the original prices.

Phelps Dodge.—Prices quoted are those in effect today. Material, when shipped, will be billed at our prices in effect on days on which shipments are made, however, in no case will the invoice prices exceed the contract prices by more than 10 per cent. Exception is taken to paragraph "C" appearing under the title Price Basis appearing in city's inquiry. F.o.b. factory, Yonkers, N. Y., including the cost of returnable reels with freight allowed to Boston, and return freight on the empty cable reels.

* Contract awarded.

Upon June 5 the Mayor approved a contract with the Boston Ice Company for furnishing ice to the Water Division of the Public Works Department. There was but one bid opened on May 25, as follows:

Approximate total amount of contract \$5,850, net.

650 Tons Ice for Drinking Fountains, List of Drinking Fountains To Be Iced Attached to Proposal, Per Ton—Boston Ice Company, \$9, total, \$5,850.

Upon May 28 the Mayor approved a contract with lowest bidders as indicated for furnishing fire hose to the Fire Department. Approximate total amounts of contracts were as follows:

Boston Woven Hose & Rubber Company, \$21,230, less 2 per cent discount, time of payment; Eureka Fire Hose, Division of United States Rubber Company, \$3,443, less 2 per cent discount, time of payment.

Bids, opened May 19, were as follows:

Fire Hose.

Item 1, 15,000 Feet of 2½-Inch Double-Jacketed, Cotton Rubber Lined Fire Hose, Equipped with Pin Lug Type Brass Couplings, N.S.T. (7½ Threads Per Inch), Per B. F. D. Specifications, Per Foot—Joseph T. Gorham, \$1.01; Eureka Fire Hose, 99.7 cents; American Fire Equipment Company, \$1.02; American-LaFrance-Foamite Corporation, \$1.116, with underwriters' label; Hope Rubber Company, \$1.14; Boston Woven Hose & Rubber Company, 99.5 cents*; General Detroit Corporation, \$1.11 ("Quick-Aid" Brand Underwriters Labeled, 400-pound test).

Item 2, 3,000 Feet of 3-Inch Double-Jacketed, Cotton Rubber Lined Fire Hose, Equipped with Pin Lug Type Brass Couplings, N.S.T., As Per B. F. D. Specifications, Per Foot—Joseph T. Gorham, \$2; Eureka Fire Hose, \$1.717; American Fire Equipment Company, \$1.77; American-LaFrance-Foamite Corporation, \$2.29, without underwriters' label; Hope Rubber Company, \$1.73; Boston Woven Hose & Rubber Company, \$1.65; General Detroit Corporation, \$1.685 ("Quick-Aid" Brand Underwriters Labeled, 400-pound test).

Item 3, 5,500 Feet of 1½-Inch Double-Jacketed, Cotton Rubber Lined Fire Hose, Equipped with Pin Lug Type Brass Couplings, N.S.T., Underwriters' Label, Per Foot—Joseph T. Gorham, 64 cents; Eureka Fire Hose, 62.6 cents*; American Fire Equipment Company, 68.4 cents; American-LaFrance-Foamite Corporation, 82.4 cents, with underwriters' label; Hope Rubber Company, 72 cents; Boston

Woven Hose & Rubber Company, 68 cents; General Detroit Corporation, 74.5 cents.

Item 4. 5,000 Feet of $\frac{3}{4}$ -Inch Chemical Engine Hose, Equipped with $\frac{3}{4}$ -Inch Brass Couplings, Boston Fire Department Standard, Underwriters' Label (Wrapped Construction), 4-Ply or Better, 400-Pound Test, Per Foot.—Joseph T. Gorham, 51 cents; American Fire Equipment Company, 55.4 cents; Eureka Fire Hose, 47.9 cents; Hope Rubber Company, 51 cents; Boston Woven Hose & Rubber Company, 47 cents; General Detroit Corporation, 51.7 cents, with brass eye hole couplings, 4-ply.

Discount.—Joseph T. Gorham, 2 per cent, time of payment; American Fire Equipment Company, 2 per cent, time of payment; Eureka Fire Hose, 2 per cent, time of payment; American-LaFrance-Foamite Corporation, 2 per cent, time of payment; Hope Rubber Company, 2 per cent, time of payment; Boston Woven Hose & Rubber Company, 2 per cent, time of payment; General Detroit Corporation, net, 30 days.

Delivery.—Joseph T. Gorham, Items 1 and 3, 7 to 10 days, Items 2 and 4, 3 to 4 weeks; American Fire Equipment Company, partial, 21 days; complete, 45 days; Eureka Fire Hose, complete shipment in 60 days; American-LaFrance-Foamite Corporation, 30 to 40 days; Hope Rubber Company, start in 4 weeks, complete in 90 days; Boston Woven Hose & Rubber Company, Item 1, 30 days; Item 3, 2 to 3 weeks, Item 2, 3 weeks; Item 4, 30 days; General Detroit Corporation, start in 30 days, complete in 60 days.

Remarks.—Eureka Fire Hose, all hose offered herewith will bear underwriters' label; 2 cents per foot allowed if label not required; American-LaFrance-Foamite Corporation, Item 2, without underwriters' label; our 3-inch hose is definitely superior to underwriters' hose, therefore, it is not offered with label; General Detroit Corporation, prices bid will remain firm for 30 days after May 19, 1953, if awarded order within that time, prices will remain firm for life of contract.

* Contract awarded.

Upon June 5 the Mayor approved a contract with the lowest bidders as indicated for furnishing bedding to the Sanatorium Division. Approximate total amounts of contracts were as follows:

Frank J. Reardon, doing business as Frank J. Reardon Company, \$1,947.50, less 2 per cent discount, time of payment; John J. McCarthy, doing business as McCarthy Brothers, \$1,206.70, net.

Bids, opened April 21, were as follows:

Requisition No. 301, Beds for Employees. (Delivery Wanted Before June 15, 1953.)

Item 1. 15 Metal Beds, Mahogany or Walnut Finish, As Per Specifications, Each.—John J. McCarthy, \$49.78, net, see Remarks; Frank J. Reardon, \$44.75, net, innerspring mattress, 6-ounce ticking; Rogers Foam Rubber Company, \$68.09.

Requisition No. 310.

(Delivery Wanted May 15, 1953.)

Item 2. 50 Airfoam Rubber Mattresses, $4\frac{1}{2}$ Inches x 36 Inches x 76 Inches, 8-Ounce Ticking, With Zipper Covers (for Patients), Each.—E. F. Mahady Company, \$41. Dunlop; John McCarthy, \$40.90, net, see Remarks; New England Hotel Furnishing Company, \$51.90, see Remarks; Frank J. Reardon, \$38.95, Dunlop, sanforized*; Rogers Foam Rubber Company, \$42.30; Roxbury Mattress Corporation, \$39.35; Henry D. Swartz,

Style 1, \$38.50, plain untaped foam rubber mattress, with nonsanforized tick cover, Style 2, \$39, taped edge foam rubber mattress, with nonsanforized tick cover, Style 3, \$39.50, taped edge foam rubber mattress, with sanforized tick cover, see Remarks.

Requisition No. 311.

(Delivery Wanted May 15, 1953.)

Item 3. 100 Airfoam Rubber Pillows, 21 Inches x 27 Inches x 5 Inches, with 6-Ounce Striped Ticking Covers, Each.—E. F. Mahady Company, \$5.25; John J. McCarthy, \$4.60, net, see Remarks; New England Hotel Furnishings Company, \$5.09; Frank J. Reardon, \$6.10; Dunlop; Rogers Foam Rubber Company, \$4.50, see Remarks; Roxbury Mattress Corporation, \$5.55; Henry D. Swartz, \$6.

Discount.—E. F. Mahady Company, 2 per cent, time of payment; John J. McCarthy, net; New England Hotel Furnishings Company, 2 per cent, time of payment; Frank J. Reardon, 2 per cent, time of payment; Rogers Foam Rubber Company, 2 per cent, time of payment; Roxbury Mattress Corporation, 2 per cent, time of payment; Henry D. Swartz, 2 per cent, time of payment.

Remarks.—John J. McCarthy, Item 1, mattresses to have prebuilt borders; Item 2, Goodyear "Airfoam" mattresses; Item 3, can supply another pillow, of a different manufacturer, at \$5.38 each, total \$538, net; New England Hotel Furnishings Company, quotation is based on Firestone Institutional and Hospital filler and is not to be confused with retail or promotional filler; Rogers Foam Rubber Company, Item 3, based on standard sized pillow, 15 $\frac{1}{2}$ inches x 24 inches x 5 $\frac{1}{2}$ inches, molded in one piece; it is possible to furnish a pillow filled with shredded airfoam, 21 inches x 27 inches x 5 inches, for \$2.75 each; this can be considered an alternate bid on the above basis; Roxbury Mattress Corporation, airfoam rubber pillow, 18 $\frac{1}{2}$ x 25 x 5, at \$5.85 each; Henry D. Swartz, Item 2, all three styles are all Dunlop foam rubber; it is my opinion that the taped edge mattress with sanforized tick (Style 3) is the best available mattress for the interests of the City of Boston; the life of the foam rubber is prolonged by taping the edges and sanforizing the tick insures longer service of the cover. See specifications attached to proposal.

* Contract awarded.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with commercial houses, contractors, etc., for furnishing labor and supplies. Communications from heads of the departments interested were as follows:

HOSPITAL DEPARTMENT.

Boston, June 5, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR Mr. Mayor:

On March 16, 1953, your Honor approved my letter of March 13, 1953, requesting authorization for the award of a contract to Westinghouse Electric Corporation, 10 Oliver street, Boston, Mass., for maintenance of four A. B. see elevators at the Boston City Hospital, to cover the period April 1, 1953, to March 31, 1954, inclusive, at a monthly rate of \$234, the total cost not to exceed \$2,808.

On behalf of the Board of Trustees, I now wish to amend my earlier communication by asking your approval to

dispense with advertising and to execute the proposed contract for the period April 1, 1953, to March 31, 1954, with a new monthly rate of \$242.72, the total contract sum to be \$2,912.64.

The foregoing new monthly rate of \$242.72 represents a total increase in the contract cost of \$104.64. In addition the per hour rate for overtime work is to be increased from \$4.35 to \$4.54.

The explanation for the foregoing lies in the lifting of hitherto applicable federal controls and price ceilings and hence the contractor is now seeking these new monthly and overtime rates, which are in fact the precise rates at which the City of Boston could have required the contractor to perform these services under certain option provisions contained in the recently expired contract covering the period April 1, 1952, to March 31, 1953.

Furthermore, despite the increases, the proposed rates remain fair and reasonable and the Board is still of the opinion that public advertising would be of no avail.

Respectfully yours,

BOARD OF TRUSTEES, BOSTON CITY
HOSPITAL,
by RICHARD J. CONDON,
President.

Boston, June 5, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR Mr. Mayor:

On December 31, 1952, after publicly advertising for proposals for repairing north chimney, Boston City Hospital, a contract was awarded to W. E. Smith Company, Inc., 111 Terrace street, Roxbury, Mass., the lowest eligible bidder, in the sum of \$1,390, with an additional unit price of \$80 for furnishing and installing external reinforcing steel bands on the chimney if such bands were later deemed necessary by the chief engineer.

As the work has progressed it now appears that approximately 15 of these bands will be required in order to insure that the chimney will be placed in a safe and satisfactory condition. Therefore, your authorization is requested to dispense with further advertising and to amend the aforesaid contract by an additional sum of \$1,200, the total contract sum to be \$2,590, to allow and cover the cost of extra work involved in the furnishing and installing of these reinforcing bands as aforementioned.

It is understood that the contractor will be directed to install only the number necessary and will only be paid for the actual number furnished and installed at the unit price of \$80.

The Board is of the view that additional public advertising would be of little avail under the circumstances.

Respectfully yours,

BOARD OF TRUSTEES, BOSTON CITY
HOSPITAL,
by RICHARD J. CONDON,
President.

MAJOR'S OFFICE.

Boston, June 1, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

Authority is hereby requested to award contracts, without public advertisement,

for fireworks displays on July 4 or July 6, 1953, to the following companies:

Providence Fireworks Company, Pearl Fireworks Company, Rockland Fireworks Company.

These displays will be given at the following locations and at the following contract sums:

Columbus Park, South Boston, at a cost of \$1,250, to the Providence Fireworks Company.

Franklin Field, Dorchester, and Smith Field, Brighton, at a total cost of \$2,250, to the Pearl Fireworks Company.

Boston Common, at a cost of \$2,500, to the Rockland Fireworks Company.

These companies have proved by their performances in the past years that they are able to execute these fireworks displays in a safe manner. They employ trained pyrotechnicians who are under the direct supervision of the managers of these three companies. These companies are covered by insurance for personal and public liability.

Inasmuch as the nature of the skilled service involved and the quality of goods necessary for proper and safe fireworks displays are such as would be extremely difficult, if not impossible to obtain through public bidding, it is felt that no advantage will be gained by publicly advertising for proposals.

Very truly yours,

JOHN D. BROWN,

Director of Public Celebrations.

PENAL INSTITUTIONS DEPARTMENT.

Boston, May 22, 1953.

HON. JOHN B. HYNES,

Mayor of Boston.

DEAR SIR:

On May 20, 1953, your Honor approved my written request, dated May 19, 1953, to award a contract to the Aetna Electric Company of 391 Cambridge street, Allston, Mass., for an amount not to exceed two thousand dollars (\$2,000) to perform certain electrical work at the House of Correction, Deer Island.

In order to exactly conform with the requirements of the Acts of 1909, chapter 456, section 30, as amended, I now wish to amend my original award by specifically requesting your authorization to dispense with advertising in connection with the aforesaid contract.

Respectfully,

EDWARD L. FRIEL,

Penal Institutions Commissioner.

PUBLIC WORKS DEPARTMENT.

Boston, June 1, 1953.

To the Mayor of Boston.

A publicly advertised contract in the amount of \$2,108 was awarded under date of May 4, 1953, to the low bidder, N. Bevilacqua & Son, for rebuilding sewerage works in Washington street, at Oak square, Brighton; Breck avenue, Brighton; and Southampton street, Roxbury.

As the work has progressed, it was discovered that more sanitary sewer pipe had to be replaced than was anticipated or expected at the time the project was originally advertised, particularly in the Washington street, at Oak square, area. The cost of the extra sewerage work involved is not to exceed the sum of \$1,312.

N. Bevilacqua & Son was the lowest bidder as stated above and is willing to

perform the extra work at the same unit prices as set forth in the contract. In view of this fact, and as it is desirable to have the work completed as expeditiously as possible, it is felt that no advantage lies in publicly advertising for proposals for the extra work.

Therefore, your authorization is respectfully requested to dispense with advertising and to amend the aforesaid existing contract between N. Bevilacqua & Son and the City of Boston, by increasing certain of the several contract items in varying quantities as follows:

Item 1, 8 linear feet at \$4, \$32.

Item 4, 42 linear feet at \$5, \$210.

Item 10, 45 cubic yards at \$15, \$675.

Item 28, 1 ton at \$10, \$10.

Item 29, 35 cubic yards at \$3, \$105.

Item 33, 50 tons at \$3, \$150.

Item 37, 10 square yards at \$8, \$80.

Item 38, 5 square yards at \$10, \$50.

Also, your permission is similarly requested to further amend the said contract by increasing the original contract cost of \$2,108 by an amount not in excess of \$1,312, said increase being exclusive of any addition to the aforesaid estimated contract cost resulting from increases heretofore in the quantity of any of the contract items in accordance with the authority therefor contained in Article 3 of the contract.

Respectfully yours,

GEORGE G. HYLAND,

Commissioner of Public Works.

EXTENSION OF CONTRACTS.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with John F. Shea Company, Inc., for cleaning Davenport Brook Conduit, from Hallett street to Gallivan Boulevard and Magdala street, Dorchester, from April 7, 1953, to September 7, 1953. This extension was requested because of a difficulty in controlling the leakage of water into the conduit.

ADDITIONS TO AND DEDUCTIONS FROM CONTRACTS.

FIRE DEPARTMENT.

Approval has been given for the following addition to and deduction from the contract of Joseph Rugo, Inc., for the erection of a new fire station on Oliver street:

Addition No. 2.

Furnish labor and material to install concrete floor in crawl space to be used for storage purposes, 7,500 square feet involved, at a cost of \$2,062.50.

Furnish labor and material to stucco adjoining party walls on Hartford Street side of fire station which are in very rough condition, approximately 2,300 square feet involved together with 76 linear feet of concrete capping, at a cost of \$1,747.

Furnish labor and material to plaster over several exposed pipes in offices, toilet room, and large dormitory on second floor, at a cost of \$479.00.

Furnish labor and material to install permanent air compressor in basement and run air lines to four locations on main apparatus floor and one to chief's garage, at a cost of \$1,756.

Furnish labor and material to install two additional electrical fixtures over sliding poles and one fixture on landing of stair No. 1 for better visibility, at a cost of \$97.80.

Total of addition No. 2, \$6,111.20.

Deduction No. 2.

The following allowances in the contract will not be used:

Additional foundations and excavation, \$3,500; special hardware, \$1,200; additional metal shelving, \$1,000; allowing for a total deduction of \$5,700.

Original contract, \$365,258; additions Nos. 1 and 2, \$6,535.80; total with additions, \$371,793.80; less deductions Nos. 1 and 2, \$6,500; total contract with additions and deductions, \$365,293.80.

Although the additional work was not contemplated in the original contract, it is incidental thereto, and the total cost for the erection of the building is now only \$35.80 over the original contract price.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

S. J. Tomasello Corporation has been directed to perform the following extra work under the contract for bituminous concrete pavement in Ferncroft road, Keane road, Rustlewood road, Stearns road, and Woodard road, dated May 13, 1953:

In Rustlewood road, deliver 41.7 linear feet of new 6-inch straight edgestone to city yard, at Moreland street, at \$2.16 per linear foot. Cost of hauling will be paid for under Item 5-e of the contract.

In Rustlewood road and Ferncroft road, furnish and lay approximately 550 square feet of artificial stone driveways in Rustlewood road and approximately 550 square feet of artificial stone driveways in Ferncroft road at 60 cents per square foot. Estimated cost of extra work, \$750.07.

AMENDED DAMAGES.

The Mayor has approved the following votes of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of September 11, 1950, as amended, determining damages caused by the making of the public improvement consisting of the laying out of Roseglan road, formerly Rosewood road, be, and the same hereby is, amended, by adding to said order the amount \$450 as an award to Carl J. Baker; that the amount \$450 be, and the same hereby is, awarded to Carl J. Baker for the damages so sustained.

Voted, That the order of the Street Commissioners and Mayor of December 8, 1950, determining damages caused by the making of the public improvement consisting of the laying out of Pinewood street, Hyde Park, be, and the same hereby is, amended, by striking from said order the amount \$1 awarded to Henry W. and Elsa D. Magnussen in said order and inserting in place thereof the amount \$200; that the amount \$200 be, and the same hereby is, awarded to Henry W. and Elsa D. Magnussen for the damages so sustained.

CIVIL SERVICE EXAMINATIONS.

ARCHITECT, BOSTON CITY PLANNING BOARD, JULY 17, 1953.

Last date for filing applications, Friday, June 26, 1953.

Salary: \$90.50 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: To prepare preliminary project plan for specific locations of housing, commercial, industrial, civic, or other developments, applying planning data and architectural principles; to assist in the preparation of area or project redevelopment studies; by means of a sample survey, to assemble data on architectural details of structurally sound but obsolete buildings for the purpose of showing how they may be reconditioned and used in a rehabilitation scheme; to make rough estimates of costs of reconversion of old buildings or new developments; to prepare renderings and illustrations based on necessary research and data for presentation or display purposes; and to perform related work as required.

Entrance Requirements: Applicants must have at least five years of professional architectural experience, preferably in the field of site development and city planning. Substitutions: A master's degree in architecture from a recognized degree-granting school may be substituted for three years of the required experience, or a bachelor's degree in architecture from a recognized degree-granting school may be substituted for two years of the required experience.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

CONSTRUCTION OF MACDONALD STREET, HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the laying out and construction of MacDonald street, Hyde Park district, as a highway, from Bateman street to Hallron street, bounded and described as follows:

A highway named MacDonald street is hereby laid out, from Bateman street to Hallron street, and ordered constructed.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Westerly by Bateman street, 65.73 feet; northerly by the northerly line of MacDonald street as hereby laid out, by five measurements, 18.14 feet on a curve of 10 feet radius, 352.21 feet, 97.70 feet on a curve of 153.36 feet radius, 17.89 feet, and 25.13 feet on a curve of 16 feet radius; easterly by Hallron street, 72 feet; and southerly by the southerly line of MacDonald street as hereby laid out, by five measurements, 25.13 feet on a curve of 16 feet radius, 17.89 feet, 72.22 feet on a curve of 113.36 feet radius, 363.21 feet and 19.91 feet on a curve of 15 feet radius.

Trees or structures standing upon or affixed to the aforesaid land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, that this Board estimates that the abutting parcels of land situated on both sides of MacDonald street, from Bateman street to Hallron street, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan marked "City of Boston, MacDonald Street, Hyde Park, Assessment Plan, May 21, 1953, James W. Haley, Chief Engineer, Street Laying-Out Department," and on file in the office of said department.

Parcel.	Amount.
1. Frank J. and Mary E. Connell.	\$156 66
2. George J. and Dora M. Graves.	450 00
3. Helen M. Murphy.	450 00
4. Paul J. Carr.	450 00
5. Richard H. Doughty.	450 00

13. Arthur F. and Alice Sullivan.	450 00
14. Herbert L. and Mary Y. Kunze.	450 00
15. Edward J. and Agnes T. O'Toole.	450 00
16. Joseph and Marion Dern.	450 00
17. Wilfred L. and Charlotte E. Marsland.	450 00
18. Earl L. and Marie A. Richardson.	144 93
Total.	\$6,934 53

BUILDING RAZED.

The Mayor has approved the request of the Building Commissioner to raze the following building:

To enter the building or other structure, or the abutting land or buildings, at 746 East Fourth street, Ward 6, with such assistance as required, and make safe, vacate forthwith or remove said unsafe or dangerous building or other structure, and to protect the public by a proper fence or otherwise as may be necessary.

CIVIL SERVICE EXAMINATION.

PHOTOSTAT OPERATOR, BOSTON DEPARTMENT OF VETERANS' SERVICES, JULY 24, 1953.

Last date for filing applications, Friday, July 3, 1953.

Salary: \$82.52 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: To operate a photostat machine and make photostatic copies of various papers and documents; to make minor repairs and adjustments to the photostat machine; to operate a typewriter and electrical mimeograph machine; and to perform related work as required.

Examples of Duties: Operating a Windsograph photostat machine; mixing the solutions for the developer and fixer necessary for the developing of the photostat; developing and trimming prints to specific sizes.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5. Also a practical test in type-writing.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject and in the practical test in order to become eligible.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

METROPOLITAN POLICE PATROLMAN, METROPOLITAN DISTRICT COMMISSION, JULY 10, 1953.

Last date for filing applications, Friday, June 19, 1953.

Salary: The minimum salary is \$3,540 a year; the maximum salary is \$4,140 a year.

Vacancies: From time to time.

Duties: The duties are those of a regular patrolman.

Entrance Requirements: Applicants shall be not less than twenty-two nor over thirty-five years of age at the time of filing applications. A certificate of date of birth must be filed with the application unless one has been filed with a previous application.

Any veteran who will have attained the age of twenty-one within six months of the date of any scheduled examination for police service shall not be deemed ineligible for examination and appointment provided that he meets all other pertinent requirements of the Civil Service laws and regulations (Chapter 287 of the Acts of 1947).

Veterans who had not reached the maximum age limit at the time of entering military or naval service will not be disqualified by reason of age within five years after the date of honorable discharge. (Chapter 179, Acts of 1950.)

Applicants must be not less than 5 feet 8 inches in height and must meet minimum weight requirements according to the following table, in which height is given in inches in bare feet and weight in pounds without clothing:

65 inches	— 135 pounds
69 inches	— 140 pounds
70 inches	— 145 pounds
71 inches	— 150 pounds
72 inches	— 155 pounds
73 inches	— 160 pounds
74 inches	— 165 pounds
75 inches	— 170 pounds
76 inches	— 175 pounds

Subjects and Weights: Training and experience, 3; practical questions, including memory test and general information, 7; total, 10.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination and qualifying strength tests.

To become eligible, applicants must obtain at least 70 per cent in the strength tests, but the mark will not be averaged with the educational mark.

Applicants must qualify in a fifty-yard swimming test.

Before certification, applicants must possess a Massachusetts motor vehicle operator's license.

The practical questions will be based largely upon information contained in the current edition of the manual known as the "Blue Book." This manual may be obtained from the Public Document Division, Room 116, State House, Boston, at 25 cents a copy. It is necessary that applicants obtain a copy of this manual and study it carefully.

Applicants must not bring manuals to the examination room.

The eligible list established as a result of this examination will be combined with any existing list, but the name of an applicant which appears more than once on the combined list will be certified in any one certification only from his higher rating.

order of May 18, 1933, requesting specific information concerning the general subject of incineration. Respectfully,

A. B. HYNES, Mayor.
City of Boston,
Public Works Department,
May 29, 1933.

Thomas G. J. Shannon,
Chief Clerk, Mayor's Office.

Dear Mr. Shannon:
This is in reference to an order that was passed in the City Council under date of May 18 and which requested specific information concerning the general subject of incineration. The information will be furnished hereinafter in the order in which it was requested.

1. Q. Whether or not the incinerator called for will be of specific make or one obtainable in the open market.

A. The specifications will be prepared so as to permit competitive bidding by manufacturers of chain-grate furnaces, Volund furnaces, and circular mechanically-stoked furnaces. Under the circumstances, therefore, all manufacturers of mechanically-stoked incinerators will be permitted to submit proposals.

2. Q. Whether or not any provisions are being made for the utilizing of heat by the City Hospital.

A. I feel that it would be advantageous from many points of view—to utilize the waste heat of incineration for furnishing heat, light, and power to the City Hospital. However, I feel that we should operate the incinerator for the first six months or year for the purpose of burning refuse only, and not for the dual purpose of burning refuse and furnishing heat, light, and power to the hospital. I believe that a six-month or one-year period is necessary to determine, precisely, and in advance, what can be produced at the incinerator, and also in order to give this department an opportunity to become thoroughly familiar with the operation of our first incinerator, which will be one of the largest in the country. It is my intention to provide that the incinerator will be so constructed that arrangements can be made, any time subsequent to the completion of the building, for the furnishing of the necessary boilers, equipment, and underground facilities needed to utilize the waste heat for conversion to steam for the furnishing of heat, light, and power to the hospital building.

3. Q. The locations of all incinerators inspected.

A. I can furnish this information only insofar as it affects the undersigned. I have visited incinerators in New York City, Cincinnati, Providence, Cambridge, Waltham, and Brookline.

4. Q. The date of erection of such incinerators inspected, together with the cost of the incinerator and the capacity of the incinerator.

A. To the best of my knowledge, the New York incinerator was constructed about 1937; the Cincinnati incinerators sometime prior to 1930; the Providence incinerator around 1935; the Waltham incinerator about 1947; the Cambridge incinerator about 1937; and the Brookline incinerator in 1952. I have no knowledge of the cost of these incinerators, but the present-day cost averages from \$3,000 to \$3,700 per ton.

5. Q. The locations of the latest incinerators erected in the United States, with the capacity and cost of same.

A. I have no knowledge of all the incinerators erected in this country, and I do not feel that any such information is essential to the City of Boston at this time. A Nichols incinerator, a Morse-Boulger, or a Volund are the same whether they are erected in Brookline or San Francisco. The latest incinerators in this section of the country were erected in the past two or three years in Brookline and Lawrence. The Brookline incinerator is of a Nichols design, and the Lawrence incinerator is a Morse-Boulger. To my knowledge, the Brookline incinerator—which is a 300-ton capacity—cost approximately \$350,000, and the Lawrence incinerator from \$700,000 to \$800,000.

If the City Council needs any additional information concerning the subject of incinerators, I shall be glad to furnish it to the person.

Respectfully yours,

GEORGE G. HYLAND,
Commissioner of Public Works.
Placed on file.

APPROPRIATION FOR OFF-STREET PARKING FACILITIES IN FIELDS CORNER SECTION.

The following was received:

City of Boston,
Office of the Mayor, June 1, 1953.
To the City Council.
Gentlemen:

On January 12, I forwarded to your Honorable Body a request of the Board of Real Estate Commissioners for a transfer of \$35,600 from the Parking Meter Fund for the purpose of creating an off-street parking facility in the Fields Corner section of Dorchester. This order is now pending before your Body.

After conferences with the Fields Corner Better Business Association, the Board of Real Estate Commissioners has decided that the original

site selected for off-street parking in this area is insufficient in size. Another site which can accommodate approximately 101 cars, as against 50 for the original site, has been selected. This second site, or site No. 2, is in the same immediate vicinity. To construct this site will cost \$65,100.

In view of the necessity for an off-street parking facility in this section, and in view of the fact that the larger area will be very much more serviceable than the smaller area, I hereby withdraw the original order, as submitted to your Body on January 12, and recommend passage of the accompanying order for a transfer of \$65,100. It is my hope that your Honorable Body will give approval to this order and any other off-street parking facility order now pending before your Body. The delays attendant upon the construction of such parking facilities are necessary, that prompt action be afforded these orders, so that the ordinary delays will not be accentuated.

Respectfully,

J. B. HYNES, Mayor.
City of Boston,
Board of Real Estate Commissioners,
May 29, 1953.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:
On January 7, 1953, I sent to you a request of the Board of Real Estate Commissioners for the transfer of \$35,600 from the Parking Meter Fund to the Board of Real Estate Commissioners for the creation of an off-street parking facility at Fields Corner, Dorchester. As a result of my communication, your Honorable Body requested the City Council to pass an order effecting the transfer of that amount.

Recently I was invited to speak on the subject of off-street parking before the membership of the Fields Corner Better Business Association. After I had talked at length concerning a selected site, I was asked a question, and answer replied. From the questions asked by the businessmen of the area and from the tenor of their statements, it appeared that they were in accord with the creation of an off-street parking lot on Lincoln street, Fields Corner, but felt that a 56-car lot was of insufficient size.

I checked our study plans and found that site No. 2 at Fields Corner, selected by the engineer of the City Planning Board, is on the opposite side of Lincoln street from Site No. 1, that it consisted of approximately 35,393 square feet, that would hold about 101 cars, as against only 56 cars for Site No. 1. The assessed valuation was \$34,800 as against \$17,300 for Site No. 1; that the cost of land and buildings would be \$43,500, as against \$21,600. In view of the cost of improving the land would be only \$21,600, as against \$14,000, for 45 additional car spaces, making a total cost of \$65,100 for Site No. 2, so called.

Upon further study of the atlas, and after a visit to the locus, I found that Site No. 2 has two wide alleys leading out to Park Street, so that we would have the advantage in Site No. 2 of having an entrance on one street and an exit on another street a block away, with an additional frontage on Adams street.

Assuming that the average meter income in this lot is \$4 per month, it will take about 134 years to return to the city the initial costs, as against 14 years estimated in Site No. 1.

By a vote of the Board of Real Estate Commissioners dated May 28, 1953, I have been instructed to request your Honor to withdraw the order for Site No. 1 and to file a new order requesting sufficient funds to proceed with the creation of an off-street parking facility at Fields Corner, Dorchester, at Site No. 2, in the amount of \$65,100.

Respectfully submitted,
HERMAN CARP, Chairman.

Ordered, That under the provisions of section 22B of chapter 40 of the General Laws, as established by chapter 776 of the Acts of 1949, the sum of \$65,100, and hereby appropriated from the special account "Parking Meter Fees," to be expended by the Board of Real Estate Commissioners for acquiring off-street parking areas and facilities and constructing or reconstructing and refacing such areas and facilities in the Fields Corner section of the Dorchester district.
Referred to the Committee on Appropriation and Finance.

PETITIONS EFERRRED.

The following petitions were received and referred to the committee named, viz.:

Claims.

Robert J. Aigen, for compensation for damage to car by city truck.

Harold L. Allen, for compensation for damage to car by city truck.

John E. Basset, for compensation for damage to car and injuries caused by an alleged defect at 5540 Washington street, Fields Corner.

Joseph Donoghue, to be reimbursed as result of accident which occurred while in performance of duty as employee of Sanitary Division.

Sylvia E. Fries et al., for compensation for injuries caused by city truck.

William H. Hillier, to be reimbursed as result of accident which occurred while in performance of duty as employee of Police Department.

Willard H. Loud, Jr., for compensation for damage to car by city truck.

Warren F. McCourt, to be reimbursed as result of accident which occurred while in performance of duty as employee of Police Department.

Eugene F. McDermott, for compensation for damage to car caused by an alleged defect in Austin street, Hyde Park.

Ruth E. McDonald, for compensation for damage to car by city truck.

Thomas J. McDonald et al., for compensation for injuries caused by city truck.

Margaret R. and Edmond J. McGrath, for compensation for damage to property at 10 Grimes street, South Boston, caused by backing up of sewage.

Celia M. Morgan, for compensation for injuries caused by police car.

Petroleum Service Company, Inc., for compensation for damage to property at 1271 Dorchester avenue, caused by fire truck.

Timothy J. Beardon, for compensation for damage to car caused by an alleged defect near Summer Tunnel.

Mrs. Albert F. Rielly, for compensation for injuries caused by an alleged defect on step leading from Bunker Hill street to Mead street.

Abraham Seletsky, for compensation for injuries and damage to property by city vehicle.

Robert J. Shea, Jr., et al., for compensation for injuries caused by police car.

Carl J. Sweeney, to be reimbursed as result of accident which occurred while in performance of duty as employee of Bridge and Highway Division, caused by a truck.

William J. Soucy, for compensation for collapse of water boiler at 57 Leamington road, Brighton, during repairs to hydrant.

Edward Sullivan, to be reimbursed as result of accident which occurred while in performance of duty as employee of Water Division.

Richard C. and Eleanor Tobin, to be reimbursed for damage to car caused by a leaking fire hose in water pipe at 57 Huron Circle, Dorchester.

Thomas Wilson, for refund on milk and oleomargarine license.

PERMITS FOR CHILDREN.

Petitions for children under fifteen years of age to appear at places of public amusement were received as follows:

Hazel Boone, John Hancock Hall, June 10.

Viola K. Breiding, John Hancock Hall, June 22 and 23.

Gertrude Landa, Jordan Hall, June 12, 19, and 26.

Rosalie Fucillo, John Hancock Hall, June 15.

Permits granted under usual conditions.

APPLICATION FOR SHELLFISH PERMIT.

Application for commercial use shellfish permit was received from Edward Elmes, 118 Falcon street, East Boston.

Referred to the Committee on Licenses.

APPROVAL OF CONSTABLES' BONDS.

The constables' bonds of the following, having been duly approved by the City Treasurer, were received and approved:

Samuel J. Adelman, John A. D'Arcy, Augustine S. Gannon, Frank A. Roche, Francis R. Wiley, Frank Zuccaro.

APPOINTMENT OF JOHN F. COTTER.

Notice was received from the Mayor of the appointment of John F. Cotter to be Fire Commissioner, effective April 30, 1957, vice Michael T. Kelleher, resigned.

LOAN ORDER FOR CONSTRUCTION OF PUBLIC WORKS OR PERMANENT PAVEMENT.

President AHEARN called up from the Calendar, viz.:

Order for loan of \$2,000,000 for construction of public works or permanent pavement. Filed April 21, 1953. On May 18, 1953, the foregoing order was read once and passed, yeas 8, nays 0.

The question came on giving the order its second reading and passage. The order was given its second reading and passage, yeas 8, nays 0.

Yeas: Councilmen—Foley, Hailer, Hurley, Joyce, Kerrigan, Piemonte, White—8. Nays—0.

LOAN ORDER FOR CONSTRUCTION OF SEWERS.

President AHEARN called up from the Calendar, viz.:

Order for loan of \$1,000,000 for construction of sewers. Filed April 21, 1953. On May 18, 1953,

the foregoing order was read once and passed, yeas 8, nays 0.

The question came on giving the order its second reading and passage. The order was given its second reading and passage, yeas 8, nays 0.

Yeas—Councillors Ahearn, Foley, Hailer, Hurley, Joyce, Kerrigan, Piemonte, White—8.
Nays—0.

REPORT OF COMMITTEE ON CLAIMS.

Coun. JOYCE, for the Committee on Claims, submitted the following:

1. Report on petition of George J. Condon (referred May 18) for retirement as a veteran—recommending passage of accompanying order:
Whereas, George J. Condon, employed in the service of the County of Suffolk as correction officer in the House of Correction, Penal Institutions Department, has made application to be retired under the provisions of section 57 of chapter 32 of the General Laws, as amended; and

Whereas, The said George J. Condon has submitted to the City Council satisfactory evidence that he is a veteran as defined in section 56 of chapter 32 of the General Laws; that he has been certified for retirement for disability by the duly authorized medical board that he has served in the service of the county at least ten years; that he is incapacitated for active service; and that his total income from all sources, exclusive of his retirement allowance and of any sum received from the government of the United States as a pension for war service, does not exceed \$1,000;

Ordered, That under the provisions of section 57 of chapter 32 of the General Laws, as amended, George J. Condon, employed in the service of the County of Suffolk as correction officer in the House of Correction, Penal Institutions Department, be, and hereby is, retired by the Mayor and City Council, acting as senior commissioners, at an annual pension of \$2,790.65, being 65 per cent of his highest regular rate of compensation.

2. Report on petition of John A. Allgaier (referred May 25) to be reimbursed for amount of execution issued against him on account of his acts as employee of Public Works Department—recommending passage of accompanying order:

Ordered, That the sum of \$255 be allowed and paid to John A. Allgaier in reimbursement for amount of execution issued against him on account of his acts as an employee of the Paving Division, Public Works Department, said sum to be charged to the appropriation for Executions of Court, Damage Claims and Reimbursements.

3. Report on petition of Arthur E. Walsh (referred May 18) to be reimbursed for amount of execution issued against him on account of his acts as an employee of Public Works Department—recommending passage of accompanying order:

Ordered, That the sum of \$99.08 be allowed and paid to Arthur E. Walsh in reimbursement for amount of execution issued against him on account of his acts as an employee of the Water Division, Public Works Department, said sum to be charged to the appropriation for Executions of Court, Damage Claims and Reimbursements.

4. Report on petition of William T. Logue (referred January 12) to be reimbursed for amount of execution issued against him on account of his acts as an employee of Public Works Department—recommending passage of accompanying order:

Ordered, That the sum of \$300 be allowed and paid to William T. Logue in reimbursement for amount of execution issued against him on account of his acts as an employee of the Sanitary Division, Public Works Department, said sum to be charged to the appropriation for Executions of Court, Damage Claims and Reimbursements.

The reports were accepted, and the orders were severally passed.

NAMING OF SQUARE IN HONOR OF

ALVIN M. LEVY.

Coun. AHEARN offered the following:

Ordered, That the Committee to Memorialize Veterans be requested, through his Honor the Mayor, to name the square at the corner of Devon street and Columbia road, Dorchester, in honor of Pvt. Alvin M. Levy, who lost his life in Germany on March 14, 1945, while in the service of his country.

Passed under suspension of the rules.

SALE OF CITY-OWNED LAND IN SQUANTUM TO THE CITY OF QUINCY.

Coun. PIEMONTE offered the following:

Motion: That the message of the Mayor and order referred April 27 for sale of land owned by the City of Boston in Squantum to the City of Quincy be recommended to the Committee on Public Lands.

The motion was carried.

The order for the sale of land in Squantum to the City of Quincy, which was read once and passed, yeas 8, nays 0, on May 25, 1953, and assigned for 14 days for final action, was referred to the Committee on Public Lands.

REPRESENTATIVE OF BOSTON TUBERCULOSIS ASSOCIATION TO SOUTH END REHABILITATION AND CONSERVATION BOARD.

Coun. FOLEY offered the following:

Ordered, That his Honor the Mayor be requested to include a representative of the Boston Tuberculosis Association on the South End Rehabilitation and Conservation Board.

Passed under suspension of the rules.

THREE-DAY DEMONSTRATION OF PARK DEPARTMENT SAILING PROGRAM.

Coun. FOLEY offered the following:

Ordered, That the Board of Park Commissioners be requested to sponsor a three-day demonstration of the Park Department sailing program in both the Bayswater section of the East Boston water front and Pleasure Bay section of the South Boston water front during the summer months.

Passed under suspension of the rules.

APPOINTMENT OF COMMISSION TO STUDY REVENUE AND FISCAL PROBLEMS.

Coun. HAILER offered the following:

Whereas, The prosperity and well-being of the Commonwealth of Massachusetts is requested to depend on the prosperity and well-being of Boston; and

Whereas, The tax rate for the City of Boston this year will reach the almost confiscatory rate of \$70; and

Whereas, The geographical area of political Boston is less than that of any comparable city in the United States; and

Whereas, The legal limits governing the revenue structure of Boston is antiquated and too stringent; therefore be it

Resolved, That a commission be set up, the membership of which would be equally appointed by His Excellency, Governor Butler, and his Honor, Mayor Hynes, for the purpose of studying the revenue and fiscal problems of Boston and recommending appropriate legislation to alleviate and rectify these problems.

Coun. HURLEY moved to refer the resolution to the Executive Committee. The motion was lost.

Coun. HURLEY in the chair.

The resolution was adopted under suspension of the rules.

BOSTON HOUSING AUTHORITY TO AID IN REDEVELOPMENT OF BOSTON & ALBANY RAILROAD YARDS.

Coun. FOLEY offered the following:

Ordered, That his Honor the Mayor request the Boston Housing Authority to study the possibility of redeveloping the Boston & Albany Railroad Yard area under chapter 121, sections 26J, 26KK, 26LL, and 26MM of the General Laws;

Ordered, That a copy of the above order be referred to the Corporation Counsel for an opinion as to the legal right of the Boston Housing Authority to aid in the redevelopment of the Boston and Albany Railroad yards under chapter 121, sections 26J, 26KK, 26LL, and 26MM of the General Laws.

Passed under suspension of the rules.

RECESS.

On motion of Councillor Kerrigan the Council voted to take a recess at 3:57 p.m., subject to the call of the Chair. The members reassembled and were called to order by Chairman HURLEY at 4:08 p.m.

EXECUTIVE COMMITTEE REPORT.

Coun. WHITE, for the Executive Committee, submitted the following:

Report on message of the Mayor and order (referred May 18) for loan of \$5,000,000 for acquisition of land and constructing public schoolhouses—recommending no further action necessary.

The report was accepted.

Adjourned at 4:11 p.m., on motion of Councillor Kerrigan, to meet on Monday, June 8, 1953, at 2 p.m.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

(Stenographic copy of such debate filed in office of City Clerk.)

PROCEEDINGS OF SCHOOL COMMITTEE.

Mar. 25, 1953.

A meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 9:30 p.m., Mr. Carr in the chair.

Present: Mr. Carr, Miss Fitzgerald and Mr. Muchnick.

APPROVAL AND AMENDMENT OF MINUTES

The reading of the minutes of the meeting of Mar. 18, 1953, was omitted, the Committee approving them as printed.

The following was offered: ORDERED, That the minutes of the meeting of Feb. 17, 1953, are hereby amended to provide that the appointment of Joseph P. McVinney, shop instructor (fifth year), in the Department of Industrial Arts, to take effect March 16, 1953, shall read to take effect "Apr. 13, 1953".

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Dr. Foley and Mrs. Lyons—2.

RETIREMENT ON PENSION

A communication was received from the Superintendent, under date of Mar. 25, 1953, reporting the retirement from active service of Katherine F. Baker, secretary, East Boston High School, under the provisions of the State-Boston Retirement System, to take effect Mar. 31, 1953, as certified by the Boston Retirement Board.

Placed on file.

A communication was received from the Superintendent, under date of Mar. 25, 1953, reporting the retirement from active service of the following-named veterans who have been retired under the provisions of Chapter 32 of the General Laws, as amended:

Dwight School — Waldo W. Chaffee, senior building custodian, Mar. 17, 1953, \$2538.14 per annum.

M. Gertrude Godvin School—James W. Driscoll, submaster, Mar. 17, 1953, \$3479.04 per annum.

Solomon Lewenberg Junior High School — Joseph Doherty, senior building custodian, Mar. 17, 1953, \$3365.18 per annum.

William Bacon School—Coleman J. O'Donnell, senior building custodian, Mar. 17, 1953, \$2684.97 per annum.

William Bradford School—Edward P. J. Shea, senior building custodian, Mar. 23, 1953, \$2129.71 per annum.

Placed on file.

APPOINTMENTS

The following nominations by the Superintendent, certified by

him as being in accordance with the rules and regulations, to take effect on the dates stated, were presented:

DEPARTMENT OF ADULT EDUCATION

(Evening Schools)

Term 1952-53

A communication was received from the Superintendent, under date of Mar. 25, 1953, reporting that, subject to the approval of the School Committee, he has appointed the following-named person for service in the evening schools for the term 1952-53:

Grover Cleveland Evening School—Pearse MacCurtain, assistant, Mar. 24, 26, and 31, 1953 (three evenings).

On roll call the appointment was approved by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Dr. Foley, and Mrs. Lyons—2.

(Extended Use)

Term 1952-53

A communication was received from the Superintendent, under date of Mar. 25, 1953, reporting that, subject to the approval of the School Committee, he has assigned the following-named person to serve in the Department of Adult Education—Extended Use Division for the term 1952-53:

Stanley F. Clement, Mar. 27, 1953.

The communication was placed on file and on roll call the assignment was approved by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Dr. Foley, and Mrs. Lyons—2.

GARDENING

Season of 1953

(To take effect Feb. 1, 1953)

Garden Supervisor:

Henry G. Wendler

(To take effect Mar. 23, 1953)

Garden Assistants:

Arthur L. Evans

Robert L. Hinckley

George Kramer

On roll call the appointments were approved by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Dr. Foley, and Mrs. Lyons—2.

INSTRUCTION OF

PHYSICALLY

HANDICAPPED CHILDREN

A communication was received from the Superintendent, under date of Mar. 25, 1953, reporting that, subject to the approval of the School Committee, he has assigned the following-named temporary teacher for instruction of

physically handicapped children, to take effect Mar. 18, 1953:

Dorothy A. Meagher

The communication was placed on file and on roll call the appointment was approved by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Dr. Foley, and Mrs. Lyons—2.

APPRENTICE AND JOURNEYMAN CLASSES

A communication was received from the Superintendent, under date of Mar. 25, 1953, reporting that, subject to the approval of the School Committee and in accordance with the order passed at the meeting of Oct. 6, 1941, (P. 195), he has appointed the following-named persons to the Apprenticeship and Journeyman Classes for Various Trades, to take effect on the dates stated:

Instructor—Victor J. Lemay, Mar. 7, 1953.

Toolkeeper—Francis X. Feeney, Mar. 7, 1953.

The communication was placed on file and on roll call the appointments were approved by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Dr. Foley, and Mrs. Lyons—2.

LEAVES OF ABSENCE

A communication was received from the Superintendent, under date of Mar. 25, 1953, recommending that leave of absence without loss of pay be granted the following-named teachers in order that they may render training service with the armed forces of the United States.

Boston Latin School—Thomas R. Pennypacker, master, Mar. 9 to 20, 1953, inclusive.

Boston Technical High School—Edward F. Fogarty, master, Apr. 6 to 17, 1953, inclusive.

The communication was placed on file and on roll call the leaves of absence for training service, without loss of pay were granted by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Dr. Foley, and Mrs. Lyons—2.

A communication was received from the Superintendent, under date of Mar. 25, 1953, recommending that leave of absence without pay be granted the following-named persons for the terms specified:

Roxbury Memorial High School (Boys)—Joseph F. Flynn, guidance counselor, Sept. 1, 1952, to June 25, 1953, inclusive.

Donald McKay Junior High School—Mary E. Driscoll, teacher, junior high, Jan. 28 to Mar. 25, 1953, inclusive.

James P. Timilty Junior High School—Alice Fogarty, vice prin-

cipal, Dec. 1, 1952, to June 25, 1953, inclusive.

Sherwin District—Mildred L. Houlahan, vice principal, special classes, Nov. 28, 1952, to June 25, 1953, inclusive.

William Lloyd Garrison District—Joannette S. Casey, teacher, elementary, Jan. 15 to June 25, 1953, inclusive.

Department of School Hygiene—George J. Oberlander, school physician, Dec. 1, 1952, to June 25, 1953, inclusive.

Department of Educational Investigation and Measurement—Josephine McCarthy, research assistant, Dec. 1 to 23, 1952, inclusive.

Mr. Muchnick: Are those with pay or without pay?

Secretary: Without pay. It is after the first year.

Mr. Muchnick: I don't quite understand that. In certain cases aren't they entitled to get paid beyond a year?

Secretary: No, half pay for a year.

Mr. Muchnick: They are entitled to the pay for thirty half days of the second year as well.

Secretary: You mean in connection with this tuberculosis law?

Mr. Muchnick: No, anybody who has six year's cumulative really means seven years.

Business Manager: Not on that basis.

Mr. Muchnick: Then we haven't gone on that. They ought to go on that so they can get one-sixth of their pay that they are entitled to.

The communication was placed on file and on roll call the leaves of absence without pay were granted by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Dr. Foley, and Mrs. Lyons—2.

SUSPENSION OF SESSIONS

The following was offered:

ORDERED, That the sessions of all day and evening schools are hereby suspended on Thursday, April 2, 1953.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Dr. Foley, and Mrs. Lyons—2.

CLOSING OF

ADMINISTRATIVE OFFICES

The following was offered:

ORDERED, That the administrative offices and supply room of the School Committee are hereby closed on Friday, April 3, 1953.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Dr. Foley, and Mrs. Lyons—2.

Mr. Muchnick: Mr. Chairman, it seems to me that on April 2d some provision ought to be made for people in the administrative offices to take such time as they need or want for religious purposes. We did that last year, too, as I remember it.

Secretary: Was it a full day, or what?

Mr. Muchnick: I don't know. I don't remember whether it was skeleton force, but I move that we do exactly this year as we did last year.

Miss Fitzgerald: It could be skeleton force.

Superintendent: Holy Thursday? Yes.

Mr. Carr: Do the same as we did last year.

Mr. Muchnick: It worked out satisfactorily, didn't it?

Secretary: Yes, I think so.

RESOLUTION

The following was offered:

RESOLVED, That the School Committee of the City of Boston urges the Congress of the United States to instruct the Postmaster General to issue a postage stamp in memory of the late Joseph Lee, noted philanthropist, known and revered as the "father of the American playground," founder of the Massachusetts Civic League, the National Recreation Association, Community Recreation Service of Boston, chairman of the Boston School Committee, and holder of the Distinguished Service Medal awarded for his service as head of the War Camp Community Service in World War I; and be it further

RESOLVED, That such stamp be placed on sale in Boston, Massachusetts, one day before it is made available to the public elsewhere; and be it further

RESOLVED, That copies of these resolutions be sent by the Secretary of the School Committee of the City of Boston to the Postmaster General and to the members of Congress from Massachusetts.

On roll call the resolutions were adopted by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3

NAYS—0

ABSENT—Dr. Foley, and Mrs. Lyons—2

ACCOMMODATIONS FOR GRADUATING EXERCISES

The following was offered:

ORDERED, That the Department of School Buildings is hereby requested to secure the use of the accommodations indicated for the graduating exercises of the several high schools on the dates specified:

Boston Technical High School—Fenway Theater, Wednesday morning, June 3, 1953.

Brighton High School—Capitol Theater, Tuesday morning, June 2, 1953.

Charlestown High School—Faneuil Hall, Tuesday evening, June 2, 1953.

Dorchester High School for Girls—Symphony Hall, Tuesday afternoon, June 2, 1953.

English High School—Tremont Temple, Tuesday evening, June 2, 1953.

Girls' High School—Symphony Hall, Monday afternoon, June 1, 1953.

Jeremiah E. Burke High School for Girls—Symphony Hall, Thursday afternoon, June 4, 1953.

Roxbury Memorial High School (Girls)—Symphony Hall, Wednesday afternoon, June 3, 1953.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3

NAYS—0

ABSENT—Dr. Foley, and Mrs. Lyons—2

AUDIT REPORT OF THE SCHOOL COMMITTEE OF THE CITY OF BOSTON FOR THE YEAR ENDING DEC. 31, 1952

A communication was received from Charles F. Rittenhouse & Company under date of Mar. 23, 1953, submitting their audit report of the School Committee of the City of Boston for the year ended Dec. 31, 1952.

Placed on file.

TRANSFERS OF CUSTODIANS

A communication was received from the Superintendent, under date of Mar. 25, 1953, recommending that, subject to the approval of the School Committee, the following-named senior building custodians who, by seniority and merit, stand at the head of their respective lists, be transferred to the schools indicated to take effect March 18, 1953:

Francis J. Cheney, unassigned, to the custodianship of the John G. Whittier School.

Paul G. Cunningham, unassigned, to the custodianship of the James A. Garfield School.

George F. Dever, from the Chapman School to the custodianship of the Theodore Lyman School.

John J. Doherty, from the Albert Palmer School to the custodianship of the Samuel W. Mason School.

Frank A. Dowler, from the Phineas Bates School to the custodianship of the Abraham Lincoln School.

Thomas W. Glasheen, from the John G. Whittier School to the custodianship of the Pauline A. Shaw School.

James E. Harnett, unassigned, to the custodianship of the Albert Palmer School.

John J. Kerrigan, from the James A. Garfield School to the custodianship of the Alexander Hamilton School.

Thomas A. Riordan, from the Winship School to the custodianship of the Robert Gould Shaw Junior High School.

The communication was placed on file and on roll call the transfers were approved by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Dr. Foley, and Mrs. Lyons—2.

PROPOSED CHANGES IN BOSTON SCHOOL SYSTEM

The following extract from the Conference Notes was ordered printed in full in the record of the open meeting:

The continuance of the American way of life depends on the way our citizens are educated. Education must develop each individual to the maximum of his potential for the fullest possible participation in and contribution to the American democratic philosophy of life.

It is essential that public school education contribute not only to the development of academic literacy, but also to the equally important development of the individual's ethical and spiritual concepts and social, civic, economic and vocational competencies. Public school systems must be so set up that they become easily adaptable to the educational needs of a dynamic and constantly changing society.

To fulfill its mission and its function to the fullest, the public school must adopt a new approach. Insofar as is possible, consistent with cost, the public school must discard the mass production method of education, where too often the pupil seems to be another item on the assembly line. Each child should be so handled and so educated as to bring out that child's greatest individual potential contribution to himself and to our American way of life. Instead of teaching pupil hours, we must concentrate on teaching pupils.

In addition to the above, the school system must be a more integral part of community life. The school should contribute to the community of its resources and conversely, the community—aside from officialdom—should contribute of itself and its assets to the improvement of the schools. To achieve the best public school system, we need the combined co-operative action of teachers, parents and the community at large.

In a word, we must make some radical changes in our approach to the problem of educating our youth for the needs of today and tomorrow. We must remember that the education that prepared our fathers for the sheltered life of the past will not necessarily suffice to prepare our children for life in the complex world we have created for them.

As a result of intensive research, much study and thought on this subject, I have come to some definite conclusions. I offer these as a basis of discussion with the hope that interested and com-

petent persons will take up the problem and offer their advice and counsel. In addition, I would also like a study and report from the Superintendent.

Specifically, I suggest that the following changes be studied:

1. Organization of the school system. The School system should be divided into three divisions—Elementary—Kindergarten through Grade 7; Junior High Schools—Grades 8, 9 and 10; Senior High Schools—Grades 11, and 12, with full facilities for postgraduate work under certain condition and within certain limits.

This regrouping was not selected arbitrarily. It follows what seems to me and to many with whom I have discussed this matter the better delineation between age and maturity groups. The difference between the usual seventh grader and eighth grader is far greater than the difference between the sixth grader and the seventh grader—physically, mentally, emotionally and by way of mutuality of interests.

We have recognized this in our own administration of the junior high school system, where we presently treat the seventh grader more like an elementary school pupil than as a junior high school pupil. So too do the eighth, ninth and tenth graders seem to fall in a more homogeneous grouping from most points of view with a greater divergence between the tenth and eleventh graders than between the ninth and tenth graders. As for the eleventh and twelfth graders, they are young men and women as a rule, often with a maturity beyond their years which must be recognized, accepted and provided for.

2. Adequate provision for testing of individual potentials of pupils. It is becoming increasingly apparent that more emphasis is necessary in the field of testing aptitudes, intelligence, personality, emotions and potentials of all pupils to give each child the maximum opportunity to find and prepare for that niche in life best suited to his capacity. Such individual tests should be given each child at least once every three years, preferably in the spring, so that if curriculum change becomes necessary for a pupil, it can be provided for the beginning of the next school year. To accomplish this kind of intensive testing, I suggest that it be required that every headmaster, principal, vice-principal, submaster and guidance counselor be thoroughly trained in the field of tests and measurements, and that hereafter it be a requirement that applicants for these positions acquire adequate training in this field. By this method, there will be at least one competent tester in each school.

3. Curriculum readjustment. School curriculum must readjust commensurate with the profound changes taking place in society. This cannot be done by merely adding a new course or new field

to the curriculum. To train properly, we must revalue our fundamental principles of education and make certain vital revisions if we hope to attain our aim. I will discuss these under the three major headings of elementary, junior high and high school.

(a) The elementary school curriculum requires the least amount of change. The three "Rs" are basic and elemental. The teaching of these should be intensified. Too many boys and girls to date all over the country have not received or retained enough training in these subjects as will enable them to go forward properly and profitably either in school or beyond. Fully as important as the three "Rs", is what I like to call the fourth "R"—the "R" of Righteousness. Without this fourth "R" of Righteousness, the other three are meaningless. Beginning with his first day of school, the pupil must be indoctrinated with the high ethical and moral values and standards of our democratic way of life—our American concept of righteousness and right living. In addition thereto, American history up to the beginning of the twentieth century should be mandatory and preferably spread over a two-year period in the sixth and seventh grades, so that enough time and attention can be given to this important subject. To do the above will necessitate the curtailing, but not the elimination of such courses as music, drawing, sewing, carpentry, cooking, etc. I submit that, an enjoyable and valuable as these latter subjects are, they are luxuries compared to the necessities of the four "Rs" and American history. I submit further that many of these courses are duplicated in community houses, church programs and other such neighborhood activities conducted apart from and outside of school hours. It may well be that a study would show that this type of activity might be better handled by the non-school community with many obvious advantages.

(b) In the junior high school division, intensive training in the four "Rs" should continue unabated. In addition thereto, the greatest course selection possible should be made available to every student. Consistent with his desires, the results of the frequent testings and the advice of his teachers and guidance counselors, the junior high school pupil should be guided down that road that will lead him to a useful life for himself and his community. It would seem desirable that the junior high school pupil should be exposed to every possible type of curriculum, so that with proper guidance, he will be in position to choose wisely his potential field of adult endeavor. In this division also, at least one year—preferably Grade 10—should provide for an intensive course in American history from 1900 to date, plus a comparison of the American government and way of life as compared and contrasted to

others. It may sound unbelievable, but, it unfortunately is true that a great number of our boys and girls in schools today leave school without ever having been exposed to much, if any, teaching of American history. Many may scoff at this serious indictment, but facts are facts. Very little American history is taught intensively in our system until one reaches Grade 11. Too many of our pupils, who entered Grade 10, drop out before reaching Grades 11 and 12 and thus learn little about our American historical heritage. To illustrate this point and to direct attention to other serious problems, I call attention to the Boston Post of February 26, 1953, where there appears a front-page story entitled "Hub Schools Graduates Most Studious in U. S." It attributes these statements to Superintendent Haley, including the assertion that Boston has one of the lowest dropout problems in the country.

The cited record for the sample year 1951 of high school graduates attending college is a good one, but unfortunately the article tends to be misleading because it doesn't tell the whole story. According to the newspaper article, 3769 boys and girls graduated in June of 1951 and 1006 went on to college. No mention was made of the number who started in Grade 10 in 1948, but who left school. I cite the figures of this latter group along with the figures mentioned above for the same schools to show how many were lost along the way.

School	Grade X Enrollment, Sept., 1948	Graduated June, 1951	College	Number Not Graduated
Boston Latin	253	184	178	69
Girls Latin	117	95	86	22
Technical	345	242	65	103
Boston Trade	410	169	4	241
Brighton	453	208	67	245
Charlestown	221	87	3	144
Dor. Boys	207	83	12	124
Dor. Girls	204	86	26	35
East Boston	331	170	22	161
English	506	358	149	148
Girls High	356	238	49	118
Commerce	179	142	25	37
Prac. Arts	155	73	11	82
Hyde Park	381	226	51	155
Jamaica Plain	258	157	30	101
Burke	278	237	56	41
Roslindale	329	271	66	58
Memorial Boys	286	139	52	147
Memorial Girls	323	237	42	96
South Boston	344	223	11	121
Girls Trade	93	42	0	51
Brandeis	122	38	0	84
	6161	3778	1006	2383

Of the 6161 who entered Grade 10, only 3778 graduated. More than one-third were lost en route.

It is fair to assume that a good portion of and probably the great majority left school because the school curriculum was not attractive enough to keep them in school or valuable enough to retain their interest. Perhaps many of them felt that the curriculum was too archaic and outmoded to meet their specific needs and that therefore further schooling was a waste of time for them. One example of our outmoded philosophy of curriculum will illustrate this point. It may be found in School Document No. 4 of 1940 at Page 173—which I

understand is still in use in the Junior High School and which reads as follows:

IV. Radicalism.

A. Definition: Destruction of "roots of our economic and political system."

B. Principles.

1. Belief that means of production should be owned by government, not by individuals.
2. No freedom of contract, only public control of activities.
3. No "profit motive" to be allowed, only "spirit of service."

Note: Another name for this system is "collectivism."

C. Forms of radicalism.

1. Socialism

a. Definition: The system which wants to change the "capitalistic" organization to the collectivist system by evolutionary or peaceful and gradual methods.

b. Methods

- (1) Election of Socialist members to legislatures.
- (2) Gradual extension of government ownership to include more and more productive enterprises.
- (3) By educational propaganda.
- (4) By extension of labor organizations.
- (5) To the final absorption of all means of production by the government.

Activity:

Make a cartoon on "A Spiderweb of Socialist Control"

2. Communism

"_____"

3. Anarchism

"_____"

Surely no one believed today that the extension of labor organizations is a form of radicalism to be classed in the same category with communism and anarchism.

It seems to me that we must reorient our position and revalue our policies. This is not only a matter of concern to the school committee and school personnel, but to the community at large.

The curriculum of today must provide not only for a study of European life, language and philosophy, but must also set its sights on the Asiatic world. Many of our leading statesmen and educators have said that had we studied the peoples and philosophies of the Orient in the high schools and colleges in the first quarter of this century, we might not have been involved in the Korea of today. It has also been said that while we are supplying material wealth to the Orient, our failure to understand the ideological conflict in that part of the world.

c. The senior high schools. Grades 11 and 12 should be years

of specialization in the pupil's chosen field. After the intensive training in fundamentals in the elementary school and junior high school, the maximum course selectibility of the junior high school, the various aptitude and other tests referred to above and the advice and counsel of the guidance teacher, the pupil should be prepared to take intensive training in his special field, whether that field be preparation for college, a scientific school, a business, a trade or a future as a homemaker. To care adequately, efficiently and properly for these needs of the mature young man and woman of Grades 11 and 12 and beyond in special cases, we must revise our entire approach to secondary school education. As things are done today in some of our high schools, our pupils succeed primarily in getting only one year older annually. Too many acquire too little of that kind of education that will prepare them to meet the challenge of life.

To counteract this frustrating experience which is one major reason for dropouts and truancies, I suggest the discontinuance of district high schools and the establishment of such schools for Grades 11 and 12 and beyond as will meet the needs of specialization. We should establish the best high school possible for each purpose—a classical school for academic pupils who wish to go to a general college, a scientific school, a trade school, a business school, a homemaking school, etc., to fill each need.

As matters stand now, we are spreading ourselves too thin. We teach too many of the same kind of courses in too many schools. Fifty years ago when transportation was a serious problem, the district high school was a necessity. Today it not only doesn't fill any real need; it performs a disservice—and an expensive one—to the pupil. By spreading ourselves thin and having twenty-two high schools, when a better and more efficient job could be performed in ten or less such schools, we not only waste millions annually in taxes, but far more important we are unable to provide better tools and better instruction to our boys and girls.

I realize that this is a break with tradition in Boston. But it must be realized—and I wish to emphasize it—that in order to save the greater tradition—the tradition of America—it may be necessary to break with local tradition. I anticipate many howls of protest from alumni and special interest groups. To the alumni of the respective schools, may I say that the devotion that these people show to that piece of real estate, which houses the school of their youth, would better be diverted to a realization and solution of the greater problem of public school education. To the special interest groups, may I say that if the general situation is allowed to deteriorate

further, their special interests will suffer along with the general interest.

One more observation and I will conclude. With respect to such trade, vocational, business and science schools among others that may result from community planning and action on the above proposals or any outgrowth of them, I suggest that the trades, industries, etc., involved undertake to provide the plant, the machines and all the elements that will go to making each such institutions the best of its kind in the country. I suggest further that they do this at their own expense with no obligation on the part of the city other than to help in the planning and to assume the upkeep, etc., once the necessary building and equipment have been provided. Business and industry stand to gain considerably from such an investment. Not only would this co-operative effort reduce Boston's tax rate and thus contribute to the profits of business and industry, but even more important, business and industry would be contributing its share towards training their future workers.

The increased efficiency of these future workers, trained in modern schools on modern machines, etc., with modern "know how" should result in increased profits to the participating industries in a short period. And most important, industry, from its profits, will help build a more educated and integrated community.

I invite the comments of all persons as indicated in the first part of these remarks. It is possible that all the observations I have made may not approach a solution to the problem. But I am convinced that the combined thinking and action of the competent and interested groups in our city can come up with a solution that will result in better education for democratic living for our youth.

I request further that if the basic considerations contained herein meet with the approval of the School Committee that the Chairman or I be authorized to request such educational, civic, business and labor leaders such as deans of schools of education, representatives from the Chamber of Commerce, CIO and AFL, etc., to organize and study these comments, and report back to the School Committee.

I would like to thank you for your indulgence.

Miss Fitzgerald: Mr. Chairman, could I ask that before an insertion in the minutes we see the names of the schools that you made the dropouts?

Mr. Muchnick: I will be very happy to read them. They are the names of each one of our high schools, and each figure is taken from the official records kept in our Statistics Department and furnished to me by the Statistics Department, which did an excellent job of compilation, incidentally.

Miss Fitzgerald: I did know about where the figures came from.

Mr. Muchnick: I would like to compliment Mr. Lynch, Miss Fetherston, and Mr. Winter, who went out of their way to furnish these.

Miss Fitzgerald: Mr. Chairman, I would also like, since Mr. Muchnick is inviting comments on his presentation, to say that it has evidently been given a great deal of his time and study.

I would also like to point out that there is a certain danger in specialized education, and it is becoming recognized by an appreciable number of educational leaders that they would much prefer, even in various companies, to have a young man or a young woman with a general training rather than a specialized training in many instances, and to train them from the ground up within their own organization.

For instance, the General Electric Company prefers to have a young high school graduate who has had a general course or a college graduate who has had a general course whom they will train in their methods and take on as an apprentice in their various training programs.

There is a certain danger, I think, in the tendency to overspecialize. I certainly think we can always stand a bit of re-evaluation, and I think that those portions of the suggestions and recommendations in the report that Mr. Muchnick has made certainly are worth heeding.

I also would like to say that I think that sewing and carpentry and cooking in the elementary or the junior high school sections of our system are worth having there. I don't think they are merely for enjoyment purposes. I think that the youngsters do get something out of them. I do not know whether that is an accurate quote of what you said in your report, Mr. Muchnick, but you did make a reference to carpentry, sewing, and cooking.

Mr. Muchnick: To curtailment, not elimination.

Mr. Chairman, as I started out, I now repeat that I invite the comments of everybody.

Miss Fitzgerald: Mr. Chairman, I just want to say that your enumeration of the groups was such that you did not make any special reference to our own administrative staff, who certainly should be included.

Mr. Muchnick: I said that very clearly at the beginning. I would also like a study and report from the Superintendent and the Administration.

Mr. Carr: I am sure that the Chair and the members of the Committee appreciate the time and the effort that you must have devoted to this study, Mr. Muchnick, and I believe there are many things in there that merit further study. It is entirely too great a question to consider here

and either to discuss or solicit comments because of the time.

Mr. Muchnick: I agree with you.

Mr. Carr: I would like to see it referred to those organizations that you mentioned and referred to the Superintendent in order that they may break it down into certain phases which you eliminated and bring in their recommendations along with these other organizations.

Mr. Muchnick: I would like, with the approval of the School Committee, for the Chairman of the Committee to form such committee as she thinks advisable.

Miss Fitzgerald: Mr. Chairman, I have no objection to that. May we have a copy of your report?

Mr. Muchnick: Yes.

UNFINISHED BUSINESS

The two orders laid over at the meeting of Mar. 18, 1953, making additions to and changes in the List of Authorized Text Books, were taken up and passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, and Mr. Muchnick—3.

NAYS—0.

ABSENT—Dr. Foley, and Mrs. Lyons—2.

The Committee adjourned.

Attest:

AGNES F. REYNOLDS,
Secretary.

April 1, 1953

A meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 9:30 a. m., the Chairman presiding.

Present: Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick.

TAKING OF OATH BY PERSONNEL OF SCHOOL DEPARTMENT

Dr. Foley: Madam Chairman, I would like to state in public meeting and to those who are here with regard to the statement in the paper on the entire Communistic setup. I want this placed in the record in public meeting.

I am heartily in accord with the forthright action taken by Superintendent Haley in the suspension of a Boston teacher who is now under investigation by the Senate Committee probing subversive activities.

As public officials, we are charged with the duty of upholding the Constitution of the United States and the Commonwealth of Massachusetts—

Mr. Carr: Madam Chairman, could I interrupt you just a minute, Doctor? Does the member intend this as his own personal—

Dr. Foley: No, I do not.

Mr. Carr: You are not giving this out as the consensus of the Committee?

Dr. Foley: No, I am not, Mr. Carr.

Mr. Carr: Madam Chairman, I would like to bring out the fact that I don't think any discussion of this would be proper at this time before it is adjudicated—

Dr. Foley: This is entirely voluntary.

Mr. Carr: I think it behooves the member to give it out as his own observation.

Dr. Foley: I am going to give it out as an order, Mr. Carr.

Mr. Muchnick: Madam Chairman, I don't know anything at all about what Dr. Foley is going to say in the rest of his statement, and I don't know why he shouldn't be permitted to say anything he wishes to, especially when it starts out, as it does, in the first person: "I am in hearty accord," referring solely to his own feelings in this matter or any other matter.

Mr. Carr: I think later on he refers to "we as public officials."

Mrs. Lyons: Dr. Foley has the floor.

Dr. Foley: I want to explain to Mr. Carr. We—meaning public officials, including the Legislature and so forth.

Mr. Carr: The Editorial "we"!

Dr. Foley: We are charged with the duty of providing an atmosphere for the children in our schools which is free from physical, mental, and moral contamination. When an emergency exists, summary action is necessary. We cannot act complacently while our American youth is being slain on the battlefields of Korea by those who espouse the cause of Communism.

If there are any in our school system who are paving the way for Communism and its attending slaughter, it is our duty to ferret them out now.

We have had our school personnel X-rayed to determine whether any are physically unfit for their educational duties.

I propose that this School Committee take immediate action by X-raying the minds of our school personnel to determine whether a loathsome mental disease in the form of Communism might be permeating our system.

The mental X-ray which I propose is the answering of a questionnaire by all the personnel in the Boston School Department from the School Committee down. I want to be submitted to such an X-ray, and I am sure that all other God-fearing Americans in our school system have the same attitude.

The questionnaire that I propose would be somewhat as follows—it could be changed somewhat, probably, by the Superintendent if he sees fit—to be answered unequivocally yes or no:

1—"Are you a Communist?"

2—"Were you ever a Communist?"

3—"Are you sympathetic to the principles of Communism?"

4—"Are you or were you a member of any organization that is known to you to be considered

Communistic and subversive by the Federal authorities?"

5—and this, I believe, is most important—"Are you willing to take the anti-Communistic oath?"

I recommend that the questionnaire be prepared immediately and distributed throughout our school system for answer and signature under oath by every member of the Boston School System.

The lives of our youth and the minds of our children are more precious than the vanity of fellow-travelers.

Now, Madam Chairman, this is entirely voluntary. I seek only—and I am quite sure the administrators and the School Committee, who are trustees, seek only—to find out the frame of mind of our school personnel towards Communism.

The outcome of the questionnaire will determine what further action may be taken. We don't intend to witch-hunt—at least I don't intend to witch-hunt or carry out judicial proceedings. We do want to know what the Boston School Department's attitude is towards Communism.

We have full faith in our God-fearing personnel, and I certainly have God-fearing personal respect for every teacher and the entire personnel in our school system, but we have a cold war now going on. We don't want a hot war, but we do want to feel—and at least I as one of the members of the School Committee want to feel—that if we can ferret out any of these individuals that permeate our system, then I am quite sure the administration and the School Committee will do everything in their power.

As I say, we have full God-fearing faith in our personnel. We are only worried that someone might be lurking about ready to break down our American tradition.

I ask, Madam Chairman, that that go in as an order that the questionnaire be prepared by the administrator, who is the Superintendent of Schools, and that he communicate with the entire personnel of the system.

Mrs. Lyons: Is there any objection?

Mr. Muchnick: I for one would like to commend Dr. Foley for an excellent analysis and a forthright facing of a very unpleasant set of circumstances that have been forced upon the School Department by recent events.

Dr. Foley: Madam Chairman, I would like Mr. Kerr, who is a notary, at least to swear me in on the oath that I would like everybody else to take; so if you see fit, Mr. Kerr, I would be glad to acquiesce to the five questions that I have specified in my questionnaire, and I so take it that I will be glad to take such an oath voluntarily.

Miss Fitzgerald: Madam Chairman, does Dr. Foley comprise in his order the idea that you are asking first whether the employee

is willing, or are you making it compulsory for all employees?

Dr. Foley: No, it is entirely voluntary, Miss Fitzgerald.

Miss Fitzgerald: In other words, you are asking if they are willing to do so?

Dr. Foley: It is just voluntary, and the Superintendent can send such a questionnaire to everybody.

Miss Fitzgerald: As a fellow member of the Committee, I just wish to state my own willingness to answer forthrightly those questions.

Dr. Foley: I would like the entire Committee to take the oath now while Mr. Kerr is here so that at least we can show the city and the country at large that we are interested in stampeding this dreadful disease or pathological setup in whatever form it is.

Miss Fitzgerald: Madam Chairman, I would like to state that you have two notaries present. One is a member of your Committee and one is in the audience. There may be more.

Dr. Foley: I know there is a notary on the Committee; I would rather have somebody outside the system.

Mrs. Lyons: Mr. Kerr, I think that you have been chosen to administer the oath.

Secretary: Wait until you take action. This isn't a matter of record here.

Dr. Foley: This is a matter of record first.

Secretary: There isn't any vote on it.

Mrs. Lyons: If there are no objections, would the Committee be willing to vote on this?

Mr. Kerr: Madam Chairman, you have requested that I, as a notary public, administer a proposed oath to the members of the Committee and perhaps other people present. It strikes me, number one, that what Dr. Foley has suggested is that this be an oath in writing and duly subscribed and sworn to by the several individuals.

Dr. Foley: That is correct.

Mr. Kerr: The idea in particular being that a form of oath comparable to the various matters he has called to attention be included in this writing which obviously is going to take a little time to prepare and check against the ordinary type of oath that is administered to public officials within and for the Commonwealth.

I therefore respectfully suggest that the vote on the question of whether this type of oath is going to be requested or suggested as a voluntary act on the part of the various school personnel be taken, that the Superintendent thereupon consult with the Law Department as to an appropriate form, and that the first suggestion be suspended until the next meeting of the Committee.

Dr. Foley: I agree with that, Madam Chairman.

Mr. Muchnick offered the following:

ORDERED. That this Committee accepts Mr. Kerr's suggestion but that at the same time it adopts the principle suggested by Dr. Foley in his statement and in the specific recommendation that he makes concerning declarations of a person's activities and intentions once those are worked out formally by the Law Department.

Miss Fitzgerald: Madam Chairman, as I see it, this is just having our personnel stand up and be counted as for our own system of government.

Dr. Foley: That's all. It is purely and entirely voluntary.

On roll call, the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0

Mr. Carr: Madam Chairman, I would like to compliment Dr. Foley on his foresight.

CONTRACT FOR SCHOOL PLANT STUDY

Chairman: I would like to lay before the School Committee a contract between the President and Fellows of Harvard College and the City of Boston for an appraisal and survey, by said College's Center for Field Studies, of the present and future public school building needs of the City of Boston.

The following was offered:

VOTED: That the Chairman be, and she hereby is, authorized to execute and deliver the contract laid before the Committee by her.

On roll call, the vote passed by the following vote:

YEAS—Dr. Foley, Mrs. Lyons, and Mr. Muchnick—3.

NAYS—Mr. Carr and Miss Fitzgerald—2.

BOND ISSUE FOR NEW SCHOOLS

The Secretary read the following letter to be sent to his Honor, the Mayor, John B. Hynes, with reference to a bond issue for additional school accommodations:

April 2, 1953

Honorable John B. Hynes

Mayor of Boston

City Hall, Boston

Dear Mr. Mayor:

Public and private housing recently constructed, or in process of construction, in the City of Boston has brought about a need for new elementary schools.

With a view to meeting this need in the most efficient manner, the School Committee has contracted with the Center for Field Studies of Harvard University's Graduate School of Education for a survey of Boston's school plant. The School Committee is presently awaiting the receipt of the final report on this survey. It would seem self-evident, however, that the appropri-

ate method of financing the new construction which will inevitably be involved would be by a bond issue.

Accordingly, the School Committee hereby respectfully requests that your Honor recommend to the City Council that it originate a five million dollar loan order for the purpose of acquiring land for, and constructing, public schoolhouses in the City of Boston now constituting, or hereafter becoming, approved school projects within the meaning of Mass. St. 1948, ch. 645, as amended, including originally equipping and furnishing such schoolhouses.

The School Committee will seek to have each of the above-mentioned schools approved by the Massachusetts School Buildings Assistance Commission under Mass. St. 1948, ch. 645, as amended, and thereby obtain a State grant of approximately 20% of the cost of each school to help meet the payments on such bond issue.

Respectfully submitted,

(Signed) ALICE M. LYONS

Chairman

On roll call, the members agreed to submit the foregoing communication to his Honor, the Mayor, by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

The Committee adjourned.

Attest:

AGNES E. REYNOLDS,

Secretary

EXTENSION OF FAYWOOD AVENUE, EAST BOSTON.

The Mayor has approved the following vote of the Board of Street Commissioners for a public improvement, consisting of the laying out and construction of an extension of Faywood avenue, East Boston district, as a highway, from Tower street approximately 600 feet westerly, bounded and described as follows:

An extension of the highway named Faywood avenue is hereby laid out, from Tower street to Valler road, and ordered constructed.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Easterly by Faywood avenue (highway), 45.22 feet; southerly by the southerly line of said extension of Faywood avenue as hereby laid out, by five measurements, 14.91 feet on a curve of 9.28 feet radius, 33 feet, 15.79 feet on a curve of 10 feet radius, 400.02 feet on a curve of 1,180 feet radius, 197.85 feet; westerly by the westerly line of said extension of Faywood avenue as hereby laid out, 40 feet; and northerly by the northerly line of said extension of Faywood avenue as hereby laid out, by two

measurements, 197.85 feet and 446.66 feet on a curve of 1,220 feet radius.

Trees or structures standing upon or affixed to the aforesaid land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting parcels of land situated on both sides of Faywood avenue as extended under this order will receive benefit or advantage, beyond the general advantage to all real estate in said city from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on the plan hereinafter referred to and on file in the office of this department.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the laying out and construction of an extension of Faywood avenue, East Boston district, as a highway, from Tower street to Valler road, under the order of the Board of June 2, 1953, and awards no damages therefor.

CONSTRUCTION OF OVERLOOK STREET, EAST BOSTON.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement, consisting of the laying out and construction of Overlook street, East Boston district, as a highway, from Waldemar avenue to Faywood avenue, to be called Crestway road or some other distinctive name, bounded and described as follows:

A highway named Crestway road is hereby laid out, from Waldemar avenue to Faywood avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Frank Pastore, bounded:

Northerly by Overlook street, 60.06 feet; southerly by Faywood avenue, 68.65 feet; westerly by the westerly line of Crestway road as laid out under this order, 40.29 feet on a curve of 15 feet radius, containing 708 square feet, more or less.

A parcel of land, supposed to belong to Mario and Elizabeth Mattera, bounded:

Northerly by Overlook street, 39.93 feet on a curve of 1,415 feet radius; easterly by the easterly line of Crestway road as laid out under this order, 31.04 feet on a curve of 12.10 feet radius; southerly by Overlook street, 39.70 feet, containing 301 square feet, more or less.

The land, owners unknown, heing the private way known as Overlook street. Said Crestway road as hereby laid out is bounded:

Northerly by Waldemar avenue, by two measurements, 51.19 feet and 193.46 feet on a curve of 878.45 feet radius; easterly by the easterly line of Crestway road as hereby laid out, 31.04 feet on a curve of 12.10 feet radius; northerly by the northerly line of Crestway road as hereby laid out, by two measurements, 329.19 feet and 128.19 feet on a curve of 301.12 feet radius; southerly by Faywood avenue, 244.03 feet; westerly by the westerly line of Crestway road as hereby laid out, 40.29 feet on a curve of 15 feet radius; and southerly by the southerly line of Crestway road as hereby laid out, by two measurements, 289.45 feet and 140.20 feet on a curve of 415.94 feet radius.

Trees or structures standing upon or affixed to the aforesaid land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting parcels of land situated on both sides of Crestway road (formerly Overlook street) as laid out under this order, from Waldemar avenue to Faywood avenue, will receive benefit or advantage, beyond the general advantage to all real estate in said city from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on the plan hereinafter referred to and on file in the office of this department.

FIRE DEPARTMENT ORDERS.*General Order No. 27.***FIREMEN'S MEMORIAL SUNDAY.**

The 60th anniversary of Firemen's Memorial Sunday will be held on Sunday morning, June 14, 1953. Sumner G. Whittier, Lieutenant Governor of Massachusetts, will be orator of the day. Lieut. George E. Graney will be chief marshal.

A detail consisting of one man from each engine, ladder, and rescue company will act as an escort to the various organizations participating in the Memorial Exercises. The detail shall report to Captain-Drillmaster Augustus J.

Beaupre, in front of Engine Company 3, Harrison avenue and Wareham street, at 9.30 A.M.

The detail will include the trustees or members of the Charitable Association of the Boston Fire Department who are on duty that day. Regulation uniform with sack coat and white gloves shall be worn on this occasion.

Members on the night tour of duty Saturday, June 13, 1953, who are to participate in the services will be excused from roll call if relieved by members of the oncoming shift prior to eight o'clock.

Members of the department who are off duty on Sunday, June 14, are invited

to participate in the Memorial Exercises and it is hoped that a large number will be present to honor the memory of the deceased members of this department.

Members of the department who are on the Committee on Arrangements will be granted sufficient time to attend to their customary duties and those members of the committee who are scheduled to work on Sunday, June 14, will be excused from duty that day.

The Boston Fire Department Band and Color Guard will take part in these exercises. They shall report to District Chief-Band Manager James F. White, at Engine Company 3, at 9.30 A.M.

BUILDING DEPARTMENT.

Members of the band and color guard who are working the night tour of duty the 13th will be excused at 7 A.M. Members working the day tour the 14th will be excused until 3 P.M.

Captain-Drillmaster Augustus J. Beaupre will be in charge of the formation of members in the line of march. The buses that will convey the members to the cemetery will return members who desire it to Engine Company 3.

By order of Fire Commissioner
JOHN F. COTTER.

JOHN V. STAPLETON,
Chief of Department.

POLICE DEPARTMENT ORDERS.

General Order No. 1773.

Detective Edward L. Twohig, Jr., of Division 4, is commended for his outstanding police work on May 17, 1953.

While on his way to work, the then Patrolman Twohig was informed by two police officers that two variety stores on Division 4 had been held up and a woman shot in the head. Having time before he was due to report, Patrolman Twohig drove to the vicinity of a variety store which he had previously considered a likely place for a holdup. As he parked his car he noticed a young man come out of the store, look around and then re-enter. Shortly after, this man ran out the door toward a car parked across the street. Patrolman Twohig grappled with this man in the middle of the street and suddenly a burst of gunfire came from the parked car, one of the bullets penetrating the lower abdomen of the officer. Despite his wound, the officer held the prisoner and fired three shots at the fleeing car. He then called upon a citizen for assistance, gave him his gun to cover the prisoner and then collapsed.

Shortly after, other officers arrived and took the prisoner into custody. It developed that when he had attempted to hold up the proprietor of the variety store, the gun was knocked out of his hand and he was running for the parked car when apprehended by Patrolman Twohig. As a result of his arrest, the other two members of the holdup gang were captured. These men had been involved in seven armed robberies.

The commissioner is pleased to recognize the exceptional courage and devotion to duty shown by this officer which reflects great credit upon the department, and he has been promoted to detective third-grade, effective May 20, 1953.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 1774.

A trial band, consisting of Captains Charles J. Deignan, George F. Snell, and Cornelius F. O'Brien, having heard by reference a complaint made by Capt. Maurice F. Murphy, commanding Division 15, against Patrolman Michael A. Ingemi, Division 15, charging him with violation of the rules and regulations of the Police Department, has reported a finding of not guilty.

Finding of Trial Band is approved, in accordance with which it is hereby or-

dered that the complaint against the said Patrolman Michael A. Ingemi be dismissed.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 1775.

The Police Commissioner having heard the complaint of Deputy Superintendent James J. Hinchey, commanding Traffic Division, against Patrolman John W. Delaney, Traffic Division, on Friday, May 22, 1953, at Police Headquarters, charging him with violation of the rules and regulations of the Boston Police Department, has made a finding of guilty.

Therefore, it is ordered that the said Patrolman John W. Delaney be suspended for a period of thirty days, effective as of Monday, May 18, 1953, at 5:45 o'clock P.M.

5:45 o'clock P.M.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 1776.

The following promotions and assignments are hereby ordered, to take effect Wednesday, June 10, 1953, at 5:45 o'clock P.M.:

To the Grade of Sergeant.

Patrolman Howard G. Kelly, from Division 2 to Division 9.

Patrolman John J. Moulds, from Division 16 to Division 19.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

CONSTRUCTION OF WILTON STREET, HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the laying out and construction of Wilton street, Hyde Park district, as a highway, from Hyde Park avenue approximately 453 feet southeastwardly, bounded and described as follows:

A highway named Wilton street is hereby laid out, from Hyde Park avenue easterly for a distance of approximately 453 feet easterly, and ordered constructed.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Westerly by Hyde Park avenue, 40 feet; northerly by the northerly line of

Wilton street as hereby laid out, 452.80 feet; easterly by the easterly line of Wilton street as hereby laid out, 40 feet; and southerly by the southerly line of Wilton street as hereby laid out, 452.53 feet.

Trees or structures standing upon or affixed to the aforesaid land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting parcels of land situated on both sides of Wilton street, from Hyde Park avenue easterly for a distance of approximately 453 feet, will receive benefit or advantage, beyond the general advantage to all real estate in said city,

from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on the plan heretofore referred to and on file in the office of said department.

CIVIL SERVICE EXAMINATIONS.

ASSISTANT DRAWTENDER, BOSTON PUBLIC WORKS DEPARTMENT, AUGUST 7, 1953.

Last day for filing applications, Friday, July 17, 1953.

Salary: The minimum salary is \$55.50 a week; the maximum salary is \$68 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: Under immediate supervision, to assist the drawtender or first assistant drawtender in the operation and maintenance of a movable bridge during an assigned shift; and to perform related work as required.

A knowledge of the United States Government regulations governing the opening and closing of drawbridges in Boston Harbor is necessary. A copy of these regulations may be obtained from the Commissioner of Public Works, Room 511, City Hall Annex, Boston.

CITY OF BOSTON.

HOSPITAL DEPARTMENT (SANATORIUM DIVISION).

INVITATION FOR PROPOSALS FOR INTERIOR PAINTING AND PATCH PLASTERING.

The Trustees of the Boston City Hospital, hereinafter referred to as the Awarding Authority, invite sealed proposals for interior painting and patch plastering at the Sanatorium Division, 249 River street, Mattapan district, Boston, Mass.

Proposals will be received until 12 o'clock noon, Tuesday, June 30, 1953, at the office of the Assistant Superintendent of the Sanatorium Division, 249 River street, Mattapan district, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the office of the Assistant Superintendent of the Sanatorium Division, 249 River street, Mattapan district, Boston, Mass. Each copy of the proposal shall be properly filled out, signed and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

Specifications may be obtained after 12 o'clock noon on Monday, June 5, 1953, at the office of the Assistant Superintendent of the Sanatorium Division, 249 River street, Mattapan district, Boston, Mass.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the amount of \$2,000, shall be submitted with each bid filed with the Assistant Superintendent of the Sanatorium Division.

The rate per hour to be paid those men employed to do the work under this contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts, a copy of which schedule is attached to the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of workmen under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under the contract.

A performance bond, issued by a surety company, satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids or any part or parts of a bid if it be in the public interest to do so.

No bid of a bidder shall be withdrawn prior to thirty (30) days from the opening of the bids by the Awarding Authority.

TRUSTEES OF THE BOSTON CITY HOSPITAL,
(June 13.) RICHARD J. CONDON,
President.

The ability to handle a rowboat is required in order to assist in rescue work which may arise.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING KITCHEN EQUIPMENT, CHINA, TABLEWARE, ETC., FOR BOSTON PUBLIC SCHOOL KITCHENS AND CAFETERIAS.

The School Committee of the City of Boston invites bids for furnishing kitchen equipment, china, tableware, etc., for Boston public school kitchens and cafeterias. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street, Boston, Mass. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Kitchen Equipment, China, Tableware, etc." The bid must be in duplicate. One copy, signed by the bidder and accompanied by a certified check, payable to the City of Boston, in the amount of two hundred dollars (\$200), must be left at the office of the Business Manager on or before 12 o'clock noon on Wednesday, June 24, 1953. Copies filed with the Business Manager will be publicly opened at 12 o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The School Committee reserves the right to reject any or all bids and to accept such bid or part of bid as may be deemed best for the interests of the city. The successful bidders will be required to furnish a suitable bond or deposit of money through other security in the amount of not less than 50 per cent of the amount of the contract.

HENRY J. SMITH,
Business Manager of the School Committee.
(June 13.)

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

No. 123-519.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING ICE CREAM FREEZER AND HARDENING CABINET TO THE BOSTON SANATORIUM.

Proposals may be obtained at Room 1001, City Hall Annex. At this room the bids will be opened and read Monday, June 22, 1953, at 10 A. M. The bidder must leave his proposal with a certified check, payable to and to become the property of the City of Boston if the proposal is not carried out. A duplicate, without check, must be left with the Auditor prior to the time for opening bids. Envelopes containing bids to be sealed and marked "Proposal for Ice Cream Equipment." The successful bidder must furnish a performance bond for approximately one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts. The Superintendent reserves the right to accept or reject any and all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

JOHN V. MORAN,
(June 13.) Superintendent of Supplies.

PUBLIC WORKS DEPARTMENT.

Proposals for Bituminous Concrete Pavement in Annunciation Road, Ward 4, Parker Street, and in Cabot Street, Sheet Asphalt Pavement in Ruggles Street, Wards 4 and 9, from Washington to Huntington Avenue, Whittier Street, Ward 9, from Cabot Street to Ruggles Street; and Artificial Stone Siding in Cabot Street, Ward 9, from Ruggles Street to Whittier Street; Tremont Street, Ward 9, from Ruggles Street to Whittier Street; and Such Additional Locations, If Any, in Wards 4 and 9. As May Be Designated by the Commissioner of Public Works.

The Commissioner of Public Works of the City of Boston, Room 508 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of 50 per cent thereof is owned by a citizen or citizens of the United States, for bituminous concrete pavement in Annunciation Road, Ward 4, Parker Street, and in Cabot Street, Ward 9, from Ruggles Street to Whittier Street, and in Such Additional Locations, If Any, in Wards 4 and 9. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Bituminous Concrete Pavement in Annunciation Road, Ward 4, Parker Street, and in Cabot Street, Ward 9, from Ruggles Street to Whittier Street, and in Such Additional Locations, If Any, in Wards 4 and 9." THURSDAY, JUNE 25, 1953, with a certified check for SIX THOUSAND (\$6,000) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room of the Street Commissioners, Room 401, City Hall Annex.

Proposals must be made in duplicate, the second copy to be placed in a sealed envelope by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at the City of Boston, and the bidder will be a charge of two dollars (\$2) for each set of plans and specifications taken out. If the price of any proposal is unusually high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing the same. The successful bidder agrees the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is attached to the specifications of the contract referred to herein. Copies of said schedule may be obtained, without cost, upon application thereto at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of workmen under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under the contract, and to keep the same in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. HYLAND,
(June 13.) Commissioner of Public Works.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

PROPOSALS FOR FURNISHING GROCERIES FOR BOSTON PUBLIC SCHOOL KITCHENS.

The School Committee of the City of Boston invites bids for furnishing and delivering at the several high, intermediate and junior high schools, groceries as per schedule. Proposal forms are obtainable at the office of the Business Manager of the School Committee, 15 Beacon Street, Boston, Mass. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Groceries for Boston Public School Kitchens." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager on or before 12 o'clock noon on Thursday, June 25, 1953. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening bids. The School Committee reserves the right to reject any or all bids, and to accept the bid which it deems best for the interests of the city. The bidder awarded the contract must furnish a suitable bond or deposit of money or other security for the faithful performance of the contract in the amount of not less than 50 per cent thereof.

DEPARTMENT OF SCHOOL BUILDINGS.

TO PLUMBING CONTRACTORS.

INVITATION FOR PROPOSALS FOR PLUMBING AND GAS WORK AT THE HENRY L. HIGGINSON SCHOOL, WALNUT AVENUE AND HARRISHPH STREET, ROXBURY, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, hereby proposes for plumbing and gas work at the Henry L. Higginson School, Walnut Avenue and Harrisph Street, Roxbury, Mass. Proposals will be received until 12 o'clock noon, Tuesday, June 23, 1953, at the office of the Awarding Authority, fourth floor, 26 Norman Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$100, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the date of opening of the proposals. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulations must be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

PUBLIC WORKS DEPARTMENT.

Proposals for Sewerage Works in Austin Street and Outlet in Marlboro Street; Reserve Road, at Sunnyside Street; Hyde Park, and Minor Sewerage Works in Various Streets in Hyde Park and Dorchester.

The Commissioner of Public Works of the City of Boston, Room 508 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half the stock is owned by a citizen or citizens of the United States, for sewerage works in Austin Street, etc. A bond will be required for doing the work of a surety company approved by the Commissioner in the full amount of ten per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained from Room 508 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposals for Sewerage Works in Austin Street, etc." and left at Room 508 (Contract Office), fifth floor, City Hall Annex, before 12 M. of THURSDAY, JULY 2, 1953, with a certified check for ONE THOUSAND (1,000) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposal will then be publicly opened and read in the Hearing Room of the Street Commissioners, Room 401, City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 508, City Hall Annex. There will be a charge of two dollars (\$2) for each set of copies and specifications turned out. If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts, of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without charge, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (Ter. Ed.), chapter 152, to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of the contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. HYLAND,
(June 13.) Commissioner of Public Works.

LIBRARY DEPARTMENT.

TO PAINTING CONTRACTORS.

INVITATION FOR PROPOSALS FOR CERTAIN PAINTING AND PAINTERS' WORK AT THE CONNOLLY BRANCH LIBRARY, 433 CENTRE STREET, JAMAICA PLAIN; EAST BOSTON BRANCH LIBRARY, 276 MARSH STREET, EAST BOSTON; FANEUL BRANCH LIBRARY, 419 FANEUL STREET, BRIGHTON; MATTAPAN BRANCH LIBRARY, 8-10 HALESTON STREET, MATTAPAN; WEST ROXBURY BRANCH LIBRARY, 1961 CENTRE STREET, WEST ROXBURY.

The Trustees of the Public Library of the City of Boston, hereinafter referred to as the Awarding Authority, hereby proposes for certain painting and painters' work in the branch libraries as listed above.

Proposals will be received until 12 o'clock noon, Wednesday, June 24, 1953, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Public Library of the City of Boston, Central Library, Copley square, Boston 17, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston 8, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of five hundred dollars (\$500), shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulations must be required prior to the awarding of the contract.

Specifications may be obtained on and after Tuesday, June 16, 1953, at the Business Office, Public Library of the City of Boston, Central Library, Copley square, Boston 17, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to accept or reject any or all bids, and to accept or reject any portion or portions of bids, and to award the contract as he deems for the best interests of the city.

THE TRUSTEES OF THE PUBLIC LIBRARY OF THE CITY OF BOSTON,
BY MILTON E. LORD,
Director.
(June 13.)

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 45

SATURDAY, JUNE 20, 1953.

No. 25

BOSTON'S TAX RATE ANNOUNCED AT \$70.70 FOR 1953 — MAYOR JOHN B. HYNES ISSUES STATEMENT SHOWING UNCONTROLLABLE FACTORS COMPELLING INCREASE DESPITE EFFORTS TO HOLD IT DOWN — AMONG THESE ARE ADDITIONAL MTA DEFICIT ASSESSMENT, INCREASED CITY AND COUNTY BUDGETS, AND SMALLER DISTRIBUTION OF STATE-SHARED TAXES — TO NAME COMMITTEE FOR STUDY OF FINANCIAL SITUATION.

I am advised by the Board of Assessors that, with the approval of Commissioner Henry F. Long, the tax rate of the City of Boston for 1953 has been established at \$70.70 per \$1,000 of valuation. While I had hoped that it might be possible to keep the rate in the vicinity of \$70, an examination of the various figures entered in the Assessor's computation indicates the validity of the declared rate.

It is far from pleasant to announce another increase in the tax rate. Under existing circumstances, however, and until the income structure of the city is strengthened and broadened, there is little, if any, likelihood of a lower rate.

CHAIRMAN EDMUND J. BURKE OF BOARD OF ASSESSORS, IN LETTER TO MAYOR HYNES, EXPLAINS CAUSES FOR JUMP IN BOSTON'S TAX RATE — COMMISSIONER LONG PRAISES MAYOR FOR TREMENDOUS EFFORT TO HOLD RATE TO A TRUE FISCAL PICTURE AND COPE WITH SITUATION MET — SAYS IT DEMONSTRATES GREAT ABILITY FOR ADMINISTRATION.

The following communications have been received at the office of the Mayor:

The 1953 Boston Tax Rate of \$70.70 was established by the Board of Assessors. This rate represents an increase of \$3.90 on the 1952 rate of \$66.80. The

(Continued on page 807.)

MAYOR HYNES INFORMED OF PART BOSTON PLAYED IN TORNADO DISASTER AND OFFERS OF HELP TO WORCESTER BY PARK DEPARTMENT AND REGIONAL DEFENSE DISTRICT.

Mayor John B. Hynes, Regional Director of Civil Defense for this district, has been pleased to learn of the efforts to aid Worcester and the tornado districts during the disaster of last week. The Mayor has received letters from W. Anthony Comerford, Regional Administrative Assistant, and from Chairman Frank R. Kelley, of the Boston Park

(Continued on page 807.)

The increase of \$3.90 may be attributed to increased operating requirements, the existence of unfavorable factors not present in the 1952 rate, and to a reduction in assessed valuations. The first two factors have resulted in an over-all increase of roughly \$5,500,000 in the property tax levy, and to this amount may be attributed \$3.60 of the increase. Assessed valuations reflect reduction of approximately \$8,000,000 from 1952, thus accounting for 30 cents of the total increase.

The following table indicates in segregated form the important items entering into the increase in the over-all property tax levy:

Reduction in anticipated distribution of state-shared taxes	\$2,850,966 90
Provision, as required by statute, for deficits in overlay accounts established in 1950 and 1951	2,663,996 94
Increase in city and county budgets	2,058,937 66
Additional MTA deficit assessment	1,690,585 84
	\$9,264,487 34
Anticipated increases in departmental revenues	\$1,714,719 62
Reduction in school budgets	1,453,265 74
Reduced requirements for principal and interest payments on city debt	596,080 27
	3,764,065 63
	\$5,500,421 71

As will be noted from the above table, the amount the city anticipates to receive from a distribution of state taxes will be almost \$3,000,000 lower than 1952. Accumulative deficits on the overlay account require the appropriation of over \$2,500,000. The increase of slightly over \$2,000,000 in city and county budgets is mainly because of the full 12-month operation of the classification and compensation plan and the extension of that plan to include employees in the Fire, Library, and Police Departments. The 1952 operating deficit of the MTA calls for a payment in 1953 of \$1,690,000 more than in 1952.

Economies in Effect.

Wherever possible in the city government inefficient or wasteful practices are being eliminated; a no-hiring policy for permanent employees is in effect, and such policy will show much better results when the planned reorganization of city departments is accomplished; economies are constantly being made wherever it is possible to do so. The expenditures

(Continued on page 807.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the shining
teeming plain of the ocean;
May thy future be bright, thy skies beam
with light all serene,
Ensured by thy sons' and thy daughters'
unselfish devotion."

From Boston Centennial Poem by

NATHAN HASKELL DOLE.

A rate of \$4 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must be in hand by 5 P.M. Wednesday of each week to insure its publication in the Saturday issue.

MUNICIPAL CALENDAR.

Meeting of the City Council, Monday, June 22, at 2 P.M.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To the BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments of streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in public streets; the making of specific repairs in public streets; the naming of

public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles, and posts for telephone, telegraph, street railways or illuminating purposes, signs, marquees, bay windows, coal holes, and vaults.

To the BOSTON TRAFFIC COMMISSION, 112 Southampton street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads, and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To the COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting, and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges, and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To the HEALTH DEPARTMENT, Haymarket Square, for information relative to the inspection of milk, vinegar, meat, fish, and vegetables, the issuance of permits for stables, slaughterhouses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To the BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth Avenue, Back Bay Fens, Marine Park, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made to this department for information

regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mount Hope, Evergreen, Fairview, and other public cemeteries owned by the City of Boston.

To the SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

To the DEPARTMENT OF SCHOOL BUILDINGS, 28 Norman street, for information as to the construction and repair of school buildings.

To the BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal, or tearing down buildings.

To the STATISTICS DEPARTMENT, 63 City Hall, for historical, geographical, political, and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To the ELECTRICAL INSPECTION DIVISION OF THE FIRE DEPARTMENT, 115 Southampton street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 808, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To the BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending June 13, 1933.

Population as of July, 1932, Massachusetts State Census, 817,713; population estimated July, 1931, United States Census Bureau, 801,441; number of deaths (stillbirths excluded): Residents, 137; nonresidents, 56; total, 213.

Death rate per 1,000 of population: All deaths, 14.12; nonresidents deducted, 10.02.

Death rate per 1,000 of population:

Last week, 15.94; corresponding week last year, 13.66.

Deaths by age periods, sex, etc.: Under one year, 16; one year to four years, inclusive, 3; sixty years and over, 136. Total deaths: Male, 129; female, 84; deaths in hospitals and institutions, 147.

MAYOR ANNOUNCES BOSTON'S 1953 TAX RATE.

(Continued from page 805.)

over which the Mayor has direct control are carefully scrutinized. There are no loopholes for injudicious spending. On the same hand, there are no opportunities for large-scale economies short of reducing the quality and quantity of the services now performed by the city.

In terms of the tax rate, Boston's current financial outlook is not rosy. A high tax rate has a dampening effect, directly or indirectly, on every business and every person in our city. The taxpayers of Boston need help. The 1953 property tax levy represents 73 per cent of the total operating requirements for 1953. In no other large city in our country does such a condition obtain. It is becoming more and more obvious that we cannot continue to maintain a metropolitan-type city, and offer as wide a variety of services, unless there is more income available to the city.

Within a few days I shall appoint a committee to make recommendations relative to Boston's financial situation. I hope the report of this committee will be supported by all those who realize that a high tax rate, going higher each year, is the highroad to real trouble.

BOSTON SHARES IN HELP TO TORNADO VICTIMS.

(Continued from page 805.)

Department, on the offers of service during the critical situation. The communications read as follows:

COMMONWEALTH OF MASSACHUSETTS,
CIVIL DEFENSE AGENCY,
334 BOYLSTON STREET, BOSTON.

June 11, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.
DEAR MAYOR HYNES:

You will be interested to know that the Region 5 Control Center at Milton has been activated almost continuously since 6 P.M. on the night of June 9, 1953, when the situation at Worcester proved so disastrous.

All the key sector cities and the remaining communities have been on the same active basis in accordance with our planning for the past couple of years, with perhaps one or two exceptions.

The cooperation has been exemplary and the fulfillment of all requests from the tornado area coming from all parts of the region speaks well for the organization in the Metropolitan area.

I feel certain that we have accomplished some good in the way of relieving those unfortunate people in the area of need.

Very truly yours,

W. ANTHONY COMERFORD,
Regional Administrative Assistant,
Region No. 5.

PARK DEPARTMENT,
33 BEACON STREET, BOSTON.

June 11, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.
DEAR SIR:

I enclose, herewith, copy of report received from Joseph M. Walsh relative to services that we offered to the City of Worcester in connection with the recent tornado there.

For your information, the Park Department group reported to Worcester officials and were informed that because of the large number of volunteers and the amount of equipment available, they would not require this assistance from the City of Boston. Accordingly, our

men returned with the equipment. However, I think you should know of our offer.

Respectfully yours,

FRANK R. KELLEY,
Chairman.

CHAIRMAN OF BOARD OF ASSESSORS EXPLAINS JUMP IN BOSTON'S TAX RATE.

(Continued from page 805.)

total amount to be raised this year is \$153,935,749.01 as compared to \$149,372,828.68 in 1952.

The total valuation of real and personal property for 1953 is \$1,565,666,000; the 1952 total was \$1,573,516,000. The decrease in valuation is largely attributable to property takings by the Commonwealth for the Central Artery and the attendant loss in personal property valuations by the removal of business from the affected area.

Some of the factors which contributed to the tax rate increase are: The increased charge for Boston's share of the Metropolitan Transit Authority's deficit, which last year was \$3,500,000 and in 1953 was over \$5,000,000. This amount is in addition to the loss of revenue on MTA properties. These properties which were exempted by an act of the legislature in 1949 have a total valuation of approximately \$29,000,000. This exemption results in a loss of tax revenue in the amount of approximately \$2,000,000 for 1953 in addition to the deficit payment. The city is also paying off approximately \$1,000,000 per year on the 1949 operating deficit which was funded at the time the road was turned over to the Metropolitan Transit Authority.

Another element which seriously affects Boston's tax base is the rising total of tax exempt property. This total has risen from \$437,300,000 in 1930 to \$679,400,000 in 1952 with approximately \$10,000,000 added in 1953. This is approximately 30 per cent of all the property in the city upon which no taxes are collected for 1953.

The 1953 tax rate of \$70.70 was approved by Commissioner Henry F. Long on June 12, 1953.

EDMUND J. BURKE.

COMMONWEALTH OF MASSACHUSETTS,
DEPARTMENT OF CORPORATIONS AND
TAXATION,
STATE HOUSE, BOSTON.

June 12, 1953.

To the Board of Assessors,
City Hall, Boston.

It is my privilege and satisfying from a municipal financial viewpoint to approve for Boston a tax rate which reflects the true and well developed picture of the city's revenue and expense in ratio to its tax base of real and tangible personal property.

The tax rate for 1953 of \$70.70 reflects accurately the tremendous effort on the part of Mayor Hynes and the Board of Assessors to determine a rate which is indicative of the true fiscal picture of the City of Boston. It is a definite recognition of the tremendous ability of Mayor Hynes and his Board of Assessors that they have successfully coped with the present-day vicissitudes of municipal finance, and always with an insight which is a manifest of great ability for excellent administration.

The 1953 rate of \$70.70, although somewhat advanced over the previous rate of \$66.80, is approximately the average increase for cities in the state. Boston has a true tax rate by which its citizens, as well as the owners of mercantile and industrial establishments, are made aware that their city is being directed on a course which is financially sound, and a rate that is in no way deceptive or in any way in derogation of the splendid City of Boston.

You are to be congratulated and the people of Boston are again placed in a position to again be enforced in their understanding that their affairs are being handled with the proper foresight and ability to keep their city sound and prosperous.

Respectfully yours,

HENRY F. LONG,
Commissioner of Corporations and
Taxation.

AMENDED DAMAGES.

The Mayor has approved the following votes of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of November 6, 1951, as amended, determining damages caused by the making of the public improvement consisting of the laying out of Burton street, be, and the same hereby is, amended, by adding to said order the amount \$400 as an award to John H. Sanders and Helen M. Simcock; that the amount \$400 be, and the same hereby is, awarded to John H. Sanders and Helen M. Simcock for the damages so sustained.

Voted, That the order of the Street Commissioners and Mayor of October 10, 1951, as amended, determining damages caused by the making of the public improvement consisting of the laying out of Crown street, Hyde Park, be, and the same hereby is, amended, by adding to said order the amount \$496.50 as an award to Maria G. and Albert T. Gorman; that the amount \$496.50 be, and the same hereby is, awarded to Maria G. and Albert T. Gorman for the damages so sustained.

CIRCULAR LETTER NO. 15.

CITY OF BOSTON,
MAYOR'S OFFICE, June 15, 1953.

To All Department Heads.

GENTLEMEN:

You are hereby authorized to grant leave of absence, without loss of pay, to all city employees in your department who are duly elected delegates and alternates of the Department of Massachusetts, Veterans of Foreign Wars, in order that they may attend their State Convention and National Encampment. State Convention, Worcester, Mass., June 25, 26, 27, 28.

National Encampment, Milwaukee, Wisconsin, August 2, 3, 4, 5, 6, 7.

Required travel time is also permitted.

Respectfully,

J. B. HYNES, Mayor.

CIRCULAR LETTER NO. 16.

CITY OF BOSTON,
MAYOR'S OFFICE, June 15, 1953.

To All Department Heads.

GENTLEMEN:

You are hereby authorized to grant leave of absence, without loss of pay, to all city employees in your department who are duly elected delegates and alternates of the AMVETS of World War II, in order that they may attend their annual State and National Conventions.

State Convention, Salem, Mass., June 25, 26, 27, 28.

National Convention, Indianapolis, Indiana, September 2, 3, 4, 5, 6.

Required travel time is also permitted.

Respectfully,

J. B. HYNES, Mayor.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of water main repairs, estimated to be five (5) days, the following temporary traffic rules are effective June 15, 1953:

Vehicles are excluded from the following streets:

State Street, Boston Proper.

From Merchants Row to McKinley square.

Broad Street, Boston Proper.

From Doane street to State street.

The following street is one way in the direction indicated:

State Street, Boston Proper.

From Merchants Row to Congress street.

The one-way rule in the following street is suspended and it is a two-way street:

Kilby Street, Boston Proper.

From Water street to State street.

Parking of vehicles is prohibited in the following streets:

State Street, Boston Proper.

North side, from Merchants Row to Congress street, 24 hours.

Kilby Street, Boston Proper.

Both sides, from Water street to State street, 24 hours.

Voted, That as urgently required by considerations of public safety and convenience, during the period of underground construction by the New England Telephone and Telegraph Company, es-

timated to be one (1) week, parking of vehicles is prohibited in the following street, effective June 12, 1953:

Washington Street, West Roxbury.

Both sides, from Corinth street to a point one hundred (100) feet southwest of Corinth street, 24 hours.

Voted, That as urgently required by considerations of public safety and convenience, during the period of underground construction by the New England Telephone and Telegraph Company, estimated to be three (3) days, vehicles are excluded from the following street, effective June 15, 1953:

Poplar Street, West Roxbury.

From Washington street to Florence street.

CONSTRUCTION OF STREET.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the laying out and construction of Reservoir street, Hyde Park district, as a highway, from Milton avenue to Summit street, with the name of Lochland road or some other distinctive name, bounded and described as follows:

A highway named Lochland road is hereby laid out, from Milton avenue to Summit street, and ordered constructed.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Southwesterly by Milton avenue, 40 feet; northwesterly by the northwesterly line of Lochland road as hereby laid out, 338 feet; southwesterly by the southwesterly line of Lochland road as hereby laid out, 250.08 feet; northwesterly by Summit street, 40.01 feet; northeasterly by the northeasterly line of Lochland road as hereby laid out, 290.09 feet; and southeasterly by the southeasterly line of Lochland road as hereby laid out, 377.19 feet.

Trees or structures standing upon or affixed to the aforescribed land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting parcels of land situated on all sides of Lochland road, from Milton avenue to Summit street, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on the plan hereinbefore referred to and on file in the office of this department.

Parcel.	Amount.
1. Bettina F. Friggen.....	\$430 00
2. Philip Sishman.....	212 00
3. Henry N. and Gladys Hanson.....	500 10
4. George A. and Stella D. Geier.....	500 20
5. Louis J. and Amy K. Meigs.....	500 20
6. Frederick G. and Ruth E. Guerra.....	252 60
7. Herbert W. Johnson.....	251 16
8. Thomas F. and Margaret L. Shea.....	600 00
9. Alfred J. and Barbara G. Ridge.....	600 00
10. Edward J. and Gertrude E. Sullivan.....	597 00
11. Jean A. Anderson, to the use of Louis J. and Annette Deddicke.....	330 96
12. William H. Cutler.....	560 00
13. Reed and Elizabeth H. Freeman.....	560 00
14. Victor B. and Dorothy H. Magnuson.....	540 00
Total.....	\$6,754 22

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the laying out and construction of Lochland road (formerly Reservoir street), Hyde Park district, as a highway, from Milton avenue to Summit street, under the order of the board of June 5, 1953, and awards no damages therefor.

CIVIL SERVICE EXAMINATIONS.

PHOTOSTAT OPERATOR, BOSTON DEPARTMENT OF VETERANS' SERVICES, JULY 24, 1953.

Last date for filing applications, Friday, July 3, 1953.

Salary: \$62.52 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: To operate a photostat machine and make photostatic copies of various papers and documents; to make minor repairs and adjustments to the photostat machine; to operate a typewriter and electrical mimeograph machine; and to perform related work as required.

Examples of Duties: Operating a Windsograph photostat machine; mixing the solutions for the developer and fixer necessary for the developing of the photostat; developing and trimming prints to specific sizes.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5. Also a practical test in type-writing.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject and in the practical test in order to become eligible.

Physical fitness to be determined by physical examination.

ASSISTANT DRAWTENDER, BOSTON PUBLIC WORKS DEPARTMENT, AUGUST 7, 1953.

Last day for filing applications, Friday, July 17, 1953.

Salary: The minimum salary is \$55.50 a week; the maximum salary is \$68 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: Under immediate supervision, to assist the drawtender or first assistant drawtender in the operation and maintenance of a movable bridge during an assigned shift; and to perform related work as required.

A knowledge of the United States Government regulations governing the opening and closing of drawbridges in Boston Harbor is necessary. A copy of these regulations may be obtained from the Commissioner of Public Works, Room 511, City Hall Annex, Boston.

The ability to handle a rowboat is required in order to assist in rescue work which may arise.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of city employees have been made:

BUILDING DEPARTMENT.

Permission has been given to appoint one clerk at \$43 a week for a period of 30 days.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for the further employment, for a period of six months, of Paul W. Mooney, 68 Chittick road, Hyde Park, as plan coordinator at \$72.12 a week.

HEALTH DEPARTMENT.

Approval has been given for the expenditure of a sum not to exceed \$300 for attendance of personnel of the Boston Health Department at the Massachusetts Public Health Conference and New England Health Institute, at Amherst, Mass., June 17, 18, and 19, to be paid from Health Department budget item, Transportation of Persons.

HOSPITAL DEPARTMENT.

Sanatorium Division.

Approval has been given for the temporary provisional employment of the following:

Laughlin MacLeod, 7 Melvinside terrace, Dorchester, hospital medical worker, \$43 a week; Alfred Charles Hunt, 1386 Columbus avenue, Roxbury, hospital laundry worker, \$43 a week; Joseph Fratolillo, 242 C street, South Boston, hospital house worker, \$43 a week.

Approval has been given for the appointment of Clifford J. Cusick as patient male nurse, part-time, at \$1 an hour and maintenance.

Approval has been given for the following resignations:

Leontine Davis, hospital medical worker; George Crawford, patient male nurse; William Donovan, M.D., assistant physician; Charles McAvoy, temporary clerk; Leslie Grant, patient male nurse, part time.

PUBLIC WORKS DEPARTMENT.

Approval has been given to amend the budget of the Bridge Service of the Bridge and Highway Division as follows:

Increase: Senior civil engineers, from three to four.

Approval has been given to rescind step-rate increase granted to Louis W. Wingsted, highway construction inspector in the Highway Division, from \$75.95 to \$80 a week, by his request, due to the fact that the higher rate would interfere with future pension as provided by the U. S. Government.

Approval has been given to change the rating of the following employees of the Bridge Service, from permanent intermittent first assistant draftsmen at \$65.50 a week to permanent first assistant draftsmen at no change in salary, to fill vacancies due to death of William Brown and Joseph Kerrigan:

Martin A. Weidman, 70 Circuit street, Roxbury; Guy B. Simeone, 20 New Heath street, Roxbury.

Approval has been given for the promotion of the following from laborers at \$58 a week to motor equipment operators and laborers at \$60.50 a week,

Item 4. 28 Gamewell, or Equal, 6-Inch Turtle Type Fire Alarm Gong with Closed

Latch Removed for Open Circuit Operation, Each.—Gamewell Company, \$80.

Item 5. 30 Gamewell Catalogue No. 7000, or Equal, 3-Fold Type Fire Alarm Box with Blank Break Wheel, Complete with Gamewell Hercules, or Equal, Outside Shell, Drilled Door, 1-Inch Conduit, with Quick Action Door, Boston Fire Department, Lock and Blank Number Plate, Each.—Gamewell Company, \$152.

Make and Model.—Gamewell Company, Gamewell, per specifications.

Discount.—Gamewell Company, net, 30 days.

Delivery.—Gamewell Company, within 50 days after receipt of order.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with commercial houses, contractors, etc., for furnishing labor and supplies. Communications from heads of the departments interested were as follows:

DEPARTMENT OF SCHOOL BUILDINGS.

Boston, June 10, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Based on a requisition No. 2863 for the removal of four busts from a wall of the auditorium of the John A. Andrew Building, busts that were loosened from the wall by their own weight, William L. Murray, plasterer, was issued an order to complete the work required. It was discovered, when performing this work, that two of the side wall partitions had moved approximately 1½ inches, cracking the plaster through an 8-inch depth of plaster cornice and wood dado rail and sheathings, indicating a concealed structural failure; also that plaster mouldings on soffit and sides of architecturally treated ceiling beams were so loose that some of it had fallen, due to its own weight, and that remaining was so insecure as to create a hazard to occupants of the room. The plaster throughout the room was applied to wood lath in 1976, seventy-seven years ago.

The use of the room was discontinued and Mr. Murray was ordered to remove the plaster which was in danger of falling. Removing of the plaster on one of the side walls uncovered the wood frame supports of the partition but did not disclose the source of structural failure.

Professor Walter V. Voss of Massachusetts Institute of Technology, an authority on structural design, was consulted and inspected the exposed portions of wood frame and recommended that additional exploratory work be performed to expose the conditions of failure, at which time methods to correct the condition will be determined.

I personally, in company with Professor Voss, deputy superintendents of construction of this department, and the chief investigator of the Finance Commission, have made a number of inspections of conditions uncovered, and it is agreed that an emergency condition requiring immediate corrective measures exists and also that the amount of work necessary to correct the conditions cannot be determined at the time of this writing.

Therefore I respectfully request your Honor's approval authorizing me to negotiate a contractual agreement with William L. Murray, plasterer, to per-

form all work necessary to correct the conditions herein described, the greater proportion of work being plastering, with the understanding that he shall employ the necessary craftsmen, other than those in his own employ, as required, and that the total amount of work will not exceed \$4,800; further, that public advertising be dispensed with, as it is not possible to determine or specify the exact amount of work for competitive purposes.

I am certain the best interests of the City of Boston will be served by the procedure herein suggested.

An inspector of this department will be assigned to inspect the work in progress and certify the expenditures of the contractor.

Very truly yours,

JAMES H. MOONEY,
Superintendent of Construction.

LIBRARY DEPARTMENT.

Boston, June 6, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Trustees respectfully request that your Honor approve the award of a contract, without public advertising, to the Recordak Corporation, 444 Madison avenue, New York 22, New York, for the rental of photographic book-charging equipment for the period June 1, 1953, through March 31, 1954.

This equipment is needed in connection with the extension to several branch libraries of the new book-charging system which has been in effect in the Central Library Building and in a few branch libraries during the past three years. Experience indicates that the use of photographic book-charging devices is a more efficient and more economical method than the old hand-charging method. These items of equipment are patented and may be rented only from the Recordak Corporation. The cost of the rental of the equipment for the period of the contract will be approximately \$3,275. The Trustees have therefore

"Voted, That there be awarded, without public advertising, to the Recordak Corporation, 444 Madison avenue, New York City, a contract for the rental of book-charging equipment for the period June 1, 1953, through March 31, 1954, at rates per month as follows:

Recordak Junior Microfilmer, Model JC or JCX, \$17.50; Recordak Reader, Model P-10 or PD, \$5; Recordak Voltage Regulator, \$5; Recordak Constant Focus Head, \$2.50.

Inasmuch as the total cost for the rental of this equipment will exceed \$1,000, there is requested permission of your Honor to enter into this contract without publicly advertising for bids.

Respectfully,

THE TRUSTEES OF THE PUBLIC LIBRARY
OF THE CITY OF BOSTON,

by MILTON E. LORD,
Director.

—
BOSTON, June 8, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

In response to a public advertisement, a copy of which is attached, sealed proposals for furnishing and installing

draperies at the new Eggleston Square Branch Library, 2044 Columbus avenue, Roxbury, were received and opened at the office of the trustees at 12 o'clock noon on Monday, May 25, 1953. They were as follows:

Jud Williams, Inc., Contract Department, 104 Clarendon street, Boston, \$2,950.55; the C. B. Swift Company, Inc., 132 Newbury street, Boston, \$3,363; Massachusetts Motion Picture Service, Inc., 35 Market street, Lynn, \$3,680.

The firm of Jud Williams, Inc., the low bidder, inadvertently failed to certify the check which it had submitted with its proposal and which was required by the terms of the advertisement.

In order to take advantage of the lower price it would be to the best interest of the City of Boston to reject all the bids and to award the contract, without public advertising, to Jud Williams, Inc. The Trustees have therefore

"Voted, That there be rejected all proposals received on Monday, May 25, 1953, for furnishing and installing draperies at the new Eggleston Square Branch Library, 2044 Columbus avenue, Roxbury," and

"Voted, That there be entered into, without public advertising, with Jud Williams, Inc., Contract Department, 104 Clarendon street, Boston, a contract for furnishing and installing draperies at the new Eggleston Square Branch Library, 2044 Columbus avenue, Roxbury, in the total amount of \$2,950.55."

Inasmuch as the total cost of this work will exceed \$1,000, there is requested the permission of your Honor to enter into this contract without publicly advertising for bids.

Respectfully,

THE TRUSTEES OF THE PUBLIC LIBRARY
OF THE CITY OF BOSTON,
by MILTON E. LORD,
Director.

—
BOSTON, June 8, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Trustees respectfully request that your Honor approve the award of a contract, without public advertising, to the Mergenthaler Linotype Company, 31 St. James avenue, Boston, for the purchase of seven (7) complete fonts of Fairfield Medium with italic and small capitals.

These fonts are needed to replace worn out and now old-fashioned types. These fonts are proprietary items and can be purchased only from the Mergenthaler Linotype Company. The Trustees have therefore

"Voted, That there be awarded, without public advertising, to the Mergenthaler Linotype Company, 31 St. James avenue, Boston, a contract for the purchase of seven (7) complete fonts of Fairfield Medium with italic and small capitals, in the total amount of \$2,360."

Inasmuch as the total cost of the fonts will exceed \$1,000, there is requested permission of your Honor to enter into this contract without publicly advertising for bids.

Respectfully,

THE TRUSTEES OF THE PUBLIC LIBRARY
OF THE CITY OF BOSTON,
by MILTON E. LORD,
Director.

SUPPLY DEPARTMENT.

BOSTON, June 1, 1953.

HON. JOHN B. HYNES,

Mayor of Boston.

DEAR MR. MAYOR:

In accordance with the provisions of the letter approved by your Honor on January 20, 1953, authority is requested at this time to award a contract, without public advertisement, to the following company for furnishing perishable foods, etc., to the various city departments from June 1, 1953, to March 31, 1954, inclusive:

Eugene Rothmund, Inc., 21 South Street, Somerville, Mass.

Respectfully yours,

JOHN V. MORAN,

Superintendent of Supplies.

BOSTON, June 9, 1953.

HON. JOHN B. HYNES,

Mayor of Boston.

DEAR MR. MAYOR:

The Traffic Commission has submitted requisitions to this office for the immediate delivery of the following automotive vehicles:

One new 1953 Ford 3-ton express truck; one new 1953 Ford 6-cylinder chassis with cab and custom-built body.

Informal written quotations were solicited from several Ford dealers. Cote Motor Company, Inc., was the lowest bidder on the express truck, and Bowers Motor Sales, Inc., was the lowest bidder on the chassis with cab and custom-built body. Both companies can make immediate delivery, which is most essential to the Traffic Commission.

Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Cote Motor Company, Inc., for the express truck, and a contract, without public advertisement, to Bowers Motor Sales, Inc., for the chassis with cab and custom-built body.

Approximate total amounts of contracts will be:

Cote Motor Company, Inc., \$1,688.30, net; Bowers Motor Sales, Inc., \$1,888, less 2 per cent discount, time of payment.

Respectfully yours,

JOHN V. MORAN,

Superintendent of Supplies.

BOSTON, June 10, 1953.

HON. JOHN B. HYNES,

Mayor of Boston.

DEAR MR. MAYOR:

The Fire Department has submitted a requisition to this office for the following: 1,000 only Nife-type storage batteries for Fire Alarm.

Signal Systems Engineering Company, Inc., the manufacturer of these batteries, has submitted a written informal quotation. Authority is therefore requested to award a contract, without public advertisement, to Signal Systems Engineering Company, Inc. Inasmuch as this company is the manufacturer, it is my opinion that no advantage could be gained by publicly advertising for prices.

Approximate total amount of contract will be \$3,790, less 2 per cent discount for payment within ten days.

Respectfully yours,

JOHN V. MORAN,

Superintendent of Supplies.

CHANGES IN CONTRACTS.

INSTITUTIONS DEPARTMENT.

Domenick Pulco has been directed to make the following changes in the contract dated December 28, 1952, and approved by the Mayor December 31, 1952, for additions and alterations to the fire house, Long Island Hospital:

Addition.

Furnish the necessary labor and materials to replace the steam and water pipes connecting the fire house and the garage. The work involved includes the breaking up of the fire house floor, excavating for the pipe, installing the pipe in proper manner, and replacing the fill and floor, not to exceed the sum of \$18,462.41.

Summary.

Original contract price, \$31,936.76; amendment No. 1, add, \$18,462.41; total amount of contract to date, \$33,783.

PUBLIC BUILDINGS DEPARTMENT.

M. S. Kelliher Company has been ordered to make the following changes in the contract dated May 5, 1952, for the Municipal Building, 1481-1491 Tremont street, Roxbury:

To order the Littlefield-Wyman Nurseries, Abington, Mass., to do all the loaming, seeding, grading, and planting in accordance with their plan and proposal dated April 28, 1953, copies of which are attached hereto, for the sum of \$3,476.

Allowance carried in the contract for shrubs, seeding, and trees, \$3,500; work as noted in this change order, \$3,476; total deduction, this change order, \$24.

Summary of Contract.

Original contract, \$923,915; change order No. 1, add, \$2,113.38; change order No. 2, no change; change order No. 3, add, \$326.70; change order No. 4, add, \$895.30; change order No. 5, deduct, \$15; change order No. 6, add, \$12,897.43—\$940,132.81; this change order No. 7, deduct, \$24—\$940,108.81.

John M. Gray Company,

160 High Street, Boston.

June 1, 1953.

MR. GEORGE P. DONOVAN,

Superintendent of Public Buildings.

DEAR MR. DONOVAN:

In the contract of the M. S. Kelliher Company on the above-mentioned project, the sum of \$3,500 is included for shrubs, seeding, and trees. We have received an estimate in this amount of \$3,476 for doing this work from the Littlefield-Wyman Nurseries of Abington, Mass., and in accordance with your instructions have issued a change order covering same.

The work shall be in accordance with the plan accompanying this letter and will include all loaming, seeding, grading, and planting as noted thereon.

We would, therefore, recommend that you approve of the attached change order No. 7 which will authorize the M. S. Kelliher Company to order the Littlefield-Wyman Nurseries to do this work. The change order shows a deduction of \$24 from the contract sum.

Yours very truly,

JOHN M. GRAY COMPANY.

M. S. Kelliher Company,

294 Washington Street, Boston.

April 29, 1953.

JOHN M. GRAY COMPANY, Architects,

160 High Street, Boston, Mass.

Subject: Municipal Building, 1481-1491

Tremont Street, Roxbury, Mass.

GENTLEMEN:

We enclose herewith copy of letter received from Littlefield-Wyman Nurseries covering their quotation to us in the amount of \$3,476 for landscaping work for the subject project.

Will you kindly select the items listed in this letter that you wish to have done, and advise us not later than May 6, 1953, otherwise we wish to withdraw this quotation.

Yours very truly,

M. S. KELLIHER COMPANY.

Littlefield-Wyman Nurseries,

Abington, Mass.

April 28, 1953.

M. S. KELLIHER COMPANY, 294 Washing-

ton Street, Boston, Mass.

GENTLEMEN:

In accordance with your request, we are submitting a breakdown of our price quotation of April 13, 1953, in the amount of \$3,476, for planting and for finish raking and seeding lawn areas at the Municipal Building near Roxbury Crossing in Boston.

The breakdown follows:

Finish raking and seeding approximately 20,000 square feet of lawn area on the west, north, and east sides of the gymnasium wing, \$700.

Finish raking and seeding approximately 4,000 square feet of lawn area west and north of the driveway and paved area, \$140.

Furnish and planting nursery stock in the area west and north of the driveway, \$210.

Furnish and planting nursery stock and seeding lawn areas about the front portion of the building, inside of the two driveways, and between the building and the street, \$2,426.

Total, \$3,476.

Sincerely,

LITTLEFIELD-WYMAN NURSERIES,
STERLING MYRICK.

M. S. Kelliher Company has been ordered to make the following changes in the contract dated May 5, 1952, for the Municipal Building, 1481-1491 Tremont street, Roxbury:

Furnish labor and material to paint gymnasium floor markings as shown on drawing No. 123 and in accordance with proposal of May 25, 1953, for the sum of \$315.

Furnish all labor and materials to buff and apply one coat of sealer to the gymnasium floor, in accordance with proposal dated May 26, 1953, for the sum of \$550.

Total addition, \$1,065.

The contract calls for the installation of 150 temporary radiators at \$10 each, a total of \$1,500.

Seventy-one temporary radiators have been installed at \$10 each, a total of \$710. Deduction from contract, \$790.

Allowance carried in contract for floor markings, \$400.

Total deductions, \$1,190.

Summary of Change Order.

Deduction for temporary radiators, \$790; deduct allowance for floor markings, \$100—\$1,190; addition as noted

above, \$1,065; total deduction, this change order, \$125.

Summary of Contract.

Original contract, \$923,915; change order No. 1, add, \$2,113.38; change order No. 2, no change; change order No. 3, add, \$326.70; change order No. 4, add, \$895.30; change order No. 5, deduct, \$15; change order No. 6, add, \$12,897.43; change order No. 7, deduct, \$24—\$940—108.81; this change order No. 8, deduct, \$125; total amount of contract to date, \$939,983.81.

John M. Gray Company,
169 High Street, Boston.

June 2, 1953.

Mr. GEORGE P. DONOVAN,
Superintendent of Public Buildings.
DEAR MR. DONOVAN:

Under the allowances on the above-mentioned project, the sum of \$400 is carried in the contract for floor markings. It was anticipated that there would be three basketball courts. However, the Park Department requested markings for two volleyball courts, one badminton court, and one indoor baseball court. The contractor has given us an estimate for doing this work in the amount of \$515.

In addition to the above, due to the fact that we have additional floor markings, the flooring subcontractor has recommended the application of one additional coat of floor sealer in addition to the two coats called for. We would recommend that this be done as it would greatly improve the job. The contractor has submitted a price of \$550 for doing this work.

We called in the contract for the contractor to include the cost of installing 150 temporary radiators during the construction of the job in the amount of \$10 per radiator. He has installed 71 radiators, which leaves a balance of 79 radiators not installed at \$10 each, or a total deduction of \$790.

It is our recommendation that the deduction of \$790 on the temporary radiators plus the sum of \$400 covering the allowance for floor markings be applied to the above additional work which totals \$1,065, and this will show a net deduction from the contract in the sum of \$125.

We are, therefore, enclosing six copies of change order No. 8 which shows a deduction from the contract in the amount of \$125 in accordance with the explanation given above. It is our recommendation that you approve this change order.

Copies of the contractor's proposal for the additional items of work are attached hereto.

Yours very truly,

JOHN M. GRAY COMPANY.

M. S. Kelliher Company,
294 Washington Street, Boston.
May 25, 1953.

JOHN M. GRAY COMPANY, Architects,
169 High Street, Boston, Mass.
Subject: Municipal Building, 1481-1491
Tremont Street, Roxbury, Mass.

GENLEMEN:

We propose to paint in all court markings as shown on drawing No. 123 for the sum of five hundred fifty dollars (\$515) for the subject project.

Will you kindly provide us with ample notice that this change is approved, as

this contractor has so much work ahead of him, so that he can schedule this job for us.

Yours very truly,

M. S. KELLIHER COMPANY.

M. S. Kelliher Company,
294 Washington Street, Boston.
May 26, 1953.

JOHN M. GRAY COMPANY, Architects,
169 High Street, Boston, Mass.
Subject: Municipal Building, 1481-1491
Tremont Street, Roxbury, Mass.

GENLEMEN:

We have been requested by our painting subcontractor, H. Piken & Co., to submit a price to you for furnishing labor and materials to buff and apply one coat of sealer to the gymnasium floor at the subject project.

Our price for doing this work is the sum of five hundred fifty dollars (\$550). The breakdown of this price is as follows:

Subcontractor's work, \$500; contractor's profit and overhead, 10 per cent, \$50; total price, \$550.

Yours very truly,

M. S. KELLIHER COMPANY.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

S. J. Tomasello Corporation has been directed to perform the following extra work under the contract for bituminous concrete pavement in Autumn street and Pilgrim road, dated May 13, 1953:

In Pilgrim road, remove seven wooden posts 8 inches x 8 inches imbedded in concrete, placed by builder of hospital, for the sum of \$50. Estimated cost of extra work, \$50.

John McCourt Company has been directed to perform the following extra work under the contract for bituminous concrete pavement in Clement avenue, Farnington road, and Westbourne street, dated June 24, 1952:

In Westbourne street, reset one signpost at the corner of Beech street, for the sum of \$15, including excavation and concrete backfill. Estimated cost of extra work, \$15.

S. J. Tomasello Corporation has been directed to perform the following extra work under the contract for bituminous concrete pavement in Ferncroft road, Keane road, Rustlewood road, Stearns road, and Woodard road, dated May 13, 1953:

In Ferncroft road, deliver 7.9 linear feet of new straight 6-inch edgstone to city yard at \$216 per linear foot. Hauling will be paid for under Item 5e of the contract. Estimated cost of extra work, \$17.06.

EXTENSION OF CONTRACT.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with Charles A. Maguire Associates for engineers' services, master highway plan, from June 1, 1951, to July 1, 1953. This extension was requested because of delay in securing necessary data for the completion of the final report.

Approval has been given for an extension of time for the completion of the contract with Charles A. Reynolds Company, 446 Albany street, Boston, for repairing, cleaning, and painting various footbridges, to October 16, 1953. This extension was requested because of bad weather and non-receipt of steel stair treads.

POLICE DEPARTMENT ORDERS.

General Order No. 1,777.

The following-named officer having requested retirement under the provisions of the Statutes of 1892, chapter 353, as amended, for the reason that he is incapacitated, it is hereby

Ordered, His Honor the Mayor having approved the same, that he be retired from active service in the Police Department, effective Wednesday, June 17, 1953, at 7.45 o'clock A.M.:

Patrolman Harold B. Titus, Division 15, 33 years of service.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be thirty (30) days, vehicles are excluded from the following street, effective June 15, 1953:
Stearns Road, West Roxbury.

From Washington street to dead end.

Voted, That as urgently required by considerations of public safety and convenience, during the period of underground construction by the New England Telephone and Telegraph Company, vehicles are excluded from the following street on Monday, June 15, and Tuesday, June 16, 1953:

Grove Street, Boston Proper.
From Cambridge street to Phillips street.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

Two catch basins in Pickering avenue, from Walnut avenue approximately 235 feet easterly, in the Roxbury district, at an estimated cost of \$1,200.

Two catch basins and connections in Grassmere road, between Bateman street and Hallron street, in the Hyde Park district, at an estimated cost of \$900.

Two catch basins in MacDonald street, between Bateman street and Hallron street, in the Hyde Park district, at an estimated cost of \$900.

Five catch basins and connections in Hallron street, from Deforest street to approximately 1,280 feet northerly and northeasterly, in the Hyde Park district, at an estimated cost of \$2,500.

A surface drain of 600 feet of 10-inch pipe surface drain and two or four catch basins and connections in Summit street, between Metropolitan avenue and Hemman street, in the West Roxbury district, at an estimated cost of \$6,400.

A catch basin and connection in Ruggles street, south side, from Mechanic street 160 feet easterly, in the Roxbury district, at an estimated cost of \$600.

FIRE DEPARTMENT ORDERS.

General Order No. 29.

MAYOR'S CHARITY FIELD DAY.

Each year Mayor John B. Hynes and his fellow trustees on the Mayor's Charity Field Day Committee distribute the proceeds of the Field Day to needy and indigent persons whose requirements are not, and cannot be, provided for by use of public funds.

Proportionate amounts are also assigned to organized charities embracing every creed, color, and worth-while purpose. The funds are dispersed upon application, but only after careful investigation is made and the need is convincingly established.

EVERY PENNY RECEIVED GOES DIRECTLY TO CHARITY.

Although a sizable sum is realized, it falls far short of the amount needed to cover the most imperative of the demands. Therefore, in order to secure increased funds, the Mayor's Committee this year is going to present a value, worth many, many times more than the amount which will be invested.

The cost of a ticket is \$1, including tax, and that dollar entitles you to the opportunity of winning a brand new 1953 Cadillac convertible sedan, delivered price, \$5,200, whether you are in the park, or not. A few years ago, a member of this department won an automobile and last year another member won a ranch home completely furnished on a ticket such as this. Your ticket also entitles you to see in person America's finest performers as seen on your television screen, and a colorful exciting baseball game, as well as other top quality entertainment. This entertainment program is not "nailed down" at this moment, but you can be assured that it will be one of the best ever seen in New England, and it will be presented to you in precise form far in advance of the Field Day. At the same time, your dollar really goes a long way to helping our neighbors, and especially little children in the community who look to us for help. Mayor John B. Hynes is Honorary Chairman, our genial Park Commissioner Frank R. Kelley is General Chairman, and the undersigned is in charge of promotion and publicity. The Field Day, this year, will take place on July 6, 1953.

In my first personal message to you, I ask the support of every member of this outstanding department. Let each one of us work hard to place the Fire Department of Boston at the top of the list of those supporting this great charity and your reward is assured. It has been written, "What you have done unto these the least of my little ones, you have done unto Me."

All returns will be made to the Division of Civilian Defense, Public Relations, and Public Information, 194 Broadway, Boston, between the hours of 9:30 A.M. and 4 P.M. on any weekday, except Saturday, up to July 2, 1953.

By order of Fire Commissioner JOHN F. COTTER.

JOHN W. STAPLETON,
Chief of Department.

General Order No. 30.

I. EXAMINATION FOR PROMOTION TO DEPUTY CHIEF.

An examination for promotion to the grade of deputy chief in the Boston Fire

Department will be conducted by the Department of Civil Service on July 17, 1953.

The examination is open to permanent district chiefs in the Boston Fire Department who have been employed in this grade, after certification, for at least one (1) year prior to the date of examination.

The duties are the regular duties of a deputy chief.

The subjects and weights of the examination are as follows: Experience, 3; report, 2; practical questions, 10; total, 15.

Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Application blanks may be obtained from the office of the Fire Commissioner, John F. Cotter, 115 Southampton street, Boston. When completed, applications should be sent to the Division of Civil Service, Room 148, State House, Boston. Applications must be placed on file not later than Friday, June 26, 1953.

Applicants who are absent on military duty may be allowed to take this examination provided that they make request at the time of filing application and that the necessary arrangements for the proper conduct of the examination can be made. Under the provisions of chapter 708 of the Acts of 1941, as amended, persons unable to compete in a competitive promotional examination because of absence in military or naval service may be given a qualifying promotional examination if request in writing is made within six (6) months after the termination of such service.

Applicants will be notified at a later date of the time and place of the examination.

Posters being issued with this order are to be posted in each fire station.

II. EXAMINATION FOR PROMOTION TO DISTRICT CHIEF.

The Department of Civil Service will conduct an examination for promotion to the grade of district chief in the Boston Fire Department on July 24, 1953.

The examination is open to permanent captains in the Boston Fire Department who have been employed in this grade, after certification, for at least one (1) year prior to the date of examination.

The duties are the regular duties of a district chief.

The subjects and weights of the examination are as follows: Experience, 3; report, 2; practical questions, 10; total, 15.

Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Application blanks may be obtained from the office of the Fire Commissioner, John F. Cotter, 115 Southampton street, Boston. When completed, applications should be sent to the Division of Civil Service, Room 148, State House, Boston. Applications must be placed on file not later than Friday, July 3, 1953.

Applicants who are absent on military duty may be allowed to take this examination provided that they make request at the time of filing application and that the necessary arrangements for the proper conduct of the examination can be made. Under the provisions of chapter 708 of the Acts of 1941, as amended, persons unable to compete in a competitive promotional examination

because of absence in military or naval service may be given a qualifying promotional examination if request in writing is made within six (6) months after the termination of such service.

Applicants will be notified at a later date of the time and place of the examination.

Notices concerning the examination are being issued with this order, one (1) copy to be posted in each fire station and branch division.

III. EXAMINATION FOR PROMOTION TO LIEUTENANT.

The Department of Civil Service will conduct an examination for promotion to the grade of lieutenant in the Boston Fire Department on July 31, 1953.

The examination is open to permanent fire fighters in the Boston Fire Department who have been employed in this grade, after certification, for at least three years prior to the date of examination.

The duties are the regular duties of a lieutenant.

The subjects and weights of the examination are as follows: Experience, 1; practical questions, 4; total, 5.

Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Application blanks may be obtained from the office of the Fire Commissioner, John F. Cotter, 115 Southampton street, Boston. When completed, applications should be sent to the Division of Civil Service, Room 148, State House, Boston. Applications must be placed on file not later than Friday, July 10, 1953.

Applicants who are absent on military duty may be allowed to take this examination provided that they make request at the time of filing application and that the necessary arrangements for the proper conduct of the examination can be made. Under the provisions of chapter 708 of the Acts of 1941, as amended, persons unable to compete in a competitive promotional examination because of absence in military or naval service may be given a qualifying promotional examination if request in writing is made within six (6) months after the termination of such service.

Applicants will be notified at a later date of the time and place of the examination.

Notices concerning the examination

are being issued with this order, one (1) copy to be posted in each fire station and branch division.

IV. RESIGNATION.

The following resignation which became effective as of 8 A.M., Wednesday, June 10, 1953, is hereby announced:

Hoseman John F. Duffy, Engine Company 37.

V. FIRE ALARM BOXES INSTALLED.

The following fire alarm boxes have been installed and connected into circuits indicated:

5165, Cambridge street and Cambridge terrace, Circuit No. 45.

5185, Cambridge street and Dustin street, Circuit No. 45.

519, Cambridge and Elko streets, Circuit No. 14.

543, Washington and Parsons streets, Circuit No. 64.

The above fire alarm boxes were established in General Orders, No. 64, dated December 12, 1952.

Attention is called to the fact that the numbers of these fire alarm boxes as given in General Orders, No. 64, were changed in the renumbering of fire alarm boxes in Brighton as covered in General Orders, No. 11, dated March 30, 1953, General Orders, No. 15, dated April 10, 1953, and General Orders, No. 21, dated May 12, 1953.

Company commanders will add the above four boxes to the circuit cards indicated.

VI. NEW FIRE ALARM BOXES ESTABLISHED.

In the near future the following fire alarm boxes will be installed:

14-1412, South Station, third and fourth floors, Atlantic avenue and Summer street, northwest section.

This fire alarm box will be connected to Automatic Heat Detection System located in the northwest section of the third and fourth floors.

The master fire alarm box and annunciator for this system will be located in the Stationmaster's Office.

Company commanders will add this fire alarm box to assignment card for Box 1412.

The circuit number for this box will be announced later when the box is installed.

In the near future a fire alarm box will be installed in the Rosindale General Hospital and will be designated as follows:

12-2597, Rosindale General Hospital, 780 American Legion Highway.

Company commanders will add the above box to assignment card for Box 2597 and place a star alongside of this box and Ladder 28 to indicate the response of Ladder 28 on first alarm.

The circuit number for this fire alarm box will be given later when the box is installed.

VII. COMMENDATIONS.

The following-named members of the Fire Department are hereby commended for responding to and working at fire. Box 4191, five alarms, on June 2, 1953, while off duty:

Hoseman Walter W. Corwin, Jr., Engine Company 32.

Hoseman Edmund F. Doherty, Engine Company 32.

Hoseman Bernard L. Donohue, Engine Company 32.

Hoseman Harold L. Ralston, Engine Company 32.

Ladderman Richard F. Concannon of Ladder Company 15 is hereby commended for reporting to and working at fire, Box 1572, May 28, 1953, while off duty.

By order of Fire Commissioner JOHN F. COTTER.

JOHN V. STAPLETON,
Chief of Department.

WIDENING STREET IN DORCHESTER.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the widening and construction of Franklin Hill avenue, Dorchester district, as a highway, from Fermo Heights avenue to Shandon road, bounded and described as follows:

The highway named Franklin Hill avenue is hereby widened and relocated from Harvard street to American Legion Highway and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Boston Housing Authority, bounded:

Northeasterly by the northeasterly line of Franklin Hill avenue as widened and relocated under this order, .61 feet; southeasterly by the southeasterly line of said avenue as widened and relocated under this order, 12.55 feet on a curve of 50 feet radius; and northwesterly by the southeasterly line of said avenue as it existed prior to this order, 12.93 feet on a curve of 57.54 feet radius; containing 10 square feet, more or less.

A parcel of land, owners unknown, being part of the private way known as Shandon road, bounded:

Southwesterly by the northeasterly line of Franklin Hill avenue as it existed prior to this order, 25.54 feet; northerly by the northerly line of said avenue as widened and relocated under this order, 10.15 feet on a curve of 30 feet radius; and northeasterly by the northeasterly line of said avenue as widened and relocated under this order, 22.28 feet; containing 109 square feet, more or less.

A parcel of land, supposed to belong to Boston Housing Authority, bounded:

Southerly by the northerly line of Franklin Hill avenue as it existed prior to this order, 46.42 feet on a curve of 29.35 feet radius; southwest by the northeasterly line of said avenue as it existed prior to this order, by two measurements, 410.85 feet and 21.83 feet on a curve of 12.36 feet radius; northwesterly by land hereinafter described as taken from owners unknown (Fermo Heights avenue), 2.57 feet; easterly by the easterly line of Franklin Hill avenue as widened and relocated under this order, by two measurements, 15.41 feet on a curve of 15 feet radius and 410.83 feet; and northerly by the northerly line of said avenue as widened and relocated under this order, 47.12 feet on a curve of 30 feet radius; containing 4,443 square feet, more or less.

A parcel of land, owners unknown, being part of the private way known as Fermo Heights avenue, bounded:

Southwesterly by the northeasterly line of Franklin Hill avenue as it existed prior to this order and by land hereinafter described as taken from Boston Housing Authority, by two measurements, 40.03 feet and 2.38 feet; northerly by the northerly line of Franklin Hill avenue as widened and relocated under this order, 2.42 feet on a curve of 13.81 feet radius; northeasterly by the northeasterly line of Franklin Hill avenue as widened and relocated under this order, 40.02 feet; easterly by the easterly line of Franklin Hill avenue as widened and relocated under this order and by land hereinafter described as taken from Boston Housing Authority, by two measurements, 8.15 feet on a curve of 15 feet radius and 2.57 feet; containing 261 square feet, more or less.

A parcel of land, supposed to belong to Boston Housing Authority, bounded:

Northeasterly by land hereinafter described as taken from owners unknown (Fermo Heights avenue), 2.38 feet; southerly by the northerly line of Franklin Hill avenue as it existed prior to this order, 20.72 feet on a curve of 15 feet radius; southwest by the northeasterly line of Franklin Hill avenue as it existed prior

to this order, 346.40 feet; northwesterly by American Legion Highway, .16 feet; northeasterly by the northeasterly line of Franklin Hill avenue as widened and relocated under this order, 345.24 feet; northerly by the northerly line of Franklin Hill avenue as widened and relocated under this order, 19.27 feet on a curve of 13.81 feet radius; containing 272 square feet, more or less.

Trees or structures standing upon or affixed to the afore-described land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Franklin Hill avenue as hereby widened and relocated is bounded:

Southerly by Harvard street, 60.47 feet; southwest by the southwest line of Franklin Hill avenue as hereby widened and relocated, by four measurements, 133.46 feet, 66.63 feet on a curve of 126.41 feet radius, 55.16 feet on a curve of 119.04 feet radius, and 784.26 feet; northwesterly by American Legion Highway, 50.16 feet; northeasterly by the northeasterly line of Franklin Hill avenue as hereby widened and relocated, 345.24 feet; northerly by the northerly line of Franklin Hill avenue as hereby widened and relocated, 21.69 feet on a curve of 13.81 feet radius; northeasterly by the northeasterly line of Franklin Hill avenue as hereby widened and relocated, 40.02 feet; easterly by the easterly line of Franklin Hill avenue as hereby widened and relocated, 23.56 feet on a curve of 15 feet radius; northeasterly by the northeasterly line of Franklin Hill avenue as hereby widened and relocated, 410.83 feet; northerly by the northerly line of Franklin Hill avenue as hereby widened and relocated, 47.12 feet on a curve of 30 feet radius; northwesterly by the northeasterly line of Franklin Hill avenue as hereby widened and relocated, 40.02 feet; easterly by the easterly line of Franklin Hill avenue as hereby widened and relocated, 81.73 feet on a curve of 50 feet radius; and northeasterly by the northeasterly line of Franklin Hill avenue as hereby widened and relocated, 120.70 feet.

Voled, That this Board determines that the undermentioned persons sustain damages in their estates by the making of the public improvement, consisting of the widening, relocation, and construction of Franklin Hill avenue, from Harvard street to American Legion Highway, as a highway, under the order of the Board of June 5, 1953, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

Boston Housing Authority, 10 square feet, \$1.

Owners unknown (Shandon road), 109 square feet, \$1.

Boston Housing Authority, 4,443 square feet, \$1.

Owners unknown (Fermo Heights avenue), 261 square feet, \$1.

Boston Housing Authority, 272 square feet, \$1.

STREET CONSTRUCTION IN HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the laying out and construction of Grassmere road, Hyde Park district, from Bateman street to Hallon street.

In Board of Street Commissioners of the City of Boston, June 5, 1953.

Ordered, That this Board, having passed the order of notice relating to the public

improvement hereinafter described, and having caused a copy of said order to be published April 17, 18, 1953, and April 20, 21, 1953, in the *Boston Globe* and the *Boston American*, two daily newspapers published in the City of Boston, and having given the public hearing, notice of which was given in said order, and being of the opinion that public convenience so requires, does hereby order the making, in said city, of the public improvement, shown on a plan, marked "City of Boston, Grassmere Road, Hyde Park, May 21, 1953, James W. Haley, Chief Engineer, Street Laying-Out Department," deposited in the office of the Street Laying-Out Department of said city, and named, bounded, and described as follows:

In Board of Street Commissioners of the City of Boston, April 23, 1953.

Ordered, That due notice be given that this Board is of the opinion that, in said city, a public improvement should be made, consisting of the laying out and construction of Grassmere road, Hyde Park district, from Deforest street to Bateman street, substantially as shown on a plan in the office of this Board, that it intends to pass an order for making said improvement, and that it appoints 11 o'clock A.M. of May 6, 1953, and the office of this Board as the time and place for a public hearing in the matter.

A true copy of an order passed by said Board on said day.

Attest: LAWRENCE W. COSTELLO,
Secretary.

In Board of Street Commissioners of the City of Boston, June 5, 1953.

Ordered, That this Board, having passed the order of notice relating to the public improvement hereinafter described, and having caused a copy of said order to be published April 24, 25, 1953, and April 27, 28, 1953, in the *Boston Herald* and the *Boston Post*, two daily newspapers published in the City of Boston, and having given the public hearing, notice of which was given in said order, and being of the opinion that public convenience so requires, does hereby order the making, in said city, of the public improvement, shown on a plan, marked "City of Boston, Grassmere Road, Hyde Park, May 21, 1953, James W. Haley, Chief Engineer, Street Laying-Out Department," deposited in the office of the Street Laying-Out Department of said city, and named, bounded and described as follows:

A highway named Grassmere road is hereby laid out, from Deforest street to Hallon street, and ordered constructed. Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Westerly by Deforest street, 60.64 feet; northerly by the northerly line of Grassmere road as hereby laid out, by seven measurements, 17.18 feet on a curve of 10 feet radius, 221.19 feet, 19.91 feet on a curve of 15 feet radius, 41.48 feet, 18.14 feet on a curve of 10 feet radius, 388.36 feet, and 20.98 feet on a curve of 22.47 feet radius; easterly by Hallon street, 81.67 feet; and southerly by the southerly line of Grassmere road as hereby laid out, by three measurements, 22.08 feet on a curve of 10 feet radius, 644.76 feet, and 14.24 feet on a curve of 10 feet radius.

Trees or structures standing upon or affixed to the aforesaid land shall be removed therefrom within sixty days following a notice of the city's intention

to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting parcels of land situated on both sides of Grassmere road, from Deforest street to Hallon street, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it: said parcels and the supposed owners thereof being shown on a plan marked "City of Boston, Grassmere Road, Hyde Park, Assessment Plan, May 21, 1953, James W. Haley, Chief Engineer, Street Laying-Out Department," and on file in the office of this department.

LAYING OUT AND CONSTRUCTION OF STREET.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the laying out and construction of Hallon street, Hyde Park district, as a highway, from Deforest street for a distance of approximately 1,250 feet northeasterly and northerly, bounded and described as follows:

A highway named Hallon street is hereby laid out from Deforest street northeasterly and northerly to approximately 175 feet north of MacDonald street, and ordered constructed.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Westerly by Deforest street, 60.03 feet; northerly by the northerly line of Hallon street as hereby laid out, by two measurements, 16.05 feet on a curve of ten feet radius and 413.37 feet; westerly by the

westerly line of Hallon street as hereby laid out, by four measurements, 233.44 feet on a curve of 250 feet radius, 78.07 feet, 81.67 feet, and 377.76 feet; northerly by the northerly line of Hallon street as hereby laid out, 47.64 feet; easterly by the easterly line of Hallon street as hereby laid out, by two measurements, 564.86 feet and 270.79 feet on a curve of 290 feet radius; and southerly by the southerly line of Hallon street as hereby laid out, by two measurements, 415.51 feet and 15.36 feet on a curve of 10 feet radius.

Trees or structures standing upon or affixed to the aforesaid land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting parcels of land situated on both sides of Hallon street as laid out under this order, from Deforest street to 175 feet north of MacDonald street, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it: said parcels and the supposed owners thereof being shown on the plan marked "City of Boston, Hallon street, Hyde Park, Assessment Plan, May 21, 1953, James W. Haley, Chief Engineer, Street Laying-Out Department," and on file in the office of this department.

CIVIL SERVICE EXAMINATIONS.

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence.

DEPUTY SEALER OF WEIGHTS AND MEASURES, BOSTON WEIGHTS AND MEASURES DEPARTMENT, JULY 17, 1953.

Last date for filing applications, Friday, June 26, 1953.

Salary: The minimum salary is \$68 a week; the maximum salary is \$83.50 a week.

Vacancies: From time to time. At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: To enforce the law in relation to the giving of insufficient weight or measure, and to gather evidence for prosecution in court when necessary; to test, adjust, and seal or condemn all types of weighing and measuring devices used in buying or selling of goods, wares, or merchandise, or for public weighing, or for hire or reward; to enforce the law governing the licensing of hawkers and peddlers and transient vendors; to investigate complaints; to keep necessary records; to submit daily, legible reports of work performed; and to perform related work as required.

Examples of Duties: Adjusting and sealing all types of scales and measuring devices, such as equal arm, unequal arm, and computing scales, gasoline measuring pumps, oil and grease measuring devices, bulk oil measuring devices, etc.; testing, weighing, and calculating bulk deliveries of coal, wood, gravel, and road surfacing materials; inspecting and testing types of cartons, standard containers, milk jars, etc.; and enforcing the law governing the marketing of food in package form; re-weighing and re-measuring goods put up in anticipation of sale; inspecting and verifying clinical thermometers and other instruments used to determine temperatures; enforcing the law governing the sale of shingles; enforcing the law governing the manufacture and sale of bread.

The following are required: Knowledge of the law, rules and regulations pertaining to this position; knowledge of Troy, Apothecary, Avoirdupois, and Metric weights and measures; knowledge of the mechanical operation of scales and measuring devices, and the ability to make minor adjustments of them; ability to do heavy lifting.

From time to time it is necessary to perform the duties other than during regular working hours.

Entrance Requirements: Applicants must possess a Massachusetts motor vehicle operator's license.

Subjects and Weights: Training and experience, 2; report, 2; arithmetic, 3; practical questions, 3; total, 10.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

NOTE.—A copy of the "General Laws Relating to Weights and Measures" and of the "Rules and Regulations in Relation to Weighing and Measuring Devices" may be obtained at the local public library. The tables of weights and measures given in these pamphlets will govern the marking of all questions involving any units of weight and measure.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING FURNITURE FOR BOSTON CITY HOSPITAL.

Proposals may be obtained at Room 1001, City Hall Annex. At this room the bids will be opened and read Friday, June 26, 1953, at 12 M. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston, if the proposal is not carried out. A duplicate bid, without check, must be left with the Auditor prior to the time for opening bids. Envelopes containing the bid must be marked "Proposal for Furnishing Furniture." The successful bidder must furnish a faithful performance bond for approximately one-half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

JOHN V. MORAN,

(June 20.) Superintendent of Supplies.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET, OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING TRANSPORTATION OF FILMS, MOTION PICTURE EQUIPMENT, SCIENCE MATERIAL, AND SCHOOL EXHIBITS FOR BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing transportation of films, motion picture equipment, science material, and school exhibits. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Transportation of Films, Motion Picture Equipment, Science Material, and School Exhibits." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check for one hundred dollars (\$100), payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock noon on Tuesday, June 30, 1953. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept such bid as may be deemed best for the interests of the city. The successful bidder will be required to furnish a suitable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

HENRY J. SMITH,

Business Manager of the School Committee, (June 20.)

Entrance Requirements: Applicants must have at least five years of professional architectural experience, preferably in the field of site development and city planning. Substitutions: A master's degree in architecture from a recognized degree-granting school may be substituted for three years of the required experience, or a bachelor's degree in architecture from a recognized degree-granting school may be substituted for two years of the required experience.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

CITY OF BOSTON.

LIBRARY DEPARTMENT.

INVITATION FOR PROPOSALS FOR ELECTRICAL ALTERATIONS AT THE NORTH END BRANCH OF THE BOSTON PUBLIC LIBRARY.

The Trustees of the Public Library of the City of Boston, hereinafter referred to as the Awarding Authority, invite sealed proposals for electrical alterations at the North End Branch of the Boston Public Library, North Bennet street, Boston.

Proposals will be received until 12 o'clock noon, Wednesday, July 1, 1953, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office of the Public Library, Copley square, Boston. Each copy of the proposal shall be properly filled out and plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

The bid deposit, in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of three hundred dollars (\$300), shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 140, section 26, a schedule of which appears in the specifications. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law (General Laws (Ter. Ed.), chapter 152) to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of a contract.

Plans and specifications may be obtained on and after 12 o'clock noon, Monday, June 22, 1953, at the Business Office of the Boston Public Library. All plans and specifications must be returned in good condition to said office at the time of filing bids. A deposit of twenty-five dollars (\$25) in cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of not less than 5 per cent of the amount of the bid, shall be submitted by each subdivider with the copy of his proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

Reserving the right to waive any informalities and to reject any and all bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject all subdivide and any item or items in accordance with the provisions of chapter 480 of the Acts of 1939.

JOHN J. CONNOLLY,

Assistant to the Director, (June 20.) and Chief Executive Officer.

BOSTON PORT GAINS IN IMPORTS AND EXPORTS.

Gains in foreign tonnage in both import and export classifications were recorded in April of 1951 as compared to April of 1950. Director John M. Bresnahan of the Port of Boston Authority announced last night.

Total foreign trade increased from 466,719 tons to 507,542 tons, with exports rising from 28,960 tons to 46,469 tons. Imports increased from 437,759 to 461,073 tons.

Total port trade from January through April of this year was 7,439,088 tons, an increase of 1,184,632 tons over the figure for the same four months of 1950, Bresnahan said.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO PLUMBING CONTRACTORS.

INVITATION FOR PROPOSALS FOR PLUMBING WORK AT THE DANTE ALIGHIERI SCHOOL, GOVE STREET, EAST BOSTON, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, hereby refers to the Awarding Authority, hereinafter referred to as the Awarding Authority, invite sealed proposals for plumbing work at the Dante Alighieri School, Gove street, East Boston, Mass.

Proposals will be received until 12 o'clock noon, Thursday, July 2, 1953, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud. Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$200, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law (General Laws (Ter. Ed.), chapter 152) to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Subdividers bidding on the work of subcontractors shall use the proposal form prepared by and obtainable from the Awarding Authority. All subdividers' proposals must be in the possession of the Awarding Authority, delivered or mailed to the general bidder no later than 12 o'clock noon, Monday, June 29, 1953.

A bid deposit in the form of cash or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in the sum of not less than 5 per cent of the amount of the bid, shall be submitted by each subdivider with the copy of his proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

Reserving the right to waive any informalities and to reject any and all bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject all subdivide and any item or items in accordance with the provisions of chapter 480 of the Acts of 1939.

PROPOSALS FOR FURNISHING CAST-IRON PIPE (CEMENT LINED) FOR PUBLIC WORKS DEPARTMENT, WATER DIVISION.

Proposals may be obtained at Room 1001, City Hall Annex. At this room the bids will be opened and read Tuesday, June 30, 1953. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out. A duplicate without check, must be left with the Auditor prior to the time for opening bids. Envelopes containing bids to be sealed and marked "Proposal for Pipe." The successful bidder must furnish a faithful performance bond for approximately one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts. The Superintendent reserves the right to accept or reject any and all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

JOHN V. MORAN,

(June 20.) Superintendent of Supplies.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

Proposals for Sheet Asphalt Pavement in Sixteen Public Alleys in Ward 5, as Follows, Numbered 414, 415, 416, 417, 418, 420, 421, 422, 423, 424, 425, 426, 427, 428, and 429, and Such Additional Locations, If Any, in Ward 5, As May Be Determined by the Commissioner of Public Works.

The Commissioner of Public Works of the City of Boston, Room 508 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half is owned by a citizen or citizens of the United States, for sheet asphalt pavement in sixteen public alleys in Ward 5, etc. A bond must be required for doing the work of the contract in the full amount of the contract in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full completion of the city. Forms of proposals may be obtained at Room 508 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope sealed, marked "Proposal for Sheet Asphalt Pavement in Sixteen Public Alleys in Ward 5, etc.," and left at Room 508 (Contract Office), City Hall Annex, before 12 M. of THURSDAY, JULY 2, 1953, with a certified check for TWENTY-SEVEN HUNDRED (2,700) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room of the Street Commissioners, Room 401, City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by duplicate with the City Auditor prior to the time named for opening the bids. All proposals must be from bidders of record on file at Room 508, City Hall Annex. The bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application thereafter at the office of the Commissioner of Public Works. The Superintendent, in procuring performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of wages in the full amount of the contract under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall maintain in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE C. HYLAND,

(June 20.) Commissioner of Public Works.

INVITATION FOR PROPOSALS FOR INSTALLING RADIATORS AND HANDGOLDS, PLATES AND FUSIBLE PLUGS ON STEAM BOILERS IN THE VARIOUS SCHOOLS, BOSTON, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass. hereinafter referred to as the Awarding Authority, invites sealed proposals for installing radiators and handgolds, fusible plugs on steam boilers in the various schools, Boston, Mass.

Proposals will be received until 12 o'clock noon, Monday, June 29, 1953, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$250, shall be submitted with the copy of the proposal filled with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers, in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.) chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.) chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of the contract.

Specifications may be obtained at the office of the Awarding Authority.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

JAMES H. MOONEY,

(June 20.) Superintendent of Construction.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 45

SATURDAY, JUNE 27, 1953.

No. 26

MAYOR HYNES NAMES G. CHURCHILL FRANCIS, PRESIDENT OF ROXBURY INSTITUTION FOR SAVINGS, TO BE CHAIRMAN OF NEIGHBORHOOD REHABILITATION AND CONSERVATION PROGRAM—OTHER LEADING CITIZENS ON COMMITTEE.

Mayor John B. Hynes has announced the appointment of G. Churchill Francis, president of the Institution for Savings in Roxbury, as chairman of the newly formed Roxbury Neighborhood Rehabilitation and Conservation Program Committee. The committee will hold its first official meeting Monday, June 29, at the Institution headquarters in Roxbury.

Mr. Francis is a graduate of Williams College, Class of 1931. He is a trustee of the General Insurance Guaranty Fund, past president of the Savings Bank Life Insurance Council, and a director of the Roxbury Neighborhood House. He is also prominent in state and national Savings Banks Associations and is a member of the Roxbury Board of Trade.

Mayor Hynes, in making the announcement, expressed satisfaction at the manner in which the Neighborhood Rehabilitation and Conservation Program is progressing. In addition to Roxbury, committees have also been set up in

(Continued on page 839.)

SUMMER PLAYGROUND PROGRAM OF PARK DEPARTMENT OPENED ON 90 PLAY AREAS BY THE RECREATION DIVISION FOR TEN WEEKS—INSTITUTE FOR INSTRUCTORS HOLDING SESSIONS.

Chairman Frank R. Kelley of the Boston Park Commission has announced that the Recreation Division's ten weeks' summer playground program will commence on Monday, June 29, on 90 Park Department areas. Instructors will be assigned to carry on a program from 9.30 A.M. until 8.30 P.M., Monday through Friday, until the twenty-ninth of August.

An "Institute for Playground Instructors" is being conducted at the Recreation Headquarters in Jamaica Plain. The schedule of speakers includes Mayor John B. Hynes, Judge John Connolly, Fred Taylor of United Community Service, Thomas Heffernan, Robert Seigal, Muriel Snowden, and Grace Whittaker of the Mayor's Civic Committee, Mrs. Howard Brightman of the Y.W.C.A., and Director of Recreation Pat J. Ryan.

EXPENDITURES FOR VETERANS' SERVICES FOR THE MONTH OF MARCH SHOW DECREASE OF \$2,755.24 FROM THOSE OF SAME PERIOD IN 1952—THIS SHOWN IN REPORT OF COMMISSIONER FRANCIS X. COTTER TO MAYOR JOHN B. HYNES—1,480 CASES, INCLUDING 2,640 INDIVIDUALS, WERE AIDED.

For the month of March, 1953, expenditures for veterans' services show a decrease of \$2,755.24 in comparison with those of the corresponding period of 1952. This is shown in the report of Commissioner Francis X. Cotter to Mayor John B. Hynes. There were 1,480 cases aided, representing a total of 2,640 individuals. The complete report as submitted reads as follows:

HON. JOHN B. HYNES,
Mayor of Boston.

BOSTON, June 19, 1953.

SIR:

I have the honor to submit the report of the Department of Veterans' Services for the month of March, 1953.

Very truly yours,

FRANCIS X. COTTER, *Commissioner.*

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming
future of the ocean;
May thy thine be bright, thy skies beam
with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion."

From Boston Centennial Poem by

NATHAN HASKELL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council, Monday, June 29, at 2 p.m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments of streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in public streets; the making of specific repairs in public streets; the naming of

public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles, and posts for telephone, telegraph, street railways or illuminating purposes, signs, marquees, bay windows, coal holes, and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 112 Southampton street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads, and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting, and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges, and the removal of ashes and offal.

TO Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Haymarket Square, for information relative to the inspection of milk, vinegar, meat, fish, and vegetables, the issuance of permits for stables, slaughterhouses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth Avenue, Back Bay Fens, Marine Park, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made to this department for information

regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mount Hope, Evergreen, Fairview, and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 28 Norman street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal, or tearing down buildings.

TO THE STATISTICS DEPARTMENT, 63 City Hall, for historical, geographical, political, and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE ELECTRICAL INSPECTION DIVISION OF THE FIRE DEPARTMENT, 115 Southampton street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 808, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending June 23, 1953.

During the month of March, 1953, the department collected \$53.00, which represents refunds by former beneficiaries who were found to have drawn aid under circumstances which warranted its return to the City of Boston.

Very truly yours,

FRANCIS X. COTTER, *Commissioner.*

MAYOR NAMES CHAIRMAN
OF ROXBURY NEIGHBORHOOD
REHABILITATION
AND CONSERVATION PROGRAM COMMITTEE.

(Continued from page 837.)

South Boston and the South End. Plans are to have similar committees established in the other twelve health and welfare districts before the end of the year.

The names of the Roxbury Neighborhood Rehabilitation and Conservation Program Committee include leading Roxbury clergymen, business and professional men.

This is the third district Neighborhood Rehabilitation and Conservation Program Committee set up by the Mayor in his long-range city-wide plan to check blight and corrosion in the older residential sections. South Boston and South End committees have been appointed since the first of May.

Those named to the Roxbury committee are: Louis M. Peters, manager of the First National Bank, Dudley branch; C. Vernon Hoddinott, assistant vice president of Rockland-Atlas National Bank, Roxbury office; Rev. John J. Hosey, rector of the Mission Church; G. Churchill Francis, president of the Institution for Savings in Roxbury; Frederick A. Cronin, member of Boston Housing Authority; Rev. James H. Doyle, pastor of St. Patrick's Church; Percy G. Beatty, minister of Dudley Street Baptist Church; Norton Shapiro, president of Roxbury Board of Trade; Frank D. Littlefield, president of Eliot Savings Bank.

Also Rev. Arne Unhjem, pastor of St. Mark's Lutheran Church; Rt. Rev. Charles J. Ring, pastor of St. Joseph's Church; Rev. John J. Morrissey, pastor of St. Francis de Sales Church; Rev. Roy Wintersteen, pastor of First Church in Roxbury; Robert A. MacLellan, president of Lincoln Savings Bank; Dan Nixon, manager of National Shawmut Bank, Dudley branch; Rev. Samuel L. Laviscount, president of Ministers' Association and pastor of Roxbury Congregational Church; Dr. Charles Keith, pastor of Eliot Congregational Church; Rev. Samuel Jackson, pastor of Roxbury Presbyterian Church; Rev. James T. Ryder, pastor of Ruggles Street Baptist Church; Walter and Carroll Meins, both of 171 Humboldt avenue; and Ralph W. Brett, retired Roxbury merchant.

CIRCULAR LETTER.

CITY OF BOSTON,
MAYOR'S OFFICE, June 19, 1953.
To All Department Heads.

GENTLEMEN:
Chapter 118 of the Acts of 1952 provides for the granting of monthly cash awards to municipal employees who submit suggestions for improving the service of the municipality.

All employees, permanent and temporary, of the City of Boston, including the School Department, and the County of Suffolk, are eligible for awards.

Suggestions which will contribute to the operating efficiency and economy of the city, and which are deemed worthy of adoption by the committee selected by the Mayor, will be rewarded for not less than \$10 or more than \$1,000, depending on the quality, adaptability and

practicality of the suggestion made. All such suggestions will be handled confidentially during their evaluation by the committee; names will be removed from all correspondence.

The acceptance of a cash award by an employee shall constitute an agreement that the use by the City of Boston, the School Department, or the County of Suffolk, of the suggestion for which the award is made shall not form the basis for further claims of any nature on the City of Boston, the School Department, or the County of Suffolk by him, his heirs, or assigns.

Suggestions are to be submitted in writing to Joseph M. Dunlea, Chairman, Room 31, City Hall, Boston 8, Massachusetts.

I strongly urge employees to use their talents towards the end that worth-while savings may be accomplished, for experienced employees are aware of economies which might be effected which will benefit not only the city but themselves.

Respectfully,

J. B. HYNES, Mayor.

LONG ISLAND COMMUNION BREAKFAST.

On Sunday, June 28, the second annual Communion Breakfast for the Catholic patients and employees at Long Island Hospital will be held under the direction of the chaplain, Rev. John J. Linnehan.

The guest speaker will be the Very Reverend Monsignor Francis J. Lally, editor of *The Pilot*.

John B. Andosca, M.D., medical director, will be the toastmaster, and Commissioner John R. McGilivray will welcome the guests.

The Mayor and Mrs. Hynes and all the members of the City Council have been invited.

The Mass will be celebrated at 9 A.M. Breakfast and entertainment will follow in the Recreation Building.

The Mass, speeches, and entertainment will be broadcast through the wards for those patients unable to attend.

DAMAGES AWARDED.

The Mayor has approved the following votes of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of November 29, 1951, determining damages caused by the making of the public improvement consisting of the widening and relocation of Poplar street, West Roxbury, be, and the same hereby is, amended, by striking from said order the amount \$1 awarded to Robert J. and Katherine A. Perchard in said order and inserting in place thereof the amount \$5,500; that the amount \$5,500 be, and the same hereby is, awarded to Robert J. and Katherine A. Perchard for the damages so sustained.

Voted, That the order of the Street Commissioners and Mayor of January 21, 1952, as amended, determining damages caused by the making of the public improvement consisting of the laying out of Shaw street, be, and the same hereby is, amended, by adding to said order the

amount \$225 as an award to Morris S. and Ethel Bornstein; that the amount \$225 be, and the same hereby is, awarded to Morris S. and Ethel Bornstein for the damages so sustained.

NO DAMAGES SUSTAINED.

The Mayor has approved the following votes of the Board of Street Commissioners:

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the laying out and construction of MacDonald street, Hyde Park district, as a highway, from Bateman street to Hallron street, under the order of the Board of June 8, 1953, and awards no damages therefor.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the laying out and construction of Grassmere road, Hyde Park district, as a highway, from Deforest street to Hallron street, under the order of the Board of June 5, 1953, and awards no damages therefor.

REVISION AND GRADE CONSTRUCTION IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the revision and construction of grade of Bateman street, West Roxbury district, as a highway, from Alpheus road to the West Roxbury-Hyde Park boundary line, bounded and described as follows:

The grade of Bateman street is hereby ordered revised and constructed, from Alpheus road to the West Roxbury-Hyde Park boundary line.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the revision of grade and construction of Bateman street, West Roxbury district, as a highway, from Alpheus road to the West Roxbury-Hyde Park boundary line, under the order of the Board of June 15, 1953, and awards no damages therefor.

TRANSFERS OF APPROPRIATIONS.

The Mayor has approved requests for the following transfers of appropriations:

BOSTON TRAFFIC COMMISSION.

From 580, Signal Equipment, \$11, to 560, Office Furniture and Equipment, \$11.

CONTRACTS AWARDED.

Permission to award the contracts for work, materials, and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

DEPARTMENT OF SCHOOL BUILDINGS.

Upon June 15 the Mayor approved a contract with Massachusetts Heating Corporation for furnishing and installing new oil burning equipment in the South Boston High School. Bids, opened June 11, were as follows:

Massachusetts Heating Corporation, \$15,989; Enterprise Oil Burner Sales Company, \$16,400; J. A. Bell Company, \$21,150; Seltzer & Co., Inc., \$23,893.

Upon June 15 the Mayor approved a contract with Fred Williams, Inc., for changes to the structural work and heating and ventilating equipment at the Dearborn School. Bids, opened June 11, were as follows:

Fred Williams, Inc., \$12,897; Joseph P. O'Hearn, \$14,965; W. A. Shepard Company, \$15,843.

LIBRARY DEPARTMENT.

Upon June 11 the Mayor approved a contract with E. J. Noel & Sons, Inc., for certain exterior painting and painters' work at the Central Library Building and Annex thereto on Blagden street. Bids, opened Tuesday, June 2, were as follows:

E. J. Noel & Sons, Inc., \$6,992; Bay State Painting Company, \$9,000; H. Piken & Co., \$9,745.

PUBLIC WORKS DEPARTMENT.

Upon June 15 the Mayor approved a contract with John J. Botti for sewerage works in Harvard street, City Proper, at an estimated cost of \$8,525. The work to be done under this contract is to be completed within 90 days after approval by the Mayor. The following bids were received June 11:

John J. Botti, \$5,525; R. A. Buccella & Sons, Inc., \$8,875; Bagarella Construction Company, Inc., \$12,658.75; C. Russo, Inc., \$13,710; Joseph J. Struziery, \$18,000.

Upon June 15 the Mayor approved a contract with Adams Asphalt Company, Inc., for bituminous concrete sidewalks, cement concrete bumper and chain link fence in Northern avenue, Ward 6, north side, from 550 feet east of Sleeper street to the Commonwealth Fish Pier, and such additional locations, if any, in Ward 6, as may be designated by the Commissioner of Public Works. The work to be done under this contract is to be completed October 1, 1953. The following bids were received June 11:

Adams Asphalt Company, Inc., \$19,455.25; James A. Susi, \$21,312.50; Ruffo Construction Company, Inc., \$23,366.40.

SUPPLY DEPARTMENT.

Upon May 20 the Mayor approved contracts as indicated in the following letter:

BOSTON, May 10, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On April 1, 1953, your Honor approved a letter of award for surgical supplies, including an award to Lindley's, Inc., in the amount of \$15,000.

Due to the large volume of clerical work involved in checking specifications and samples submitted on the 257-item bid Lindley's, Inc., did not receive the formal contract forms for signatures until the 30-day period of acceptance contained in the original proposal had expired and therefore returned the unexecuted contracts to this office with a letter of refusal, copy of which is attached.

It is now requested that the original permission to award a contract to Lindley's, Inc., be cancelled and authority be granted me to award contracts and orders to the next lowest acceptable bidders on the original bid of March 5, 1953, for items as indicated on the attached tabulation. Awards to be without public advertisement.

Approximate total amounts of awards will be as follows:

Contracts for: T. J. Noonan Company, \$13,200, less 2 per cent, time of payment, laboratory items, net; Thomas W. Reed Company, \$3,700, less 2 per cent, time of payment; E. F. Mahady Company, \$1,100, less 2 per cent, time of payment; Kimball & Pyrex, items, net.

Orders for: Arrow Glass Company, \$545, less 2 per cent, time of payment;

Will Corporation, \$300, net, 30 days; A. S. Aloe Company, \$200, less 2 per cent, time of payment.

The contract period will be from May 20, 1953, to March 31, 1954.

Respectfully yours,

EUGENE K. WELSH,
Acting Superintendent of Supplies.

Bids were as follows:

Surgical Supplies.

Item 1. 500 Boxes 6-Inch Wood Applicators, 72 Dozen to Box, Per Doz.—Lindley's, Inc., 36 cents; Bicknell Corporation, 48 cents; A. S. * Contract awarded.

Upon May 25 the Mayor approved contracts as requested in the following letter:

BOSTON, May 22, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Attached is tabulation of bids received on proposals for furnishing automotive vehicles and maintenance equipment to the various city departments. These bids were publicly opened and read in this office on April 27, 1953.

Authority is requested to award contracts for Items 1, 3, and 4 to the lowest bidder at the prices as checked on the attached sheets and a contract for Item 2 to the lowest bidder meeting specifications as indicated.

Approximate total amounts of contracts will be as follows:

Item 1. Lalime & Partridge, Inc., \$2,519.23; less allowance on one used unit, \$325; net total delivered price, \$2,194.23.

Item 2. Stilphen Motor Company, \$30,770.60; less allowance on seven used units, \$7,350—\$23,420.60; less 2 per cent discount, time of payment.

Item 3. Commonwealth Chevrolet Company, \$5,160; less allowance on four used units, \$840—\$4,320; less 2 per cent discount, time of payment.

Item 4. Clark-Wilcox Company, \$13,270; less allowance on two used units, \$2,000; net total delivered price, \$11,270.

Respectfully yours,

EUGENE K. WELSH,
Acting Superintendent of Supplies.

Bids were as follows:

Automotive Vehicles.

Davis Tractor Company, 30 days, see complete specifications attached to proposal; Clyde Everett Equipment, approximately 30 to 45 days following date of order; Clark-Wilcox Company, three weeks with hydraulic steer, stock with mechanical steer.

^{*} Contract awarded.

† Two Hough, Model HF, payloaders at \$6,420 each, \$12,840; deduct, if booster steering is not required, \$250 each, \$500; add, for two 11 cubic yards light mat. buck., \$215 each, \$430; allowance for duo scoops, S-568 and S-569, both 1950 machines, \$2,000. The design of this payloader is such that hydraulic booster steering is not required. The attached ownership list shows the number of these units now in service, none of which use any form of booster steering.

Upon May 25 the Mayor approved a contract with contractors as indicated for furnishing automotive vehicles to the Franklin Park yard of the Park Department.

Authority was requested to award a contract for Items 1 and 2 to Moye Chevrolet Company, Inc., the lowest bidder, at the prices as checked.

Willys New England, Inc., was the only company who submitted a bid on Item 3. However, their bid was irregular due to the fact that the check submitted with their bid was not certified as required. Authority is therefore given to dispense with further public advertisement for bids and award a contract, without public advertisement, to Willys New England, Inc., at the prices submitted on the public bid and as indicated on the attached tabulation sheet.

Approximate total amounts of contracts were as follows:

Moye Chevrolet Company, Inc., \$12,402.91; less trade-in allowance on 6 units, \$5,150—\$9,312.91, net.

Willys New England, Inc., \$3,073.56; less trade-in allowance on 2 units, \$900—

\$2,173.56; less 2 per cent discount, time of payment.

Bids, opened May 7, were as follows:

* Contract awarded.

Upon June 18 the Mayor approved a contract with contractors as requested in the following letter:

June 16, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:
Attached is tabulation of bids received on proposals for radio equipment to be delivered to the Police Department for use by the Department of Civil Defense. These bids were publicly opened and read in this office on June 3, 1953.

On the recommendation of the Director of Civil Defense, copy of which is attached, authority is requested to award a contract for Item 1 to Motorola C & E, Inc., the second low bidder, at the price as indicated on the accompanying sheet.

Authority is also requested to award Items 2 to 9, inclusive, to DeMambo Radio Supply Company, Inc., the only bidder, at the prices as checked.

Approximate total amounts of contracts were as follows:

Motorola C & E, Inc., \$6,424, net; DeMambo Radio Supply Company, Inc., \$1,307.80, less 2 per cent discount, time of payment.

Respectfully yours,

JOHN V. MORAN,
Superintendent of Supplies.

Municipal Signal & Supply Company, \$19,367.95, net; Eagle Signal Corporation, \$3,252, net; Marbelite Company, Inc., \$2,540, net.

Bids, opened June 5, were as follows:

Signal Equipment.

Item 1. 7 Eagle Signal Corporation, or Equal, Traffic Signal Controllers, According to Specifications (for Pedestrian-Actuated Flasher Type Traffic Signal Controllers), Each.—Eagle Signal Corporation, \$440.50; R. W. LeBaron, Inc., \$440.50; Marbelite Company, Inc., \$465; Municipal Signal & Supply Company, \$323.40.*

Item 2. 4 Eagle Signal Corporation, or Equal, Traffic Signal Controllers, According to Specifications (for Unit 2 System), Each.—Eagle Signal Corporation, \$454.50; R. W. LeBaron, Inc., \$154.50; Marbelite Company, Inc., \$750; Municipal Signal & Supply Company, \$323.40.*

Item 3. 2 Eagle Signal Corporation, or Equal, Traffic Signal Controllers, Same as Unit 2 Type, Except That Each Controller Shall Be a Combined Master and Local Controller, Each.—Eagle Signal Corporation, \$470.20; R. W. LeBaron, Inc., \$470.20; Marbelite Company, Inc., \$775; Municipal Signal & Supply Company, \$344.30.*

Item 4. 1 Eagle Signal Corporation, or Equal, Traffic Signal Controller, Complete with Special Pedestrian and Arrow Circuits, As Per Specifications.—Eagle Signal Corporation, \$608.70; R. W. LeBaron, Inc., \$608.70; Marbelite Company, Inc., \$635; Municipal Signal & Supply Company, \$532.40.*

Item 5. 2 Eagle Signal Corporation, or Equal, Combined Master and Local Traffic

Signal Controllers, As Per Specifications, Each.—Eagle Signal Corporation, \$578; R. W. LeBaron, Inc., \$578; Marbelite Company, Inc., \$760; Municipal Signal & Supply, \$442.20.*

Item 6. 2 Eagle Signal Corporation, or Equal, Traffic Signal Controllers, As Per Specifications, for Unit 2 System, Complete with Special Pedestrian and Arrow Circuits, Each.—Eagle Signal Corporation, \$523.40; R. W. LeBaron, Inc., \$523.40; Marbelite Company, Inc., \$755; Municipal Signal & Supply Company, \$366.30.

Item 7. 4 Eagle Signal Corporation, or Equal, Traffic Signal Controllers, Etc., Each.—Eagle Signal Corporation, \$919.70; R. W. LeBaron, Inc., \$919.70; Marbelite Company, Inc., \$635; Municipal Signal & Supply Company, \$756.

Item 8. 1 Eagle Signal Corporation, or Equal, Control Cabinet Empty for Type Efl3 Controllers.—Eagle Signal Corporation, \$85.50; R. W. LeBaron, Inc., \$85.50; Municipal Signal & Supply Company, \$55.40.*

Item 9. 46 One-Way Traffic Signal Housings, with 3 Lenses, Each.—Eagle Signal Corporation, \$59.30; R. W. LeBaron, Inc., \$59.30; Marbelite Company, Inc., \$56.80, BCB-31; Municipal Signal & Supply Company, \$55.77.*

Item 10. 12 One-Way Traffic Signal Housings, with 4 Lenses, Each.—Eagle Signal Corporation, \$76.95; R. W. LeBaron, Inc., \$76.95; Marbelite Company, Inc., \$73.92, BCB-41; Municipal Signal & Supply Company, \$72.72.*

Item 11. 4 One-Way Traffic Signal Housings, with 5 Lenses, Each.—Eagle Signal Corporation, \$94.50; R. W. LeBaron, Inc., \$94.50; Marbelite Company, Inc., \$92.64, BCB-51; Municipal Signal & Supply Company, \$89.61.*

Item 12. 30 Two-Way Traffic Signal Housings, Each Face with 3 Lenses, Each.—Eagle Signal Corporation, \$126.50; R. W. LeBaron, Inc., \$126.50; Marbelite Company, Inc., \$121.20, BCB-32; Municipal Signal & Supply Company, \$118.82.*

Item 13. 10 Two-Way Traffic Signal Housings, 1 Face with 3 Lenses, 1 Face with 4 Lenses, Each.—Eagle Signal Corporation, \$144; R. W. LeBaron, Inc., \$144; Marbelite Company, Inc., \$139.12, BCB-31-41; Municipal Signal & Supply Company, \$135.72.*

Item 14. 5 Two-Way Traffic Signal Housings, Each Face with 4 Lenses, Each.—Eagle Signal Corporation, \$161.70; R. W. LeBaron, Inc., \$161.70; Marbelite Company, Inc., \$157.04, BCB-42; Municipal Signal & Supply Company, \$152.67.*

Item 15. 12 Three-Way Traffic Signal Housings, Each Face with 3 Lenses, Each.—Eagle Signal Corporation, \$187; R. W. LeBaron, Inc., \$187; Marbelite Company, Inc., \$179.20, BCB-33; Municipal Signal & Supply Company, \$169.80.*

Item 16. 2 Three-Way Traffic Signal Housings, Each Face with 4 Lenses, Each.—Eagle Signal Corporation, \$239.70; R. W. LeBaron, Inc., \$239.70; Marbelite Company, Inc., \$232.96, BCB-43; Municipal Signal & Supply Company, \$220.50.*

Item 17. 2 Three-Way Traffic Signal Housings, Left Face with 4 Lenses, Center Face with 3 Lenses, Right Face with 4 Lenses, Each.—Eagle Signal Corporation, \$222.35; R. W. LeBaron, Inc., \$222.35; Marbelite Company, Inc., \$215.04, BCB-42-31; Municipal Signal & Supply Company, \$203.40.*

Item 18. 2 Three-Way Traffic Signal Housings, Left Face with 4 Lenses, Center Face with 4 Lenses, Right Face with 5 Lenses, Each.—Eagle Signal Corporation,

\$257.50; R. W. LeBaron, Inc., \$257.50; Marbelite Company, Inc., \$250.88, BCB-42-51; Municipal Signal & Supply Company, \$238.45.*

Item 19. 2 Three-Way Traffic Signal Housings, Left Face with 5 Lenses, Center Face with 3 Lenses, Right Face with 3 Lenses, Each.—Eagle Signal Corporation, \$222.35; R. W. LeBaron, Inc., \$222.35; Marbelite Company, Inc., \$215.04, BCB-32-51; Municipal Signal & Supply Company, \$203.40.*

Item 20. 125 Eagle Signal Corporation, or Equal, Pedestrian Push Buttons, Etc., Ready for Mounting on Traffic Signal Posts, Each.—Eagle Signal Corporation, \$9.50*; R. W. LeBaron, Inc., \$9.50; Marbelite Company, Inc., \$9.90; Municipal Signal & Supply Company, \$10.

Item 21. 125 Baked Enamel Signs, Approximately 5 Inches Wide x 8 Inches High, Center Mounting Holes Top and Bottom, Black Letters on White Back, Etc., Each.—Eagle Signal Corporation, \$1.40*; R. W. LeBaron, Inc., \$1.40; Marbelite Company, Inc., \$1.50; Municipal Signal & Supply Company, \$1.44.

Item 22. 125 Combination Push-Button and Signal Saddles, Eagle Signal Corporation, No. EJ3, or Equal, Each.—Eagle Signal Corporation, \$3.40*; R. W. LeBaron, Inc., \$3.40.

Item 23. 25 Meter Socket Saddles, Eagle Signal Corporation, No. EJ3M, or Equal, Each.—Eagle Signal Corporation, \$2.60*; R. W. LeBaron, Inc., \$2.60.

Item 24. 100 Pedestrian Push Buttons (Mechanical Only), Eagle Signal Corporation, or Equal, Each.—Eagle Signal Corporation, \$6.50*; R. W. LeBaron, Inc., \$6.50.

Item 25. 100 Pedestrian Push-Button Locking Rings, Eagle Signal Corporation, or Equal, Each.—Eagle Signal Corporation, \$1.50*; R. W. LeBaron, Inc., \$1.50.

Item 26. 50 Reflectors for Traffic Signal Housings, Eagle Signal Corporation, No. PBR-1, or Equal, Each.—Eagle Signal Corporation, \$4.50*; R. W. LeBaron, Inc., \$4.50.

Item 27. 4 Relays, Type LA-1, for Master Control Board Controllers, Eagle Signal Corporation, or Equal, Each.—Eagle Signal Corporation, \$11.25*; R. W. LeBaron, Inc., \$11.25.

Item 28. 4 Jones Plugs (Male with Leads), for Master Control Board Controllers, Eagle Signal Corporation, or Equal, Each.—Eagle Signal Corporation, \$12.75*; R. W. LeBaron, Inc., \$12.75.

Item 29. 4 Jones Plugs (Female with Leads), for Master Control Board, Eagle Signal Corporation, or Equal, Each.—Eagle Signal Corporation, \$12.75*; R. W. LeBaron, Inc., \$12.75.

Item 30. 5,000 Feet Wire, 500-Foot Coils, Black, Eagle Signal Corporation, No. 601, or Equal, Per Foot.—Eagle Signal Corporation, 3.25 cents*; R. W. LeBaron, Inc., 3.25 cents.

Item 31. 2,000 Feet Wire, 500-Foot Coils, White, Eagle Signal Corporation, No. 600, or Equal, Per Foot.—Eagle Signal Corporation, 3.25 cents*; R. W. LeBaron, Inc., 3.25 cents.

Discount.—Eagle Signal Corporation, net, cash; R. W. LeBaron, Inc., net, cash; Marbelite Company, Inc., no discount; Municipal Signal & Supply Company, net, 30 days.

Make Bid Upon.—Eagle Signal Corporation, Eagle Signal Corporation; R. W. LeBaron, Inc., Eagle Signal Corporation; Marbelite Company, Inc., Marbelite Company, Inc.; Municipal Signal & Supply Company, Items 1 to 19, General Electric Company, Items 20 and 21, Automotive Signal Division.

Delivery Date.—Eagle Signal Corporation, start at once, complete in 60 days; R. W. LeBaron, Inc., start at once, complete in 60 days; Marbelite Company, Inc., signals, 8 weeks, controllers, 12 weeks; Municipal Signal & Supply Company, start delivery at once, complete in 10 weeks.

Total.—Eagle Signal Corporation, \$29,514.40; R. W. LeBaron, Inc., \$29,514.40; lump sum, \$25,973; Marbelite Company, Inc., \$28,755.24, not bidding on all items; Municipal Signal & Supply Company, \$23,870.80, not bidding on all items.

* Contract awarded.

OMIT AND SUBSTITUTE WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

J. D'Amico, Inc., has been directed to omit and substitute the following work under the contract for bituminous concrete pavement in Boston street, Massachusetts avenue, Sidlaw road, and Vale street, and for macadam pavement in Proctor street, dated September 11, 1952:

In Proctor street, omit approximately 1,850 linear feet of hip gutters (Item 6-2 of the contract) and substitute approximately 1,850 linear feet of bituminous concrete berm 12 inches wide and 3 inches thick at 50 cents per linear foot. Estimated cost of omitted work, \$2,775; estimated cost of substituted work, \$925; estimated decrease in cost, \$1,850.

EXTENSION OF CONTRACTS.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for an extension of time for the completion of the contract with Martin J. Kelly Company, Inc., for egress alterations in various schools in Group H-8, from June 30, 1953, to October 31, 1953. This extension was requested because of additional work being done to meet the requirements of the Building Department of the City of Boston.

Approval has been given for an extension of time for the completion of the contract with Stanton Electric Company for electrical work at Charlestown High School, from June 30, 1953, to September 15, 1953. This extension was requested because of a delay in securing necessary materials to complete the work.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

Brookly Construction Corporation has been directed to perform the following extra work under the contract for bituminous concrete pavement in Lorene road and Stonley road and for bituminous concrete sidewalks in Sherbrook street, dated October 24, 1952:

In Lorene road, deliver 11.4 linear feet of new 5-inch straight edgestone to district 5, Paving Yard, at \$1.98 per linear foot, and deliver two stone bounds to same yard at \$11.20 each.

Hauling material will be paid for under Item 5e of the contract. Estimated cost of extra work, \$44.97.

Adams Asphalt Company has been directed to perform the following extra

work under the contract for bituminous concrete pavement in Broadway, Northampton street, and Southampton street, dated July 10, 1952:

In Eustis street, cut and remove six existing tree stumps, at least 4 inches below finished sidewalk grade, for the sum of \$50.

In Acton street, furnish and lay approximately 10 tons, and in Wilkes street, furnish and lay approximately two tons of sheet asphalt wearing surface on the existing sidewalk where directed, to be spread, raked, and smoothed by hand, at \$13 per ton.

In Bradford street, rebuild brick wall of abandoned coal hole at No. 4 and dispose of granite slab for the sum of \$35. Estimated cost of extra work, \$241.

POLICE DEPARTMENT ORDERS.

General Order No. 1778.

Acting under provisions of chapter 658, Acts of 1945 (State-Boston Retirement System), as amended, and in conformity with General Laws, chapter 32, section 94 (Heart Bill), the Boston Retirement Board has approved for retirement, on account of accidental disability, the following-named police officer, effective at the close of business Tuesday, June 30, 1953.

In view of this operation of law, after June 30, 1953, the said police officer shall no longer be an active member of this department, and it is hereby ordered that its records be so amended:

Patrolman Arthur J. Ahern, Division 1.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 1779.

The following-named police officers, honorably discharged veterans, having arrived at the ages stated, having been in service of the Boston Police Department for number of years set forth, and having requested retirement under provisions of section 57, chapter 32, General Laws (Ter. Edit.), as amended, it is hereby

Ordered, His Honor the Mayor having approved the same, said police officers will be retired from active duty in the Police Department, effective Tuesday, June 23, 1953, at 5:45 o'clock P.M.:

Patrolman Robert F. Howard, Division 16, age 53, 22 years of service.

Patrolman Daniel P. Sharkey, Bureau of Operations, age 57, 26 years of service.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

A catch basin and connection in Melville avenue, at Melville Lane, in the Dorchester district, at an estimated cost of \$500.

To rebuild 145 linear feet of 30-inch pipe sanitary sewer in Harvard street, between Albany street and Hudson street in the City Proper district, at an estimated cost of \$8,500.

CIVIL SERVICE EXAMINATIONS.

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence.

PHOTOSTAT OPERATOR, BOSTON DEPARTMENT OF VETERANS' SERVICES, JULY 24, 1953.

Last date for filing applications, Friday, July 3, 1953.

Salary: \$62.52 a week.

Teachers College	606
Special schools	1,806

PROCEEDINGS OF CITY COUNCIL.

Monday, June 8, 1953.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., President AHEARN in the chair.

The Reverend John J. Philbin, of the Holy Name Church, West Roxbury, was escorted to the rostrum.

INVOCATION BY REV. JOHN J. PHILBIN.

In the name of the Father, and of the Son, and of the Holy Ghost, Amen.

At the beginning of this session of the Council, we turn to Thee, O God, from Whom all authority is rightly derived, to ask Your blessing upon the decisions that are to be made this day. We ask You, O Almighty and Eternal God, to grant to those who must make these things that prudence that they may not act with inconsiderate haste but with such calmness, wisdom, and understanding as befit those who govern the lives and welfare of others. Bestow on them a conscious sense of Justice so that they may not be derelict to Thee nor to the community they serve; neither let their justice be so unyielding and impersonal that it cannot be softened by mercy when the circumstances indicate that such action might be more pleasing to Thee, the God of Mercy as well as of Justice.

Make them, O Heavenly Father, Temperate in their public and private conduct so as to have the confidence of their fellow citizens and the admiration of our youth. Inspire them with Fortitude so that they will be men of principle, unafraid to act for the common good even when their action might be criticized unfairly by some.

Bless them, O God, with such measure of humble greatness as to be able to guide in these times of economic tension and fear of war; and, bless them, also, with such humbleness so that they will turn to Thee in fervent and sincere prayer on all the occasions when they are confronted with perplexing situations and the right decision is difficult to make.

Finally, O Lord, let Thy wisdom shine forth in all the proceedings of this Council and the laws framed for our rule and government, so that we, the citizens, led by our elected representatives may increase in happiness, prosperity, virtue, and useful knowledge, to the end that this city, under Thee, may be a good place in which to live and enjoy the blessings of freedom. Amen.

The meeting was opened with the salute to the Flag.

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointments:

Constable with authority to serve civil process upon filing of bond, for the term ending April 30, 1954: Bert Oppenheim, 9 Egmont road, Brighton. Weighers of Coal, for the term ending April 30, 1954: Charles Paisner, 140 American Legion Highway, Dorchester; Francis P. Creed, 47 Pembroke street, Boston.

Referred to the Committee on Confirmations.

RENAMING L STREET BATHHOUSE AND SOLARIUM THE DONALD T. TOLAND MEMORIAL.

The following was received:

City of Boston,
Office of the Mayor, June 8, 1953.
To the City Council.

Gentlemen:
I transmit herewith additional communication from the Chairman of the Park Department relative to your order of May 18, 1953, requesting to rename the L Street Bathhouse and Solarium the Donald T. Toland Memorial.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Park Department, June 1, 1953.
Thomas G. J. Shannon,
Chief Clerk, Mayor's Office.

Dear Sir:
Under date of May 21, I wrote you relative to a resolve filed in the City Council by Councilors Joyce and Foley, that the L Street Bathhouse and Solarium be named the Donald T. Toland Memorial, in honor of Marine Corporal Donald T. Toland, who lost his life in the service of his country on May 28, 1951, in Korea. I informed you at that time that the matter would be taken up at the next meeting of the Board of Park Commissioners.

A meeting was held today, June 1, at the Park Department office, and among other matters considered was the request for the renaming of L Street Bathhouse.

The Board has had many requests over a period of years for the renaming of certain Park Department properties and experience has shown that the renaming of existing facilities is merely

an empty gesture, that the place renamed is never referred to by the new name or by the name of the individual who was to be memorialized. This would be more true of L Street Bathhouse than of almost any other property within the Park Department. L Street Bath is known the country over, in fact, is almost world-wide in its fame, and this has been true for many, many years. If this bathhouse was renamed for Corporal Toland or anyone else, it would still be referred to as L Street.

The Board of Park Commissioners is of the opinion that some honor should be paid to Donald Toland in memory of the great record and sacrifice he made in defense of our country. The Toland family is one of the best known in the South Boston district, the parents of John being particularly active in various civic and patriotic groups, and the Board would like to give some consideration to the request of the councilors by having some structure on park property named in memory of Donald Toland.

The Board therefore offers this suggestion: That the lobby of the L Street Bathhouse, or the Solarium, or one of the wings of the building, be dedicated to the memory of Donald Toland and that a suitable plaque be erected in that part of the building selected.

I would appreciate your transmitting this information to the Boston City Council, particularly to Councilors Joyce and Foley, who sponsored the resolve.

Very truly yours,
FRANK R. KELLEY, Chairman.

Referred to the Executive Committee.

INFORMATION RE URBAN REDEVELOPMENT IN WEST END.

The following was received:

City of Boston,
Office of the Mayor, June 8, 1953.
To the City Council.

Gentlemen:
I transmit herewith communication from the Chief of the Urban Redevelopment Division relative to your order of May 25, 1953, requesting that an appropriate leaflet be prepared and distributed describing the present status of the Urban Redevelopment as it concerns the West End.

Respectfully,
J. B. HYNES, Mayor.

Urban Redevelopment Division,
Boston Housing Authority.
June 5, 1953.

Hon. John B. Hynes,
Mayor of Boston.
Dear Mr. Mayor:
In compliance with the City Council order of May 25, 1953, the Urban Redevelopment Division is preparing an appropriate leaflet describing the present status of the West End project and its effect on the residents and property owners of this area. The brochure will be distributed to every family in the proposed West End project. This material will be ready for distribution the week of June 15.

Respectfully yours,
KANE SIMONIAN, Chief.

Placed on file.

THREE-DAY DEMONSTRATION OF PARK DEPARTMENT SAILING PROGRAM.

The following was received:

City of Boston,
Office of the Mayor, June 8, 1953.
To the City Council.

Gentlemen:
I transmit herewith communication from the Chairman of the Park Department relative to your order of June 1, 1953, requesting a three-day demonstration of the Park Department sailing program in both the Baywater section of East Boston water front and Pleasure Bay section of the South Boston water front during the summer months.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Park Department, June 5, 1953.
Thomas G. J. Shannon,
Chief Clerk, Mayor's Office.

I desire to acknowledge your memorandum of June 3, 1953, with enclosure, City Council order of June 1, 1953, requesting the Park Department to sponsor a three-day demonstration of the Park Department sailing program in both the Baywater section of the East Boston water front and Pleasure Bay section of the South Boston water front during the summer months.

This is to inform you that we have not a sufficient supply of boats to conduct this demonstration. We are operating our boating program on the Charles River and Jamaica Pond with the same number of boats that were formerly used on the Charles River.

In our 1953 budget we asked for \$5,000 for the purchase of new boats in order to expand our program. This was deleted from the budget, therefore we cannot expand our program at the present time.

I regret we cannot comply with the request of City Councilor Foley.

Very truly yours,
FRANK R. KELLEY, Chairman.

Placed on file.

STATE RENT CONTROL LAW.

The following was received:

City of Boston,
Office of the Mayor, June 8, 1953.
To the City Council.

Gentlemen:
I desire to recommit an order for the acceptance of chapter 434 of the Acts of 1953 entitled "An Act Relative to Rent Control."

While the extension of rent control is of debatable virtue, nevertheless, it is a fact that there continues to be a shortage of rental housing in the City of Boston, and for that reason, and until that shortage is ameliorated, rent control in Boston should be exercised.

I call to the attention of your Honorable Body, that chapter 434 of the Acts of 1953, if accepted, will be effective until June 30, 1954, and may be further extended for a period of nine months beyond that date, but not exceeding nine months. 434 that your acceptance of the act may be rescinded at any time.

Herewith I transmit a copy of the rent control act, together with a digest thereof, for your information.

I respectfully recommend adoption of the accompanying order.

Respectfully,
J. B. HYNES, Mayor.

DIGEST OF STATE RENT CONTROL LAW.

Sections 12 and 14. Requirement of acceptance by vote of City Council containing a statement of declaration. Acceptance effective until June 30, 1954, but by another vote on June 30, 1954, may be further extended for not exceeding nine months. Acceptance may be rescinded at any time.

Section 4. Appointment by Mayor, subject to confirmation by City Council, of a Rent Board of (at least) five members—majority of Board to be representative of public interest, and remainder to be equally representative of landlords and tenants.

Section 3. To promote uniformity among municipalities, Temporary State Housing Rent Coordinators (appointed by Governor) will advise Rent Board.

Section 4. Rent Board (with approval of Mayor) to employ and fix salaries of clerical and clerical aids, who shall be exempt from operation of Civil Service Law.

Section 4. Appropriation for balance of 1953 necessary. Appropriation for 1954 required. Forty per cent of all expenditures approved by Coordinator to be reimbursed by State.

Section 2. Housing accommodations exempt from control of Rent Board:

Housing Accommodations not controlled under any federal rent control law or regulation on June 2, 1953.

Trailer Coach Parks.
Transient Tourist Home.
Nursinghome, Furnished Housing Accommodations.

Housing Accommodations construction of which completed between February 1, 1945, and January 31, 1947, inclusive, and no time between completion and June 30, 1947, were rented as housing accommodations.

Housing Accommodation construction of which completed on or after February 1, 1947, were rented as housing accommodations created by change from nonhousing to housing use on or after February 1, 1947.

Additional Housing Accommodations created by conversion of nonhousing use on or after February 1, 1947, and March 31, 1949, inclusive.

Housing Accommodations vacant on June 2, 1953, or later becoming vacant (unless control established by June 2, 1953).

Housing Accommodations which on June 2, 1953, had a rental at the gross monthly rate of more than \$150 (unless control established).

Section 5. Powers and Duties of Rent Board:

To make such individual and general adjustments in maximum rents as may be necessary to remove hardships or to correct other inequities, with due weight being given to the principle of maintaining maximum rents at levels which will yield landlords a fair net operating income.

To make such individual and general adjustments in the city or any portion thereof or with respect to any class of housing accommodations in its management the need for containing maximum rents no longer exists, due to sufficient new construction or when demand otherwise reasonably met.

To establish maximum rents in certain cases.

Section 6. Appeal from Rent Board to District Court with provision for transfer to Superior Court for trial by jury.

Section 7 and 8. Penalties for Violations.

Ordered:

1. That it be, and hereby is, declared that a substantial shortage of rental housing accommoda-

tions exists in the City of Boston and that the control of rents in said city is necessary in the public interest; and

2. That the provisions of chapter 434 of the Acts of 1933 be, and hereby are, accepted.

Referred to the Executive Committee.

REPRESENTATIVE OF BOSTON TUBERCULOSIS ASSOCIATION TO SOUTH END REHABILITATION AND CONSERVATION BOARD.

The following was received:

City of Boston,
Office of the Mayor, June 8, 1953.
To the City Council.

Gentlemen:

I transmit herewith communication from the Coordinator, Neighborhood Rehabilitation and Conservation Program relative to your order of June 1, 1953, requesting that a representative of the Boston Tuberculosis Association be included on the South End Rehabilitation and Conservation Board.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Office of the Mayor, June 3, 1953.
Thomas G. J. Shannon,
Chief Clerk, Mayor's Office.

Dear Mr. Shannon:

The request contained in City Council order of June 1, sponsored by Councillor William J. Foley Jr., referred to the South End Neighborhood Rehabilitation and Conservation Program Committee for consideration.

It is the policy of the Mayor and his Neighborhood Rehabilitation and Conservation Program Committee to make each district committee autonomous. Consequently, it will be up to the South End Committee to determine whether or not it desires to have a representative of the Boston Tuberculosis Association as a member.

However, I shall recommend that Councillor Foley's request be honored.

Sincerely,

PAUL H. HINES,
Coordinator, Neighborhood
Rehabilitation and Conservation
Program.

Placed on file.

PETITIONS REFERRED.

The following petitions were received, and referred to the committee named, viz.:

Claims.

Duncan E. Blight, for compensation for damage to property at 1354 Clivick road, caused by defective condition of sewer drainage.

Peter Campiano, for compensation for damage to car caused by an alleged defect at Cambridge and Parker streets.

Steve F. Chastain, for compensation for damage to car by city car.

Employers' Fire Insurance Company, for compensation for damage to car of David Lang, by car of Public Works Department.

Ruth Cleason, for compensation for loss of clothing at City Hospital.

Louis Grutch, for compensation for damage to car by city car.

Edward Linnane, for compensation for damage to car by fire apparatus.

Charles Keeler, for compensation for damage to car by city car.

Joan Marino, for compensation for injuries caused by an alleged defect at 42 Prince street.

Frederick F. Mayer, for compensation for damage to car caused by an alleged defect in Grove street, West Roxbury.

J. J. Minnahan, Inc., for compensation for damage to truck by fire apparatus.

James Penza, for compensation for damage to car by city car.

Pasquale V. and Grace Rao, for compensation for damage to property at 98 West Cedar street, caused by defective condition of water main.

Merrill Siegan, for compensation for damage to car by city truck.

Robert J. Skidmore, for compensation for damage to property at 113 Kenrick street, Brighton, during repairs at Brayton road.

PERMITS FOR CHILDREN.

Petitions for children under fifteen years of age to appear at public amusements were received as follows:

Guglielmina Fiorentino, 115 Perkins street, Jamaica Plain, June 20.

Robert Sidney John Hancock Hall, June 17.

Annie Lee Dale, 12 Savin street, Roxbury.

Permits granted under usual conditions.

APPLICATION FOR SHELLFISH PERMITS.

Application for commercial use of shellfish permits was received from James H. Grant, 69 Saratoga street, East Boston, and David F. Fullerton, 2 West Eagle street, East Boston.

Severally referred to the Committee on Licenses.

PETITIONS FOR ANNUITY.

Petition of Mrs. Marion H. Harrington, to be paid an annuity on account of the death of her husband, Edward F. Harrington, late member of the Police Department.

Petition of Mrs. Mary J. Condon, to be paid an annuity on account of the death of her husband, William J. Condon, late member of Police Department.

Petition of Mrs. Mary E. Demody, to be paid an annuity on account of the death of her husband, Francis J. Demody, late member of Fire Department.

Petition of Mrs. Catherine F. O'Connor, to be paid an annuity on account of the death of her husband, Francis J. O'Connor, late member of Police Department.

Petition of Mrs. Elizabeth K. Riley, to be paid an annuity on account of the death of her husband, Frederick A. Riley, late member of Police Department.

Severally referred to the Committee on Claims.

APPROVAL OF CONSTABLE'S BOND.

The constable's bond of John J. Murphy, having been duly approved by the City Treasurer, was received and approved.

REPORT OF FINANCE COMMISSION ON SALE OF CITY-OWNED LAND IN SQUAMTUN TO CITY OF QUINCY.

The following was received:

Finance Commission, City of Boston,
To the Honorable the City Council,
June 3, 1953.

There is now before you on recommendation of the Mayor an order authorizing the sale to the City of Quincy for the sum of \$25,000 of a parcel of land located in Squantum known as Squaw Rock. Permission to Boston to sell it and to convey it was granted by the 1953 Legislature.

This parcel was acquired by Boston more than a half century ago in connection with the establishment of an outlet for Boston sewerage on Moon Island, which is about three-quarters of a mile away. There is a sewer shaft located on a projection into the parcel.

The City of Quincy initiated the idea of the sale now being authenticated, having promoted it for a number of years. Quincy claims that Squaw Rock is a haven for hoodlums, whom its police force cannot control, and yet Quincy desires to make a public park or playground of it. The parcel contains about 630,000 square feet with harbor frontage on three quarters of its borders. There are numerous small beaches on its shores. A Boston water main passes through it to serve Thompson Island, which at low tide can often be reached on foot and is only one third of a mile away. The subsoil of Squaw Rock, as its name would imply, is rock, but it is rock of the pudding-stone variety. There are now no buildings on it, but there has been "a squatter" claiming "squatter rights" occupying a wharf and butts on one of its many inlets. Offshore the waters are shallow, but there is a channel extending to deeper waters. Fish and bird life are plentiful in season in the vicinity. The surface of the area is, for the most part heavily treed, but there are extensive patches of grassy area. Geographically and practically, it is part of the approach to Moon Island, which in turn is part of the approach to Long Island. The City of Boston has built and maintained a causeway to Moon Island; more importantly, Boston has built a bridge which cost \$1,500,000 extending from Moon Island to Long Island. Long Island contains a Boston investment of several millions of dollars in a hospital and almshouse, and Boston is now planning to spend about \$2,000,000 more there for the construction of a chronic hospital.

This Long Island Bridge and the Moon Island Causeway constitute the only approach to the Long Island institution. Hundreds of patients, employees, tradesmen, artisans, and visitors travel back and forth over this route daily by auto road bus service. Squaw Rock, therefore, being the beginning of the approach to Long Island, is of more than ordinary significance.

The Finance Commission is not opposed to the idea of Boston's sale of this parcel. It believes, however, that Boston should consider not only the desire of the City of Quincy to acquire it. Sentimentally, the City of Boston is under no obligation to the City of Quincy in the matter. Quincy has assessed and collected taxes from Boston on the property since Boston acquired title to it more than fifty years ago, though in recent years it has been known and used as a Quincy playground. For a time the Boston Public Works Commissioner tried to keep the one roadway unobstructed by a locked gate, but Quincy police could not prevent destruction of this obstacle; nor prevent unauthorized use of Squaw Rock night and day.

The Finance Commission has examined the legislative bill which authorizes the sale, the letter of recommendation of the Public Works Commissioner to sell it, and the order which is before you which must be the basis of the conveyance of the property to Quincy if and when conveyed. Nevertheless, despite that examination, the commission still asks—"What are you selling?" and "What is the potential value of what you are selling?"

In 1951 when the Public Works Commissioner recommended the sale, he stressed that an appraisal should be made of this Squaw Rock and Moon Island, in connection with, which Squaw Rock was purchased. No appraisal has been made, certainly not by Boston. The price of \$25,000 is apparently only what Quincy would like to pay for it, and the authorizing act of the Legislature stated that Quincy may not pay more than that sum. The \$25,000 will do little more than repay the City of Boston what it has paid Quincy in taxes on the property during the last half-century without having received service of any kind from Quincy.

The Public Works Commissioner, as the Council may see in his letter to you which accompanies the order of sale, specified certain restrictions in the sale such as withholding sufficient area to provide suitable and safe highway approach to the Moon Island Causeway. Part of that approach now is over an unaccepted street. The restrictions recommended by the Public Works Commissioner are not in the order before you.

Therefore, though Boston's acquiescence to the sale is based on the Public Works Commissioner's willingness to be rid of it, his recommendations for an appraisal first, and for incorporating in the order of sale some protection to Boston's right to a safe approach to Long Island, have apparently been forgotten.

Furthermore, the Public Works Commissioner suggested that the disposition eventually of Moon Island be considered in connection with the sale of Squaw Rock and that both should be competently appraised.

Admittedly, because of the nuisance now caused by the sewer outlets in Squaw Rock and Moon Island, neither has great value. However, within three years these sewer outlets will be discontinued because Boston sewerage will be intercepted near Columbia Station on the Strandway and sent out into the harbor at or near Deer Island. Because Squaw Rock and Moon Island are excellent shore and offshore locations, their value will then be much greater than now.

It seems to the Finance Commission that this potential future value should be given more consideration than has been given to the proposal to sell; also, that that disposition of Squaw Rock should be considered in connection with the possibility of sale of Moon Island; and that the Long Island approach and the Long Island water supply, which comes through this area, should be adequately protected in any arrangement of sale.

The Finance Commission, therefore, recommends that action on the order before you be deferred until a sufficient study of the whole situation has been made.

Respectfully submitted,

EDWARD F. MULLEN, Chairman,
LEO J. DUNN,
FREDERICK DEANE,
EDWARD U. LEE,
ROGER J. ARIZAI, M.D.,
The Finance Commission.

ROBERT E. CUNIFFE,
Secretary.

Referred to the Committee on Public Lands.

APPROPRIATION OF \$80,250 FOR OFF-STREET PARKING FACILITIES IN DUDLEY STREET SECTION OF ROXBURY.

President AHEARN called up, under unfinished business, No. 1 on the Calendar, viz.:

1. Order for appropriation of \$80,250 from "Parking Meter Fees" to be expended by the Board of Real Estate Commissioners for acquiring off-street parking areas and facilities for reconstructing or reconstructing and resurfacing such areas and facilities in the Dudley Street section of Roxbury.

On May 25, 1953, the foregoing order was read once and passed, yeas 7, nays 0.

The question came on giving the order its second reading and passage. The order was given its second reading and passage, yeas 8, nays 0.

Yeas—Councillors Ahearn, Foley, Hailer, Joyce, Kerrigan, Piemonte, Ward, White—8.

Nays—0.

APPROPRIATION OF \$33,300 FOR OFF-STREET PARKING FACILITIES IN CLEARY SQUARE SECTION OF HYDE PARK.

President AHEARN called up under unfinished business, No. 2 on the Calendar, viz.:

2. Order for appropriation of \$33,300 from "Parking Meter Fees" to be expended by the

Board of Real Estate Commissioners for acquiring off-street parking areas and facilities in the Cleary Square section of Hyde Park.

On May 23, 1953, the foregoing order was read once and passed, yeas 7, nays 0.

The question came on giving the order its second reading and passage. The order was given its second reading and passage, yeas 8, nays 0.

Yeas—Councillors Ahearn, Foley, Hailer, Joyce, Kerrigan, Piemonte, Ward, White—8.
Nays—0.

REPORT OF COMMITTEE ON APPROPRIATIONS AND FINANCE.

Coun. HAILER, for the Committee on Appropriations, submitted the following:

1. Report on message of the Mayor and order (referred April 27) for appropriation of \$1,949,065.55 for school purposes—that same ought to pass.

The report was accepted, and the order was passed, yeas 7, nays 0.

Yeas—Councillors Ahearn, Foley, Hailer, Joyce, Kerrigan, Piemonte, White—7.
Nays—0.

2. Report on message of the Mayor and order (referred May 25) for appropriation of \$335,350, for city loans, redemption of, and city debt requirements and interest—that same ought to pass.

The report was accepted, and the order was passed, yeas 7, nays 0.

Yeas—Councillors Ahearn, Foley, Hailer, Joyce, Kerrigan, Piemonte, White—7.
Nays—0.

3. Report on message of the Mayor (referred May 4) requesting early action on loan order for construction of incinerator—recommending no further action necessary.

The report was accepted.

4. Report on message of the Mayor and order (referred June 1) for appropriation of \$65,100 from special account, "Parking Meter Fees," for off-street parking facilities in Fields Corner section of Dorchester—that same ought to pass.

The report was accepted. On motion of Councillor Foley, the message and order were recommended to the committee on Appropriations and Finance.

APPROPRIATION OF \$80,000 FOR REVALUATION SURVEY.

On motion of Councillor Piemonte the order (referred April 13) for appropriation of \$80,000 for the Assessing Department, Revaluation Survey, was recalled from the Committee on Appropriations and Finance.

The question came on the passage of the order, and the order was rejected, yeas 2, nays 7.

Yeas—Councillors Piemonte, White—2.
Nays—Councillors Ahearn, Foley, Hailer, Joyce, Kerrigan, Ward—6.

THE NEXT MEETING.

On motion of Councillor Ward the Council voted that when it adjourn it be to meet on Monday, June 22, 1953, at 2 P.M.

JURY LIST.

Coun. AHEARN offered the following:

Ordered, That the City Clerk be hereby directed when the Jury List is filed with him by the Election Commission, to cause the names on said list to be written each on a separate ballot and said ballots to be properly folded as provided in section 7 of chapter 234 of the General Laws and placed in the box provided for the purpose.

Passed under suspension of the rules.

NAMING OF SQUARE IN HONOR OF JOSEPH PATTI.

Coun. PIEMONTE offered the following:

Ordered, That the Committee to Memorialize Veterans be requested, through his Honor the Mayor, to name the junction of Cotting and Leverett streets, West End, the Joseph Patti Square, in honor of Joseph Patti, who gave his life in the service of his country in World War II.

Passed under suspension of the rules.

NAMING OF SQUARE IN HONOR OF JAMES R. MACDONALD.

Coun. HAILER offered the following:

Ordered, That the Special Committee to Memorialize Veterans be requested, through his Honor the Mayor, to recommend the naming of the square at the intersection of Belgrade avenue and West Roxbury Parkway in honor of James R. MacDonald, of the U. S. Army Engineers, who was killed in Korea on May 28, 1952.

Passed under suspension of the rules.

COOPERATION BETWEEN CITY OF BOSTON AND LITTLE LEAGUES.

Coun. FOLEY offered the following:

Ordered, That the Board of Recreation briefly survey the matter of cooperation between the City of Boston and the various Little Leagues throughout the city, that the Board of Recreation furnish its opinion as to the advisability of the use of names "Little League," "Pony League," etc., by the city in its baseball program for juveniles, and that such report be forwarded to the City Council when available.

Passed under suspension of the rules.

TRAFFIC LIGHTS AT COMMONWEALTH AND CHESTNUT HILL AVENUES.

Coun. HAILER offered the following:

Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to install automatic traffic signals at the intersection of Commonwealth and Chestnut Hill avenues, Brighton.

Passed under suspension of the rules.

TO CHANGE NAME OF FARRINGTON AVENUE TO BERAM AVENUE.

Coun. HAILER offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to change the name of Farrington avenue, Roslindale, to Beram avenue.

Passed under suspension of the rules.

INFORMATION RE COST OF RUBBISH AND GARBAGE DISPOSAL.

Coun. HAILER offered the following:

Ordered, That under section 17F of the Boston City Charter the City Auditor and Corporation Counsel be directed to answer the following question on or before June 15, 1953:

City Auditor:

The cost to the City of Boston of rubbish and garbage disposal from April 1, 1953, including all expenses incurred by the city as a result of the failure of the disposal contractor to carry out the terms of his contract.

Corporation Counsel:

Whether adequate legal safeguards have been provided or will be provided in the future for contracts entered into by the City of Boston for the disposal of garbage and rubbish so that this year's predicament will not arise again.

Passed under suspension of the rules.

Adjourned at 4:19 P.M., on motion of Councillor Ward, to meet on Monday, June 22, 1953, at 2 P.M.

NOTE: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

(Stenographic copy of such debate on file in office of City Clerk.)

CONSTRUCTION OF STREET IN ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the laying out and construction of

Pickering avenue, Roxbury district, as a highway from Walnut avenue approximately 235 feet easterly, bounded and described as follows:

A highway named Pickering avenue is hereby laid out from Walnut avenue approximately 235 feet easterly; and ordered constructed.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Westerly by Walnut avenue, 29.01 feet; northerly by the northerly line of Pickering avenue as hereby laid out, 232.21 feet; easterly by the easterly line of Pickering avenue as hereby laid out, 29.17 feet; and southerly by the southerly line of Pickering avenue as hereby laid out, 234.42 feet.

Trees, shrubs or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting parcels of land situated on the northerly and southerly sides of Pickering avenue as laid out under this order, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on the plan heretofore referred to and on file in the office of this department.

Parcel.	Amount.
1. Beulah Rice.....	\$160 56
2. Robert and Margaret Allen.....	336 60
3. Nellie Maloof Shire.....	336 60
4. Filomena Porro.....	301 86
5. Mary Gillespie.....	414 08
6. Fenton L. and Florence E. Johnson.....	292 20
8. Michael J. Kennedy.....	263 04
9. Edward F. Bryan.....	340 80
10. Mary Williams.....	176 72
Total.....	\$2,622 46

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the laying out and construction of Pickering avenue, Roxbury district, as a highway, from Walnut avenue approximately 235 feet easterly, under the order of the Board of June 11, 1953, and awards no damages therefor.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be thirty (30) days, vehicles are excluded from the following streets, effective June 18, 1953:

Dexter Street, South Boston.

From Dorchester avenue to Ellery street.

Gates Street, South Boston.

From Dorchester avenue to Telegraph street.

—

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be fifteen (15) days, vehicles are excluded from the following street when and where official signs are in place, effective June 18, 1953:

Shirley Street, Roxbury.

From Massachusetts avenue to Norfolk avenue.

—

Voted, That as urgently required by considerations of public safety and convenience, occasioned by street construction, for a period estimated to be thirty (30) days, parking of vehicles is prohibited in the following street, when and where official signs are in place, effective June 18, 1953:

Washington Street, West Roxbury.

Both sides, from the New York, New Haven & Hartford Railroad Bridge at Forest Hills to West Roxbury Parkway.

FIRE DEPARTMENT ORDERS.*General Order No. 31.***MAYOR'S CIRCULAR LETTER.**

The following self-explanatory message has been received from Mayor John B. Hynes, and it is transmitted for the information of the department.

Chapter 118 of the Acts of 1952 provides for the granting of monthly cash awards to municipal employees who submit suggestions for improving the service of the municipality.

All employees, permanent and temporary, of the City of Boston, including the School Department, and the County of Suffolk, are eligible for awards.

Suggestions which will contribute to the operating efficiency and economy of the city, and which are deemed worthy of adoption by the committee selected by the Mayor, will be rewarded for not less than \$10 or more than \$1,000, depending on the quality, adaptability, and practicality of the suggestion made. All such suggestions will be handled confidentially during their evaluation by the committee; names will be removed from all correspondence.

The acceptance of a cash award by an employee shall constitute an agreement that the use by the City of Boston, the School Department, or the County of Suffolk, of the suggestion for which the award is made shall not form the basis for further claims of any nature on the City of Boston, the School Department, or the County of Suffolk, by him, his heirs, or assigns.

Suggestions are to be submitted in writing to Joseph M. Dunlea, Chairman, Room 31, City Hall, Boston 8, Mass.

I strongly urge employees to use their talents towards the end that worthwhile savings may be accomplished, for experienced employees are aware of economies which might be effected which will benefit not only the city but themselves.

Respectfully,

J. B. HYNES, Mayor.

It is respectfully requested that all persons having ideas to promote the efficiency of this or any other department within the City of Boston submit their views in writing at once.

We would be happy to see a member of the Boston Fire Department win the top award.

By order of Fire Commissioner JOHN F. COTTER.

JOHN V. STAPLETON,
Chief of Department.

*General Order No. 32.***I. RETIREMENTS.**

The following retirement, in accordance with section 53, chapter 32 of the General Laws, as amended, which became effective as of 5 P.M., Tuesday, June 16, 1953, is hereby announced:

Spray Painter Harold J. Holmes, Maintenance Division.

The following retirement, in accordance with section 13, chapter 521 of the Acts of 1922, which will become effective at 8 A.M., Wednesday, July 1, 1953, is hereby announced:

Ladderman John A. Sousa, Ladder Company 2.

Spray Painter Holmes entered the employ of the City of Boston on March 31, 1922, and was transferred to the Fire Department on December 5, 1951.

Ladderman Sousa was appointed to the Fire Department on December 9, 1942.

Both these men leave the department with the best wishes of their associates.

II. NEW FIRE ALARM BOXES ESTABLISHED.

In the near future, the following fire alarm boxes will be installed:
2552, Washington and Morton streets.
12-2552, Forest Hills Overpass, at Washington street.

The assignment of apparatus for Box 2552 will be the same as for Box 2551. Assignment cards will be distributed at a later date, and the circuit numbers for the above fire alarm boxes will be announced when the boxes are installed.
2618, Washington street and Archdale road.

2622, Washington street and Atherton avenue.

2795, Washington and Cornell streets. Assignment of apparatus to Box 2618 will be the same as for Box 2619.

Assignment of apparatus to Box 2792 will be the same as for Box 2793.

Assignment of apparatus to Box 2795 will be the same as for Box 2794.

Assignment cards for these three boxes will be distributed at a later date. Circuit numbers for these boxes will be announced when the boxes are installed.

III. BOSTON AUTOMATIC ASSIGNMENTS.

Company commanders shall add the following signal numbers to running cards of the Boston Automatic Fire Alarm Division of the Automatic Fire Alarm Company in this department:

Signal 1642, 3 Parley Vale, Parley Vale Nursing Home. (This is a manual alarm). Apparatus to respond: Engine 28, Ladders 10 and 23, District Chief 12. Nearest box is 2423.

Signal 426, 90-104 Hanover street and 1-7 Portland street. (Sprinkler alarm.)

Signal 427, 9 Portland street. (Sprinkler alarm.)

Apparatus to respond: Engine 4, Ladder 24, District Chief 4. Nearest box is 1323.

Signal 373, 202 Southampton street and 7 Moore street, building No. 1, Waldo Brothers Company.

Signal 374, 202 Southampton street, shed No. 1, Waldo Brothers Company.

Signal 375, 202 Southampton street, shed No. 2, Waldo Brothers Company.

(These buildings are equipped with automatic fire alarm service.)

Apparatus to respond: Engine 43, Ladder 20, District Chief 6. Nearest city box is 3113.

IV. A. D. T. ASSIGNMENTS.

Company commanders shall add the following signal numbers to running cards of the American District Telegraph Company in this department:

Signal 52, Esther Lunder, 110 Business street, Hyde Park. (Sprinkler system.) Apparatus to respond: Engine 48, Ladder 28, District Chief 15. Nearest box is 3827.

Signal 112, Dorchester Ice Cream Corporation, 12 Ericsson street, Dorchester. (Sprinkler system.) Apparatus to respond: Engine 20, Ladder 27, District Chief 14. Nearest box is 3464.

V. NEW CARDS FOR A. D. T. ASSIGNMENT BOOK.

New pages for the A. D. T. Assignment Book, Nos. 7, 8, 9, 11, 12, 13, 14,

15, 18, 19, 20, 21, 22, 29, and 30, are being issued to the department today.

The new cards will replace old pages 7, 8, 9, 11, 12, 13, 14, 15, 18, 19, 20, 21, 22, and 29. Page 30 is a new page. The old cards are to be returned to Headquarters in the envelopes provided on or before June 29, 1953.

VI. COMMENDATIONS.

The following-named members of the department are hereby commended for responding to and working at fire, Box 3568, on June 13, 1953, while off duty.

District Chief William C. Jeffers, District 6.

Hoseman Edmund L. Keif, Engine Company 19.

VII. APPRECIATION.

The Fire Commissioner is pleased to announce that he is in receipt of a letter, dated June 16, 1953, from Mr. George Swartz.

Mr. Swartz, in his letter, commended the firefighters for their efficient work in extinguishing a fire in the building at 1444 Commonwealth avenue, Brighton, on Sunday morning, June 7, 1953, for which two alarms were sounded.

Mr. Swartz enclosed a check for \$25 for the Boston Firemen's Relief Fund.

By order of Fire Commissioner JOHN F. COTTER.

JOHN V. STAPLETON,
Chief of Department.

CONSTRUCTION OF STREET, WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the laying out and construction of Cedar avenue, West Roxbury district, as a highway, from Lamartine street to Oakdale street, to be called Cerina road or some other distinctive name, bounded and described as follows:

A highway named Cerina road is hereby laid out from Lamartine street to Oakdale street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to John M. and Elizabeth A. Hines, bounded:

Westerly by Lamartine street, 6.40 feet; northerly by the northerly line of Cerina road as laid out under this order, by two measurements, 96.80 feet and 17.57 feet; easterly by land hereinafter described as taken from Aroian, 6.37 feet; and southerly by the northerly line of Cedar avenue as it existed prior to this order, 115.90 feet, containing 727 square feet, more or less.

A parcel of land, supposed to belong to Hasmig A. Aroian, bounded:

Westerly by land hereinafter described as taken from Hines *et al.*, 6.37 feet; northerly by the northerly line of Cerina road as laid out under this order, by two measurements, 52.77 feet and 36.80 feet; easterly by land hereinafter described as taken from Donovan, 6.57 feet; and southerly by the northerly line

of Cedar avenue as it existed prior to this order, by two measurements, 61.39 feet and 28.15 feet, containing 570 square feet, more or less.

A parcel of land, supposed to belong to Francis T. and Catherine Donovan, bounded:

Westerly by land hereinbefore described as taken from Aroian, 6.57 feet; northerly by the northerly line of Cerina road as laid out under this order, 75.97 feet; easterly by Oakdale street, 6.67 feet; and southerly by the northerly line of Cedar avenue as it existed prior to this order, 60.27 feet and 15.16 feet, containing 499 square feet, more or less.

The land, owners unknown, being the private way known as Cedar avenue.

Trees or structures standing upon or affixed to the aforesaid land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Cerina road as hereby laid out is bounded:

Westerly by Lamartine street, 25.26 feet; northerly by the northerly line of Cerina road as hereby laid out, by three measurements, 96.80 feet, 70.34 feet, and 112.77 feet; easterly by Oakdale street, 25 feet; and southerly by the southerly line of Cerina road as hereby laid out, by three measurements, 113.45 feet, 70.43 feet, and 100.50 feet.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting parcels of land situated on both sides of Cerina road (formerly Cedar avenue), from Lamartine street to Oakdale street, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on the plan hereinbefore referred to and on file in the office of this department.

Parcel.	Amount.
1. John M. and Elizabeth A. Hines.....	\$696 24
2. Hasmik A. Aroian.....	372 00
3. Hasmik A. Aroian.....	414 00
4. Francis T. and Catherine Donovan.....	560 08
5. Harry V., Jr., and Mary B. Madden.....	449 76
6. Margaret M. Corrigan.....	523 60
7. John D. Webster to the use of Marjorie J. W. Neill.....	627 00
8. Alfred D. and Isabelle J. Balboni.....	324 80
Total.....	\$3,967 48

Voted, That this Board determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the laying out and construction of Cerina road (formerly Cedar avenue), West Roxbury district, as a highway, from Lamartine street to Oakdale street, under the order of the Board of June 10, 1953, in the amounts hereinafter respectively set against them; and awards said amounts therefor:

John M. and Elizabeth A. Hines, 727 square feet, \$1.

Hasmik A. Aroian, 570 square feet, \$1.
Francis T. and Catherine Donovan, 499 square feet, \$1.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO PLUMBING CONTRACTORS.

INVITATION FOR PROPOSALS FOR PLUMBING WORK AT THE FRANK V. THOMPSON SCHOOL, MAXWELL AND SELDEN STREETS, DORCHESTER, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for plumbing work at the Frank V. Thompson School, Maxwell and Selden streets, Dorchester, Mass.

Proposals will be received until 12 o'clock noon, Monday, July 6, 1953, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston in the sum of \$100, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

JAMES H. MOONEY,
 (June 27.) Superintendent of Construction.

the Commissioner of Public Works, Room 511, City Hall Annex, Boston.

The ability to handle a rowboat is required in order to assist in rescue work which may arise.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

BOSTON PORT GAINS IN IMPORTS AND EXPORTS.

Gains in foreign tonnage in both import and export classifications were recorded in April of 1951 as compared to April of 1950. Director John M. Bresnahan of the Port of Boston Authority announced last night.

Total foreign trade increased from 466,719 tons to 507,542 tons, with exports rising from 28,960 tons to 46,469 tons. Imports increased from 437,759 to 461,073 tons.

Total port trade from January through April of this year was 7,439,086 tons, an increase of 1,184,632 tons over the figure for the same four months of 1950, Bresnahan said.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BRACON STREET, OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR CLEANING GLASS IN WINDOWS, DOORS, AND TRANSOMS ON THE OUTSIDE OF BOSTON PUBLIC SCHOOL BUILDINGS.

The School Committee of the City of Boston invites bids for cleaning glass in windows, doors, and transoms on the outside of Boston public school buildings. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Cleaning Glass in Windows, Doors, and Transoms on the Outside of Boston Public School Buildings." Successful bidders will be required to comply with all the applicable revised rules and regulations for the prevention of accidents in window cleaning as contained in Industrial Bulletin No. 21 of the Department of Labor and Industries, Division of Industrial Safety, with the exception that the following methods only may be used where such rules and regulations are applicable: (1) working on ladders; (2) working from a scaffold; (3) working from a boatswain's chair. The bids must be in duplicate. One copy, signed by the bidder and accompanied by a certified check payable to the City of Boston at the rate of fifty dollars (\$50) for each district on which bids submitted, must be in the office of the Business Manager on or before 12 o'clock noon on Wednesday, July 8, 1953. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Massachusetts, prior to the time named for the opening of bids. The successful bidders will be required, before commencing performance, to provide by insurance (a) for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract; (b) public liability and property damage in the amounts set forth in the proposal forms. The School Committee reserves the right to reject any or all bids, and to accept the bid or bids which it deems best for the interests of the city. The bidders must furnish a suitable bond or deposit of money or other security for the faithful performance of the contract in an amount of not less than 100 per cent thereof.

HENRY J. SMITH,
Business Manager of the School Committee.
(June 27.)

sation for collapse of hot water boiler in above premises caused when the water was shut off by employees of the Water Division, Public Works Department, without proper notice, during construction work, April 28, 1952.

John J. Walsh, 26 Mather street, Dorchester, in the sum of \$45.20, as compensation for damage to automobile caused by a hole in the highway opposite 28 Mather street, March 5, 1953.

Harold E. Gorham, 9 Elm street, Dorchester, to be reimbursed in the sum of \$36.73, as a result of an accident which occurred on October 25, 1952, when a motor truck belonging to the Fire Department, which he was operating, collided with an automobile owned by Carl G. Goldstein.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of sidewalk construction, estimated to be fifteen (15) days, vehicles are excluded from the following streets when and where official signs are in place, effective June 23, 1953:

Dixfield Street, South Boston.

From Old Harbor street to Covington street.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO PLUMBING CONTRACTORS.

INVITATION FOR PROPOSALS FOR PLUMBING WORK AT THE EDMUND P. TILSTON SCHOOL, BARBON STREET, MATAPAN, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for plumbing work at the Edmund P. Tilston School, Barboson street, Matapan, Mass.

Proposals will be received until 12 o'clock noon, Monday, July 6, 1953, at the office of the Awarding Authority, fourth floor, 25 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$200, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

The bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance, for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

JAMES H. MOONEY,
(June 27.) Superintendent of Construction.

Covington Street, South Boston.

From Columbia road to Dixfield street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be thirty (30) days, vehicles are excluded from the following streets, effective June 23, 1953:

Carlotta Street, Dorchester.

From Centre street two hundred and twenty-two (222) feet southerly.

Massasoit Street, Hyde Park.

From River street to Neponset River Reservation.

Quincefield Street, Dorchester.

From Humphreys street to Wendover street.

Voted, That as urgently required by considerations of public safety and convenience, occasioned by repairs to the M.D.C. Bridge in Old Colony Boulevard, for a period estimated to be fifteen (15) days, parking of vehicles is prohibited in the following street, effective June 23, 1953:

Dorchester Avenue, Dorchester.

West side, from Hancock street to Adams street, from 10 A.M. to 2 P.M. each weekday.

Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

JAMES H. MOONEY,
(June 27.) Superintendent of Construction.

CIVIL SERVICE EXAMINATIONS.

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence.

ASSISTANT REGISTRAR OF VOTERS, BOSTON ELECTION DEPARTMENT, AUGUST 14, 1953.

Last date for filing applications, Friday, July 24, 1953.

Salary: The minimum salary is \$68 a week; the maximum salary is \$53.50 a week.

Vacancies: From time to time. At present there are two vacancies (one for a Democrat and one for a Republican).

Duties: To examine prospective voters and to register them if found eligible; to assist in setting up the voting list each year; to work on the index of voters; to assist the Board of Election Commissioners in drawing prospective jurors; to check nomination papers and various types of petitions filed for certification; to tabulate election returns rapidly and accurately; to handle all detail in connection with the conduct of elections; and to perform related work as required.

The following are required: A knowledge of the Massachusetts General Laws relating to the requirements for qualifi-

ing as a voter and to the procedures necessary for registration, the laws relating to the status of naturalized citizens, particularly that portion of the law relating to married women, and the laws relating to primaries and elections, particularly chapter 51 of the Massachusetts General Laws (Ter. Ed.); proficiency in English and in arithmetic; a thorough knowledge of filing and indexing; the ability to write legibly and to copy information accurately; absolute integrity.

Entrance Requirements: In accordance with chapter 305 of the Acts of 1920, applicants must have been enrolled in either the Democratic or Republican Party for the three consecutive years next preceding the date of filing application and must file with the Division of Civil Service a certificate to that effect

CITY OF BOSTON.

LIBRARY DEPARTMENT.

Proposals will be received until 12 o'clock noon, Monday, July 6, 1953, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Copley square, Boston. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and a description of the work bid upon. One copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of three hundred dollars (\$300), shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of a contract.

Plans and specifications may be obtained on and after 12 o'clock noon, Monday, June 22, 1953, at the Business Office of the Boston Public Library.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful bidder.

The Awarding Authority reserves the right to accept or reject any and all bids, and to accept or reject any portion or portions of bids, and to award the contract as he deems for the best interests of the city.

THE TRUSTEES OF THE PUBLIC LIBRARY OF THE CITY OF BOSTON,

by JOHN J. CONNOLLY,
Assistant to the Director,
and Chief Executive Officer.

(June 27.)

signed by a member of the Boston Board of Election Commissioners of the same political party affiliation as the applicant.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

MUNICIPAL STANDARDS IMPROVED.

It is to be observed that municipal employees feel more secure in their jobs because of the extension of the merit system.

The competence of the individual municipal employee has continued to improve over a period of years.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

Proposals for Bituminous Concrete Pavement in Crestway Road (Formerly Overlook Street), Ward 1, from Waldegrave Avenue to Faywood Avenue; Faywood Avenue, Ward 1, from Tower Street to Valler road; Putnam Street, Ward 1, from Bennington Street to Lexington Street; Saratoga Street, Ward 1, from Acadia Highway to Bennington Street; and such additional Locations, if Any, in Ward 1, As May Be Designated by the Commissioner of Public Works.

The Commissioner of Public Works of the City of Boston, Room 508 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least one half thereof is owned by a citizen or citizens of the United States, for bituminous concrete pavement in Crestway road, Ward 1, etc. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposals for Bituminous Concrete Pavement in Crestway Road, Ward 1, etc.," and left at Room 508 (Contract Office), fifth floor, City Hall Annex, before 12 M. of THURSDAY, JULY 8, 1953, with a certified check for FIFTY-EIGHT HUNDRED (\$5800) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room of the Street Commissioners, Room 401, City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time stated above for the opening of the proposals must be from bidders of record on file at Room 508, City Hall Annex. There will be a charge of two dollars (\$2) per set of plans and specifications taken out. If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder has no basis or facts to justify it, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of the contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (Ter. Ed.) of the Commonwealth, known as the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of the contract. This stipulation reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. HYLAND,
Commissioner of Public Works.

CITY OF BOSTON.

LIBRARY DEPARTMENT.

INVITATION FOR PROPOSALS FOR ALTERATIONS TO THE DIRECTOR'S OFFICE.

The Trustees of the Public Library of the City of Boston, hereinafter referred to as the Awarding Authority, invite sealed proposals for alterations to the Director's Office at the Central Library Building, Copley square, Boston, Mass.

Proposals will be received until 12 o'clock noon, Tuesday, July 7, 1933, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

Each bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of three hundred dollars (\$300), shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rates now being paid for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of the Labor Law (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws of the Commonwealth, chapter 152, to persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of a contract.

Plans and specifications may be obtained on and after 12 o'clock noon, Monday, June 29, 1933, at the Business Office of the Boston Public Library. All plans and specifications must be returned in good condition to said office at the time of filing bid. A deposit of twenty-five dollars (\$25) in cash will be required for each set of plans and specifications taken out for estimating, said deposit to be refunded on the return of the plans and specifications in good condition.

All bidders' proposals must be in the possession of the Awarding Authority and delivered or mailed to the office of the Awarding Authority no later than 12 o'clock noon, Friday, July 3, 1933.

A bid deposit in the form of cash or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in a sum not less than 5 per cent of the total amount of his bid, shall be submitted with the copy of the proposal filed with the Awarding Authority by each subdivider. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract, will be required of the successful general contractor.

Information relating to the performance bonds of subcontractors is set forth in the notice to subdividers.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject all subbids or any item or item in accordance with the provisions of chapter 480 of the Acts of 1939.

No. 27

"TORNADO DAY" FOR BOSTON, SET ASIDE BY MAYOR HYNES AS DAY FOR SPECIAL FUND DRIVE FOR VICTIMS OF RECENT HOLOCAUST IN WORCESTER DISTRICT, PROVED POPULAR, WITH CITIZENS AND CITY EMPLOYEES RESPONDING GENEROUSLY, PARKING METERS AS OFFICIAL COLLECTORS.

Thursday, July 2, was designated by Mayor John B. Hynes as "T" (Tornado) Day for Boston.

On that day, every business house in Boston was official collector among its employees and matched the total amount of the employees' gifts. City Treasurer Daniel M. Driscoll, City Hall, was officially designated to receive gifts in answer to the appeal for funds to aid the homeless and destitute of Worcester. Boston's 7,900 parking meters shared as collectors.

"The dimes won't register on the meters," the Mayor explained, "but they will at Worcester in the form of food, clothing, medicine, and other necessities of life for the unfortunate victims of

(Continued on page 867.)

SUMNER TUNNEL HAS PROVED ITS USEFULNESS—GRAND TOTAL OF 138,227,400 VEHICLES HAVE PASSED THROUGH UNDERWATER HIGHWAY SINCE OPENING 19 YEARS AGO—5,212,300 VEHICLES HAVE USED FACILITY IN FIRST SIX MONTHS OF 1953.

The Sumner Tunnel opened 19 years ago, on June 30, 1934. Since that time a grand total of 138,227,400 vehicles have passed through the portals of this facility, according to Public Works Commissioner George G. Hyland. His statement says:

In the first six months of this year a new high was reached, when 5,212,300 vehicles passed through the tunnel. The latter-referenced is 668,000 in excess of the number of vehicles that used the facility for the first six months of last year. The increase for the first six months of this year over the first six months of last year is 14.7 per cent, and, incidentally, 1952 was a record year.

Under the circumstances, therefore, it is estimated that in excess of 10,000,000 vehicles will use the Sumner Tunnel this

(Continued on page 867.)

MAYOR JOHN B. HYNES, IN REPLYING TO STATEMENT BY NEW BOSTON COMMITTEE ANENT BOSTON'S HIGH TAX RATE, POINTS OUT FALLACIOUS AND MISLEADING INFERENCES THAT MIGHT BE DRAWN FROM STATEMENT—HIGH TAX RATE HAS BEEN PROBLEM OF CITY'S GOVERNMENT FOR PAST 100 YEARS—BOSTON DIFFERS SO PATENTLY FROM MOST OTHER LARGE CITIES IN BACKGROUND THAT FAIRNESS OF COMPARISON IS ALMOST IMPOSSIBLE—FACTORS HERE ARE FACED BY FEW OTHER LARGE MUNICIPALITIES.

In his reply to the statement of the New Boston Committee on city's tax problems, Mayor John B. Hynes issued the following statement:

The assertion by the New Boston Committee that Boston stands high among the cities of the country in the matter of per capita expenditures is true, but it is also true that this unenviable distinction is not of recent development.

Over 100 years ago city officials were cognizant of the fact that Boston's governmental costs were high in comparison with other cities. During the half-century that the Census Bureau has been issuing per capita statistics, Boston has stood high among the cities covered. It would appear, therefore, that there are, and have been, factors present in Boston's background which make our city different from other large cities, and because this is so the city cannot be fairly judged merely by expenditure comparisons. What are some of the peculiar characteristics which complicate Boston's position?

We know first of all that Boston is an old community which was laid out in a haphazard manner. Its narrow and winding streets, together with a concentration of population, make traffic control an expensive activity. It is a situation which requires the assignment of a substantial number of patrolmen to traffic duty and which necessitates the maintenance of a large number of fire companies in the downtown section.

Boston Bears Bigger Burden.

Boston's organizational setup is also old. The basis for the present city charter was adopted 44 years ago, whereas cities like New York, Philadelphia, Cleveland, and San Francisco are operating under charters of recent origin, in which provision has been made not only for adequate systems of coordination and control, but also for the elimination of duplicate and overlapping services.

Boston is required to maintain services for a large commuting population, since 69.7 per cent of the metropolitan population reside outside of the central city. Boston's land area is the smallest of any of the large metropolitan centers in the country. Being almost totally built up, there is no opportunity to open new areas within the city for industrial or home expansion. This not only enhances the possibility of decentralization, but also confines the city to a narrow tax base.

(Continued on page 867.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean;
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion."
From Boston Centennial Poem by

NATHAN HASKELL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council, Monday, July 6, at 2 p.m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To the BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments of streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in public streets; the making of specific repairs in public streets; the naming of

public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles, and posts for telephone, telegraph, street railways or illuminating purposes, signs, marquees, bay windows, coal holes, and vaults.

To the BOSTON TRAFFIC COMMISSION, 112 Southampton street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads, and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To the COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting, and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges, and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To the HEALTH DEPARTMENT, Haymarket Square, for information relative to the inspection of milk, vinegar, meat, fish, and vegetables, the issuance of permits for stables, slaughterhouses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To the BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth Avenue, Back Bay Fens, Marine Park, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made to this department for information

regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mount Hope, Evergreen, Fairview, and other public cemeteries owned by the City of Boston.

To the SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

To the DEPARTMENT OF SCHOOL BUILDINGS, 28 Norman street, for information as to the construction and repair of school buildings.

To the BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal, or tearing down buildings.

To the STATISTICS DEPARTMENT, 63 City Hall, for historical, geographical, political, and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To the ELECTRICAL INSPECTION DIVISION OF THE FIRE DEPARTMENT, 115 Southampton street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 808, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To the BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending June 27, 1953.

Population as of July, 1952, Massachusetts State Census, 817,713; population estimated July, 1951, United States Census Bureau, 801,444; number of deaths (stillbirths excluded): Residents, 168; nonresidents, 54; total, 222.

Death rate per 1,000 of population: All deaths, 14.57; nonresidents deducted, 10.93.

Death rate per 1,000 of population:

Last week, 12.30; corresponding week last year, 12.30.

Deaths by age periods, sex, etc.: Under one year, 12; one year to four years, inclusive, 0; sixty years and over, 155. Total deaths: Male, 116; female, 106; deaths in hospitals and institutions, 147.

REPORTABLE DISEASES: CASES AND DEATHS.*

MAYOR HYNES POINTS OUT THAT NEW BOSTON COMMITTEE'S STATEMENT ON BOSTON'S TAX RATE IS MISLEADING.

(Continued from page 865.)

Decentralization in Boston has resulted in a large segment of its population being made up of the low-income group. According to the 1950 census, the median annual income in Boston was \$2,645, as against \$4,005 in Newton, \$4,105 in Needham, and \$4,380 in Winchester; 25 per cent of the dwelling units in Boston were owner-occupied, whereas in Newton the percentage of owner-occupied homes was 69 per cent, in Needham 80 per cent and in Winchester 75 per cent; 78 per cent of the dwelling units in Boston were constructed prior to 1920, whereas in the other three communities mentioned the average of homes constructed prior to 1920 was 46 per cent. Conditions represented by these figures naturally lead to higher governmental expenses in Boston in such functions as welfare, health, and hospitals.

Many large cities in other states have been able to keep their property taxes relatively low by the use of substitute revenues, either state imposed and distributed, or locally imposed with state approval.

STATE PROHIBITIONS.

In Massachusetts, however, the state has neither raised new revenues for distribution to its municipalities nor allowed its cities and towns to impose taxes other than the property taxes. To make matters worse, the state in several instances has depleted local tax revenues by expanding and extending exemption provisions.

Although the Mayor is commonly charged with the responsibility for the cost of government and the size of the tax rate, his actual control is limited. Approximately 50 per cent of the expenditures entering into Boston's tax rate do not come under the direct control of the Mayor. Further, state laws and the decisions of state administrative agencies circumscribe his authority in many ways. Examples are numerous where in recent years individual members of the Legislature have introduced measures without prior approval of the Mayor calling for increasing city expenditures, but providing no additional sources for their financing. In this respect, it may be stated that the increased employment in city departments in recent years, referred to in the NBC report, has been caused in large measure by legislative enactment, or by vote of the people at the polls.

TAX EXEMPTIONS HUGE.

Finally, there is the fact that out of a total valuation of property in the city of approximately \$2,000,000,000, \$650,000,000, or roughly 32 per cent, is exempt from taxes. While these properties contribute nothing to the treasury of the city, they require substantial services from the Fire, Police, Building, Sewer, and Highway Departments, and naturally inflate the per capita costs of these functions. Further, no other large city with which I am acquainted has a comparable MTA financial problem, nor does any large city bear the full cost of the county government. These latter two obligations are major expenditures which

must be assumed by the city government of Boston and which also inflate per capita figures.

It is plain, I believe, that there are peculiar circumstances which contribute to Boston's high cost of government. Reference to them is not intended as a denial of the major premise of the NBC report. Their existence, however, adds to the difficulty of achieving the end which is so vital to Boston's future, namely, the lowering of the city's tax rate.

PLANS REDUCING BURDEN.

One method by which the future costs of municipal government may be steadily and substantially reduced is by the reorganization and consolidation of city departments. Such a plan is now in process of preparation and will shortly be presented to the City Council.

Other specific means of increasing revenues and decreasing expenditures will be considered by a nonpartisan representative committee to be appointed for the purpose of surveying the general financial situation of Boston's city government.

Regardless of administrative improvements of long-range effectiveness, and regardless of the possibility of new sources of revenue, it is clear that the city government of Boston is no longer in the position to expand or widen its services. Indeed, there is compelling reason for retraction rather than expansion of city services and functions. This administration, fully realizing this fact, has made and will continue to make orderly economies wherever possible.

"TORNADO DAY" PROVES HUGE SUCCESS IN BOSTON.

(Continued from page 865.)

that violently destructive storm." All of the meters were placarded with an appeal from the Mayor.

The Mayor has also arranged for the distribution of 1,500 coin boxes among the restaurants, drug stores, delicatessen shops, and grocery stores of the city by the Boston Health Department inspectors. The distribution was supervised by Dr. John A. Cauley, Health Commissioner, and John F. Linehan, Chief Inspector of the Food Division.

Other money-raising activities are expected to be launched by the Mayor as the appeal progresses. It is his hope that every man, woman, and child in Boston will do his bit to make the appeal an overwhelming success. "Only the grace of God kept the Worcester disaster from extending to Boston. Let us all show our gratitude that it didn't, and our genuine sympathy toward the residents of our sister city by making a financial contribution and making it now."

"I know," said the Mayor, "that many thousands of generous Bostonians have already contributed to the tornado victims through their respective churches and other organizations, but I appeal to them to give again. If every resident of the city will give his mite, Boston will again reveal its traditional compassion for its fellow man in need and distress."

"It happened in Worcester and it could happen here. If it ever did, the people of Worcester would be among the first to come to our aid. I exhort every Boston resident and worker to give and to give now."

138,227,400 VEHICLES HAVE PASSED THROUGH SUMNER TUNNEL SINCE OPENING 19 YEARS AGO.

(Continued from page 865.)

year. It was designed for approximately 6,000,000 vehicles and unquestionably has now reached the saturation point; and I am, therefore, compelled to reiterate my statement of a year ago—that plans should be made to construct a second tunnel between East Boston and Boston, in order to provide for increased usage, which will result upon the completion of the overhead Central Artery in downtown Boston.

The following is a tabulation of the traffic that used the tunnel for the first six months of 1952 and the first six months of 1953:

January 1 to June 30, 1953, 5,212,300 vehicles.

January 1 to June 30, 1952, 4,544,207 vehicles.

Increase in 1953, 668,093, or 14.7 per cent over 1952.

TRANSFERS OF APPROPRIATIONS.

The Mayor has approved the following transfer of appropriations:

REGISTRY DEPARTMENT.

From Item 560, Office Furniture and Equipment, \$5, to Item 590, Miscellaneous Equipment, \$5.

CIRCULAR LETTER NO. 18.

CITY OF BOSTON,
MAYOR'S OFFICE, June 30, 1953.

To All City and County Officials.

GENTLEMEN:

The tax rate of the City of Boston, despite all our efforts, has reached the figure of \$70.70. Obviously, such a tax rate has a detrimental effect upon the entire city, and is a discouraging factor in the attraction of new business, or the retention of old business.

There is little immediate likelihood of a new source of income which will enable the city to reduce the tax rate. Therefore, and until such a new source of income is available, it is our duty as public officials to so conduct our affairs that the present high tax rate may be lowered. Certainly, the tax rate must not go higher.

I am calling upon all city and county department officials to begin to make plans starting immediately so that the requirements of each respective city and county department will be 5 per cent lower at least than last year. This can be accomplished, in many cases, by the nonfilling of vacancies as they occur. However it is accomplished, it must be accomplished, for I submit that the duty of controlling the expenditures which are reflected in the tax rate is a duty which must be shared by each city and county official.

It is my opinion that a reduction of 5 per cent in the cost of each city and county department will not impair the character, quality, or quantity of service now rendered.

Respectfully,

JOHN B. HYNES, Mayor.

**PUBLIC WELFARE DEPARTMENT
BRANCHES IN NEW LOCA-
TION IN ROXBURY—FIELD
SERVICES NOW ESTABLISHED
THROUGHOUT CITY—MORE
EFFICIENT SERVICES THUS
PROVIDED.**

The Public Welfare Department announced that the newly constructed Roxbury Crossing District Office located at 1491 Tremont street, Roxbury, near the Mission Church, was opened on June 29, and that the district offices located at Old Town Hall, Brighton, East Concord Street Health Unit, and Whittier Street Health Unit have been closed and the staff and facilities transferred to the new building. In addition, the Jamaica Plain District Office at 6 Sedgwick street, Jamaica Plain, which serves residents of West Roxbury, Hyde Park, Roslindale, and Jamaica Plain, has been closed and its staff and facilities transferred to the recently acquired Grove Hall District Office which is located at 515 Blue Hill avenue, Roxbury.

The opening of the Roxbury Crossing Office completes a program adopted more than five years ago under which the Board of Overseers voted to establish the field services of the department in five major facilities throughout the city. Previously fifteen different field office locations had been established in "temporary quarters" which were acquired during the depression years in such locations as abandoned portable schoolhouses and the basements of health units, libraries, and other municipal buildings throughout the city. To effect this program three buildings were constructed during the past five years. In July, 1950, the welfare building at 20 Church street, South End, was opened. In January of this year the Grove Hall Building was completed. The Grove Hall Unit, in addition to serving the West Roxbury, Roslindale, Hyde Park, and Jamaica Plain sections, which have been transferred to this new location as of today, serves a major portion of upper Roxbury and south Dorchester previously administered through buildings located on Mt. Pleasant avenue, Roxbury, and Glenway street, Dorchester.

Almost half of the cost of construction of the three new buildings will be borne by the Federal Government which, under the Social Security Law, reimburses the city for 50 per cent of the costs of administering the federally matched programs of Old Age Assistance, Aid to Persons who are Permanently and Totally Disabled, and Aid to Dependent Children. More than 87 per cent of the city's relief cases are assisted under these three Federal-State participating programs. The remaining 13 per cent of the cases receive general relief for which the Federal Government is not responsible, neither for financial participation in the assistance payments nor in the costs of administration.

Chairman Joseph K. Collins, of the Board of Overseers, announced that the completion of the department's plan of relocating its field offices will enable the department to operate on a much more efficient basis, at the same time effecting economies which were not achievable in the assistance payments nor in the available.

CIRCULAR LETTER NO. 19.

CITY OF BOSTON,
OFFICE OF THE MAYOR, July 1, 1953.
To All Department Heads.

GENTLEMEN:

You are hereby directed to grant leave of absence, without loss of pay, to employees of your department who are duly elected delegates and alternates of the Disabled American Veterans, Department of Massachusetts, in order that they may attend their annual State and National conventions.

State Convention, New Bedford, Mass., July 24, 25, 26.

National Convention, Kansas City, Missouri, August 23, 24, 25, 26, 27, 28, 29.
Required travel time is also permitted.

Respectfully,

J. B. HYNES, Mayor.

TRAFFIC COMMISSION RULING.

Voted, That as urgently required by considerations of public safety and convenience, the following temporary traffic rule, which was adopted April 9, 1953, and was effective April 28, 1953, for a trial period of sixty (60) days, is rescinded, effective June 15, 1953:

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by adding the following:

P Street, South Boston.

East side, from Columbia road to East Sixth street, 24 hours.

CIVIL SERVICE EXAMINATIONS.

SENIOR ENGINEERING AID (DRAFTSMAN),
BOSTON STREET LAYING-OUT DEPARTMENT, August 7, 1953.

Last date for filing applications, Friday, July 17, 1953.

Salary: The minimum salary is \$60.50 a week; the maximum salary is \$73 a week.

Vacancies: At present there are four vacancies.

Duties: Under the direct supervision of the chief draftsman, to prepare in ink on tracing cloth working plots or finished drawings of land-taking plans for various municipal purposes; and to perform related work as required.

Examples of Duties: From field notes of surveyors, plotting (a) survey plans, (b) plans of public and private ways showing the location of all abutting properties, structures thereon, and the highway, including pavement, sidewalks, trees, poles, hydrants and all other objects thereon, (c) the profiles and elevations of streets, structures and other objects referred to in (b), (d) location plans for sewer easements showing property lines, structures, trees, poles and other objects in or adjacent to the proposed easement, and (e) plans from deed descriptions; making finished tracings of all plans in ink on tracing cloth, and lettering the tracings by hand or with mechanical lettering devices, such as Leroy or Wrico lettering sets.

The following are required: Familiarity with the fundamentals of civil engineering drawing; ability to use scales, triangles, protractors, drawing instruments, and mechanical lettering devices, such as Leroy lettering set.

Entrance Requirements: Applicants must have at least two years of full-time paid experience in civil engineering or in general construction work. *Substitutions:* (a) High school graduation or

equivalent education may be substituted for one-half year of the required experience.

(b) Engineering training in a recognized university or engineering school granting the bachelor's or equivalent degree may be substituted for the required experience on the basis of one successfully completed year of such education for one year of experience, provided that if more than one year is so offered, at least one year shall have been in civil engineering. (c) Civil engineering training in a recognized technical school not granting the bachelor's or equivalent degree may be substituted for the required experience on the basis of one successfully completed year of such education for one-half year of experience.

Subjects and Weights: Training and experience, 2; practical questions, including mathematics and drafting, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

PRINCIPAL PHYSICAL THERAPIST, LONG ISLAND HOSPITAL, BOSTON INSTITUTIONS DEPARTMENT, AUGUST 14, 1953.

Last date for filing applications, Friday, July 24, 1953.

Salary: The minimum salary is \$63 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: Under direction, to administer a broad program of physiotherapy, and to supervise a large number of physiotherapists and other hospital employees; and to perform related work as required.

Examples of Duties: Directing the work of several physiotherapy units engaged in such forms of treatment as remedio gymnastics, diathermy, massage, therapeutic exercises, artificial heat therapy, low frequency treatments, and phototherapy; observing physiotherapists administering treatments to patients, and after consulting with physicians, arranging for changes of treatment as required; instructing the staff in newly developed methods of treatment and demonstrating techniques; organizing clinical teaching programs for student nurses and for medical students in physiotherapy; preparing work schedules for subordinates; arranging vacation schedules; preparing reports; keeping records.

Entrance Requirements: Applicants must have at least five years of satisfactory, full-time paid experience in physical therapy. *Substitutions:* (1) Graduation from a recognized school which gives not less than three years of training in physical therapy may be substituted for three years of the required experience. (2) Successful completion of a nine months' course in physical therapy in a recognized school in addition to (a) graduation from a recognized school of nursing, or (b) graduation from a recognized school of physical education, or (c) successful completion of two years of training in biology and physical sciences in a recognized college or university, may be substituted for three years of the required experience.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of city employees have been made:

ELECTION DEPARTMENT.

Approval has been given for the extension of employment for three months, beginning July 8, for Richard Kiddle, 7 Clementine park, Dorchester, as provisional assistant registrar of voters at \$68 a week.

HEALTH DEPARTMENT.

Frances Sullivan, clerk and stenographer, provisionally employed, has resigned, and has been appointed to the Library Department.

The resignation of Mary M. Kelly, assistant public health chemist, has been approved as of July 7.

HOSPITAL DEPARTMENT.

Approval has been given for the appointment of a part-time chief of the Oral Surgery Department at \$5,000 a year.

Permission has been given for the payment of the following salaries to special nurses, effective July 1:

Eight-hour duty, \$12.50, two patients, \$18.75.

Twelve-hour duty, \$18.75.

Twenty-hour duty, \$19.75.

Approval has been given to the request of Dr. Nicholas J. Fiumara, Director, Division of Venereal Diseases, Massachusetts Department of Public Health, for the creation of a full-time temporary clerk-stenographer at a minimum salary of \$43 a week to a maximum salary of \$55.50 a week, in the Out Patient Department, Skin Clinic for Venereal Disease Control Work.

Approval has been given for the creation of a position as head social work supervisor, from \$87 to \$108.25 a week, and to appoint Francis Sullivan, social worker in the Admitting Unit.

General Division.

For the week ending June 9:

The following permanent employee has been reinstated:

Thomas J. McNicholas, 15 High street, South Boston, hospital medical worker, \$48 a week.

Sanatorium Division.

Approval has been given for the provisional employment of Daniel I. Regan, 39 Montclair avenue, Rosindale, as hospital house worker at \$43 a week.

Approval has been given for the permanent appointment of the following named as hospital medical workers at \$43 a week, no meals:

Emma Fontes, 85 Brannon-Harris Way, Roxbury, to replace Leontine Davis; Mary Adams, 319 East Eighth street, South Boston, to replace Phyllis Jennings; Helen G. Sheehan, 67 Leonard street, Dorchester, to replace Hazel Cole; Dorothea R. Kosta, 306 Harrison avenue, to replace Margaret Bowman.

South Division.

For the week ending June 16:

The following temporary employees have been appointed:

James P. Lapsley, 42 Wait street, Roxbury, Thomas E. McManus, 41 Darling street, Roxbury, clerks, \$35.50 a week; John H. Logan, 113 Hampden street, Roxbury, hospital medical worker, \$43

CONTRACTS AWARDED.

Permission to award the contracts for work, materials, and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

DEPARTMENT OF SCHOOL BUILDINGS.

Upon June 16 the Mayor approved a contract with Industrial Welding Company for exterior grille work at the Boston Trade High School. Bids, opened June 6, were as follows:

Industrial Welding Company, \$2,575; B. Feneno Company, Inc., \$3,130.

Upon June 22 the Mayor approved a contract with the Modern Engineering Company, Inc., for plumbing and gas-fitting work at the Abraham Lincoln School. Bids, opened June 18, were as follows:

Modern Engineering Company, Inc., \$4,887; Frank T. McDonald Company, \$5,563; D. J. Rull, \$5,711; J. M. McCusker Company, \$5,790; Powers & Mehegan Company, \$6,250; L. H. Jacobs Company, \$6,390; Henry J. Lyons Company, \$6,647; William N. McKenna Company, \$6,980; L. H. & J. J. Jacobs Company, \$7,379; Joseph P. O'Hearn, \$7,465.

Upon June 25 the Mayor approved a contract with D. J. Rull for plumbing and gas alterations work to be done at the Henry L. Higginson School. Bids, opened June 23, were as follows:

D. J. Rull, \$1,875; J. M. McCusker Company, \$1,890; Henry J. Lyons, \$1,927; L. H. & J. J. Jacobs Company, \$1,960; Patrick F. Russo, \$2,346; Joseph P. O'Hearn, \$2,665; Frank T. McDonald Company, \$2,876.

PUBLIC WORKS DEPARTMENT.

Upon June 25 the Mayor approved a contract with Hyde Park Construction Company, Inc., for sewerage works and water works in Ayles road and outlet in Edwardson street, Hyde Park, at an estimated cost of \$32,676.65. The work to be done under this contract is to be completed within 90 days after approval by the Mayor. The following bids were received June 18:

Hyde Park Construction Company, Inc., \$32,676.65; DiMascio Brothers & Co., \$35,573.50; Gagliardi Construction Company, Inc., \$38,048; Z. & S. Construction Company, Inc., \$39,425.60; J. D'Amico, Inc., \$41,628.65; Joseph J. Struzziery, \$42,870; Susi & DeSantis Company, Inc., \$43,703.50; Roslindale Contracting Company, \$43,758; R. A. Buccella & Sons, Inc., \$48,531; Frederick Construction Company, Inc., \$55,034.90; C. Russo, Inc., \$61,737.

Upon June 25 the Mayor approved a contract as requested in the following letter:

BOSTON, June 19, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On June 6, 1953, proposals for bituminous concrete pavement in Perkins street (north side), Ward 19, at Prince street; Prince street, Ward 19, Pond street to Perkins street; and such additional locations, if any, in Ward 19, as may be designated by the Commissioner of Public Works, were publicly invited. On June 18, 1953, the bids received, publicly opened and read, were as follows:

Brooklyn Construction Corporation, \$51,385.00; J. D'Amico, Inc., \$56,912.50;

S. J. Tomasello Corporation, \$58,339.50; A. Sincarella & Son, \$59,000.50; Dooley Brothers, Inc., \$60,900.50; Adams Asphalt Company, Inc., \$66,438.50; Rufo Construction Company, \$68,405.45.

As a result of a clerical error in submitting the copy of its bid with the City Auditor, the Brooklyn Construction Corporation did not set forth its price for one of the contract items of work, namely, the furnishing and laying of a certain amount of crushed stone for macadam base, although its grand total price for the whole job includes the cost of this phase of the work. However, the firm's proposal as submitted to this Department was entirely complete.

Therefore, in order to take advantage of the lowest price submitted for the entire project, your authorization is requested to reject all the bids received, to dispense with additional advertising and to award the contract for the above-referenced work at the unit prices submitted, which prices the firm now offers anew, to the said Brooklyn Construction Corporation of 34 Brooklyn road, Boston, in the total amount of its bid as filed with the Public Works Department, namely, \$51,284.50, plus 25 per cent thereof, thereby making the proposed contract amount a sum not to exceed \$64,230.62.

Twenty-five per cent was added to the contract sum as herein proposed, in order to provide for expenditures for additional quantities of the contract items of work which may become necessary as the work progresses.

Respectfully submitted,

GEORGE G. HYLAND,
Commissioner of Public Works.

SUPPLY DEPARTMENT.

Upon June 16 the Mayor approved contracts with lowest bidders as indicated for furnishing water works supplies to the Water Division of the Public Works Department, and Item 5 to be purchased in the open market at an approximate amount of \$50 inasmuch as no bids were received on this item.

Approximate total amounts of awards were as follows:

Contracts for the Welsbach Corporation, \$1,625, less 2 per cent discount, time of payment; Mueller Company, \$1,487.78, less 2 per cent discount, time of payment.

Order for Hays Manufacturing Company, \$935, less 2 per cent, tenth proximo.

Bids, opened June 3, were as follows:

Water Works Supplies.

Item 1. 2, 6-Inch x 4-Inch, Mueller, or Equal, Tapping Sleeves and Valves, Each.—Mueller Company, \$62.14.*

Item 2. 2, 10-Inch x 4-Inch, Mueller, or Equal, Tapping Sleeves and Valves, Each.—Mueller Company, \$84.45.*

Item 3. 6, 8-Inch x 4-Inch, Mueller, or Equal, Tapping Sleeves and Valves, Each.—Mueller Company, \$69.62.*

Item 4. 2, 8-Inch x 6-Inch, Mueller, or Equal, Tapping Sleeves and Valves, Each.—Mueller Company, \$88.44.*

Item 5. 24, 3-Inch, Style 38, Dresser, or Equal, Couplings.—No bids.

Item 6. 500, 3-Inch, Curb Cocks, for Copper Pipe, Minneapolis Pattern, Each.—Welsbach Corporation, \$3.25; Mueller Company, \$3.45; Hays Manufacturing Company, \$3.45.

Item 7. 500, 1-Inch, Boston Style Long Inlet High Head Corporation Cocks for Copper Service Tube, Each.—Mueller

Company, \$2.05, alternate \$1.90, with regulation head, \$1.87.*

Item 8. 2,000, 1-Inch, Male Couplings, Short Solder Nipples, Lead Pipe End to be Untinned, Thread to Fit Female Couplings Nuts (Boston Thread) Each.—Mueller Company, 30 cents.*

Earliest Delivery Date.—Welsbach Corporation, 60 at once, balance in 60 days; Mueller Company, curbs from stock, comp. brass approximately 8 weeks, S&V part stock comp., three weeks; Hays Manufacturing Company, Item 6, 300 pieces from stock, balance six weeks after receipt of order; Item 7, seven to eight weeks after receipt of order.

Discount.—Welsbach Corporation, 2 per cent, time of payment; Mueller Company, 2 per cent, time of payment; Hays Manufacturing Company, 2 per cent, 10th proximo.

* Contract awarded.

Upon June 18 the Mayor approved a contract with Chapman Valve Manufacturing Company for furnishing water works supplies (gate valves and valve stems) to the Water Division of the Public Works Department. Approximate total amount of contract was \$4,029, less 2 per cent discount, time of payment.

Bids, opened June 11, were as follows:

Gate Valves.

Item 1. 10 16-Inch Gate Valves, N. Y. Pattern, M. D. C. Type, Each.—Chapman Valve Manufacturing Company, \$385; A. P. Smith Manufacturing Company, \$388.95.

Item 2. 4 16-Inch Valve Stems for 16-Inch Gate Valves, N. Y. Pattern, M. D. C. Type, Each.—Chapman Valve Manufacturing Company, \$44.75,* total \$4,029; A. P. Smith Manufacturing Company, \$42.50, total \$4,059.

Delivery.—Chapman Valve Manufacturing Company, four months; A. P. Smith Manufacturing Company, six to seven months.

Discount.—Chapman Valve Manufacturing Company, 2 per cent, time of payment; A. P. Smith Manufacturing Company, 1 per cent, 10 days, net, 30 days.

Remarks.—A. P. Smith Manufacturing Company, letter dated June 8, 1953, attached to bid made a part thereof; prices quoted are net, f. o. b. railroad car, Water Division, 710 Albany street, Boston, and are firm subject to acceptance within 30 days from the bid date; if not accepted and released for production scheduling in said period, prices in effect at time of shipment will apply.

* Contract awarded.

Upon June 18 the Mayor approved a contract as requested in the following letter:

BOSTON, June 16, 1953.

HON. JOHN B. HYNES,

Mayor of Boston.

DEAR MR. MAYOR:

Bids on proposals for furnishing an automotive vehicle to the Water Division of the Public Works Department were publicly opened and read in this office on June 2, 1953. Attached is tabulation of prices received.

International Harvester Company was the lowest bidder but their bid was irregular due to the fact that this company failed to deposit a copy of their bid in the Auditor's office. Authority is therefore requested to award a contract, without public advertisement, to International Harvester Company, at the same price as that submitted at the public

opening. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be:

List price, \$3,089.12, less taxes, \$175.57, less trade discount, \$410.59, net total delivered price, \$2,502.96.

Respectfully yours,

JOHN V. MORAN,
Superintendent of Supplies.

Bids were as follows:

One New 1953 Ford, Model P-350, or Equal, Chassis with W/S Front End and Forward Controls, with Vanette Type Close-Coupled Body Mounted on it.

List Price.—Commonwealth Chevrolet Company, \$3,195.67; Eliot Motor Company, Inc., \$2,801.85; Lalime & Partridge, Inc., \$2,875.92; Bowers Motor Sales, Inc., \$2,778; International Harvester Company, \$3,089.12.*

Less Taxes.—Commonwealth Chevrolet Company, \$137.67; Eliot Motor Company, Inc., \$160.85; Lalime & Partridge, Inc., \$86; Bowers Motor Sales, \$86; International Harvester Company, \$175.57.*

Less Trade Discount.—Commonwealth Chevrolet Company, \$458; International Harvester Company, \$410.59.*

Less 2 Per Cent Discount, Time of Payment.—Commonwealth Chevrolet Company, \$52; Eliot Motor Company, Inc., \$52.82.

Net Total Delivered Price.—Commonwealth Chevrolet Company, \$2,548; Eliot Motor Company, Inc., \$2,588.18; Lalime & Partridge, Inc., \$2,789.92; Bowers Motor Sales, Inc., \$2,692; International Harvester Company, \$2,502.96.*

Make and Model of Vehicle.—Commonwealth Chevrolet Company, 1953 Chevrolet; Eliot Motor Company, Inc., Ford; Lalime & Partridge, Inc., Ford; Bowers Motor Sales, Inc., Ford; International Harvester Company, International.

Make of Body.—Commonwealth Chevrolet Company, 3942 Forward control chassis; Eliot Motor Company, Inc., Vanette, close-coupled; Lalime & Partridge, Inc., Vanette; International Harvester Company, Metropolitan.

Delivery Date.—Commonwealth Chevrolet Company, 6 weeks; Eliot Motor Company, Inc., 60 days; International Harvester Company, 40 to 60 days.

* Contract awarded.

Upon June 18 the Mayor approved contract as requested in the following letter:

BOSTON, June 13, 1953.

HON. JOHN B. HYNES,

Mayor of Boston.

DEAR MR. MAYOR:

On May 27, 1953, bids on proposals for furnishing cable to the Fire Department for the Fire Alarm Shop were publicly opened and read in this office. The lowest bidder, Simplex Wire & Cable Company, failed to file a proposal at the Auditor's office on time, due to the fact that the bid was returned to the company for insufficient postage.

It is therefore requested that authority be granted me to dispense with further advertising for bids and award a contract, without public advertisement, to Simplex Wire & Cable Company based on the prices submitted at the public opening on May 27, 1953, and as indicated on the attached tabulation.

The approximate amount of contract will be \$19,687, plus \$1,068 for 30 reels which are returnable, freight prepaid, for credit, making a total of \$20,755, less

cash discount of one half of 1 per cent for payment within 10 days, net, 30 days. The prices as indicated on the attached sheet are subject to change and would be price at time of delivery but at no time would exceed 10 per cent of the price bid of May 27, 1953. In the event of a price increase the city reserves the right to cancel the contract.

Respectfully yours,

JOHN V. MORAN,
Superintendent of Supplies.

Bids were as follows:

Cable.

Requisition No. 118.

Item 1. 20,000 Feet, 4-Conductor, No. 14 A. W. G. Solid Polyethylene Insulation, Polyethylene-Polyvinyl Chloride Jackets, Fire Alarm Cable 600, V. W. P., Per Foot.—Anaconda Wire & Cable Company, 25.2 cents; Ansonia Wire & Cable Company, 19.7 cents; General Electric Company, \$20.1 per M feet; Grainger-Rush Company, 19 cents; Graybar Electric Company, Inc., \$19.5 per M feet; M. J. Leahy, Inc., 17.3 cents; Marshall & Co., Inc., \$18.9 per M feet; M. J. Leahy, Inc., 17.3 cents; Okonite Company, \$22.0 per M feet; Simplex Wire & Cable Company, 15.9 cents, price includes 8 reels at \$25 each*; U. S. Rubber Company, 19.3 cents; Westinghouse Electric Supply Company, 19.24 cents.

Item 2. 20,000 Feet, 7-Conductor (for Description See Item 1), Per Foot.—Anaconda Wire & Cable Company, 28.8 cents; Ansonia Wire & Cable Company, 22.5 cents; General Electric Company, \$25.9 per M feet; Grainger-Rush Company, 23.2 cents; Graybar Electric Company, Inc., \$23.8 per M feet; M. J. Leahy, Inc., 21.5 cents; Marshall & Co., Inc., \$22.9 per M feet; M. J. Leahy, Inc., 22.5 cents; Okonite Company, \$26.8 per M feet; Simplex Wire & Cable Company, 20.8 cents, price includes 8 reels at \$25 each*; U. S. Delivery.—Commercial Refrigeration Company, 3 weeks.

Discount.—Commercial Refrigeration Company, 2 per cent, time of payment.

* Contract awarded.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with commercial houses, contractors, etc., for furnishing labor, materials, and supplies. Communications from heads of departments interested were as follows:

HOSPITAL DEPARTMENT.

Boston, June 15, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Your permission is respectfully requested for the award of a contract, without publicly advertising for bids, to the Patterson-Kelley Company, Inc., 96A Huntington avenue, Boston, Mass., for furnishing all the labor and materials necessary for the complete installation of a new heating element and controls in 5,000-gallon hot water storage tank in Laundry Building, Boston City Hospital, at a cost not to exceed the sum of \$1,340. Said price includes rigger's charges.

This is a special steel copper-lined tank which is manufactured only by the above-named company, and they performed the work necessary in connection with the original installation.

Because of the emergency nature of the work, and because of the fact that the Patterson-Kelley Company, Inc., is the only company which manufactures this type of tank, the Trustees are of the opinion that nothing would be gained by publicly advertising for bids for this work, and therefore request your permission to award the contract, with-

out advertising, to the Patterson-Kelley Company, Inc., in a sum not to exceed \$1,340.

Respectfully yours,

BOARD OF TRUSTEES, BOSTON CITY
HOSPITAL,
by RICHARD J. CONDON,
President.

PARK DEPARTMENT.

Boston, June 16, 1953.

ION. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

We are now in the process of making plans for the floodlighting of certain of our night baseball and football games in connection with our recreation program. We plan to have at least one floodlighted game in each section of the city during the baseball and football seasons. It is not possible to floodlight all the areas for which we receive requests, but by scheduling at least one night game in each section of the city we feel we are making a fair distribution of this recreation feature.

During the years that we have been floodlighting games, the service has been furnished by Lashua Portable Lighting, Inc., 594 Washington street, Stoughton, Mass. We have tried to obtain bids in the past for doing this work, but on each occasion the only one to submit a bid was the above-mentioned company. Their price has been \$150 for floodlighting each baseball game and \$200 for each football game. This includes the furnishing and setting up of the equipment, floodlighting the entire field, furnishing of all labor necessary, etc.

We have received the same quotation again this year from the Lashua Company. There is no other concern, to our knowledge, located in the Greater Boston area that is equipped to handle an assignment of this kind. This company floodlights practically all night events in the eastern part of the country, even in many Canadian cities where there are no permanent installations for floodlighting equipment.

Our plans call for floodlighting eight baseball games and twenty-one football games during the 1953 season. The Board of Park Commissioners is of the opinion that nothing would be gained by advertising, for the reasons stated above, and, accordingly, requests that we be allowed to award a contract, without publicly advertising for bids, to Lashua Portable Lighting, Inc., 594 Washington street, Stoughton, at a price of \$150 for each of eight baseball games, and \$200 for each of twenty-one football games, for a total contract price of \$5,400, charged to Park Department budget item 299.

Respectfully yours,

FRANK R. KELLEY,
Chairman.

PRINTING DEPARTMENT.

Boston, June 29, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Your permission is respectfully requested to permit the Printing Department to award a contract, without advertising, to the Boston Mailing Company, 394 Atlantic avenue, Boston, Mass., for the binding of the 1953 Voting Lists in a sum not to exceed \$4,384.

This request is made in regard to the work of binding 4,830 copies of the Descriptive Voting List at a price of \$15.66 per thousand (\$75.64) and 71,806 copies of the Nondescriptive Voting List at a cost of \$60 per thousand (\$4,308.36), making a total of \$4,384.

A survey of the binderies of the capacity required in the binding of the Voting Lists revealed that the Boston Mailing Company is the only bindery in Boston that has the equipment and facilities needed to satisfactorily perform the type of service required in the binding of these lists.

In view of these facts and in consideration of the cost, which I think is a fair price, I am of the opinion that no advantage could be gained by advertising for bids.

Respectfully,

JOHN J. TWOMEY,
Superintendent.

PUBLIC CELEBRATIONS.

Boston, June 19, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Your approval is respectfully requested to dispense with advertising and to award a contract to the J. L. Sullivan Company, 1897 Dorchester avenue, Dorchester, Mass., for furnishing candy, viz., 97,650 cellophane-wrapped lollipops, of assorted flavors, for the children in the various sections of the city, in connection with the public celebration of Independence Day, in the total amount of \$1,464.75.

This firm has satisfactorily performed this service for a number of years, and, inasmuch as the price for this commodity is uniform, it is considered that no advantage would accrue to the city by publicly advertising for proposals for the same.

Respectfully yours,

JOHN D. BROWN,
Director of Public Celebrations.

Boston, June 19, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Your approval is respectfully requested for the award of a contract in the sum of \$4,228.75, and without advertising, to H. P. Hood & Sons, 500 Rutherford avenue, Charlestown, Mass., for the furnishing for the children in the various sections of the city, in connection with the public celebration of Independence Day, of 8,225 dozen Hoodies at 55 cents per dozen—\$4,523.75.

This firm has satisfactorily carried out similar commitments for this city for a considerable number of years, and, since the price for this commodity is uniform, it is felt that nothing would be gained by publicly inviting bids.

Respectfully yours,

JOHN D. BROWN,
Director of Public Celebrations.

SUPPLY DEPARTMENT.

Boston, June 16, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Public Works Department has submitted a requisition for two Trojan roadsters, Model LMS-75.

Clyde Everett Equipment Company, the only agent for Trojan equipment in this area, has submitted an informal quotation. Owing to this fact, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Clyde Everett Equipment Company. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be: list price, \$14,150; less trade discount, \$1,000; net delivered price, \$13,150.

Respectfully yours,

JOHN V. MORAN,
Superintendent of Supplies.

Boston, June 18, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Sanatorium Division has submitted a requisition to this office for 100,000 paper surgical masks.

A. S. Aloe Company, the manufacturer of these masks, has submitted an informal quotation. Inasmuch as this company is the manufacturer, it is my opinion that no advantage could be gained by publicly advertising for prices. Authority is therefore requested to award a contract, without public advertisement, to A. S. Aloe Company. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be \$1,550, net.

Respectfully yours,

JOHN V. MORAN,
Superintendent of Supplies.

Boston, June 25, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On May 14, 1953, your Honor approved a letter of award for contracts to Clyde Everett Equipment Company and R. E. Jarvis Company for furnishing tractors and mowers to the Park Department.

Since that time the Park Department has notified this department that they will not need part of the equipment awarded to Clyde Everett Equipment Company, as their present equipment will be sufficient for this year. It is therefore requested that the award to Clyde Everett Equipment Company be rescinded and permission be granted me to award a contract, without public advertisement, to Clyde Everett Equipment Company for one Farmall H tractor with 5-foot cutter bar only. Price will be based on alternate bid submitted on May 6, 1953.

Approximate total amount of contract will be \$2,298, less 2 per cent discount, time of payment.

Respectfully yours,

JOHN V. MORAN,
Superintendent of Supplies.

SUFFOLK COUNTY.

SHERIFF'S OFFICE.

Boston, June 26, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Jail laundry washing machine has been in use at the jail for the past

twenty years and previously was used at the House of Correction, Deer Island, from whence it came to the Jail, for a number of years. It has cost several hundred dollars a year to keep it working over the past five years, and now repairs from the American Laundry Machine Company have advised me that it cannot be repaired further without expending a considerable sum of money.

I have specifications on a new washer submitted by the Lewis National Corporation, 29 Sleeper street, Boston, on a new Jensen Sturdi-Bilt washer with D.C. motor, completely equipped, and delivered and placed in the Jail laundry for \$4,495, less an allowance of \$410 for our old washer. The net price is \$4,085.

As this washer is needed urgently at the Jail, and having in mind that the laundry machine business is a highly competitive field, I respectfully request that authority be granted me to dispense with public advertising for bids at this time and award a contract to the Lewis National Corporation. It is my opinion that, in this way, the best interest of the city will be served.

Funds are available in the Jail budget for a new washer, and the total amount of the contract will be as follows:

One 36 x 64 Jensen Sturdi-Bilt washer, motor driven, direct current, 2-pocket, 2-door, completely equipped with new Heusbach water valves and Foxboro thermometer, \$4,495; less one American 36 x 64 Model washer with direct current motors, \$410; net price, \$4,085.

Yours very truly,

FREDERICK R. SULLIVAN,
Sheriff.

SLAUGHTERHOUSES IN BOSTON.

The Brighton Abattoir is the only location within the City of Boston where animals may be slaughtered. It is composed of seven individually operated slaughterhouses which are under the constant supervision of inspectors of the Food Division. The program of structural repairs and improvements continued during 1950. New equipment for the control of odors was installed in the rendering building and the slaughterhouses provided new offal tables, boning tables, and galvanized barrels. Catch basins were made more efficient and the waste service supply improved. In another house new electrical wiring was installed throughout and new dressing rooms and toilets were provided for the employees.

FOOD INSPECTION IN BOSTON.

During 1950 the supervision of the food supplies of Boston and of all processing plants, restaurants, and other eating and drinking establishments continued unabated as part of the program of food inspection of the Health Department. Approximately 150,000 inspections were made, and over 1,500,000 pounds of food were condemned and destroyed, most of which consisted of decomposed fruits and vegetables. Among the shipments of food to Boston embargoed or condemned were seven carloads of onions that had been held too long in storage in Chicago by speculators and that arrived in Boston in a decomposed condition. Another shipment consisted of 76 boxes of dressed poultry weighing 4,950 pounds and originating in Belfast, Maine.

RETIREMENT BOARD REPORTS.

To the Auditor.

At a meeting of the Retirement Board, held on June 15, 1953, the retirement from active service of the following-named employees was approved to become effective at the close of business, June 30, 1953, under the provisions of chapter 658:

BOSTON HOUSING AUTHORITY.

John Carroll, member of board.

HEALTH DEPARTMENT.

Anna B. Grimcs, nurse.

Mury A. Cunningham, senior clerk.

HOSPITAL DEPARTMENT.

Annie Freiberg, laundress.

Isabel W. Foley, nurse.

Helen V. Collins, house worker.

OVERSEERS OF PUBLIC WELFARE.

Elizabeth B. Kilroe, supervisor.

POLICE DEPARTMENT.

Arthur J. Ahern, patrolman.

PUBLIC BUILDINGS DEPARTMENT.

John P. Foley, engineer.

PUBLIC WORKS DEPARTMENT.

John L. J. Flynn, clerk.

Frank A. Roche, supervisor.

William A. Hines, laborer.

SCHOOL DEPARTMENT.

Hector J. Paden, custodian.

Robert B. Masterson, head master.

Albert F. Reed, head master.

Thomas Akroyd, instructor.

Abraham S. Burnes, instructor.

Henry C. Fellman, division head.

Marion L. Barker, assistant.

Mary L. Carly, assistant.

Katherine E. Cufflin, assistant.

Ethel S. Fletcher, assistant.

Avis A. Kingston, head of department.

Leonard C. Merrill, instructor.

Helen C. Myde, instructor.

M. Grace Fitzpatrick, instructor.

Lillian W. Balcom, assistant.

Mary J. Barry, assistant.

Katherine C. Brady, assistant.

Katherine M. Coughlan, vice principal.

Rachel E. Cotton, assistant.

Ruth E. Delano, assistant.

Elizabeth A. Donahue, assistant.

George W. Gammon, principal.

Mary E. Gill, assistant.

Ruth Y. Guthrie, assistant.

Sadie Guttentag, assistant.

Selma C. Gronquist, assistant.

Mary T. Mahoney, assistant.

Hattie F. Mason, assistant.

Mary F. MacGoldrick, assistant.

Marie M. McLaughlin, assistant.

Mary E. Marron, vice principal.

Cecelia V. Mays, assistant.

Anna L. McMurry, assistant.

Nelson I. Mixer, submaster.

Mary E. Shea, assistant.

Carrie M. Schroeder, vice principal.

Gertrude M. Sullivan, assistant.

Mary A. L. Timony, assistant.

Celia T. Tischler, assistant.

Grace A. Tully, assistant.

Bertha M. Wright, assistant.

Katherine D. Warren, assistant.

Orren H. Tarr, co-operative instructor.

Max Weiss, master.

Grace D. Hall, assistant.

SUFFOLK COUNTY.

REGISTRY OF DEEDS.

Frederick W. Hurth, index commissioner.

Attest:

W. D. KENNEY,

Secretary and Executive Officer.

To the Auditor.

At a meeting of the Boston Retirement Board, held on June 15, 1953, the retirement from active service of the following-named employees was approved, to become effective at the close of business, June 30, 1953, under the provisions of chapter 521 of the Acts of 1922 (Boston Retirement Act):

FIRE DEPARTMENT.

John A. Sousa, ladderman, salary at time of retirement \$3,800 a year.

PUBLIC WORKS DEPARTMENT.

Andrew J. Murphy, laborer, salary at time of retirement \$3,000 a year.

SCHOOL DEPARTMENT.

Leroy M. Rand, master, salary at time of retirement \$5,600 a year.

Attest:

W. D. KENNEY,

Secretary and Executive Officer.

WIDENING DORCHESTER AVENUE.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the abandoning of the order of the Board of Street Commissioners and Mayor of July 25, 1951, for the relocation, widening, and construction (to a width of approximately 80 feet) of Dorchester avenue, Dorchester district, northerly from Adams street for a distance of approximately 760 feet, substantially as shown on a plan in the office of this Board; that it intends to pass an order for making said improvement, and that it appoints 11 o'clock A.M., of June 24, 1953, and the office of this Board, 401 City Hall Annex, as the time and place for a public hearing in the matter.

A true copy of an order passed by said Board on said day.

Attest:

LAWRENCE W. COSTELLO,

Secretary.

IN BOARD OF STREET COMMISSIONERS OF THE CITY OF BOSTON,

June 24, 1953.

Ordered, That this Board, having passed the order of notice relating to the public improvement hereinbefore described, and having caused a copy of said order to be published June 12, 13, and June 15, 16, 1953, in the Boston Post and Boston Herald, two daily newspapers published in the City of Boston, and having given the public hearing, notice of which was given in said order, and being of the opinion that public convenience so requires, does hereby order the abandonment of the order of the Board of Street Commissioners and

Mayor of July 25, 1951, which provided for the relocation, widening, and construction (to a width of approximately 80 feet) of Dorchester avenue, Dorchester district, northerly from Adams street for a distance of approximately 760 feet, and the canceling of the liens created by said order.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the abandoning of the order of the Board of Street Commissioners and Mayor of July 25, 1951, for the relocation, widening, and construction (to a width of approximately 80 feet) of Dorchester avenue, Dorchester district, northerly from Adams street for a distance of approximately 760 feet, under the order of the Board of June 24, 1953, and awards no damages therefor.

CIVIL SERVICE EXAMINATIONS.

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence.

ASSISTANT REGISTRAR OF VOTERS, BOSTON ELECTION DEPARTMENT, AUGUST 14, 1953.

Last date for filing applications, Friday, July 24, 1953.

Salary: The minimum salary is \$68 a week; the maximum salary is \$83.50 a week.

Vacancies: From time to time. At present there are two vacancies (one for a Democrat and one for a Republican).

Duties: To examine prospective voters and to register them if found eligible; to assist in setting up the voting list each year; to work on the index of voters; to assist the Board of Election Commissioners in drawing prospective jurors; to check nomination papers and various types of petitions filed for certification; to tabulate election returns rapidly and accurately; to handle all detail in connection with the conduct of elections; and to perform related work as required.

The following are required: A knowledge of the Massachusetts General Laws relating to the requirements for qualifying as a voter and to the procedures necessary for registration, the laws relating to the status of naturalized citizens, particularly that portion of the law relating to married women, and the laws relating to primaries and elections, particularly chapter 51 of the Massachusetts General Laws (Ter. Ed.); proficiency in English and in arithmetic; a thorough knowledge of filing and indexing; the ability to write legibly and to copy information accurately; absolute integrity.

Entrance Requirements: In accordance with chapter 305 of the Acts of 1920, applicants must have been enrolled in either the Democratic or Republican Party for the three consecutive years next preceding the date of filing application and must file with the Division of Civil Service a certificate to that effect signed by a member of the Boston Board of Election Commissioners of the same political party affiliation as the applicant.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

EXTENSION OF CONTRACTS.**DEPARTMENT OF SCHOOL BUILDINGS.**

Approval has been given for an extension of time for the completion of the contract with P. J. Cantwell & Son for egress alterations, Group B-1, from June 30, 1953, to December 31, 1953. This extension was requested because of delay of ironworker subcontractor in completing his work.

HOSPITAL DEPARTMENT.

Approval has been given for a further extension of time from June 1, 1953, to July 1, 1953, on the contract of Burgess & Blacher Company for alterations and renewals to roofs and roofing, Boston City Hospital, approved on October 7, 1952. This further extension is necessary because, due to the inclement weather during the months of February and March, the contractor was unable to complete his contract on time.

PARK DEPARTMENT.

Eastern Tree & Landscape Corporation have been granted an extension of time until July 29, 1953, for the completion of the contract for spraying of trees in the City of Boston.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with A. Singarella & Son, 224 Tremlett street, Dorchester, for bituminous concrete pavement in Burnham place, Colorado street, Suncrest road, Viking street, Wakefield avenue, and Wendell street, from June 30, 1953, to August 31, 1953. This extension was requested because the contractor was ordered to perform additional work under the contract.

Approval has been given for an extension of time for the completion of the contract with S. J. Tomasello Corporation, 25 Huntington avenue, Boston, for bituminous concrete pavement in Brayton road, Marcy road, Westmont avenue, Glenley terrace, and Kilmarnock street, from June 30, 1953, to July 31, 1953. This extension was requested because the contractor was ordered to perform additional work under the contract.

EXTRA WORK UNDER CONTRACT.**PUBLIC WORKS DEPARTMENT.**

Cronin & Horgan, Inc., has been directed to perform the following extra work under the contract for bituminous concrete pavement in Highland street and Williams avenue, and clearing, etc., in Poplar street, dated September 10, 1952:

In Highland street, construct three catch basins complete, where directed, including excavation and backfill, for the sum of \$400 per basin; furnish and lay approximately 100 linear feet of 10-inch minor drain, where directed, for catch-basin connections to existing sewer system, at \$5 per linear foot, including excavation and backfill; furnish and lay approximately 400 linear feet of 8-inch perforated A.C.M. drain pipe and lay approximately 100 linear feet of 10-inch minor drain, where directed, for catch-basin connections to existing sewer system, at \$5 per linear foot, including excavation and backfill. Estimated cost of extra work, \$3,700.

STREET WIDENING IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the widening, relocation and construction of Poplar street, West Roxbury district, as a highway, between Whitford street and Canterbury street, bounded and described as follows:

The highway named Poplar street is hereby widened and relocated, from Canterbury street to a point approximately 200 feet south of Whitford street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees, shrubs or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to William and Mary Metcalf, bounded: Northwest by the southeasterly line of Poplar street as it existed prior to this order, by five measurements, 84.99 feet on a curve of 928.24 feet, 50.53 feet, 58.92 feet on a curve of 71.73 feet radius, 16.35 feet, and 37.72 feet on a curve of 33.17 feet radius; southeasterly by the southeasterly line of Poplar street as widened and relocated under this order, by four measurements, 28 feet on a curve of 19.35 feet radius, 15.14 feet, 85 feet on a curve of 231.35 feet radius, and 104.90 feet, containing 2,347 square feet, more or less.

The city hereby takes the right in the following described lands to place or slope, and maintain all filling required for grading said street.

A parcel of land, supposed to belong to William and Mary Metcalf, bounded:

Northwest by the southeasterly line of Poplar street as widened and relocated under this order, by four measurements, 100 feet, 85 feet on a curve of 231.35 feet radius, 15.14 feet, and 28 feet on a curve of 19.35 feet radius; easterly by land hereinafter described as taken from owners unknown (Grew avenue), 31.98 feet; southerly by other land supposed to belong to said Metcalfs, 29.75 feet; southeasterly by the same, by two measurements, 73.98 feet on a curve of 201.35 feet radius and 100 feet; and southwesterly by the same, 30 feet, containing 6,342 square feet, more or less.

A parcel of land, owners unknown, being part of the private way known as Grew avenue, bounded:

Westerly by land hereinbefore described as taken from Metcalf et al., 31.98 feet; northwesterly by the southeasterly line of Poplar street as widened and relocated under this order, 51.21 feet; and southeasterly by another part of Grew avenue, 40 feet, containing 640 square feet, more or less.

Trees, shrubs or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Poplar street as hereby widened and relocated is bounded:

Easterly by the easterly line of Poplar street as hereby widened and relocated and by Canterbury street, by two measurements, 62.60 feet on a curve of 40 feet radius and 65.40 feet; southeasterly by the southeasterly line of Poplar street as hereby widened and relocated, by seven measurements, 40.40 feet on a

curve of 20 feet radius, 51.21 feet, 28 feet on a curve of 19.35 feet radius, 15.14 feet, 85 feet on a curve of 231.35 feet radius, 179.25 feet, and 168.40 feet on a curve of 200 feet radius; southerly by the southerly line of Poplar street as hereby widened and relocated, 60 feet; northwesterly by the northwesterly line of Poplar street as hereby widened and relocated, by six measurements, 134.57 feet on a curve of 260 feet radius, 57.88 feet on a curve of 40.48 feet radius, 51.73 feet, 85.53 feet on a curve of 57.68 feet radius, 235.18 feet, and 44.17 feet on a curve of 50 feet radius; and northerly by the northerly line of Poplar street as hereby widened and relocated, 37.51 feet.

Voted, That this Board determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening, relocation and construction of Poplar street, West Roxbury district, as a highway, from Canterbury street to a point approximately 200 feet south of Whitford street; and the right to slope on the southerly side, between Grew avenue and Whitford street, under the order of the Board of June 19, 1953, in the amounts hereinafter respectively set against them; and awards said amounts therefor.

William and Mary Metcalf, 2,347 square feet, \$1.

William and Mary Metcalf, 6,542 square feet, \$1.

Owners unknown (Grew avenue), 640 square feet, nothing.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of sidewalk reconstruction, estimated to be thirty (30) days, vehicles are excluded from the following streets when official signs are placed, effective June 24, 1953:

Bowen Street, South Boston.

From F street to Dorchester street.

Gold Street, South Boston.

From F street to Dorchester street.

Hamlin Street, South Boston.

From East Eighth street to Columbia road.

Silver Street, South Boston.

From F street to G street.

Tudor Street, South Boston.

From F street to Dorchester street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be thirty (30) days, vehicles are excluded from the following street, effective June 25, 1953:

Proctor Street, Roxbury.

From Massachusetts avenue to Norfolk avenue.

Voted, That as urgently required by considerations of public safety and convenience, the following temporary traffic rule which was adopted May 14, 1953, and was effective June 2, 1953, for a trial period of sixty (60) days, is hereby rescinded:

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by adding the following:

Covington Street, South Boston.

Both sides, from East Eighth street to a point ninety-five (95) feet south of East Eighth street, 7 A.M. to 6 P.M.

PROCEEDINGS OF CITY COUNCIL.

Monday, June 22, 1953.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 p.m. President AHEARN in the chair. Absent, Councilor Ward. The Reverend Cyril B. Toland, of St. Augustine's Catholic Church, South Boston, was escorted to the rostrum.

INVOCATION BY REV. CYRIL B. TOLAND.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

May God bless all here. May He give to those whose duty it is to govern the grace of wisdom and strength of action to make it possible for each of us to come within some part of His province: to know the part of the Father, the right to love and to sacrifice; of the Son, the right to understand; and the good of the Holy Spirit.

May we come to remember, but sometimes forgotten, that we are here to serve rather than to be served so that we may truly say that we are honestly the servants of the servants of God.

We ask this in the name of God through Christ His Son.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

The meeting was opened with the salute to the Flag.

INFORMATION RE PARKING SPACE UNDER CENTRAL ARTERIAL HIGHWAY.

The following was received:

Office of the Mayor, June 15, 1953.
To the City Council.

I transmit herewith communication from the vice-chairman of the City Planning Board relative to your order of April 27, 1953, requesting specific information on the amount of space to be made available for parking beneath and adjacent to the so-called Central Artery.

Respectfully,
J. B. HYNES, Mayor.

City Planning Board,
June 10, 1953.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:
In accordance with Council order of April 27, the City Planning Board submits herewith its consideration and report on the amount and location of space suitable for parking beneath and adjacent to the so-called Central Artery.

Inquiry was made at the Massachusetts Department of Public Works, which is in charge of the highway and has jurisdiction over it. Though the department believes some areas underneath the structure, particularly from North Station to Sumner Tunnel, will be available for private parking, no determination as to the amount and location has been made. It is the department's opinion that some of the space will be needed for the storage of maintenance equipment, and possibly state vehicles. It is also of the opinion that until such time as a decision is made as to definite arrangements are made as to the responsibilities on maintenance, no determination on this matter can be made.

It is our present understanding that the structure itself will remain under the State Department of Public Works operation and control, but the surface roadway underneath the structure will be under city jurisdiction.

Some time ago some consideration was given to the placing of a bus terminal underneath the structure, which is an indication of the possibilities in the approach to the matter.

Following our report on a Preliminary General Plan for Boston, published late in 1951, part of the staff of the Board has been engaged in the study of a more detailed master plan of the central business district. This study is quite involved and is now in its early stages, developing an inventory of existing floor space usage and other basic information. When the work reaches a proposal stage, there will very definitely be an integrated plan showing future uses of the area, including provisions for off-street parking.

Our Reasoning Study also will probably recommend that certain parking and off-street loading requirements be fulfilled when new buildings are constructed.

We regret that there is no definite information available on this matter.

Very truly yours,
JOSEPH A. MITCHELL,
Vice-Chairman.

Placed on file.

"STOP" SIGNS AT CIRCUIT AND REGENT STREETS.

The following was received:

City of Boston,
Office of the Mayor, June 15, 1953.
To the City Council.

I transmit herewith communication from the Commissioner of the Boston Traffic Commission

relative to your order of March 30, 1953, requesting the placement of "Stop" signs at the intersection of Circuit and Regent streets in Roxbury. Respectfully,

J. B. HYNES, Mayor.

Boston Traffic Commission,

June 12, 1953.

Hon. John B. Hynes,
Mayor of Boston.

Dear Sir:
In reply to blue memo dated March 31 regarding City Council order of March 30, requesting that "Stop" signs be placed at the intersection of Circuit street and Regent street, please be advised that at a meeting of the Boston Traffic Commission held on June 11 it was voted to make Regent street, Roxbury, a "Stop" street at Circuit street.

This regulation will become effective in the early part of July.

Respectfully submitted,

WM. ARTHUR KELLEY, Commissioner.

Placed on file.

SALE OF CERTAIN MACHINES BY DEPARTMENT OF SCHOOL BUILDINGS.

The following was received:

City of Boston,
Office of the Mayor, June 22, 1953.
To the City Council.

I transmit herewith communication from the Superintendent of Construction of the Department of School Buildings requesting permission to sell, to the highest bidder, certain machines no longer needed by the Boston Trade High School. I also forward to your Honorable Body an order authorizing said sale.

I recommend passage of the order.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Department of School Buildings,

June 16, 1953.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:
In response to an advertisement in the "City Record" of June 6, 1953, asking for proposals for removal and disposal of used machines from the Boston Trade High School as per attached list and for which nine prospective bidders took out specifications, the following list of bids was received and publicly opened and read aloud on June 15, 1953: Boston Machinery & Tool Company, 78 Lewis Street, East Boston, will pay the City of Boston the following sum: \$2,277.77.

McCulloch Manufacturing Company, 200 Old Colony Avenue, South Boston, will pay the City of Boston the following sum: \$101.11.

With your permission I am awarding a contract to the Boston Machinery & Tool Company, 78 Lewis Street, East Boston, Mass., the concern offering the best bid, for removal and disposal of used machines from the Boston Trade High School, this concern to pay the City of Boston the sum of \$2,277.77 at the time contract is consummated.

Respectfully yours,

JAMES H. MOONEY,
Superintendent of Construction.

The machines for sale are as follows:

- Five 14-inch 6-foot Flathers lathes.
- Two 14-inch 7-foot feed lathes.
- Four 16-inch 8-foot Reed lathes.
- One 14-inch 7-foot Springfield lathe.
- One 14-inch 6-foot Hindey lathe.
- Two 14-inch 7-foot American lathes.
- Three 14-inch 7-foot LeBlond lathes.
- One 16-inch 10-foot LeBlond lathe.
- One 16-inch 5-foot Boston Trade lathe.
- One 14-inch 6-foot Lodge & Shipley lathe.
- One bench lathe.
- One wood turret lathe.
- One wood planer.
- One Brown & Sharp No. 3 milling machine.
- One Brown & Sharp No. 1D milling machine.
- One Cincinnati milling machine.
- Two Kempsmith milling machines.
- One Cincinnati shaper.
- One C & E shaper.
- One Milwaukee shaper.
- One Stockbridge shaper.
- One Becker vertical mill.
- One Allen drill press.
- One Superior drill press.
- One Cincinnati drill press.
- One Rhodes slotting machine.
- One Brown & Sharp surface grinder.
- One Fintenburg Universal grinder.

Ordered, That the Superintendent of Construction of the Department of School Buildings be, and hereby is, authorized to sell to the Boston Machinery & Tool Company for \$2,277.77, used machines at the Boston Trade High School, which are no longer required for departmental purposes.

Referred to the Executive Committee.

BOSTON HOUSING AUTHORITY TO AID IN REDEVELOPMENT OF BOSTON & ALBANY RAILROAD YARDS.

The following was received:

City of Boston,
Office of the Mayor, June 22, 1953.
To the City Council.

I transmit herewith communication from the Corporation Counsel relative to your order of June 1, 1953, requesting an opinion as to the legal right of the Boston Housing Authority to aid in the redevelopment of the Boston & Albany Railroad yards under chapter 121, sections 26JJ, 26KK, 26LL, and 26MM of the General Laws.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Law Department, June 19, 1953.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:
Your Honor has transmitted to me the following orders passed by the City Council on June 1, 1953:

"Ordered, That the Honorable Mayor request the Boston Housing Authority to study the possibility of redeveloping the Boston & Albany Railroad yards under chapter 121, sections 26JJ, 26KK, 26LL, and 26MM of the General Laws."

"Ordered, That a copy of the above order be referred to the Corporation Counsel for an opinion as to the legal right of the Boston Housing Authority to aid in the redevelopment of the Boston & Albany Railroad yards under chapter 121, sections 26JJ, 26KK, 26LL, and 26MM of the General Laws."

This is to advise you that under existing conditions it is impossible for me to express any definite opinion with respect to the matter in question. The statutory provisions cited in the order constitute Part IV of the Housing Authority Law of Massachusetts. Before the Boston Housing Authority could proceed under said Part IV with a land assembly and redevelopment project in the area mentioned in the above-quoted order, it is required by said Part IV (in particular by the second paragraph of section 26KK) that the City Planning Board make certain findings in which the State Housing Board concurs. One of these required findings would be to the effect that the project area would not be private enterprise alone and without the aid sought by the housing authority from the federal government or other subsidy, be made available for development or improvement. In view of the substantial interest of private enterprise, it is difficult to see how such a finding would be warranted at the present time.

Respectfully,

WILLIAM L. BAXTER, Corporation Counsel.

Referred to the Executive Committee.

PETITIONS REFERRED.

The following petitions were received and referred to the committee named, viz:

Claims.

Allen Stationery Company of Boston, Inc., for compensation for damage to property at 100 Essex street, caused by bursting water main.

American National Red Cross, for compensation for damage to car by ladder used by men working for Traffic Commission.

Carl H. Anderson, to be reimbursed as result of execution issued against him on account of his acts as employee of Public Works Department, Sewer Division.

John F. Bosio, for compensation for damage to car by city truck.

Francis J. Green, for compensation for damage to car by city truck.

F. A. Brown & Co., for compensation for damage to car of Oreste L. Cesero by city truck.

Vincent Candia, for compensation for injuries caused by an alleged defect at 56 Commercial Wharf.

John T. Cashman, to be reimbursed as result of accident which occurred while in performance of duty as employee of Fire Department.

Dorothy Collins, for compensation for injuries caused by an alleged defect in Warren Avenue.

Margaret I. Connolly, for compensation for damage to car by city street cleaner.

Gladys M. Deane, for compensation for injuries caused by an alleged defect at 19 Grex Hill road.

Philip J. Doherty, for compensation for injuries caused by an alleged defect at 1932 Beacon street, Brighton.

William A. Dower, to be reimbursed as result of accident which occurred while in performance of duty as employee of Fire Department.

Joseph Gaffer, for compensation for damage to property at 79 Kingston street, caused by broken water main.

Richard W. Garrity, for compensation for damage to car by fire apparatus.

Mary E. Green, for compensation for injuries caused by an alleged defect in Broadway, South Boston.

James Grelg, to be reimbursed as result of accident which occurred while in performance of duty as employee of Boston City Hospital.

Hardware Mutuals, for compensation for damage to car of Burgess & Blachier Company by car of Public Works Department.

H. P. Hood & Sons, for compensation for damage to car by city car.

John S. Kane, to be reimbursed as result of accident which occurred while in performance of duty as employee of Fire Department.

James J. Kelly, to be reimbursed as result of accident which occurred while in performance of duty as employee of Park Department.

Arthur D. LeDonne, for compensation for damage to car by city car.

Samuel Lucas, for compensation for injuries caused by an alleged defect at 30 Bromfield street.

Nicholas S. Maffei, to be reimbursed as result of accident which occurred while in performance of duty as employee of Fire Department.

Vincent B. McGaffigan, to be reimbursed as result of accident which occurred while in performance of duty as employee of Sanitary Division.

Ethel M. McGonagle, for compensation for damage to property at 91 Pearl street, Charlestown, caused by backing up of sewage.

Donald P. McGowan, to be reimbursed as result of execution issued against him on account of his acts as employee of Police Department.

Alice H. Murphy, for compensation for injuries caused by an alleged defect at Boylston and Berkeley streets.

John Pender, to be reimbursed as result of accident which occurred while in performance of duty as employee of Sanitary Division.

Anthony Petrozzelli, to be reimbursed as result of accident which occurred while in performance of duty as employee of Police Department.

Louis Scala, for compensation for damage to car by truck of Fire Department.

John Shuman, to be reimbursed as result of accident which occurred while in performance of duty as employee of Sewer Division.

John F. Spencer, to be reimbursed as result of accident which occurred while in performance of duty as employee of Bridge and Highway Division.

Sarah Turner, for compensation for injuries caused by bullet from policeman's gun.

PETITIONS FOR ANNUITY.

Petition of Mrs. Mary H. Brady, to be paid an annuity on account of the death of her husband, Hugh D. Brady, late member of the Police Department.

Referred to the Committee on Claims.

APPLICATION FOR SHELLFISH PERMITS.

Applications were received from John F. O'Donnell, 52 Fuller street, Dorchester, for a family use shellfish permit, and from Charles L. Singleton, 2 West Eagle street, East Boston, and Harold T. Matthews, 306 Meridian street, East Boston, for commercial use shellfish permits.

Severally referred to the Committee on Licenses.

HEARING BEFORE DEPARTMENT OF PUBLIC UTILITIES.

Notice was received from the Department of Public Utilities of hearing to be held at its hearing room on June 25, 1933, at 9:30 o'clock A.M., on petition of Metropolitan Gas and Electric Authority for license to operate motor vehicles on Cornhill, between Scollay square and Adams square, Porter street, between Central square and Sumner Tunnel, and over Chelsea street, between Porter street and Maverick square.

On motion of Councillor Picomonte it was voted that the City Messenger be instructed to publish in the daily newspapers notice of the hearing, said notice to contain the date when the notice was read in the City Council.

The notice was referred to the Committee on Licenses.

HEARING BEFORE STATE DEPARTMENT OF PUBLIC WORKS.

Notice was received from the State Department of Public Works of hearing to be held at its office on June 22, 1933, at 2:30 o'clock P.M., on the application of State Transportation Board for license to dredge and place fill on the Winthrop shore and the Logan Airport in the town of Winthrop and City of Boston.

Referred to Committee on Licenses.

APPROVAL OF CONSTABLES' BONDS.

The constables' bonds of Frank J. Macchia, Andrew J. Palermo and Morris Youman, having been duly approved by the City Treasurer, were received and approved.

TRANSIENT VENDOR'S LICENSE.

Notice was received of the issuance by the City Clerk of a transient vendor's license to Adolph Hottel, for the sale of books, literature, and electrical appliances at John Hancock Hall and Lenox Hotel on June 11, 1933.

A bond of the Royal Indemnity Company of New York for \$500 was received.

Severally referred to Committee on Licenses.

REPORT OF COMMITTEE ON LEGISLATIVE MATTERS.

Coun. JOYCE, for the Committee on Legislative Matters, submitted the following:

Report on resolution (referred March 2) re payment of a sum of money to Peter Vitale—recommending passage of the resolution in the following new draft:

Resolved, That the City Council of Boston hereby favors the consideration by the Legislature of the petition now held under Joint Rule 7B authorizing the City of Boston to reimburse Peter Vitale for medical and hospital expenses incurred by him on account of injuries resulting in the loss of an eye in a schoolyard in said city, provided that any such legislation, if enacted, includes a referendum to the Mayor and City Council.

The report was accepted, and the resolution adopted.

REPORT OF COMMITTEE ON PUBLIC LANDS.

Coun. FOLEY, Chairman of the Committee on Public Lands, orally reported that the committee held a hearing on Thursday, June 18, concerning the sale of city-owned land to City of Quincy, that the Finance Commission did not appear although requested to in writing and orally; that the criticism of the Finance Commission in the report is correct in so far as it is concerned with that criticism of the land had not been made because there is only one possible buyer, the City of Quincy, that the criticism on the part of the water pipe easement was justified, and that an order correcting said easement would be sent to the Council.

Coun. FOLEY also stated the matter of the sale of a small piece of city-owned land on Freeport street was still pending in committee.

REPORT OF COMMITTEE ON CLAIMS.

Coun. JOYCE, for the Committee on Claims, submitted the following:

Report on order (referred March 23) re-establishing annuity of \$1,500 to Mrs. Mary V. Maher—recommending that the order ought to pass.

The report was accepted and the order was passed.

2. Report on communication (referred November 10, 1932) from Mrs. Anna E. Feeney withdrawing without prejudice a petition for the payment of an annuity filed by her on October 6, 1932—recommending that communication be placed on file.

The report was accepted and the communication was placed on file.

3. Report on order (referred September 22, 1932) for acceptance of chapter 493, Acts of 1932, providing that a certain physical condition resulting from the death of Louis DiSessa, a police officer of the City of Boston, shall be presumed to have been suffered in line of duty—recommending that the order be placed on file.

The report was accepted and the order was placed on file.

4. Report on petition (referred May 4) of Louis Grappi, Correction Officer, House of Correction, for retirement as a veteran—recommending passage of accompanying order.

Whereas, Louis Grappi, employed in the service of the County of Suffolk as Correction Officer in the House of Correction, Penal Institutions Department, has made application to be retired under the provisions of section 58 of chapter 32 of the General Laws, as amended; and

Whereas, The said Louis Grappi has submitted to the City Council satisfactory evidence that he is a veteran as defined in section 56 of chapter 32 of the General Laws, and that he has been in the service of the county for a total period of 30 years in the aggregate;

Ordered, That under the provisions of section 58 of chapter 32 of the General Laws, as amended, Louis Grappi, employed in the service of the County of Suffolk as Correction Officer in the House of Correction, Penal Institutions Department, be, and hereby is, retired, by the Mayor and City Council, acting as county commissioners, at

an annual pension of \$2,790.65, being 65 per cent of his highest regular rate of compensation.

5. Report on petition (referred May 25) of William E. Jacques, Assistant Deputy Master, House of Correction, for retirement as a veteran—recommending passage of accompanying order.

Whereas, William E. Jacques, employed in the service of the County of Suffolk as Assistant Deputy Master in the House of Correction, Penal Institutions Department, has made application to be retired under the provisions of section 57 of chapter 32 of the General Laws, as amended; and

Whereas, The said William E. Jacques has submitted to the City Council satisfactory evidence that he is a veteran as defined in section 56 of chapter 32 of the General Laws, that he has been certified for retirement for disability by the duly authorized medical authorities, that he has been in the service of the county at least 10 years, that he is incapacitated for active service, and that his total income from all sources exclusive of his retirement allowance and of any sum received from the government of the United States as a pension for war service, does not exceed \$1,000;

Ordered, That under the provisions of section 57 of chapter 32 of the General Laws, as amended, William E. Jacques, employed in the service of the County of Suffolk as Assistant Deputy Master in the House of Correction, Penal Institutions Department, be, and hereby is, retired, by the Mayor and City Council, acting as county commissioners, at an annual pension of \$3,165.18, being 65 per cent of his highest regular rate of compensation.

The reports were accepted and the orders were severally passed.

6. Report on message of the Mayor (referred September 22, 1932) relative to information on payment of certain bills—recommending that message be placed on file.

The report was accepted and the message was placed on file.

REPORT OF COMMITTEE ON LICENSES.

Coun. JOYCE, for the Committee on Licenses, submitted the following:

1. Report on order referred to the Committee on Public Safety on April 30, 1930, and referred to the Committee on Licenses on June 30, 1932, re opinion of Corporation Counsel on interpretation of chapter 148, section 56, re open-air parking spaces regarding open-air theaters—recommending passage of order in the following new draft:

Ordered, That his Honor the Mayor request the Corporation Counsel to immediately render an opinion as required by chapter 148, section 56, of April 3, 1930 by the Boston City Council, which requests were as follows:

Ordered, That the Corporation Counsel of the City of Boston be requested, through his Honor the Mayor, to hand down a legal opinion and interpretation of chapter 148, section 56, of the General Laws, "the Board of Street Commissioners grants licenses for open-air parking spaces" regarding the proposed open-air theaters at 1213 Veterans of Foreign Wars Parkway, West Roxbury, and 775 Gulliver Boulevard, Dorchester.

The report of the committee was accepted and the order in the new draft was passed.

2. Report on notice of hearing (referred May 11) on petition of Dorothy M. McLaughlin to Port of Boston authority to maintain right in Chelsea River—recommending that notice be placed on file.

3. Report on notice of hearing (referred May 11) on petition of Worcester Gas Light Company to Department of Public Utilities, to issue and sell mortgage bonds—recommending that notice be placed on file.

4. Report on notice of hearing (referred March 30) before Department of Public Utilities on petition of Plymouth & Brock Street Railway Company for operation of motor vehicles over Dorchester avenue, between Adams street and Fields Corner—recommending that notice be placed on file.

The reports were accepted and the notices were severally placed on file.

5. Report on application (referred June 1) of Edward Elina for commercial use shellfish permit—recommending that license be granted.

6. Report on application (referred June 8) of James H. Grant for commercial use shellfish permit—recommending that license be granted.

7. Report on application (referred June 8) of David F. Fullerton for commercial use shellfish permit—recommending that license be granted.

8. Report on applications (referred this day) of Harold T. Matthews and Charles L. Singleton for commercial use shellfish permits—recommending that licenses be granted.

9. Report on application (referred this day) of John F. O'Donnell for family use shellfish permit—recommending that license be granted.

The reports were accepted and the licenses were severally granted on the usual conditions.

REPORT OF COMMITTEE ON ORDINANCES.

Coun. HUMBLEY, for the Committee on Ordinances, submitted the following:

Report on message of the Mayor and ordinance (referred May 18) re roping of streets and display of flags—recommending that same ought to pass.

2. Report on message of the Mayor and ordinance (referred May 19) re abolishing Statistics Department—recommending that same ought to pass.

The reports were accepted and the ordinances were severally passed.

3. Report on order (referred January 19) for provision for parking of automobiles in new building construction—recommending that same ought to pass.

The report was accepted and the order was passed.

4. Report on order (referred April 27) on rent control on residential property—recommending no further action necessary.

The report was passed.

5. Report on order (referred May 11) to prevent granting of further gasoline station permits—recommending that same ought to pass.

The report of the committee was accepted. On motion of Councillor Haller the order was recommended to the Committee on Ordinances.

6. On the ordinance (referred November 24, 1952) concerning establishment of a housing bureau in the Health Department—the committee submitted the following report:

Your committee held an extensive hearing to consider the proposed ordinance which is essentially a copy of the Baltimore ordinance used to establish the well-known Baltimore Block Plan.

The Baltimore Block Plan provided for coordination, under one head, of the municipal agencies charged with the enforcement of sanitary, health, housing, and electrical regulations as such regulations applied to the poorest housing in the city. The block known as Block No. 1 was chosen as the block containing the worst housing in the City of Baltimore and the above agencies made a coordinated enforcement of laws in that block and in a special court created to hear housing violations.

At the present time in Boston, we have the Mayor's Area Rehabilitation Plan. Two clear distinctions must be made between the Mayor's Area Rehabilitation Plan and the Baltimore Block Plan. They are: 1, the Mayor's plan involves nothing more than voluntary cooperation of the block owners in the area, whereas the Baltimore plan involves legal compulsion; and 2, the Mayor's Area Rehabilitation Plan is aimed to revive areas which are in a medium state of decadence, whereas the Baltimore Block Plan is aimed at doing something about the worst residential property in the city.

Your committee feels that a coordinated attack on blight must be made. The weapons to be used, each has its own place, and they are: 1, public housing; 2, public housing; 3, area rehabilitation to arrest decay in neighborhoods in early stages of blight; 4, area rehabilitation planning to prevent blight in the distant future; and 5, some efficient enforcement method along the lines of the Baltimore Block Plan, whereby the municipality may be effective in enforcing health, sanitary, fire, and safety regulations in the poorest housing in the city.

Since both the Baltimore Block Plan and area rehabilitation depend on enthusiastic action by the Chief Executive, and since presently he is engaged in initiating an ambitious area rehabilitation program in Boston, your committee recommends that this particular ordinance be held in abeyance until the area rehabilitation program is successfully under way.

The report was accepted and the ordinance was placed on file.

REPORT OF COMMITTEE ON CONFIRMATIONS.

Coun. PIEMONTE, for the Committee on Confirmations, submitted the following:

1. Report on appointments by the Mayor (referred May 25) of Delia F. Joyce and David P. Johnson, as Weighers of Coal for term ending April 30, 1954—recommending that appointments be confirmed.

2. Report on appointments by the Mayor (referred June 1) of William Kennelly, Paul Pietroski, Timothy Sullivan, and Conley, as Weighers of Coal, as Weighers of Goods for term ending April 30, 1954—recommending that appointments be confirmed.

3. Report on appointment by the Mayor (referred June 8) of Bert Oppenheim as Constable with authority to serve civil process upon filing of bond, for the term ending April 30, 1954—recommending that appointment be confirmed.

4. Report on appointments by the Mayor (referred June 8) of Charles Fanning and Francis P. Creed as Weighers of Coal for term ending April 30, 1954—recommending that appointments be confirmed.

The reports were accepted, and the question came on confirmation. Committee, Councillors Foley and Haller. A whole number of ballots 7, years 7, and the appointments were confirmed.

5. Notice of the appointment by the Health Commissioner (referred May 4) of Alfred S. Brothers as Environmental Sanitation Officer—recommending that notice be placed on file.

The report was accepted and the notice was placed on file.

NAMING OF SQUARE IN HONOR OF EDWARD A. BLUESTONE.

Coun. AHEARN offered the following:

Ordered, That the Committee to Memorialize Veterans be requested, through his Honor the

Mayor, to name the square at the corner of Commonwealth avenue and Chiswick road, Brighton, in honor of Tech. Sgt. Edward A. Bluestone, who lost his life in the invasion of Normandy on June 3, 1944, while in the service of his country.

Passed under suspension of the rules.

NAMING OF SQUARE IN HONOR OF JAMES E. COGGINS.

Coun. AHEARN offered the following: Ordered, That the Committee to Memorialize Veterans be requested, through his Honor the Mayor, to name the square at the corner of Brainerd road and Harvard avenue, Allston, in honor of Medical Technician James E. Coggins, who lost his life on a mission of mercy on March 18, 1953.

Passed under suspension of the rules.

INFORMATION ON NEW SURGICAL SERVICES PROGRAM AT CITY HOSPITAL.

Coun. AHEARN offered the following: Whereas, The Trustees of the Boston City Hospital have recently announced that under a new program, effective July 1, 1954, certain new surgical services of the Boston City Hospital which have been in operation for many years will be reduced to three services, each one of which three will be a so-called teaching service affiliated with a medical school as distinguished from the so-called "open" or "independent" services, which two are being eliminated.

Whereas, There is a serious difference of opinion regarding the desirability and feasibility of such a program, as hereafter provided:

Ordered, That his Honor the Mayor is respectfully requested to request the Trustees of the Boston City Hospital to postpone the institution of this new program and reconsider their action abolishing the two "open" or "independent" surgical services; and therefore he is further requested that his Honor the Mayor is respectfully requested under the provisions of section 17F, chapter 376 of the Acts of 1951, to furnish the City Council information by answering the following questions:

1. Will the institution of the three new surgical services at the Hospital increase the cost of the operation of the surgical department either on July 1 or in the future?

2. (a) Is it not a fact that in 1953 the number of general surgical services at the Hospital increased by the Trustees from three to five in order to reduce the case load on a service and give better patient care?

(b) Is it not a fact that the present trustees continue high standards of patient care with reduced surgical services?

3. (a) Isn't it a fact that under the present system of five services there are at times a backlog of cases awaiting operation and that a reduction in the number of services and/or the City of Boston an additional \$18.48 per day for each day of postponement?

(b) If greater and more frequent backlogs of patients can be anticipated with reduced services, how can the trustees justify the additional expense to the patients and the city?

4. Should not the Hospital be either bettering or increasing the present services rather than reducing the services?

5. (a) Is it not a fact that because of the paucity and number of surgical services the late experience has shown that the vast majority of surgical services in hospitals throughout the country have had best results with surgical services of sixty beds or less to a service?

(b) Is it not a fact that the present surgical services with about 92 beds per service are already overcrowded and that a reduction in the number of services will result in 150-200 beds per service?

6. Contrary to a widespread current impression, was not approval withdrawn from surgical services affiliated with medical schools at the Hospital, and not just from the independent services?

7. (a) Is it not a fact that on the independent surgical services the Hospital has some of the most prominent and eminent surgeons in this part of the country as staff members?

(b) Is the death rate as low on the medical school services as it is on the independent services?

(c) Do the medical school services keep as up-to-date records as the independent services? (d) Is it not a fact that independent surgical services as far as patient care is concerned, as distinguished from teaching students, have given patient care the equal of medical school services?

8. Is it not a fact that the trustees did not make available to the independent surgical services the same amount of money and the same kind amount of staff, professional and other services, as was given the medical school services, and that this was a major factor in preventing the independent services from reaching full 4-year surgical residency approval formerly enjoyed?

10. (a) Is it not a fact that there are at least 51 hospitals throughout the country which have

secured full 4-year surgical residency approval without any medical school teaching affiliation?

(b) Why then do the trustees indicate that medical school affiliation is necessary for full 4-year approval?

11. Is it not a fact that there are 251 highly regarded hospitals in the United States given only 3-year approval and that these hospitals do not give excellent patient care?

12. Does the new program indicate that the trustees are placing more emphasis on making the Hospital a teaching hospital to teach medical students and young surgeons and residents at the expense of the taxpayers of Boston, rather than emphasizing care of the patients of Boston?

13. Is not the new system place vast and wide discretion in the hands of the trustees with respect to the selection of doctors at the Hospital in the hands of medical schools?

14. Why do the trustees wish to place so much control of the surgical services of the Hospital in the hands of independent private medical schools, no one of whom are taxpayers nor responsible to taxpayers of the City of Boston and only about 11 per cent of whose students are Boston residents?

(b) Is this fair to the taxpayers of Boston who pay about \$10,000,000 a year to run the City Hospital?

15. What reasons do the trustees have for thinking that surgical services of an unprecedented large size will result in patient care the equal of or surpassing the present services? Do the trustees think that the independent services which have both medical school services and nonmedical school services?

16. Is it not the fact that under the proposed program the elimination of independent services, leaving the control with Harvard, Tufts and Boston University, will result in discrimination against residents of Boston who are medical students in other medical schools and who desire internships, residencies or staff positions at the City Hospital in Boston which is Boston and where they, their parents and other Boston taxpayers pay about \$10,000,000 a year to support the Hospital?

(b) Why is it not feasible and desirable to retain independent surgical services along with Harvard, Boston University and Tufts, among other things, to give Boston medical students in other medical schools a better chance to compete with residents of California, Nebraska, or any other states, for assignment at the Boston City Hospital?

17. (a) Is it not true that many great and famous hospitals, e.g., Lahey Clinic, do not have 4-year surgical residency approval not because of inferior treatment given but simply because the hospitals do not so much interest in the matter of setting up a residency training program for medical students?

(b) Is it true that the number of years assigned to a hospital for training approval has no necessary relation to the quality of patient care?

18. With respect to the reported difficulty the Hospital has had in securing interns, is it not true that in large measure some of the important reasons are related to 4-year surgical residency approval are:

1. A tremendous national shortage of interns. 2. The Hospital offers only a straight internship which is less desirable than a "rotating internship" which gives the interns greater practical experience.

3. The duties assigned to interns are less attractive than in some other hospitals.

4. The Hospital has not put on an attractive program the equal of competing hospitals to secure interns.

19. Could not the city save thousands of dollars by using technicians in the place of some interns?

20. Is it not as feasible and desirable to make any needed improvement in the care of our patients through the medium of improved independent services as it is through improved medical school services which had also been found wanting by the American Board of Surgery?

21. Precisely what steps, if any, have the trustees taken to secure full 4-year surgical residency approval for the independent services? Improving the services as was done for the medical services by adding to each a salaried visiting surgeon?

22. (a) With so complete a power of staff selection in the three medical schools, what incentive will there be for the well trained young surgeons who have done some fine voluntary and valuable work in the past in the Out-Patient Department with the abolition of being elected as formerly was done to the permanent staff of the hospital?

(b) Will not the quality of service for the citizens of Boston who are out-patients seriously suffer?

23. What chance will seasoned, qualified surgeons, who are residents of Boston but who attended outside medical schools and have had no training, have for staff appointments in general?

24. Are not medical school services more expensive to the taxpayers than independent services since each of the medical school services has a salaried visiting surgeon while the independent services have only nonpaid visiting surgeons?

25. Is it not true that appointments as interns and residents are available to graduates of foreign medical schools in most of the best hospitals in the country and the inference that the Hospital is inferior because it uses them is not a fair one?

26. On the occasion of the recent vote of the Surgical Staff on the new program:

(a) Did the staff make a thorough study of the program or was the vote taken as a matter of course?

(b) Were the members of the staff given to believe that the new program would be installed anyway and therefore, their vote was not so important?

(c) Was the vote taken by secret ballot?

27. (a) Is there not need for a reconsideration of the vote of the Trustees on the new program and a need of an impartial survey to study and evaluate the quality of patient care and the needs in general of the surgical services at the Hospital?

(b) Would not an experienced overall Director of Medical Education for the entire Boston City Hospital add to the efficiency of the Hospital and the better care of the patients?

Passed under suspension of the rules.

CERTAIN INFORMATION RE PROPOSED REORGANIZATION OF DISTRICT COURTS.

Coun. PIERMONTÉ offered the following:

Ordered, That his Honor the Mayor be requested, under the provisions of section 17F, chapter 376 of the Acts of 1951, to furnish the City Council information set forth in the following questions, said information to be furnished as soon as possible before the 14-day limit expires, and in compiling this information his Honor the Mayor consider related statutes governing salaries paid to probation officers, clerks, assistant clerks, court officers especially as to how they are affected by the action of judges.

1. Does the legislation now pending in the Massachusetts General Court for the reorganization of the district courts impose a further financial burden on the City of Boston?

2. What, if any, would be the increased cost per year due to pay increases for judges?

3. What, if any, would be the increased cost per year due to pay increases for clerks?

4. What, if any, would be the increased cost per year due to pay increases for assistant clerks?

5. What, if any, would be the increased cost per year due to pay increases for probation officers?

6. What, if any, would be the increased cost per year due to pay increases for court officers?

7. What, if any, would be the increased cost per year due to pay increases for all other help?

8. What would be the initial cost to the city for alterations and remodeling of the facilities necessary for the use of the judges and the courts by the passage of this legislation?

9. What would be the additional cost for equipment and supplies?

10. What would be the additional annual cost to the city for equipment and supplies?

11. What will the total increased cost per year be the City of Boston as a result of the passage of the pending district court reorganization (including the salary increases of all personnel, judges, clerks, probation officers, court officers and other help)?

12. Does the pending bill make provisions for the state or any other community to bear any part of this cost?

Passed under suspension of the rules.

EXPRESSION OF SYMPATHY TO

MRS. LOUIS BREMS.

Coun. HURLEY offered the following:

Resolved, That the Boston City Council in meeting assembled, desire to express their sincere condolences to Mrs. Florence Brems on the death of her husband Louis, former director of Public Celebrations.

The resolution was adopted under suspension of the rules.

EXPRESSION OF SYMPATHY TO CONGRESSMAN PHILIP PHILBIN.

Coun. HURLEY and WARD offered the following:

Resolved, That the Boston City Council, in meeting assembled, desire to express their sincere condolences to Congressman Philip Philbin on the death of his dear wife.

The resolution was adopted under suspension of the rules.

NAMING OF SQUARE IN HONOR OF J.

GERALD McMAHON.

Coun. WARD offered the following:

Ordered, That the Committee to Memorialize Veterans be requested, through his Honor the Mayor, to name the square at the corner of Washington street and Foster street, Brighton, in honor of First Lieutenant J. Gerald McMahon.

who lost his life on March 16, 1944, in the Battle of Monte Casino, Italy, while in the service of the United States during World War II.

Passed under suspension of the rules.

IDENTIFICATION OF "SHORTELL FRACTURE UNIT."

Coun. WHITE offered the following:

Ordered, That the Trustees of the Boston City Hospital be requested, through his Honor the Mayor, to arrange for the carving of the name "Shorell Fracture Unit" in suitable place on the inside walls of the building and to install a bronze plaque, containing a brief story of the unit, in an appropriate place in the interior of the building.

Passed under suspension of the rules.

STUDY OF CONDITIONS AT SWIMMING POOL AT DOHERTY PARK, CHARLESTOWN.

Coun. WARD and JOYCE offered the following: Ordered, That the Trustees of the Boston City Hospital be requested, through his Honor the Mayor, to make a study of the conditions at the swimming pool at Doherty Park, Charlestown, for the purpose of insuring the safety of the children using this swimming pool.

Passed under suspension of the rules.

JUDICIAL DETERMINATION OF URBAN REDEVELOPMENT PROGRAM.

Coun. TOLEY offered the following:

Whereas, The initiation of an Urban Redevelopment Program in the City of Boston under the Federal Urban Redevelopment Program is a matter of considerable import to large numbers of people in the City of Boston resident in the areas scheduled for redevelopment and to others;

And Whereas, It now appears that some doubt has arisen as to whether the right of eminent domain exists for the purpose of accomplishing urban redevelopment in Massachusetts; he it therefore

Resolved, That the Corporation Counsel immediately seek judicial determination by means of a declaratory judgment or otherwise to legally determine whether there is legal power under the Massachusetts Constitution and the statutes of the Commonwealth to proceed with an Urban Redevelopment Program in the City of Boston; that particular attention be given to the question as to whether the power of eminent domain lies in the City for the purpose of urban redevelopment.

The resolution was adopted under suspension of the rules.

TRAFFIC LIGHTS AT GENEVA AVENUE AND WESTVILLE STREET.

Coun. PIERMONTÉ and JOYCE offered the following:

Ordered, That his Honor the Mayor request the Traffic Commissioner to take immediate steps to provide a traffic signal at the Geneva Avenue and Westville Street intersection.

Passed under suspension of the rules.

APPEARANCE OF CORPORATION COUNSEL BEFORE EXECUTIVE COMMITTEE.

Coun. HAILER offered the following:

Ordered, That the Corporation Counsel be requested to appear before the Executive Committee of the City Council on Monday, June 29, 1953.

Passed under suspension of the rules.

PROPOSED RESCISSION OF GASOLINE STATION PERMITS.

Coun. HAILER offered the following:

Be it ordered by the City Council of Boston as follows:

That if the foundation of a gasoline station has not been erected within six months of the granting of the permit, said permit shall be cancelled and no new permit shall be issued for the same location for a period of five years.

All permits now in effect shall be rescinded upon the effective date of passage by the City Council, and a new public hearing shall be set for the resumption of these permits.

Referred to Committee on Ordinances.

Adjourned at 4.28 p.m., on motion of Councilor Hailer, to meet on Monday, June 29, 1953, at 2 p.m.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

(Stenographic copy of such debate on file in office of City Clerk.)

CLAIMS ALLOWED.

The Mayor, upon recommendation of the Corporation Counsel, has approved the following claims:

Robert P. O'Brien, 39 Jamaica street, Jamaica Plain, to be reimbursed in the sum of \$84.50, as a result of an accident which occurred on January 10, 1952, when a motor vehicle belonging to the Paving Division, Public Works Department, which he was operating, collided with an automobile owned by John Van Tassel.

Mrs. Nabiba S. Skipe, trustee, 45 Union park, Boston, to be reimbursed in the sum of \$140, for expense incurred in hiring a contractor to excavate on her property to locate a water leak which was found to be on city property, January 10 to 15, 1953.

Francis H. Maher, 22 Frances street, Newton Highlands, to be reimbursed in the sum of \$450, for loss of revenue from a parking lot which he operates as lessee at the corner of 134 State street and Chatham Row, due to a break in the water main on March 9, 1953.

Lena Gordon, 98 Deering road, Mattapan, in the sum of \$421, as compensation for personal injuries caused by a hole in the sidewalk in front of 151 Wellington Hill street, Mattapan, March 6, 1953.

Demetra Polites, p.p.a., 83 Compton street, Boston, in the sum of \$395, as compensation for personal injuries to her son, John Lagos, a minor, caused by a broken curb on Tremont street, at the corner of Arlington street, February 4, 1951.

Carolina Mercadante, 97 Endicott street, Boston, in the sum of \$436, as compensation for personal injuries caused by a hole in the sidewalk on Endicott street, at the corner of Stillman street, December 6, 1952.

Rae Lapuck, 235 Humboldt avenue, Roxbury, in the sum of \$393, as compensation for personal injuries caused by a raised portion of the sidewalk in front of 232 Humboldt avenue, October 1, 1952.

Margaret Barron, 157 Gold street, South Boston, in the sum of \$350, as compensation for personal injuries caused by a hole in the sidewalk on Gold street, at the rear corner of 209 and 211 D street, December 2, 1951.

Isabelle Engle, 541 Washington avenue, Chelsea, in the sum of \$294, as compensation for personal injuries caused by a hole in the highway opposite 549 Albany street, November 25, 1952.

Margaret A. Kinney, 27 Amherst street, Roslindale, in the sum of \$450, as compensation for personal injuries caused by the raised portion of a sidewalk in front of 147 Walworth street, Roslindale, October 22, 1952.

Frederick Oliver, 277 River street, Cambridge, in the sum of \$295.85, as compensation for personal injuries and damage to automobile caused by a hole in the highway on Humboldt avenue, near the intersection of Seaver street, Roxbury, July 15, 1952.

Faye Huyfij, 43 Willow street, Malden, in the sum of \$475, as compensation for personal injuries caused by a hole in the crosswalk on Tyler street, at Kneeland street, February 21, 1953.

Frank Esposito, 8 Hull street, Boston, in the sum of \$200, as compensation for personal injuries caused by a hole in the sidewalk on Union street, at the corner of Marshall street, Boston, September 7, 1951.

PROCEEDINGS OF SCHOOL COMMITTEE.

April 6, 1953

A meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 2:20 P.M., the Chairman presiding.

Present: Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons and Mr. Muchnick.

APPROVAL OF MINUTES

The reading of the minutes of the meeting of Mar. 25, 1953, was omitted, the Committee approving them as printed.

RE-ELECTION OF ASSISTANT SUPERINTENDENT

Under the provisions of Chapter 497 of the Acts of 1946, the Superintendent presented the nomination of Frank J. Herlihy as Assistant Superintendent, for a six-year term beginning Sept. 1, 1953, the present term of Mr. Herlihy being due to expire Aug. 31, 1953.

A roll call being ordered, the Secretary proceeded to call the roll with the following result:

For MR. HERLIHY—Mr. Carr, Miss Fitzgerald, Dr. Foley, and Mrs. Lyons—4

PRESENT—Mr. Muchnick—1
In connection with his vote, Mr. Muchnick made the following statement:

Madam Chairman, in my opinion Mr. Herlihy has been a good Assistant Superintendent, and I would like very much to vote for him.

As a matter of policy I don't think we need as many as six Assistant Superintendents, so I am voting present. I think Mr. Herlihy upon his re-election will continue to do a good job.

The Chair thereupon declared Frank J. Herlihy re-elected Assistant Superintendent of Public Schools for a period of six years beginning Sept. 1, 1953.

RECESS

The Committee recessed and the five members reassembled at 4:20 P. M.

Mr. Muchnick: Madam Chairman, I move, now that we are in public meeting, that all the discussion that took place in the conference be included in the records of the public meeting.

Mrs. Lyons: Any objections?

Secretary: No objections.

APPROPRIATIONS—LAND AND BUILDINGS

The following communication was received:

City of Boston

Department of School Buildings

April 6, 1953

Miss Agnes E. Reynolds,
Secretary, Boston School Committee
15 Beacon Street, Boston, Mass.
Dear Miss Reynolds:—

Under date of April 2, 1953, you forwarded the following appropriation order to the Board of Commissioners of School Buildings:

ORDERED, That in accordance with the provisions of Chapter 224 of the Acts of 1936, as amended by Chapter 117 of the Acts of 1949, the following appropriations are hereby made to meet the estimated cost of "construction and furnishing of new school buildings, both temporary and permanent, including the taking of land therefor, and for school yards and the preparing of school yards for use, and for rent of hired school accommodations" for the fiscal year 1953:

LAND AND BUILDINGS FOR SCHOOLS	
Item 1—Rent of hired accommodations	\$41,050.00
Item 2—For acquiring land for, and constructing public schoolhouses now constituting, or hereafter becoming approved school projects within the meaning of Mass. St. 194 C. 245, as amended including originally equipping and furnishing such schoolhouses	157,351.60
Item 3—Reserve for such items of land, plans and construction of school buildings as are or may finally be approved	536,792.87
Item 4—Lewis District, Roxbury: Development of side yard space for, Roxbury Memorial High School (Girls)	35,000.00
Item 5—Charles Sumner District, Roslindale: Development of Poplar and Dale Street lot for additional play space for the George H. Conley School	25,000.00
Total for Land and Buildings for Schools	\$795,194.47

The sum of \$795,194.47 appropriated for land and buildings is obligated as follows:

a. From the amount available under the \$30 allowance	\$791,866.87
b. From the unexpended balance from 1952	3,327.60
Total	\$795,194.47

At a meeting of the Board of Commissioners of School Buildings held this date, at which meeting Chairman Joseph F. O'Connell and Commissioner Richard V. Barry were present and voting, it was voted, unanimously, to report favorably upon the above proposed appropriation order, all as provided by Chapter 351 of the Acts of 1929.

Very truly yours,
Board of Commissioners of School Buildings:

(Signed) Joseph F. O'Connell Jr., Chairman.

Placed on file.

The following statement was ordered spread upon the records: Estimated Total Money Available for Land and Buildings—1953
Amount available under the provisions of Chapter 224 of the Acts of 1936 as amended by Chapter 117 of the Acts of 1949, viz., \$30 on each \$1000 of the average valuation

Unexpended balance, 1952 \$791,866.87

Rent of hired accommodations, 1952 3,327.60

Total money available for appropriation purposes \$795,194.47

The following was offered:
ORDERED, That in accordance with the provisions of Chapter 224 of the Acts of 1936, as amended by Chapter 117 of the Acts of 1949, the following appro-

proportions are hereby made to meet the estimated cost of "construction and furnishing of new school buildings, both temporary and permanent, including the taking of land therefor, and for school yards and the preparing of school yards for use, and for rent of hired school accommodations" for the fiscal year 1953:

LAND AND BUILDINGS FOR SCHOOLS

Item 1—Rent of hired accommodations	\$41,650.00
Item 2—For acquiring land for, and constructing, public schoolhouses now constituting, or hereafter becoming, approved school projects within the meaning of Mass. St. 1945, ch. 645, as amended, including originally equipping and furnishing such schoolhouses	157,351.60
Item 3—Reserve for such items of land, plans and construction of school buildings as are or may finally be approved	536,792.87
Item 4—Lewis District, Roxbury: Development of side yard for play space, Roxbury Memorial High School (Girls)	35,000.00
Item 5—Charles Sumner District, Roslindale: Development of Poplar and Dale Street lot for additional space for the George H. Conley School	25,000.00
Total for Land and Buildings for Schools	\$795,194.47

The above sum of \$795,194.47 appropriated for land and buildings is obtained as follows:

a. From the amount available under the \$50 allowance	\$791,866.87
b. From the unexpended balance from 1952	3,327.60
Total	\$795,194.47

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5

APPROPRIATIONS—ALTERATIONS AND REPAIRS

The following communication was received:

City of Boston
Department of School Buildings
April 6, 1953

Miss Agnes E. Reynolds
Secretary, School Committee of the City of Boston
15 Beacon Street
Boston, Massachusetts
Dear Miss Reynolds:

Under date of April 2, 1953, you forwarded the following appropriation order to the Board of Commissioners of School Buildings:

ORDERED, That in accordance with the provisions of Chapter 224 of the Acts of 1936 as amended by Chapter 117 of the Acts of 1949, the following appropriations are hereby made to meet the estimated cost of "alteration and repair of school buildings and furniture, fixtures and means of escape in case of fire and for fire protection of existing buildings, and for improving existing school yards," for the fiscal year 1953, based on the accompanying detailed estimates:

A. Administration Expenses:	
1. Salaries	346,172.30
2. Workmen's Compensation	1,600.00
3. Veterans' Retirement Roll	26,205.00

B. Administration Expenses:	
Office Expenses and Other Items	36,000.00
C. Alterations, Furniture and Equipment for Special Educational Needs	150,000.00
E. General Alterations and Repairs	1,486,400.00

Total for Alterations and Repair of School Buildings \$2,040,377.30

The above total of \$2,040,377.30 appropriated for "alteration and repair of school buildings," etc., is obtained as follows:

a. From the amount available under the \$1.70 allowance	\$1,537,494.97
b. Unexpended balance, 1952	502,882.33
Total	\$2,040,377.30

Last year we obligated ourselves to spend \$2,347,853.42. This sum was sufficient to improve the physical plant of our schools to a great extent. This year, with the large cut you have made in the appropriation it will be difficult, if not impossible, for us to continue the good work of the past to honor your requests for painting, carpentering, etc.

We are pleased to note that the figure of \$2,040,377.30 represents a saving on the tax rate of seventy-three cents (\$.73) per one thousand dollars of valuation.

At a meeting of the Board of Commissioners of School Buildings held this day, with Mr. Joseph F. O'Connell, Jr., Chairman, presiding, it was voted unanimously to accept the budget as presented, all as provided by Chapter 351 of the Acts of 1929.

Very truly yours,

Board of Commissioners of School Buildings

(Signed)

By J. F. O'Connell, Jr., Chairman

Placed on file.

The following statement was ordered spread upon the records:

Estimated Total Money Available for Alterations and Repairs—1953	
Amount available under the provisions of Chapter 224 of the Acts of 1936, as amended by Chapter 117 of the Acts of 1919, viz., \$1.70 on each \$100.00 of the average valuation	\$2,692,347.35
Unexpended balance, 1952	502,882.33
Total money available for appropriation purposes	\$3,195,229.68

The following was offered:

ORDERED, That in accordance with the provisions of Chapter 224 of the Acts of 1936, as amended by Chapter 117 of the Acts of 1949, the following appropriations are hereby made to meet the estimated cost of "alteration and repair of school buildings and for furniture, fixtures, and means of escape in case of fire, and for fire protection of existing buildings, and for improving existing school yards," for the fiscal year 1953, based on the accompanying detailed estimates:

A. Administration Expenses:	
1. Salaries	\$346,172.30
2. Workmen's Compensation	1,800.00
3. Veterans' Retirement Roll	26,205.00
B. Administration Expenses:	
Office Expenses and Other Items	30,000.00
C. Alterations, Furniture and Equipment for Special Educational Needs	150,000.00
E. General Alterations and Repairs	1,486,400.00

Total for Alteration and Repair of School Buildings \$2,040,377.30

PROCEEDINGS OF SCHOOL COMMITTEE.

(Continued from page 887.)

The above total of \$2,040,377.30 appropriated for "alteration and repair of school buildings," etc., is obtained as follows:

a. From the amount available under the \$1 allowance \$1,537,494.97
b. Unexpended balance, 1952 502,882.33

Total \$2,040,377.30
On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5
NAYS—0

Mr. Muchnick: Madam Chairman, I would like to point out that after we cut the budget which has just been voted on by the sum of \$434,000, it obviously met with the approval of the Board of Schoolhouse Commissioners, because there has been nothing read to us so far as we have heard as yet indicating lack of approval.

Secretary: May I read the letter, please, from the Department of School Buildings.

The Secretary then read the communication from the Department of School Buildings relating to alterations and repairs.

Mr. Muchnick: I am glad that they noted that that one item saved seventy-three cents on the tax rate; and it seems to me that they also should have noted that with six school buildings already closed, obviously we are going to need fewer repairs.

Mrs. Lyons: And I would like to add, too, that when they mention that they honored all requests for painting and repairs, I don't think they were all honored.

The following is the detail for "Administration Expenses, Salaries and Office Expenses" in connection with the Alteration and Repair of School Buildings, as submitted by the Department of School Building:

SALARIES

1 Superintendent of Construction	\$12,000.00
2 Deputy Superintendents of Construction at \$7500 each	15,000.00
1 Executive Secretary	9,740.00
1 Assistant Chief Clerk	5,260.00
1 Chief and Auditing Clerk	4,760.00
1 Supervisor of Contracts	4,860.00
1 Supervisor of Contracts and H.	5,240.00
1 Auditing Clerk	4,060.00
1 Auditing Clerk	3,460.00
1 Clerk-Stenographer	3,960.00
1 Clerk-Stenographer	3,060.00
1 Principal Clerk-Stenographer	4,060.00
1 Stenographer	3,060.00
1 Stenographer	2,960.00
1 Clerk	4,060.00
2 Clerks at \$3,260	6,520.00
1 Telephone Operator-Clerk	3,460.00
1 Telephone Operator	2,860.00
1 Temporary Telephone Operator	500.00

**PROCEEDINGS OF SCHOOL
COMMITTEE.**

(Continued from page 889.)

**ANNUAL APPROPRIATIONS
FOR MAINTENANCE, EXCLU-
SIVE OF "ALTERATIONS, RE-
PAIRS, FURNITURE AND
FIXTURES."**

The Business Manager submitted, in compliance with the rules, the following communication:

April 6, 1953
To the School Committee of the
City of Boston:

In compliance with the instructions of the School Committee and in accordance with the provisions of Chapter 224 of the Acts of 1936, as amended by Chapter 117 of the Acts of 1949, I am presenting for your consideration the accompanying appropriation order totaling \$22,-820,686.49 for the fiscal year 1953. The said amount is for expenditures in part for maintenance under the direct control of the School Committee.

The School Committee also will make appropriations for the following items and in the sums set forth below. The expenditures under these items will be under the direct control of the Department of School Buildings.

Alterations, repairs, furniture and fixtures, \$2,040,377.30.

Land and buildings for schools, \$795,194.47.

The total appropriations for all school purposes for 1953 will therefore be \$25,656,258.26 (\$22,-820,686.49 plus \$2,040,377.30 plus \$795,194.47—\$25,656,258.26).

The total credits for all school purposes made up of the unexpended balances at the end of the year 1952, the estimated income for the year 1953, and the estimated amount to be received from the Commonwealth of Massachusetts by the City of Boston under Chapter 643 of the Acts of 1948 will amount to \$3,893,984.42.

The amount to be raised by taxation for all school purposes would therefore be \$21,762,273.84 which is the difference between the total appropriations and the total credits: \$25,656,258.26 minus \$3,893,984.42—\$21,762,273.84).

Respectfully submitted,
(Signed) HENRY J. SMITH,
Business Manager.

Placed on file.

The following statement was ordered spread upon the records:

**ESTIMATED MONEY AVAILABLE FOR
GENERAL SCHOOL PURPOSES—1953**

Amount available under the provisions of Chapter 224 of the Acts of 1936, as amended by Chapter 117 of the Acts of 1949	\$21,200,000.00
Estimated income for 1953	1,280,318.43
Unexpended balance, 1952	340,368.06

Total money available for appropriation purposes \$22,820,686.49

The following was offered:
ORDERED. That in accordance with the provisions of Chapter 224 of the Acts of 1936, as amended by Chapter 117 of the Acts of 1949, to meet the estimated cost of maintenance of the

Boston public schools for the fiscal year 1953, exclusive of "alterations, repairs, furniture and fixtures" for which separate appropriation orders are made, the following amounts are hereby appropriated to cover in part expenditures under the control of the School Committee and for the purposes indicated below:

For General School Purposes:

Administration	\$ 966,632.90
Instruction	18,923,742.72
Auxiliary Services	436,125.55
Operation of Plant	2,540,416.80
Fixed Charges	353,768.71
Pensions to teachers (non-contributory)	(1)

\$22,820,686.49 (2)

(1) No appropriation from tax levy. These pensions are paid from (a) income received from Commonwealth, (b) unexpended balance of last year, (c) accrued interest of Permanent School Pension Fund.

(2) It is expected that \$3,387,774.49 of this amount will be provided from estimated income for 1953, from unexpended balances from 1952, and from the estimated amount to be received from the Commonwealth of Massachusetts by the City of Boston under Chapter 643 of the Acts of 1948.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

The Secretary read the following letter to be sent to his Honor, the Mayor, John B. Hynes, with reference to additional school appropriations:

April 7, 1953.

Honorable John B. Hynes
Mayor, City of Boston
City Hall
Boston, Massachusetts
Dear Sir:

I am transmitting herewith for your approval attested copies of order passed at the meeting of the School Committee held on Monday, April 6, 1953, appropriating the sum of \$22,820,686.49 for the maintenance of the Boston Public Schools for the fiscal year 1953, exclusive of "alterations, repairs, furniture and fixtures," namely, General School Purposes.

The amount submitted to you in the appropriation for General School Purposes is the entire amount available under the legal limit.

This amount of \$22,820,686.49 is short by \$1,949,065.55 of the amount that is necessary to carry out the needs of the budget for General School Purposes. The breakdown of this \$1,949,065.55 is shown as follows:

Administration	\$175,000.00
Instruction	899,065.53
Auxiliary Services	350,000.00
Operation of Plant	450,000.00
Fixed Charges	75,000.00
Pensions to Teachers	

Total \$1,949,065.55

In accordance with the provisions of the law governing appropriations, the School Committee

**PROCEEDINGS OF SCHOOL
COMMITTEE.**

(Continued from page 891.)

respectfully requests Your Honor to recommend to the City Council the additional appropriation necessary for General School Purposes in the sum of \$1,949,065.55.

Respectfully submitted,
(Signed) Agnes E. Reynolds
Secretary

On roll call the members agreed by the following vote to submit the foregoing communication to his Honor, the Mayor:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5,
NAYS—0.

Mr. Muchnick: Madam Chairman, before we leave the budget, and for the public record, I would like to repeat substantially what I said before we suspended for lunch. I would like to point out for the public record and also for the benefit of the general public by way of the press, that so far as I have been able to ascertain, this is the first year that any School Committee, in probably twenty or more years, has appropriated less than had been appropriated the previous year in each instance, and this year the combined budgets for all school purposes are \$891,472 less than the appropriation of last year; and that, we must bear in mind, is the final appropriation of last year after it has been trimmed by several hundred thousand dollars by the Mayor, so that this one is more than \$1,000,000 less than what our appropriation figures were last year before sending the budget to the Mayor.

In addition to that, assuming we get the entire amount from the Council, and assuming no further cuts by the Mayor, the amount to be raised by taxation this year is \$1,361,000 less than the similar amount of last year, or about ninety-five cents on the tax rate.

It seems to me that that is a real accomplishment on the part of the School Committee this year and, for one, I would like to commend you as Chairman, and through you the rest of the members, for facing the facts that, with a static or decreasing school population and with increasing tax rates, the School Committee has done its utmost to see to it that every dollar that could be saved without curtailing services was saved.

I think it is a real good start in the right direction, especially when we bear in mind that if there are some further savings that are possible as a result of the survey that is being made now by the Harvard Graduate School, we will be able to decrease the tax rate even more.

Mrs. Lyons: I want to say how pleased I am that with the co-operation of all the members of the School Committee and every one connected with the School

Department, we were able to see that ninety-five cents is saved on the tax rate this year, and I am very happy to have your help, your advice, and your co-operation.

LAND ADJOINING

THOMAS DWIGHT SCHOOL

Superintendent: Madam Chairman, before we leave the budget, may I recommend to the Committee that you have your Secretary write a letter to the Mayor asking for his approval for the giving of the land back of the Thomas Dwight School to the School Committee—that is, Park Department land—for the construction of an elementary school building.

Also, Madam Chairman and members, I would recommend that you ask the Mayor if he will immediately introduce proper legislation in the Legislature to obtain this Park Department land for school building construction.

Mrs. Lyons: Well, Mr. Superintendent, I haven't seen that, and I don't believe any members of the Committee have yet seen that land. I think probably before we take action on it, the members would like to know where it is and the amount of land that is available.

Miss Fitzgerald: I have seen that land. I went by it recently and I think that the Superintendent mentioned this item while we were in the Mayor's office, asking whether that would be agreeable to him. I remember there was some discussion with the Mayor and some of the others who were at the conference as to whether that was currently used by the Park Department as a recreation area. We were told that it was not.

Dr. Foley: Madam Chairman, did we not instruct the Superintendent to clear this matter up between Mr. Kelley and the Mayor's office to the satisfaction of the School Committee?

Superintendent: Dr. Foley, it was left that Mr. Muchnick was going to talk with this gentleman who had plans that he said would be perhaps available for a trade for the Ira Allen School, and then at a recent meeting Mr. Muchnick said that he had withdrawn that and that this man was out of town.

Unless we take some action with the Mayor, this building up in the Thomas Dwight area is going to be just a myth for this coming year and I would like to see this Committee take some action on acquiring that land with the approval of the Mayor, naturally, and start our construction.

If you do not do it, you are going to have to spend perhaps at least a couple of hundred thousand dollars for land in that area, and the Thomas Dwight School is located in the center of population in that area.

Mr. Carr: Is this the property that has been described as having an old running track?

(Continued on page 894.)

PROCEEDINGS OF SCHOOL
COMMITTEE.

(Continued from page 889.)

Mr. McMackin: That is right. Superintendent: It is right in between the Thomas Dwight School and the new Municipal building.

Mr. Muchnick: Madam Chairman, since the last meeting when we were informed that this land is not being used for recreation purposes, I have been given information that this land is being used by the children who attend the Mission Church grammar school and high school for play purposes.

If that is so, those children are residents of Boston fully as much as are the children who go to our own public schools, and they are entitled to recreational facilities after school the same as our own children are. However, I don't know whether that information is or is not correct. It seems to me that the better situation would be if all members of the Committee, the Superintendent, Mr. McMackin, and Mr. Kelley of the Park Department, and, if his schedule permits it, the Mayor, himself, could go down and check this entire area and see if the land is good for our purposes and if the taking of it does not interfere with the Park Department purposes.

We had the situation just this morning where a member of our department who had previously led us to believe—and I think had himself been led to believe—that the Park Department was agreeable to a certain situation, found the facts to be somewhat in dispute, and they may not be in accord with the solution that had been told us in February and more recently in early April.

Now, to forestall any such possibility again on this land, I suggest that you write or ask Miss Reynolds to write to the Mayor for the kind of appointment that I suggested, and incidentally, with reference to the Superintendent's statement about the man whom I was supposed to see, the complete story on it, as I tried to indicate last week, was that he was out of town and that when he returned I was otherwise engaged. I have made no effort to see the man who has suggested that the City enter into a transaction with him, since learning what the Superintendent told us last week.

However, by the same token, if the Mission Church pupils are using that land, I don't see that we ought to deprive them of its use, either, and we ought to go into the whole question, again, and quickly.

Mrs. Lyons: I agree with you. I think that before anything is done that is final the members of the Committee with the Mayor, the Superintendent, and Mr. McMackin, and Mr. Kelley should go out there and look the situation over. I don't think I want to vote on anything when I don't even know where the land is.

Would you write, Miss Reynolds?

Secretary: Yes.

Superintendent: Madam Chairman, would you be willing to set a date when the Committee would be free and see if Miss Reynolds can make a comparable arrangement for the Mayor? It is now the 6th of April, and this money was put into the budget for this building back in December 1952, and one-third of the school year has gone by.

We are facing a double session up in the Thomas Dwight Building in September of 1953, and certainly I am anxious to do everything to expedite matters to get that new building under way. If you would set a time when the School Committee would confer and see if that will meet with the Mayor's approval, it will expedite matters toward it because, if we are going to take this land, we have to take it by legislation, and it is time that we get a bill introduced under a suspension.

Dr. Foley: Madam Chairman, I do direct you to do.

Mr. Muchnick: I think the Mayor would be the one who would have to set the date, Madam Chairman.

Dr. Foley: All right.

Mrs. Lyons: I think that we ought to give him an idea when the five members can go. Then probably he can let us know and we can fit our time to his.

Mr. Carr: Madam Chairman, I have seen that site several times, and I do not think it will be necessary for me to go out there again. I understand Miss Fitzgerald has been out there. I have talked to Mr. McMackin and his assistants on this site, and I am fully satisfied that it would meet our demands. I do not think it is necessary for me to go out there again to be convinced.

Mrs. Lyons: Well, the other members who want to be convinced probably can arrange to go.

DEATHS

The Superintendent reported the death of the following-named head master emeritus who had been retired under the provisions of the Boston Retirement System:

Girls' Latin School—Ernest G. Haggood, Apr. 3, 1953.

Placed on file.

Dr. Foley: Madam Chairman, I think something should be said about Mr. Haggood, Head Master Emeritus at Girls' Latin School for some years, and I would like to hear something from the Superintendent with regard to spreading a thought on the records with regard to how fine a man he was at the Latin School, and furthermore what an outstanding educator he was.

I haven't anything prepared and I am quite sure that the Superintendent can prepare something. It is too bad to let this

**PROCEEDINGS OF SCHOOL
COMMITTEE.**

(Continued from page 895.)

go unnoticed at this time in connection with a man of this type. I have been out there many times to the Girls Latin School. I know that he was very, very well thought of, so I would like the Chair to authorize the Superintendent to prepare a message of a type that would be fitting to such a remarkable man.

Mrs. Lyons: Will you do that, Mr. Superintendent?

Superintendent: Yes.

The Superintendent reported the death of the following-named principal emerita who had been retired under the provisions of the State-Boston Retirement System:

John Marshall District—Linna E. Clark, Apr. 3, 1953.

Placed on file.

Mr. Muchnick: Madam Chairman, I should think that the same mark of respect would be paid to Miss Clark as to Mr. Hapgood. I did not have the good fortune to know either of them but I have heard some very fine things about both of them.

RETIREMENTS ON PENSION

A communication was received from the Superintendent, under date of Apr. 6, 1953, reporting the retirement from active service of the following-named veterans who have been retired under the provisions of Chapter 32 of the General Laws, as amended:

Grover Cleveland Junior High School—Philip D. Doherty, senior building custodian, Mar. 31, 1953, \$3195.53 per annum.

John A. Andrew School—Henry L. Duggan, senior building custodian, Apr. 7, 1953, \$2958.02 per annum.

Placed on file.

Mr. Carr: Madam Chairman, I am very well acquainted with Mr. Duggan, one of our former custodians, and I would like to see a message of congratulations go to him on his completing his term of service in the School Department.

**DEPARTMENT OF SCHOOL
HYGIENE**

A communication was received from the Secretary, under date of Apr. 6, 1953, reporting the transfer of Sidney H. Weiner, M. D., school physician, Department of School Hygiene, to the City of Boston, Health Department, to take effect Apr. 1, 1953.

Placed on file.

**APPOINTMENTS OF ASSISTANTS,
OFFICES OF SUPERINTENDENT-SECRETARY**

A communication was received from the Secretary, under date of Apr. 6, 1953, reporting that the

Director of Civil Service has certified the following-named persons as eligible to fill two positions as assistant, offices of the Superintendent-Secretary:

Mary G. Benson, Alice L. Gould
Placed on file.

The following was offered:

ORDERED, That Mary G. Benson and Alice L. Gould, the two persons certified by the Division of Civil Service, are hereby appointed to the position of assistant, offices of the Superintendent-Secretary, from part-time assistant in those offices, to take effect Apr. 7, 1953.

Mr. Carr: Madam Chairman, I suggest that those appointments be held off until such time as we have the report of the non-academic survey? I believe it is an order of this Committee that there were to be no permanent help hired or no salary increases until we had that survey.

Mrs. Lyons: Will you take a vote on that, Miss Reynolds?

Mr. Muchnick: Madam Chairman, last November or December, I believe, when I tried to make the same point that Mr. Carr is now making, the vote was 4 to 1, I believe, to appoint certain people to positions, and it was pointed out then that there was necessity for it and that at the time I was told that I was all wrong in pressing the point that Mr. Carr now presses.

Mrs. Lyons: Would you call the roll?

Mr. Muchnick: The Secretary has indicated that these people who are now working pretty much full time ought to be working full time.

Mrs. Lyons: Will you call the roll on that, please?

Mr. Carr: Madam Chairman—Mrs. Lyons: The roll is being called.

Mr. Carr: The roll has not started.

Mrs. Lyons: Will you please call the roll?

Mr. Carr: At the time we discussed that —

Mrs. Lyons: Will you call the roll, please?

Mr. Carr: Madam Chairman, when we appointed these other people it was brought out that there was a great service being done the administration. I believe the speaker referred to the appointing of a machine operator. Now he has just previously within the past hour spoken about the great percentage of the budget that is devoted to administrative personnel, and that the secretarial staff is already overloaded. I hope that this Committee will conform to its previous policy of not hiring any permanent personnel until this non-academic survey is completed.

On roll call the order passed by the following vote:

YEAS—Dr. Foley, Mrs. Lyons, and Mr. Muchnick—3.

NAYS—Mr. Carr and Miss Fitzgerald—2.

(See later action this meeting.)

TAX ABATEMENT DECISIONS RENDERED BY THE BOARD OF ASSESSORS FOR THE WEEK ENDING JUNE 4.—Concluded.

Name of Person Assessed	Location of Property	Ward Year	Tax	Amount of Tax Abated	Reason for Abatement
Johnson Securities Co., et al.	Vacant lot, Babcock st., SWs.	21—1952	\$6,366.04	\$668.00	ATB SET

International Harvester Co.	61 North Beacon st.	22—1952	1,002.00	334.00	ATB SET

The following was offered:

ORDERED, That the salary of Mary G. Benson and Alice L. Gould, assistants, offices of the Superintendent-Secretary, is hereby established at the rate of forty-seven dollars and eighteen cents (\$47.18) per week, to take effect Apr. 7, 1953, and to continue until otherwise ordered.

Dr. Foley: Miss Reynolds, what have you with regard to these two young ladies? Do you revert back to those on account of the motion that was just passed? What happened to it?

Secretary: The order passed, 3 to 2.

Dr. Foley: And the Chair has ruled that it has passed?

Mrs. Lyons: The Chair rules that it has passed by majority vote.

Mr. Carr: Madam Chairman, under the rules set up by this Committee, in order to set a salary or salary procedure, it would require a unanimous vote.

In connection therewith, Mr. Muchnick offered the following:

ORDERED, That the rules be suspended, the rule to which Mr. Carr refers particularly, and that the Committee vote again after the vote on suspension of the rules, assuming it prevails, on the question of appointments; and be it further

ORDERED, That the rules be suspended and that the Committee vote on the question of salary.

Mrs. Lyons: Would you call the roll on Mr. Muchnick's motion?

Secretary: Question comes on Mr. Muchnick's motion to suspend the rules. Mr. Carr?

Mr. Carr: Would you read the rule that refers to this situation?

Mr. Muchnick: Madam Chairman, the rule to which I refer has not yet been placed in final form. That was one of the things, frankly, that I complained about. There were several rules suggested and adopted last year.

Mr. Carr: Madam Chairman, can that rule be read, whether it is finally adopted or not? I would like to have it read so I will know what I am voting on.

Mrs. Lyons: The meeting of January 5th.

The Secretary read the following extract from the meeting of the School Committee on Jan. 5, 1953:

"ORDERED, That until such time as the revision of the Rules and Regulations shall have been presented for final approval, they be amendable or waived or suspended by majority vote of the Committee rather than, in some instance, a four-fifths vote."

Mrs. Lyons: May be proceed, Miss Reynolds, on Mr. Muchnick's motion to suspend?

Mr. Carr: On Feb. 4, 1952, the School Committee saw fit to adopt this order: "That the regulations are hereby amended as follows;" and it goes on relative to the compensation of school personnel.

Mrs. Lyons: Mr. Carr, may I say that you are looking at 1952.

Mr. Carr: May I finish my statement, please?

Mrs. Lyons: Back to the organization meeting in 1953, you are now speaking about.

Mr. Carr: It says: "3. No changes shall be made in the compensation of any employee or group of employees without notice and hearing on said proposed change, nor without the proposed change having first been studied and reported on to the School Committee by the Superintendent."

"4. All hearings with reference to change in compensation shall take place during the month of February only."

"5. No provision of this rule shall be waived or suspended other than by unanimous vote of all five members of the School Committee."

On roll call the rules were suspended and the result was a unanimous vote.

It says: "This rule shall not be waived or suspended other than by a unanimous vote of all five," and I don't think there is any place in the rules of 1952 or 1953 where five members ever voted to amend this, suspend it, or waive it.

Mr. Muchnick: Madam Chairman, in 1952 at the first meeting we adopted the usual vote on the question of amending, suspending,

or waiving rules, except that it was changed from four votes to three votes.

In 1953, because of the fact that the amendments and the provisions for which I, for one, have been asking almost all of last year had not been completed and were still in a state of flux, to use the mildest word, and even now are in a state of flux and are being prepared for examination by the School Committee and revision or adoption, as the case may be, the order which Miss Reynolds read was introduced by me at our organization meeting in January and was passed. It says there very specifically that until such time as they have been presented to us in final form for adoption—and I don't believe that there is any question as to what that can be—it should take only three votes to amend, suspend or waive; and that passed, and that currently is the rule under which we are operating.

Mrs. Lyons: That is my understanding of it.

Mr. Carr: Madam Chairman, the only way by which you can possibly change this rule as set up on Feb. 4, 1952, is as specifically set forth here. It says that no provision of this rule shall be waived or suspended other than by unanimous vote of all five members of the School Committee, and there is no way in any record where you have five votes to waive or suspend temporarily or permanently, and I say—

Mrs. Lyons: At our organization meeting this year we set this rule up.

Mr. Carr: You can't set up a rule that way. This one called for a unanimous vote. You haven't any unanimous vote there.

Mrs. Lyons: This one calls for a majority vote.

Mr. Carr: It is illegal. It is out of order as long as this rule is on the books. It will be necessary to change this by a unanimous vote, or all your actions are illegal, and it is brought out that way by the City Auditor when he refused to pay a salary increase voted by three members of this Committee.

Mrs. Lyons: Well, somebody sent him the wrong order. They should have sent him this one.

Mr. Carr: We now have a pay roll rejected by the Auditing Department on account of the vote of a majority of this Committee and not a unanimous vote.

Mrs. Lyons: Would you call the roll on this?

Secretary: This is Mr. Muchnick's motion to suspend the rules requiring a unanimous vote.

Mr. Carr: Madam Chairman, I feel that this motion is strictly out of order and illegal and contrary to the rules of the School Committee. I wouldn't dignify the motion by a vote.

On roll call the order to suspend the rules passed by the following vote:

YEAS—Dr. Foley, Mrs. Lyons, and Mr. Muchnick—3.

NAYS—0.

PRESENT—Miss Fitzgerald—1.

NOT VOTING—Mr. Carr—1.
Dr. Foley: Is that a majority vote?

Mrs. Lyons: Passed by a majority vote.

The following order was then read by the Secretary:

ORDERED, That Mary G. Benson and Alice L. Gould, the two persons certified by the Division of Civil Service, are hereby appointed to the position of assistant, offices of the Superintendent and Secretary, from part-time assistant in those offices, to take effect Apr. 7, 1953.

Miss Fitzgerald: Madam Chairman, when did Civil Service approval come down, Miss Reynolds?

Secretary: I haven't got it here, but it has been down for probably four or six weeks because we have had it extended. It only lasts for two weeks, and we have had it extended every two weeks since.

Mrs. Lyons: Would you call the roll on that, Miss Reynolds?

Mr. Carr: Madam Chairman, this order is contrary to a policy adopted some time ago by this School Committee when they went on record as not wishing to employ any permanent help pending the report of a non-academic survey.

On roll call the order passed by the following vote:

YEAS—Dr. Foley, Mrs. Lyons, and Mr. Muchnick—3.

NAYS—Mr. Carr and Miss Fitzgerald—2.

—
The Secretary then read the following order:

ORDERED, That the salary of Mary G. Benson and Alice L. Gould, assistants, offices of the Superintendent-Secretary, is hereby established at the rate of forty-seven dollars and eighteen cents (\$47.18) per week, to take effect Apr. 7, 1953, and to continue until otherwise ordered.

Mr. Carr: This order is illegal according to the rules of the School Committee, and I know that the City Auditor will uphold us.

On roll call the order passed by the following vote:

YEAS—Dr. Foley, Mrs. Lyons, and Mr. Muchnick—3.

NAYS—0.

PRESENT—Mr. Carr and Miss Fitzgerald—2.

—
Mr. Muchnick offered the following:

ORDERED, That the rule to which Mr. Carr has made reference be suspended and that the salary of Irene M. O'Shea, attached to the Department of School Lunches, be established at the rate of seventy-nine dollars and eighteen cents (\$79.18) per week for the reason previously given at a prior conference and meeting.

Mrs. Lyons: Would you call the roll on that, Miss Reynolds?

Mr. Carr: Madam Secretary, how many votes does this take?

Mrs. Lyons: A majority vote, Mr. Carr.

Mr. Muchnick: Under suspension.

Mr. Carr: Madam Secretary, isn't it true that her raise has been down before the City Auditor for some time?

Secretary: I really don't know officially. I know it has been approved by Civil Service.

Mr. Carr: They held it up because of this rule here that requires a unanimous vote. I think the order as presented is contrary to the rules.

Mrs. Lyons: Would you call the roll?

Mr. Muchnick: Madam Chairman, I would like to have the order split into two parts, one on suspending the rule and a second one that refers to the increase.

Mrs. Lyons: Would you repeat that, Mr. Muchnick, so that Miss Reynolds will know it?

Mr. Muchnick: The order should be split in two parts, one suspending the rule. I don't know the number of it, but it is the one concerning unanimous votes.

Secretary: Question comes on Mr. Muchnick's motion to suspend the rules in regard to Miss O'Shea's salary.

Mr. Carr: Under the rules it says that this cannot be suspended or waived without a unanimous vote of this Committee.

On roll call the order to suspend the rules passed by the following vote:

YEAS—Dr. Foley, Mrs. Lyons, and Mr. Muchnick—3.

NAYS—Mr. Carr and Miss Fitzgerald—2.

Mr. Muchnick: Madam Chairman, in accordance with the suspension of that rule, I offer the following:

ORDERED, That, effective Apr. 6, 1953, the salary of Irene M. O'Shea, attached to the Department of School Lunches, be established at the rate of seventy-nine dollars and eighteen cents (\$79.18) per week, for the reasons stated previously at a conference or conferences and a meeting or meetings of the School Committee within the last three or four months.

Mr. Carr: Madam Chairman, I say that this order is improperly before us. I think it is strictly out of order, as there is nothing we can do about it.

It says in the minutes of Feb. 4, 1952: "5—No provision of this rule shall be waived or suspended other than by unanimous vote of all five members of the School Committee."

On roll call the order passed by the following vote:

YEAS—Dr. Foley, Mrs. Lyons, and Mr. Muchnick—3.

NAYS—0.

PRESENT—Mr. Carr and Miss Fitzgerald—2.

Mr. Muchnick: I would like to add, Madam Chairman, that it has been called to my attention

by some fairly good lawyers that the chances that a rule calling for a vote pro or con of all members of the School Committee, or a constitutional unanimity, would probably be held to be illegal, and the provision concerning amendment would also fall into that category, if the opinion of those particular lawyers is correct.

I myself don't go along with it as a matter of law, but I think it ought to be noted.

PAYMENT FOR OVERTIME

The following was offered:

ORDERED, That there be allowed and paid to Alice L. Gould, part-time assistant in the offices of the Superintendent-Secretary, the sum of forty-six dollars and thirty-five cents (\$46.35) at the rate of one dollar and eighty cents (\$1.80) per hour overtime services rendered in connection with preparation of material for the School Committee press conferences on Jan. 19 and Feb. 17, 1953.

Miss Fitzgerald: Madam Chairman, before we vote on this, could I ask who authorized the preparation of this material by Miss Gould—by whose direction was it authorized?

Mrs. Lyons: I mentioned to the School Committee that I thought we should have someone who was capable of collecting material for press conferences, and at that time there was no dissent whatsoever, and Miss Gould, who is a very capable girl along those lines, said she would be willing to do it, she did it, and she should be paid for it.

Miss Fitzgerald: Madam Chairman, do we not have a full-time press relations director on the School Department payroll who could have prepared such material?

Mrs. Lyons: Yes, we have one, but he is busy directly with the schools rather than with the School Committee.

Miss Fitzgerald: He happens to be present now. May I ask him if he would not be willing to handle such School Committee press conferences in the future, in addition to his other work.

Mr. Muchnick: Madam Chairman, I don't think the question is at all whether Mr. Sullivan would or would not be willing. It seems to me that it is clearly within the province of the School Department or School Committee or any people connected with it, provided there has been authorization, and in this case I understand there has been, to select that person who, for one reason or another, in the honest, conscientious opinion of the selector, is the proper one to do it; and whether the person to whom Miss Fitzgerald has reference is or is not willing to do it is completely beside the point.

If it is an employee in the course of his or her employment, then he does it or she does it,

whether he or she wants to do it or not; and if there are two or more people who can do it, then it is clearly within the purview of the one who is making the request or giving the instruction to select which one will be asked.

Mr. Carr: Madam Chairman, within the last two hours we have heard the previous speaker talk on his great concern about the money that is devoted to the administration and not to the classroom. Now here is another case of money going to the administration. On the overtime we have this secretary for the preparation of articles and typing copies. We have the preparation of additional articles for release purposes. Then we have a press conference and School Committee conference and meetings.

I don't know where it is going to stop, Madam Chairman. We have a publicity man with a fairly good salary. We have a School Committee Secretary, we have an Assistant Secretary, and we have the fellow with the stenotype. It seems that we have all the help we need, and still we have to have this secretary here taking down these minutes. I don't know what she does with these minutes or where they go to.

Mrs. Lyons: Would you call the roll, please?

Secretary: Mr. Carr.

Mr. Carr: Madam Chairman, I would like to amend the order so that it will also contain overtime for my secretary.

Mrs. Lyons: We only have one motion before us. One motion at a time, please.

Mr. Carr: I have the floor, Madam Chairman, now that my name has been called by the Secretary. I would like to amend that motion to include overtime for a secretary who, in January, worked 28½ hours; February 30¼ hours; March 42¾ hours. This is overtime. April, 12 hours; May 17½; June, 19; July, 31¼; for a total up to December of 1952 of 249¼ hours.

In 1953, 49½ hours, and this is based on a 40 hour week.

The total is \$888.41 for Katharine Murray.

For Alice M. Duffy—I do not yield, Madam Chairman. For Alice M. Duffy: January 16¼ hours; February, 2 hours; March of 1953, 3½ hours; April, 5½ hours.

Mr. Muchnick: Madam Chairman, a point of information. It is elementary that for 1952, there not having been money appropriated for that purpose, no payment could be made even if it were justified, for other reasons.

Mr. Carr: Madam Chairman, I suggest that the point of order is not well taken. I am now speaking about 1953.

Alice M. Duffy: May, 6½ hours; June, 12½ hours; July, 2½ hours; September, 22 hours; October, 7½ hours; November, 4½ hours, for a total of \$374.96.

This overtime during this period does not include two hours which she has taken, leaving a total time due her of 124¾ hours.

I suggest that if we are going to pay any overtime, we pay all those who worked overtime, Madam Chairman.

Mr. Muchnick: Madam Chairman, as much as names have been mentioned, I happen to know Katharine Murray. I happen to like Katharine Murray; and if it is proper I would just as soon see Katharine Murray get paid for various things that have been done.

However, the 1952 item is out. Am I right, Mr. Smith—no appropriation having been made for that specific item?

Business Manager: I think that is true.

Mr. Carr: Haven't you an unexpended balance?

Business Manager: Yes.

Mr. Carr: Could we transfer money for the payment of that overtime?

Business Manager: I don't think at this time, Mr. Carr.

Mr. Muchnick: Madam Chairman, Mr. Carr objected to being interrupted.

Mr. Carr: But it did not seem to have any effect.

Mr. Muchnick: With reference to 1953, Madam Chairman, I cannot understand how Miss Murray suddenly gets involved in all this overtime work, for a member of the School Committee as his secretary, when just this morning Mr. Carr stated that he was perfectly happy to have her assigned in general to Miss Reynolds, to be under her jurisdiction.

Mr. Carr: Madam Chairman, I beg to correct the speaker. I never made that statement.

Mr. Muchnick: If Miss Murray is so tied up with Mr. Carr's work that she not only puts in a full forty hours for him—and I am talking now since the first of January of 1953, but also has to put in so much overtime on his work, that I, for one, cannot understand why he objected to having her charged against him directly in the budget. I assume that there is going to be the answer concerning the work done for the Religious Education Committee.

The major and practically only piece of work done for that committee is getting out the report at the end of the school year, and that has not happened yet, so I don't know what she has done other than for Mr. Carr, including this overtime; and therefore I am greatly puzzled to find out why there is any objection to listing her in the proper place in the budget as being, at least, from January until now, assigned as his secretary not only full-time but also overtime. It is very perplexing.

Mrs. Lyons: Yes, indeed it is.

Mr. Carr: Madam Chairman, I am also puzzled at the lack of knowledge demonstrated by the

previous speaker inasmuch as he is a member of that Committee on Released Time for Religious Education, and he can pass over so lightly the work of that secretary.

Mr. Muchnick: There has been one letter sent to me, Madam Chairman, calling a meeting March 12th. That is the only thing that has happened this year to my knowledge as a member of that committee.

Mr. Carr: I think the member ought to inquire into the program and find that there is a lot more to it.

Mr. Muchnick: Madam Chairman, I am a member of the Committee and I think I would know something about it if it were taking place.

Mrs. Lyons: I think that there has been sufficient debate on this. Would you call the roll on this?

On roll call that order relating to payment of overtime to Alice L. Gould passed by the following vote:

YEAS—Dr. Foley, Mrs. Lyons and Mr. Muchnick—3.

NAYS—Mr. Carr and Miss Fitzgerald—2.

Mr. Muchnick: I would like to have it pointed out that that is not, as I see it, in the nature of overtime. It is work done in a different capacity than the regular part-time secretary over and above the part-time hours that this lady was supposed to have worked.

Mr. Carr: Well, Madam Chairman, I suggest—

Mrs. Lyons: The roll is being called, Mr. Carr.

Miss Fitzgerald offered the following:

ORDERED, That, in the future when the School Committee holds press conferences, the Head of the Division of Statistics and Publicity be assigned as the press relations officer for such press conferences as the School Committee may choose to hold, thus obviating the necessity for overtime salary in the future.

Mr. Muchnick: Oh, Madam Chairman, if any person who is working for us on a full-time basis like Miss Gould or Mrs. Benson, is now called in, in addition to or in substitution of anybody directly connected with our publicity department, I for one object to extra compensation.

This was based, as I understand it, and as I voted for it, on the fact that this lady was a part-time worker who was to give just X number of hours or minutes, and was not a full-time worker.

If this secretary or clerk or stenographer, or whatever her title is, is called in to take records within her 40-hour week, she is not entitled to any compensation beyond that.

Mrs. Lyons: That's right. I think you are perfectly right on that, Mr. Muchnick.

Miss Fitzgerald: Madam Chairman, the intent of my motion is to designate our present pub-

licity director as the person who will take care of press releases and other materials which need to be presented at the press conference.

Mrs. Lyons: Miss Fitzgerald, I would like to amend that and ask that Miss Gould continue in this position.

Mr. Carr: Madam Chairman, if she is going to be full-time as a secretary in the School Department, I don't see how she can take the time to be present at these press conferences.

Mrs. Lyons: That will be a part of her duties.

Mr. Muchnick: Madam Chairman, I would like to point one thing out. The present Head of the Division of Statistics and Publicity, unless I am greatly mistaken, is not much good with the typewriter, and I believe that, when there is a release coming from him, he uses the services of a secretary in his department or in other departments.

If the purpose of this motion is that the School Committee, when it has a press release, will dictate it to the present Head of Division, and that he in turn will dictate it to a stenographer, to me it is a waste of manpower.

Miss Fitzgerald: Madam Chairman, the intent of my motion was just exactly what I stated—that we use the services of our present Publicity Department and no other services, in the preparation of materials for future press conferences held by the School Department.

I think that is very clear, and the intent of that motion is very clear.

Mrs. Lyons: Well, the intent of my amendment is very clear, too, Miss Fitzgerald. As far as Mr. Sullivan is concerned, I think he does an excellent job.

Miss Fitzgerald: If he does an excellent job, Madam Chairman, then he should continue to do it for us.

Mrs. Lyons: He has a very full program in taking care of all School activities, the publicity attendant upon school activities, and the Superintendent's work. This young lady was assigned to do the work for the School Committee.

Dr. Foley: Madam Chairman, I honestly believe we are infringing upon the Secretary of the School Committee with regard to assigning as she sees fit any young lady or any young man to stenographic work. I think that belongs in the activities of the Secretary of the School Committee.

Mrs. Lyons: I am inclined to agree with you, Dr. Foley.

Mr. Carr: Madam Secretary, does this young lady have any outside occupation that you know of?

Secretary: Not that I know of.

Mr. Carr: Well, I believe she works for a chain of newspapers, Madam Chairman, and I believe in covering our school confer-

ences, whether we paid her or not, she would be there. I think it is incumbent upon us to pay all newspaper correspondents who cover the School Committee,—pay for their supper and possibly give them an hourly rate—if we set this precedent.

Mr. Muchnick: If there is no further business, Madam Chairman—

Secretary: What happens on Miss Fitzgerald's motion?

Mrs. Lyons: Would you call the roll on it, please?

Dr. Foley: What is it?

Secretary: Miss Fitzgerald's motion that the Head of Division of Statistics and Publicity be assigned to do the work for the press conferences in the future.

On roll call the order failed of passage by the following vote:

YEAS—Mr. Carr and Miss Fitzgerald—2.

NAYS—Dr. Foley, Mrs. Lyons, and Mr. Muchnick—3.

Dr. Foley: I voted no because I believe it belongs to the office of the Secretary of the School Committee.

Mrs. Lyons: For exactly the same reason that Dr. Foley mentioned, I vot No.

Secretary: The order failed of passage.

WORKMEN'S COMPENSATION

The following was offered:
ORDERED, That effective as of Nov. 1, 1952, no deductions shall be made from the salary of any person in the employ of the School Committee who is not subject to Section 337 and who may be granted leave of absence for not exceeding five working days for physical incapacity of less than seven calendar days' duration caused by accident arising out of and in the course of such employment.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—4.

NAYS—0.
ABSENT—Miss Fitzgerald—1.

ATTENDANCE AT CONVENTION

The following was offered:
ORDERED, That Casimir F. Shea, Director of Fine Arts, is hereby authorized to attend the National Art Education Association Conference, to be held in St. Louis, Missouri, Apr. 5 to 11, 1953, inclusive, at an expense to the city not to exceed two hundred twenty-five dollars (\$225).

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—4.

NAYS—0.
ABSENT—Miss Fitzgerald.

APPROPRIATIONS AND EXPENDITURES TO MAR. 1, 1953.

A communication was received from the Business Manager, un-

der date of Apr. 6, 1953, submitting, pending the adoption of the maintenance budget, a statement showing the expenditures for the maintenance of the Public Schools for the current month, the expenditures for the first two drafts of the current fiscal year, the expenditures for the first two drafts of the fiscal year 1952 and the increases and decreases in the several items.

Placed on file.

Chairman: The next meeting will be held at the call of the Chair.

CONFERENCE NOTES

The following are the Conference Notes which were ordered printed in full in the record of the open meeting:

LUCRETIA CROCKER SCHOOL

Mrs. Lyons: The first item is a memorandum from the La Centra Company. They are working over in the new housing project in Jamaica Plain—there where they are tearing down some of the old buildings surrounding the Lucretia Crocker School. They have asked if they might have the use of that building to store some of their materials.

They were willing to pay \$200 for the use of the facilities during the construction period, and we asked Mr. Mooney if he felt that it was wise to allow them to do this, and the answer he gave was that he felt it would be better to have this unused building occupied during the construction of the Bromley housing project as the building would be subject to less damage by vandals. The building has been boarded up five different times already, and the boards have been torn away, so he feels that if it was occupied and someone was watching it, the watchman who is employed by the La Centra Company, there would be less damage than there is now.

The question now is whether or not we can accept the \$200, and we are referring that to the Law Department, and as soon as Miss Reynolds knows the answer she will let us know.

However, are there any objections to having this company occupy that building during the construction of the project?

Mr. Muchnick: Do I understand that they promise to do less damage than the vandals do?

Miss Fitzgerald: Do they keep a night watchman or something?

Mrs. Lyons: It does not say.

Secretary: I would assume that they would. If they have plumbing supplies there, they would.

Mrs. Lyons: I imagine they would because they said that was where they would store their plumbing and electrical equipment during the construction of the project.

We will ask the Law Department if we can take this money, and if we can't we will allow them to use it anyway.

Mrs. Lyons: We will now go into public conference. The members will take up for consideration the Budget for 1953. I don't know whether anybody has a copy of the statement that we are going to make today.

Are there any comments on that? Does anyone want to comment?

Miss Fitzgerald: On Page 2, the inclusion of \$3,000 to provide for annual increments, will that take care of group to group increases?

Business Manager: Not group to group, Miss Fitzgerald. It will take care of those within groups—recommendations that the Salary Board made at the end of December, part of which was accepted up to \$59.18, and the rest was put over at that time.

Miss Fitzgerald: In other words, that would take care of the increments?

Business Manager: Yes, within the groups.

Miss Fitzgerald: What additional sum would be necessary to take care of group to group increases. Are those automatic?

Business Manager: We have not considered any group to group increases because we were of the impression that there was going to be a survey and that the survey would rate every civil service job and set an amount that they thought the job was worth, so that there is no money in for so-called group to group increases and there is no money in for the recommendations—I don't think there were any recommendations made—that might be made by the non-academic survey group.

Dr. Foley: Mr. Smith, will this amount here take care of that which was frozen by the Committee?

Business Manager: It will to this extent—that those who were recommended within groups for the annual \$2 increase will be taken care of.

Mrs. Lyons: That was the intent. I think someone in the administration said it would take about \$3,000.

Business Manager: We had taken off \$2,900, and we had added \$600 to take care of salary increases voted by the Committee, so that instead of \$3,000, Madam Chairman, we would have to put back \$3572.60.

Mrs. Lyons: Shall we change that to \$3572.60, then?

Business Manager: I would rather keep it to the exact figure because in our recapitulation here we have used the exact figure, so I would rather have you call it \$3572.60.

Miss Fitzgerald: Madam Chairman, it mentions here on Page 3: "Full time clerks assigned to members of the School Committee to be charged to those members having a full time secretary." It is on Page 2, but it refers to the item on Page 3 of the budget.

I just wish to state that there is an inaccuracy to call a person

assigned to me a full time secretary. I think she does other work, and I have explained to her on many occasions that her services are at the disposal of Miss Reynolds, so I wouldn't call her a full time assistant.

Mrs. Lyons: Well, she is not under Miss Reynolds' jurisdiction. Am I right in that, Miss Reynolds?

Miss Fitzgerald: She is assigned to me, but she has been instructed by me—

Mrs. Lyons: Do they do anything for you? Do you assign any work to them, Miss Reynolds? That answers the question.

Secretary: Madam Chairman and Miss Fitzgerald, she has done something for me but not too much lately. Since Miss Fitzgerald spoke about it, I have asked her to do some more, and she has done it willingly.

Mrs. Lyons: Unless they are assigned to Miss Reynolds, they are definitely not to be charged to anybody else but the people who are using them. Miss Reynolds can't use them.

Mr. Carr: Madam Chairman my secretary not only does work for me, but she is also assigned to Dr. Gillis for the released time program for Religious Education. I would not call that a full time position for me or a full time position for Dr. Gillis. She works for both of us.

Mrs. Lyons: Do you know how much time she devotes to Dr. Gillis' work?

Mr. Carr: She handles the whole program, Madam Chairman.

Mr. Muchnick: She may handle all the secretarial work in the program. That I don't know. However, I don't believe she handles the entire program. As a matter of fact, as I understand it, having been a member of that committee for a little over a year, it practically runs itself, and a couple of times a year there are notices of meetings sent out, and I think once a year there is a letter sent out telling how many children of the various religious denominations take advantage of the released time program, and that is about all, as I remember it.

If Dr. Gillis is available, he might be able to verify that.

Mr. Carr: I am surprised that the member says that. Is all. There is an annual report that, it seemed to me, my secretary spent at least two weeks getting ready and assembling, and it consisted of at least 18 pages, and it was mimeographed, and I believe she did the entire thing.

Mr. Muchnick: That was the piece of work to which I referred.

Mr. Carr: Well, you referred to it, but, Mr. Muchnick, as a letter.

Mr. Muchnick: No, I did not. I referred to it as a report.

Mr. Carr: As a letter that goes out once a year.

Mr. Muchnick: I think the record would indicate it.

Mrs. Lyons: I think it is a matter of knowing where to charge these people.

Mr. Carr: Charge them to the School Committee as they have always been charged.

Mrs. Lyons: I don't use a full time secretary. Dr. Foley doesn't, nor does Mr. Muchnick. So that I think that if you don't want this to appear, the secretaries should all be placed under Miss Reynolds and she should have the privilege of distributing work to them when she needs someone to help her.

Miss Fitzgerald: Madam Chairman, the Secretary has already indicated that she feels free to distribute work to my secretary anytime she chooses.

Mrs. Lyons: Then it is satisfactory to have her put under Miss Reynolds?

Miss Fitzgerald: I would like to have Miss Manning responsible to me.

Mr. Carr: Assigned to the School Committee like it has always been.

Mrs. Lyons: No, I won't agree to that, Mr. Carr. I think that there is not sufficient work for any girl to use up all day long five days a week for any member of the School Committee; and, speaking as Chairman, I probably have more this year, and any Chairman will have more work, than any other member of the Committee because there are more things referred to the Chairman, and there is not a sufficient amount of work to keep any one person busy all day long.

Is it \$4100 a year they get—something like that?

Secretary: \$79.18 a week.

Mrs. Lyons: To keep a girl down in an office all day long without sufficient work I think, is a waste of money.

Mr. Carr: Madam Chairman, it is surprising to me how you happen to know there isn't sufficient work. You don't know what work she does for me. You don't know how much work I have. My time is taken up mostly by answering complaints of the actions of some of the members of this School Board, and she is occupied in a full time manner down there.

Mr. Muchnick: Madam Chairman, frankly, as one member of the School Committee who does not have the use of either of these—

Miss Fitzgerald: Madam Chairman, if I may interrupt at this point, may I say that is my choice, Mr. Muchnick.

Mrs. Lyons: You are out of order, Miss Fitzgerald.

Mr. Muchnick: As one member of this School Committee who does not have the use of either of these two ladies, I for one don't want any portion of their activities or services attributable in any budget statement or appropriation record to doing work for me because they don't do any work for me; and if I had a secretary here, I would be

very happy to have her charged to me personally.

Miss Fitzgerald: Madam Chairman, may I state that it might be possible to charge the part-time services of the two individuals who do part-time work for the two other members who are not mentioned in this motion?

Mr. Muchnick: Madam Chairman, may I ask one question of Mr. Smith? Of the two presently under discussion, how much time is charged to Miss Reynolds and how much is charged to other purposes in your accounting system?

Business Manager: At the end of the year we would ask Miss Reynolds for a proportion. I can't remember what proportion Miss Reynolds sent up to us to use in the Business Manager's report.

Secretary: I have an idea that I probably put full time last year for the School Committee for those two girls. I did get some help from Miss Manning while she was up on this floor but she went back to the third floor and I did not ask her any longer because she just left.

Mr. Muchnick: Madam Chairman, it seems to me that that should resolve the difficulty.

Mr. Carr: Madam Chairman, if it comes down to where we are to list in here the individual expenses and attribute them to each individual member of the Committee on what expenses they incur, it looks here as if I am liable for \$79.18 expense to the School Committee. I move that we incorporate in this report and get a list of all the individual expenses that have been incurred by each member of this Committee and put it in this report and list their names aside of it.

Mrs. Lyons: Mr. Carr, I don't think that would be possible to put in this. This is the budget of 1953, and we are figuring the amount that is going to be spent in 1953.

If you want to list any expenses, I don't know what the expenses are, but you can name them if you wish, but they have not come out of this budget. Therefore, they could not be included in this budget.

Mr. Carr: Well, it seems funny to me. This is the first time these have been listed in the budget in an individual manner. These secretaries have been here for years, and this is the first time it has been seen necessary to single them out and list them.

Mrs. Lyons: Mr. Carr, the reason for that was that we felt, where we were curtailing the number of employees who would be listed for this department and if we could get the maximum amount of work done with the people whom we have, we might just as well do that rather than have somebody just sit in an office and wait for one person to give them whatever work they may have for them when they are finished and they might well help with the rest of the work in the whole department.

Miss Fitzgerald: Madam Chairman, I don't know how many times it is necessary for me to state that she does not just sit there. She has been informed that she is to do what work there is necessary to be done for the School Committee.

Mrs. Lyons: I think, Miss Reynolds, you just said you haven't asked her to do anything.

Secretary: I have lately since this matter came up about a month or so ago. Miss Manning has helped me.

Mrs. Lyons: I cannot see any objection, then.

Miss Fitzgerald: I was under the impression, Madam Chairman, that she helped Miss Reynolds all the time.

Secretary: All the time?

Miss Fitzgerald: If I had been under any other impression, I would have said so earlier. Whether she was upstairs or downstairs.

Secretary: When she was upstairs she did, but she didn't stay here. Early in February, after you came in, Mrs. Lyons put in an order that the secretaries of the School Committee were not subject to me, and the next day she just went back downstairs. Then I never asked her to do anything more.

Miss Fitzgerald: I think that Miss Reynolds has just pointed out, Madam Chairman, it was your own motion that made the secretaries not subject to the School Committee.

Mrs. Lyons: That is right. I was new to the Committee, and evidently there had been a precedent before I came on. I found as I went along that there was really no need for spending that amount of money or keeping one girl, and that there was not sufficient work to keep one busy.

Therefore, I felt it was very unfair to use that amount of money when they might just as well be doing something for Miss Reynolds. This is why this year I determined that I would correct that as far as I was concerned.

Are there any other questions?

Mr. Carr: I would like to move, Madam Chairman, that the names be stricken out and that the expenses of the two assistants be attributed to the School Committee.

Mrs. Lyons: We will take a vote on that.

Miss Fitzgerald: Since Dr. Foley was out of the room at that time, Madam Chairman, would you have Miss Reynolds read that motion before it is voted on?

Mr. Carr: Madam Secretary, I would like to point out that I have made this motion to correct an inaccuracy that appears on Page 2, where it says, "Those members having fulltime secretaries." I don't believe there are any members of this Committee with a full time secretary.

I vote Yes.

Mrs. Lyons: Assigned to them, yes.

Dr. Foley: In other words, Madam Chairman, you are going to have to expunge that reference to Mr. Carr and Miss Fitzgerald?

Mrs. Lyons: That was Mr. Carr's motion.

Dr. Foley: Yes.

Miss Fitzgerald: Yes.

Mr. Muchnick: No.

Mrs. Lyons: No.

Mr. Muchnick: Madam Chairman, I move that the two positions in question and the people who fill them be assigned by Miss Reynolds or the Superintendent to such regular clerical work as in their opinion is necessary.

Mrs. Lyons: Will you call the roll on that, Miss Reynolds?

Mr. Carr: No.

Miss Fitzgerald: No.

Dr. Foley: Yes.

Mr. Muchnick: Yes.

Chairman: Yes.

Miss Fitzgerald: Madam Chairman, on making provision for the cost of an IBM machine for use by the Department of Investigation and Measurement, does Mr. Smith have a figure on that?

Business Manager: Miss O'Brien and I have been talking with Mr. Murphy of the IBM, and he says that from as much as he knows of the situation from the director, we could rent a machine but we would have to rent it on a yearly basis, which would be somewhere in the vicinity of \$6,000 or \$7,000.

He believes, although he has not sufficient information at his hand, that the work of correcting these tests could be sent to the IBM office, and we could use those machines owned by the IBM at a less cost than would be involved in renting one and having it delivered to our own office, which would entail also, of course, either the training of a girl over there to operate it or hiring somebody else to operate it.

I would suggest that a figure of about \$5,000 be placed in the budget for the correction of these tests and wait for further developments between the director and the IBM representative on the proper way of doing it.

Then we would have something in the budget for the correction of these tests.

Dr. Foley: In other words, Mr. Smith, you can't buy one?

Business Manager: You can't buy one anyway. You would have to rent it, and then you would have to have an operator on it. I think the cheaper way to do it would be if we could make the arrangements which Mr. Murphy thinks we can after he knows more about it to send it to IBM to use their own machines for correcting tests. I am suggesting \$5,000 be put in the budget for that purpose.

Mr. Carr: Mr. Smith, do you feel that these machines will do the work?

Business Manager: From as much as I know about it and as much as Mr. Murphy of IBM

knows of the situation, he thinks it will, Mr. Carr, but he wants more information from the Director.

Mr. Carr: That is the work that was formerly done by the temporary clerks?

Business Manager: That is as I understand it—by the temporary clerks over there.

Dr. Foley: Does that mean expansion of your department?

Business Manager: No, No. You took out the money for the temporary clerks so that there is no money in the budget now for the correction of these tests. I am suggesting \$5,000 be put in to accomplish this. That is the nearest estimate we have.

Mrs. Lyons: As I understand it, these will be sent to the IBM, and they will correct them and send them to us.

Business Manager: That's right.

Mr. Muchnick: Madam Chairman, I think it is fair to say that there is less possibility of error when they are done on the IBM machines than there is when done the way it has been done.

Miss Fitzgerald: Madam Chairman, since this is an educational matter as well as a business matter, I would like to know whether the Superintendent would have any comment to make with respect to substituting a machine for the way the papers have been corrected in the past.

Superintendent: I would answer this way, Miss Fitzgerald. As I understand it, and from the letters, too, that Miss Reynolds has received from Miss Cummings, right at the moment the whole problem is problematical.

Mr. Murphy of IBM, according to Mr. Smith, is not sure just what can be done. He has a feeling that IBM will make every effort to accomplish this particular task, but as for assurance of it I don't think anyone right at the moment can guarantee the plan.

Is that a fair statement, Mr. Smith?

Business Manager: Yes, I think that is a fair statement, Mr. Superintendent.

Mr. Muchnick: Madam Chairman, I understand that this type of work has been done on IBM machines or on machines made by companies similar to IBM in various cities throughout the country, many of them in and around Boston such as Brookline, Quincy, Newton, and other such places.

My guess is that if it were done by IBM people or other people qualified to do it, we would not have the situation that occurred. I think it was, a year ago when I think sixteen school districts did not get the results, if my information is correct, because the custodian either burned or destroyed or threw out the results of the examination; and if it were a city-wide test with so many districts out, obviously the whole test and the results were of very little value.

So I think that we would make every effort to have it done outside.

Mrs. Lyons: I have talked with some superintendents outside and asked them if they have had it done, and they said yes and that it was satisfactory. I imagine that if it is in other systems, we can be assured it will be in this system.

Miss Fitzgerald: Mr. Superintendent, is this a tabulation machine? It is not evaluation or analysis, is it?

Superintendent: The actual correction of the tests is done out in the schools; and the tabulation, as you have said, is done by these persons who give temporary service beginning in the fall.

Miss Fitzgerald: This machine will eliminate all the temporary service, supposedly?

Superintendent: Yes. If a machine can be made, or if the tabulations can be made on the present IBM machines, then of course this perhaps might save us some money, but right at the moment I don't think that anyone can guarantee that this can be done this way.

Do you think that is a fair statement, Mr. Smith?

Business Manager: I agree with you. Nobody can guarantee it.

Superintendent: In other words, Madam Chairman and members, we are dealing with a problematical case, as I see it; and I certainly would not want to have the value of these tests lost by not being able to accomplish the proper tabulation of these tests when it comes fall, or December of 1953.

Mr. Muchnick: Mr. Superintendent, in your talks with other superintendents having similar tests, have you come across any systems that have this kind of tabulation by IBM or other companies?

Superintendent: Mr. Muchnick, I can't say that I have discussed this problem of Measurement with the other superintendents.

Mr. Muchnick: Do you know of any other systems that have done it otherwise?

Superintendent: I haven't discussed it, Mr. Muchnick, with any other superintendents.

Miss Fitzgerald: What were the systems that you mentioned, Madam Chairman, as having done the same thing with their tests by machine?

Mrs. Lyons: They do it in Brookline and Newton.

Secretary: And Quincy.

Mrs. Lyons: Quincy has it, too.

Miss Fitzgerald: All of them about one-fourth as large as Boston?

Mrs. Lyons: Which would make it all the more necessary to have it in Boston if it is four times as large and have it done by machine to assure the teachers and the pupils and their parents of having results before the school year is over.

As I understand it, up to this past year the tests were taken the first day of school, and in many instances—I guess in most instances—the results came back

in April. By that time a teacher felt that she was about through with that class and was preparing for a vacation and for the next class coming in.

I couldn't see the value of it, particularly. I think something that would take care of it and take care of it quickly and have results back quickly was certainly a far more preferable way of doing it.

Mr. Carr: Mr. Smith, is there any provision in this budget, if, after we get this machine—or when they get through the experimental stage, which shows that it won't do the work successfully—what alternative have we?

Business Manager: Well, the only alternative you have then is the possible transfer, if funds are available later on in the year.

Mr. Carr: Have you funds in there that will take care of it?

Business Manager: It all depends on how this budget ends up. There are some drastic cuts suggested here. It depends on what the Committee does this morning—how I would answer that question.

Mr. Carr: How many of these items in here would you say would put that program in jeopardy if we adopted this?

Business Manager: Well, Madam Chairman, if I might look at the overall picture for a minute, the figure we sent to the Mayor on February 2nd, the preliminary figure, for general school purposes was \$25,183,000.

With the changes made in the budget at the various budget meetings, the next figure added roughly \$45,000 to that figure.

If the various recommendations of the survey committee for the teachers, Mr. Ruddy's committee, were accepted—and of course the School Committee is not going to decide that today—to provide for them budgetwise we have to add another \$77,000 onto that figure.

Miss Fitzgerald: May I interrupt you, Mr. Smith? Have you had a chance to evaluate just the recommendations of the non-academic survey—what the cost of that would be?

Business Manager: As I understand it, there were no recommendations made by the non-academic committee so that there is no money in the budget.

Miss Fitzgerald: There was a series of individual requests and a general request for an increase.

Business Manager: That was passed along to the School Committee without recommendation, as I understand it.

Dr. Foley: That is correct.

Business Manager: So that there is no provision made for those increases in the budget nor for possible increases recommended by an outside group like Jacobs or whoever might put it into effect.

So my answer to that is: No, there is no money in for that.

Mrs. Lyons: Miss Reynolds, has anything been done about asking Jacobs to submit a bid?

Business Manager: Mr. Jacobs was in town on Thursday and came in and saw Miss Reynolds and myself and went over the proposed specifications and had no comment to make except that as far as he could see the specifications were fair and in order.

Now, Miss Reynolds, there is a copy of those specifications in the hands of each member of the School Committee.

Mrs. Lyons: There is.

Business Manager: But there has been no action taken on it, of course.

Mrs. Lyons: I have gone through it rather well. I don't know whether any of the other members have. However, I would like to see some action taken on it and have it advertised for bids so that we could get going on it.

We have talked about a survey, but I think certainly if we are going to use it and have any value out of it, then we should do something about having bids come in and come in very shortly.

Business Manager: How many different concerns, Miss Reynolds, have signified an interest?

Secretary: I would say possibly four. I think, Mr. Muchnick, you had one down in your office.

Mr. Muchnick: There is Grifenhagen, Jacobs, and some group that did the New York school survey.

Mr. Burke: Yaffna.

Mr. Muchnick: Those are the only ones I know of, Miss Reynolds.

Business Manager: I don't know what the City did, but it is possible to confine ourselves and just invite those people who have signified their intentions to bid. This thing has been publicized, of course, for some months now, and it is up to the School Committee whether or not they would want to confine it to those who have made a request to be considered.

As I say, I don't know for certain how the City did it. I don't know whether they advertised or whether they just invited people to bid.

Mr. Muchnick: Madam Chairman, may I suggest that Mr. Smith or Miss Reynolds find out how it was done in the City, and we can have the information for the next meeting so that we can vote one way or the other?

Dr. Foley: Fine.

Mrs. Lyons: That will indicate the different people who are interested and have shown some interest in it, and whether or not we will confine ourselves to inviting those people to bid.

Mr. Muchnick: Right. See what the City did, and may I also make the observation—

Dr. Foley: Mr. Muchnick, the Jacobs Company came in on the City, did they not?

Mr. Muchnick: Yes, but I don't know if they were the only ones who were consulted by the City or whether the other groups like the New York group and Grifenhagen bid.

Dr. Foley: I know Jacobs conducted it.

Mr. Muchnick: Yes, Jacobs actually did it.

Madam Chairman, the question came up concerning the report by the teaching group salary committee. I would like to point out that although that report is in, we adopted a rule last year that there be no increases given to anybody until such time as there has also been a report on the specific problem by the Superintendent. I would like to suggest that these different surveys or requests or whatever they may be called that have taken place to date, the academic and the non-academic, be submitted at once to the Superintendent for his analysis and report on each petition.

Mrs. Lyons: I think that was true, Mr. Muchnick. The thing that concerned most of the members of the School Committee was the fact that there were inequities that have been built up over the years, and we felt this year if we could, through this survey of the teaching personnel, reach some of those people who have felt that they have been left behind, and if we can iron out a few of those inequities and go along with the single salary schedule, we will feel that we are doing very, very well.

However, I do think, as I read through their survey as it was handed to me, I felt they did a magnificent job, and it would well serve as a basis for pay schedules from now on.

Mr. Muchnick: I don't disagree with that, Madam Chairman, but before we can take any action on it, it seems to me that each one of the petitions and the results should be evaluated for us by the Superintendent in accordance with the votes taken last year. I would like to have that evaluation as soon as possible on both the one done by the academic group that heard petitions and also the non-academic group, of which we have received copies within the last week or so.

Business Manager: Our problem today, Madam Chairman, is this on providing money. We have in our preliminary figures this \$77,000, which is the result of the recommendations of the Ruddy committee.

Dr. Foley: That is the professional group.

Business Manager: Now, whether or not each individual recommendation is accepted or rejected, that is a problem that the School Committee can settle later on.

However, in order to provide funds, we have to put that money into this budget.

There is no money in this budget for the non-academic because, as I say, there was no report.

Mrs. Lyons: How long would that take? If we got at it right now and received a reply and some bids came in, how long would it take to have this go

through and to have any recommendation?

Business Manager: I suppose it would be sometime in the fall, for a guess. I don't know how long it took the City.

Mrs. Lyons: I think it took the City longer than that—much longer.

Mr. Muchnick: They have five times the number of employees.

Mrs. Lyons: Yes, I know.

Business Manager: Then, of course, the question would be: Would you put it into effect on next January 1st, or would you make it retroactive to last January 1st?

Mrs. Lyons: No, that would go in as next January.

Business Manager: That is another problem you would have to decide.

Mr. Muchnick: Well, the cuts, could be retroactive. The raises could go in next January!

Miss Fitzgerald: I wanted to ask Mr. Smith, Madam Chairman: Has there not been a general increase for all City employees within the past three years?

Business Manager: The last general increase was, I think, five dollars a week last year, wasn't it?

Secretary: I think it was 1951.

Business Manager: 1951? Maybe as long as that.

Miss Fitzgerald: That would have totaled what, \$300?

Business Manager: \$264. It worked out \$264 for those on a monthly pay roll.

Miss Fitzgerald: Exclusive of the School Department?

Business Manager: Perhaps we can find out exactly when that went in. I think it was in 1951. Of course, the City then had this survey by Jacobs in 1952, which meant that a lot of City employees—I don't know just what percentage—did get increases. It amounted to over a million dollars a year over the previous schedule. Of course, you have your individual cases like firemen and policemen.

Miss Fitzgerald: Was there not some provision when the Jacobs Company made this survey for the payment of any increases that were decided by the survey or recommended by the survey? Was there provision of money in the Mayor's budget to carry that out?

Business Manager: I suppose there must have been.

Miss Fitzgerald: In other words, it is quite likely that, like other City departments, it would be recommended that certain salaries be increased within our own non-academic force. It could well come out of the recommendations of such a survey?

Business Manager: Yes. If it takes the form that the City's did; as I say, I don't know what percentage of the City employees were recommended for an increase, but I do think that it was better than a million dollars worth of increases.

I started to give you the overall picture. We provided for the \$45,000 net increases that the

School Committee asked for, the \$77,000 for the Ruddy petitions, we will say, and then we took off the \$552,000. We didn't pay any attention to playgrounds here, incidentally, Madam Chairman, because it was a little questionable whether that would be provided for.

Mrs. Lyons: That was that we would eventually like to have the playgrounds placed under the Park Department or the Recreation Commission.

Business Manager: We did not take that into consideration, but we did take off \$552,000, which brought us up to a figure, if it was accepted, of an appropriation for general school purposes of \$24,790,000.

That, Madam Chairman, is \$122,000 less than we appropriated last year. It is \$213,000, roughly, more than we expended last year.

The thing that bothers me is this: In fixed charges alone the budget is up roughly \$100,000. We have also provided in here for salary increases. We have provided for the full effect of the salary increases given last September plus an additional salary increase for this September for the teaching personnel, plus this \$77,000, which would bring your salary increases up over last year's expenditures of better than \$60,000.

Now I grant on the savings side you have saved a couple of hundred thousand dollars on books that you had in last year, a figure of \$160,000 probably on Teachers College, and a figure of \$60,000 on playgrounds. However, your increases are more than your decreases.

Miss Fitzgerald: Just on that playground issue, Mr. Smith, there was some controversy with Commissioner Kelley on that \$67,000. In other words, he did not say to us in writing that he did not feel that the Park Department could run those playgrounds staffwise?

Business Manager: He stated first that he had no provision in his original budget for that. Of course that could be corrected because the Mayor always has the opportunity of supplementing it. As I understand it, Miss Reynolds talked to Mr. McKenney and had Mr. McKenney follow the suggestion of the School Committee and talk with Mr. Kelley and Mr. Ryan up there. Is that correct, Miss Reynolds?

Secretary: Yes, I think he is going to do it today.

Business Manager: And because Mr. Ryan expressed, as I understand it, a willingness and an anxiousness to take it over, but Mr. Kelley did not. I think that is the way generally the thing was left.

However, we are only left with enough money to run the playgrounds—

Miss Fitzgerald: \$67,000 for playgrounds, is that it?

Business Manager: No, it is around \$97,000, which would mean that we would only run our

schoolyards and not the Park Department playgrounds.

Miss Fitzgerald: What would the total cost of that be?

Business Manager: It would be roughly \$97,000 plus \$60,000-odd.

Mrs. Lyons: It would be \$97,000 plus the \$67,000, but that \$67,000 was recommended to us by Mr. McKenney as something that could be saved by having the Park Department staff them; that is, allow them to use our facilities but to staff them with their own people.

Business Manager: Yes. In other words, we spent somewhere around \$160,000 last year running both the Park Department playgrounds and our own schoolyards.

Mrs. Lyons: When he suggested that, I should think that he would at that time have talked with the Park Department and would have found out whether it was possible to have them take it over.

Business Manager: Mr. McKenney still claims that he did, and they were anxious at that time. Now whether Commissioner Kelley has had a change of heart since or not, I don't know, but Mr. McKenney was going to find out.

Mrs. Lyons: I don't think dual authority is the best thing in the world there anyway.

Business Manager: I rather agree with Mr. McKenney that it is very awkward for us to run a playground on Park Department property because you have the Park Department custodian involved. As he explained to you people, their program runs from one or two o'clock in the afternoon until twilight, whereas ours runs from nine or nine-thirty in the morning until five at night. So that there is that morning session when there is no custodian around. The supplies and everything else are locked up in the field house, and for toilet facilities I don't know whether they are open or shut.

Mrs. Lyons: I think right there bears out the feeling that it is much better to have it under one department, and I think it belongs under the Park Department, certainly.

Miss Fitzgerald: What is the history of the School Department staffing or running of the playgrounds?

Business Manager: In my memory we ran them up to a certain year, in 1947 or 1948, when the then Mayor Curley—

Miss Fitzgerald: In other words, it has always been part of the School Department?

Business Manager: We took them over—all of them not only the Park Department playgrounds but the schoolyards, and the Park Department supplied the help.

As it turned out, they had to come back to us to get the help. I mean the temporary teachers and so forth.

However, for two years, perhaps in 1948 and 1949, if those are the two years, the Park Department ran the playgrounds,

and the Mayor's budget provided for them. Then, at the end of two years, the then Mayor threw up his hands and threw it back into our lap, and that is as I remember it.

Is that right, Superintendent?

Superintendent: That is true.

Miss Fitzgerald: How long, Mr. Superintendent, has the playground program been in operation in Boston—around forty years?

Superintendent: A great many. I would say to my knowledge, with the exception of the two-year interval that the Business Manager mentioned, they have been under the exclusive control of the School Committee.

Mr. Carr: Mr. Smith, on this Park Department playground situation, you say that the custodian is not there in the mornings?

Business Manager: That is as I understand it from Mr. McKenney.

Mr. Carr: I doubt if that is the regular summer playground program. I know over at Columbus Park they are there in the morning. I think probably you are referring to the spring or the fall.

Business Manager: No, he was referring to the summer, Mr. Carr, and said it was very inconvenient because of the different hours that the Park Department had their help assigned. It did not fit in with our program.

Miss Fitzgerald: Mr. Smith, is Mr. McKenney in the building now?

Business Manager: I don't know. We can find out.

Mr. Muchnick: Madam Chairman, I am a little surprised to hear that it was always under the jurisdiction of the School Department with the exception of a couple of summers that former Mayor Curley took it over. When I made that observation with reference to extra supervisory services for the Director and Associate Director of that department, if I remember correctly, everybody claimed that those people in that department had little or nothing to do with it and it was only installed within the recent years and that therefore there was a claim for extra supervisory service compensation.

If my memory is correct, I think that we ought to be consistent. Either we had it all the time with the exception of a couple of years that the former Mayor took it over or we didn't have it and shouldn't change our position when it becomes a budget question one day and a salary increase question the next day.

Business Manager: Well, Madam Chairman, I have no authority to state policy over the years because I don't know. I was just giving you my thoughts.

As far as the extra supervisory services are concerned, it was not only for playgrounds but it was augmented primarily by the acquisition of the White Fund Stadium, which meant nights, Sundays, and holidays.

Mr. Muchnick: Most of it was claimed for the summertime, Mr. Smith.

Business Manager: That was only part of it.

Mr. Muchnick: Most of it was summertime services, if you will check back. The White Fund Stadium was only used about eight Saturdays and eight Fridays each year.

Business Manager: There were Sundays in there, too, Mr. Muchnick. The parochial schools were in there Sundays.

Mr. Muchnick: When the parochial schools were in there, it would seem to me that compensation ought to be part of the expenses that they had.

Business Manager: The parochial schools, of course, took no income out of the Stadium. We took it all out under the White Fund law.

Mr. Muchnick: And we lost.

Business Manager: And we paid the expenses.

Superintendent: Mr. McKenney is available, Madam Chairman. Would you like to hear him?

Mrs. Lyons: Yes. Are there any other questions?

Business Manager: I wish the Committee would reconsider these drastic cuts, Madam Chairman, because I am very much afraid, if they are put into effect, of what will have to be cut out of the operation of the School Department for the next nine months. I don't think we are going to have enough money to run the School Department on the same basis that it was run, we will say, last year.

Miss Fitzgerald: Are you referring to the School Buildings cut, for one?

Business Manager: No, I am confining myself now to General School Purposes.

Miss Fitzgerald: What are these specific cuts that you object to?

Business Manager: The cuts as listed here are drastic in certain cases, I think.

Mr. Carr: Which ones are they?

Business Manager: In the first place, on Page 20 we have to add \$265 to take care of that \$7.50 to \$8.00 increase. For instance, in the elementary and day districts, including kindergartens, I would like to see that halved from \$100,000 to \$50,000.

Dr. Foley: Why, Mr. Smith? I mean factually, why?

Business Manager: Just to be on the safe side, Doctor.

Dr. Foley: That is not a statement to make—safe side.

Mr. Muchnick: In that particular item, Mr. Smith, how many kindergarten children do we have this year as against what we had last year?

Business Manager: I will have somebody else answer that, Mr. Muchnick.

Mr. Muchnick: You are the one who is afraid.

Superintendent: We will send for the record.

Mr. Muchnick: Don't we have fewer than we had last year in the kindergartens?

Superintendent: Madam Chairman, we will get the September 30th report.

Mr. Muchnick: Miss Hearn has some figures with her, I think.

Superintendent: Excuse me. Here it is, Madam Chairman. This is the September 30th, 1952, record.

Madam Chairman, the answer is that in September 1952, we had 343 fewer kindergarten pupils than the previous year. Now, bear in mind that 343 fewer pupils is spread across a greater number of kindergarten classes.

Now may I ask Miss Hearn? How many kindergarten teachers do we have, Miss Hearn, or kindergarten classes—either one of the two?

Mr. Muchnick: Two hundred and twenty-five, Miss Hearn.

Miss Hearn: It is roughly about 224.

Superintendent: That is near enough. So that if you figure 343 fewer pupils spread across approximately 225 classes, it is only one and a half or one and a portion to a class—so it really doesn't make any difference. If they were all concentrated in one area, then it would be quite a different situation, but they are not.

Mr. Muchnick: Do we have 11,000 pupils in the kindergarten?

Superintendent: On September 30th, Madam Chairman, according to these statistics, of 1952, we had 10,267.

Mr. Muchnick: And how many do we have now?

Superintendent: I haven't the figures before me now.

Mr. Muchnick: Well, could we get them?

Superintendent: Do you have them, Miss Hearn? How recent are yours?

Miss Hearn: March 31st, 1949.

Mr. Muchnick: And how many did we have last year, Miss Hearn, at this time?

Miss Hearn: I don't remember that far back. Mr. Muchnick. Those records are downstairs. These are current figures.

Mr. Muchnick: Do we have 97,000 pupils in our school system?

Superintendent: On September 30th we had 92,043.

Mr. Muchnick: The reason I asked that question is that I see here before us a request to come to a discussion entitled "Know your schools" on April 15th put out by the League of Women Voters, who, I assume, get their information from us.

On Page 1 it says concerning the schools: "Their big job is, of course, the basic education of our children, 97,000 of them," and it talks about children staying in school until the age of sixteen.

I don't know where they got their figures, but if they got their figures from us, I should think we would give out accurate figures and not 97,000 when we had 92,000, nor should we give out

11,000 pupils in kindergarten when we had 10,250.

Mr. Carr: Did you check and ask them where they got them?

Mr. Muchnick: I haven't done anything about it because I just saw this.

Mrs. Lyons: I believe if you read that through, though, Mr. Muchnick, you will find that they say in there that they received their information through the School Department.

Superintendent: Well, Madam Chairman, I have no knowledge of the information that they have received.

Mrs. Lyons: Do you know where they got it, Mr. Superintendent?

Superintendent: I can't answer that, Madam Chairman.

Mrs. Lyons: I notice that. Did you read it?

Superintendent: No, I haven't.

Mr. Lyons: They do have a statement in there.

Mr. Bond: Madam Chairman, that figure of 97,000 is in the latest booklet on statistics.

Superintendent: Is that the total enrollment, Mr. Bond?

Mr. Bond: Yes, the total enrollment.

Superintendent: Well, the total enrollment as of what date, Mr. Bond?

Mr. Bond: June 30, 1952.

Superintendent: Well, I would say that that was the total enrolled during the school year and not the actual enrollment. Isn't that true, Mr. Sullivan?

Mr. Sullivan: That's right—total registration.

Superintendent: Total registration.

Mr. Sullivan: The number who appeared in the Boston school system during that particular year.

Superintendent: That particular figure of 97,000, as Mr. Sullivan said, was the actual registration. A boy might come into our school system at the age of fifteen years and nine months, stay only two or three months, and then leave when he is sixteen years and two or three months. He would be counted as a registered pupil during that year.

The actual enrollment as of September 30th was 92,643, so I imagine that the figure was taken from that book, but the interpretation of the word "registration" perhaps was not taken in terms with what our interpretation of what "registration" actually is.

Dr. Foley: Did you want to see Mr. McKenney, Madam Chairman?

Mrs. Lyons: Mr. McKenney, there was some discussion about the \$67,000 for playgrounds. You recall that at a meeting some time ago you appeared before the Committee and also distributed to the Committee a list of recommendations and how we could save \$67,000 by having the Park Department take over a certain phase of the playgrounds.

I received a letter from Mr. Kelley saying that was not in-

cluded in their budget, and now what were they going to do about it. I think it was the feeling of all the members of the Committee that that had been discussed before it was brought to the Committee and that we had decided just what to do about the playgrounds and that amount of money involved.

Mr. McKenney: I had never discussed it with Commissioner Kelley. You had invited Commissioner Kelley to attend a meeting. The Committee set a date of November 24th for the Board of Recreation and Mr. Kelley to appear before the School Committee.

I have no knowledge as to whether Commissioner Kelley or the Board of Recreation did appear at your request. The Board of Recreation filed its report and recommended that the Park Department handle the Park Department playgrounds. That is in their annual report—and the recommendation.

I submitted that last July. No action was ever taken on it until a few weeks ago.

I base mine on the Park Department wanting to take it back. We had Playland. They took Playland back from us. On Frog Pond that we have had since time immemorial, they told us last year after we assigned teachers that they had personnel that they wanted to use in the Frog Pond, so we went out of there.

This year in January, on our program indoors, Mr. Ryan—now returned from the Navy and now Superintendent of Recreation—talked with us and told us that they were going to conduct the Park Department recreational program now that he was back from the service, and he asked us to move out of Curtis Hall. We said, "Is this to be the policy?"

He said, "I am back. I have been made Superintendent of Recreation, and we are going to conduct the Park Department areas and gymnasiums ourselves from here in."

That was six months after I sent the recommendation to the School Committee.

Mrs. Lyons: You still feel though, don't you, Mr. McKenney, that it is a wiser thing to have all of it under one head rather than divided authority the way it has been, one saying, "We will take it this year and you take it next year." That is about what you have been saying, isn't it? We have had it some years and then they have taken back some of the recreation.

Mr. McKenney: No, I feel the Park Department should run their areas, for one reason alone. The big reason is that they can control their own personnel.

For instance, when I sent that to you last July, it was on experience that I met in going around to the various playgrounds. I go around. I have no jurisdiction over any Park Department personnel.

I have to go and come back and talk with headquarters if I want anything done. I could not go, as I go to a custodian in the school yard, and say, "I want these swings up or these tilts out."

Dr. Foley: Mr. McKenney, would that be Curtis Hall, for instance, where you would not have any jurisdiction over it?

Mr. McKenney: During the winter we always played our basketball games there.

Dr. Foley: I mean the swimming pool is open. You would not have any jurisdiction over that.

Mr. McKenney: No, we get permission from the Park Department to go into it; but on playgrounds we have to have no jurisdiction but their personnel present when our teachers are present, and on the 40-hour week it just does not happen that way that they are going to be present when their program is being conducted in the parks.

It is humanly impossible for the man to be there from nine-thirty in the morning until nine o'clock at night because of the 40-hour week.

Mr. Muchnick: Madam Chairman, didn't we have a meeting several months ago in which Mr. McKenney said that he had straightened that whole thing out? Do you have that record, Miss Reynolds?

Secretary: I may have it outside.

Mr. Muchnick: I mean the one we discussed a couple of meetings ago in here in which Mr. McKenney said that everybody was very happy and that it had been taken up and approved by the Park Department people that we cut out the \$67,000 and that they were definitely going to assume it?

Mr. McKenney: That is not true, Mr. Muchnick.

Mr. Muchnick: Well, I think that is what the record indicates, Mr. McKenney. Isn't that what it was, substantially?

Mr. McKenney: I don't recall ever making any such statement.

Secretary: I don't think it was as definite as that.

Mr. Muchnick: Well, do we have that record, Miss Reynolds?

Mr. McKenney: We are going to save the School Committee \$67,000 for school purposes. We operate the Tobin Playground and Hale and Rochester Street, and they have roving custodians. Our teachers are sitting waiting outside the gates for the gates to be opened. They have to be locked at night because of the damage that is being done in those areas.

Dr. Foley: That is where the \$67,000 comes in, isn't it?

Mr. McKenney: I want you to feel that we will gladly go back and run the Park Department playgrounds. If you want us to do it, I will gladly go back. It is making that many more assignments and supervising that much more. I am telling you what is

the best thing for the School Department, and that was my recommendation to you last July.

Miss Fitzgerald: I want to ask Mr. McKenney: There is a suggestion before the Committee that from the Physical Education Department there be a deduction of \$50,000 and then a further recommendation that we eliminate all playgrounds and place them under the direction of the Park Department, which would then deduct a total of \$97,000 for salaries.

You would recommend against that?

Mr. McKenney: Oh, definitely against that. You would have chaos in the City to have anything like that happen at the present time.

Mrs. Lyons: Mr. McKenney, that \$97,000 in there was a recommendation that eventually would be realized. It wouldn't mean that you were cutting that out this year. However, to insure the continuance of this program by the School Department until such time as something could be worked out between the Board of Recreation and us—you just mentioned this young man who was evidently appointed Superintendent of Recreation. Now, he probably wants to expand his department.

Mr. McKenney: That is exactly the story.

Mrs. Lyons: And if we are going to have that each year and this dual authority, I still think it ought to be determined who is going to handle it—either the schools are going to handle it or the Park Department is going to handle it for just the reason you mentioned.

The people get there. The children are there. The teachers are there. They can't get in these places because the time has not arrived when the custodian should come on duty.

Mr. McKenney: You are going to have the same thing if the Park Department takes it over. The ideal recreational areas in the City of Boston for the elementary school children are the school yards, and they always should remain under the jurisdiction of the School Committee.

You are just going to have the Park Department personnel coming in to try and tell our school custodians and the teachers on the school yards what to do, and which would be just the reverse of the condition that we have now. We should always maintain our own school yards and keep everything under our own supervision, and then there would be no dual control throughout the city.

Mr. Carr: There is no dual authority now in our school yards playgrounds?

Mr. McKenney: None whatsoever.

Mr. Carr: It is our own custodian and our own instructors?

Mr. McKenney: That's right.

Mr. Carr: The only place where that enters in is when we have

half Park Department personnel and half School Department personnel.

Mr. McKenney: That's right.

Mr. Muchnick: Madam Chairman, Mr. McKenney in February told us that it was a question of policy and so forth as to whether we should conduct it or they should conduct it, and then he said, "The new recreation director of the Park Department has returned, and from my knowledge I think it is the job of the Park Department," and he goes on further and says:

"It is the wish of the Park Department—that is my understanding—that their recreation be conducted by them."

Mr. McKenney: Meaning Mr. Ryan whom I referred to up above.

Mr. Carr: And it means the Park Department playgrounds solely and not the school playgrounds?

Mr. McKenney: That's right.

Mr. Muchnick: Also in here by Mr. McKenney when we were discussing custodians:

"It should not cost them as much (meaning as much as it cost the School Department) plus the idea that they want to operate because they already have permanent personnel that they could assign to those areas where we have not."

Mr. McKenney: That's right.

Mr. Ryan is the Director. The permanent personnel consists of Mr. Ryan and those who are in the gymnasiums in the winter-time. It would not cost the Park Department as much to operate. They already have winter personnel who could do all their supervising, where we have to hire the supervisors to do it; and where it cost us \$67,000, they should be able to do their areas for under \$50,000.

Mr. Muchnick: Madam Chairman, I got the distinct impression from that—and I imagine others did—that it was a matter that was completely settled between the Park Department and our School Department as of that time because otherwise there would have been no point at all to having it cut out from our budget.

Mrs. Lyons: As it stands now we do not have that \$67,000 included in our budget.

Mr. McKenney: What is that?

Mrs. Lyons: We do not have that \$67,000 included in our budget.

Mr. McKenney: That's right.

Mrs. Lyons: And they don't have it included in their budget.

Mr. McKenney: That's right.

Mrs. Lyons: So the playgrounds would run, the solution would be to have the Mayor and his supplementary budget included for the Park Department?

Mr. McKenney: The Park Department; and it would save the City money by the Mayor's doing that because they have all park personnel whom they could put on to supervise the Park Department playgrounds.

They can do it. The overall City of Boston will save money from the taxpayers' standpoint by the Park Department doing this. I cannot see where it is any problem for the Park Department to do whatsoever.

Mr. Carr: What do the winter personnel do? What have they been doing when we have been putting our instructors on in the summertime? What do they do with their winter personnel?

Mr. McKenney: They divide up into districts, and they really have been working from two to eight or one to nine. They have been taking Twilight League and the like of that on the Park Department playgrounds and supervising.

For instance, South Boston would have one man to supervise M Street. They may put a girl on M Street, but the other fellow would supervise M Street and McNary, Columbus, and the like. He would set up the whole program.

To my mind, it belongs to the Park Department. It belongs to them, and they have the personnel and they should be using the personnel for that, they could do it more cheaply from the taxpayers' standpoint than we can do it on Park Department areas.

Mr. Carr: Did they ever have our school playgrounds?

Mr. McKenney: No, they never had our school playgrounds. Never in history have they had our School Department playgrounds.

Miss Reynolds talked with me last night. I have an appointment with Commissioner Kelley today on the letter that was sent to you.

Mrs. Lyons: Do you think, Mr. McKenney, you can straighten this out with him? We don't have it in our budget. Does he understand it? I think his purpose in writing was to have us include the \$67,000 in our budget.

Mr. McKenney: Truthfully, I thought you had notified Commissioner Kelley. It wasn't my job to notify Commissioner Kelley. I talked one day with him, and he knew nothing about it; and just out of friendship, so that he would not be left holding the bag in the whole thing, I dropped him a note and said:

"Dear Frank:

"Do you realize that this is so?"

He called me back on the phone, and he said: "I have never been told a thing."

Whatever happened last November 24th, whether he sent a representative or what happened, is something I don't know.

However, I was told nothing about it except that he was to meet with you on last November 24th with the Recreation Department. Why he did not know anything about it is beyond me. He may not know anything about it officially, but knowing about it is something else.

Miss Fitzgerald: I should like to move that the last two lines

on Page 2 be deleted: "Elimination of all playgrounds."

Mr. Carr: I second that motion, Madam Chairman.

Mr. Muchnick: Madam Chairman, I read through that statement that you prepared very carefully, and I spent quite a bit of time trying to analyze it and correlate it. I think an excellent job was done on it.

With reference to those two lines concerning the playgrounds, it is my feeling—and I think it is spelled out pretty well in those two lines—that the recommendation as made by you is not for the elimination of playgrounds but is for the retention of that money in the budget so as to assure the retention of playgrounds, and that it stay in there until such time as it is worked out, either with the Park Department or Recreation Board or some of the private agencies who are involved with us on the Committee to Combat Delinquency, to see what plan can come up, as I understand it, and as you explained it to me when I asked you about it.

It seems to me that the recommendation therefore is not to eliminate playgrounds, but the recommendation is to substitute the cost of operation and the burden of responsibility to some other agency, public or private, if that agency can do it better and less expensively than we do.

Am I correct in my interpretation?

Mrs. Lyons: That is absolutely right.

Miss Fitzgerald: Madam Chairman, the two lines read: "It is recommended that we eliminate all playgrounds and place them under the direction of the Park Department (\$97,000 for salaries)."

I don't know what anyone else reads into those two lines, but to me it reads that we eliminate all playgrounds, and I think it has been pointed out to us by Mr. McKenney and others this morning that the School Department has always run School Department playgrounds, and Mr. McKenney has said we can run economically and efficiently all of the playgrounds that are situated on school grounds.

Isn't that true?

Mr. McKenney: That's right.

Miss Fitzgerald: What you are pointing out to us is that the Park Department can run its own play areas for reasons of its own personnel problems in a more efficient manner than we can run them.

Mr. McKenney: And for the good of the taxpayer.

Miss Fitzgerald: For the good of the taxpayers?

Mr. McKenney: That's right.

Mr. Muchnick: Madam Chairman, one of the fundamental purposes that was expressed by the School Committee when it adopted and attempted to coordinate public and private agencies was to see whether maximum benefits could be gained by shift-

ing responsibilities or increasing responsibilities or getting people in public and private agencies to work together, and I think that fundamental aim was approved unanimously by all members of the School Committee.

Mr. Carr: Madam Chairman, I don't remember endorsing any such program as relates to our playgrounds. We have had different services in here to combat juvenile delinquency.

Mrs. Lyons: Mr. Carr, I think Mr. Muchnick had the floor.

Mr. Carr: I don't think it is related to this playground program at all.

Mr. Muchnick: Madam Chairman, I was trying to make a certain point.

When I saw these last two lines to which Miss Fitzgerald referred, being concerned with them, I asked what you had in mind completely, and you told me substantially what I related a few minutes ago.

In view of that clarification of the last two lines, and in view of the fact that it is only an expression of opinion that possibly, by correlating and co-ordinating various agencies, public and private, the job might be done even better than it is done now and might be done at the same time by eliminating approximately \$100,000 from the School Department budget, I agree with you that the money should be kept in the budget until such time, if ever, as it is determined whether we do it better or whether we, with some body else, can do it better, or whether somebody else can do it better than we.

Dr. Foley: Mr. McKenney, does Mr. Ryan feel as though he should take over all these playgrounds under the Park Department? Is that his policy eventually?

Mr. McKenney: You mean schoolyard playgrounds?

Dr. Foley: Well, everything—Mr. McKenney: No, definitely not.

Dr. Foley: Didn't he say that?

Mr. McKenney: No.

Dr. Foley: What part does he want to play in it?

Mr. McKenney: He is Superintendent of Recreation in the Park Department.

Dr. Foley: That is true.

Mr. McKenney: And he has jurisdiction in the Park Department, and the Park Department only.

Dr. Foley: Doesn't he feel as though he can run them sufficiently well throughout the city?

Mr. McKenney: The Park Department property, not the school yards.

Dr. Foley: Would he like to have the school yards as well?

Mr. McKenney: No.

Dr. Foley: Have you talked with him recently?

Mr. McKenney: No. I agree with Mr. Muchnick about correlating and doing it the best way. That was my original reason for their taking them over.

Dr. Foley: We are trying to find out what Mr. Ryan felt.

Mr. Carr: Madam Chairman, it is surprising that one of our members should say that is a merely an expression of opinion. These look to me like definite recommendations, and those people who made them probably made them in all.

In reading these two lines here, it says: "It is recommended that we eliminate all playgrounds and place them under the direction of the Park Department."

It is a good thing we have Mr. McKenney with us, or we might well lose the whole schoolyard program.

Mrs. Lyons: No, Mr. Carr, we wouldn't have lost our playground system.

Mr. Carr: When any recommendations are written, I would suggest that the whole story be told and that no supplemental remarks be made verbally.

I second the motion of Miss Fitzgerald that we delete those two lines and retain our playground system.

Mrs. Lyons: We had all intentions of retaining our playground system.

Mr. Carr: These seem to me like definite recommendations and not expressions of opinion.

Miss Fitzgerald: Madam Chairman, it is my fear that those lines will give a great many people the wrong impression because they certainly gave me the wrong impression.

Mrs. Lyons: Is your mind strengthened out now?

Miss Fitzgerald: Madam Chairman, it would be strengthened out in my mind and in the minds of people who read these recommendations if we delete those two lines, and I move the previous question.

Dr. Foley: I was going to ask, Madam Chairman, if it could be rephrased.

Miss Fitzgerald: There is a motion before your Committee. I should like the Committee to vote on that.

Secretary: Miss Fitzgerald moved that the last two lines on Page 2 relating to playgrounds be eliminated. Mr. Carr?

Mr. Carr: Yes.

Mr. Muchnick: Madam Chairman—

Mr. Carr: We are in the process of calling the roll.

Mr. Muchnick: I move that the motion be amended.

Mrs. Lyons: You interrupt it very often, Mr. Carr.

Mr. Carr: I suggest we finish calling the roll, Madam Chairman. It is strictly out of order to interrupt calling the roll.

Mrs. Lyons: You are out of order, Mr. Carr. You have been interrupting everybody all morning. Mr. Muchnick?

Mr. Muchnick: I move that the motion be amended so that it read, instead of what the motion now is, that a clarifying sentence indicating the sentiments as you told them to me and as I attempted to explain them a short time ago be added to those two

lines rather than having the entire item omitted.

Mrs. Lyons: Will you call the roll on that, please?

Secretary: On the motion to amend.

Mr. Carr: Madam Chairman, in the process of calling the roll, and under the rules of procedure—Roberts Rules—you cannot entertain another amendment. I suggest you finish the calling of the roll on the original motion.

Mrs. Lyons: We will delete it, and Mr. Muchnick's amendment can become a motion.

Secretary: Shall I take a vote on Mr. Muchnick's motion?

Mr. Carr: Will you finish calling the roll, Madam Chairman?

Mrs. Lyons: Mr. Carr, I am running this Committee, not you.

Secretary: Mr. Carr?

Mr. Carr: I have already been recorded on that motion, Madam Secretary.

Miss Fitzgerald: Yes.

Dr. Foley: Yes.

Mr. Muchnick: No.

Mrs. Lyons: No.

Mr. Muchnick: Madam Chairman, I move that the two lines which have just been deleted be rewritten to suggest in probably better English than I can phrase that it is recommended that that amount stay in the budget and that there be attempts made by the School Department, through Mr. McKenney and any others, to confer with the Park Department, the Committee headed by Mr. Fred Taylor, the Recreation Commission, the Mayor, and any others who in the judgment of the Chairman of the School Committee should be contacted to see if, by a plan or coordination, it can be done more efficiently and more economically by some other group than the School Department, and whether it is properly in our department, and whether or not it should stay in our department.

Mrs. Lyons: Mr. Muchnick, did you mention that we would let the money remain in the budget?

Mr. Muchnick: We would leave the money in the budget so that we could continue the use of this playground system.

Miss Fitzgerald: I think that you are referring to the \$97,000. Is that right?

Mrs. Lyons: Yes.

Mr. Carr: Madam Chairman, inasmuch as those last two lines were just eliminated, doesn't that money remain in the budget?

Mrs. Lyons: The money is in the budget, anyway.

Mr. Carr: Well, there is no need for the motion that this money remain in there if it is already in there.

Mrs. Lyons: We are simply trying to talk to Mr. McKenney and get it straightened out who is going to have charge of the Park Department playgrounds and the play areas under the Park Department and the play areas under the School Department.

Mr. Carr: You are entertaining amendments.

Mrs. Lyons: You just get so excited about all these things. We just try to explain it.

Mr. Carr: I can interpret these things myself.

Secretary: This is Mr. Muchnick's motion.

Mr. Carr: Madam Chairman, it seems to me that our program is well run now, and efficiently run, and is a simple program. You have just spoken against dual authority, and now here we are inviting everybody else in to run our department. I suggest we leave this in the hands of the School Committee and the school authorities, and I hope we don't go seeking help from any of these social agencies. I vote No.

Mrs. Lyons: Call the roll, please?

Miss Fitzgerald: No.

Dr. Foley: Yes.

Mr. Muchnick: Yes.

Chairman: Yes.

Mrs. Lyons: Are there any other items on here you would like to discuss?

Mr. Carr: Madam Chairman, I would like to say on that recommendation that your Committee has just seen fit to adopt that I sympathize with the Superintendent and the Director of Physical Education where this program could very well fall into confusion with too many cooks spoiling the broth.

Mr. Muchnick: Madam Chairman, I would not think that observation calls for any particular observation, but if I remember correctly, the Director of Physical Education just said a few minutes ago that he agreed with the thought behind the proposal.

Am I correct, Mr. McKenney?

Mr. McKenney: The proposal of the agency which can conduct it better conducting it. That is why I recommended it.

Mr. Muchnick: That is all that this intends to do.

Mr. Carr: Mr. McKenney, in your opinion, what agency is the best qualified to conduct our school program?

Mr. McKenney: The School Committee—sure.

Mr. Carr: The school department and its personnel?

Mr. McKenney: It will always be this. Anytime you stay within your own group, you can control it.

Mr. Carr: That is right, and not inviting everybody to put their hand in.

Miss Fitzgerald: Madam Chairman, on this elimination of \$100,000 from kindergartens, Miss Hearn is here. I think we were getting into a discussion of that earlier. I wanted to know about this deduction—where it would hit the program in our elementary districts.

Miss Hearn: I am a little at a loss, Madam Chairman and Miss Fitzgerald, because I don't know what the total is. If you are going to deduct \$100,000, I don't know what you are deducting \$100,000 from.

Mrs. Lyons: Do you want to tell her what that total is, Mr. Smith?

Business Manager: I would imagine, Madam Chairman, when you are suggesting the deduction of \$100,000 you mean to take it from the bottom of salaries or increased savings or something like that.

Am I correct in that assumption?

Mrs. Lyons: We felt that you could best deduct that and know where it should come from.

Business Manager: I am afraid it is going to delay permanent appointments to existing vacancies.

Mrs. Lyons: May I say something here before we go any farther in this? We expected this survey which we will get from Harvard is going to point out where we can make many, many savings that will certainly absorb any deductions that have been suggested here, and inasmuch as we paid for that survey, we are certainly going to take advantage of the advice given by them. I don't think that these deductions are too much.

Business Manager: Madam Chairman, of course I don't know what the Harvard survey is going to show; and, like all of those surveys, I am wondering if what is suggested won't be more in the nature of long-term savings rather than savings that can show up immediately.

You know what I mean. I mean it might be on consolidation of districts, we will say, where there would be a non-replacement of personnel that would take some time to work out.

I am wondering—

Mrs. Lyons: It wouldn't take a long time, Mr. Smith, if you were going to consolidate two districts. It certainly could be done at the opening of school in September. Then you could have the saving of the cost of operation of that whole plant there.

Business Manager: You would, if you had, for instance, vacancies in principalships, we will say, or vice-principalships, or maybe even secretaries. On the overall teaching personnel, I am wondering just what savings it will show—at least immediately. That is my concern.

Mr. Muchnick: Madam Chairman, the total amount of the savings indicated here runs into about \$600,000.

Business Manager: I think it is \$552,000.

Mr. Muchnick: \$552,000. That is even better. \$552,000 off the total amount here is less than two percent of the total budget. That's right, isn't it, Mr. Smith?

Business Manager: Yes. It is a \$25,000,000 budget. \$250,000 would be one per cent.

Mr. Muchnick: I am convinced—and I have spent quite a bit of time going over these figures and comparing them against last year and comparing them against this year's submitted budget—that ex-

clusive of any potential consolidations and exclusive of any savings or potential savings from potential consolidations as might be the result from the survey being made by Harvard, we can easily cut this minor sum of money from the budget.

As a matter of fact, cutting \$100,000 from the entire elementary districts, including kindergartens, is cutting \$100,000 off of close to \$9,000,000, if I remember the figures correctly.

Business Manager: It is \$8-, 250,000 in salaries.

Mr. Muchnick: And \$222,000 on supplies, and \$110,000 on secretaries.

Cutting \$100,000 off of that tremendous figure is one per cent. Why, if we closed schools next December because of three or four stormy days, we save almost that much money in temporary help. What is it—\$14,000 a day?

Business Manager: I think it is around \$7,000, if my memory is correct. It is about \$7,000 a day on a stormy day where we don't employ temporary help. You multiply \$7,000 by 180 days, and you get up around \$1,260,000, so I am sure the figure is around \$7,000.

Mr. Muchnick: Madam Chairman, I would like to move—
Business Manager: Excuse me. That is not only the elementary. That is the overall picture, Mr. Muchnick, and not just elementary.

Mr. Muchnick: I would like to move, Madam Chairman, that the recommendations contained in this two and one-half page statement as amended by the deletion of the last two lines on Page 2, and as further amended by the addition of the motion that I made concerning the running of the playgrounds and the study by Mr. McKenney and the others, be adopted and that the additions and the cuts, called for in this statement of yours dated April 1, 1953, all be passed as provided for in the budget.

Miss Fitzgerald: Madam Chairman, before we go on to a vote concerning Mr. Muchnick's motion, I wanted to ask about the other large figure on this page 2, which is \$136,000 in Latin and day high schools.

How is that going to affect the high school program?

Business Manager: Let me just say that the net total salaries budgeted for is \$5,276,000. That is only \$39,000 over what was actually spent last year. When you speak about taking \$136,000 out of high schools, I am just wondering where it is coming from.

Mr. Muchnick: Madam Chairman, I think one place where it could come from is following the rules with reference to the Boston Clerical School.

The rule states specifically that we should have, if I remember correctly, one teacher for every 25 pupils. We now have a little over two teachers for every 25 pupils. There are many such items that could easily be cut.

Business Manager: You see, this budget now is \$39,000 over

last year's expenditures. You are providing for the full year's cost of increases you gave last September 1st, and you are providing other increases from next September 1st.

As Mr. Muchnick suggests, these things about tightening of the organization are such that I don't know if the thing could be done immediately to provide for the necessary savings. That is what is bothering me.

Mr. Muchnick: Madam Chairman, at least five times a year, for the sixth year now I have heard Mr. Smith going forth the same kind of wolf cry, and every year we end up with unexpended balances.

Business Manager: Well, I should hope so!

Mr. Muchnick: Last year, after the School Committee had cut and cut, as it had thought, to the bone, over and above some more objections the Mayor then cut an extra two or three hundred thousand dollars, and we ended up last year with unexpended balances, and that has been the pattern for the six budgets that it has been my privilege to act on.

We also worry about shortages, and then we end up with a good bank balance.

Normally, that might be excellent business, but it is not good business when we are faced with a tax rate of over \$70 per \$1000, if we can cut that tax rate even five cents per \$1000 of valuation, we owe it to the City to do it, and we can do it here very safely if past experience is any barometer.

Miss Fitzgerald: Might I ask Mr. Smith? Was there ever a time when he did not have an unexpended balance?

Business Manager: We have to have unexpended balances or somebody is liable to go to jail. That is all that is worrying me. I am afraid it might be the Business Manager!

Miss Fitzgerald: Wouldn't an unexpended balance be the result of program cuts, retirements, and things like that? In other words, an unexpended balance, Mr. Smith, is not due to anybody's mismanagement.

Business Manager: No. Nobody ever gives credit to good management for unexpended balances.

Mr. Muchnick: Nobody has said that the budget was mismanaged.

Business Manager: The Board of Superintendents, naturally, each year tries to keep the particular schools under their jurisdiction with a minimum of help. They are constantly pulling out temporary people. They are constantly amalgamating classes where they can to save help.

All of those savings appear during the year, and it is the same in the purchase of supplies. Our estimate on supplies sometimes surprises us, and with the competition we have, we are able to get supplies at prices that sometimes surprise us.

All of those things show up as savings during the year. The one

thing that bothers me about this thing is, first, that the proposed budget as now before you is \$122,000 less than last year's budget, or \$213,000 above last year's expenditures; and, as I say, when I think of the costs of the increases, and at the same time giving consideration to Teachers College, books, and any savings we might make, I just wonder how it can be done without cutting here or there on supplies or the non-appointment of personnel.

Mrs. Lyons: Out of a \$5,000,000 budget for that, do you think \$136,000 is too much of a cut? I don't think that is a very big cut.

Business Manager: When I look at \$527,000 for salaries actually spent last year on page 58 of the budget—

We have already closed either five or six schools since the beginning of 1952, which in and of themselves constitute some savings. The exact figure I don't know, but I imagine it is at least \$50,000.

Mr. Muchnick: Madam Chairman, it was pointed out to us last year, or maybe earlier this year—I don't remember which—by a spot check survey by the Municipal Research Bureau that there were many classes in many schools running with almost a tutorial system, there were so few pupils to the teacher in some of the high schools.

Obviously, those retirements and deaths and resignations in schools running that kind of class could close up some of the gap. Further, it was indicated by the School Committee last year to the teaching personnel that the School Committee would attempt to make annually successive steps towards the single salary schedule and steps towards correcting inequities, provided that could be done without causing undue burden on the taxpayer and without causing any increase in the tax rate.

We have eliminated the Teachers College. This year we don't have the extra \$215,000 for books that we used last year. I think we have \$15,000 or \$20,000 above per capita allocations, and the taxpayer has the right to expect, and we have the duty to give, at least that amount of cut on the tax.

The entire saving on Teachers College, including fuel and custodial help and incidentals and so forth, in addition to the teaching staff and supplies, would probably run in excess of \$300,000. There is \$200,000 more being saved this year on the non-appropriation for books, which is \$500,000.

Under those circumstances the taxpayer is entitled to the benefit of that reduction, and the single salary second step must come from funds over and above that reduction, it seems to me, based on what amounted to a pledge last year; and that is all this attempts to do—to take out that kind of \$552,000.

Then, Madam Chairman, may I suggest that you hit it practically on the nose when you drafted this up.

Dr. Foley: Madam Chairman, I am heartily in agreement with this cut or the setup as it now exists because after all we must pay some attention to the tax rate of Boston. If not, we are certainly going to be out of line. We don't want it to go over \$70 if it is possible, and as trustees of this entire school system, I think we are indebted wholly to the taxpayer of Boston and should do everything within our power to try to trim our sails and trim the cloth to suit the system.

I really don't believe it is going to hurt any individual. At the same time we are lending aid to the city government.

Business Manager: Well, for instance, on the third page—the last page—you are giving us less money to spend for telephone and light and power than you gave last year. I don't think that is the proper thing to do. These rates are gradually going up.

Dr. Foley: Those are items that you have to watch, such as telephone.

Business Manager: You have no control of them. You are continually after them on shutting off lights and the use of phones.

Mr. Muchnick: Madam Chairman, it may be that the cost of these items has gone up, but it is also true that six buildings which accounted for some of the heat and light and power are no longer in operation and have not been for almost all of 1952.

Business Manager: I am talking about 1952 expenditures, Mr. Muchnick.

Mr. Muchnick: I mean all of 1953. Excuse me.

It is possible in my opinion probably that there will be other school buildings closed before the next winter season sets in, and I don't believe that there is going to be any problem whatsoever.

As a matter of fact, if they are a little tight, maybe some of the buildings won't be heated on some days to eighty degree temperature as has happened, including this building. We come into meetings in winter, and even opening all the windows when it was pretty cold outside, you still roasted inside.

Maybe there will be a little closer watch, and the same is true with the telephone. We have fewer pupils. For this year we have the same number of pupils as last year. We have fewer personnel. The phone bill keeps going up.

Mrs. Lyons: I would like then to read this statement.

"With the approval of those members of the School Committee who have concurred on all items; and those members who have concurred on some items, but not on all, I would like to move the adoption and passage of the necessary motions and orders to put these various items into effect.

"The policies adopted by the School Committee at its meeting on March 31, 1952 have, in many instances, been carried out and it is the hope of this Committee that some of the items not accomplished during the past year can be achieved in the current year. Without additional burden to the taxpayer and through careful planning and economies which were effected, there has been sufficient savings to enable the School Committee to continue their progressive and forward program including the second step in the Single Salary Schedule and correcting certain inequities insofar as possible and under conditions as now exist.

"The number of old school buildings in our school system presents a serious problem to the School Committee and this year it hopes to begin a long-range building program with the aid of funds to be secured through the Emergency Finance Commission with the approval of the City Council and the Mayor.

"Specifically, the School Committee recommends the following, using for purposes of identification the "Budget Estimates" furnished to the School Committee.

"Make provision under Instruction for Training Teachers—\$11,000."

Mr. Superintendent, I think we might stop here and explain that item. I think all of us have had a letter from the Commissioner of Education saying that this year the State is not going to pay the training teachers for training the girls from the various teachers' colleges who will be in our schools.

That is not paid to any community which gives this service. They contribute that for education and for the teaching profession, and we in Boston would have to make provision to take care of it. I think we have seventy-seven teachers in Boston who are training teachers, and that would have to come before the Committee for decision, but I felt that that should be included in the budget should they decide to do it.

Business Manager: Is that the \$11,000?

Mrs. Lyons: Yes.

Superintendent: Of course, Madam Chairman, it is entirely in the hands of the School Committee, but I would recommend against it. I don't see why, Madam Chairman and members, now that this is a State institution, the taxpayers of Boston should be obligated to pay for training teachers to train some of these girls who will go outside of Boston to teach after graduating from the State Teachers College.

It would appear here that a girl who comes from Cambridge or Everett or Malden can attend the State Teachers College, pay tuition at the rate of \$100 or whatever the State rate is, come into one of our schools, and have the taxpayers in Boston pay for the training phase of that particular girl, and then in June of this

year that girl goes back to Cambridge, Malden, or Medford to teach.

Isn't that true, Madam Chairman?

Mrs. Lyons: Well, I think that right along we have been training people who have gone outside of Boston inasmuch as there was nothing that would prevent any graduate of our Boston Teachers College from choosing the city or town in which she wished to teach; and although we certainly got many from the Boston Teachers College, we did not get all from the Boston Teachers College.

Superintendent: That is true, but isn't this also true, Madam Chairman: That the girls who attended the Teachers College—at least 99 per cent of them, and Mr. Smith could correct me if I am wrong—came from Boston? About how many tuition students would there be in the course of a year at the Teachers College out of six or eight hundred girls?

Business Manager: You mean what we used to consider non-resident?

Superintendent: That is right. Business Manager: I don't think more than half a dozen.

Superintendent: Very few. Now, then, at the present time the State Teachers College embraces Greater Boston and Boston, and all of these Greater Boston girls will attend the Teachers College in September, and the taxpayers in Boston are going to pay for the training of those girls to have them go back to their own communities and teach.

When we paid it to our training teachers, that college was under our own direction; and not only that, but 99 per cent of those girls were our own residents, and their folks were taxpayers in either the form of taxpayers or rent payers.

I think, Madam Chairman and members, that you have now an entirely different situation, and I certainly don't think that the taxpayers of Boston should be shouldering the burden of the training of these girls who live outside of Boston.

Mrs. Lyons: Well, that is exactly what happened in every other community where there is a State Teachers College. That is an administrative problem to assign these trainees to some very competent teachers within the service, and they are always glad in other communities to do it. They feel that that is their contribution to the profession and to education.

We are the only ones who pay training teachers. I believe I am correct in making that statement. We are the only city which did pay training teachers, and I might add that that was merely on the elementary level. The training teachers on the junior high and senior high level did not receive any compensation for that type of service.

Business Manager: That is right.

Mrs. Lyons: So that even in our own system here the train-

ing teachers to whom we assigned people who were training for junior and senior high school received no compensation. It was simply on the elementary level that they did receive this compensation, and I would like a note made of that.

Mr. Muchnick: Did I understand, Mr. Smith, you said there were how many pupils at the Teachers College when we ran it annually?

Business Manager: All I said was in answer to a question from the Superintendent that of the students there, my recollection was that it was about six when he asked me how many were non-residents.

Mr. Muchnick: What was the number of students that we had the last year that we ran it?

Superintendent: I would have to refer back.

Mr. Muchnick: Wasn't it about 600 pupils?

Business Manager: Yes.

Superintendent: I would think so, Madam Chairman and Mr. Muchnick.

Mr. Muchnick: Madam Chairman, I would like to point out that of the 600 pupils who were there annually, approximately 120, I think it was, used to graduate annually. Isn't that about right, Mr. Bond?

Mr. Bond: I should think so.

Mr. Muchnick: And of that 120 we used to get into our teaching system only about forty per year, and then we didn't know whether they were going to stay a day, a week, a month, or during tenure.

So that out of 600 pupils that we had there every year, we got forty teachers; but as long as the question has come up again, I would like to read into the record a few sentences from a survey report back in January of 1931, conducted by the Finance Commission when they had some excellent educators and others conducting the survey, and this is with reference to Teachers College then—back in 1931, and of course nothing was done about it. I just happened to get hold of this last Thursday. I wish I had had it three years ago.

"Teachers College. The Normal School, from which the College developed, was instituted to provide trained teachers for the City, and that was the justification for maintaining it. It was a practical necessity for that purpose in 1852, and it sent its graduates into other parts of the State, but it probably would have been the path of wisdom to yield it as other cities did their training school when the State Normal Schools were established on the present scale.

It is not a necessity for that purpose now, and it has become in effect a vocational school to provide profitable occupation for Boston's daughters. That this has become the prevailing motive for its maintenance is apparent from several points of view.

"The Commonwealth maintains an excessive number of normal

schools open to Boston students for which Boston pays a large share of the support, but it would cost Boston girls something to attend schools outside the City, and they would be thrown into competition with students from other parts of the State. Unless they fared well in the competition, they would not be sure of appointment."

Then it goes on to point out the lack of necessity even back in 1931 for such a training school and the various reasons why such a training school not only was not a help to the City but why it was in certain aspects a detriment, and it says the following, and I have skipped several of the parts.

"The Teachers College is an established institution and is not likely to be disestablished. Its transfer to the State was proposed in 1896 and was defeated. It is much more firmly entrenched now (as of 1931).

"Since this is the case, the sooner it is freed from the belittling restrictions that now beset it, the better for its future."

Way back more than twenty years ago it was pointed out that it was not only no help to the City but a detriment, and I think that this School Committee ought to be complimented for getting rid of not only an unnecessary expense but, what this survey report points out rather bluntly in spots, wasn't a good educational investment, either.

Superintendent: Madam Chairman, may I ask a question? I think you will be able to answer it, being a member of the State Board.

Does the City of Lowell appropriate money from the tax dollar to Lowell to pay for the training teachers of the girls who go to Lowell?

Mrs. Lyons: I don't believe that they do in any community. I put this in here to take it up with the Committee and ask them if they wished to continue this, and I explained to them that the only teachers who received this were the seventy-seven in the elementary classes.

They did not receive it in junior high. They did not receive it in senior high school. This was to be proposed to the Committee and have them understand that this year, as the Teachers College is now taken over by the State, it is not a practice of the State Department of Education to pay training teachers in any section. If in any place they are paid, it is at the discretion of the School Committee in those cities.

Superintendent: Madam Chairman, just one other statement and I am through.

My feeling is that it is unfair to the taxpayers of Boston to pay for the training of girls who do not live in Boston and who will never teach in Boston.

Mrs. Lyons: I think you have misunderstood this, Mr. Superintendent. This was not a provision. I put this in here so that I would remember to speak to

the members of the Committee about it, and it was up to the other members of the Committee whether they wished to make this provision and to explain the situation to them as it exists here in Boston and as it exists in every other section where we have training schools.

Mr. Muchnick: Madam Chairman, I am very gratified to hear the Superintendent say what he just did say, but I am surprised that it comes at such a late date that he doesn't think that the taxpayers of Boston ought to pay for the training of teachers, if I remember the phraseology correctly, who are working outside of Boston or who are not working in Boston.

When we added the Industrial Arts course several years ago—

Mr. Carr: I think for the record I would like to clarify Mr. Muchnick's statement. He also said non-residents.

Mr. Muchnick: Madam Chairman, it can be clarified, I believe, if it needs clarification after I have completed.

It was pointed out several years ago and many times in the intervening years that we got practically none of the young men who we trained in the Industrial Arts courses to come in to our system and teach, and we trained them in the Teachers College because they got better pay outside and went outside; and if we were then training people at the expense of the Boston taxpayer who were going to neighboring communities because of higher salaries and to which there was objection on the part of some of the members of the then School Committee, it seems to me that it is a little late in the season to talk about an \$11,000 expenditure for training teachers.

Mr. Carr: Madam Chairman, in listening to the Superintendent's recommendation, I think he based his objection mainly on the fact that these people are non-residents of Boston and that the taxpayers of Boston should not be required to pay for the training for non-residents who will probably not come into our system as teachers. I believe at the time we did pay them at Teachers College in the greatest percentage and they were residents of Boston.

Madam Chairman, I move that we strike out this \$11,000.

Mr. Muchnick: Mr. Smith, did the amount that we charged non-residents equal the amount that it cost us?

Business Manager: Not quite. I think the last non-resident tuition rate was \$500, and I think the cost was somewhere close to \$600.

Mr. Muchnick: Mr. Smith, in that cost of \$600—and I understand we only got five-sixths of that cost—did that include the total cost, and by that "total cost" I mean the proportion for administration and overhead and supervision and everything else,

or was it just the direct cost of running the Teachers College?

Business Manager: I am not certain whether or not it included that portion of the Superintendent's salary.

Mr. Muchnick: And things of that nature.

Business Manager: I know it did include the cost of the Department of School Buildings for any alterations or repairs that were made in that particular year.

Mr. Muchnick: And heat and light and custodial service, but it did not include, if I remember the last analysis correctly, any part of our fixed overhead of Superintendent, Assistant Superintendents, or your own office, or almost any part of Beacon Street, which runs up into an item of over a million dollars. As a matter of fact, I don't think it included any part of the Physical Education fixed overhead, either.

Dr. Foley: Madam Chairman, those are all fixed, of course.

Mr. Muchnick: Yes, and the closer cost probably would have come, if all these other items were included, so around \$750, so that for each non-resident the City of Boston was paying \$250 annually, and the non-resident was paying \$500 annually.

Dr. Foley: That could be.

Mr. Carr: Madam Chairman, I made a motion that we strike this \$11,000 out.

Mrs. Lyons: I would like to continue now. Then we will strike out that \$11,000 for training teachers.

Mr. Muchnick: There was a motion to that effect.

Dr. Foley: I haven't any objections.

Mr. Carr: Are there any objections?

Dr. Foley: I haven't any objections.

Secretary: No objections.

Mrs. Lyons: Would you like to make a motion, Mr. Muchnick?

Mr. Muchnick: No, Mr. Carr has made a motion that that \$11,000 be stricken.

Mrs. Lyons: Do you want to take a vote on it?

[Rollcall: Yes, with the exception of Mr. Muchnick: No.]

Mrs. Lyons: I would like to continue.

"Include \$3,572.60 to provide for the annual increment beyond \$59.18"

Mr. Carr: Madam Chairman, I would like to ask a question. Mr. Smith, how much more money will we need if we contemplated giving increments from group to group?

Business Manager: Oh, gosh!

Mr. Muchnick: That is a good answer, Henry!

Business Manager: I haven't got it figured out, Mr. Carr.

Mr. Carr: Approximately?

Business Manager: If there were a hundred involved, and giving them \$2 a week for fifty weeks—but of course it wouldn't be for fifty weeks now, but to get

a rough picture for a year, that would be \$100 apiece: \$10,000?

Dr. Foley: It would figure around \$10,000 or \$12,000—\$10,000 at least.

Business Manager: More. That would be over and above what this \$3500 would take care of.

Mr. Carr: About \$10,000? As it stands now, when one of the secretaries reaches her maximum in a certain group, they stay right there, do they?

Business Manager: Yes. They stay there, and it has been the usual procedure for the Salary Board, until salaries were frozen, to come in with recommendations once a year to the School Committee.

Mr. Muchnick: Madam Chairman when a teacher reaches maximum the teacher stays there frozen. When a vice-principal, submaster, head of department, principal, headmaster, director, Assistant Superintendent, or Superintendent—anybody in the so-called professional or education field—reaches a maximum, they stay frozen unless there is a salary revision policy or unless there are cost of living increases or general City-wide increases.

Business Manager: Or a promotion.

Mr. Muchnick: Or a promotion. Excuse me. For some reason or other there had grown up the custom in the School Department that if you were from Civil Service and you were in a clerical or stenographic or any other group that had a fixed minimum and a fixed maximum, you went up to your fixed maximum; and then, instead of staying frozen, the next year, without almost any exception you were put into the next group, and then the next highest group when you reached maximum, and nobody seems to know where it ever stops.

I for one object to this group-to-group business, until such time, at least, as we have had this non-academic survey, which will be able to fix what the groups are or should be after they have analyzed them.

I have read some of the petitions that came in from some of the people in the non-academic group suggesting why they or their groups should get increases or be put from Group A to B to C to D, or whichever way there is of having the nomenclature.

If what many of these people say is true, we don't need a Superintendent, we don't need any assistant superintendents, and we don't need a business manager or any of the directors. They are running, each by her own little self or his own little self, the School Department.

Now, let's find out through the survey what is going on and then we can discuss group-to-group increases or anything along those lines.

Miss Fitzgerald: Madam Chairman, could I ask a question before we vote on Mr. Muchnick's motion? How long has it been since there was a general revision

in the salary schedule for the non-academic personnel, Miss Reynolds? I don't mean a cost-of-living increase. I mean a revision.

Business Manager: A year ago, about January 1st.

Secretary: Those were not general. There were just a few.

Business Manager: It was the recommendation of the salary board a year ago January 1st.

Mr. Carr: Mr. Smith, despite the impression given on how these people go right ahead, what was the true policy on promoting them from group-to-group?

Business Manager: The original policy, as I remember it, of the Salary Board, was that a person should not go from one group to another until their duties changed and they assumed more responsibility and more duties.

The first year I was here, 1947, the then Salary Board consisted of the then Superintendent, Arthur Gould, and the then Secretary, Miss Kane, and myself.

We departed from that general policy for the first two years for this reason: The only raise that these people got on a general basis was the \$200 so-called E. C. A.—Emergency Compensation Allotment, so that by 1947 every clerk in here was practically at a low level in comparison with the work they were doing.

For those two years, because of the cost of living situation, we recommended that every clerk be moved along. Of course, within groups they went along automatically but every clerk who had reached the top of his particular group automatically went into the new group, and it was a radical departure from the original intent of the Salary Board because of the cost-of-living situation.

Mr. Carr: Mr. Smith, in cases where you now have, say, a vacancy occurring in a higher group and it is necessary to fill that vacancy, and you promote someone or have someone from the other group promoted, and they take over the duties of that higher group, you still would be unable to give them the money that the higher group calls for, wouldn't you, under the present policy?

Business Manager: I know you did it in my office last December on Ted Whelan, who took over Miss King's duties.

Mr. Carr: The only ones who would get an increase would be those who were recommended by the head of the department, and that would probably only be in cases where they have taken on additional duties.

Business Manager: That was the way it has been the last year or so, because it has been our understanding for the most part that salaries were frozen, so the Salary Board has never met—plus the fact that there is also a survey in the offing. The Salary Board has never met because we felt that it was not the wish of the School

Committee for us to meet and make any recommendations. I think that is a fair statement.

Mr. Carr: Madam Chairman, I move that we take the \$11,000 that we just struck out to pay the training teacher, and make a proviso in the budget for these people who, in the future, may be promoted from one group to another, and take on the additional duties of a higher paid position to be given the money that they do, and I would like to see you put that \$11,000 in with this \$3572, to insure that if they are asked to do the work and take a higher position, we show them that in good faith we are willing to pay them the money.

Mr. Muchnick: Madam Chairman, if I remember correctly, one of the things that was done last year by the School Committee, in line with the Strayer Survey was to eliminate the Salary Board, but this is not the time to discuss that.

However, I would like to read one page on this problem from the Survey report that I mentioned before, of January, 1931, when there were 130,000 children in the school system. This is on page 33, and the heading is, "Administration outgrowing Education," and if you will bear with me just for a minute, I think you will find it very revealing.

"A school system is a school on a large scale. A large system differs from a small one in that there may be and should be more division of labor or, as we say, more specialization, but it is still true that the ultimate purpose is to help pupils learn and to induce them to learn, and this is teaching. Supervision is necessary partly to insure some degree of uniformity and coherence in the teaching, but more to encourage and inspire the teacher in the exercise of his or her individual resources, to the best advantage.

"Administration is needed to provide the teachers, the accommodations and the implements for teaching; but administration and supervision are both subsidiary.

"When the cost of subsidiary activities outgrows the cost of teaching, and when the premium either in dignity or in perquisites is put upon them, it means that the sense of proportion is being lost and that the funds are being diverted from their original purpose, however conscientious, earnest and honest the individual workers may be in performing their respective functions.

"The recent survey showed that between 1916 and 1927 officers, custodians, fuel, light and supplies, pensions, recreations, alterations and repairs and new buildings, had each increased the share of the school dollar as compared with the salaries of teachers.

"Although salaries themselves increased quite radically their share in the total school dollar

fell from 66.8 cents, already too small, in the earlier, to 55.6 cents in the latter, and this tells but a part of the story as an increasing share of the amount charged to salaries goes to administrative duties rather than to teaching.

"Thirty per cent of the salary list goes to persons who are doing something other than or in addition to teaching. Another indication that administration is growing out of proportion to education is found in comparing the office force of the Superintendent, Secretary and Business Manager in 1916 and 1930. It increased 90 per cent in personnel and 249 per cent in cost, while the number of pupils increased 16 per cent. The office force at the Administration Building now numbers 110."

This was in 1931 when we had 130,000 pupils. "We now have, I believe, more than 110 in the office force, with only 92,000 pupils, which affords about twelve clerks apiece for the Superintendent and six assistant superintendents, the Secretary and the Business Manager, and this does not include the office force of the Department of School Buildings, which is also chargeable to administration.

"The usual effect of an excessive office force is to gather and record data in such elaborate detail that it requires as much study to get at its meaning in any concrete case as it would to obtain that meaning directly from a study of the situation. It is significant of such a result that it has been found necessary to add to the office force a statistician to interpret the great fund of data on record at the School Committee rooms."

Then it goes on more about the same thing, and it says as follows:

"As appears from the figures presented by the United States Bureau of Education, Boston's overhead in 1928 amounted to a little over four per cent, Detroit's to a little over three per cent; Philadelphia, San Francisco and Cleveland, a little less than three per cent; New York, two per cent.

"The percentage allowed for overhead charges is generally expected to be smaller in a large system than in a small system, but Boston's percentage of overhead is fifty per cent above that of the average of Massachusetts cities, as shown by the report of the Commissioner of Education."

Back in 1931 when we had 130,000 pupils, even then that teaching salary part of the dollar had gone to 55.6 cents and fell away from 66.8 cents, and the 66-cent part of the dollar was too small in the opinion of some pretty good experts.

This year, if we analyze the figures properly out of approximately \$27,000,000 that we are going to spend we find that charged against teaching salaries we have the total figure of a little under \$18,000,000 which seems to go back to the 1916 figure be-

cause it is roughly two-thirds, but in that \$18,000,000 we have \$2,000,000 worth of principals' and headmasters' salaries.

We have principals, headmasters, vice-principals, and so forth, and I have taken nothing out for heads of departments, or for, in some instances, clerical help, and so forth, that would probably reduce it by another \$1,000,000 and we are again going completely way out of proportion on the educational dollar. We are probably down, if we were to have a complete analysis to somewhere between fifty and fifty-five cents of the educational dollar going for the salary of the teacher, who is the one who has been often referred to as in the front lines.

That is where the money belongs, and I don't think, particularly in view of this survey, and the Strayer Survey and everything that I have read on education that is supposed to be basic and fundamental, that we ought to make it worse than it now is.

Miss Fitzgerald: Madam Chairman, we were being asked to consider the payment of \$11,000 to those who are non-residents of the city of Boston. I would like to see us—

Mrs. Lyons: Miss Fitzgerald, may I correct you? I simply brought that point up as a point of information. I think probably you all had a letter from Mr. Desmond. Did they get copies of that, Miss Reynolds?

I am not asking anyone. That was merely up to you as a point of information.

Miss Fitzgerald: I would still like to see that \$11,000 go to those who are being asked to do the work in these various groups currently.

Mrs. Lyons: Would you take a vote on that, please, Miss Reynolds?

Dr. Foley: What is the motion?

Secretary: Mr. Carr moved that we take the \$11,000 just stricken out and make a proviso in the budget that those people in the future, who may be promoted from one group to another be given the money for the work that they are doing.

Mr. Muchnick: Madam Chairman, if that \$11,000 has been stricken out, it does not exist. May I suggest that the motion be amended so that Mr. Carr will just by his motion have before us the addition of \$11,000. Even though I intend to vote against it, I would just as soon see it in proper form.

Mrs. Lyons: Do you have that, Miss Reynolds?

Mr. Carr: I move that \$11,000 be included in the budget as a proviso that those people in the future who may be promoted from one group to another be given the money for the work they are doing.

On roll call the order failed of passage by the following vote:

YEAS—Mr. Carr and Miss Fitzgerald—2.

NAYS—Dr. Foley, Mrs. Lyons, and Mr. Muehnick—3.

Mrs. Lyons: "Include for Instruction a sufficient amount to take care of certain inequities."

I think probably \$15,000 would cover the inequities in Instruction.

Business Manager: What do you mean by that, Madam Chairman?

Mrs. Lyons: That would be in going through this I found many inequities in that.

Business Manager: We have already taken care of that. We have \$77,000 to take care of everything in there, including inequities.

Mrs. Lyons: That would have to be voted on before you put in the \$77,000.

Business Manager: We took care of every emergency in this thing—at least we made provision for it. At a later date the School Committee will decide which petitions will be granted and which denied.

Mrs. Lyons: Then there will be included under Instruction a sufficient amount to take care of inequities.

Then on page 3: "Full-time clerks assigned to members of the School Committee will be charged to the Secretary, Miss Reynolds, and will be under her supervision."

Business Manager: We are leaving the two clerks under the appropriation for School Committee, but we are striking out the words "To Mr. Carr" and "To Miss Fitzgerald," as I understand the motion.

Mrs. Lyons: They are to be charged to Miss Reynolds, not the School Committee.

Business Manager: And have no charge—

Mr. Carr—That was not the original motion that was voted on.

Business Manager: I thought the original motion was just to strike out "To Mr. Carr" and "To Miss Fitzgerald." You mean, take the money out?

Mrs. Lyons: Take the money out of the School Committee and add it to Miss Reynolds.

Business Manager: All right.

Mr. Carr: Mr. Smith, do you have a file on the expenses incurred by the individual members of the School Committee?

Business Manager: No, I don't have a file on that.

Mr. Carr: Do you compile a list of all the individual expenses such as any expense that has been prompted by a School Committee member?

Business Manager: What do you mean, Mr. Carr?

Mr. Carr: Such as furnishings for their office, lunches, taxicabs,—what others? You have bills up there.

Business Manager: Yes, we have that information.

Mr. Carr: Would you give me a list of the total expenses?

Business Manager: You mean broken down by—

Mr. Carr: Yes, individual members.

Business Manager: From what date?

Mr. Carr: Since we got in here—two years.

Business Manager: All right.

Mr. Muehnick: Madam Chairman, while that list is being compiled, I wonder if we couldn't take a little respite for lunch?

Mrs. Lyons: We will recess for lunch and be back.

Business Manager: We are going to need time on the recapitulation of these figures. We have to have about an hour to put in the proper amounts.

Mr. Carr: Let's go.

Business Manager: We have sent one figure. We have to arbitrarily cut every appropriation, administration, etc. Then we add the rest on to a letter to the Mayor saying we need additional funds, so it is going to take a little time. That is why I say if you could arrive at this now it would save time.

Mr. Muehnick: If there are any other objections, let's have them and get it over with.

Mrs. Lyons: Are there any objections to any other items that we read as we went along?

Miss Fitzgerald: Madam Chairman, I would be in favor of proceeding as we have been and taking each suggestion up at one time. I don't think we should be asked to make a sweeping vote.

Mrs. Lyons: This is on Page 3: "Increase surveys from \$20,000 to \$25,000."

On page 14: "Make provision for the cost of an IBM machine for the use by the Department of Investigation and Measurement."

Business Manager: I suggested \$5000.

Miss Fitzgerald: Madam Chairman, I would like to make an added proviso there, that in case this IBM machine cannot be developed which would take care of our situation adequately we put in a provision for the temporary clerks.

What amount would that be, Mr. Smith.—\$16,000?

Business Manager: I think the original amount was \$16,000.

Miss Fitzgerald: I so move, Madam Chairman.

Mrs. Lyons: Would you call the roll on that, please?

Secretary: Miss Fitzgerald moved that if we are not able to get the machine suggested, we put in the money—

Miss Fitzgerald: In time to evaluate tests for this year, Miss Reynolds.

(Rollcall.)

Mr. Carr: Yes.

Miss Fitzgerald: Yes.

Dr. Foley: No.

Mr. Muehnick: No.

Chairman: No.

Mrs. Lyons: On page 20: "Include a sufficient amount to provide for an increase for temporary clerical assistants from \$7.50 to \$8.00 per day."

Mr. Carr: Mr. Smith, I think your intent here was that you were unable to get temporary

clerical help for \$7.50 a day. Is that it?

Secretary: We have difficulty.

Mr. Carr: Do you think fifty cents is going to clear up that difficulty?

Secretary: I think it will help.

Mr. Carr: An added fifty cents? Mrs. Lyons: Bring them up to \$40 from \$37.50, which isn't very much.

Business Manager: If you made it \$8.50—you see, I don't want to get them over the regular help.

Mrs. Lyons: The minimum. That is why I suggested this amount.

Business Manager: \$42.50 would be under the regular help.

Mrs. Lyons: Why don't we make it from \$7.50 to \$8.50 a day?

Mr. Carr: Could you bring them in at the same amount as you bring the original employees from Civil Service?

Business Manager: We have always had it just under. This \$42.50, I think, would help. It is \$5 more than they are now getting a week.

Mrs. Lyons: Any objection to that?

Page 66: "Elementary and day districts including kindergartens—deduct \$100,000."

Page 77: "Junior high schools—deduct \$70,000 from supplies."

Mr. Muehnick: Is that \$70,000. Madam Chairman, from supplies or from junior high schools?

Mrs. Lyons: That is from junior high schools.

Business Manager: The total amount of supplies is only \$70,000.

Mrs. Lyons: That was from the entire department. That was to be left at your discretion.

Page 78-93: "Day Latin and high schools: Deduct \$136,000."

Page 106: "Speech improvement classes, deduct \$5,000."

Page 116: "Physical Education—deduct \$50,000."

Page 119: "Auxiliary Services (school physicians and nurses)—deduct \$25,000."

Page 122: "Medical aids—add sufficient to give each medical aid an increase of \$180, per year."

Business Manager: We figured that from April 1st.

Miss O'Brien: No, from September.

Business Manager: We figured this from September 1st. I don't know what the wishes of the School Committee are but we figured it from September 1st, and the cost would be \$900.

Mrs. Lyons: That is all right as far as I am concerned. Are there any objections to that?

Mr. Muehnick: Are they in the group that can get an increase from January 1st?

Business Manager: Yes. They are not teachers so that they could be increased anytime.

Mr. Muehnick: Why not give it to them from July 1st? That would increase the cost another \$400.

Business Manager: Miss O'Brien says it would be \$1350 instead of \$900.

Mr. Muehnick: Yes.

Business Manager: From July 1st?

Mr. Muchnick: Is that all right, Madam Chairman?

Mrs. Lyons: That is all right. If it is all right with everyone, it is all right with me.

On Page 140: "Custodians—deduct \$100,000."

Page 141: "Operation of plant and fuel—deduct \$28,000."

"Light and power—deduct \$20,000."

Page 142: "Telephones—deduct \$8000."

"Other expenses for operation of plant—deduct \$10,000."

Dr. Foley: I move that these items be adopted by the School Committee.

Mrs. Lyons: Any objection?

Mr. Muchnick: Madam Chairman, with whatever has been taken out and what has been included in the general discussion out and in, I think everybody knows what they are.

Mrs. Lyons: Miss Reynolds, would you call the roll on Dr. Foley's motion that these be adopted?

Secretary: That these items on the three-page stencil with the various changes be adopted.

[Rollcall: Five Yes.]

Superintendent: Madam Chairman, are you going into conference when you come back?

Mrs. Lyons: Yes. I think that we will, Mr. Superintendent. Are there some items to come up in conference?

Superintendent: One.

Miss Fitzgerald: Mr. Carr has to return to his office at four o'clock so that if we are going to reconvene for public meeting purposes, there will be a full board present.

Mrs. Lyons: If people can get back, it will be all right.

Mr. Muchnick: Madam Chairman, this is only going to be a perfunctory thing, isn't it, Henry?

Business Manager: No, this is more than perfunctory. This is it.

Mr. Muchnick: Yes, but it will be prepared.

Business Manager: Let me now suggest this motion, and this is with your grand total now.

With what you have done previously and what you have done today, the money to be appropriated for General School Purposes for 1953 amounts to \$24,769,754.04.

Now you ought to have a vote in conference, Madam Chairman, because it needs four votes to accept that figure.

Dr. Foley: What was the other figure, Henry?

Business Manager: On February 1st, it was \$25,183,000, and then we made certain adjustments after that; so, with all of those adjustments, this now is the final figure.

Mr. Muchnick: Is that less than the amount appropriated last year?

Business Manager: Yes, that is roughly somewhere around \$132,000 less than what was appropriated last year for General School Purposes.

Mr. Muchnick: And the School Buildings budget is also less than was appropriated last year by some \$430,000?

Mrs. Lyons: \$434,000.

Mr. Muchnick: Madam Chairman, I think I am correct in this observation, and I would like to make the observation that this is probably the first time in twenty years that the School Committee on its own motion has appropriated less money in any one year than in preceding years.

Last year, incidentally, some of the net total which is about \$500,000 above this year's figure, was reduced to that figure by action on the part of the Mayor; so that for all practical purposes this School Committee in total is seeking to appropriate from tax money almost a million dollars less in total than had been appropriated by it initially last year prior to action on the part of the Mayor.

I think it is an indication 'hat this School Committee is trying to see the facts as they exist, declining school population, and is trying to fit the budget consistent with the decline in population and consistent further with the tax situation in this City.

Business Manager: May I make a statement, Madam Chairman? As you know, we can only appropriate part of that \$24,000,000 today. We can appropriate up to our legal limit, which is \$22,800,000 odd. The rest of the money, which will be about \$1,900,000-odd, we will have to request the Mayor and the City Council to appropriate.

Dr. Foley: As they did in June of last year?

Business Manager: Yes, to complete this budget.

Secretary: Mr. Smith just said we should take a vote on that \$24,000,000.

Dr. Foley: I move that we have such a motion for \$24,769,754.04.

Business Manager: That will be split up two ways, of course. You understand it?

Secretary: No, I don't.

Mr. Muchnick: We have to make a motion, don't we, Mr. Smith, to appropriate what we can appropriate, and a second motion to ask the Mayor and the Council to appropriate the difference?

Business Manager: That's right. Make the appropriation \$22,820,686.49. That is the total of your appropriating power, so that is all you can appropriate.

Secretary: Now the ballot, please.

[Rollcall: Five Yes.]

Business Manager: Now the next is the letter to the Mayor which will request an additional

appropriation from the Mayor and Council of \$1,949,065.55.

[Rollcall: Five, Yes.]

ELECTION OF ASSISTANT SUPERINTENDENT

Mrs. Lyons: Before we recess there is just one other item that could be taken up in conference, and then we can come back. That is the election of an Assistant Superintendent.

At a meeting of the School Committee on Mar. 24, 1951, Mr. Herlihy was elected Assistant Superintendent for the period May 25, 1951, to Aug. 31, 1953.

That, I believe, now is in the hands of the Superintendent. Would you wish to nominate someone for that?

Superintendent: Yes, Madam Chairman. I am very glad to.

The Superintendent then read his letter presenting the nomination of Frank J. Herlihy as Assistant Superintendent.

On roll call the members, as their names were called, respectively stated that they voted as follows:

For FRANK J. HERLIHY—Mr. Carr, Miss Fitzgerald, Dr. Foley, and Mrs. Lyons—4

PRESENT—Mr. Muchnick—1
Mr. Muchnick: Madam Chairman, in my opinion Mr. Herlihy has been a good Assistant Superintendent, and I would like very much to vote for him.

As a matter of policy I don't think we need as many as six Assistant Superintendents, so I am going to vote present. I think Mr. Herlihy upon his re-election will continue to do a good job.

Mrs. Lyons: I am very happy to vote for Mr. Herlihy.

Dr. Foley: Madam Chairman, I move you, although it is not customary, that we suspend the rules of the School Committee in order that we can elect Mr. Herlihy, and that can be done at a public meeting or it can be done in conference because Mr. Carr is going away.

Mrs. Lyons: It will have to go into the meeting, but we can do that.

Mr. Muchnick: Madam Chairman, if there is any problem about suspension of the rules, I will be very happy to follow the wishes of the majority of the Committee and vote to suspend the rules if there aren't enough people present, but you only need three votes anyway.

Superintendent: Madam Chairman, just to be sure that the record is right, Dr. Foley is asking, is he not, that this Committee suspend the conference and go into public meeting for the official election of Mr. Herlihy?

Is that true, Doctor?

Dr. Foley: I so move.

Mrs. Lyons: That is Dr. Foley's motion.

The Committee adjourned.

Attest:

AGNES E. REYNOLDS
Secretary

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, effective July 7, 1953, the Traffic Rules and Regulations of the City of Boston are amended as follows:

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by striking out the following:

Albany Street, Boston Proper.

Southeast side, from Broadway to Massachusetts avenue, 8 A.M. to 10 A.M.

Beach Street, Boston Proper.

South side, from Atlantic avenue to Washington street, 7 A.M. to 6 P.M.

Berkeley Street, Boston Proper.

Southwest side, from Boylston street to Commonwealth avenue, 4 P.M. to 6 P.M.

Brattle Square, Boston Proper.

West side, from Brattle street to Elm street, 24 hours.

Centre Street, Roxbury.

North side, from Bickford street to a point fifty (50) feet west of Bickford street, 24 hours.

Chardon Street, Boston Proper.

East side, from Bowdoin square to Chardon court, 24 hours.

East side, from Hawkins street to Bowker street, 24 hours.

Franklin Street, Brighton.

West side, from Lincoln street to a point one hundred and ten (110) feet north of Lincoln street, 24 hours.

Harrison Avenue, Boston Proper and Roxbury.

Southeast side, from East Concord street to Massachusetts avenue, 24 hours.

Southeast side, from Massachusetts avenue to Eustis street, 8 A.M. to 10 A.M.

Pearl Street, Boston Proper.

Northeast side, from a point one hundred and eighty (180) feet northwest of Franklin street to Franklin street, 24 hours.

Perkins Street, West Roxbury.

North side, from South Huntington avenue to Day street, 24 hours.

State Street, Boston Proper.

South side, from Congress street to McKinley square, 7 A.M. to 6 P.M.

Stuart Street, Boston Proper.

South side, from Tremont street to Warren street, 7 A.M. to 6 P.M.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by adding the following:

Albany Street, Boston Proper.

Southeast side, from Broadway to Dover street, 8 A.M. to 10 A.M.

Southeast side, from a point one hundred and twenty-five (125) feet northeast of Massachusetts avenue to Massachusetts avenue, 24 hours.

Beach Street, Boston Proper.

Both sides, from Atlantic avenue to Lincoln street, 7 A.M. to 6 P.M.

South side, from Lincoln street to Washington street, 7 A.M. to 6 P.M.

Berkeley Street, Boston Proper.

Southwest side, from Boylston street to Commonwealth avenue, 24 hours.

Brattle Square, Boston Proper.

Both sides, from Brattle street to Elm street, 24 hours.

Centre Street, Roxbury.

Both sides, from Estrella street to Chestnut avenue, 24 hours.

Chardon Street, Boston Proper.

East side, from Bowdoin square to Bowker street, 24 hours.

Covington Street, South Boston.

West side, from East Eighth street to a point ninety-five (95) feet south of East Eighth street, 7 A.M. to 6 P.M.

Dearborn Street, Roxbury.

West side, from Eustis street to Zeigler street, 24 hours.

Florence Street, Boston Proper.

North side, from Washington street to a point fifty (50) feet east of Washington street, 24 hours.

Franklin Street, Brighton.

West and northwest side, from Lincoln street to North Harvard street, 24 hours.

Foundry Street, South Boston.

West side, from a point two hundred and fifty (250) feet north of the Broadway Underpass to opposite Macallen street, 24 hours.

Harrison Avenue, Boston Proper and Roxbury.

Southeast side, from East Concord street to Northampton street, 24 hours.

Southeast side, from Northampton street to Eustis street, 8 A.M. to 10 A.M.

Lehigh Street, Boston Proper.

Northwest side, from Albany street to Broadway, 7 A.M. to 6 P.M.

Lorene Road, West Roxbury.

North side, from Lamartine street to the New York, New Haven & Hartford Railroad, 24 hours.

Milk Street, Boston Proper.

South side, from Pearl street to a point one hundred (100) feet east of Pearl street, 24 hours.

Park Street, Dorchester.

South side, from a point one hundred and ninety (190) feet east of Adams street to Adams street, 24 hours.

Pearl Street, Boston Proper.

Northeast side, from Milk street to Franklin street, 24 hours.

Perkins Street, West Roxbury.

North side, from Zamora street to Day street, 24 hours.

Pilgrim Road, Roxbury.

Northwest side, from Francis street to Longwood avenue, 24 hours.

State Street, Boston Proper.

North side, from Congress street to Chatham Row, 7 A.M. to 6 P.M.

South side, from Broad street to McKinley square, 7 A.M. to 6 P.M.

Stuart Street, Boston Proper.

South side, from Tremont street to Warren street, 24 hours.

Thorndike Street, Boston Proper.

Northeast side, from Reed street to a point one hundred and forty (140) feet northwest of Reed street, 24 hours.

Article IV, Section 5, Part 3 (Restrictions in Five Cent Parking Meter Zones), is amended by striking out the following:

Beach Street, Boston Proper.

North side, from South street to Washington street, 8 A.M. to 6 P.M.

Berkeley Street, Boston Proper.

Southwest side, from Boylston street to Commonwealth avenue, 8 A.M. to 4 P.M.

Milk Street, Boston Proper.

South side, from Pearl street to Broad street, 8 A.M. to 6 P.M.

Pearl Street, Boston Proper.

Northeast side, from Milk street to a point one hundred and eighty (180) feet northwest of Franklin street, 8 A.M. to 6 P.M.

State Street, Boston Proper.

North side, from Congress street to Chatham Row, 8 A.M. to 6 P.M.

Article IV, Section 5, Part 3 (Restrictions in Five Cent Parking Meter Zones), is amended by adding the following:

Beach Street, Boston Proper.

North side, from Lincoln street to Washington street, 8 A.M. to 6 P.M.

Milk Street, Boston Proper.

South side, from a point one hundred (100) feet east of Pearl street to Broad street, 8 A.M. to 6 P.M.

State Street, Boston Proper.

South side, from Congress street to Broad street, 8 A.M. to 6 P.M.

Article IV, Section 11, Part 2 (Prohibition of Deliveries and Collections), is amended by adding the following:

State Street, Boston Proper.

North side, from Congress street to Chatham Row, 4 P.M. to 6 P.M.

Article V, Section 1 (One-Way Streets), is amended by striking out the following:

Asylum Street, Boston Proper.

From Harrison avenue to Washington street.

Davis Street, Boston Proper.

From Washington street to Harrison avenue.

Decatur Street, Boston Proper.

From Washington street to Harrison avenue.

Dixwell Street, West Roxbury.

From Columbus avenue to School street.

Florence Street, Boston Proper.

From Harrison avenue to Washington street.

Fruit Street, Boston Proper.

From North Grove street to Charles street.

Lovering Street, Boston Proper.

From Washington street to Harrison avenue.

Motte Street, Boston Proper.

From Harrison avenue to Washington street.

Weld Avenue, West Roxbury.

From School street to Columbus avenue.

Wood Street, Charlestown.

From Main street to High street.

Article V, Section 1 (One-Way Streets), is amended by adding the following:

Asylum Street, Boston Proper.

From Washington street to Harrison avenue.

Charlesgate East, Roxbury.

From Boylston street to Ipswich street.

Davis Street, Boston Proper.

From Harrison avenue to Washington street.

Dearborn Street, Roxbury.

From Eustis street to Albany street.

Decatur Street, Boston Proper.

From Harrison avenue to Washington street.

Dixwell Street, West Roxbury.

From School street to Columbus avenue.

Florence Street, Boston Proper.

From Washington street to Harrison avenue.

Fruit Street, Boston Proper.

From Charles street to North Grove street.

Greylock Road, Brighton.

From Allston street to Glenville avenue.

Haslet Street, West Roxbury.

From Metcalf street to Roslindale avenue.

Lithgow Street, Dorchester.

From Washington street to Talbot avenue.

Lovering Street, Boston Proper.

From Harrison avenue to Washington street.

Mail Street, Roxbury.

From Dearborn street to Albany street.

Motte Street, Boston Proper.

From Washington street to Harrison avenue.

Rosecliff Street, West Roxbury.

From Washington street to Kittredge street.

Winthrop Street, Roxbury.

From Greenville street to Warren street.

Weld Avenue, West Roxbury.

From Columbus avenue to School street.

Wood Street, Charlestown.

From High street to Main street.

Article VII, Section 3 (Exclusion of Vehicles in Market District), is amended by adding the following:

On Saturdays, and the day immediately preceding a legal holiday, vehicles are excluded from the following street, between the hours of 8 A.M. and 11 P.M.:

Hanover Street, Boston Proper.

From Union street to Blackstone street.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, the Traffic Rules and Regulations of the City of Boston are amended as follows, effective July 7, 1953:

Article VI, Section 17 (Isolated "Stop" Streets), is amended by adding the following:

Albany Street, Roxbury.

At Mall street.

Bowdoin Street, Dorchester.

At Hamilton street.

Cummins Highway, Dorchester.

At Greenfield road.

At Weybosset street.

Eustis Street, Roxbury.

At Dearborn street.

Geneva Avenue, Dorchester.

At Toplift street.

At Westville street.

Green Street, West Roxbury.

At Alfred street.

At Chestnut avenue.

Regent Street, Roxbury.

At Circuit street.

Saratoga Street, East Boston.

At Prescott street.

EXTENSION OF BATEMAN STREET, HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the laying out and construction of an extension of Bateman street, Hyde Park district, as a highway, from the West Roxbury boundary line to Grassmere road, bounded and described as follows:

An extension of the highway named Bateman street is hereby laid out, from

the West Roxbury boundary line to Grassmere road, and ordered constructed.

Said highway and the land, exclusive of trees, shrubs or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Northerly by the West Roxbury-Hyde Park boundary line, 41.19 feet; easterly by the easterly line of said extension of Bateman street as hereby laid out, 316.92 feet; southerly by Grassmere road, 41.48 feet; and westerly by the westerly line of said extension of Bateman street as hereby laid out, 318.10 feet.

Trees, shrubs or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting parcels of land situated on both sides of Bateman street as extended under this order from the West Roxbury boundary line to Grassmere road, under the order of the Board of June 18, 1953, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan marked "City of Boston, Bateman Street, Hyde Park, West Roxbury, Assessment Plan, May 21, 1953, James W. Haley, Chief Engineer, Street Laying-Out Department," and on file in the office of this department.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the laying out and construction of an extension of Bateman street, Hyde Park district, as a highway, from the West Roxbury boundary line to Grassmere road, under the order of the Board of June 18, 1953, and awards no damages therefor.

EXTENSION OF WAKEFIELD AVENUE, HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for a public improvement consisting of the laying out and construction of an extension of Wakefield avenue, Hyde Park district, as a highway, from Badger road to Needham road, bounded and described as follows:

An extension of the highway named Wakefield avenue is hereby laid out from Badger road to Needham road, over the private way known as Washington street, over part of the public way known as Washington street and over part of the public way known as Needham road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to City of Boston (Real Estate Commission), bounded:

Northeasterly by the southwesterly line of Needham road, as it existed prior to this order, 12 feet; southerly by the southerly line of Wakefield avenue as laid out under this order, 18.85 feet on a curve of 12 feet radius; and northwesterly by the southeasterly line of Washington street as it existed prior to this order, 12 feet, containing 31 square feet, more or less.

Trees, shrubs or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said extension of Wakefield avenue is bounded:

Southwesterly by Wakefield avenue (highway) at Badger road, 40 feet; northwesterly by the northwesterly line of Wakefield avenue as hereby laid out, 371.62 feet; northeasterly by Washington street, 40 feet; easterly by the easterly line of Wakefield avenue as hereby laid out, 18.85 feet on a curve of 12 feet radius; southeasterly by the southeasterly line of Wakefield avenue as hereby laid out (Needham road), 40 feet; southerly by the southerly line of Wakefield avenue as hereby laid out, 18.85 feet on a curve of 12 feet radius; southwesterly by the southeasterly line of Wakefield avenue as hereby laid out, 230.49 feet; easterly by the easterly line of Wakefield avenue as hereby laid out, 23.48 feet on a curve of 13 feet radius; and southerly by the southerly line of Wakefield avenue as hereby laid out, by three measurements, 41.54 feet, 25.41 feet on a curve of 19.03 feet radius, and 4.50 feet.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting parcels of land situated on the southeasterly side of Wakefield avenue as extended under this order, between Van Brunt street and Needham road, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on the plan herebefore referred to and on file in the office of this department.

Parcel.	Amount.
3. Security Homes, Inc.....	\$448 35
4. City of Boston (Real Estate Commission)	325 07
Total	\$771 42

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement consisting of the laying out and construction of an extension of Wakefield avenue, Hyde Park district, as a highway, from Badger road to Needham road, under the order of the Board of June 23, 1953, and awards no damages therefor.

City of Boston (Real Estate Commission), 31 square feet, nothing.

CIVIL SERVICE EXAMINATIONS.

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence.

CITY OF BOSTON.**PARK DEPARTMENT.****TO HEATING CONTRACTORS.**

INVITATION FOR PROPOSALS FOR FURNISHING AND INSTALLING A NEW HEATING PLANT AT THE PARIS STREET GYMNASIUM, PARIS STREET, EAST BOSTON, MASS.

The Park Commissioners of the City of Boston, 33 Beacon street, hereinafter referred to as the Awarding Authority, invite sealed proposals for furnishing and installing a new heating plant at the Paris Street Gymnasium, Paris street, East Boston, Mass.

Proposals will be received until 2 o'clock P.M. on Tuesday, July 14, 1953, at the office of the Awarding Authority, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$2,500, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required. The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

Proposals for Bituminous Concrete Pavement and Sewerage Works in Forest Street, Wards 18 and 19, from Canterbury Street to Beech Street; Summit Street, Ward 18, from New Boston Avenue to Williams Avenue; and Such Additional Locations, Any, in Wards 18 and 19, As May Be Designated by the Commissioner of Public Works.

The Commissioner of Public Works of the City of Boston, Room 508 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least one-half thereof is owned by a citizen or citizens of the United States for the concrete pavement and sewerage works in Poplar street, etc. A bond will be required for the full performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Bituminous Concrete Pavement and Sewerage Works in Poplar Street, etc.," and left at Room 508 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of THURSDAY, JULY 16, 1953, with a certified check for SIXTY-FOUR HUNDRED (\$6,400) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room of the Street Commissioners, Room 401, City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 508, City Hall Annex. There will be a charge of two dollars (\$2) for each set of plans and specifications taken out. If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. HYLAND,

(July 4.) Commissioner of Public Works.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET, OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING SEWING SUPPLIES FOR THE BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing and delivering to the Supply Room of the School Committee sewing supplies for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Sewing Supplies for the Boston Public Schools." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager on or before 12 o'clock noon on Friday, July 17, 1953. Copies filed with the Business Manager after the public opening at 12 o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept such bid or bids as it may deem best for the interests of the city. The successful bidders will be required to furnish a reliable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

HENRY J. SMITH,
Business Manager of the School Committee.
(July 4.)

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO PAINTING CONTRACTORS.

INVITATION FOR PROPOSALS FOR INTERIOR AND EXTERIOR PAINTING AT THE JOHN MARSHALL SCHOOL, WESTVILLE STREET, DORCHESTER, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereby refers to the City Auditor, City Hall, Boston, Mass., for the awarding of authority, invites sealed proposals for interior and exterior painting at the John Marshall School, Westville street, Dorchester, Mass.

Proposals will be received until 12 o'clock noon, Monday, July 13, 1953, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., and the work bid upon. One copy shall be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$100, must be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be so secured and advantage, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of chapter 152 of the General Laws (chapter 149 of the Acts of 1922), or chapter 149 of the Acts of 1922, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company in full force and effect during the term of the full amount of the contract, shall be required of the successful general contractor. The Awarding Authority reserves the right to waive any informalities and to accept any bid or bids if it be in the public interest so to do.

JAMES H. MOONET,
(July 4.) Superintendent of Construction.

CITY OF BOSTON.

BOSTON TRAFFIC COMMISSION.

CHANGES IN TRAFFIC REGULATIONS.

Voted. That the Traffic Rules and Regulations of the City of Boston are amended as follows, effective July 6, 1933:

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by striking out the following:

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO GENERAL CONTRACTORS.

INVITATION FOR PROPOSALS FOR MAKING ALTERATIONS IN THE ROXBURY MEMORIAL HIGH SCHOOL FOR BOYS, WARREN, TOWNSEND, AND DECKARD STREETS, DORCHESTER, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for making alterations in the Roxbury Memorial High School for Boys, Warren, Townsend, and Deckard streets, Dorchester, Mass.

Proposals will be received until 12 o'clock noon, Thursday, July 16, 1933, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$500, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Plans and specifications may be obtained at the office of the Awarding Authority.

Subbidders bidding on the work of subcontractors shall use the Awarding Authority's form, and be obtainable from the Awarding Authority.

All subbidders' proposals must be in the possession of the Awarding Authority and delivered or mailed to the general bidder no later than 12 o'clock noon, Monday, July 13, 1933.

A bid deposit in the form of cash or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in a sum not less than five per cent of the amount of his bid, shall be submitted by each subbidder with the copy of his proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, for the full amount of the contract will be required of the successful general contractor.

Information relating to the performance bonds of subcontractors is set forth in the notice to subbidders.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids. The Awarding Authority also reserves the right to reject all subbids or any item or items in accordance with the provisions of chapter 480 of the Acts of 1933.

JAMES H. MOONEY,
 Superintendent of Construction.

MAYOR HYNES LEADS IN PROTEST AGAINST PLANS OF MTA OFFICIALS TO INCREASE FARES TO 20 CENTS — "DEFICIT NOW A MAJOR COST OF CITY GOVERNMENT," HE COMMENTS — DEPLORES PROPOSED INCREASE.

The MTA increase will, if it does nothing else, serve to focus attention on the serious financial state of the road.

I have repeatedly, over the past few years, called attention to this situation. I have repeatedly shown that the MTA deficit has become a major cost of city government. I have recommended that fringe communities share in the payment of the deficit. I have tried to have changed the deficit formula which I claim is unfair to Boston.

This is not the time for political heroics. Under the law, the Trustees of the MTA are required to establish a fare to meet operating costs. If this is not done, the other alternative is to continue to burden the home owner, and the tenant, with the full cost of the deficit. Either way, the result is the same—those less able to pay must shoulder additional expenses.

The MTA problem is not going to be cured by ratings and recriminations. What is needed is an entirely new ap-

(Continued on page 927.)

CITIZENS RESPONDING GENEROUSLY TO APPEALS BY MAYOR HYNES FOR RELIEF FOR TORNADO VICTIMS — \$1,669.67 COLLECTED AT MAYOR'S CHARITY FIELD DAY.

First reports received by Mayor John B. Hynes from the Boston Traffic Department indicate that both motorists and pedestrians are responding generously to his appeal for "dimes in the parking meters" for further relief of the Central Massachusetts tornado victims. More than 4,300 dimes have been collected in some of the suburban areas and a few scattered sections of downtown Boston.

Because of the large number of meters (7,900) it takes about a week for the city collectors to make the rounds. Consequently, a complete report on the number of dimes that were deposited in the meters last week will not be received by the Mayor until the end of this week. Meanwhile, it is the hope of the Mayor that all motorists will each drop a dime in a meter and thereby give more aid

AS DETERMINED TO BE MASTERS OF OUR MINDS AND BODIES TODAY AS WERE THE FOUNDING FATHERS WHEN THE INDEPENDENCE OF OUR NATION WAS FIRST PROCLAIMED — MAYOR JOHN B. HYNES, IN ADDRESS OF INTRODUCTION AT JULY FOURTH EXERCISES AT FANEUIL HALL — FREEDOM SHALL EVER CONTINUE TO BE BRIGHTEST STAR IN NATION'S FLAG — HE SOUNDS WARNING TO COMMUNISTS.

At the Faneuil Hall exercises in observance of July Fourth Mayor John B. Hynes spoke as follows:

Since 1783, a period of 170 years, these patriotic exercises have been conducted in an unbroken sequence in this historic old hall.

During that long stretch of years our nation has grown to be the strongest, the most powerful, the most influential country in the annals of civilization.

During that long stretch of years we have borne arms against aggressors; we have borne arms to preserve our unity; we have borne arms to protect ourselves, and humanity in general, from the demagogue, the despot, and the despoiler of men's minds.

During that long stretch of years we have given freely of our resources, our substance, and the most precious possession of all, the lives of our youth, that liberty, freedom, and justice might continue to be the God-given heritage of all men, regardless of race, color, or religious persuasion.

We are as determined today, as determined as the founding fathers and the men of bygone generations, that freedom shall continue to be the brightest star in the flag of our nation.

No Foreign Nation Shall Prevail.

We are as determined today as were the men of Bunker Hill and Valley Forge that no foreign nation will ever prevail against us — to be master of our bodies and our minds.

For 170 years, on July Fourth, men of standing and distinction have spoken from this platform. Were we to prepare a composite review of these orations, we would find the same theme to be prevalent — that America is the home of freedom — that from freedom flows the will, the spirit, and the inspiration to live in harmony with our fellow men, to abide by the eternal laws of the eternal God, and to pass on to our successors the heritage handed to us.

We shall not let any false doctrines, any poisonous philosophies, deter us from the preservation of the bright jewels of democracy — liberty, freedom, justice — no matter what the cost may be.

(Continued on page 927.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-
teeming plain of the ocean;
May thy future be bright, thy skies beam
with light all serene,
Ensured by thy sons', and thy daughters'
unselfish devotion."

From Boston Centennial Poem by

NATHAN HASKELL DOLE.

STREET AGENCIES.

Old South News Stand, Old South entrance to subway. Also News Stand, first floor, City Hall Annex.

Advertising.

A rate of \$4 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must be in hand by 5 P.M. Wednesday of each week to insure its publication in the Saturday issue.

MUNICIPAL CALENDAR.

Meeting of the City Council, Monday, July 13, at 2 P.M.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments of streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in public streets; the making of specific repairs in public streets; the naming of

public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles, and posts for telephone, telegraph, street railways or illuminating purposes, signs, marquees, bay windows, coal holes, and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 112 Southampton street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads, and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting, and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges, and the removal of ashes and offal.

TO ROOM 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Haymarket Square, for information relative to the inspection of milk, vinegar, meat, fish, and vegetables, the issuance of permits for stables, slaughterhouses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth Avenue, Back Bay Fens, Marine Park, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made to this department for information

regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mount Hope, Evergreen, Fairview, and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 28 Norman street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal, or tearing down buildings.

TO THE STATISTICS DEPARTMENT, 63 City Hall, for historical, geographical, political, and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE ELECTRICAL INSPECTION DIVISION OF THE FIRE DEPARTMENT, 115 Southampton street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 808, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending July 4, 1933.

Population as of July, 1932, Massachusetts State Census, 817,713; population estimated July, 1931, United States Census Bureau, 801,444; number of deaths (stillbirths excluded): Residents, 146; nonresidents, 52; total, 198.

Death rate per 1,000 of population: All deaths, 13.95; nonresidents deducted, 9.52.

Death rate per 1,000 of population:

Last week, 14.57; corresponding week last year, 14.01.

Deaths by age periods, sex, etc. Under one year, 9; one year to four years, inclusive, 2; sixty years and over, 125. Total deaths: Male, 107; female, 91; deaths in hospitals and institutions, 147.

REPORTABLE DISEASES: CASES AND DEATHS.*

MAYOR HYNES RECOUNTS TO INVITEES TO WELCOME LUNCHEON OF AUTOMOTIVE ADVISORY COMMITTEE THE PROGRESS MADE IN TRAINING AND SCHOOLING FOR PREVENTION OF ACCIDENTS.

In his address on July 2 to the invitees to the Mayor's Appreciation Luncheon for the members of the Mayor's Automotive Advisory Committee, the Mayor spoke informatively as follows:

Since the Mayor's Automotive Advisory Committee was organized on December 23, 1951, thirty-four regular meetings have been held, each of not less than two hours' duration.

Sixteen different agencies outside of the City of Boston departments have cooperated—Registry of Motor Vehicles, Boston Cab Company, Massachusetts Bonding and Insurance Company, Liberty Mutual Insurance Company, Boston, Worcester & New York Street Railway Company, Harvard School of Public Health, Boston Board of Fire Underwriters, Inc., Boston Public Library, American Red Cross, Boston Council of City Employees, Ladd Visual Service, American Optical Company, the Atlantic Refining Company, New England Telephone and Telegraph Company, H. P. Welch Trucking Company, H. B. Church Truck Service Company—and are represented by the men attending the luncheon.

The Driver Education-Training Institute of the Mayor's Automotive Advisory Committee has undertaken the following:

Conducted 4 separate training classes, each of 28 semester hours; trained 484 men drawn from Boston Traffic Commission, Public Works Department, Park Department, Department of Weights and Measures, School Buildings Department, School Department, Welfare Department, Health Department, Sheriff's Office, Institutions Department, and Fire Department; 461 men have received certificates signed by his Honor, the Registrar, and the director of the course, as proof of fulfillment of all requirements; 477 men have had their eyes screened, 52 have been found with visual deficiencies, and 35 men have compensated through eyeglasses for these deficiencies; 143 safety lectures have been given; films illustrating safety lectures have been shown 105 times; 6 truck roadoes have been conducted, and 6,292 pieces of safety literature, implementing 13 different lectures, have been distributed; 1,000 safety stickers have also been distributed; 124 men have taken psychophysical tests, including reaction, steering, coordination, glare recovery, and field of vision tests.

Excluding the Police Department, the approximate number of vehicles in operation (864) have been mechanically maintained and on them much preventive maintenance work has been performed.

The accidents involving City of Boston drivers from September, 1951, to September, 1952, numbered 466. Accidents involving City of Boston drivers, September, 1952, to July, 1953, numbered 331, a decrease of 135 accidents, with two full months to go until comparable period, September, 1953. Before-and-after studies are impossible because not sufficient time has elapsed for comparison since the first groups of trainees graduated in November, 1952.

The accident analysis of departments was as follows:

Department	Sept. 1951 to Sept. 1952	Sept. 1952 to July 1953
Public Works.....	256	187
Traffic Commission.....	12	6
Park.....	39	14
School Buildings.....	2	1
Weights and Measures.....	3	3
Election.....	0	1
Fire.....	151	116
Institutions.....	3	3
Total.....	466	332

The City of Boston is now equipped with its own American Optical Sight Screener for eye screening; its own necessary roadoe equipment; its own 16mm. sound motion picture projector; its own Driver Education-Training Institute, accredited by Registrar Rudolph F. King; an Accident Review Board, which has not formally been set in operation, but the spirit and intent of which has been carried on by J. Leo McGrath among trained drivers who have had accidents since training and by Theodore J. Hoppe among untrained drivers who have had accidents.

The City of Boston also has its own official document, "Information Concerning Operation of City-Owned Vehicles."

The entire program, with all its ramifications, has been consistently supported and ably assisted by every individual invitee at the luncheon.

MAYOR'S ADDRESS AT INDEPENDENCE DAY EXERCISES AT FANEUIL HALL.

(Continued from page 925.)

FAITH NEVER TO BE BROKEN.

Let the poor, misguided, fuzzy thinkers of our generation, be they in halls of learning or in the market place, expound the delights of a godless society. Let knaves and fools prate about the benefits that will flow from a communistic hierarchy, but let us hold firm always to this essential fact—once we lose our sense of the value of freedom we have lost our grip on the wheel which has guided America to its place of prominence in the world, and which has given the American people a position superior to any other peoples in the history of the world.

Let us never break faith. Let us always remember that God is in His heaven and that as long as we look up to Him, America, the beautiful, will survive.

On this anniversary of the Declaration of Independence I am especially proud to present as the orator of the day a distinguished scholar, a member of the clergy of the Baptist Church, and the first Negro president of Howard University of Washington, District of Columbia.

Under his guidance his institution has become one of the finest schools of learn-

ing in our country. Under his tutelage the minds of our youth are being formed and prepared to meet the challenge of the future. It is a great pleasure for me to introduce Dr. Mordecai Wyatt Johnson, the president of Howard University, as the orator of this great national holiday.

MAYOR'S APPEAL FOR TORNADO VICTIMS NETS \$1,669.67 AT FIELD DAY.

(Continued from page 925.)

and encouragement to the homeless and jobless in the disaster stricken section of the state.

The collection being taken up by the Mayor for the cause was increased a bit when more than \$350 was received by mail from generous Boston residents. A contribution of \$259 was also received from the drivers of the Checker Taxi Company. Girl Scout leaders of Boston also turned in \$435, the proceeds of a box collection taken up on the streets of downtown Boston during a lunch hour last week.

Reports on the amounts of money collected in the coin boxes that were passed through the gathering at the Mayor's Charity Field Day at Fenway Park, Monday night, showed a collection of \$1,669.67.

The parking meter campaign for dimes and the box collections at the drug stores, restaurants, and taverns continues for the remainder of the week. Contributions sent by mail should be directed to either the Mayor or to City Treasurer Daniel Driscoll, City Hall.

MAYOR HYNES VIGOROUSLY PROTESTS MTA FARE INCREASE.

(Continued from page 925.)

proach, a recognition that mass transportation is an economic necessity; that fares cannot be established beyond a certain point without diminishing returns; that home owners and tenants should not be expected to pay increasing annual taxes because of the MTA deficit; and that some form of subsidy must be legalized to insure the efficient operation of the mass transportation systems.

Many millions of dollars are spent annually for new roads and repairs to roads. The general use of the automobile has made this necessary. It is the automobile, also, which is the cause of the present mass transportation problem throughout the country.

Thought must be given, therefore, to the advisability of giving mass transportation systems as much consideration as we give the mass movement of automobiles. This could be accomplished if legal means were found to aid transportation systems through the highway fund. Both are economic necessities in a modern age and both have been brought about by the general use of the motor vehicle. Certainly, this is no time for thoughtless, passionate outbursts concerning a hard core problem of long standing. There is no quick, easy or painless solution to the troubles of the MTA. The whole problem should be viewed in the light of present conditions. In my opinion, no mass transportation system can be operated with an acceptable fare, without a recognition that the mass transportation system is just as

(Continued on page 928.)

MAYOR AGAINST FARE INCREASE.

(Continued from page 927.)

important and just as necessary as the maintenance of highways and roads.

I had no prior knowledge of the proposed increase in fares. I repeat, once again, that I deplore the increase. I am willing and anxious to join in any constructive measures suggested which will lead to the solution of this, the most pressing of our community problems.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of city employees have been made:

HEALTH DEPARTMENT.

The following provisionally employed public health nurses have been dropped from our payroll:

Jean McCarthy, Marion Pless, Mary Fox Shirley Ellis, Genevieve Jacobsen.

The resignation of Alice G. Maher, public health nurse, has been approved as of June 26, 1953.

HOSPITAL DEPARTMENT.

General Division.

For the week ending June 16:

The following weekly nurses have been appointed:

Permanent.—Gertrude O'Connor, 9 Judson street, Malden, floor nurse, \$1.50 an hour; Mary Caulfield, 19 Patterson Way, floor nurse, \$65.50 a week; Madeline Drouin, 710 Massachusetts avenue, floor nurse, \$63 a week; Charlotte Kellcher, 48 Waverly street, floor nurse, \$1.50 an hour; Jeanne Papineau, 736 Washington street, Dedham, head nurse, \$73 a week; Marjorie Gledhill, 49 Worthington street, floor nurse, \$65.50 a week.

Temporary.—Juanita (Outlaw) Long, 19 Perkins avenue, Hyde Park, floor nurse, \$1.65 an hour; Gertrude F. Clark, 13 Rosa street, Hyde Park, floor nurse, \$1.70 an hour; Genevieve Larson, 50 Oak avenue, South Peabody, floor nurse, \$60.50 a week; Josephine Lane, 710 Massachusetts avenue, housemother, \$53 a week; Mary Mahoney, 45 Alabama street, floor nurse, \$65.50 a week.

Changes of Name and Address.—Claire (Rollins) Presnell, 33 Pembroke street; Mary (Lefebvre) Reilly, 33 Pembroke street; Mary (Valardi) Murphy, 125 Eastwood Circuit, West Roxbury.

The following special nurses have been appointed:

Priscilla Beckwith, 656 Massachusetts avenue, Lillian Blackburn, 60 Ashford street, Alston, 1 day; Sophie Cotter, 173 Vine Rock street, Dedham, 2 days; Alice Cummings, 65 St. Botolph street, 3 days; Marie Clark, 355 North avenue, Wakefield, 6 days; Florence Dowd, 93 Williams avenue, Hyde Park, 1 day; Sonia Ferguson, 431 Old Colony avenue, 4 days; Lillian Hayes, 29 Ottawa street, Bridget Kerrigan, 55 Mt. Vernon street, 1 day; Alice Marshall, 28 West Seventh street, 4 days; Mae Owens, 255 Chestnut avenue, Jamaica Plain, 2 days; Grace Powers, 16 Spaulding street, Dorchester, 5 days; Verna Snow, 75 Damon avenue, Melrose, 1 day.

The following permanent employee has been reinstated:

Bernard J. Doherty, 189 Boylston street, Jamaica Plain, hospital kitchen worker, \$50.50 a week.

The services of the following employees have been terminated:

Permanent.—Agnes K. Ledlie, 82 Sycamore street, hospital medical worker, \$43

a week; James M. Gavin, 683 Massachusetts avenue, George H. Hicks, 2 Dunmore street, hospital laundry workers, \$48 a week; Barbara Connolly, 65 Codman Hill avenue, clerk-typist, \$7 a day; Donald Fenton, 62 Quint avenue, ambulance medical aid, \$58 a week; Takako Salvi, 34 Leyland street, floor nurse, \$1.60 an hour; Angelina Smith, 3 Walford park, floor nurse, \$1.65 an hour; Margaret Sullivan, 141 Beacon street, floor nurse, \$1.50 an hour; Helen M. Currier, 44 Walker street, floor nurse, \$1.70 an hour; Constance Sherman, 227 Park Drive, floor nurse, \$1.50 an hour; Eileen MacIntosh, 46 Browning road, Somerville, floor nurse, \$60.50 a week; Howard L. Gadbys, Boston City Hospital, junior assistant resident, \$112 a month; Dr. Francis Palfrey, 95 Mt. Vernon street, physician, \$272 a month.

Temporary.—Hugh Maguire, 59 Worcester street, hospital medical work-er, \$43 a week.

For the week ending June 23:

The following weekly nurses have been appointed:

Permanent.—Jane MacKenzie, 16 Whitcomb terrace, South Weymouth, floor nurse, \$1.50 an hour; Joan Oates, 95 Esmond street, Elinor White, 2218 Massachusetts avenue, Cambridge, floor nurses, \$60.50 a week; Helen Murphy, 26 Richard avenue, North Cambridge, A. Margaret Bell, 44 Woodland avenue, Melrose, Muriel Holmes, 76 Wilder street, Lowell, floor nurses, \$1.50 an hour; Mildred Erkander, 87 St. Stephen street, floor nurse, \$63 a week; Margaret Morrell, 11 East Newton street, floor nurse, \$1.50 an hour; Constance (Amenta) Holian, 37 Child street, Jamaica Plain, floor nurse, \$1.60 an hour; Helen Foye, 13 Hathaway road, floor nurse, \$1.70 an hour.

Temporary.—Alva Stanley, 376 Marlborough street, floor nurse, \$60.50 a week.

CONTRACTS AWARDED.

Permission to award the contracts for work, materials, and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

DEPARTMENT OF SCHOOL BUILDINGS.

Upon June 22 the Mayor approved a contract with J. A. Bell Company for furnishing and installing new oil burning equipment at the High School of Practical Arts. Bids, opened June 4, were as follows:

J. A. Bell Company, \$18,226; Fred Williams, Inc., \$18,823; Powers & Mehegan Company, \$18,840; Massachusetts Heating Corporation, \$18,994; Joseph F. Dwyer, \$19,133.

Upon June 30 the Mayor approved a contract with William N. McKenna Company for plumbing work at the Williams School. Bids, opened June 29, were as follows:

William N. McKenna Company, \$2,250; Frank T. McDonald Company, \$2,342; L. H. & J. J. Jacobs Company, \$2,510; Henry J. Lyons, \$2,524; J. M. McCusker Company, \$2,540; Joseph P. O'Hearn, \$2,765.

Upon June 30 the Mayor approved a contract with American Type Founders, Inc., for furnishing and installing printing press at the Roxbury Memorial High School for Boys. Bid, opened June 29, was as follows:

American Type Founders, Inc., \$4,940; 5 per cent cash discount will be allowed if paid within 30 days.

Upon July 7 the Mayor approved a contract with J. M. McCusker Company for plumbing work at the Wyman School. Bids, opened July 6, were as follows:

J. M. McCusker Company, \$1,890; Powers & Mehegan Company, \$1,930; D. J. Rull, \$2,407; William N. McKenna Company, \$2,595; Frank T. McDonald Company, \$2,790; Modern Engineering Company, Inc., \$3,103.

Upon July 7 the Mayor approved a contract with Henry J. Lyons as requested in the following letter:

HON. JOHN B. HYNES,

Mayor of Boston.

DEAR MR. MAYOR:

In response to an advertisement in the *City Record* of June 27, 1953, the following list of bids was received and publicly opened and read aloud on July 6, 1953, for plumbing work at the Edmund P. Tilston School:

Powers & Mehegan Company, \$2,840; Henry J. Lyons, \$2,872; Joseph P.

O'Hearn, \$3,265; Frank T. McDonald Company, \$3,287; James M. McCusker Company, \$3,290; William N. McKenna Company, \$3,320; D. J. Rull, \$3,457; Modern Engineering Company, Inc., \$3,716.

You will note Powers & Mehegan Company are the lowest bidder, but they failed to comply with Paragraph C of Notice to Bidders, which reads in part, "a bid deposit in the form of a certified check payable to City of Boston in the sum called for in advertisement shall accompany proposal." Bid deposit called for in this advertisement was for \$200, check submitted by Powers & Mehegan Company was \$100.

Therefore, subject to your Honor's approval, I am awarding a contract to the next lowest bidder Henry J. Lyons, 140 Castle street, Boston, Mass., in the amount of two thousand eight hundred seventy-two (2,872) dollars.

Respectfully yours,

EDWARD M. O'FLAHERTY,
Acting Superintendent of Construction.

Upon July 7 the Mayor approved a contract with John J. Hourihan for roofing work at the Jefferson School. Bids, opened July 6, were as follows:

John J. Hourihan, \$2,488; Burgess & Blacher Company, \$2,635; John F. Shea Company, Inc., \$2,648; Cavanaugh & Earley, Inc., \$2,665; Atlas Roofing & Skylight Works, \$2,760; Eagle Concrete & Skylight Works, Inc., \$3,195; Atlantic Roofing & Skylight Works, \$3,263.

HOSPITAL DEPARTMENT.

Upon June 29 the Mayor approved a contract with Patrick Ross Company for repairs to brick work in No. 5 and No. 6 boilers in Power Plant, Boston City Hospital. Bids, opened Tuesday, June 16, were as follows:

Vicari & Salvo, \$4,745; Frank E. Ross Company, \$4,497; John M. Cashman, \$4,490; J. Welch & Son, \$3,936; Eastern Refractories Company, Inc., \$3,488; Macfarlane Company, \$3,323.43; Thomas J. Geraghty, \$2,395; Patrick Ross Company, \$2,374.

PUBLIC WORKS DEPARTMENT.

Upon June 24 the Mayor approved a contract with John F. Shea Company, Inc., the lowest bidder, for repairs to the Winthrop Bridge, between Boston and Winthrop, at an estimated cost of \$5,160—60 per cent to be paid by the City of Boston and 40 per cent to be paid by the Town of Winthrop. The work to be done under this contract is to be completed within two months from the date of order to commence work. The following bids were received June 18:

John F. Shea Company, Inc., \$5,160; Charles L. Hazelton & Son, Inc., \$6,172.50; Charles Callahan Company, \$7,504; A. Orlando, Inc., \$8,190; D. A. Rossano Construction Company, Inc., \$8,240; R. A. Buccella & Sons, Inc., \$8,445; Martin J. Kelly Company, Inc., \$8,905.

Upon June 30 the Mayor approved a contract with John McCourt Company, the lowest bidder, for bituminous concrete pavement in Annunciation road, Ward 4; sheet asphalt pavement in Ruggles street, Wards 4 and 9, and Whittier street, Ward 9; artificial stone sidewalks in Cabot street and Tremont street, Ward 9; and such additional locations, if any, in Wards 4 and 9, as may

be designated by the Commissioner of Public Works, at an estimated cost of \$111,719.40. The work to be done under this contract is to be completed December 15, 1953. The following bids were received June 25:

John McCourt Company, \$111,719.40; Ruffo Construction Company, \$111,894.37; Adams Asphalt Company, Inc., \$113,782.60; S. J. Tomasello Corporation, \$116,472.20; A. Singarella & Son, \$121,226.40; Atlantic Roads Company, Inc., \$123,242.50.

SCHOOL COMMITTEE.

The School Committee has approved proposals for furnishing laboratory supplies and equipment for Boston public schools. Bids, opened Monday, April 6, were received from the following concerns:

Central Scientific Company, Kenneth A. Dawson Company, Jarrell-Ash Company, Standard Scientific Supply Company, William M. Welch Manufacturing Company.

Awards were made to the lowest responsible bidders, as follows:

Central Scientific Company, \$3,751.82.

Boston Ice Company, Division of American Ice Company, Inc., \$13,375; Petroleum Heat & Power Company, \$98,244.40; Union Oil Company of Boston, \$12,538.40; White Fuel Corporation, \$71,408.60.

The School Committee has approved proposals for furnishing semibuntituous coal for Boston public schools. Bids, opened Thursday, May 14, were received from the following concerns:

Boston Ice Company, Division of American Ice Company, Inc., Burton Furber Coal Company, Glendale Coal Company, Massachusetts Wharf Coal Company, Snider Fuel Corporation, Staples Coal Company, doing business as City Fuel Company, Stetson Solid Fuel Division.

Awards were made to the lowest responsible bidders, as follows:

Glendale Coal Company, \$11,340; Massachusetts Wharf Coal Company, \$23,230; Staples Coal Company, doing business as City Fuel Company, \$13,189.40; Stetson Solid Fuel Division, \$183,019.

The School Committee has approved proposals for rebinding books for Boston public schools. Bid, opened Tuesday, May 26, was received from Des Moines Bookbinding Company.

Award was made to the only bidder, as follows:

Des Moines Bookbinding Company, \$3,270.

The School Committee has approved proposals for furnishing Kraft paper garbage containers for Boston public schools. Bid, opened Monday, June 8, was received from only one bidder, Whitney Brothers, Inc.

Award was made to the only bidder, as follows:

Whitney Brothers, Inc., \$3,150.

SUPPLY DEPARTMENT.

Upon July 2 the Mayor approved a contract with R. W. LeBaron, Inc., for furnishing traffic signal posts to the Traffic Commission. Approximate total amount of contract was \$7,627.55, less 2 per cent discount, time of payment.

Bids, opened May 13, were as follows:

Requisition No. 71. Charge to Automatic Traffic Control Signals in Various Sections of the City.

Item 1. 85 Traffic Signal Posts, No. 1, Union Metal Manufacturing Company Design, No. 2242-Y1, Drawing No. 2242-C8, Except with 70-A-Z Base and 70-A-Z-1 Door and without 70-C Column Base, Each.—Graybar Electric Company, Inc., \$68.25; R. W. LeBaron, Inc., \$58.98, alternate, \$70.33, see Remarks; Municipal Signal & Supply Company, \$67.50; Westinghouse Electric Supply Company, \$67.50.

Item 2. 25 Traffic Signal Posts, No. 2, Union Metal Manufacturing Company Design, No. 3486-Y2, Drawing No. 3486-C4, Except with 70-A-Z Base and 70-A-G-1 Door and without 70-C Column Base, Each.—Graybar Electric Company, Inc., \$76.50; R. W. LeBaron, Inc., \$65.98, alternate, \$77.33, see Remarks; Municipal Signal & Supply Company, \$75.70; Westinghouse Electric Supply Company, \$75.75, does not include control box cabinet.*

Earliest Delivery Date After Receipt of Order.—Graybar Electric Company, Inc., 14 to 16 weeks; R. W. LeBaron, Inc., 20 to 24 weeks; Municipal Signal & Supply Company, 20 to 24 weeks; Westinghouse Electric Supply Company, estimated delivery, 20 to 24 weeks after receipt of complete information contingent on availability of raw materials.

Discount.—Graybar Electric Company, Inc., net, 30 days; R. W. LeBaron, Inc., 2 per cent, time of payment; Municipal Signal & Supply Company, 2 per cent, time of payment; Westinghouse Electric Supply Company, net, 30 days.

Remarks.—Graybar Electric Company, Inc., price in effect at time of shipment, delivered to 112 Southampton street; R. W. LeBaron, Inc., as specified, except L. I. No. 106 base ring and base and door combination; Municipal Signal & Supply Company, prices are firm for 30 days from May 13, 1953; Westinghouse Electric Supply Company, prices are special and do not establish a precedent; firm on receipt of order 30 days from May 13, all above painted inside and out with shop coat iron oxide zinc chromate primer, f.o.b. Canton, Ohio, freight prepaid to first rail destination; the seller affirms that to the best of its knowledge, information and belief, the prices quoted herein do not exceed any applicable ceiling price established by law; delivery promise is based on your supplying certified authorization under CMP regulations.

* Contract awarded.

Upon July 6 the Mayor approved a contract as requested in the following letter:

BOSTON, July 1, 1953.

HON. JOHN B. HYNES,

Mayor of Boston.

DEAR MR. MAYOR:

Attached is tabulation of bids received on proposals for furnishing one gasoline roller to the Park Department. These bids were publicly opened and read in this office on May 7, 1953.

Inasmuch as the specifications called for hydraulic steering and since the gasoline roller on which the lowest bid was received is not equipped with hydraulic steering, authority is requested to award a contract to E. J. Bleiler, doing business as E. J. Bleiler Equipment Company, the lowest bidder meeting specifications, at the price as checked on the accompanying sheet.

Approximate total amount of contract will be:

List price, \$3,482, less trade-in allowance, \$1,082—\$2,400, less 2 per cent discount, time of payment.

Respectfully yours,

JOHN V. MORAN,
Superintendent of Supplies.

Bids were as follows:

Requisition No. 434.

One New Latest Type Buffalo-Springfield, Model KT 7, or Equal, 3- to 5-Ton Tandem Gasoline Roller.

List Price.—Ernest J. Bleiler, \$3,482; Perrin Seamans & Co., Inc., \$3,150; Clyde Everett Equipment Company, \$4,537; Clark-Wilcox Company, \$3,030, alternate, \$4,250.*

Less Trade Discount.—Perrin Seamans & Co., Inc., included in above.

Less Trade Allowance.—Ernest J. Bleiler, \$1,082; Perrin Seamans & Co., Inc., \$1,150; Clyde Everett Equipment Company, \$1,637; Clark-Wilcox Company, \$500, alternate, \$1,300.

Delivered Price.—Ernest J. Bleiler, \$2,400; Perrin Seamans & Co., Inc., \$2,000; Clyde Everett Equipment Company, \$2,900; Clark-Wilcox Company, \$2,530, alternate, \$2,950.

Less 2 Per Cent Discount.—Ernest J. Bleiler, \$48; Perrin Seamans & Co., Inc., \$40; Clyde Everett Equipment Company, \$58.

Net Total Price.—Ernest J. Bleiler, \$2,352; Perrin Seamans & Co., Inc., \$1,960; Clyde Everett Equipment Company, \$2,842; Clark-Wilcox Company, \$2,530, alternate, \$2,950.

Make and Model.—Ernest J. Bleiler, galion, 3 to 5-ton tandem roller; Perrin Seamans & Co., Inc., Model 500, Essick road roller; Clyde Everett Equipment Company, Buffalo-Springfield, Model KT-7; Clark-Wilcox Company, C II & E, 3 to 4 tons, alternate, Ferguson, 3 to 5 tons.

Delivery.—Ernest J. Bleiler, immediate; Perrin Seamans & Co., Inc., immediate; Clyde Everett Equipment Company, 20 to 30 days; Clark-Wilcox Company, three weeks.

* Contract awarded.

Upon July 6 the Mayor approved a contract as requested in the following letter:

BOSTON, June 29, 1953.

HON. JOHN B. HYNES,

* Contract awarded.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

S. J. Tomasello Corporation has been directed to perform the following extra work under the contract for bituminous concrete pavement in Ferncroft road, Keane road, Rustlewood road, Stearns road, and Woodard road, dated May 13, 1953:

In Stearns road, furnish and lay approximately 500 square feet of artificial stone driveways at 60 cents per square foot. Estimated cost of extra work, \$300.

Martin J. Kelly Company, Inc., has been directed to perform the following extra work under the contract dated September 28, 1952, for construction of concrete deck, etc., on Broadway Bridge over Fort Point Channel:

Remove and dispose of approximately 250 square yards of existing granite block pavement, sand cushion, etc., on the South Boston solid fill approach where and as required; the work to be done in accordance with the specifications relating to Item 3, at an agreed price of \$2 per square yard.

Estimated cost of extra work, \$500.

P. V. Barone Corporation has been directed to perform the following extra work under the contract dated April 29, 1953, for bituminous concrete pavement in Garth road, Gould street, Hackensack Circle, Laurie avenue, Maplewood street, and Pheasant street:

In Pheasant street, remove and dispose of one tree approximately 8 inches in diameter for the lump sum of \$40. In Maplewood street, remove and dispose of two trees as follows: one tree approximately 10 inches in diameter for the lump sum of \$40; one tree approximately 18 inches in diameter for the lump sum of \$75. In Maplewood street, remove and dispose of two tree stumps approximately 20 inches in diameter at \$15 per stump.

Estimated cost of extra work, \$185.

EXTENSION OF CONTRACTS.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with Atlantic Roads Company, Inc., 358 Medford street, Charlestown, for bituminous concrete pavement in Brookside avenue, Cobden street, Haverford street, Hawthorne street, Kensington street, and West Walnut park, from June 30, 1953, to July 31, 1953. This extension was requested because the contractor was delayed in securing some materials.

Approval has been given for an extension of time for the completion of the contract with Cronin & Horigan, Inc., 111 Woodhaven street, Mattapan, for bituminous concrete pavement in Highland street, Ward 18, Williams avenue, Ward 18, and for clearing, etc., in Poplar street, Ward 18, from June 30, 1953, to August 15, 1953. This extension was requested because the contractor was delayed in the performance of his work by the public utility companies.

Approval has been given for an extension of time for the completion of the contract with Donnelly Electric & Manufacturing Company, 3134 Washington street, Roxbury, for furnishing and installing new illuminated signs, etc., at the Summer Tunnel, to June 30, 1953. This extension is requested because the contractor was delayed on account of inability to obtain the necessary materials for the work.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of roadway resurfacing, estimated to be thirty (30) days, vehicles are excluded from the following streets, effective July 1, 1953:

From Franklin street to Summer street.

Thursday, July 9, 1953, from 6 P.M. to 12 o'clock midnight.

Friday, July 10, 1953, from 6 P.M. to 12 o'clock midnight.

Saturday, July 11, 1953, from 6 A.M. to 6 P.M.

Sunday, July 12, 1953, from 6 A.M. to 6 P.M.

AMENDED DAMAGES.

The Mayor has approved the following votes of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of October 19, 1951, as amended, determining damages caused by the making of the public improvement consisting of the laying out of Crown street, be, and the same hereby is, amended, by adding to said order the amount \$546 as an award to Anthony J. and Helen T. Cucchiarra; that the amount \$546 be, and the same hereby is, awarded to Anthony J. and Helen T. Cucchiarra for the damages so sustained.

Voted, That the order of the Street Commissioners and Mayor of October 10, 1951, as amended, determining damages caused by the making of the public improvement consisting of the laying out and construction of Crown street, be, and the same hereby is, amended, by adding to said order the amount \$316.47 as an award to Alfred A. and Mildred E. Coupal; that the amount \$316.47 be, and the same hereby is, awarded to Alfred A. and Mildred E. Coupal for the damages so sustained.

Voted, That the order of the Street Commissioners and Mayor of July 20, 1951, determining that no person sustains damages by the making of the public improvement consisting of the laying out of Wakefield avenue, be, and the same hereby is, amended, by striking out in the first and second lines of said order the words: "that no person sustains in his estate," and by striking out in the last line of said order the word: "no." That said order be further amended by adding thereto Samuel J. and Alice M. Jacobs, \$200. That the amount \$200 be, and the same hereby is, awarded to Samuel J. and Alice M. Jacobs for the damages sustained by the making of the said improvement.

TRANSFERS OF APPROPRIATIONS.

The Mayor has approved the following requests for transfers of appropriations:

LIBRARY DEPARTMENT.

From 269, Buildings and Structures, \$216, to 543, Refrigerators, \$216.

LICENSING BOARD.

From 235, Legal Services, \$400, to 440, Licenses, \$7, 560, Office Furniture and Equipment, \$393.

FIRE DEPARTMENT ORDERS.

General Order No. 33.

I. RETIREMENTS.

The following retirements, in accordance with chapter 347, Acts of 1892, as amended by chapter 237, Acts of 1939, became effective at 8 A.M., Wednesday, June 24, 1953:

Lieut. Francis J. Linney, Fire Prevention Division.

Lieut. Thomas P. Lane, Fire Prevention Division.

Lieutenant Linney was appointed to the Fire Department August 4, 1909, and was promoted to the grade of lieutenant June 15, 1929. Lieutenant Lane was appointed to the Fire Department April 23, 1912, and was promoted to the grade of lieutenant June 1, 1928.

Both these officers leave the department with the best wishes of their associates.

II. FIRE ALARM BOX INSTALLED.

The following fire alarm box which was established in General Orders, No. 30, dated June 11, 1953, has been installed and connected into Circuit No. 2: 14-1412, South Station, third and fourth floors, Atlantic avenue and Summer street, northwest section.

Company commanders will add this box to Circuit Card No. 2.

III. FIRE ALARM BOX ESTABLISHED.

In the near future, the following fire alarm box will be installed:

12-2366, Municipal Building, 1481-1491 Tremont street.

Company commanders will add the above box to assignment card for Box 2366.

Circuit number for this box will be announced when the box is installed.

IV. CHANGE IN DESIGNATION OF FIRE ALARM BOX.

Essex street, from Commonwealth avenue to the bridge has been changed to read "Boston University Bridge."

The designation of Fire Alarm Box 51 will be changed to read as follows: 51, Commonwealth avenue and Boston University Bridge.

Company commanders will make the above change on assignment card for Box 51.

V. CHANGES IN CIRCUIT NUMBERS.

The circuits for the following fire alarm boxes have been changed as indicated: 1633, Harrison avenue and Dover street, from Circuit No. 67 to Circuit

No. 32.

1634, Dover and Albany streets, from Circuit No. 67 to Circuit No. 63.

1645, Albany street, opposite MTA yard, from Circuit No. 22 to Circuit No. 67.

Company commanders will make the necessary changes.

VI. G. A. C. ASSIGNMENTS.

Company commanders shall add the following signal numbers to running cards of the General Alarm Corporation in this department:

Signal 447, Macallen Building, 16 Macallen street. (Sprinkler.) Buildings A & B, first floor, rear wall.

Signal 448, Macallen Building, 16 Macallen street. (Sprinkler.) Buildings C, D, & E, warehouse and garage, first floor pump room.

Apparatus to respond to both foregoing signals: Engine 15, Ladder 5, District Chief 6. Nearest box is 72.

VII. COMMENDATIONS.

The Fire Commissioner is very pleased to commend all members who performed duty at the fire, Box 1532, four alarms, on June 24, 1953. The speed and efficiency with which operations were carried out undoubtedly saved the lives of many of the persons who were trapped in the building which was heavily charged with fire and smoke. Their zealous action and devotion to duty reflected great credit on the entire Fire Department.

The Fire Commissioner is also pleased to commend the members of the Boston Protective Department for their great assistance during the operations at this fire.

Ladderman Francis J. Dowling of Ladder Company 32 is hereby commended for responding to still alarm at 45 Clifford street, while off duty on June 25, 1953, and giving first aid to victims of an explosion while awaiting arrival of fire apparatus.

By order of Fire Commissioner JOHN F. CUTTER.

JOHN V. STAPLETON,
Chief of Department.

CIVIL SERVICE EXAMINATIONS.

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence.

MEDICAL SOCIAL WORKER, BOSTON CITY HOSPITAL AND SANATORIUM DIVISION OF THE BOSTON CITY HOSPITAL, AUGUST 14, 1953.

Last date for filing applications, Friday, July 24, 1953.

Salary: The minimum salary is \$65.50 a week; the maximum salary is \$80 a week.

Vacancies: At present there are six vacancies at Boston City Hospital and two vacancies at the Boston Sanatorium, for males or females.

Duties: In accordance with accepted case work methods, to be of service to persons who desire help in solving social difficulties arising from complications of mental and physical ill health, including the gathering of social data, analyzing of the causes of difficulties, and following out of plans indicated through the use of social resources and individual social treatment, working jointly with the physicians in reinforcing medical care by social readjustment; to interpret the patient and his condition, and the hospital, to the patient's family and friends, and to other agencies; and to perform related work as required.

Examples of Duties at Boston City Hospital: Arranging for convalescent care following illness, nursing homes for

the chronic sick and special institutions for the aged; planning home service with aid of district physicians and nurses for those too ill to return to the hospital; securing increased relief through public and private agencies when needs indicate.

Examples of Duties at Boston Sanatorium: Planning in conjunction with the Medical Service for the discharge and rehabilitation of patients in home and in the community in accordance with medical recommendations and social needs; assisting in planning for after care and in arranging for follow-up service; aiding patients and families in social adjustment; serving as liaison between medical care facilities, social agencies and the hospital.

The following are required: Knowledge of the methods and principles of social treatment of the sick and of medical social work; knowledge of individual and community health problems; knowledge of medical care facilities and social service resources; ability to deal with people; ability in written and oral expression.

Entrance Requirements: Applicants must have at least two years of satisfactory full-time paid employment in the practice of medical social case work in an agency maintaining acceptable standards.

Substitutions: (1) Successful completion of the full two-year curriculum, including the medical social sequence, in a recognized graduate school of social work may be substituted for the required experience. (2) Successful completion of one year or more of training other than medical social work training in a recognized graduate school of social work, may be substituted for a maximum of one year of the required experience.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

LABORATORY TECHNICIAN, LONG ISLAND HOSPITAL, BOSTON INSTITUTIONS DEPARTMENT, AUGUST 7, 1953.

Last date for filing applications, Friday, July 17, 1953.

Salary: The minimum salary is \$58 a week.

Vacancies: At present there is one vacancy, to be filled on a permanent basis.

Duties: To perform laboratory tests of the following nature: Complete urinalyses (chemical and microscopic examinations); blood chemistry tests (NPN, sugar, icteric index); complete blood counts (hemoglobin, red and white counts, differentials); blood typing, cross matching and grouping, coagulation time; stool and sputum examinations; to make accurate entries of the findings and to submit reports to the respective wards; and to perform related work as required.

Entrance Requirements: Applicants must have at least six months of full time paid experience as a technician in a hospital or clinical laboratory. Substitution: Successful completion of at least one year's training in laboratory technique in a recognized school or clinical laboratory may be substituted for the required experience.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

PROCEEDINGS OF CITY COUNCIL.

Monday, June 29, 1953.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., President HEARN in the chair. Absent, Councillor Ward.

The Reverend Vincent J. Piscitelli of Most Precious Blood Catholic Church, Hyde Park, was seated to the restroom.

INVOCATION BY REV. VINCENT J. PISCITELLI.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

We ask Thee, O God, to be our inspiration, Bless and crown with fullness all our actions and all our aspirations. Direct all our pleasures for the benefit of those people whom we represent.

Our Father, who art in heaven, hallowed be Thy Name; Thy kingdom come; Thy will be done, on earth, as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation. But deliver us from evil. Amen.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

The meeting was opened with the salute to the Flag.

INFORMATION RE COST OF RUBBISH AND GARBAGE DISPOSAL.

The following was received:

City of Boston,
Office of the Mayor, June 29, 1953.
To the City Council.

I transmit herewith communication from the Commissioner of Public Works relative to your order of June 8, 1953, requesting answers to questions pertaining to rubbish and garbage disposal.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Public Works Department,
June 25, 1953.
Thomas G. J. Shannon,
Chief Clerk, Mayor's Office.

Dear Sir:
I return herewith order that was passed in the City Council under date of June 8, and which was directed to the City Auditor and the Corporation Counsel. I presume that you sent it to me for my comments, which I am pleased to give at this time.

The section of the order directed to the City Auditor is very much in error when it implies that the present disposal contractor has failed to carry out the terms of his contract. I am pleased to state that the present contractor, the M. DeMatteo Construction Company, has complied, in detail, with all provisions of the current contract document. If his work for the remainder of the contract period is as satisfactory as it has been for the first three months, we will have no cause to complain. The contractor's work, up to date, has been equal to the work done by the previous contractor, the Coleman Disposal Company, who had this contract for this city.

Regardless of the tenor of the order, I am pleased to submit a record of the cost to the city because of the suspension of the scow operation, for the first three months of the contract:

For the first three months, we will deduct the sum of \$39,000 from DeMatteo's original contract bid, as liquidated damages, and we will pay the sum of \$32,447.60 additional to the collection contractors who have been required to haul material to Calf Pasture, to Chelsea, and to Medford, because of the suspension of the scow operation. Therefore, the city has actually profited to the extent of \$6,552.40, due the suspension of the scow operation. It is obvious, therefore, that instead of costing the city money, we actually have profited.

The section of the order directed to the Corporation Counsel is a little vague, insofar as it refers to this year's predicament and the alleged lack of "adequate legal safeguards." We are in no predicament that I know of, because, as stated hereinbefore, the operation has been satisfactory and successful in every respect, and the present contract document provides full and complete so-called legal safeguards. In my opinion, it is an exemplary contract document, and if every future contract protects the interests of the city in the same degree that the current contract with M. DeMatteo Construction Company does, the taxpayers will have no cause to worry.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.
cc: City Auditor.
Corporation Counsel.

Referred to the Executive Committee.

TO CHANGE NAME OF FARRINGTON AVENUE TO BERAM AVENUE.

The following was received:

City of Boston,
Office of the Mayor, June 29, 1953.
To the City Council.

Gentlemen:
I transmit herewith communication from the Secretary of the Board of Street Commissioners relative to your order of June 8, 1953, requesting change of the name of Farrington Avenue, Roslindale, to Beram Avenue.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Board of Street Commissioners,
June 25, 1953.
Mr. Thomas G. J. Shannon,
Chief Clerk, Mayor's Office.

Dear Sir:
I acknowledge for the Board receipt of your communication of June 24, 1953, enclosing copy of Council order introduced by Councillor Hailer requesting that the name of Farrington Avenue, Roslindale, be changed to Beram Avenue.

Under an order of this Board, the name of Farrington Avenue was changed to Beechland Street in connection with the annexation of the same as a public way. The Chairman of this Board has promised the Nicholas G. Beram Veterans' Association to change the name of Beechland Street to Beram Avenue. This organization was informed that under existing statutes said change cannot become effective until March 1, 1954.

It is our intention to hold an advertised public hearing during February of 1954 regarding this change, and in all probability an order will be drawn up and the change will become effective on March 1, 1954.

Very truly yours,
LAWRENCE W. COSTELLO,
Secretary.

Placed on file.

LEGAL OPINION ON OPEN-AIR PARKING SPACES.

The following was received:

City of Boston,
Office of the Mayor, June 29, 1953.
To the City Council.

Gentlemen:
I transmit herewith communication from the Corporation Counsel relative to your order of June 22, 1953, requesting a legal opinion and interpretation of chapter 148, section 56, of the General Laws.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Law Department, June 26, 1953.
Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:
Your Honor has transmitted to me the following order passed by the City Council on June 22, 1953: "Ordered, That his Honor the Mayor request the Corporation Counsel to immediately render an opinion as requested on January 30, 1950, and April 3, 1950, by the Boston City Council, which requests were as follows:

"Ordered, That the Corporation Counsel of the City of Boston be requested, through his Honor the Mayor, to hand down a legal opinion and interpretation of chapter 148, section 56, of the General Laws. The Board of Street Commissioners grants licenses for open-air parking spaces—regarding the proposed open-air theaters at 121 1/2 Veterans of Foreign Wars Parkway, West Roxbury, and 775 Gallivan Boulevard, Dorchester.

The above-quoted order would seem to have been adopted through inadvertence, for, as more fully appears from page 144 of the Minutes of Proceedings of the City Council for the year 1950, the opinion in question was received in City Council from your Honor on May 1, 1950.

Respectfully,
WILLIAM L. BAXTER,
Corporation Counsel.

Placed on file.

APPROPRIATION FROM PARKMAN FUND INCOME.

The following was received:

City of Boston,
Office of the Mayor, June 29, 1953.
To the City Council.

Gentlemen:
I am in receipt of the attached communication from the Board of Park Commissioners requesting the appropriation of \$38,000 from the income of the George F. Parkman Fund, to be expended under the direction of the Board of Park Commissioners, for the Maintenance and Improvement of the Common and Parks in Existence on January 12, 1887.

The 1953 budget estimates of the personal service requirements of the Park Department included an estimate of the total yearly income from the George F. Parkman Fund. The budget allow-

ances made provision for the appropriation of this income as it accrued for the purpose of defraying cost of work actually performed on the Common and Parks in Existence on January 12, 1887.

I submit herewith an order appropriating the sum of \$38,000, the accrued income now available from the Parkman Fund, and respectfully recommend its immediate passage by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Park Department, June 22, 1953.
Hon. John B. Hynes,
Mayor of Boston.

Dear Sir:
By vote of the Board of Park Commissioners, you are respectfully asked to request the City Council to transfer from the income of the George F. Parkman Fund the sum of \$38,000, which is now available, to be expended under the direction of the Board of Park Commissioners, as follows:

Common and Parks in Existence on January 12, 1887, Maintenance and Improvement of \$38,000

When making up the budget estimates for the year 1953, a sum equal to the total yearly income of the George F. Parkman Fund was deducted from Item 100, Permanent Employees, with the understanding that this deduction was to be replaced by the total yearly income of said Parkman Fund for 1953, to be transferred as it accrued from time to time, during the year to the regular maintenance appropriation of the Park Department.

Respectfully yours,
FRANK R. KELEY, Chairman.

Ordered, That the sum of thirty-eight thousand dollars (\$38,000) be, and hereby is, appropriated from the income of the George F. Parkman Fund, to be expended under the direction of the Park Commissioners for the Maintenance and Improvement of the Common and Parks in Existence on January 12, 1887, as follows:

Common and Parks in Existence on January 12, 1887, Maintenance and Improvement of \$38,000

Referred to the Committee on Appropriations and Finance.

TRANSFER OF APPROPRIATIONS.

The following was received:

City of Boston,
Office of the Mayor, June 29, 1953.
To the City Council.

Gentlemen:
The enclosed request for transfer of appropriations, together with the accompanying order, is recommended for adoption by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

Ordered, That in accordance with the provisions of section 3B of chapter 486 of the Acts of 1909, as amended by chapter 604 of the Acts of 1941, the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Municipal Employment Bureau, 1, Personal Services, \$624.20, Contractual Services, \$7.50, 3, Supplies and Materials, \$49.10; Statistics Department, 1, Personal Services, \$157.44, to the appropriation for Auditing Department, 2, Contractual Services, \$118.74, 5, Equipment (510. Electrical and mechanical machinery and equipment) \$719.50. Referred to the Executive Committee.

APPROPRIATION FOR AUTOMATIC TRAFFIC SIGNALS.

The following was received:

City of Boston,
Office of the Mayor, June 25, 1953.
To the City Council.

I am in receipt of a communication from the Chairman of the Boston Traffic Commission in which he requests an appropriation of \$75,000 to install traffic lights in certain dangerous intersections in our city, including the intersection at Beacon Avenue and Tophill Street, and at Roxbury Crossing.

I most earnestly request that your Honorable Body give prompt approval to this request so that arrangements may be made, without undue delay, to install lights at intersections which have proven to be most dangerous.

Respectfully,
J. B. HYNES, Mayor.

Boston Traffic Commission,
June 24, 1953.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:
I respectfully request that the sum of seventy-five thousand (\$75,000) dollars be transferred to this department from the special appropriation—Sales

of City Property—for the purpose of installing traffic signal lights at the intersection of Geneva avenue, Tufill street, and Westville street, in Dorchester, and the installation of traffic signal lights at Roxbury Crossing, in addition to other lights.

Respectfully submitted,
WM. ARTHUR REILLY, Commissioner.

Ordered, That under the provisions of section 63 of chapter 44 of the General Laws, the sum of seventy-five thousand dollars be, and the same hereby is, appropriated from the special account—Sales of City Property—to be expended under the direction of the Boston Traffic Commission, for the installation of automatic traffic control signals in various sections of the city.

Referred to the Executive Committee.

PETITIONS REFERRED.

The following petitions were received and referred to the committee named, viz.:

Claims.

Apex Drugs, Inc., for compensation for damage to property at 301 West Broadway, South Boston, caused by break in water main.

You hereby notified that the list of inhabitants qualified to serve as jurors, prepared by the Election Commissioners and printed in City Document No. 42, was filed with me on June 26, 1953. It contains 9,602 names.

Respectfully,
W. J. MALLORY, City Clerk.

Placed on file.

AWARD TO SCHOOLS AND COLLEGES ON DEMONSTRATION OF ALLEGIANCE.

Coun. HURLEY offered the following:
Whereas, Communism and its spread throughout the United States is recognized as a most serious menace to our present and future peace and security; and

Whereas, Every community in the United States populated by serious-minded and thinking people is taking advantage of every opportunity to oust proven communists from the teaching staffs of their schools and colleges and thus prevent the spread of the communist influence to our school and college students; and

Whereas, The efforts of these public-spirited citizens in charge of the education of our children should be publicly acclaimed by suitable recognition; therefore, be it

Resolved, That the members of the Boston City Council, in meeting assembled, petition the President of the United States to favorably consider the award of a suitable citation, such as a banner, or emblem, to those schools and colleges that have demonstrated the true American type of allegiance and courage in ousting from the ranks of their teaching staffs persons of proven subversive tendencies and actions; and be it further

Resolved, It is suggested that this citation be in the form of a flag with a prominent letter "A" to signify allegiance to our government; and be it further

Resolved, That a copy of this resolve be forwarded forthwith to the President of the United States and all members of the Massachusetts Delegation in the Senate and House of Representatives.

The resolution was adopted under suspension of the rules.

COUNCIL MEMBERS ON COMMITTEE FOR REORGANIZATION AND CONSOLIDATION OF CITY DEPARTMENTS.

Coun. PIEMONTE offered the following:

Resolved, That his Honor the Mayor appoint certain members of the Council to the standing committee for reorganization and consolidation of city departments.

The resolution was adopted under suspension of the rules.

SIDEWALK ON COURTNEY ROAD, WARD 20.

Coun. WHITE offered the following:

Ordered, That the Commissioner of Public Works make a sidewalk along Courtney road, from Willowdale avenue to Brookline boundary, Ward 20, in front of the estates bordering thereon; said sidewalk to be from 3 to 10 inches above the

gutter adjoining, to be from 5 to 12 feet in width, and to be built of artificial stone, with granite edges, under the provisions of chapter 203 of the Acts of 1943.

Passed under suspension of the rules.

SIDEWALK ON HOLLYWOOD ROAD, WARD 20.

Coun. WHITE offered the following:
Ordered, That the Commissioner of Public Works make a sidewalk along Hollywood road, from Willowdale avenue to Brookline boundary, line, Ward 20, in front of the estates bordering thereon; said sidewalk to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of artificial stone, with granite edges, under the provisions of chapter 203 of the Acts of 1943.

Passed under suspension of the rules.

SKELETON FORCE IN DEPARTMENTS ON JULY 3.

Coun. HURLEY for Councillor WARD offered the following:
Ordered, That his Honor the Mayor be requested to notify all department heads to maintain a skeleton crew on Friday, July 3.

Passed under suspension of the rules.

TAX ABATEMENTS FOR WIDOWS OF WORLD WAR I.

Coun. HURLEY for Councillor WARD offered the following:

Resolved, That the City Council of Boston hereby favors the consideration by the Legislature of the petition now held under Joint Rule 7B (House Bill No. 2641), providing for tax abatement (free of liens) for the widows of World War I; provided that any such legislation, if enacted, includes a referendum to the Mayor and City Council.

The resolution was adopted under suspension of the rules.

LEGISLATION RE SECRETARY OF LICENSING BOARD OF CITY OF BOSTON.

Coun. HAILER offered the following:

Resolved, That the City Council of Boston hereby favors the consideration by the Legislature of the petition now held under Joint Rule 7B relative to the Secretary of the Licensing Board of the City of Boston being entitled to receive compensation for the right of eminent domain, existing in 1953, after having been retired; provided that any such legislation, if enacted, includes a referendum to the Mayor and City Council.

The resolution was adopted under suspension of the rules.

OPINION OF JUSTICES OF SUPREME JUDICIAL COURT ON RIGHT OF EMINENT DOMAIN RE URBAN REDEVELOPMENT.

Coun. FOLEY offered the following:

Ordered, That his Honor the Mayor direct the legislative representative of the City of Boston to seek through the Legislature an "Opinion of the Justices" of the Supreme Judicial Court as to whether the right of eminent domain exists in Massachusetts to accomplish urban redevelopment, under present state and federal statutes, before prorogation of the Legislature this year.

Passed under suspension of the rules.

REPORT OF COMMITTEE ON LICENSES.

Coun. JOYCE, for the Committee on Licenses, submitted the following:

Report on applications (referred today) for commercial use shellfish permits of the following: Richard Bishop, John J. Boyle, Frank D'Amico, James V. D'Amico, John P. Fowler, Francis Green, Edward J. Hurlburt, Joseph D. Hyde, Joseph Kearney, Richard V. Kirby, Bradley S. Lincoln, Floyd K. Lee, Dorance Lincoln, George W. Lincoln, Arthur Liska, William H. Riley, John Mahoney, George C. Phillips, George T. Sullivan, Thomas K. Wong, Albert Saxe—recommending that license be granted.

Report on application (referred today) of John Genovitch for family use shellfish permit—recommending that license be granted.

The reports were accepted, and the licenses were severally granted under the usual conditions.

REPORT OF COMMITTEE ON CLAIMS.

Coun. JOYCE, for the Committee on Claims, submitted the following:

1. Report on petition of Carl H. Anderson (referred June 22) to be reimbursed for amount of

execution issued against him on account of his acts as employee of Public Works Department—recommending passage of accompanying order.

Ordered, That the sum of six hundred dollars (\$600) be allowed and paid to Carl H. Anderson in reimbursement for amount of execution issued against him on account of his acts as an employee of the Sewer Division, Public Works Department, said sum to be charged to the appropriation for Executions of Court, Damage Claims and Reimbursements.

2. Report on petition of Donald P. McGowan (referred June 22) to be reimbursed for amount of execution issued against him on account of his acts as an employee of Police Department—recommending passage of accompanying order.

Ordered, That the sum of four hundred fifteen dollars and ninety cents (\$415.90) be allowed and paid to Donald P. McGowan in reimbursement for amount of execution issued against him on account of his acts as a member of the Police Department, said sum to be charged to the appropriation for Executions of Court, Damage Claims and Reimbursements.

3. Report on petition of Joseph T. Savage (referred June 22) to be reimbursed for amount of execution issued against him on account of his acts as member of Fire Department—recommending passage of accompanying order.

Ordered, That the sum of one hundred twenty-five dollars (\$125) be allowed and paid to Joseph T. Savage in reimbursement for amount of execution issued against him on account of his acts as a member of the Fire Department, said sum to be charged to the appropriation for Executions of Court, Damage Claims and Reimbursements.

4. Report on petition of Mary A. Harrington (referred May 4) to be paid an annuity on account of her husband, Daniel F. Harrington, a late member of Fire Department—recommending passage of accompanying order.

Ordered, That under the provisions of section 98A of chapter 32 of the General Laws, an annuity of fifteen hundred dollars be allowed and paid to Mary A. Harrington, widow of Daniel F. Harrington, a member of the Fire Department, who died on April 27, 1933, on account of injuries received in the performance of his duty; said annuity to continue so long as she remains unmarried; the annuity to become effective upon the date of the approval of this order by the Mayor, and to be charged to the appropriation for Fire Department, Pensions and Annuities.

The reports were accepted, and the orders were severally passed.

COMPLIMENTING FIRE DEPARTMENT RE FIRE ON ISABELLA STREET.

Coun. KERRIGAN offered the following:

Resolved, That the Boston City Council, in meeting assembled, wishes to highly compliment the uniformed members of the Boston Fire Department for their speedy and untiring efforts in bringing under control and extinguishing the recent fire incident house on Isabella street in the South End district, and saving the lives of many elderly occupants who otherwise would have perished in the flames.

The resolution was adopted under suspension of the rules.

RECESS.

On motion of Councillor Haller the Council voted to take a recess at 2.57 P.M., subject to the call of the Chair. The members reassembled in the Council Chamber and were called to order by President AHEARN at 3.26 P.M.

REPORT OF COMMITTEE ON PUBLIC SERVICES AND RECREATION.

Coun. WHITE, for the Committee on Public Services and Recreation, submitted the following:

1. Report on order (referred to the Committee on Rules on May 28, 1931, and referred to the Committee on Public Services and Recreation on June 30, 1932) that the Board of Assessors be instructed that painting or slaughtering of house by owner shall not be cause of increased assessment—recommending no further action necessary.

The report was accepted.

2. Report on message of Mayor (referred August 25, 1932) on use of certain islands in Boston Harbor as picnic grounds—recommending that message be placed on file.

The report was accepted and the message was placed on file.

3. Report on order (referred June 2, 1932) on use of southern end of Long Island as picnic grounds—recommending order be placed on file.

4. Report on message of Mayor (referred December 15, 1932) on report on results of sailing program by Park Department—recommending that message be placed on file.

5. Report on message of Mayor (referred August 25, 1932) on use of Long Island viaduct for report fishing—recommending that message be placed on file.

6. Report on message of Mayor (referred March 23) to rename Andrew square in honor of Patrick Joseph Connelly—recommending message be placed on file.

7. Report on message of Mayor (referred August 4, 1932) on demonstration of Park Department sailing program—recommending message be placed on file.

8. Report on message of Mayor (referred December 15, 1932) on report of Board of Recreation sailing program—recommending message be placed on file.

The reports were accepted, and the messages and orders were severally placed on file.

EXECUTIVE COMMITTEE REPORTS.

Coun. WHITE, for the Executive Committee, submitted the following:

1. Report on order (referred May 11) on investigation of personnel shortage in Hospital Department—recommending no further action necessary.

The report of the committee was accepted.

2. Report on message of Mayor and six orders (referred June 11) on naming various intersections in honor of deceased veterans—that same ought to pass.

The report of the committee was accepted, and the orders were severally passed.

3. Report on message of Mayor (referred May 18) vetoing order of April 27 accepting chapter 591 of the Acts of 1932, re salary increases to superintendent and assistant superintendent of Suffolk County Court House—recommending that message and order be placed on file.

The report of the committee was accepted, and the message and order placed on file.

4. Report on order (referred December 15, 1932) on amendment to County Classification and Compensation Plan re first assistant clerks of court—that same ought to pass.

Yeas—Councillors Ahearn, Foley, Haller, Hurley, Joyce, Kerrigan, Piemonte, White—8.

15. Report on message of Mayor and order (referred June 8) on acceptance of chapter 434 of Acts of 1932, re removal of residential property—that same ought to pass.

The report was accepted, and the order was passed, *yeas 8, nays 0.*

Yeas—Councillors Ahearn, Foley, Haller, Hurley, Joyce, Kerrigan, White—7.

Nays—0.

Voting Present—Councillor Piemonte.

NOTICE TO COUNCIL OF AUCTION SALES OF CITY PROPERTIES.

Coun. JOYCE offered the following:

Ordered, That the Chairman of the Board of Real Estate Commissioners be requested, through

his Honor the Mayor, to notify the City Council of the date, time, and place of all auctions of city property as the custom or the present system.

Passed under suspension of the rules.

M. D. C. TO KEEP SWIMMING POOLS OPEN EVENINGS.

Coun. HURLEY offered the following:

Ordered, That the Boston City Council, in meeting assembled, calls upon the Metropolitan District Commission to make arrangements immediately for keeping the new swimming pools, which have been constructed for the convenience and recreation of the people of Boston who desire to use them, open until a reasonable hour in the evening instead of being closed at 6 P.M. as the custom under the present system.

Passed under suspension of the rules.

Adjourned at 6.03 P.M., on motion of Councillor Hurley, to meet on Monday, July 6, 1933, at 2 P.M.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

(Stenographic copy of such debate on file in office of City Clerk.)

PROCEEDINGS OF SCHOOL COMMITTEE.

Apr. 13, 1933

A meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 6:12 P.M., the Chairman presiding.

Present: Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick.

ANTICOMMUNIST OATH

Dr. Foley: Madam Chairman, I would like to present to the Boston School Committee the following order to be voted on by the School Committee:

VOTED: That this Committee does hereby urge each and every member of the School Department to take and subscribe before a person authorized to administer oaths in this Commonwealth, and file with the Secretary of this Committee, the following oath:

I do solemnly swear:—

1. That I will bear true faith and allegiance to, and support the Constitution of the United States of America and the Commonwealth of Massachusetts;

2. That I will oppose the overthrow of the Government of the United States of America or of the Commonwealth of Massachusetts by force or violence or by any illegal or unconstitutional method; and

3. That I am not, and never have been, a Communist or a member of the Communist Party or of a Communist organization.

So help me God.

(Signature)

Subscribed and sworn to before me at Boston, Massachusetts, —, 1935.

Notary Public—Justice of the Peace.

Dr. Foley: Madam Chairman, I move the adoption of the order. Miss Fitzgerald: I second the motion.

On roll call the vote was passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5
NAYS—0

Dr. Foley: Madam Chairman, I now would ask the Corporation Counsel of the City of Boston Law Department, William Baxter, to swear in or have the School Committee take the oath which I have just read.

I would be pleased to have the School Committee so take this oath.

Mr. Carr: This is an Anti-Communist oath for employees.

Mrs. Lyons: For every member of the School Department.

The Corporation Counsel then administered the anticommunist oath to the Members of the School Committee and the Secretary.

Miss Fitzgerald: I have a motion to amend the Rules and Regulations of the School Committee so that this situation won't occur again—the current one we have before us:

ORDERED, That the School Committee incorporate into its Rules and Regulations a regulation that any school teacher of the City of Boston who refuses to answer before a duly constituted committee of the Congress of the United States be subject to immediate dismissal; and along the same lines, that present membership in the Communist Party be considered grounds for dismissal.

Mr. Carr: Madam Chairman, I believe they have that regulation in the New York School Department now, haven't they?

Miss Fitzgerald: That is right.
Mr. Muchnick: Madam Chairman, it seems to me that that might properly include not only a constituted committee of the Congress of the United States but should also include courts of proper jurisdiction over the subject matter, committees of the Legislature of the Commonwealth of Massachusetts, and also similar questions propounded by the School Committee of the City of Boston. It should not be limited in its scope merely to the agencies suggested by Miss Fitzgerald.

Mr. Carr: Madam Chairman, I think that this amendment here is to our school regulations and I think that if Mr. Muchnick wants the State's statutes to be amended it would require legislation pertaining to the legislative committees. This is merely our own school regulations.

Mrs. Lyons: I wonder if this may prejudice the case at hand, and whether it should lie over. Mr. Kerr, would you like to give us an opinion on that—whether it would be wise to act now on the suggestion of Miss Fitzgerald, or do you believe that we would be prejudging.

Mr. Kerr: I think the matter might well be laid on the table

for the time being, Madam Chairman.

Mrs. Lyons: Then I would suggest that the matter be laid on the table.

Miss Fitzgerald: Madam Chairman, there are two items that are old business before the Committee. I wonder if we could take those up at this time? One of them is attendance at conventions.

Mrs. Lyons: That is not on this agenda.

Dr. Foley: Madam Chairman, may I ask for a point of information. Are we now in public meeting or are we in conference?

Mrs. Lyons: We are still in public meeting.

Dr. Foley: I would suggest a recess in order that the Superintendent and the Board of Superintendents may be sworn in by the Corporation Counsel while he is here if they so desire.

The Corporation Counsel then administered the anticommunist oath to the Superintendent, the Assistant Superintendents, and the Directors.

The members took a recess at 6:30 P. M. and the five members reassembled at 6:50 P. M.

CASE OF GEORGE R. FAXON

Mrs. Lyons: Mr. Superintendent, are you ready to report to the School Committee on the case of George R. Faxon?

Superintendent: Madam Chairman, I am ready to make my report.

Dr. Foley: Well, Madam Chairman, may I ask the Superintendent what guidance he received—that is to say, is he guided by Chapter 71 of the General Laws or under what statute is he tendering his report to the School Committee?

Superintendent: Well, in answer to Dr. Foley, may I say that from the very beginning I have followed completely the advice of the Corporation Counsel.

Dr. Foley: That is all right.

The Superintendent then read his report, as follows:

To the School Committee of the City of Boston:

On Friday, March 20, 1953, Mr. George R. Faxon, Master at the Boston Latin School, made known to Mr. George L. McKim, Head Master of the Boston Latin School, that he had been subpoenaed to appear on March 26, 1953, before the Internal Security Subcommittee of the United States Senate's Judiciary Committee. This information was relayed by Mr. McKim to Assistant Superintendent D. Leo Daley, who in turn informed the Superintendent of Schools.

On the afternoon of March 26, 1953, Assistant Superintendent Daley brought to the attention of the Superintendent information that a radio news bulletin had allegedly announced that among the persons questioned by

the Internal Security Subcommittee was George R. Faxon, a teacher at the Boston Latin School, and that Mr. Faxon declined to answer whether he was a member of the Communist Party.

An examination of the records of the School Department showed the following oath on file:

OATH OF ALLEGIANCE

I do solemnly swear (or affirm) that I will support the Constitution of the United States and the Constitution of the Commonwealth of Massachusetts, and that I will faithfully discharge the duties of the position of Junior Master in Roxbury Memorial High School, (Boys) according to the best of my ability.

(Signed) George R. Faxon
4 Beale St., Ashmont.

Sworn to before me this 31st day of October, 1953.

(Signed) Patrick J. Campbell
Superintendent of Public Schools.

In due course, the Superintendent telephoned Mr. Faxon at his home and requested him to report to the Office of the Superintendent as soon as reasonably possible. Mr. Faxon reported to the Superintendent's Office at approximately 7 P. M., on said March 26, 1953.

In due course the Superintendent held a conference with Mr. Faxon, with the Assistant Superintendent Philip J. Bond present and Mr. Thomas Ford as stenographer. The Superintendent put to Mr. Faxon various questions with regard to his appearance that day before the Internal Security Subcommittee, one of which was: 'I'd like you to tell me everything that transpired.' Mr. Faxon replied, 'First I was asked my name and address, then my education, and then my teaching record and war service. I was then asked—I believe this was the order—whether I was or ever had been a member of the Communist Party. I declined to answer that question on quite legal grounds. I was then asked a series of questions, all of which were the same, actually, whether I had ever recruited, or something like that—members into the Communist Party at Roxbury Memorial High School, Trade, Veterans' School, and the Boston Latin School. I obviously declined to answer those, too, on quite legal grounds.'

'I think it was at the public hearing, but I am not sure. It may have been at the private hearing I was asked if I knew a man by the name of Philbrick, and I declined to answer that also. I believe that was all.'

At the conclusion of the conference the Superintendent suspended Mr. Faxon by handing him a letter reading as follows:

March 26, 1953

Mr. George R. Faxon
480 Centre Street
Jamaica Plain, Massachusetts.

Dear Mr. Faxon:

Because of conduct unbecoming a teacher in the Boston Pub-

lic Schools and also because of conduct inconsistent with the oath you have taken and subscribed pursuant to Section 30A of Chapter 71 of the General Laws, you are hereby suspended without pay pending the filing by me with the School Committee within thirty days, of a report and recommendation in the premises.

Very truly yours,

(Signed) Dennis C. Haley,
Superintendent of Schools.

It is my belief that a public school teacher, paid out of public tax funds as he is, has a definite duty and obligation to answer unequivocally when asked by a duly constituted subcommittee of the United States Senate whether he is a member of the Communist Party. In my opinion, a public school teacher who on such an occasion declines to make known his precise position on such an important matter is guilty of conduct unbecoming a public school teacher.

It is my further conviction that a public school teacher who, when asked by a duly constituted subcommittee of the United States Senate whether he knows a named individual, declines to answer on the ground that it might incriminate him, manifests a contempt of the Constitution of the United States by virtue of which the subcommittee is conducting its proceedings and is therefore guilty not only of conduct unbecoming a public school teacher but also a violation of the oath prescribed by Section 30A of Chapter 71 of the General Laws of Massachusetts.

I recommend, therefore, that George R. Faxon be dismissed as a teacher in the public schools of the City of Boston because of

1. Conduct unbecoming a teacher in the Boston Public Schools, and
2. Conduct inconsistent with the oath taken and subscribed to, pursuant to Sec. 30A of Chapter 71 of General Laws.

Respectfully submitted
(Signed) Dennis C. Haley,
Superintendent of Schools.

Mr. Muchnick: Madam Chairman, just to get some of the chronology cleared up in my mind, on page 1, the first date mentioned is March 20th, when it says that Mr. Faxon made known to Mr. McKim that he had been subpoenaed and that the information was relayed by Mr. McKim to Mr. Daley, who in turn informed Mr. Haley.

I would like to know when the information was relayed by Mr. McKim to Mr. Daley, and in turn when Mr. Daley relayed that information?

Superintendent: On Friday, March 20, 1953.

Mr. Muchnick: You mean, Mr. Superintendent, that Mr. McKim told Mr. Daley on March 20th and that Mr. Daley told you March 20th?

Superintendent: That is true.

Mr. Muchnick: And do you have any memory of when you first called Mr. Faxon?

Superintendent: Yes, Mr. Muchnick: At approximately 5:30 on the afternoon of March 26, 1953.

Mrs. Lyons: Are there any further questions?

Mr. Muchnick: That clears up the chronology as far as I am concerned.

Mrs. Lyons: Thank you, Mr. Superintendent.

This is the report that the School Committee has had on this case, and I believe that they would like now to go into executive session and discuss your recommendations.

Mr. Muchnick: Madam Chairman, in matters of this kind it has been the practice of the Committee to have the assistance of counsel of the Corporation Counsel's office, and I assume that we will have that type of assistance.

Mrs. Lyons: Yes, we will. Mr. Kerr will remain here, and he said he would be ready when we were ready for him. Mr. Kerr is here.

Dr. Foley: Madam Chairman, I move we recess and go into executive session. This is a matter of procedure. That is all.

The members took a recess at 7 P. M. and the five members reassembled at 8:20 P. M.

Miss Fitzgerald: Madam Chairman, I had a motion that I made earlier that was before this Committee on Mar. 25, 1953, and which I requested be held for a full Board.

That was Item 21 on the March 25th agenda, concerning the school secretaries.

My motion was that their status be returned to what it was before the action of May 5, 1952, and I would like to press that motion at this time if I could.

I would like to know if we could proceed on that motion of March 25th before we take up Mr. Muchnick's motion.

Mrs. Lyons: I thought that we would go along with this first.

Miss Fitzgerald: I would like to have it taken up next then, following this.

Mrs. Lyons: All right.

Mr. Muchnick offered the following:

ORDERED:

1. That at a meeting of this Committee to be held on Monday, June 15, 1953, a vote be taken by this Committee on the question whether George R. Faxon be dismissed as a Master, Boston Latin School, for conduct unbecoming a teacher, for conduct inconsistent with the oath taken by him under Section 30A of Chapter 71 of the General Laws of Massachusetts, for being a person undesirable as a public school teacher, and for engaging in Communist activities while a public school teacher, or for any of said causes.

2. That effective forthwith George R. Faxon be, and hereby

is, suspended, without pay, as a Master, Boston Latin School, pending final action by this Committee upon the dismissal proceedings instituted this day; but in no event shall said suspension continue after June 30, 1953, unless further ordered by this Committee.

3. That the Secretary of this Committee be, and hereby is authorized and directed to give notice of this tripartite order forthwith to said George R. Faxon.

Miss Fitzgerald: I second the motion.

Mrs. Lyons: Would you call the roll, please?

Dr. Foley: Pardon me, Madam Chairman. Did you say June 15th or June 30th?

Mr. Muchnick: June 15th as the date of the vote to be taken, and June 30th as the final date of suspension unless there is a further order of the Committee.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

SECRETARIES IN THE SCHOOLS

Miss Fitzgerald: Madam Chairman, there is a motion of mine on the Conference Memorandum of Mar. 25, 1953—Item No. 21—which was held for a full Board, as follows:

ORDERED: That the School Committee rescind its action of May 5, 1952, and that the Committee restore the school secretaries to their former status.

Mr. Carr: I second that motion, Madam Chairman.

Mr. Muchnick: Madam Chairman, I would like to know what is meant by "former status"?

Mr. Carr: Madam Chairman, I believe Miss Fitzgerald means return to the working conditions that they formerly had prior to the action taken on that date by this Committee.

On roll call the order failed of passage by the following vote:

YEAS—Mr. Carr and Miss Fitzgerald—2.

NAYS—Dr. Foley, Mrs. Lyons, and Mr. Muchnick—3.

Mrs. Lyons: If there is no further business before the Committee—

Miss Fitzgerald: I did have another matter I would like to bring up if I might, Madam Chairman.

Mr. Muchnick: Mr. Kerr had an item he wished to bring up, Madam Chairman.

Mrs. Lyons: Mr. Kerr, would you like to be heard on it?

LUCRETIA CROCKER SCHOOL

Mr. Kerr: Madam Chairman, I believe that the School Committee received a letter under date of March 31st from Robert A. LaCentra Company requesting permission to use the basement

and yard of the Lucretia Crocker School, which is now unoccupied, for the storage of plumbing and electrical equipment during the construction of the Bromley Park Housing project.

It is my understanding that the Superintendent of Construction has reported to the Committee that in his opinion it would be better to have this unused building occupied during the construction of the project than left in its present unoccupied state, in that it would be less likely to be damaged by vandals.

Dr. Foley: Madam Chairman, I move that the request be granted.

Mr. Kerr: May I, Madam Chairman, proceed for the moment, please. I therefore would recommend that since we obviously cannot get the details of the transaction completely finished tonight, you adopt a vote of this character:

This involves authorization to the Superintendent—or, if you prefer, the Business Manager. I have no objection on that. The Business Manager is more apt to come in on this matter.

Mrs. Lyons: I think probably the Business Manager.

Mr. Kerr suggested that the following order be adopted by the Committee:

ORDERED, That the Business Manager be, and he hereby is, authorized and directed, upon the tender of the sum of three hundred dollars (\$300) by the Robert A. La Centra Co., 57 Washington Street North, Boston, for the use of the City of Boston for School Purposes, to grant to said Robert A. La Centra Co. permission to use until May 1, 1954, the basement and yard of the now-unoccupied Lucretia Crocker School for the purpose of storing plumbing and electrical equipment in connection with the construction of the Bromley Park Housing project, provided that any further details that, in the opinion of the Business Manager are expedient, be worked out to his satisfaction.

Mrs. Lyons: Are there any questions?

Dr. Foley: Madam Chairman, I move that we accept the recommendation of Mr. Kerr.

Mrs. Lyons: Will you call the roll?

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

ATTENDANCE AT CONVENTIONS

Mr. Carr: Madam Chairman, at one of our prior meetings we had an item on the agenda which called for five of our school personnel to go to different conventions.

Your Committee, Madam Chairman, saw fit to single one out at that time because of the time element, and he was sent to that convention.

Since then we have had one of our directors who, although not

authorized to go by this Committee, was so sincere and so earnest in his desire to attend this convention, and being a director of that convention, that he saw fit to go there and pay his own expenses.

Now I have an order here, Madam Chairman, that I would like to put before your Committee that this man be compensated for the expenses incurred on that trip. He is Thomas D. Ginn, Director of Vocational Guidance.

I move that he be compensated for the expenses incurred in attending the National Vocational Guidance Association meeting that was held in Chicago, Illinois. I have another order, Madam Chairman, that I would like to see your Committee dispose of tonight:

That Joseph McKenney, Director of Physical Education, be authorized to attend the annual convention of the Eastern District of the American Association for Health, Physical Education and Recreation, to be held in Pittsburgh, Pa., and that the City stand the expenses of his travel.

That Robert C. Schimmel, Radio Co-ordinator, is hereby authorized to attend the 23d Annual Institute for Education by Radio and Television to be held in Columbus, Ohio, April 16, to 19th, inclusive, at the expense of the City, not to exceed \$175.

Madam Chairman, I do hope your Committee will adopt these orders and send these men to these conventions. I believe next year we have the convention of the Eastern District of the American Association for Health, Physical Education and Recreation coming here to Boston.

Just recently down before the City Council, when some of the members down there saw fit to talk about conventions as not being welcome to Boston, we had the Chamber of Commerce and the Mayor himself who came out and said that it would bring some \$3,000,000 annually to this City, and I hope that you will see fit to pass these orders and send these men to the convention.

I think there is a world of good derived from these, and I am sure that the School Department and the City of Boston will benefit by them.

It is a mere pittance of \$175 in one case and \$175 in another, and I would like to see this Committee compensate Mr. Ginn to the extent of \$255.

Mr. Muchnick: Madam Chairman, I, too, would like to talk about conventions. I would like to talk primarily about a convention that was held here during the past week, the International Council for Exceptional Children. It was not only a national convention, but it was an international convention held here in Boston.

From some of the remarks I heard Friday evening at the Hotel Statler, a great amount of the credit for the proper running of that convention goes to three peo-

ple, two of whom are associated with our school system. The tributes that were paid to those three people verbally and by way of gift and so forth should make them feel very proud and should make us feel proud of our association with two of the three.

One was Mr. Philip Cashman, connected with the State Education Department, and the other two were Miss Helen Freeman, of our own special class teaching group, and Dr. Gillis, the assistant superintendent in charge of that particular level of instruction.

From what I can gather those sincere tributes were as fine as I have ever heard paid to anybody.

It is true that conventions bring to Boston \$3,000,000 annually, as Mr. Carr says, and it is also true that a world of good is derived from them; but for the life of me I cannot understand why this international convention was boycotted by so many people from the Boston school system who should have been there and were not there.

If that is the way conventions are attended by some or many of our personnel in our own city, I don't know why we should spend \$175 apiece to have them leave the City, and possibly or probably have the same lack of attendance at the other conventions.

I for one am not in favor of sending people outside of our city until such time as I can see better attention and attendance on the part of at least top personnel in the system at the conventions that are held in the City for educational purposes.

Miss Fitzgerald: Madam Chairman, I happened to be present at the convention which Mr. Muchnick mentions, and I noticed a very good attendance of all of our personnel, top and lower level.

Superintendent: Madam Chairman?

Mr. Carr: Madam Chairman, I would like to say that I think the injection into this discussion of the word "boycott" is far afield, and I doubt if the speaker could support his allegations. It is easy to sit up here and give out a lot of talk with no questions asked that create a false impression, and I challenge whether there was any boycott of any convention.

Superintendent: Madam Chairman, may I ask Mr. Gillis a question?

Mr. Gillis: Yes, Mr. Superintendent.

Superintendent: Do you think, Mr. Gillis, that the Boston school system boycotted this convention?

Mr. Muchnick: Madam Chairman, may I interrupt?

Superintendent: May I finish?

Mrs. Lyons: Yes, Mr. Superintendent.

Mr. Muchnick: I was giving my opinion, not Mr. Gillis' nor Mr. Carr's.

Superintendent: Madam Chairman, I was not asking Mr. Muchnick's opinion. I was asking my

assistant superintendent, whom I released, whom I co-operated with 100 per cent, and whom I helped to make this convention as great a success as any superintendent could make it, I am asking him if he thinks that our School Department, administration, or anyone else, boycotted a convention?

Mr. Gillis: There were a large number, as you know, Mr. Superintendent, of personnel, who requested attendance through their directors or their principals or their head masters. The Superintendent and I went over every name. Where it was necessary for the individual in one case to be present two weeks and in another case to be present three days or two days, the Superintendent graciously granted permission for every person who had asked to come—every one of them, Mr. Superintendent.

Superintendent: Thank you.

Mr. Carr: It is obvious, Madam Chairman, that there was no boycott of any convention by the Boston school personnel, and I would like to see these orders acted upon.

Mrs. Lyons: Would you call the roll on that?

The following was offered:

ORDERED: That Thomas D. Ginn, Director of Vocational Guidance, be reimbursed for attendance at the National Vocational Guidance Association Meeting held in Chicago, Ill., Mar. 29 to Apr. 2, 1953, inclusive, not to exceed two hundred and fifty-five dollars (\$255).

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, and Mrs. Lyons—4.

NAYS—0.

PRESENT—Mr. Muchnick—1.

Dr. Foley: Mr. Ginn has already been at a convention?

Mrs. Lyons: Yes.

Dr. Foley: Do I understand the other two are still to go?

Mr. Carr: They are still pending.

The following was offered:

ORDERED: That Joseph McKenney, Director of Physical Education is hereby authorized to attend the Annual Convention of the Eastern District of the American Association for Health, Physical Education and Recreation, to be held in Pittsburgh, Pennsylvania, Apr. 19 to 23, 1953, inclusive, at an expense to the City not to exceed one hundred seventy-five dollars (\$175).

On roll call the order failed of passage by the following vote:

YEAS—Mr. Carr and Miss Fitzgerald—2

NAYS—Dr. Foley, Mrs. Lyons, and Mr. Muchnick—3

The following was offered:

ORDERED: That Robert C. Schimmel, radio co-ordinator, is hereby authorized to attend the twenty-third Annual Institute

for Education by Radio-Television, to be held in Columbus, Ohio, Apr. 16 to 19, 1953, inclusive, at an expense to the city not to exceed one hundred seventy-five dollars (\$175).

On roll call the order failed of passage by the following vote:

YEAS—Mr. Carr and Miss Fitzgerald—2.

NAYS—Dr. Foley, Mrs. Lyons, and Mr. Muchnick—3.

Mr. Carr: Madam Chairman, I would like to say for the record, and for the benefit of those persons involved or concerned with these conventions, that if they have any hope of attending conventions in the future, I would advise them to contact the Chamber of Commerce and have them call the members of this Committee.

I was called by the Chamber of Commerce, and without any action on my part there was one Casimir F. Shea singled out from this group, and this Committee voted to send him to that convention. That is the procedure they should follow if they are sincere in wishing to attend these conventions.

MILK STRIKE

Superintendent: Madam Chairman, may I make a brief statement about the milk situation?

I think that you will want to hear it, and perhaps the press will help us again tomorrow, if necessary, as they have in the past.

I have asked through the press to have parents where possible try to provide their children with milk. In many cases they have been successful, and many of our youngsters have brought milk to school. In some cases they have shared it with other pupils who had no milk.

In the meantime, I think, Mr. Gillis, we are furnishing orange concentrate, are we not, which was a surplus commodity?

Mr. Gillis: On the 25-cent tray we charge but twenty cents since we are not serving any milk. We are serving with the tray free fruit juices which are surplus commodities, and we serve the fruit juices free, Madam Chairman, on that tray.

These are surplus commodities, and we shall continue to do so as long as these fruit juices last and the children want to drink them.

For those who wish a hot drink, we are urging the cafeteria folks to provide cocoa in abundance for the children who wish to purchase a cup of cocoa. In the elementary schools, as the Superintendent requested, Madam Chairman, many of the parents are giving milk or other liquid in a thermos bottle for their children to bring and eat with the lunch which they provide for the children.

We are doing everything possible in the cafeterias and the ele-

mentary schools to make sure the children have what their mothers want them to have.

Superintendent: Thank you very much, Dr. Gillis.

Just one other thing, Madam Chairman, related to the problem of milk.

I have been in contact with Mr. Broders of the Whiting Milk Company today, and he had hoped around 5 o'clock that he could come up here and tell me that things had been settled, that the milk would be delivered tomorrow morning.

As you know, we have one contract for all of the milk in the system, and that is with the Whiting Company. Mr. Broders now reports in this note that I have received from Miss Laffey that he hopes that everything will be all right, and he feels now reasonably sure that everything will be satisfactory by Wednesday. We sincerely hope so, but in the meantime we are doing the very best we can.

Thank you, Madam Chairman.

Mr. Muchnick: Madam Chairman, if by Wednesday our contract supplier is not in a position to supply milk, it would seem that the rights of the children to receive the milk for which, incidentally, they all had to bring their money as of last Wednesday or Thursday for this week, should be superior to the rights of either labor or management or both.

As far as I am concerned, while grown men are fighting about their rights—and for this particular purpose I don't know and am not particularly concerned with which side is right in the controversy—it seems to me that some effort—every effort—should be made to get milk into the schoolrooms, not necessarily for those in the junior high schools and high schools, who have the cafeterias and can get other items, but especially for those in the elementary grades.

If, by Wednesday, this dispute has not been resolved I would like to recommend that the Business Manager and the Law Department check the contract for the purpose of seeing that other suppliers who are in position to do so supply these children with milk on either a temporary or permanent basis.

Dr. Foley: Madam Chairman, I go along heartily with that thought, because, after all, the school children of Boston really have nothing to do whatsoever with the conditions of labor and I feel that they should not be penalized in any way. I trust that some satisfactory report might be in the mail or in the papers in the morning that this has come to an end.

If it has not, I subscribe to the thought of Mr. Muchnick.

Mrs. Lyons: I think probably from Mr. Broders' message, by Wednesday everything will be settled. I hope it will anyway, for the youngsters in Boston.

DEPARTMENT OF PHYSICAL
EDUCATION

Mr. Muehnick: Madam Chairman, before we adjourn, I read in one of this morning's newspapers, that as a result of a budget cut there was going to be some drastic curtailment in teacher coaches, assistant coaches, elementary school play areas and so forth.

I see that Mr. McKenney is here and I wonder if he can give us a quick rundown of the specific money he is cutting from each of the items to which reference was made in the newspaper article.

Mrs. Lyons: Mr. McKenney? Is Mr. McKenney here?

Mr. McKenney: If I may go to my office, I could obtain those records for you.

Mr. Muehnick: It's all right with me.

Mrs. Lyons: All right, Mr. McKenney, would you get them for us?

Mr. Carr: Madam Chairman, is it necessary that we have that information tonight? I would like to make a motion that we adjourn.

Mr. Muehnick: I would like it, because, as I understand it one of the items that faces immediate curtailment or discontinuance—I don't recall exactly how the article read—was school playgrounds in the elementary schools, in the afternoon session.

Mrs. Lyons: I asked Mr. McKenney if he would wait, and he has waited all this time to report to the Committee, Mr. Carr.

Subsequently, Mr. McKenney returned to the meeting with his material.

Mr. McKenney: Do you want me to read the list of cuts and the amounts—is that how you want them?

Mr. Muehnick: Yes—

Mrs. Lyons: Mr. McKenney, before you start, I saw a circular which was sent out to the different schools, and it was headed up this way: That the budget had been cut \$75,000. Now, that isn't correct. Your budget was cut \$50,000.

Mr. McKenney: No, our proposed expenditure you cut \$25,000 about three weeks ago or a month ago, and another \$50,000 the last meeting before you sent the budget down.

Mrs. Lyons: That was \$50,000. Mr. McKenney: \$50,000 and \$25,000, all in the last month.

Mr. Muehnick: Madam Chairman, prior to this last cut of \$50,000, Mr. McKenney, what have you taken out of the Athletic or Recreational Services?

Mr. McKenney: What had I taken out?

Mr. Muehnick: Yes.

Mr. McKenney: I had taken out nothing. Mr. Smith reduced it automatically, whether it was on your advice or the School Committee's advice.

Mr. Muehnick: You don't follow me. What services were curtailed as a result of the initial \$25,000 reduction?

Mr. McKenney: None whatsoever, because I could not get any idea from Mr. Smith, except that he said he was taking it off the bottom of certain items and he went along. I might be able to give you the items.

Mr. Muehnick: Your cuts, then, were based on the last \$50,000 cut in money?

Mr. McKenney: Partly. For instance—

Mr. Muehnick: What part was based on the \$50,000 cut?

Mr. McKenney: This part was based on the \$50,000 cut.

Mr. Muehnick: Let's have those figures, will you?

Mr. McKenney: Vacancies, \$6015.67. Expansion items \$8,116.

Dr. Foley: What do you mean by expansion, Mr. McKenney?

Mr. McKenney: Expansion for appointments in our Department. Substitute teachers, \$6,552; playgrounds, \$16,200.

Mr. Muehnick: Which playgrounds are those?

Mr. McKenney: Schoolyard playgrounds.

Mr. Muehnick: \$16,000?

Mr. McKenney: \$16,200.

Mr. Muehnick: On which level, —elementary, junior high?

Mr. McKenney: It is the elementary level. That is the only level where we have playgrounds. Assistant teacher coaches, baseball, \$1800. Play teachers, tennis—

Mr. Muehnick: Weren't those renamed coaches?

Mr. McKenney: —\$560. Play teachers, golf, \$450. Teacher coach, junior high, baseball, \$1750. Play teacher, Horace Mann School, \$50. Play teacher, Girls' High School—high schools having girls in enrollment, \$1050.

Play teachers, girls, junior high schools, \$1660.

Play teachers, girls, elementary schools,—grades 7 and 8 classes, \$480.

Military science supplies, \$500. For a total of \$45,183.67.

Mr. Muehnick: On the playground figure of \$16,200, what season of the year does that take in?

Mr. McKenney: The entire season from the spring. There is one lump sum in the budget. That is from April 26th to August 28th.

Mr. Muehnick: Is that an activity that was installed by the School Committee itself?

Mr. McKenney: That's right.

Mr. Muehnick: Well, I for one don't know by what right you eliminated this as against anything else without first discussing it with the School Committee frankly.

Mr. McKenney: Oh, that item was no different from any other. All these items were instituted by the School Committee. There is no item there that is definitely instituted by the School Committee. They are all instituted by the School Committee.

Mr. Muehnick: Well, I don't know why you picked one item of playgrounds for elementary school children which comes to more than one-third of the total eliminations of money, and elect to take that out without prior discussion with the School Committee, for one thing.

Mr. McKenney: Well, I went to the Business Manager and I went to the Superintendent. I was told that they did not think the School Committee would meet for another ten days or two weeks. Every day that I went along with my budget, it was going to be more difficult to cut. I will take the money from my budget any place that the School Committee wishes. This is merely for the information of the School Committee. It has only been in effect for two days—one day, in fact—and I am willing to accept any recommendations of the School Committee. This is purely on your orders to me.

Mr. Muehnick: Well, I, for one, would like to get my information from department heads rather than from my breakfast table newspaper, and further, it seems to me, far wiser to cut and far more equitable to cut from some of the sports that are participated by fewer people than the thousands of children who get and need the playground activities.

It would have been a much wiser thing, as I see it, to cut some from the football activities and other team sports that are engaged in by boys who don't need athletics and recreation as much as the thousands of elementary youngsters may need it, and let them have the major portion of this money.

I think it also would have been expedient to check your figures and see what water could have been squeezed out of the Department before making any of these cuts.

Mr. McKenney: There is no water. No one has checked this budget more thoroughly than I have. I still have \$30,000 to go. This is the immediate cut.

As you say, we have to cut J.V. football and you mentioned the breakfast newspapers that you read. I was very embarrassed at 4:30 tonight to have the Boston Globe call me and ask me whether these figures that they had were correct, I had not even read the article and knew nothing about its being in the paper.

You can ask Mr. Dalton if you want, where he got the information, but it did not come from me or from the Department of Physical Education. We do not do business that way.

Mr. Muehnick: I don't know where it came from.

Mr. McKenney: Well, as I see it, they took it right out of the notice that I sent to every principal to notify the teachers as to what they could expect on these savings that we had to make in the budget.

Miss Fitzgerald: Madam Chairman, I think I, too, would have

liked to have all this information when we were having our budget hearings, I think several times Mr. McKenney was asked to come and testify before us or give facts on his budget—and there were a few times when he was denied that permission.

Mr. McKenney: I have never been invited in on a budget hearing from the time I submitted the budget last October until the present time.

Miss Fitzgerald: Well, Madam Chairman, as one member of your Committee, I would have been glad to see Mr. McKenney come in at any time to discuss his budget, as I would have been glad to hear any department head whose activities are as widespread as those of Mr. McKenney's, whose budget is so important to the overall expense of running the schools.

I would also like to ask Mr. McKenney on that item: May I finish this, Mr. Muchnick, please?

Madam Chairman, I would like to ask Mr. McKenney how much of a curtailment will that cut in the play activities? How much of the activities on the playgrounds will be cut as the result of that \$16,000 cut?

Mr. McKenney: On the playgrounds, this \$16,000 will not involve curtailment of any activities. It is coming out of the salaries of the playground teachers in the school yards. Where we would have three teachers in the big school yards, we are going to run with two, and that is how we happened to arrive at that figure.

Miss Fitzgerald: In other words, you still have activities going on in it?

Mr. McKenney: There is no activity cut in any school yard except that the personnel has been cut.

Mr. Carr: Mr. Burke, on the \$25,000, where did you get that figure?

Mr. Burke: I would go back over the preparation of this budget. This budget was prepared by Mr. Smith last fall; and, as you know, it is an itemized budget, as Mr. McKenney has pointed out. Mr. Smith was requested by the School Committee to make cuts, and he did make certain cuts on February 2d.

I sat in on several of the budget hearings with your Committee, and, as I said before, this was an itemized budget and in certain instances your Committee went over departments within the budget item by item.

To my knowledge, I was not there when Mr. McKenney's budget was discussed but I am certain that it was hoped by Mr. McKenney and by Mr. Smith that in your examination of Mr. McKenney's budget, if you desired to cut money, you would name the items and the cuts in the specific items, rather than a lump sum cut.

Mr. Carr: Didn't we do that in the \$25,000?

Mr. Burke: No, sir.

Mr. Carr: And we didn't do that in the \$50,000?

Mr. Burke: No, but when an attempt is made, as it has been made by Mr. McKenney, to present an honest budget item by item, and if the Committee—and the Committee is so empowered—desires to cut the budget, it is hoped, as I say, that they will cut specific items in this specific budget and not a lump sum.

Mr. Muchnick: Madam Chairman, there will be at the end of the year 1953, if there is efficient, proper management of this department as well as other departments, an unexpended balance, you can rest assured, as there has been every year.

Mr. McKenney: Efficient management?

Mr. Muchnick: That is all we expect—efficient management.

Mr. McKenney: But not for services that we should give the children.

Mr. Carr: Is there anything strange about ending up with an unexpended balance in a budget of this size?

Mr. Burke: As Mr. Smith pointed out to you at the time the budget was passed, he hoped that there would be an unexpended balance; so that his position as a free man would not be jeopardized.

Mr. Carr: So there is nothing strange about having an unexpended balance, and I think that was brought out in the case of the Department of School Buildings, too.

Mr. McKenney: After our budget was cut last year, we needed Chapter 658 to balance our budget. We were down to within \$100 on December 15th. That is how close our budget was on the supply end.

Mrs. Lyons: What is your total budget, Mr. McKenney?

Mr. McKenney: With your cuts, I have not received a budget. I could not tell you.

Mrs. Lyons: What is it there? We can deduct \$75,000.

Mr. McKenney: \$721,235, minus \$50,000, I would say it would be at the present time, so somewhere in the vicinity of \$675,000.

Mrs. Lyons: Do you think in a budget that size \$75,000 is much of a cut?

Mr. McKenney: I think it is a tremendous cut.

Mr. Muchnick: Mr. McKenney, does that include the military science?

Mr. McKenney: That does include military science.

Mr. Muchnick: Does that include everything in your budget, personnel and supplies and White Fund?

Mr. McKenney: It includes everything all the way through.

Mr. Muchnick: Is the Stadium charged to your budget?

Mr. McKenney: The Stadium is charged to our budget.

Mr. Muchnick: How much of a deficit does that show?

Mr. McKenney: The Stadium deficit?

Mr. Muchnick: Yes.

Mr. McKenney: The maximum deficit ever shown by the Stadium, I think, is \$28,000.

Mr. Muchnick: And that was in what year?

Mr. McKenney: Last year, or the year before. It averages \$25,000, and if you recall, the Mayor said it would be \$250,000.

Mr. Muchnick: He can be wrong, too.

Mr. McKenney: That's right. It just showed he was.

Mrs. Lyons: I didn't see anything taken off here for supplies at all.

Mr. McKenney: No, because Mr. Smith had already taken the supplies when you cut the \$25,000. We may as well not have the playgrounds—if we are going to take away the toys and the equipment that the children are going to play with—

Mrs. Lyons: I don't mean that, but I think there are a lot of things bought that we could get more use out of than we do without buying them and sending them out to all of these places where we still have stuff that is usable.

Mr. McKenney: Name an item, and I could tell you.

Mrs. Lyons: How about some of the uniforms that are bought for football?

Mr. McKenney: You say football—

Mrs. Lyons: Many things.

Mr. McKenney: If the day comes that this School Committee has to take and cut the protective equipment of a boy playing football, it's a sad day. What else have you got in mind in football besides shoes and protective equipment?

Mrs. Lyons: I am talking about the uniforms.

Mr. McKenney: For what sport?

Mrs. Lyons: For football, which is one.

Mr. McKenney: Well, I am giving you your answer. That's protective equipment. When you have a contact sport, you have to protect the boys. I wish you could make—

Mrs. Lyons: Those are shoulder pads and hip pads and things like that.

Mr. McKenney: And the helmets. You have a helmet and you have the shoulder pads and the jerseys.

Mrs. Lyons: Isn't there anything you can ever salvage from one year to the next? When we are at home we have to salvage a lot of things.

Mr. McKenney: We salvage everything. If we didn't salvage from year to year Mrs. Lyons, it would cost you a great deal more money—you might be interested just for a minute if I could take your time.

If you want to see the peanuts that we outfit a school with, listen to this. English High School, \$1200 in football. Latin School, baseball, \$550. This is how we divide up our whole budget.

Mr. Muchnick: How about football at Latin?

Mr. McKenney: Football for Latin School for the whole year: We give English Latin, and Technical High \$3,000 divided as follows: Football, \$1200; baseball, \$550; track, \$400; hockey, \$400; basketball, \$400; tennis, \$25; golf, \$25; for a total of \$3,000.

We give Dorchester, Memorial, and Trade \$2600 a year.

Mr. Muchnick: Just a minute, Mr. McKenney. You give Latin School, English High, and Technical \$1200 apiece?

Mr. McKenney: For football.

Mr. Muchnick: For football equipment every year?

Mr. McKenney: That's right.

Mr. Muchnick: Shouldn't your allotment be based on the number of boys playing rather than the name of the school?

Mr. McKenney: That is exactly how that is divided. You hit it right on the nose.

Mr. Muchnick: And do the same number of boys play it at Latin and at English and at Technical?

Mr. McKenney: On a proportion, those are our biggest squads.

Mr. Muchnick: Do the same number play in each of the places?

Mr. McKenney: Within five or six. I could give you the exact figures.

Mr. Muchnick: What does the equipping of a boy cost?

Mr. McKenney: Maybe in the vicinity of \$75 or \$80.

Mr. Muchnick: Well, if it is within \$5 or \$6, and if school A has six more than school B—

Mr. McKenney: You are talking about English, Latin and Technical?

Mr. Muchnick: Yes, those three. If there is a spread of possibly 12 between school A and School C in those three schools, then if you take \$80 times 12, somebody is either getting too much or too little money in any one year, and that is where you have your war.

Mr. McKenney: That is not a true statement at all, Mr. Muchnick. How do I know whether English is going to have 80 out for football or 76, and Latin is going to have 82 instead of 78? You cannot put it down to that number.

Mr. Muchnick: How many do you equip in a school?

Mr. McKenney: We try to equip as many boys as we feel will be out for that year. At English High School we try to equip 80 to 85 boys every year.

Mr. Muchnick: Don't you know how many are out before you start equipping them?

Mr. McKenney: No, sir. Do you think we can buy football equipment on Labor Day? We have to buy our equipment earlier. My football order is in now, and by being held up it cost us one-third more last year by our football order being held up than it should have cost us; and I think Mr. Burke of the Business Manager's office will verify that because we have arranged with the dealers of the city to produce our material during the summer season when their business is slack. If we

order now they know they have our business to keep their factories going, and as a result we buy not only cheaper than any city or town in Massachusetts but any city in the country.

Mr. Muchnick: It cost you \$1200 a year to equip 80 new boys who come out for football?

Mr. McKenney: That's right. That includes the cleaning of their equipment which may run \$300, \$400, or \$500 a year and to rebuild the shoes and so forth.

Mr. Muchnick: Well, how much old equipment do you use?

Mr. McKenney: We use every bit of it. I would say, that we salvage somewhere in the vicinity of the following: Our shoes cost is substantial. If there are 85 pairs of shoes at English High, I would say that we would save 65 to 70 of them for the next year.

We recondition every bit of equipment. If you want Dorchester, Memorial, and Trade, we group them together, and also Brighton, East Boston, Commerce, Hyde Park and South Boston we group. Charlestown, Jamaica Plain, and Roslindale we group. Brandeis Vocational is in a group by its own.

We give this some study. This is accounted for. We can account for every nickel of our budget. We take the 22 junior high schools, and we allot the money for that. We take the 14 elementary schools with junior high classes and we allow them \$5600 for that group. We have a reserve of \$100 in that item.

All we want you to do is talk with any sporting goods dealer in the city and see what city in the country gets the value for their dollar more than Boston.

Mr. Muchnick: If playgrounds are going to be covered, I have no questions at all.

APPROVAL OF MINUTES

The reading of the minutes of the meeting of Apr. 1, 1953, was omitted, the Committee approving them as printed.

APPOINTMENT

The following nomination by the Superintendent, certified by him as being in accordance with the rules and regulations, to take effect on the date stated, was presented:

(TOOLKEEPER)

Brighton High School—John Shallah, Mar. 23, 1953.

On roll call the appointment was approved by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

LEAVES OF ABSENCE

A communication was received from the Superintendent, under date of Apr. 13, 1953, recommend-

ing that leave of absence without loss of pay be granted the following-named teachers in order that they may render training service with the armed forces of the United States:

Edward Everett District—John T. Daley, submaster, Apr. 13 to 17, 1953, inclusive; Department of Industrial Arts—Philip R. McTiernan, shop instructor, Apr. 27 to May 1, 1953, inclusive; Paul C. O'Regan, shop instructor, Apr. 13 to 17, 1953, inclusive.

The communication was placed on file and on roll call the leaves of absence without loss of pay were granted by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0

ANNUAL COMPETITIVE DRILLS

The following was offered:

ORDERED. That the annual competitive drills of the Boston School Cadets take place this year as follows:

English High School—at 101st Infantry Armory, Friday, April 17, 1953.

South Boston High School—at school, Friday, April 17, 1953.

High School of Commerce—at 101st Infantry Armory, Tuesday, April 28, 1953.

Boston Latin School—at school, Wednesday, April 29, 1953.

Jamaica Plain High School—at J. W. Murphy, Jr. Playground, Thursday, April 30, 1953.

Boston Technical High School—at 101st Infantry Armory, Friday, May 1, 1953.

Brighton High School—at school Friday, May 1, 1953.

Charlestown High School—at Charlestown Armory, Friday May 1, 1953.

East Boston High School—at school, Friday, May 1, 1953.

Roxbury Memorial High School (Boys)—at school, May 1, 1953.

Worcester High School for Boys—at school, Friday, May 1, 1953.

Boston Trade High School—at 101st Infantry Armory, Tuesday, May 5, 1953.

Roslindale High School—at Healy Field, Tuesday, May 5, 1953.

Hyde Park High School—at Stony Brook Reservation, Wednesday, May 6, 1953.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

SALARY OF FUEL ENGINEER

The following was offered:

ORDERED. That the salary of William L. Kendrick, Fuel Engineer, is hereby established at the rate of six thousand five hundred sixty-four dollars (\$6,564) a

year, to take effect Apr. 1, 1953, and to continue until otherwise ordered.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

SALARIES, BOOKBINDERS

The following was offered:

ORDERED, That the salaries of the following-named persons are hereby established as follows for the periods indicated:

Ralph E. Ford, Bookbinder, at \$87.38 a week, from Mar. 3, 1952, to June 24, 1952, inclusive; Head Bookbinder, at \$100.38 a week, from June 25, 1952, to Nov. 30, 1952, inclusive.

Walter F. Owens, Bookbinder, at \$87.38 a week, from Mar. 3, 1952, to Apr. 21, 1952, inclusive; during temporary transfer as Head Bookbinder, at \$92.38 a week, from Apr. 22, 1952, to June 24, 1952, inclusive; Bookbinder, at \$87.38 a week, from June 25, 1952, and until otherwise ordered.

Herbert F. Johnson, Bookbinder, at \$87.38 a week, from Mar. 3, 1952, to Nov. 30, 1952, inclusive; during temporary transfer as Head Bookbinder, at \$100.38 a week, from Dec. 1, 1952, to Jan. 20, 1953, inclusive; Head Bookbinder, at \$100.38 a week, from Jan. 21, 1953, and until otherwise ordered.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

SALARIES, ADMINISTRATIVE OFFICES

The following was offered:

ORDERED, That the salary or compensation of the following-named persons employed in the Administrative Offices and the Supply Room is hereby established as follows, to take effect Jan. 1, 1953, unless otherwise stated:

Offices of the Superintendent-Secretary, Assistants

	Per Week
Ruth V. Brennan, Dec. 23, 1953	\$73.18
Eleanor A. Curran	63.18
Margaret E. Donovan	72.65
Helen L. Fallon	78.18
Mary C. Fetherston	63.18
Eleanor J. Holland	77.18
M. Eileen Keenan	63.18
Irene J. Kelley	68.18
Helena Kyrton	63.18
Mary T. Lane	63.18
Mary C. McGonagle	63.18
Elizabeth T. Moses	63.18
Marguerite M. O'Gorman	63.18
Grace V. O'Neil	68.18
Irene M. O'Shea	68.18
Mary G. Shaughnessy	73.18
Virginia M. Shelsey	63.18
Lillian M. Stanton	63.18
Alice M. Welch	68.18

Office of Business Manager, Assistants

Roberta J. Ambrose	\$68.18
Thomas F. Barry	78.18
Agnes F. Boodro	63.18
Catherine E. Buckley	68.18
Gertrude L. Erickson	63.18
Catherine C. Freeley	68.18
Mary E. Jackman	62.18
Anne C. Levins	73.18
Joseph E. McDermott	73.18
Alice B. Quinn	63.18
Ella J. Quinn	63.18
Catherine G. Smith	63.18
Alice G. Toland	68.18

Supply Room
Mildred E. Francis 63.18

Telephone Operators
Agnes E. Becket 63.18
Agnes L. Dolan 78.18

Offices of the Superintendent-Secretary,
Telephone Operator-Clerical Assistant
Margaret V. Kerrigan \$59.18

Mr. Muchnick: I would like the item on unfreezing salaries held over.

Miss Fitzgerald: May I ask the member why he is requesting that that matter be held up?

Mr. Muchnick: Because I have not had a chance to read it over yet.

The order was laid over.

SALARIES, TEMPORARY SECRETARIES

The following was offered:

ORDERED, That beginning Apr. 7, 1953, and continuing for the year ending Aug. 31, 1953, the salary of all temporary secretaries in the schools is hereby established at the rate of eight dollars and fifty cents (\$8.50) for each day of service.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

APPOINTMENT OF CUSTODIANS

A communication was received from the Superintendent, under date of Apr. 13, 1953, recommending, subject to the approval of the School Committee, and in accordance with the certification of the Division of Civil Service, the appointment of the following-named persons who stand at the head of the list, and who have been approved by the Medical Director, Workmen's Compensation Service, City of Boston, as junior building custodians, to take effect Apr. 8, 1953:

William J. Barrett, Brandeis Vocational High School.
John M. Cardia, Dorchester High School for Boys.
John M. Foley, Dorchester High School for Girls.
Leo F. Ford, Mary E. Curley Junior High School.

John G. Groppi, Solomon Lewenberg Junior High School.

Philip J. Kelley, English High School.

John P. McCormack, Dorchester High School for Boys.

Charles W. Murphy, Boston Technical High School.

Ronald V. Murphy, Washington Irving Junior High School.

Mayo F. Schmidt, English High School.

The communication was placed on file and on roll call the appointments were approved by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—5.

NAYS—0.

Mrs. Lyons: Mr. Reardon, why are we appointing only ten?

Mr. Carr: Because of the cut in the budget.

Mr. Reardon: We were cut \$100,000 in the budget.

Mrs. Lyons: And you find this necessary?

Mr. Reardon: I need them. I am short that number of men. But I have to.

Mr. Muchnick: How much was the overtime in the budget?

Mr. Reardon: Overtime?

Mr. Muchnick: Yes, the amount provided for overtime.

Mr. Reardon: Well, I think we had \$65,000. There were two items besides the 40-hours provision. Overtime, Saturday and Sundays, and snow removal and one other item, which I cannot make out, were included. That is \$65,000.

Mr. Muchnick: Is that the total, Mr. Reardon, for all overtime?

Mr. Reardon: And what is the total for all overtime?

Mr. Reardon: \$119,000.

Mr. Muchnick: Over and above the \$65,000.

Mr. Reardon: That's right.

Mr. Muchnick: So there is almost \$200,000 there for overtime?

Mr. Reardon: Yes. That includes all those different items.

Mr. Muchnick: \$119,000 is the total for all overtime?

Mr. Reardon: That's right.

Mr. Muchnick: So if you eliminate most of your overtime, as you would be able to do by the appointment of the original number of custodians, the cut in the budget would not affect you particularly?

Mr. Reardon: We wouldn't be able to.

Miss Fitzgerald: Madam Chairman, may I ask Mr. Reardon: Do you not need more than the ten?

Mr. Reardon: Yes, I had in for, I think it was, 21 vacancies. Those are actual vacancies.

Miss Fitzgerald: Are there available more than ten who could fill such positions?

Mr. Reardon: That's right.

Miss Fitzgerald: And you could use them?

Mr. Reardon: Yes. When I received that notice of the \$100,000 cut, I put on the ten whom I had

already notified and had them give a week's notice at their work, and I put those men to work. However, the others I have not gone ahead on.

Mrs. Lyons: Mr. Reardon, are there some in there who are going into Service? Would that bring the list a little bit farther down?

Mr. Reardon: Going into the armed services?

Mrs. Lyons: Yes.

Mr. Reardon: No, not that I know of.

Dr. Foley: Could you put on twelve instead of ten without hurting your cut too much?

Mr. Reardon: We have put on these ten now. You mean two more?

Dr. Foley: Yes. Could you increase that to twelve?

Mr. Reardon: Yes, I could, but I still haven't got the money to pay them with that \$100,000 cut.

Dr. Foley: Could you cut any place else?

Mr. Reardon: I am right down to the bone on everything. On that list that Mr. Burke has there I am down as low as I can get; and I wonder whether I have enough there for the items like evening schools. I am down to rock bottom on that. On evening centres I am down to rock bottom. I am right down. Whether or not I will have enough in those items to go through the year, I don't know. We are cut right to the bone.

Mrs. Lyons: Will there be some resignations or retirements?

Mr. Reardon: I don't know of any until the end of this year. There might be a few. However, at the present time I have five vacancies in the senior position. I want to promote the juniors up to seniors. I have here before the Committee an order asking to promote three juniors to seniors, and since that time two more have retired or gone out.

Mr. Muehnick: Mr. Reardon, when does this list of juniors run out?

Mr. Reardon: I think it is November.

Mr. Muehnick: This list from which you have taken these 10?

Mr. Reardon: Yes.

Dr. Foley: Madam Chairman, I think we have gone along with the Committee. I think that we really need probably about 12 whom we could use; and if it is possible that we could help you in any way, I think we would so I would suggest that we have twelve instead of ten.

Mr. Muehnick: Madam Chairman, the acquisition of the extra two people would cost the City approximately \$4000 for the balance of the year, and would give Mr. Reardon two more men who could be used in part to cut down the overtime, as he will do.

Mr. Reardon: I really need them.

Dr. Foley: I move that we make that twelve appointments.

Miss Fitzgerald: I second that motion.

Mrs. Lyons: Any objections?

On roll call the motion passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muehnick—5.

NAYS—0

A communication was received from the Superintendent, under date of Apr. 13, 1953, recommending, subject to the approval of the School Committee, and in accordance with the Certification of the Division of Civil Service, the appointment of the following-named persons, who have been approved by the Medical Director, Workmen's Compensation Service, City of Boston, as junior building custodians, to take effect Apr. 8, 1953:

Cornelius J. Linehan, South Boston High School.

Francis E. Broderick, Jr., William Blackstone Junior High School.

On roll call the appointments were approved by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muehnick—5.

NAYS—0.

LEAVES OF ABSENCE TO CUSTODIANS

A communication was received from the Superintendent, under date of Apr. 13, 1953, recommending that the following-named custodians be granted leave of absence on one-half compensation for the periods specified because of personal illness:

Alfonso Basso, junior building custodian, Jamaica Plain High School, March 18 to April 29, 1953.

John J. Carumbo, junior building custodian, Hyde Park High School, April 6 to May 12, 1953.

Paul M. Donovan, junior building custodian, Dorchester High School for Boys, February 24 to March 31, 1953.

John J. Gray, junior building custodian, Francis Parkman School, January 26 to April 28, 1953.

George W. Hunninghacker, senior building custodian, Elihu Greenwood School, February 1 to April 28, 1953.

Hector J. Paden, junior building custodian, Roxbury Memorial High School, February 10 to April 28, 1953.

The communication was placed on file and on roll call the leaves of absence on one-half compensation were granted by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muehnick—5.

NAYS—0.

UNFINISHED BUSINESS

The order laid over at the meeting of Mar. 18, 1953, amending Section 80, paragraphs IV, VIII and XXXIII of the Rules, making changes in certificate re-

quirements, was taken up and read by the Secretary, as follows:

ORDERED, That the Rules are hereby amended as follows:

Section 80, paragraph IV. High School. In the paragraph which describes the general requirements for this certificate, insert to immediately follow the words "provided that for holders of the degree of Master of Education from The Teachers College of the City of Boston" the words— or from the Teachers Colleges in Massachusetts operated by the Commonwealth — so that the paragraph shall read as follows:

The requirements for this certificate are: The degree of Master of Education, Master of Arts, or equivalent degree from a college or university approved by the board of superintendents, or, in the case of candidates majoring in military drill, the rank of Major or higher rank in the armed forces of the United States; evidence of two years' successful experience in teaching and governing regular graded day schools, which experience shall include at least one year in a college or secondary school (Grades VII to XII, inclusive) approved by the board of superintendents; provided that for holders of the degree of Master of Education from The Teachers College of the City of Boston or from the Teachers Colleges in Massachusetts operated by the Commonwealth, and for holders of the degree of Master of Education from a college or university approved by the board of superintendents which grants the degree only upon the completion of two years' work under the direction of that institution, one year's experience in teaching shall be accepted.

Paragraph VIII. Elementary School, Class B. In the second item "A" add the words "or from the Teachers Colleges in Massachusetts operated by the Commonwealth"—so that the paragraph shall read as follows:

VIII. Elementary School, Class B. To assistants of day elementary schools in Grades I to VI, inclusive.

The requirements for this certificate are:

A. A degree from a college or university approved by the board of superintendents;

B. Two years' successful experience in teaching and governing regular graded day schools, one year of which must have been in Grades I to VI.

or

A. Graduation from The Teachers College of the City of Boston or from the Teachers Colleges in Massachusetts operated by the Commonwealth;

B. One year's successful teaching in Grades I to VI.

Paragraph XXXIII. Junior High School. Strike out the last paragraph and substitute in place thereof the following:

A degree from The Teachers College of the City of Boston or

from the Teachers Colleges of Massachusetts operated by the Commonwealth, the Master's Degree in Education from a college or university approved by the board of superintendents with educational courses approved by that board, or the equivalent of such Master's Degree approved by the board of superintendents, may be accepted as equivalent to one of the two required years of experience in teaching and governing regular graded day schools.

Mr. Carr: Madam Chairman, I would like to offer an amendment to that order so that it will include all the colleges in Massachusetts that conduct schools of education.

We have excellent schools of education at Boston University, at Northeastern, at Boston College, and several other colleges in Massachusetts.

Lest we be accused of another step toward statism in this Commonwealth, I think these pupils should be given the same opportunity as those in our State Teachers Colleges.

I would like to see that amended to include all colleges which operate schools of education.

Mrs. Lyons: Which have education courses?

Mr. Carr: Yes. You can put it off—

Mrs. Lyons: When you read that, didn't you read the very end of that?

Mr. Carr: "Operated by the State." She had it that way.

Secretary: Provided, and so forth.

(Provision read by Secretary.)

Mr. Carr: Two years?

Secretary: Two years.

Mr. Carr: Well, the others are one year, aren't they?

Mrs. Lyons: One year's experience.

Secretary: Two years' work for the degree; "And for holders of the degree of Master of Education from a college or university approved by the Board of Superintendents which grants the degree only upon the completion of two years' work under the direction of that institution."

It would have to be a two years' Master's degree.

Mr. Carr: And it is one year in Teachers College?

Secretary: Yes.

Mr. Muchnick: Madam Chairman, I don't know of any graduate school of education in Massachusetts—Boston University, Boston College or Harvard—that requires two years for a Master's degree; and if that one sentence or that one phrase is going to be included, then the amendment suggested by Mr. Carr and elaborated on by you is meaningless because they can get the Master's degree in one year and that is all the residence that it requires, as I understand it, at those three universities. I don't know about the other non-state universities in Massachusetts.

Mr. Carr: Madam Chairman, I would like to see it put over to another meeting.

Mr. Muchnick: I would like to finish. If we are going to follow along with the thought behind the amendment as elaborated by you, then obviously this must be rewritten to include places like Harvard and other such universities that can have the work done in one year by properly qualified graduate students.

Secretary: Laid over?

Mrs. Lyons: Laid over, and have it brought in rewritten, Miss Reynolds.

Mr. Muchnick: May I suggest that copies be sent to us immediately?

Secretary: Of this here, with-out any changes?

Mr. Muchnick: That, plus the amendment.

Mr. Carr: Mr. Superintendent, you can draw up an amendment, or whoever has the duty, to include all the Class A schools of education in the Commonwealth. Put them all on the same basis.

Mrs. Lyons: Mr. Superintendent, that would include schools that had educational courses, isn't that right?

Superintendent: That is true.

Mrs. Lyons: That is necessary.

Superintendent: With practice teaching.

Mrs. Lyons: Practice teaching.

Mr. Carr: Yes.

Superintendent: Will you make a note of it, Miss Reynolds, and we will draw an order.

The Committee adjourned.

Attest:

AGNES REYNOLDS,
Secretary.

Apr. 15, 1953

A meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 6:15 P. M., the Chairman presiding.

Present: Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick.

REPORT OF CENTER FOR FIELD STUDIES, HARVARD UNIVERSITY

Dr. Foley offered the following: ORDERED, That the School Committee accepts the Report of the Center for Field Studies of the Harvard Graduate School of Education of the study of the school building needs for the Boston school system, and that the Chairman be authorized to set a date for the members of the Committee to discuss the report with Dr. Sargent and the members of his group.

Mr. Muchnick: And may I add, to acknowledge compliance with the terms of the contract by the submission of this report.

The order, as amended, reads as follows:

ORDERED, That, to acknowledge compliance with the terms

of the contract by the submission of this report, the School Committee accepts the report of the Center for Field Studies of the Harvard Graduate School of Education of the study of the school building needs for the Boston school system, and that the Chairman be authorized to set a date for the members of the Committee to discuss the report with Dr. Sargent and the members of his group.

Mr. Carr: Madam Chairman, I don't know how we can determine whether this is acceptable to us or not, according to the terms of the contract, when we haven't had three minutes to look through the contents of it.

I think it is unfair to ask us to record ourselves as accepting this as conforming to the contract. I can see no objections to accepting it as it is; but as to the context I don't know what is in it and I don't know anybody on this Committee does, and I don't know whether it conforms.

Mrs. Lyons: You may do whatever you wish, Mr. Carr.

Mr. Carr: I would like to see it held off, in fairness to some of the members of this Committee, Mrs. Lyons. I hope the context is as attractive as the looks of the report itself. It appears that there has been a lot of work done on it, and I think they probably do deserve a vote of thanks, but I would like time to look through the thing. I don't think this is the time to ask for such a vote.

Mr. Muchnick: Madam Chairman, as I understand the contract between the City and Harvard, the contract calls for the submission of a report by a certain date, covering a school plant study. This obviously is such a report. Just by thumbing through the pages, it is completely clear.

It is fully as clear from the statement that was made by Professor Sargent. There is nothing in the contract that says the report must be satisfactory to the members of the School Committee in its context or in its recommendations. We don't have to agree with anything that has been submitted.

All they had to do was to make a study and give us a report. That they have done, and in all fairness, whether the subject matter proves to be as attractive as the format of this report, is completely beside the point.

If we like it we act on it by way of building new buildings or closing old buildings, or doing anything else. That is not Harvard's problem. They have done what they have contracted to do, and it is obvious from this book that they have.

Therefore, we are entitled to vote on the motion made by Dr. Foley and as amended by myself.

Mr. Carr: Madam Chairman, I hope you will put this vote off until such time as we have read this report. We are going back now to the same procedure your Committee saw fit to follow in instigating this study. We were

shown a contract and not given five minutes to look at the thing before the Committee voted on it. I hope you won't employ the same tactics to push this on us without our having a chance to look through it.

It looks as though we are paying out money to accept, you might say, a pig in a poke. I don't think there is anyone on this Committee who knows what is in it, whether it conforms with the contract or the fulfillment of it.

There is no question in my mind that it is a very extensive report and I would like to have time to look at it. I don't think Dr. Sargent or his staff would be disturbed if we did not vote on this tonight, and it is only reasonable that you should give the members of this Committee time to read this report.

Dr. Foley: Madam Chairman, I move the previous question.

Mrs. Lyons: Would you call the roll?

Mr. Carr: For the reasons I have just enumerated, I vote No.

Miss Fitzgerald: If this vote means acceptance of the report, then I would vote Yes to accept the report, but not to feel that it is a vote one way or another on its contents.

Dr. Foley: Madam Secretary, what is the question before this Committee?

Secretary: Dr. Foley's motion, as amended, that this Committee accept the report of the Center for Field Studies at Harvard, and that the Chairman set a date for a hearing on it.

On roll call the order passed by the following vote:

YEAS—Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muchnick—4.

NAYS—Mr. Carr—1.

CONFERENCE NOTES

The following are the conference notes of the hearing to the Harvard Center for Field Studies, which were ordered spread in full on the record of the open meeting:

Mrs. Lyons: We are ready to start the hearing; and if Dr. Sargent from Harvard, is here, we will hear him. Are you ready to give your report, Dr. Sargent? Would you identify yourself, please?

Dr. Sargent: I am Cyril Sargent, the Director of the Center for Field Studies at the Graduate School of Education at Harvard. This is Dr. Mitchell, Assistant Director of the Center.

We are here this evening to present the report of the study of the school building needs for the Boston school system which you people contracted for.

We have found this study very interesting and worthwhile doing, and we hope the values to Boston will be well worth the expenditure of time and energy.

It is the sort of study that very seldom is done in this period of time. You find that throughout the country such a study

would normally take a longer period. The only reason that it was possible to conduct the study for Boston was due to a somewhat fortunate confluence of circumstances from our point of view, I think.

We happened to have the availability of the central staff of the Center for Field Studies, together with a large number of people who could be engaged in the prosecution of the study. We were located right next door to Boston, and so travel time was at a minimum.

This is a study of facts and figures. It is a study which every city continually is confronted with today. There is no community in the country which does not presently have a serious problem of school housing; not always in insufficient capacity of school buildings, or solely insufficient capacity, but shifts in population make it necessary to consider finding adequate school buildings for the children of the community.

There is the well known post-war birth boom which has turned out to be much more sustained than what earlier was anticipated.

Boston, as you look at it today, is shifting in many, many ways physically. The geography is changing. Arterial highways are ripping out major sections of the city. Public housing is springing up or has sprung up in a number of places. Populations have moved out of the city or to other areas within the city, and all of these things have to be taken into consideration in making arrangements for school facilities for the children of the city.

When you are planning for school facilities, you are thinking not of just this year and next year but always of course not only of this present generation but of a number of generations to come.

In this particular report we have made no prophecies over the next seventy years or anything of the sort. We have held ourselves strictly to a rigorous, detailed analysis of what the directions are in terms of the numbers of children and their locations for the next seven years through 1960 in the City of Boston.

This problem cannot be handled on an overall City-wide basis. The City is just too big, too complex, made up of too many different neighborhoods, areas, sections, and divisions. There are no generalities which will apply to the city as a whole.

Age distributions of the population differ in different parts of the city. The size of families is also different in different sections of the city. The need for school facilities, therefore, is different for different parts and sections of the city. All of these things must be taken into consideration in planning for the school plant.

Another factor that has to be taken into consideration is not only the number of children and where they are located, where it

might be reasonably expected that they would attend school, but the fact that you do have a present school plant in various stages of adequacy and various age ranges and various sizes, and, of course, in several locations—numerous locations.

These have to be considered. Their capacities as to school enrollments have to be aged and computed, and finally their general condition as to whether they should be continued in the school plant, if you wish, for a long period of time or whether they should be abandoned as school structures immediately.

School buildings, just as factories, just as other public and private housing and business developments and concerns, need change, modernization, and at times have outlived their usefulness. So you find it with school buildings.

We have in this study inventoried each of the school buildings of Boston. We have recorded data on their classroom space, their special facilities, their administrative library, health, and so forth, kinds of rooms, and we have examined their sites. We have looked at them generally in terms of their condition of repair and in terms of their usefulness as school buildings.

The problem, then, becomes one of a puzzle: How do you fit together the children, where they are and where it is judged they will be, with the school buildings—where they are, which ones can be thought adequate to continue in the school plant and which new ones may be needed in order to take care of the changes either in total numbers or shifts in the population.

We have in this study very carefully limited ourselves to facts that are established facts and not possibilities. By that I mean we have had to recognize the need to say that the ifs and the whens of future city planning may not enter into our consideration except in terms of cautions, for things to look for and to watch for, which, when they are activated or when money is appropriated or when buildings are constructed, then makes it necessary to change certain plans or modify plans for school buildings.

However, our recommendations have been based on only those public housing units which are under construction or which money has been voted for.

Our recommendations, therefore, are not in terms of the ifs of 1970, which may at some later date materialize but which may not materialize; and we have taken the position that it is not justifiable to deny adequate facilities in terms of these potential developments of the future. They should be watched, and this report quite clearly is a report as of this date, or actually as of the date that it went to press.

Since it went to press, the city has in one case announced a redevelopment plan. Our report

could not say that that redevelopment was an actuality until the official announcement from the Mayor's office came out. I believe that was Sunday. Our report says if this happens, and it should be watched, then this; and we have held strictly to that line of sharply cutting existing actualities as contrasted with future possibilities. We have not neglected them, but we have made our decision in terms of the accurate count.

Let me repeat, if I may: This is a study that was made as of a certain date. It must, if it is to be fully useful to Boston—and that is our sole purpose in making this study, to help provide a basis for developing policy—it must be modified and adapted as further new facts come in to alter the picture, but these must be facts.

I submit at least personally they must be facts and not the ifs and whens. Maybe I have labored that too much, but I want, if I may, to make it clear that we have kept our focus on that particular kind of emphasis.

We have, of necessity, made predictions. You cannot build school buildings in short periods of time. I will not give an exact estimate, but usually we think that three years for an elementary school from the planning stages through to availability as a reasonable expectation, and longer for a secondary school.

So, you must project your population estimates; and the study, I think, has at its central core the population analysis and school enrollment prediction.

This is not an easy method that we have used, but I would say that we have gone to the basic source of data and have followed that basic source of data through to the enrollment predictions.

This particular method is such that Boston can continue to use the data. We have gone to the U. S. Census for our basis of information. The City of Boston is divided into 156 census tracts, and the age distributions of the entire population are given for each of those census tracts.

In addition, the City of Boston is most fortunate in having births allocated annually by these census tracts, so that we are able to keep up to date the population predictions and particularly of the school age group over the period of years.

I would like to say this to the Committee: That we have had the complete cooperation of the school administration. They have been most helpful to us in every way. They have provided us with space, they have helped us with questions of information, and the school personnel has generally been exceedingly courteous to us. We have been in every school building, and we have been very courteously received and shown every possible consideration.

We have found the Department of School Buildings very helpful.

We have found very helpful, and I would not presume this afternoon to name, all the city agencies which have further helped us in the study. I might mention the City Planning Board because we have used some of their basic data, and they have been helpful also in allowing us to use their basic maps.

I would like to suggest this, if I may. This is a complex problem. I don't deny it. It is difficult to comprehend and get into in detail. You just cannot get a quick impressionistic picture of it. It is a question of a study which is based on facts and reaches certain recommendations in the light of those facts.

It will require, I am sure, on the part of the School Committee and on the part of anybody interested in the study a careful, thorough reading in order to let us fairly present our case. Therefore I would hope, and I have every expectation, or we would not have entered into the study in the first place, that Boston, the School Committee, and the administration and the city generally, will receive the report in that manner. We would like very much to have an opportunity to sit down with the School Committee in a much more casual, informal session after you people have had a chance really to dig into it and study it in detail and then go right to a work session on why we made this recommendation or why this particular series of suggestions and so forth are made. Then we will be much better able to communicate with you rather than highlighting something specific or superficial this afternoon, going through a few quick things and trying to get impressions of them.

I think we would go down a dead-end street in terms of getting too specific before the total picture is laid out in front of us.

And so I would hope that we might have a chance, and we would be prepared and anxious, to come to a meeting of the School Committee at a time that you people might select.

We can get together on calendars, I am sure, and have our staff here and have you people here and just discuss in any way you wish any of the facts and recommendations of the study, but I do think it only fair for the School Committee to have a chance to look it over thoroughly and carefully before we would suggest that.

And so, while our contract does in no way call for it, we are prepared and would like to have the opportunity to sit down with the School Committee and to discuss it in detail.

I ought to say one further thing, I suppose. This study has been done for \$10,000. It could not be done without the assistance of additional funds made available to us through the School of Education.

I would like also this afternoon to introduce to the Committee for the first time the staff which helped us with the study. I will not bore you with introducing them individually. They are not all here this afternoon, but I did invite them down because I wanted you to see them—at least some of them, anyway.

Dr. Threlkeld, the former Superintendent of Schools in Montclair, N. J., and Denver, and the former president of the American Association of School Administrators, has served on the central committee with Mr. Mitchell and myself. He is not here this afternoon.

We have had as consultants to the study, among others, Walter Carding, the present editor of School Executive Magazine, the editor of the American School and University, the former Commissioner of Education in, I think it was, Georgia, and a known authority in the field of school buildings.

We have also had as a consultant John Herrick, present director of the Field Study Service at Ohio State University with a particular specialization in the school plant field.

We have consultants in the field of public housing. We have consultants from the School of Education and from Harvard also with us on the study.

In addition to those consultants, the staff itself has been responsible for much of the analysis and the recommendations.

I don't want to protract what I have to say. I actually had not thought of a formal presentation this afternoon of any sort; and then, when I got going, I just kept talking here.

I would like you to see the staff. I might mention two people who were field directors. Austin McCaffrey, the Superintendent of Schools of Manchester, N. H., who is on leave of absence from there with us at the school full time this year was field director—or director of the field operations; and Dean K. Whitla, who was formerly psychologist in the Army and Navy research program.

Mrs. Lyons: Would those gentlemen stand up?

Dr. Sargent: Those are directors of the research activities of the Field Study, and now that you are turning around, there is the jury in front of you—some of the other members of the staff. Dr. Foley: Why don't you introduce all of them?

[Members of staff introduced by Mr. McCaffrey.]

Dr. Sargent: These people are all identified in the study report so that if you did not get all their names and can't remember, it is all right. You will see them there.

This is the group that I would hope very much we could sit down with and go through the whole report in detail.

I called Mrs. Lyons this morning to ask about the meeting, and I understand you people have a League of Women Voters' meeting this evening also. If you people would like to attend, it is all right, and I also have a plane that I have to get to New York so that I don't think this would be an appropriate evening. You may have other items on your agenda, too.

Maybe this is not the time, but could we, sometime before we finish tonight, set another date if it meets your wishes to discuss the whole thing in detail? Let me just leave that as a question for you to decide.

Miss Fitzgerald: Madam Chairman, may I ask Dr. Sargent: Before we would have this appointment with you and your group, we would have the reports?

Dr. Sargent: You are going to get the report in a few minutes—absolutely. I will tell you that the report is now available. We will have copies this afternoon for the Committee. The press will have copies, and we will have copies for the administration, Dr. Haley.

The other copies are at the bindery. We have run into a strike of the bindery in terms of the spirals.

Mr. Mitchell: That is a New York strike, not a Boston strike.

Dr. Sargent: Those will be available and delivered to you—the other 500 copies. They are all printed.

It is just a question of getting the binding. If you want them unbound, you can have them. If you want to wait for the spirals, they will be punched in as soon as they come up from New York.

However, you will have your copies tonight.

Mrs. Lyons: Dr. Sargent, I think that has been an excellent oral presentation of how you reached your decisions in these reports that are going to be given to us now; and I think, too, that before there is any discussion on it, the members should have the opportunity to read them, digest them thoroughly, and then I think we will be in a position to ask you and your committee just exactly why you have reached certain decisions.

Unless there are some questions that someone might want to ask you, we can close the meeting.

Dr. Sargent: There might be some general questions.

Mr. Muchnick: Madam Chairman, I was just wondering about one thing. Would there be any point at this stage, Dr. Sargent, in having any sort of illustration given, or would that be better after the report has been read?

Dr. Sargent: We did not know what you people would want to night. Let me make one or two observations, if I may. I don't know whether I will be answering your questions.

Mr. Muchnick: Go ahead.

Dr. Sargent: What we did was take the City of Boston—I won't stop the sentence there—and we divided it up into a number of areas. You cannot handle this city, as I said earlier, as a totality.

We had to take these areas of Boston in such a way that for the purposes of study, in terms of finding the numbers of children and the numbers of children who could be expected to be attending school, and take the data tied to those areas.

Therefore, we took the 156 census tracts which sum up, generally, and are used by health and welfare agencies in what are called fifteen health and welfare areas of the City of Boston. These are the thumbs of census tracts, and each of the fifteen areas has therefore been studied as a separate unit first, a team assigned to that area, the schools in that area all visited, and an inventory made of school building and its condition and facilities available, and an estimate of the population predictions by age groupings. The first step in putting this together is to look at the area in terms of the children, their ages, their distribution, and the buildings,—their sizes, capacities, and, if you wish, locations, together with any other information we may have about such things as public housing developments, present or under construction.

However, these areas are in essence, as any areas are, to a degree artificial; and sooner or later you have to merge these areas for the picture of the City as a whole, and that we have done, but we start first with this area definition.

So the report that you are to receive tonight has divided Boston into fifteen areas for purposes of study, but the recommendations that emerge frequently spill over from area to area, as you figuratively, at least, erase the area lines after you have got your data together, and I think again I am presuming a lot.

I cannot explain it very clearly, and I don't expect that you people will really have a chance to see what I mean until you have seen the report and read it, but at least you will find the report recommending on the elementary level for fifteen areas, and then a summarization for the City as a whole.

That is a study method analysis only. It was for purposes of making it manageable that that was done, so the report will be in fifteen-area sections.

If this would be helpful to you, and it might be, we could give you the report now, as we have teased you long enough by not giving the study itself—honestly, we do have it here!

Miss Fitzgerald: May I ask two questions? First of all in this report, Dr. Sargent, are you considering our current boundary lines of districts and suggested changes in them?

Dr. Sargent: We have examined that problem, but we have had for the purposes of study to start from something which will allow us to count the children. You see, in order to look for the children in 1960, you have to look at the children and the women and the adults in 1940, 1950 and project; and in order to do that, you have to do that because, you see, by 1960, some of the children who will be in school are not yet born, so we have to find out the number of women in each of these areas, who may be expected to have children, apply certain birth rates, and so forth, for some of the young age groupings.

Therefore, we have to start for the purposes of study right at the central problem of the census tract, and therefore these areas that I am now talking about are not, except accidentally, the school attendance areas.

Miss Fitzgerald: There was one other question that I had, Madam Chairman. Dr. Sargent, have you consulted with the parochial school authorities?

Dr. Sargent: Yes, we have, and I should like to record publicly today that Monsignor Sherlock was most helpful. Mr. Mitchell visited with him and talked about the problem, and he very generously said that they would provide data on the involvements of each of the parochial elementary and secondary schools in Boston and the areas from which those children came.

He did that; and again—and I must now give you the report—you will find I have forgotten the number of the appendix but you will find an appendix which does give that enrollment.

And I should say this further: When we are talking about needed public school facilities and the estimated involvements, we are talking about the involvements after we have subtracted the parochial school figures, and I think we were most fortunate in being able to get that data as completely as we did.

So that when we talk about enrollments, Miss Fitzgerald, it does take account of the parochial schools presently.

Miss Fitzgerald: And what they may be expected to take care of?

Dr. Sargent: When you say may be expected to, we find this in Metropolitan Boston, and Mr. Mitchell can speak of this better than I can. We found it in our other studies.

The parochial schools actually can be expected to operate at what might be called capacity regardless of shifts of population generally, so you can, as we did, subtract every time the full capacity of the parochial schools. We took it right out as a constant figure each time in each of these areas, leaving them what you might call a net expected public school enrollment.

Dr. Foley: Madam Chairman, I move that we accept the report and that a date be set by the Chairman in order for us to dis-

cuss this report with your committee so that we can get the report.

Miss Fitzgerald: Madam Chairman, the rest of April is impossible for me as far as time is concerned. I won't be here the last week in April at all. I will be in Springfield.

Mr. Carr: Madam Chairman, as pointed out by Dr. Sargent, this report is such an extensive thing, that I think in his talk here he more or less thought that it would consume some time for us to study this report.

Dr. Sargent: I think that it is only fair to you.

Mr. Carr: April is pretty well gone now. I don't think that would bring any problem.

Dr. Sargent: We are at your disposal.

Mrs. Lyons: May I ask this, Dr. Sargent? Will all of these people here with you this afternoon who have worked on this study be available for any particular length of time?

Dr. Sargent: The question is: Will the staff be available? If you can give us some date or dates the answer is Yes; but for the reason they are not all here this afternoon, for the same reason some of them may be other places. Some of them are in Maine, of all places to be. Some of them later will be in Corning, N. Y., possibly, and elsewhere, because we are an organization that is in the field.

So if you will give us dates, I can assure you that we will meet them.

Mr. Carr: Madam Chairman, I have a question for Dr. Sargent. Is this staff a professional staff, Doctor, or are these people students in the Graduate School?

Dr. Sargent: Both.

Mr. Carr: They are both?

Dr. Sargent: All of them are presently doctorate candidates in the new program in administration at the school. You heard Mr. McCaffrey state, many of them had years of experience as administrators. Mr. Austin McCaffrey is on leave of absence as superintendent at Manchester, and so you can go: Principals of schools, administrators in the central offices of Chicago, and so forth. Some of them, as you see, are younger than others, and we have a balance.

Mr. Mitchell: We have stated on the staff listing the backgrounds of the individuals who are now here as doctorate candidates in case that question should come up.

Dr. Sargent: In addition, you see, all of these men have been under the direct supervision of Mr. Mitchell, myself, Mr. Threlkeld, and the consultants.

Mr. Carr: They are not on the permanent staff?

Dr. Sargent: Oh, no. They are the staff for this study.

Dr. Foley: Thesis.

Dr. Sargent: They are students in the school presently; and if by "staff" you mean paid, no, That

was a team that did not get paid individually.

Now, the consultants did. By the way, let me make one statement. There is a Harvard University policy that no faculty member receives more than one check, and no person at Harvard University received any additional compensation whatsoever for taking part in this study, or any other studies that we do.

We did pay our outside consultants.

Mr. Carr: How many other studies have you made in the Commonwealth of Massachusetts this year, Doctor?

Dr. Sargent: This year? That is a tough one. I don't know that I can spin it out this year.

Mr. Carr: Well, approximately.

Dr. Sargent: Gloucester, Canton, Dalton—

Mr. Mitchell: Falmouth.

Dr. Sargent: This calendar year,—yes, Falmouth. Prior to that, Waltham. This is perhaps going back now a little beyond the calendar year.

Mr. Carr: There aren't any the size of Boston in New England, of course; but I mean close to it. Are there any of them close to the size of Boston, such as Worcester?

Mrs. Lyons: Some of our larger cities?

Mr. Mitchell: They haven't done it lately.

Mrs. Lyons: Would you have anything to add to what Dr. Sargent has said, Mr. Mitchell?

Mr. Mitchell: No, I don't think so. I don't think so unless there are some questions that might relate to some area that I have some familiarity with.

Dr. Sargent: Let me also say this: No one of us has this whole picture in our heads in totality. It just cannot be comprehended that way in that short period of time, and I would be quite honest, I hope, in saying that if you name a school I can't tell you right offhand what particular area it is in, how many rooms it has, what its condition is, and so forth; but there are two or three or more people who can give you the complete picture on it.

If I get a chance to go through the list and find out what area it is, I will then begin to put it together, as we all have done. That is the only way you make it manageable.

Miss Fitzgerald: What would you consider the amount of time that you would want to spend with us on the particular date you would set?

Dr. Sargent: I am going to Corning. Mr. Mitchell somewhere else. We have a number of demands on our time, and we would have to be reasonable about it. Miss Fitzgerald, but if you wanted to have two full evening sessions, or even three, you name it. We are interested in this study, Miss Fitzgerald, and we want to be helpful. That is our sole purpose.

Miss Fitzgerald: In other words, there can be little benefit from it

unless you know adequately how it was arrived at?

Dr. Sargent: That is not easy material to write about and communicate. I can do a lot more with my hands.

Dr. Foley: Dr. Sargent, it is too bad you are not informed that the photographer who just took the picture was the same photographer who won the prize by taking a photograph of the Squalus coming up for the first time.

Miss Fitzgerald: Could we get back to dates?

Dr. Sargent: Could we get some dates? I would like that, Madam Chairman.

Mrs. Lyons: Would you like to have it as early as possible? Is that true, Dr. Sargent?

Dr. Sargent: No, I believe you could get certain benefits from it, because you will be asked certain questions about it.

Mrs. Lyons: I think so.

Dr. Sargent: You people make your choice and we will do our best. I am sure we can meet it.

Mr. Muchnick: Madam Chairman, I don't know if there are any items in here as yet that can in any way be taken advantage of towards this year's tax rate. If there are, it seems to me we ought to try to meet before May 1st because it is around that time that the Mayor has to declare the tax rate; and if there are any financial savings for 1953 possible here, we ought to take advantage of it so as to be able to cut this year's potentially exorbitant tax rate as much as possible.

Mrs. Lyons: This is the 15th today. Next week will be vacation week.

Mr. Muchnick: How about two weeks from tonight, April 29th?

Miss Fitzgerald: As I say, I will not be here the whole week of the 27th. I am sorry, but I have to be in Springfield.

Dr. Sargent: We will be in New Rochelle the 27th. Mr. Mitchell and I cannot be there then.

Mrs. Lyons: Is May 6th satisfactory to all members of the Committee?

Miss Fitzgerald: Yes, if it is in the evening.

Mrs. Lyons: That will be in the evening.

Dr. Sargent: Whenever you wish. We can meet at your convenience.

Mrs. Lyons: I think probably the evening is better for most of the members of the Committee.

Dr. Foley: Six o'clock would be better for me.

Mrs. Lyons: May 6th, at 6 p. m.

Dr. Sargent: Here in this room?

Mrs. Lyons: Yes.

Miss Fitzgerald: Madam Chairman, if Dr. Sargent would like to have informality, perhaps the ninth floor room would be better.

Mrs. Lyons: I don't think we can get all his staff in.

Dr. Sargent: You pick it—whichever is better from your point of view.

Mrs. Lyons: We will arrange that.

Miss Fitzgerald: How many in your staff all together?

Dr. Sargent: I don't think we ever counted the total staff. It is over thirty-five, and there are some people whom we did not list.

Miss Fitzgerald: Probably this will be the best place.

Mrs. Lyons: May I express my gratitude to the Harvard Center for Field Studies and Dr. Sargent, Mr. Mitchell, and their staff. I know they have worked very, very hard, and very long hours. I think they worked Saturdays and Sundays, too, at times, to meet a deadline.

Just casually looking at this, it is very definite that it represents a tremendous amount of research and work and I would like to commend you for it.

Mr. Muehnick: Madam Chairman, I would like to second what you said, but I would like to go through the technicality of the formality of having a vote on Dr. Foley's motion to accept the report in public meeting, just so there would be that formality of our official acknowledgment of compliance on the part of the Center for Field Studies with the date requirement called for in the contract; and if this is in the nature of a conference, I would like us to suspend to go into public meeting and take a vote on that motion.

I think all of the discussion and the statement by Dr. Sargent should appear in the public records.

Mrs. Lyons: Yes, I was going to request that if there is no objection.

Mr. Carr: Madam Chairman, is there any alternative to accepting? We have the report here now and it looks like we have already accepted it. I don't see any point in making an issue about it.

Dr. Foley: Madam Chairman, all I was going to say is that from an esthetic angle, Dr. Sargent, I think the report looks very nice—at least from the outside, except that the City Hall is not on the frontispiece.

The Committee adjourned.

Attest:

AGNES E. REYNOLDS,
Secretary.

Apr. 18, 1953.

A meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 2:15 P. M., the Chairman presiding.

Present: Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muehnick.

(Mr. Carr and Miss Fitzgerald left before the end of the meeting.)

Mr. Muehnick: Madam Chairman, are we now in public meeting?

Mrs. Lyons: We are now in public meeting, and Miss Rey-

nolds, there is a question of waiving notice of the meeting.

Would you call the roll on the question of waiving the notice of the meeting?

On roll call the members, as their names were called, respectively stated that they voted, as follows, to waive notice of this meeting today:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muehnick—5.

NAYS—0.

SUSPENSION OF TEACHER

Mr. Muehnick: I move that the following order be adopted by the School Committee:

ORDERED:

1. That at a meeting of this Committee to be held on Monday, June 29, 1953, a vote be taken by this Committee on the question whether Max Weitzman be dismissed as a teacher, elementary, Robert Treat Paine District, for conduct unbecoming a teacher, for conduct inconsistent with the oath taken by him under Section 30A of Chapter 71 of the General Laws of Massachusetts, for being an unfit, undesirable, and improper person to teach in the Boston school system, for insubordination, for the good of the Boston school system, or for any of said causes.

2. That effective forthwith Max Weitzman be, and hereby is, suspended, without pay, as a teacher, elementary, Robert Treat Paine District, pending final action by this Committee upon the dismissal proceedings instituted this day; but in no event shall said suspension continue after July 15, 1953, unless further ordered by this Committee.

3. That the Secretary of this Committee be, and hereby is, authorized and directed to give notice of this tripartite order forthwith to said Max Weitzman.

On roll call the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Dr. Foley, Mrs. Lyons, and Mr. Muehnick—5.

NAYS—0.

Mr. Carr: I move that the Committee now adjourn.

Dr. Foley: I move that the proceedings of the testimony of Max Weitzman be released to public and press.

Madam Chairman, would you like to call the roll on that?

Mr. Muehnick: Madam Chairman?

Mrs. Lyons: Mr. Muehnick.

Mr. Muehnick: It is my feeling, much as I would like to agree with the motion just offered by Dr. Foley, that no valid purpose would at the moment be served, and there might result some harmful effects if at the moment the evidence of what transpired this morning or certain portions of it were released at this time.

And, therefore, I would appreciate Dr. Foley's holding that motion, if he would, for another few days.

I understand, and I appreciate, and I agree with his desire to inform the public as soon as possible of everything, including this vital matter, that takes place before the School Committee. It would take several days, anyway, for this to be typed up, and I think, if given to the press, it should be given in complete, verbatim form.

So, I request that Dr. Foley hold off on the motion until the next meeting. For all practical purposes, it doesn't defeat the motion itself; and I repeat, I agree and understand and commend the Doctor for wanting the public to have complete information of any nature about the school system and the people who are in it.

But, it wouldn't be complete information, anyway, if given out today because it isn't yet typed up. So, in view of that, if the Doctor will, I would appreciate his having the motion held until next week.

Dr. Foley: I feel the public is entitled to know just what transpired here. We are their elected officials. We represent the public. We are elected to perform a specific duty, to take charge of all of the teachers of the Boston system, and it is entirely up to us to inform the public, who elected us, as to what transpires.

Mr. Muehnick: I agree completely with the Doctor, and again I want to commend him for expressing so well that fundamental principle. But, in his desire to give this information to the public—particularly in such a vital matter—I am sure he joins with me, and I assume that you share the same feeling, Madam Chairman, that we would like to get 100 per cent detailed, accurate information to the public.

Such 100 per cent detailed, accurate information can be guaranteed only by having the report typed up, so that nobody can misconstrue or misinterpret any phrase or sentence that might be taken out of context at this stage of the game, or of which only the substance might be given. Anyway, some people might not agree in the details imparted, in that substance, and so forth.

It is because of the fact that I want the same thing, as we all do, that the public have the completely exact information that I ask that this motion be held until the typing job is done for one thing.

Dr. Foley: Madam Chairman, inasmuch as there are three members present, I don't feel we should enact anything at this time.

Mrs. Lyons: I would like to say that I feel just as Dr. Foley and Mr. Muehnick do, that the public certainly should have a very clear picture of what has happened here today, but I would like to have any information of that nature held until after Wednesday, which is the day on which

Mr. Weitzman will testify before a committee in Washington.

I would not like to feel we had any part in divulging anything that would be a legal technicality that they may pick up and may defeat any purpose of that committee.

Dr. Foley: Madam Chairman, the only thought I have is: I am responsible to the people of our beloved City.

Mr. Muchnick: And you are completely right, Doctor.

Mrs. Lyons: You are so right, and I think we all concur.

Mr. Muchnick: We can give better, more complete information after the record is typed up.

I understand that Dr. Foley is acceding to the request to have the motion denied.

Dr. Foley: Nothing else I can do.

Mr. Muchnick: I would like to thank the Doctor.

Dr. Foley: I just wanted to give my thoughts on the matter.

Mrs. Lyons: Dr. Foley's motion will be laid over until the next meeting.

The Committee adjourned.

Attest:

AGNES E. REYNOLDS,
Secretary.

CIVIL SERVICE EXAMINATIONS.

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence.

PRINCIPAL PHYSICAL THERAPIST, LONG ISLAND HOSPITAL, BOSTON INSTITUTIONS' DEPARTMENT, AUGUST 14, 1953.

Last date for filing applications, Friday, July 24, 1953.

Salary: The minimum salary is \$63 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: Under direction, to administer a broad program of physiotherapy, and to supervise a large number of physiotherapists and other hospital employees; and to perform related work as required.

Examples of Duties: Directing the work of several physiotherapy units engaged in such forms of treatment as remedio gymnastics, diathermy, massage, therapeutic exercises, artificial fever therapy, low frequency treatments, and phototherapy; observing physiotherapists administering treatments to patients, and after consulting with physicians, arranging for changes of treatment as required; instructing the staff in newly developed methods of treatment and demonstrating techniques; organizing clinical teaching programs for student nurses and for medical students in physiotherapy; preparing work schedules for subordinates; arranging vacation schedules; preparing reports; keeping records.

Entrance Requirements: Applicants must have at least five years of satisfactory, full-time paid experience in physical therapy. Substitutions: (1) Graduation from a recognized school which

gives not less than three years of training in physical therapy may be substituted for three years of the required experience. (2) Successful completion of a nine months' course in physical therapy in a recognized school in addition to (a) graduation from a recognized school of nursing, or (b) graduation from a recognized school of physical education, or (c) successful completion of two years of training in biology and physical sciences in a recognized college or university, may be substituted for three years of the required experience.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

SENIOR ENGINEERING AID (DRAFTSMAN), BOSTON STREET LAYING-OUT DEPARTMENT, AUGUST 7, 1953.

Last date for filing applications, Friday, July 17, 1953.

Salary: The minimum salary is \$60.50 a week; the maximum salary is \$73 a week.

Vacancies: At present there are four vacancies.

Duties: Under the direct supervision of the chief draftsman, to prepare in ink on tracing cloth working plots or finished drawings of land-taking plans for various municipal purposes; and to perform related work as required.

Examples of Duties: From field notes of surveyors, plotting (a) survey plans, (b) plans of public and private ways showing the location of all abutting properties, structures thereon, and the highway, including pavement, sidewalks, trees, poles, hydrants and all other objects thereon, (c) the profiles and elevations of streets, structures and other objects referred to in (b), (d) location plans for sewer easements showing property lines, structures, trees, poles and other objects in or adjacent to the proposed easement, and (e) plans from deed descriptions; making finished tracings of all plans in ink on tracing cloth, and lettering the tracings by hand or with mechanical lettering devices, such as Leroy or Wrio lettering sets.

The following are required: Familiarity with the fundamentals of civil engineering drawing; ability to use scales, triangles, protractors, drawing instruments, and mechanical lettering devices, such as Leroy lettering set.

Entrance Requirements: Applicants must have at least two years of full-time paid experience in civil engineering or in general construction work. Substitutions: (a) High school graduation or equivalent education may be substituted for one-half year of the required experience. (b) Engineering training in a recognized university or engineering school granting the bachelor's or equivalent degree may be substituted for the required experience on the basis of one successfully completed year of such education for one year of experience, provided that if more than one year is so offered, at least one year shall have been in civil engineering. (c) Civil engineering training in a recognized technical school not granting the bachelor's or equivalent degree may be substituted for the required experience on the basis of one successfully completed year of such education for one-half year of experience.

Subjects and Weights: Training and experience, 2; practical questions, including mathematics and drafting, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

NEARLY 48,000 VISITED BOSTON'S NEW MUSEUM IN FIRST 6 WEEKS.

Attendance figures at the new Museum of Science Park, Boston, passed the last full year's admissions at the old Museum of Natural History on Berkeley street in only six weeks after the new museum opened.

During the school vacation recently, 10,196 people visited the museum. This brought the first six weeks paid admissions to 45,739. From January 1944 to January 1945, the attendance at the old museum, open four hours long each day, was but 40,700.

The new museum is open from 2 to 5 p.m., Tuesday through Friday; from 10 a.m. to 5 p.m., Saturday.

CITY OF BOSTON:

PUBLIC WORKS DEPARTMENT.

Proposals for Sewerage Works in Edgewater Drive, Dorchester, from River Street 290 Feet Southwesterly.

The Commissioner of Public Works of the City of Boston, Room 508 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for sewerage works in Edgewater Drive, Dorchester, from River Street 290 feet southwesterly. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Sewerage Works in Edgewater Drive, Dorchester, from River Street 290 Feet Southwesterly," and left at Room 508 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of THURSDAY, JULY 23, 1953, with a certified check for TWO HUNDRED (200) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room of the Street Commissioners, Room 401, City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from holders of record on file at Room 508, City Hall Annex. There will be a charge of two dollars (\$2) for each set of plans and specifications taken out. If the price of any item appears to the Commissioner to be abnormally high or low, the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he may deem best.

GEORGE G. HYLAND,

(July 11.) Commissioner of Public Works.

CIVIL SERVICE EXAMINATIONS.

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence.

ASSISTANT REGISTRAR OF VOTERS, BOSTON ELECTION DEPARTMENT, AUGUST 14, 1953.

Last date for filing applications, Friday, July 24, 1953.

Salary: The minimum salary is \$63 a week; the maximum salary is \$53.50 a week.

Vacancies: From time to time. At present there are two vacancies (one for a Democrat and one for a Republican).

Duties: To examine prospective voters and to register them if found eligible; to assist in setting up the voting list each year; to work on the index of voters; to assist the Board of Election Commissioners in drawing prospective jurors; to check nomination papers and various types of petitions filed for certification; to tabulate election returns rapidly and accurately; to handle all mail in connection with the conduct of elections; and to perform related work as required.

The following are required: A knowledge of the Massachusetts General Laws relating to the requirements for qualifi-

ing as a voter and to the procedures necessary for registration, the laws relating to the status of naturalized citizens, particularly that portion of the law relating to married women, and the laws relating to primaries and elections, particularly chapter 51 of the Massachusetts General Laws (Ter. Ed.); proficiency in English and in arithmetic; a thorough knowledge of filing and indexing; the ability to write legibly and to copy information accurately; absolute integrity.

Entrance Requirements: In accordance with chapter 305 of the Acts of 1920, applicants must have been enrolled in either the Democratic or Republican Party for the three consecutive years next preceding the date of filing application and must file with the Division of Civil Service a certificate to that effect signed by a member of the Boston Board of Election Commissioners of the same political party affiliation as the applicant. Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent on each subject in order to become eligible. Physical fitness to be determined by physical examination.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO ELECTRICAL CONTRACTORS.

INVITATION FOR PROPOSALS FOR ELECTRICAL WORK AT ROXBURY MEMORIAL (HIGH GIRLS), TOWNSEND AND DECKARD STREETS, DORCHESTER, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., herewith referred to as the "Awarding Authority," invites sealed proposals for electrical work at Roxbury Memorial High (Girls), Townsend and Deckard streets, Dorchester, Mass. The bid will be received until 12 o'clock noon, Monday, July 20, 1953, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$100, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications may be obtained at the office of the Awarding Authority, or after July 13, 1953.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

JAMES H. MOONEY, Superintendent of Construction.

ASSISTANT DRAWTENDER, BOSTON PUBLIC WORKS DEPARTMENT, AUGUST 7, 1953.

Last day for filing applications, Friday, July 17, 1953.

Salary: The minimum salary is \$55.50 a week; the maximum salary is \$68 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: Under immediate supervision, to assist the drawtender or first assistant drawtender in the operation and maintenance of a movable bridge during an assigned shift; and to perform related work as required.

A knowledge of the United States Government regulations governing the opening and closing of drawbridges in Boston Harbor is necessary. A copy of

TO PAINTING CONTRACTORS.

INVITATION FOR PROPOSALS FOR INTERIOR AND EXTERIOR PAINTING AT THE RALPH W. EMERSON SCHOOL, SHIRLEY STREET, ROXBURY, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., herewith referred to as the "Awarding Authority," invites sealed proposals for interior and exterior painting at the Ralph W. Emerson School, Shirley street, Roxbury, Mass.

Proposals will be received until 12 o'clock noon, Monday, July 20, 1953, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$300, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

PROPOSALS FOR FURNISHING COPPER SERVICE TUBE FOR PUBLIC WORKS DEPARTMENT, WATER DIVISION.

Proposals may be obtained at Room 1001, City Hall Annex. At this room the bids will be opened and read Monday, July 20, 1953, at 12 M. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out. A duplicate bid, without check, must be left with the Auditor prior to the time for opening bids. Envelopes containing bids to be sealed and marked "Proposal for Copper Service Tube." The successful bidder must furnish a faithful performance bond for approximately one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts. The Superintendent reserves the right to accept or reject any and all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

JOHN V. MORAN,
(July 11.) Superintendent of Supplies.

CITY OF BOSTON.

HOSPITAL DEPARTMENT (SANATORIUM DIVISION).

INVITATION FOR PROPOSALS FOR RETUBING BOILER.

The Trustees of the Boston City Hospital, hereinafter referred to as the Awarding Authority, invite sealed proposals for retubing No. 2 boiler in Bowdoin House in the Sanatorium Division, 249 River street, Mattapan district, Boston, Mass.

Proposals will be received until 12 o'clock noon, Tuesday, July 28, 1953, at the office of the Assistant Superintendent of the Sanatorium Division, 249 River street, Mattapan district, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the office of the Assistant Superintendent of the Sanatorium Division, 249 River street, Mattapan district, Boston, Mass. Each copy of the proposal shall be properly filled out, signed and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

Specifications may be obtained after 12 o'clock noon, Monday, July 13, 1953, at the office of the Assistant Superintendent of the Sanatorium Division, 249 River street, Mattapan district, Boston, Mass.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in the amount of \$500, shall be submitted with each bid filed above stated at the office of the Assistant Superintendent of the Sanatorium Division. The bid deposit shall be in a separate envelope, properly marked.

The rate per hour to be paid those employed to do the work under this contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts, a copy of which schedule is attached to the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under the contract.

A performance bond, issued by a surety company, satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful bidder.

The Awarding Authority reserves the right to reject any and all bids and to waive any informalities in bidding if it be in the public interest to do so.

No bid of a bidder shall be withdrawn prior to thirty (30) days from the opening of the bids by the Awarding Authority.

TRUSTEES OF THE BOSTON CITY HOSPITAL,
RICHARD J. CONDON,
(July 11.) President.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO PAINTING CONTRACTORS.

INVITATION FOR PROPOSALS FOR INTERIOR AND EXTERIOR PAINTING AT THE ELLEN H. RICHARDS SCHOOL, BEAUMONT STREET, DORCHESTER, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invited sealed proposals for interior and exterior painting at the Ellen H. Richards School, Beaumont street, Dorchester, Mass.

Proposals will be received until 12 o'clock noon, Monday, July 20, 1953, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by a responsible bank or trust company payable to the City of Boston, in the sum of \$300, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 152, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract prior to the opening of the contract. The bidder must comply with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

JAMES H. MOONEY,
(July 11.) Superintendent of Construction.

No. 129-383.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING CAST-IRON CASTINGS (HYDRANT AND GATE PARTS) FOR THE WATER DIVISION, PUBLIC WORKS DEPARTMENT.

Proposals may be obtained at Room 1001, City Hall Annex. At this room the bids will be opened and read Tuesday, July 21, 1953, at 12 M. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out. A duplicate bid, without check, must be left with the Auditor prior to the time for opening bids. Envelopes containing bids to be sealed and marked "Proposal for Cast-Iron Castings."

The successful bidder must furnish a faithful performance bond for approximately one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts. The Superintendent reserves the right to accept or reject any and all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

JOHN V. MORAN,
(July 11.) Superintendent of Supplies.

No. 128-652.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING SURGICAL EQUIPMENT FOR THE BOSTON CITY HOSPITAL.

Proposals may be obtained at Room 1001, City Hall Annex. At this room the bids will be opened and read Tuesday, July 21, 1953, at 12 M. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out. A duplicate bid, without check, must be left with the Auditor prior to the time for opening bids. Envelopes containing bids to be sealed and marked "Proposal for Surgical Equipment." The successful bidder must furnish a faithful performance bond for approximately one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts. The Superintendent reserves the right to accept or reject any and all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

JOHN V. MORAN,
(July 11.) Superintendent of Supplies.

CITY OF BOSTON.

LIBRARY DEPARTMENT.

PROPOSALS FOR INSTALLING A HEATING BOILER AND OIL BURNER AT THE NORTH END BRANCH LIBRARY, 3A NORTH BENNET STREET, BOSTON, AND AN OIL BURNER AT THE MATTAPAN BRANCH LIBRARY, 48 HAZLETON STREET, MATTAPAN.

The Trustees of the Public Library of the City of Boston, hereinafter referred to as the Awarding Authority, invite sealed proposals for installing a heating boiler and oil burner at the North End Branch Library, 3A North Bennett street, Boston, and an oil burner at the Mattapan Branch Library, 48 Hazleton street, Mattapan, as specified in the specifications.

Proposals will be received until 12 o'clock noon, Tuesday, July 21, 1953, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office of the Public Library of the City of Boston, Central Library, Copley square, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of cash or a certified check on, or a certificate of deposit issued by a responsible bank or trust company, payable to the City of Boston, in the sum of three hundred dollars (\$300), shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

Specifications for the work may be obtained on and after Tuesday, July 14, 1953, at the Business Office of the Boston Public Library, Copley square, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful bidder.

The Awarding Authority reserves the right to accept or reject any or all bids, and to accept or reject any portion or portions of the bids, and to award the contract as he deems for the best interests of the city.

Director.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 45

SATURDAY, JULY 18, 1953.

No. 29

VETERANS SERVICES' EXPENDITURES FOR APRIL, 1953, \$34,243.81 LESS THAN FOR SAME MONTH IN 1952—1,486 CASES, INVOLVING 2,576 INDIVIDUALS, INCLUDED IN RECORD—ALSO 102 CASES WERE DROPPED OFF ROLLS BECAUSE OF SECURING EMPLOYMENT.

The expenditures for the Veterans' Services again show a decrease for April of this year over those for the same time in 1952. This is shown by the report submitted to Mayor John B. Hynes by Francis X. Cotter, Commissioner. The decrease amounted to \$34,243.81, which is somewhat larger than is usual.

There was a total of 1,486 cases aided during the month, representing a total of 2,576 individuals. There were 102 cases closed out during the month due to obtaining employment, awarding of unemployment compensation, or social security, or being ineligible for aid because of miscellaneous reasons. During the month the department also collected \$123 which represents refunds by former beneficiaries under circumstances warranting such returns. The complete report follows:

(Continued on page 963.)

BRANCH LIBRARIES IN PROCESS OF BEING REPAINTED—MAYOR HYNES APPROVES AWARD BY TRUSTEES TO J. M. KENNEDY & CO. AT A COST OF \$12,319—WAS LOW BIDDER.

With the approval of Mayor Hynes, J. M. Kennedy & Co. has been awarded the contract for certain painting and painters' work on several of the branch libraries, according to announcement of the trustees. The libraries to be affected are Connolly Branch Library, East Boston Branch, the Faneuil Branch, Mattapan, and West Roxbury. The work is to be done for \$12,319.

The letter requesting approval by the Mayor reads as follows:

LIBRARY DEPARTMENT.

Boston, July 10, 1953.

HON. JOHN B. HYNES,

Mayor of Boston.

DEAR MR. MAYOR:

In response to a public advertisement, a copy of which is attached, sealed proposals for certain painting and painters' work at five branch libraries were received and opened at the Office of the

(Continued on page 963.)

MAYOR JOHN B. HYNES, AT CONFERENCE ON THE MTA SITUATION HELD IN HIS OFFICE ON TUESDAY, PROPOSED SEVERAL ALTERNATIVES OR A COMBINATION OF SEVERAL OF THEM AS POSSIBLY EQUITABLE SOLUTION OF ROAD'S DEFICIT TROUBLES—PROPOSALS MEET WITH APPROVAL OF ALL PRESENT AND WILL BE PRESENTED TO GOVERNOR HERTER AND TRUSTEES FOR CONSIDERATION.

At the conference of representatives of the affected cities and towns on the subject of increasing the MTA fare to 20 cents, held at the Mayor's office on July 14, Mayor John B. Hynes read the following, which was approved:

Since 1918 what is now called the MTA has been in almost constant financial trouble. Various stopgap measures and compromises have been adopted during that 30-odd year period, but the basic problem of making operating revenues meet cost of service has never been solved.

In 1919 the road carried 324,000,000 passengers. In 1952 the road carried 277,000,000 passengers. From all indications the passenger load will continue to decrease, and the deficit which is assessed on the 14 cities and towns in the district will continue to increase.

This deficit, of which Boston pays 64 per cent, is now an intolerable burden. In the Boston tax rate for 1953 approximately \$5 is attributable to MTA charges. The deficit for 1953, plus other MTA charges, may represent \$6 in the Boston rate in 1954. Plainly, such a tax load is a detriment to business, and is having the unhappy result of presenting less and less job opportunities for Boston citizens.

Several Alternatives.

The MTA deficit can only be met by several alternatives, or a combination of several of them, viz.:

1. A material reduction in the operating expenses of the MTA.

There is hardly any prospect that economies to the tune of the expected 1953 deficit, to wit, \$9,500,000, can be accomplished now or in the foreseeable future.

2. The proposed increase in the present fare schedule, as outlined by the MTA trustees, according to their estimates would reduce the deficit by about two thirds, leaving a deficit of about \$3,000,000 to be absorbed by the 14 cities and towns in the district.

Nobody wants an increase in fares. The increases proposed may well have a boomerang effect and fail to produce the additional income expected. The trustees of the MTA, under existing law, are required to adjust fares to produce enough revenue to meet operating expenses. The alternative is that the mounting deficit will continue to be assumed by property owners and rent-payers and will be an even greater charge and more intolerable burden in tax rates than at present.

(Continued on page 964.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-
teeming plain of the ocean;
May thy future be bright, thy skies beam
with light all serene,
Ensured by thy sons' and thy daughters'
unselfish devotion."
From Boston Centennial Poem by
NATHAN HASKELL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council, Monday, July 20, at 2 P.M.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways, the taking of real property for municipal purposes; the assessments of betterments of streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in public streets; the making of specific repairs in public streets; the naming of

public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil, and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles, and posts for telephone, telegraph, street railways or illuminating purposes, signs, marquees, bay windows, coal holes, and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 112 Southampton street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads, and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting, and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges, and the removal of ashes and offal.

TO ROOM 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Haymarket Square, for information relative to the inspection of milk, vinegar, meat, fish, and vegetables, the issuance of permits for stables, slaughterhouses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth Avenue, Back Bay Fens, Marine Park, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Application may be made to this department for information

regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mount Hope, Evergreen, Fairview, and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools of the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 28 Norman street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 907, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal, or tearing down buildings.

TO THE STATISTICS DEPARTMENT, 63 City Hall, for historical, geographical, political, and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE ELECTRICAL INSPECTION DIVISION OF THE FIRE DEPARTMENT, 115 Southampton street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. TO ROOM 808, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, 43 City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending July 11, 1953.

Population as of July, 1952, Massachusetts State Census, 817,713; population estimated July, 1953, United States Census Bureau, 804,507; number of deaths (stillbirths excluded): Residents, 141; nonresidents, 56; total, 200.

Death rate per 1,000 of population: All deaths, 12.70; nonresidents deducted, 9.53.

Death rate per 1,000 of population:

Last week, 13.95; corresponding week last year, 12.30.

Deaths by age periods, sex, etc.: Under one year, 9; one year to four years, inclusive, 2; sixty years and over, 122. Total deaths: Male, 117; female, 83; deaths in hospitals and institutions, 137.

BRANCH LIBRARIES REPAINTED.

(Continued from page 961.)

Trustees at 12 o'clock noon on Wednesday, June 24, 1953. The bids were as follows:

J. M. Kennedy & Co., 127 West Brookline street, Boston, \$12,319; Joseph G. Gazzola, 3 Fruit & Produce Exchange, Boston, \$13,288; Cahn Painting Company, 36 Norfolk avenue, Boston, \$14,215; Nicholas Bello, 91 Florida street, Dorchester, \$14,610; Bay State Painting Company, 1352 Dorchester avenue, Dorchester, \$16,200; Kabot Painting Company, 89 Broad street, Boston, \$17,030.

The Trustees of the Public Library have taken the following action to award the contract:

"Voted, That there be awarded to John M. Kennedy & Co., 127 West Brookline street, Boston, the lowest qualified bidder in the public bidding, the contract for certain painting and painters' work at the Connolly Branch Library, East Boston Branch Library, Faneuil Branch Library, Mattapan Branch Library, and West Roxbury Branch Library, as specified in the contract, in the total amount of \$12,319."

The permission of your Honor is hereby requested to award this contract to John M. Kennedy & Co., in the amount indicated above.

Respectfully,

THE TRUSTEES OF THE PUBLIC LIBRARY
OF THE CITY OF BOSTON,
by MILTON E. LORD,
Director.

EXTENSION OF CONTRACTS.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with Rufo Construction Company, 1 Allen road, Brighton, for bituminous concrete pavement in Bay street, Drummond street, Esmond street, McLellan street, and Winter street, from June 30, 1953, to August 31, 1953. This extension was requested because the contractor was unable to obtain necessary materials.

Approval has been given for an extension of time for the completion of the contract with Baker & Co., Inc., 3475 Washington street, Jamaica Plain, for bituminous concrete pavement in Dexter street, Gates street, Mystic street, Norfolk avenue, Quincefield street, and Shirley street, from June 30, 1953, to August 31, 1953. This extension was requested because the contractor was delayed by inclement weather at the start of the construction season.

TRANSFERS OF APPROPRIATIONS.

The Mayor has approved the following requests for transfers of appropriations:

AUDITING DEPARTMENT.

From Item 100, Permanent Employees, \$1,520, to Item 233, Auditing and Accounting Services, \$750, Item 474, Rental of Office Equipment, \$770.

SUFFOLK COUNTY JAIL.

From Item 100, Permanent Employees, \$5,000, to Item 516, Equipment, \$5,000.

MONTHLY REPORT OF VETERANS' SERVICES SHOWS DECREASE FROM SAME PERIOD IN 1952.

(Continued from page 961.)

Boston, July 10, 1953.

HON. JOHN B. HYNES,
Mayor of Boston.

SIR:

I have the honor to submit the report of the Department of Veterans' Services for the month of April, 1953.

Very truly yours,

FRANCIS X. COTTER, Commissioner.

During the month of April, 1953, the department collected \$123, which represents refunds by former beneficiaries who were found to have drawn aid under circumstances which warranted its return to the City of Boston.

Very truly yours,

FRANCIS X. COTTER, *Commissioner.*

MAYOR HOLDS CONFERENCE ON MTA FARE RAISE

(Continued from page 961.)

I do not like the proposed fare increase. Especially do I dislike that proposed increase in the local fare from 10 to 15 cents. I shall favor and support any sound, workable, constructive plan to make the increases proposed unnecessary.

3. Absorb deficits by a more acceptable form of subsidization.

The deficit could be absorbed, and fairly so, in my opinion, if legal means could be found to permit the MTA deficit, and deficits in operating costs of other transportation systems in the state, to be met from the proceeds of the state highway fund.

4. Fringe cities and towns to share in MTA operating costs.

Thousands of persons living outside the MTA district make use of the MTA system, either regularly or occasionally. It is not unfair, therefore, to require that all the cities and towns in the greater metropolitan area bear a share of the cost of MTA operations.

EXTENSION OF SERVICE.

5. Extension of service.

The extension of MTA service to those areas where growing population merits

rapid transit service, and where expected income will justify such extension, is a future possibility for reduction of future deficits.

6. Continue to assess growing deficits on property owners.

How much more can owners of property stand? Obviously, to assess the full cost of annually increasing deficits on owners of properties, some of whom never use the MTA, is unfair and unjust. It places a burden on property ownership which will have a discouraging and debilitating effect on every city and town presently in the MTA district, and it is a serious deterrent to any efforts to bring new industries to these communities.

To conclude, there is no ready, easy, or painless solution to the MTA problems. The adoption of a zone system, as suggested, and if practicable, would be more popular than the proposed fare increase.

It is my belief that mass transportation systems, such as the MTA, will never again be self-supporting, no matter what fare is established. The common use of the automobile for business, for shopping, or for pleasure has sealed the doom of profitable transportation systems operating on a fare schedule which can be termed fair, reasonable, and acceptable to those who must use mass transportation systems.

ECONOMIC NECESSITY.

It is acknowledged, furthermore, that a mass transportation system is as economically necessary as the automobile highway system. Therefore, it is my considered opinion that mass transportation systems should be subsidized, however this is accomplished legally, through the same fund which has provided more and better roads for the very instrument, the automobile, which is responsible for the plight of mass transportation systems. I am not satisfied that legal authorities cannot convince our courts of the fairness and wisdom of this proposal, which could result in a stabilization of fares at a reasonable figure.

Concerning the pending fare schedule, as proposed by the MTA trustees, I believe that the increase of the local fare from 10 to 15 cents is ill advised, and will result in greatly reduced riding on short hauls, with little or no increase in income.

The other proposed increases, if allowed, should be made on a temporary basis, pending passage of necessary legislation designed to go to the root of the basic financial troubles of the MTA.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

P. V. Barone Corporation has been directed to perform the following extra work under the contract for bituminous concrete pavement in Garth road, Gould street, Hackensack Circle, Laurie avenue, Maplewood street, and Pheasant street, dated April 29, 1953:

In Laurie avenue, remove and reset stone bound at corner of Crescent Circuit, including excavation and backfill, for the sum of \$15. Estimated cost of extra work, \$15.

Rufio Construction Company, Inc., has been directed to perform the following extra work under the contract for bituminous concrete pavement in Hallett street, Marsh street, Mountfort street, and Park Drive, and for sheet asphalt pavement in Beacon street, Brimmer street, and Lime street, dated October 15, 1952:

In Beacon street, at Nos. 210 and 222, reset five parking meters at \$5 per meter. Estimated cost of extra work, \$25.

S. J. Tomasello Corporation has been directed to perform the following extra work under the contract for bituminous concrete pavement in Ferncroft road, Keane road, Rustlewood road, Stearns road, and Woodard road, dated May 13, 1953:

In Keane road, furnish and lay approximately 1,600 square feet of artificial stone driveways at 60 cents per square foot. Estimated cost of extra work, \$960.

S. J. Tomasello Corporation has been directed to perform the following extra work under the contract for bituminous concrete pavement in Brayton road, Marcy road, Westmount avenue, Glenley terrace, and Kilmarnock street, dated October 6, 1952:

In Massasoit street, perform the following work: Construct two catch basins complete in place, at \$250 each; furnish and lay approximately 34 linear feet of 10-inch minor drain connection at \$4 per linear foot; furnish and place two pipe connections to manholes at \$25 each. Estimated cost of extra work, \$656.

ADDITIONS TO AND DEDUCTIONS FROM CONTRACTS.

INSTITUTIONS DEPARTMENT.

M. Solimando has been ordered to make the following changes in the contract for alterations to Wards AA and BB, Long Island Hospital, dated December 29, 1952, and approved by the Mayor December 31, 1952:

Additions.

Furnish all labor and materials necessary to reinforce toilet floor timbers; patch plaster dumb-waiter and paint same; wash and clean all windows in Wards AA and BB; install finestra steel sash in Room 8 of Ward AA; and furnish and install eight corner guards, for the sum of \$665.

Deductions.

Omit door and frame in Room 10 of Ward AA; omit door in frame of Room 11 in Ward BB; omit ceramic tile in dumb-waiter; omit double hung detention type window in Room 8, Ward AA, together with certain allowances as detailed in contractor's letter, for the sum of \$743.

Summary.

Original contract, \$94,943; amendment No. 1, add, \$7,821; amendment No. 2, add, \$665—\$103,429; amendment No. 2, deduct, \$743; total amount of contract to date, \$102,686.

FIRE DEPARTMENT ORDERS.

General Order No. 34.

I. RESIGNATIONS.

The following resignation, which became effective at 5 P.M., Tuesday, June 30, 1953, is hereby announced:

Senior Clerk and Typist Marion H. Carey, Electrical Inspection Division.

The following resignation, which will become effective at 5 A.M., Wednesday, July 15, 1953, is hereby announced:

Ladderman Henry J. Schneider, Ladder Company 15.

II. FIRE ALARM BOX ESTABLISHED.

In the near future the following fire alarm box will be installed:

1413, Atlantic avenue and Congress street.

Assignment of apparatus for Box 1413 will be the same as for Box 1421. Assignment cards will be distributed at a later date.

The circuit number for the above box will be announced when the box is installed.

III. FIRE ALARM BOX RELOCATED.

Fire Alarm Box 1214 which was formerly located at Hanover and Endicott streets was removed, due to the construction of John F. Fitzgerald Highway, and has been relocated at the corner of Hanover and Union street:

The designation on assignment card for Box 1214 will be changed to read as follows:

1214, Hanover and Union streets.

Company commanders will make the above change on assignment card for Box 1214.

IV. CHANGE IN DESIGNATION OF FIRE ALARM BOXES.

Due to a change in the name of streets, the designation of the following fire alarm boxes will be changed to read as indicated:

2438, Lamartine street and Ballin place.
6251, Faywood avenue and Crestway road.

2674, Beechland street, opposite No. 46.

Company commanders will make the above changes in designation on assignment cards for the three boxes given above.

That portion of West First street, from Dorchester avenue to the railroad, has been given the name of Gillette park.

The designation of the following fire alarm boxes will be changed to read as follows:

7135, A street and Gillette park.
7136, Dorchester avenue, opposite Gillette park.

Company commanders will change the designation on assignment card for Boxes 7135 and 7136 to that given above.

V. CHANGE IN STREET NAMES.

Notice has been received from the Board of Street Commissioners regarding change of name for the following streets:

Ballin place, formerly Clark place, West Roxbury, from Lamartine street southeasterly for a distance of approximately 132 feet.

Crestway road, formerly Overlook street, East Boston, from Waldemar avenue to Faywood avenue.

Solaris road, formerly Sunnyside avenue, Hyde Park, from River street to Dedham line.

Lochland road, formerly Reservoir street, Hyde Park, from Milton avenue to Summit street.

Quinn Way, formerly Garrett street, West Roxbury, from 1996 Centre street to Billings Field and northeasterly.

Hartford court, formerly Frederick terrace, Dorchester, from Hartford street approximately 150 feet easterly.

Cerino road, formerly Cedar avenue, West Roxbury, from Lamartine street to Oakdale street.

Beechland street, formerly Farrington avenue, West Roxbury, from Beech street approximately 224 feet southwesterly.

VI. STREET DISCONTINUED.

Notice has been received from the Board of Street Commissioners that the following street has been discontinued:

Shermont street (formerly Sherbrook place), from Tremont street northeasterly for a distance of approximately 158 feet.

VII. INDEX TO GENERAL ORDERS.

Copies of Index to General Orders, for the year 1952, are being issued to the department today.

VIII. COMMENDATION BY THE BOSTON CITY COUNCIL.

The Fire Commissioner is pleased to publish for the information of the department the following order adopted by the City Council:

Resolved, That the Boston City Council, in meeting assembled, wishes to highly compliment the uniformed members of the Boston Fire Department for their speedy and untiring efforts in bringing under control and extinguishing the recent fire in an apartment house on Isabella street, in the South End district, and saving the lives of many elderly occupants who otherwise would have perished in the flames.

In City Council, June 29, 1953. Adopted.

Attest:

WALTER J. MALLOY,
City Clerk.

By order of Fire Commissioner JOHN F. COTTER.

JOHN V. STAPLETON,
Chief of Department.

AMENDED ORDER.

WIDENING, ETC., POPLAR STREET, WEST ROXBURY.

The Mayor has approved the amended order of the Board of Street Commissioners for a public improvement consisting of the widening, relocation and construction of Poplar street, West Roxbury district, as a highway between Whitford street and Canterbury street, bounded and described as follows:

The highway named Poplar street is hereby widened and relocated, from Canterbury street to a point approximately 200 feet south of Whitford street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees, shrubs,

or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to William and Mary Metcalf, bounded: Northwest by the southeasterly line of Poplar street as it existed prior to this order, by five measurements, 81.99 feet on a curve of 928.24 feet, 50.55 feet, 58.92 feet on a curve of 71.73 feet radius, 16.35 feet, and 37.72 feet on a curve of 33.17 feet radius; southeasterly by the southeasterly line of Poplar street as widened and relocated under this order, by four measurements, 28 feet on a curve of 19.35 feet radius, 15.14 feet, 85 feet on a curve of 231.35 feet radius, and 104.90 feet, containing 2,347 square feet, more or less.

The city hereby takes the right in the following described lands to place or slope, and maintain all filling required for grading said street.

A parcel of land, supposed to belong to William and Mary Metcalf, bounded:

Northwest by the southeasterly line of Poplar street as widened and relocated under this order, by four measurements, 100 feet, 85 feet on a curve of 231.35 feet radius, 15.14 feet, and 28 feet on a curve of 19.35 feet radius; easterly by land hereinafter described as taken from owners unknown (Grew avenue), 31.98 feet; southerly by other land supposed to belong to said Metcalf, 29.75 feet; southeasterly by the same, by two measurements, 73.98 feet on a curve of 201.35 feet radius and 100 feet; and southwesterly by the same, 30 feet, containing 6,542 square feet, more or less.

A parcel of land, owners unknown, being part of the private way known as Grew avenue, bounded:

Westerly by land hereinbefore described as taken from Metcalf *et al.*, 31.98 feet; northwesterly by the southeasterly line of Poplar street as widened and relocated under this order, 51.21 feet; and southeasterly by another part of Grew avenue, 40 feet, containing 640 square feet, more or less.

Trees, shrubs or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Poplar street as hereby widened and relocated is bounded:

Easterly by the easterly line of Poplar street as hereby widened and relocated and by Canterbury street, by two measurements, 62.60 feet on a curve of 40 feet radius and 65.40 feet; southeasterly by the southeasterly line of Poplar street as hereby widened and relocated, by seven measurements, 40.40 feet on a curve of 20 feet radius, 51.21 feet, 28 feet on a curve of 19.35 feet radius, 15.14 feet, 85 feet on a curve of 231.35 feet radius, 179.25 feet, and 168.49 feet on a curve of 205.42 feet radius; southerly by the southerly line of Poplar street as hereby widened and relocated, 60 feet; northwesterly by the northwesterly line of Poplar street as hereby widened and relocated, by six measurements, 134.57 feet on a curve of 227.62 feet radius, 57.88 feet on a curve of 40.88 feet radius, 51.73 feet, 85.53 feet on a curve of 57.68 feet radius, 235.18 feet, and 44.17 feet on a curve of 50 feet radius; and northerly by the northerly line of Poplar street as hereby widened and relocated, by two measurements, 37.51 feet and 2.61 feet.

BUILDINGS RAZED.

The Mayor has approved the request of the Building Commissioner to raze the following structures as fire hazards or menaces:

To enter the building or other structure, or the abutting land or buildings, at 40 Isabella street, Ward 5, with such assistance as required, and make safe, vacate forthwith or remove said unsafe or dangerous building or other structure, and to protect the public by a proper fence or otherwise as may be necessary.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, the Traffic Rules and Regulations of the City of Boston are amended as follows, effective August 4, 1953:

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by striking out the following:

Albany Street, Boston Proper.

Southeast side, from Broadway to Massachusetts avenue, 8 A.M. to 10 A.M.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by adding the following:

Albany Street, Boston Proper.

Southeast side, from Broadway to Dover street, 8 A.M. to 10 A.M.

Southeast side, from opposite East Canton street to a point sixty-five (65) feet southwest of opposite East Brookline street, 24 hours.

Southeast side, from a point one hundred and twenty-five (125) feet northeast of Massachusetts avenue to Massachusetts avenue, 24 hours.

Bird Street, Dorchester.

North side, from Columbia road to Hancock street, 24 hours.

Deering Road, Dorchester.

Northeast side, from Blue Hill avenue to Wellington Hill street, 24 hours.

Geneva Avenue, Dorchester.

Northeast side, from Toplift street to Westville street, 24 hours.

Harvard Street, Dorchester.

Northwest side, from Blue Hill avenue to Morton street, 24 hours.

Jerome Street, Dorchester.

North side, from Hancock street to Cushing avenue, 24 hours.

Maywood Street, Roxbury.

Northeast side, from Warren street to Blue Hill avenue, 24 hours.

Southwest side, from Warren street to a point two hundred and fifty (250) feet southeast of Warren street, 24 hours.

Wellington Hill Street, Dorchester.

Southwest side, from Wellington Hill Footway to Blue Hill avenue, 24 hours.

Article V, Section 1 (One-Way Streets), is amended by striking out the following:

Maywood Street, Roxbury.

From Blue Hill avenue to Warren street.

Article V, Section 1 (One-Way Streets), is amended by adding the following:

Brookline Avenue, Boston Proper.

From Jersey street to Park Drive, 4 P.M. to 6 P.M.

Haynes Street, East Boston.

From Orleans street to Marginal street.

Moody Street, Dorchester.

From Dunbar avenue to Torrey street.

Mora Street, Dorchester.

From Milton avenue to Washington street.

Stockton Street, Dorchester.

From Washington street to Milton avenue.

Toplift Street, Dorchester.

From Geneva avenue to Bowdoin street.

Article VI, Section 10 (Left Turns Prohibited), is amended by striking out the following:

Blue Hill Avenue, Dorchester.

Into Fairway street, westerly.

Article VI, Section 10 (Left Turns Prohibited), is amended by adding the following:

Blue Hill Avenue, Dorchester.

Into Fairway street, westerly, 4 P.M. to 6 P.M.

Cambridge Street, Boston Proper.

Into West Cedar street, southerly.

Voted, That as urgently required by considerations of public safety and convenience, during the period of underground construction by the Boston Edison Company, vehicles are excluded from the following street, from 8 A.M. to 4 P.M. on Monday, July 13, 1953:

Walden Street, Roxbury.

From Heath street to Minden street.

CIVIL SERVICE EXAMINATIONS.

NOTE.—Applicants are advised to file applications early. In event of a tie on the eligible list, the applicant who filed his application first will be given precedence.

ASSISTANT REGISTRAR OF VOTERS, BOSTON ELECTION DEPARTMENT, AUGUST 14, 1953.

Last date for filing applications, Friday, July 24, 1953.

Salary: The minimum salary is \$65 a week; the maximum salary is \$83.50 a week.

Vacancies: From time to time. At present there are two vacancies (one for a Democrat and one for a Republican).

Duties: To examine prospective voters and to register them if found eligible; to assist in setting up the voting list each year; to work on the index of voters; to assist the Board of Election Commissioners in drawing prospective jurors; to check nomination papers and various types of petitions filed for certification; to tabulate election returns rapidly and accurately; to handle all detail in connection with the conduct of elections; and to perform related work as required.

The following are required: A knowledge of the Massachusetts General Laws relating to the requirements for qualifying as a voter and to the procedures necessary for registration, the laws relating to the status of naturalized citizens, particularly that portion of the law relating to married women, and the laws relating to primaries and elections, particularly chapter 51 of the Massachusetts General Laws (Ter. Ed.); proficiency in English and in arithmetic; a thorough knowledge of filing and indexing; the

ability to write legibly and to copy information accurately; absolute integrity.

Entrance Requirements: In accordance with chapter 305 of the Acts of 1920, applicants must have been enrolled in either the Democratic or Republican Party for the three consecutive years next preceding the date of filing application and must file with the Division of Civil Service a certificate to that effect signed by a member of the Boston Board of Election Commissioners of the same political party affiliation as the applicant.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

PRINCIPAL PHYSICAL THERAPIST, LONG ISLAND HOSPITAL, BOSTON INSTITUTIONS DEPARTMENT, AUGUST 14, 1953.

Last date for filing applications, Friday, July 24, 1953.

Salary: The minimum salary is \$63 a week.

Vacancies: At present there is one vacancy for a male, to be filled on a permanent basis.

Duties: Under direction, to administer a broad program of physiotherapy, and to supervise a large number of physiotherapists and other hospital employees; and to perform related work as required.

Examples of Duties: Directing the work of several physiotherapy units engaged in such forms of treatment as remedio gymnastics, diathermy, massage, therapeutic exercises, artificial fever therapy, low frequency treatments, and phototherapy; observing physiotherapists administering treatments to patients, and after consulting with physicians, arranging for changes of treatment as required; instructing the staff in newly developed methods of treatment and demonstrating techniques; organizing clinical teaching programs for student nurses and for medical students in physiotherapy; preparing work schedules for subordinates; arranging vacation schedules; preparing reports; keeping records.

Entrance Requirements: Applicants must have at least five years of satisfactory, full-time paid experience in physical therapy. *Substitutions:* (1) Graduation from a recognized school which gives not less than three years of training in physical therapy may be substituted for three years of the required experience. (2) Successful completion of a nine months' course in physical therapy in a recognized school in addition to (a) graduation from a recognized school of nursing, or (b) graduation from a recognized school of physical education, or (c) successful completion of two years of training in biology and physical sciences in a recognized college or university, may be substituted for three years of the required experience.

Subjects and Weights: Training and experience, 2; practical questions, 3; total, 5.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

PROCEEDINGS OF CITY COUNCIL.

Monday, July 6, 1953.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., President AHERN in the chair. Absent, Councillors Kerrigan, Ward.

The Reverend Father Zachary O'Friel, O.F.M., of St. Anthony's Catholic Shrine, Boston, was escorted to the rostrum.

INVOCATION BY REV. FATHER ZACHARY O'FRIEL.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Go before us, O Lord, we beseech Thee, in all our actions with Thy gracious inspiration and further us with Thy continual help, so that every prayer and work of ours may begin from Thee and by Thee be duly ended. O God the Holy Ghost, hindered by our many sins we come before Thee, gathered here in Thy name. Enter our hearts and teach us what to do and whether we ought to tend so that what we accomplish for the community of this city might be done with Thy help and be pleasing to Thee in all things.

Let not ignorance draw us into evil paths, nor partially sway our minds. Do not permit the respect of riches or persons to pervert our judgments, but unite us to Thyself that we may know Thy truth. Help us to remember that Thou art the just Judge of every action, and to Thee will we have to render an account of all our works. Let, then, our decisions this day be for Thy greater honor and glory, so that we may come to Thee in death with a clear conscience of having done what Thou has commanded. Aid us now, O Eternal Father, that we may fulfill the tasks which lie before us and follow Thee, Who reignest with Thy Son and the Holy Ghost, forever and ever. Amen.

The meeting was opened with the salute to the Flag.

Coun. HURLEY in the chair.

JURORS DRAWN.

Jurors were drawn in the manner prescribed by law. Councillor Joyce presiding at the box in the absence of the Mayor, viz:

Five additional grand jurors, Superior Criminal Court, to appear August 3, 1953: Ralph D'Amato, Ward 1; Minnie T. Peters, Ward 3; Walter T. Dutcher, Ward 4; Joseph F. Linskey, Ward 6; Edward Logue, Ward 11.

Fifty-four traverse jurors, Superior Criminal Court, to appear August 3, 1953:

RECESS.

On motion of Councillor Piemonte the Council voted at 2.35 P.M. to take a recess until 2 P.M. The members reassembled in the Council Chamber and were directed to order by Chairman HURLEY at 3.35 P.M.

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council the Mayor submitted the following appointments for the term ending April 30, 1954:

Constables, with authority to serve civil process upon filing of bonds, Raymond and Thomas, 118 Huntington avenue, Boston; John A. Devine, 4 Huxton street, Dorchester.

Severally referred to the Committee on Confirmations.

VETO OF ORDERS AMENDING COUNTY COMPENSATION AND CLASSIFICATION PLAN.

The following was received:

City of Boston,
Office of the Mayor, July 1, 1953.
To the City Council.
Gentlemen:

I return herewith disapproved, and without my signature, the following orders recently adopted by your Honorable Body:

Order for change in Rule 19 of the County Classification and Compensation plan.

Order for change in the County Classification and Compensation plan of Parole Agent.

Order for change in the County Classification and Compensation plan for Clerks of Court of the East Boston, Chelsea, Charlestown, South Boston, and West Roxbury Courts.

Order for change in the County Classification and Compensation plan for First Assistant Clerks of Court of East Boston, Chelsea, Brighton, Charlestown, South Boston, and West Roxbury Courts.

Order for change in the County Classification and Compensation plan for commitment and transfer officers.

Order for change in the County Classification and Compensation plan for Court Officers of the Brighton, Charlestown, Dorchester, East Boston, South Boston, and West Roxbury Courts.

Order for change in the County Classification and Compensation plan for van drivers.

Order for change in the County Classification and Compensation plan for Assistant Matron.

Order for change in the County Classification and Compensation plan for Jail Officer.

After a thorough study in each case the Budget Commissioner has recommended disapproval of the above changes in the Classification and Compensation plan for officers and employees of Suffolk County.

Respectfully,

J. B. HYNES, Mayor.

Referred to the Executive Committee.

TRAFFIC LIGHTS AT GENEVA AVENUE AND WESTVILLE STREET.

The following was received:

City of Boston,
Office of the Mayor, July 6, 1953.
To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of the Boston Traffic Commission relative to your order of June 2, 1953, requesting the installation of traffic signals at the Geneva avenue and Westville street intersections.

Respectfully,

J. B. HYNES, Mayor.

Boston Traffic Commission,

June 26, 1953.

Hon. John B. Hynes,

Mayor of Boston.

Dear Mr. Mayor:

With reference to the Council order dated June 2, 1953, requesting the installation of traffic signals at Geneva avenue, Toplift street, and Westville street, I wish to report that a request has been made for transfer of funds for this installation and plans are being prepared for same.

Respectfully yours,

WM. ARTHUR REILLY, Commissioner.

Placed on file.

TRAFFIC SIGNALS AT COMMONWEALTH AND CHESTNUT HILL AVENUES.

The following was received:

City of Boston,
Office of the Mayor, July 6, 1953.
To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of the Boston Traffic Commission relative to your order of June 8, 1953, requesting the installation of automatic traffic

signals at the intersection of Commonwealth and Chestnut Hill avenues, Brighton.

Respectfully,

J. B. HYNES, Mayor.

Boston Traffic Commission,

June 26, 1953.

Hon. John B. Hynes,

Mayor of Boston.

Dear Mr. Mayor:

With reference to the Council order dated June 8, 1953, requesting the installation of automatic traffic signals at the intersection of Commonwealth and Chestnut Hill avenues, Brighton, I wish to report that the traffic signal equipment for this intersection has been ordered; but, delivery will take approximately four months.

On this basis, we expect to complete the installation of this traffic signal in the fall.

Respectfully yours,

WM. ARTHUR REILLY, Commissioner.

Placed on file.

STUDY OF CONDITIONS AT SWIMMING POOL AT DOHERTY PARK, CHARLESTOWN.

The following was received:

City of Boston,
Office of the Mayor, July 6, 1953.
To the City Council.
Gentlemen:

I transmit herewith communication from the Chairman of the Park Department relative to your order of June 22, 1953, requesting to make a study of the conditions of safety at the swimming pool, Doherty Park, Charlestown.

Respectfully,

J. B. HYNES, Mayor.

City of Boston,

Park Department, June 29, 1953.

Thomas G. J. Shannon,

Chief Clerk, Mayor's Office.

Dear Sir:

I desire to acknowledge your memorandum of June 24, 1953, with enclosure, City Council order requesting the Park Commissioner to make a study of conditions at the swimming pool at Doherty Park, Charlestown, for the purpose of insuring the safety of the children using this pool.

This is to inform Councillors Ward and Joyce that this pool, George Rort and White Swimming Pool, is under the supervision of qualified life guards all of whom have passed the Red Cross Life Saving test, and we anticipate that all the children at the pool will receive proper attention and care.

Very truly yours,

FRANK R. KELLEY, Chairman.

Placed on file.

INFORMATION RE URBAN REDEVELOPMENT IN WEST END.

The following was received.

City of Boston,
Office of the Mayor, July 6, 1953.
To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of the Urban Redevelopment Division of the Boston Housing Authority relative to your Council order of May 25, 1953, concerning the request that the City prepare an appropriate leaflet describing the present status of urban redevelopment as it concerns the West End and plan for its distribution.

Respectfully,

J. B. HYNES, Mayor.

Urban Redevelopment Division,

July 1, 1953.

Hon. John B. Hynes,

Mayor of Boston.

Attention of Thomas G. J. Shannon.

Dear Mr. Mayor:

The Urban Redevelopment Division of the Boston Housing Authority has prepared a pamphlet in compliance with the City Council order of May 25, 1953, that there be prepared an appropriate leaflet describing the present status of urban redevelopment as it concerns the West End and plan for its distribution.

I am enclosing 100 copies for official use and distribution in connection with the Council order.

Commencing Monday, July 6, the field workers of this division will begin distributing a copy of the pamphlet to every family in the project area.

If any additional information is necessary in reference to the above-mentioned Council order, I will be more than happy to oblige.

Respectfully yours,

KANE SIMONIAN, Chief.

WHAT IS URBAN REDEVELOPMENT?
